November 2020 - May 2021
Présidence de l'Allemagne
Conseil de l'Europe

- *Save the Date* -

Germany's Federal Foreign Office and Federal Ministry of Justice and Consumer Protection, in the context of the German Chairmanship of the Committee of Ministers of the Council of Europe, will host a virtual, high-level conference on

“Human Rights in the Era of AI -

Europe as international standard setter for Artificial Intelligence”

date and time: 20 January 2021, from 1.00 to 5.30 p.m. (exact time tbc).

The conference will be supported by the Council of Europe.

High-level experts will address the following topics:

- The Impact of AI on Human Rights, Democracy and the Rule of Law – Do we need an internationally harmonised legal framework on AI?
- Expectations towards AI regulation in the Council of Europe and beyond
- Current state of AI regulation in Europe – How can the Council of Europe and the EU build bridges as international standard setters for the regulation of Artificial Intelligence?

A separate invitation, with further information about the programme and a link to the video stream, will follow in due course.
