POWER TALKS

Power talks and key messages

In total, there will be 9 Power talks with specific messages and topics:

Power Talk 1: The power of collaboration - Stepping up the coordination of global and pan-European agendas to increase their impact on children's human rights

Power Talk 2: The power of inclusion - Fighting precarity, poverty and exclusion, and promoting equal opportunities for all children

Power Talk 3: The power of media - Inform, inspire and mobilise while respecting the rights of the child

Power Talk 4: The power of speaking up against violence - Putting an end to violence against children

Power Talk 5: The power of data - Balancing transparency, freedom of expression and privacy of children

Power Talk 6: The power of children - Shaping or shaking up political agendas for a new generation of activists

Power Talk 7: The power of family relations - Respecting the best interests of the child in divorce and separation

Power Talk 8: The power of support - Responding to and preventing sexual violence by children

Power Talk 9: The power of technology - Seizing opportunities and responding to new challenges in the relations between children and technologies
