

**Directorate for Combating Organized Crime
Central Cybercrime Unit**

24/7 PoCs of Romania

Daniela MATEI
Police Inspector

Octopus Conference 2023

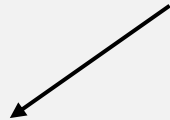

Strengthening 24/7 points of contact

24/7 Network

Romania - 2 Points of Contact

DCCO

DIICOT

Cooperation / Coordination

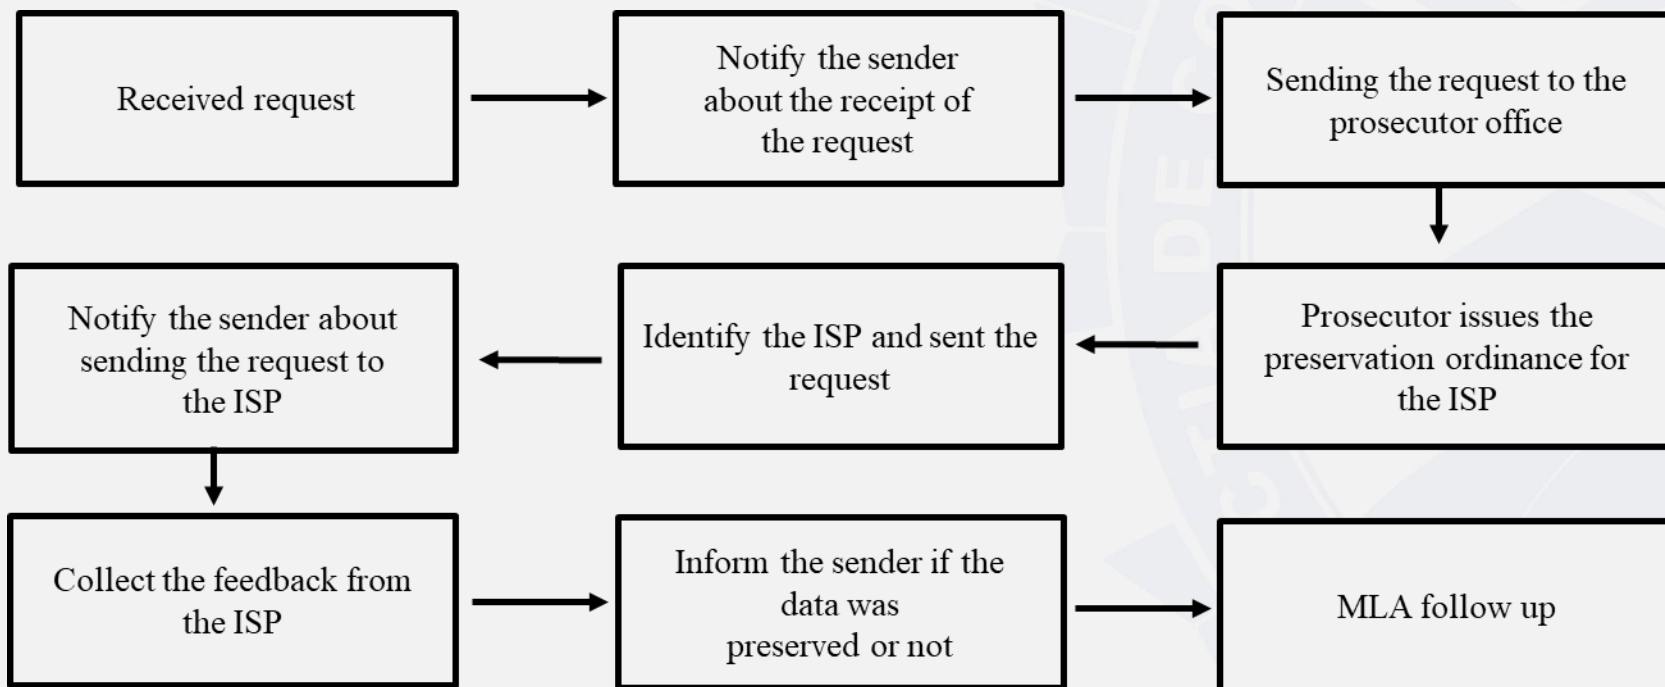

The cooperation between DCCO and DIICOT relies on a dynamic framework that allows swift exchange of requests and responses.

Cooperation / Coordination

Standard operation procedure:

Cooperation / Coordination

Good cooperation and coordination between DCCO and DIICOT

essential for maintain the investigation pace

Same officer

→ Preservation request → MLAT/EIO

Relation with ISPs

- keep an updated list of ISPs and Service Providers contacts
- developed fast, reliable and designated channels for communication and information exchange

Relation with ISPs

Legislation

Romania

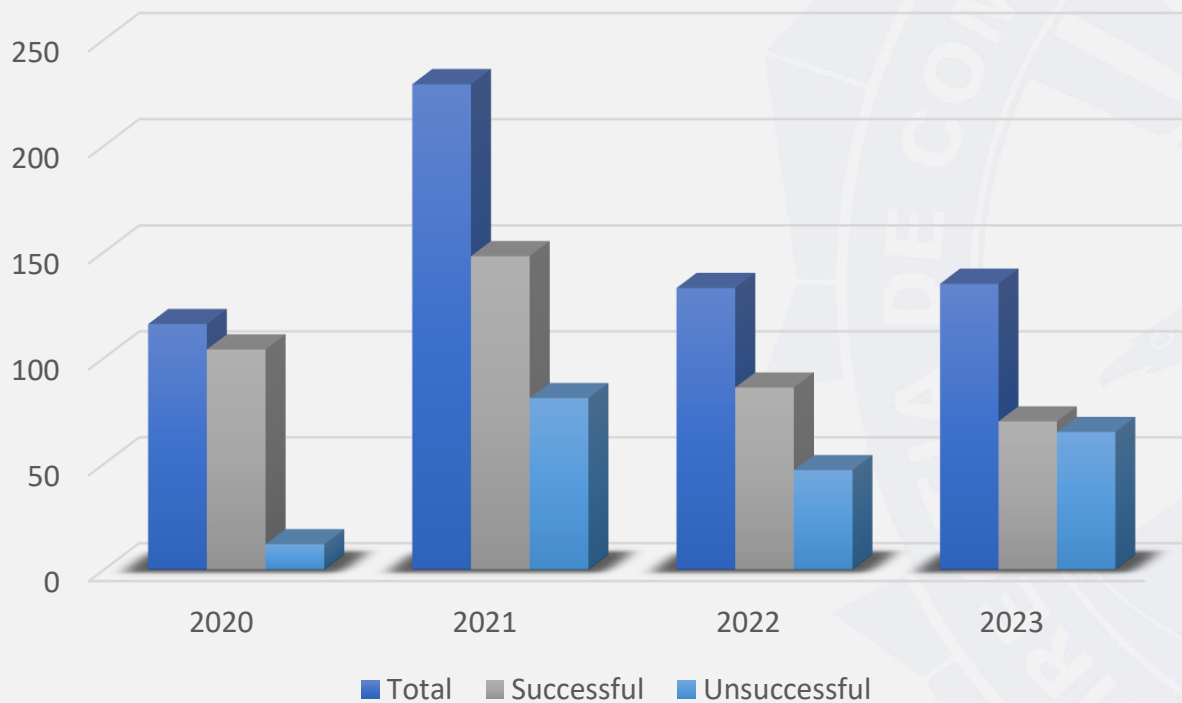

Data Retention

Statistics

Statistics – Preservation requests

Internal promotion

Important for the local authorities to be aware about the 24/7 PoC and its capabilities.

We promoted it with the occasion of:

- training courses
- meetings and events with the regional units
- managerial meetings and briefings
