For the attention of Maren Lambrecht-Feigi
[Secretary to the Committee on Social Inclusion and Human Dignity](#)

Dear Colleagues

I wish to stand as 1st Vice President for the Social Inclusion and Human Dignity Committee. I have been a member of Congress since 2019, initially as a substitute and as a full member for the last four years.

During this time, I have served on the Committee of Social Inclusion participating in its work, particular areas of interest being environment, inclusion and it's work in raising the importance of access care for the vulnerable.

I believe the Committee Social Inclusion and Human Dignity provides a unique opportunity for members to share experiences, raise awareness of issues pertinent to their communities within the platform of Congress.

When I became a councillor, it was on a commitment of fairness, equity and ambition for our communities. Whilst challenges remain, the importance of our work is ever more significant and although several years have passed, my energy and commitment remains the same.

Thank you for your kind consideration.

Best wishes
