## Retention/Disposal schedule Public International Law Division

Directorate of Legal Advice and Public International Law  
(DLAPIL)

---

### 1. Activities

The Public International Law Division co-ordinates the work of the Committee of Legal Advisers on Public International Law (CAHDI), providing its secretariat, assisting it in performing its role as European Observatory of reservations to International Treaties, and updating its databases. The Division also ensures the quality of relations with other international organisations on issues of common interest falling under its scope of activity.

The CAHDI is a pan-European forum where legal advisers of the Ministers for foreign affairs of the member States of the Council of Europe and a significant number of observer States and Organisations can exchange and co-ordinate their views regarding major issues of Public International Law. The CAHDI also liaises with the International Law Commission of the United Nations (UN), the Sixth Committee of the UN General Assembly and the Council of the European Union on Public International Law (COJUR).

This schedule covers the records created in support of these core activities of the Public International Law Division. The related administration and support activities are covered in a separate general retention/disposal schedule for the whole of DLAPIL ([DS/DLAPIL\(2017\)1](#)).

### 2. Explanatory notes

Access

Resolution Res(2001)6 on access to Council of Europe documents (adopted by the Committee of Ministers on 12 June 2001) applies to official documents of the Committee of Legal Advisers on Public International Law (CAHDI). Access to internal documents is specified in the current retention schedule. Any declassification has to comply with the rules governing personal data protection.

Records carrying the access level classification on "confidential" in the Public International Law Division; records carrying

CAHDI-Section " are only accessible at Law Division acting as Secretariat for International CAHDI.
