## **Retention/Disposal schedule Department of the European Social Charter**

### **Extract concerning core activities and online information**

Directorate of Human Rights  
Directorate General of Human Rights and Rule of Law (DGI)

---

#### **1. Activities**

The European Social Charter is a treaty of the Council of Europe which sets out human rights for everyday life and requires their respect by the States which have accepted it. The 1996 Revised European Social Charter is gradually replacing the initial 1961 treaty. The Charter guarantees the fundamental freedoms and rights of every day, such as, housing, health, education, employment, legal and social protection, movement of persons and non-discrimination.

The European Committee of Social Rights (ECSR) rules on the conformity of national law and practice with the Charter. The Committee delivers its rulings in the framework of two procedures: a reporting procedure and a collective complaints procedure. The Governmental Committee of the European Social Charter and of the European Code of Social Security (GC) is composed of representatives of the states party to the European Social Charter and assisted by representatives of the European social partners participating as observers. The Governmental Committee considers the follow-up given to conclusions of non-conformity.

## 2. Explanatory notes

### *Access*

For documents of the European Committee of Social Rights, access and declassification is specified in the [Rules of the Committee](#) (adopted on 29 March 2004 and amended the last time on 9 September 2014).

For documents of the Governmental Committee of the European Social Charter, access and declassification is specified in the [Protocol amending the European Social Charter](#) (CETS no. 142, 21 October 1991), the [Governmental Committee 101<sup>st</sup> meeting report](#) (T-SG(2002)12, 9–13 September 2002) and the [Rules of procedure of the Governmental Committee](#).

For other documents, access is specified in this schedule. Confidential documents will be declassified after 30 years. Any declassification has to comply with the rules governing personal data protection.

In this schedule, the access classification level "confidential" refers to access by the Department of the European Social Charter and members of the European Committee of Social Rights or the Governmental Committee, unless otherwise indicated.

As regards its official documents, including those produced prior to this retention and disposal schedule, the European Social Cohesion Platform applies the rules laid down in [Resolution\(2001\)6 on access to Council of Europe documents](#) adopted by the Committee of Ministers on 12 June 2001. Any declassification has to comply with the rules governing personal data protection. Internal documents will be declassified after 30 years. Declassification has to respect personal data protection provisions.

### *Storage*

Photos and digital images that are not part of the official Council of Europe photographic material are to be stored in MyCloud.

### *Disposition*

The disposition " Preservation " in this schedule means permanently in the Archives because of their historical (archival) value for the Organisation.

### *Abbreviations used in this schedule*

ESC: European Social Charter  
 ECSR: European Committee of Social Rights  
 GC: Governmental Committee of the European Social Charter and of the European Code of Social Security  
 ECSS: European Code of Social Security
