

1) Are we allowed to incorporate:

A detailed CV, preferably in Europass Format, demonstrating clearly that the tenderer fulfils the eligibility criteria; A list of all owners and executive officers, for legal persons only; For legal persons, registration documents or other official documents proving ownership and control of the tenderer; Sample of relevant work in English language (article, report, research analysis, training material) enclosed by email or links to relevant work present online;

In the Act of Engagement document or should we create a separate document instead and list all of these and send it to you?

A: As per call you need to submit the following documents as separate attachments:

- A completed and signed Act of Engagement
- Detailed CV, preferably in Europass Format
- If you are legal person, list of all owners and executive officers
- If you are legal person, registration documents or other official documents proving ownership and control
- Sample of relevant work in English language (article, report, research analysis, training material) enclosed by email or links to relevant work present online

2) As we want to apply for all three lots, should only one expert be assigned for each lot or are we able to list more than one?

A: You can list more than one. Or include them in the company's portfolio/CV
