Так, можливо.

Question

The eligibility criteria does not mention whether the applicant needs to be a constituted non-governmental organization in Ukraine or in another country. Therefore we would like to know if the organization in a country outside Ukraine.... registered organization with activities in Ukraine is eligible for this grant or not.

Answer

Yes, the organisation is eligible to apply.

Question

Confirm the eligibility of the following costs / expenditures we are considering:

- informational materials (leaflets, tableends, banners) production;
- animation materials / videos (animated video guides / instructions) to be further promoted in YouTube and social media;
- targeting / promotion services to be paid to the platforms (YouTube, Facebook, Instagram).

We would like to specify if these costs can be acceptable alone (if yes - do we understand correctly that it is "Subtotal 5 Other expenditure and services" budget line to be used) or these types of costs should be / can be included into the general costs of the marketing service provider to be responsible for it?

Answer

Yes, the costs indicated above are eligible.

They are usually relatable to 5.5.6. or 6.1, 6.2 budget lines depending on the nature of a project activities.

Please consider that before approval of the proposal by Evaluation Committee and signing a Grant Agreement, slight changes into the budget and activities of a project might be done after negotiations (Page 8 Call for grants). Such negotiations may, inter alia, address similar budgetary clarifications.
