Questions and answers document

- 1. We are interested in participating in tender name: purchase of design, printing, publishing and production services. Can you please tell us the amount of services/materials you need.**

Answer: The volume of services or materials cannot be precisely quantified, as it will depend on the evolving needs of the Project and is expected to recur throughout the contract period.

- 2. We have some questions regarding LOT 2, specifically for positions 5, 6, 7, and 8. Could you please clarify how many sheets are planned for each of these positions? Also, what type of printed material will be produced (reports, brochures etc.)?**

Answer: The number of pages and the type of printed materials for the positions 5, 6, 7, and 8 under LOT 2 will be determined based on the evolving needs of the Project and may vary throughout the duration of the contract.

- 3. Can you clarify if the mention of 'two-sided' refers to double-sided printing for LOT 1 and the printing of the documents? Would a total of 150 pages be equivalent to 75 sheets that are printed on both sides?**

Answer: The term 'two-sided' refers to double-sided printing, meaning that 150 pages will be printed on 75 sheets, with content on both sides.

- 4. Publications often require text editing. In recent years, tenders for Lot 1 have included text editing as part of the requirements. Will the text be provided in edited form?**

Answer: Editing services fall outside the scope of this tender. All texts will be provided in an edited form, ready for layout and printing.
