

Implementation of anti-doping policies in 2019 - Albania

Questionnaire on implementation of anti-doping policies in 2019 0.1

Objective :

In order to implement the requirements of the Article 9 of the Anti-Doping Convention, the online annual questionnaire is ready for collection of data regarding anti-doping policies in 2019.

Instruction :

For detailed instructions please select the links to documentation at the top of the page.

In case you face any problems which would prevent you from filling in the questionnaire, please report it to us by e-mail sport.t-do@coe.int

You are kindly requested to fill in, save and post your country's data for 2019 before 30 April 2020.

Questions :

1. Number of Athletes

Please estimate the number of athletes in the following categories within your country:

international-level athletes (as defined by the World Anti-Doping Code)

Min numeric value allowed : 0

[152] your comment (optional)

[] Data not available

national-level athletes (as defined by the World Anti-Doping Code)

Min numeric value allowed : 0

[16777] your comment (optional)

[] Data not available

other athletes (including recreational athletes)

Min numeric value allowed : 0

[] your comment (optional)

[X] Data not available

number of athletes in your national Registered Testing Pool (as defined by the World Anti-Doping Code)

Min numeric value allowed : 0

[] your comment (optional)

[X] Data not available

number of athletes at the last Summer Olympic games

Min numeric value allowed : 0

[12] your comment (optional)

[] Data not available

number of athletes at the last Winter Olympic games

Min numeric value allowed : 0

[2] your comment (optional)

[] Data not available

number of athletes at the last Summer Paralympic games

Min numeric value allowed : 0

[0] your comment (optional)

[] Data not available

number of athletes at the last Winter Paralympic games

Min numeric value allowed : 0

[0] your comment (optional)

[] Data not available

2. Doping definition

What is the definition of "Doping in Sport" used in your country?

[X] Council of Europe Anti-Doping Convention. Your comment (optional)

[X] UNESCO International Convention against doping in sport. Your comment (optional)

[X] World Anti-Doping Code. Your comment (optional)

[X] Other, please specify (e.g. national law) : The Law no. 79/2017 "On Sport" and the ALB NADO'Rules

Attachments

 Albanian Law no 79 2017 On Sport.doc

 ALB NADO Rules 2019.docx

3. Doping List

Which list of banned pharmacological classes of doping agents and doping methods (i.e. Prohibited List) is implemented in your country?

[X] Prohibited list, as adopted by the Executive Committee of WADA. Your comment (optional)

.....

[] List of banned pharmacological classes of doping agents and doping methods, as adopted by the Monitoring Group (TDO). Your comment (optional)

[] Prohibited list, as adopted by the Conference of Parties of the International Convention against Doping in Sport (UNESCO) Your comment (optional)

[] Other, please specify :

Attachments

 Albanian Law no 79 2017 On Sport.doc

4. Additional doping lists

For the purposes of restricting availability of doping substances are there other lists than those defined in question 4?

() Yes, please specify:

(X) No. Your comment (optional)

5. Anti-doping laws

Are there any anti-doping laws in your country?

Anti-doping law. Your comment (optional)

Other formal regulations, please specify: The ALB NADO Rules approved as well by WADA

No. Your comment (optional)

Attachments

 ALB NADO Rules 2019.docx

6. National anti-doping organisation (NADO)

What is the legal status of your national anti-doping organisation? Please upload the statutes, if possible

Public authority. Your comment (optional)

Non-governmental organisation. Your comment (optional)

Private company. Your comment (optional)

National Olympic Committee. Your comment (optional)

Other, please specify :

Attachments

 English statut.docx

7. NADO activities

Which of the activities below are conducted by your national anti-doping organisation? Please upload the organisational chart, if possible

	Yes. Your comment (optional)	No, please specify which organisation is in charge:
Co-ordination of action by public authorities	<input checked="" type="checkbox"/> Miniport and Youth	<input type="checkbox"/>
Coordination of the fight against trafficking	<input type="checkbox"/>	<input checked="" type="checkbox"/> Ministry of Internal Affairs
Testing (doping control)	<input type="checkbox"/>	<input checked="" type="checkbox"/> ALB NADO
Results management	<input type="checkbox"/>	<input checked="" type="checkbox"/> EERADO
Disciplinary procedures	<input type="checkbox"/>	<input checked="" type="checkbox"/> EERADO
Education and/or information	<input type="checkbox"/>	<input checked="" type="checkbox"/> ALB NADO
Research	<input type="checkbox"/>	<input checked="" type="checkbox"/> Sport University of Tirana

8. Funding of anti-doping program

What was your annual anti-doping budget for the 2019 calendar year?

Min numeric value allowed : 0

[9000] amounteuroCurrency

Data not available

9. Funding sources

How is the anti-doping program funded? Please select all that apply and indicate an estimate in percentages:

- Government 90%
- National Lottery program %
- National Olympic Committee (NOC) %
- Other Sports Organization(s) 10%
- Fee for service %
- Private %
- Other %

10. Distribution of funding

What percentage of your annual anti-doping budget is put towards the following core programs?

- [30] Testing (including equipment, transportation, Sample Collection Personnel (SCP) fees)
- [30] Sample analysis
- [0] Investigations
- [10] Education
- [0] Research
- [0] Results Management/Legal
- [5] Therapeutic Use Exemptions (TUEs)
- [25] Other (e.g. remuneration, administration)
- [] Data not available

11. Sport Budget

What amount has been allocated to the sport budget from the state budget for the year 2019?

- [8000] amount euro/currency
- [] Data not available

12. Limiting public funding to organisations

Is public funding withheld from organisations that do not comply with anti-doping regulations and related legal instruments?

- (X) Yes, all funding is withheld; your comment (optional) in case that are violation rhe Antidoping Rules of WADA CODE
- () A limited amount of funding is withheld; your comment (optional)
- () No financial implications; your comment (optional)
- () Information not available; your comment (optional)

13. Limitation of public funding of persons

Is sport-related financial assistance provided by public authorities withheld from banned athletes or athlete support personnel during the period of their suspension?

- Yes, all funding is withheld; your comment (optional) In case there are violation of Antidoping Rules
- A limited amount of funding is withheld; your comment (optional)
- No; your comment (optional)
- Not applicable (no sport-related financial assistance is provided by public authorities to athletes or support personnel); your comment (optional)
- Information not available; your comment (optional)

14. Testing programme ●

Does your country have a national testing programme?

- Yes
- No, please explain

15. Elements of the Testing Program ●

What elements of the testing program are implemented by the national anti-doping organisation?

- Risk Assessment and Test Distribution Planning (TDP)
- Registered Testing Pool
- Random selection of athletes
- Targeted selection of athletes
- In-competition testing
- Out-of-competition testing
- No-advance notice testing
- Blood testing
- Athlete Biological Passport (ABP) modules
- Other elements, please specify
- If some elements are implemented by another body, please specify which body

16. Quality certificate ●

Is your NADO or part of its procedures certified according to a quality standard (such as ISO, iNADO or any other quality assurance system)?

- Yes, please specify which standard, its scope and validity:
- In progress, please specify
- No; your comment (optional)

17. NADO staff ●

Please outline below how many staff are involved in the coordination and management of your anti-doping programs.

Min numeric value allowed : 0

[1] Staff full time [1] Staff part time [10] Volunteers [15] Committee members [] Data not available

18. Sample Collection Personnel

Do you have Sample Collection Personnel (SCP) ?

 (X) Yes () No, please explain

19. Number of DCOs and BCOs

How many Doping Control Officers (DCOs), Blood Control Officers (BCOs) and chaperones are in your sample collection personnel program?

Min numeric value allowed : 0

 [4] DCOs; your comment (optional) [2] BCOs; your comment (optional) [4] Chaperones; your comment (optional) [] Data not available

20. Laboratory

Is there a doping control laboratory in your country?

 [] Yes, accredited by WADA [] Yes, but accreditation by WADA is pending [] Accredited by WADA for athlete biological passport [X] No, we send samples to the WADA accredited laboratories in:LAB-Seibersdorf-AUT(city) [] Not available

21. Testing statistics

How many samples were collected under your national testing program in the year 2019?

	Urine	Blood (including ABP)
In-competition testing Min numeric value allowed : 0	15	0
Out-of-competition testing Min numeric value allowed : 0	10	0

 [] Data not available

22. Testing abroad

Did you test athletes under your authority who reside or train abroad (directly or by subcontracting another ADO)?

- Yes; your comment (optional)
- Not in 2019, but we have authorisation to do so; your comment (optional)
- No, we do not have authorisation to do so; your comment (optional)

23. Disciplinary system

What are the disciplinary bodies for doping offences, i.e. the main body imposing sanctions on athletes and other persons?

	-	-
State authority	-	-
NADO	ALBNADO	ALBNADO
NOC	-	-
National sport federations	-	-
international sport federations	-	-
Independent disciplinary body	-	-
Professional associations	-	-
Other, please specify	-	-

Attachments

 ALB NADO Rules 2019.docx

24. Appeals system

What is the body handling appeals against disciplinary measures?

- State authority; your comment (optional)-
- National sports federations; your comment (optional)-
- International sports federations; your comment (optional)-
- Independent court of arbitration; your comment (optional)-
- Court of Arbitration in Sport (CAS); your comment (optional)-
- Other, please specify : Appeal Panel of ALB NADO

Attachments

 Rregullorja Antidoping 2019.docx

25. Anti-doping rule violations (ADRV)

How many anti-doping rule violations cases were initiated in 2019 and how many of these initiated cases resulted in the

imposition of a sanction?

	Initiated cases	Cases that resulted in a sanction	Cases that resulted in no sanction
Presence of a prohibited substance or its Metabolites or markers in an athlete's sample Min numeric value allowed : 0	0	0	0
Use or attempted use by an athlete of a Prohibited substance or a prohibited method Min numeric value allowed : 0	0	0	0
Evading, Refusing or Failing to Submit to Sample Collection Min numeric value allowed : 0	0	0	0
Whereabouts Failures Min numeric value allowed : 0	0	0	0
Tampering or attempted tampering with any part of doping control Min numeric value allowed : 0	0	0	0
Possession of prohibited substances and prohibited methods Min numeric value allowed : 0	0	0	0
Trafficking or attempted trafficking in any prohibited substance or prohibited method Min numeric value allowed : 0	0	0	0
Administration or attempted administration to any athlete of any Prohibited method or prohibited substance Min numeric value allowed : 0	0	0	0
Complicity Min numeric value allowed : 0	0	0	0
Prohibited Association Min numeric value allowed : 0	0	0	0

[] Data not available

26. Whereabouts failures 

How many of the following whereabouts failures have you registered in 2019?

[0] One missed test or filing failure

[0] Any combination of two missed tests and/or filing failures

[] Data not available

27. Sanctions for doping trafficking 

Are there specific penalties or sanctions for illegal circulation of doping substances, in addition to those regulating the movement of medicines and narcotics?

[X] Criminal penalties, please specify 2.The legislation of the Albanian Republic provide for the criminal liability in relation to the

anti-doping rule violation, for use of banned substances, that appear on the WADA Prohibited List, stipulated by article 197/b of the Albanian Republic Criminal Code.

Financial penalties, please specify The Rules of ALB NADO provides the removal of financial support for the athletes and the funds for the federations supported by the state budget in case of doping case

Administrative or civil sanctions, please specify

Professional disciplinary actions, please specify

None of above, please explain

Not available; your comment (optional)

28. Co-operation with law enforcement agencies ●

What measures have been taken to improve co-operation with law enforcement agencies in limiting illegal availability of doping substances?

Law, please specify

Agreement, please specify

Ad hoc activities, please specify meetings with all the actors in the framework of the National Platform

Other, please specify

None; your comment (optional)

29. Statistics on doping trafficking ●

Do law enforcement agencies share data on the seizure of doping substances with the national anti-doping organisation:

Yes, please specify how many seizures have been reported in 2019:

No; your comment (optional) not yet

Other, please specify :

30. Organisation of anti-doping education ●

Which organisations are involved in coordinating and/or implementing anti-doping education programs?

National anti-doping organisation

Ministry responsible for sport

Ministry responsible for education

Ministry responsible for health

Other governmental body

National sport federations

Regional/municipal sport organisations

Universities

Schools

Sport clubs

Other bodies

31. Anti-doping education themes

What types of anti-doping message are provided for different target groups?

32. Nutritional supplements

What measures have been taken to address the problems related to nutritional supplements in sport?

- [] Restrict availability
- [] Control of production
- [] Provide quality assurance
- [] Comprehensive labelling
- [] Limit advertising and promotion
- [X] Educational and informational measures
- [] Other, please specify:

33. Anti-doping research

Has any anti-doping research been undertaken or supported?

- Yes; your comment (optional)
- Yes, to a limited extent; your comment (optional)
- No; your comment (optional)

34. Areas of anti-doping research

What are the areas of anti-doping research?

- Doping prevention
- Detection methods
- Behavioural and social aspects of doping
- Health consequences of doping
- Physiological and psychological training programmes
- Emerging substances or methods
- Alternative testing methods
- None
- Other; your comment (optional)

35. Publication of anti-doping research

How many articles with the results of this research have been published in peer-reviewed scientific journals?

- [] in 2019; your comment (optional)
- Data not available

36. International agreements

Has your country signed any agreements with other Anti-Doping Organizations (ADOs) or agreements on anti-doping with any other organisation or State concerning the following:

	Yes or No; if applicable please explain or upload the document (below)
(a) Sharing of information	no
(b) Law enforcement cooperation	no
(c) Athlete Biological Passport sharing or coordination	EERADO
(d) General cooperation	EERADO

4. Additional doping lists

For the purposes of restricting availability of doping substances are there other lists than those defined in question 4?

() Yes, please specify:

(X) No. Your comment (optional)

5. Anti-doping laws

Are there any anti-doping laws in your country?

Anti-doping law. Your comment (optional)

Other formal regulations, please specify: Règlement de l'Agence et Règlement de la Commission de Discipline contre le dopage

No. Your comment (optional)

6. National anti-doping organisation (NADO)

What is the legal status of your national anti-doping organisation? Please upload the statutes, if possible

Public authority. Your comment (optional)

Non-governmental organisation. Your comment (optional)

Private company. Your comment (optional)

National Olympic Committee. Your comment (optional)

Other, please specify : Organisme public possédant une personnalité juridique propre, indépendante des administrations publiques et avec une pleine capacité juridique

7. NADO activities

Which of the activities below are conducted by your national anti-doping organisation? Please upload the organisational chart, if possible

	Yes. Your comment (optional)	No, please specify which organisation is in charge:
Co-ordination of action by public authorities	<input checked="" type="checkbox"/>	<input type="checkbox"/>
Coordination of the fight against trafficking	<input checked="" type="checkbox"/>	<input type="checkbox"/>
Testing (doping control)	<input checked="" type="checkbox"/>	<input type="checkbox"/>
Results management	<input checked="" type="checkbox"/>	<input type="checkbox"/>
Disciplinary procedures	<input type="checkbox"/>	<input checked="" type="checkbox"/> Commission de discipline Contre le Dopage
Education and/or information	<input checked="" type="checkbox"/>	<input type="checkbox"/>
Research	<input checked="" type="checkbox"/>	<input type="checkbox"/>

8. Funding of anti-doping program

What was your annual anti-doping budget for the 2019 calendar year?

Min numeric value allowed : 0

[108385] amounteurisCurrency

Data not available

9. Funding sources

How is the anti-doping program funded? Please select all that apply and indicate an estimate in percentages:

Government100%

- National Lottery program %
- National Olympic Committee (NOC) %
- Other Sports Organization(s) %
- Fee for service %
- Private %
- Other %

10. Distribution of funding 

What percentage of your annual anti-doping budget is put towards the following core programs?

- [6] Testing (including equipment, transportation, Sample Collection Personnel (SCP) fees)
- [10] Sample analysis
- [0] Investigations
- [3] Education
- [0] Research
- [6] Results Management/Legal
- [0] Therapeutic Use Exemptions (TUEs)
- [75] Other (e.g. remuneration, administration)
- [] Data not available

11. Sport Budget 

What amount has been allocated to the sport budget from the state budget for the year 2019?

- [6500000] amounteurocurrency
- [] Data not available

12. Limiting public funding to organisations 

Is public funding withheld from organisations that do not comply with anti-doping regulations and related legal instruments?

- (X) Yes, all funding is withheld; your comment (optional)
- () A limited amount of funding is withheld; your comment (optional)
- () No financial implications; your comment (optional)
- () Information not available; your comment (optional)

13. Limitation of public funding of persons 

Is sport-related financial assistance provided by public authorities withheld from banned athletes or athlete support personnel during the period of their suspension?

- (X) Yes, all funding is withheld; your comment (optional)

- A limited amount of funding is withheld; your comment (optional)
- No; your comment (optional)
- Not applicable (no sport-related financial assistance is provided by public authorities to athletes or support personnel); your comment (optional)
- Information not available; your comment (optional)

14. Testing programme 

Does your country have a national testing programme?

- Yes
- No, please explain

15. Elements of the Testing Program 

What elements of the testing program are implemented by the national anti-doping organisation?

- Risk Assessment and Test Distribution Planning (TDP)
- Registered Testing Pool
- Random selection of athletes
- Targeted selection of athletes
- In-competition testing
- Out-of-competition testing
- No-advance notice testing
- Blood testing
- Athlete Biological Passport (ABP) modules
- Other elements, please specify
- If some elements are implemented by another body, please specify which body

16. Quality certificate 

Is your NADO or part of its procedures certified according to a quality standard (such as ISO, iNADO or any other quality assurance system)?

- Yes, please specify which standard, its scope and validity:
- In progress, please specify
- No; your comment (optional)

17. NADO staff 

Please outline below how many staff are involved in the coordination and management of your anti-doping programs.

Min numeric value allowed : 0

- Staff full time
- Staff part time

[3] Volunteers

[16] Committee members

[] Data not available

18. Sample Collection Personnel ●

Do you have Sample Collection Personnel (SCP) ?

(X) Yes

() No, please explain

19. Number of DCOs and BCOs ●

How many Doping Control Officers (DCOs), Blood Control Officers (BCOs) and chaperones are in your sample collection personnel program?

Min numeric value allowed : 0

[9] DCOs; your comment (optional)

[7] BCOs; your comment (optional)

[24] Chaperones; your comment (optional)

[] Data not available

20. Laboratory ●

Is there a doping control laboratory in your country?

[] Yes, accredited by WADA

[] Yes, but accreditation by WADA is pending

[] Accredited by WADA for athlete biological passport

[X] No, we send samples to the WADA accredited laboratories in:Barcelona(city)

[] Not available

21. Testing statistics ●

How many samples were collected under your national testing program in the year 2019?

	Urine	Blood (including ABP)
In-competition testing Min numeric value allowed : 0	2	2
Out-of-competition testing Min numeric value allowed : 0	42	0

[] Data not available

22. Testing abroad ●

Did you test athletes under your authority who reside or train abroad (directly or by subcontracting another ADO)?

Yes; your comment (optional)

Not in 2019, but we have authorisation to do so; your comment (optional)

No, we do not have authorisation to do so; your comment (optional)

23. Disciplinary system

What are the disciplinary bodies for doping offences, i.e. the main body imposing sanctions on athletes and other persons?

	–	–
State authority	NON	NON
NADO	OUI	OUI
NOC	NON	NON
National sport federations	NON	NON
international sport federations	NON	NON
Independent disciplinary body	OUI	OUI
Professional associations	NON	NON
Other, please specify	NON	NON

24. Appeals system

What is the body handling appeals against disciplinary measures?

State authority; your comment (optional)

National sports federations; your comment (optional)

International sports federations; your comment (optional)

Independent court of arbitration; your comment (optional)

Court of Arbitration in Sport (CAS); your comment (optional) Le TAS. Pour l'instant sur notre règlement c'est la Commission Supérieure de Discipline Contre le dopage, mais nous sommes en train de modifier avec le support de l'AMA notre règlement, et ça va être le TAS celui qui aura cette compétence dès qu'on publie le nouveau règlement.

Other, please specify :

25. Anti-doping rule violations (ADRV)

How many anti-doping rule violations cases were initiated in 2019 and how many of these initiated cases resulted in the imposition of a sanction?

Initiated cases	Cases that resulted in a sanction	Cases that resulted in no sanction
-----------------	-----------------------------------	------------------------------------

Presence of a prohibited substance or its Metabolites or markers in an athlete's sample Min numeric value allowed : 0	0	0	0
Use or attempted use by an athlete of a Prohibited substance or a prohibited method Min numeric value allowed : 0	0	0	0
Evading, Refusing or Failing to Submit to Sample Collection Min numeric value allowed : 0	0	0	0
Whereabouts Failures Min numeric value allowed : 0	0	0	0
Tampering or attempted tampering with any part of doping control Min numeric value allowed : 0	0	0	0
Possession of prohibited substances and prohibited methods Min numeric value allowed : 0	0	0	0
Trafficking or attempted trafficking in any prohibited substance or prohibited method Min numeric value allowed : 0	0	0	0
Administration or attempted administration to any athlete of any Prohibited method or prohibited substance Min numeric value allowed : 0	0	0	0
Complicity Min numeric value allowed : 0	0	0	0
Prohibited Association Min numeric value allowed : 0	0	0	0

Data not available

26. Whereabouts failures

How many of the following whereabouts failures have you registered in 2019?

- One missed test or filing failure
- Any combination of two missed tests and/or filing failures
- Data not available

27. Sanctions for doping trafficking

Are there specific penalties or sanctions for illegal circulation of doping substances, in addition to those regulating the movement of medicines and narcotics?

- Criminal penalties, please specify peine d'emprisonnement d'un à quatre ans
- Financial penalties, please specify amendement jusqu'à 60.000 euros
- Administrative or civil sanctions, please specify ne d'amendement jusqu'à 30.000 euros

Professional disciplinary actions, please specify l'interdiction d'exercer ses fonctions jusqu'à deux ans

None of above, please explain

Not available; your comment (optional)

28. Co-operation with law enforcement agencies

What measures have been taken to improve co-operation with law enforcement agencies in limiting illegal availability of doping substances?

Law, please specify nous avons modifié le Code pénale pour que le trafic, la vente et la possession de substances dopantes soient typifiées, ainsi que leurs sanctions. Cette modification est liée a la modification de la Loy du Sport. Loy approuve en décembre 2018.

Agreement, please specify

Ad hoc activities, please specify

Other, please specify

None; your comment (optional)

29. Statistics on doping trafficking

Do law enforcement agencies share data on the seizure of doping substances with the national anti-doping organisation:

Yes, please specify how many seizures have been reported in 2019: 0

No; your comment (optional)

Other, please specify :

30. Organisation of anti-doping education

Which organisations are involved in coordinating and/or implementing anti-doping education programs?

National anti-doping organisation

Ministry responsible for sport

Ministry responsible for education

Ministry responsible for health

Other governmental body

National sport federations

Regional/municipal sport organisations

Universities

Schools

Sport clubs

Other bodies

31. Anti-doping education themes

32. Nutritional supplements

What measures have been taken to address the problems related to nutritional supplements in sport?

- Restrict availability
- Control of production
- Provide quality assurance
- Comprehensive labelling
- Limit advertising and promotion
- Educational and informational measures
- Other, please specify:

33. Anti-doping research

Has any anti-doping research been undertaken or supported?

- Yes; your comment (optional)
- Yes, to a limited extent; your comment (optional)
- No; your comment (optional)

34. Areas of anti-doping research ●

What are the areas of anti-doping research?

- Doping prevention
- Detection methods
- Behavioural and social aspects of doping
- Health consequences of doping
- Physiological and psychological training programmes
- Emerging substances or methods
- Alternative testing methods
- None
- Other; your comment (optional)

35. Publication of anti-doping research ●

How many articles with the results of this research have been published in peer-reviewed scientific journals?

- in 2019; your comment (optional)
- Data not available

36. International agreements ●

Has your country signed any agreements with other Anti-Doping Organizations (ADOs) or agreements on anti-doping with any other organisation or State concerning the following:

	Yes or No; if applicable please explain or upload the document (below)
(a) Sharing of information	no
(b) Law enforcement cooperation	no
(c) Athlete Biological Passport sharing or coordination	oui, APMU Paris
(d) General cooperation	no

- Data not available

Implementation of anti-doping policies in 2019 - Armenia

Questionnaire on implementation of anti-doping policies in 2019 0.1

Objective :

In order to implement the requirements of the Article 9 of the Anti-Doping Convention, the online annual questionnaire is ready for collection of data regarding anti-doping policies in 2019.

Instruction :

For detailed instructions please select the links to documentation at the top of the page.

In case you face any problems which would prevent you from filling in the questionnaire, please report it to us by e-mail sport.t-do@coe.int

You are kindly requested to fill in, save and post your country's data for 2019 before 30 April 2020.

Questions :

1. Number of Athletes

Please estimate the number of athletes in the following categories within your country:

international-level athletes (as defined by the World Anti-Doping Code)

Min numeric value allowed : 0

[356] your comment (optional)

[] Data not available

national-level athletes (as defined by the World Anti-Doping Code)

Min numeric value allowed : 0

[752] your comment (optional)

[] Data not available

other athletes (including recreational athletes)

Min numeric value allowed : 0

[1850] your comment (optional)

[] Data not available

number of athletes in your national Registered Testing Pool (as defined by the World Anti-Doping Code)

Min numeric value allowed : 0

[21] your comment (optional)

[] Data not available

number of athletes at the last Summer Olympic games

Min numeric value allowed : 0

[35] your comment (optional)

[] Data not available

number of athletes at the last Winter Olympic games

Min numeric value allowed : 0

[3] your comment (optional)

[] Data not available

number of athletes at the last Summer Paralympic games

Min numeric value allowed : 0

[1] your comment (optional)

[] Data not available

number of athletes at the last Winter Paralympic games

Min numeric value allowed : 0

[1] your comment (optional)

[] Data not available

2. Doping definition

What is the definition of "Doping in Sport" used in your country?

[X] Council of Europe Anti-Doping Convention. Your comment (optional)

[X] UNESCO International Convention against doping in sport. Your comment (optional)

[X] World Anti-Doping Code. Your comment (optional)

[] Other, please specify (e.g. national law) :

Attachments

 ARMENIA Anti-doping RULES 2015, FINAL ENG.doc

3. Doping List

Which list of banned pharmacological classes of doping agents and doping methods (i.e. Prohibited List) is implemented in your country?

[X] Prohibited list, as adopted by the Executive Committee of WADA. Your comment (optional)

.....

[] List of banned pharmacological classes of doping agents and doping methods, as adopted by the Monitoring Group (TDO). Your comment (optional)

[] Prohibited list, as adopted by the Conference of Parties of the International Convention against Doping in Sport (UNESCO) Your comment (optional)

[] Other, please specify :

Attachments

 ARM List 2019 final.pdf

4. Additional doping lists

For the purposes of restricting availability of doping substances are there other lists than those defined in question 4?

() Yes, please specify:

(X) No. Your comment (optional)

5. Anti-doping laws

Are there any anti-doping laws in your country?

Anti-doping law. Your comment (optional)

Other formal regulations, please specify: ARM-NADO Anti-Doping Rules

No. Your comment (optional)

Attachments

7. NADO activities 

Which of the activities below are conducted by your national anti-doping organisation? Please upload the organisational chart, if possible

	Yes. Your comment (optional)	No, please specify which organisation is in charge:
Co-ordination of action by public authorities	<input type="checkbox"/>	<input checked="" type="checkbox"/> only ARM-NADO
Coordination of the fight against trafficking	<input type="checkbox"/>	<input checked="" type="checkbox"/> State security service
Testing (doping control)	<input type="checkbox"/>	<input checked="" type="checkbox"/> only ARM-NADO
Results management	<input type="checkbox"/>	<input checked="" type="checkbox"/> only ARM-NADO
Disciplinary procedures	<input type="checkbox"/>	<input checked="" type="checkbox"/> only ARM-NADO
Education and/or information	<input type="checkbox"/>	<input checked="" type="checkbox"/> only ARM-NADO
Research	<input type="checkbox"/>	<input checked="" type="checkbox"/> only ARM-NADO

8. Funding of anti-doping program 

What was your annual anti-doping budget for the 2019 calendar year?

Min numeric value allowed : 0

[19785000] amountAMDCurrency

Data not available

9. Funding sources

How is the anti-doping program funded? Please select all that apply and indicate an estimate in percentages:

- Government 95%
- National Lottery program %
- National Olympic Committee (NOC) 5%
- Other Sports Organization(s) %
- Fee for service %
- Private %
- Other %

10. Distribution of funding

What percentage of your annual anti-doping budget is put towards the following core programs?

- 40] Testing (including equipment, transportation, Sample Collection Personnel (SCP) fees)
- 44] Sample analysis
- 2] Investigations
- 10] Education
- 2] Research
- 1] Results Management/Legal
- 1] Therapeutic Use Exemptions (TUEs)
- 0] Other (e.g. remuneration, administration)
- Data not available

11. Sport Budget

What amount has been allocated to the sport budget from the state budget for the year 2019?

- [] amount currency
- Data not available

12. Limiting public funding to organisations

Is public funding withheld from organisations that do not comply with anti-doping regulations and related legal instruments?

- Yes, all funding is withheld; your comment (optional)
- A limited amount of funding is withheld; your comment (optional)
- No financial implications; your comment (optional)
- Information not available; your comment (optional)

13. Limitation of public funding of persons

Is sport-related financial assistance provided by public authorities withheld from banned athletes or athlete support personnel during the period of their suspension?

Yes, all funding is withheld; your comment (optional)

A limited amount of funding is withheld; your comment (optional)

No; your comment (optional)

Not applicable (no sport-related financial assistance is provided by public authorities to athletes or support personnel); your comment (optional)

Information not available; your comment (optional)

14. Testing programme

Does your country have a national testing programme?

Yes

No, please explain

15. Elements of the Testing Program

What elements of the testing program are implemented by the national anti-doping organisation?

Risk Assessment and Test Distribution Planning (TDP)

Registered Testing Pool

Random selection of athletes

Targeted selection of athletes

In-competition testing

Out-of-competition testing

No-advance notice testing

Blood testing

Athlete Biological Passport (ABP) modules

Other elements, please specify

If some elements are implemented by another body, please specify which body

16. Quality certificate

Is your NADO or part of its procedures certified according to a quality standard (such as ISO, iNADO or any other quality assurance system)?

Yes, please specify which standard, its scope and validity:

In progress, please specify

No; your comment (optional)

17. NADO staff

Please outline below how many staff are involved in the coordination and management of your anti-doping programs.

Min numeric value allowed : 0

[5] Staff full time

[1] Staff part time

[1] Volunteers

[6] Committee members

[] Data not available

18. Sample Collection Personnel ●

Do you have Sample Collection Personnel (SCP) ?

(X) Yes

() No, please explain

19. Number of DCOs and BCOs ●

How many Doping Control Officers (DCOs), Blood Control Officers (BCOs) and chaperones are in your sample collection personnel program?

Min numeric value allowed : 0

[5] DCOs; your comment (optional)

[3] BCOs; your comment (optional)

[5] Chaperones; your comment (optional)

[] Data not available

20. Laboratory ●

Is there a doping control laboratory in your country?

[] Yes, accredited by WADA

[] Yes, but accreditation by WADA is pending

[] Accredited by WADA for athlete biological passport

[X] No, we send samples to the WADA accredited laboratories in:Seibersdorf(city)

[] Not available

21. Testing statistics ●

How many samples were collected under your national testing program in the year 2019?

	Urine	Blood (including ABP)
In-competition testing	30	0

Min numeric value allowed : 0

Out-of-competition testing Min numeric value allowed : 0	87	10
---	----	----

[] Data not available

22. Testing abroad

Did you test athletes under your authority who reside or train abroad (directly or by subcontracting another ADO)?

- () Yes; your comment (optional)
- () Not in 2019, but we have authorisation to do so; your comment (optional)
- (X) No, we do not have authorisation to do so; your comment (optional)

23. Disciplinary system

What are the disciplinary bodies for doping offences, i.e. the main body imposing sanctions on athletes and other persons?

	–	–
State authority	no	no
NADO	ARM-NADO	ARM-NADO
NOC	no	no
National sport federations	no	no
international sport federations	no	no
Independent disciplinary body	no	no
Professional associations	no	no
Other, please specify	no	no

Attachments

 armnado.ezyro.com : <http://armnado.ezyro.com>

 armnado.ezyro.com : <http://armnado.ezyro.com>

24. Appeals system

What is the body handling appeals against disciplinary measures?

- () State authority; your comment (optional)
- () National sports federations; your comment (optional)
- () International sports federations; your comment (optional)
- (X) Independent court of arbitration; your comment (optional)
- () Court of Arbitration in Sport (CAS); your comment (optional)
- () Other, please specify :

25. Anti-doping rule violations (ADRV)

How many anti-doping rule violations cases were initiated in 2019 and how many of these initiated cases resulted in the imposition of a sanction?

	Initiated cases	Cases that resulted in a sanction	Cases that resulted in no sanction
Presence of a prohibited substance or its Metabolites or markers in an athlete's sample Min numeric value allowed : 0	0	0	0
Use or attempted use by an athlete of a Prohibited substance or a prohibited method Min numeric value allowed : 0	0	0	0
Evading, Refusing or Failing to Submit to Sample Collection Min numeric value allowed : 0	0	0	0
Whereabouts Failures Min numeric value allowed : 0	0	0	0
Tampering or attempted tampering with any part of doping control Min numeric value allowed : 0	0	0	0
Possession of prohibited substances and prohibited methods Min numeric value allowed : 0	0	0	0
Trafficking or attempted trafficking in any prohibited substance or prohibited method Min numeric value allowed : 0	0	0	0
Administration or attempted administration to any athlete of any Prohibited method or prohibited substance Min numeric value allowed : 0	0	0	0
Complicity Min numeric value allowed : 0	0	0	0
Prohibited Association Min numeric value allowed : 0	0	0	0

Data not available

26. Whereabouts failures

How many of the following whereabouts failures have you registered in 2019?

One missed test or filing failure

Any combination of two missed tests and/or filing failures

Data not available

27. Sanctions for doping trafficking

Are there specific penalties or sanctions for illegal circulation of doping substances, in addition to those regulating the movement of medicines and narcotics?

- Criminal penalties, please specify
- Financial penalties, please specify
- Administrative or civil sanctions, please specify
- Professional disciplinary actions, please specify
- None of above, please explain
- Not available; your comment (optional)

28. Co-operation with law enforcement agencies

What measures have been taken to improve co-operation with law enforcement agencies in limiting illegal availability of doping substances?

- Law, please specify
- Agreement, please specify
- Ad hoc activities, please specify
- Other, please specify
- None; your comment (optional)

29. Statistics on doping trafficking

Do law enforcement agencies share data on the seizure of doping substances with the national anti-doping organisation:

- Yes, please specify how many seizures have been reported in 2019:
- No; your comment (optional)
- Other, please specify :

30. Organisation of anti-doping education

Which organisations are involved in coordinating and/or implementing anti-doping education programs?

- National anti-doping organisation
- Ministry responsible for sport
- Ministry responsible for education
- Ministry responsible for health
- Other governmental body
- National sport federations
- Regional/municipal sport organisations
- Universities
- Schools
- Sport clubs
- Other bodies NOC of Armenia

31. Anti-doping education themes

What types of anti-doping message are provided for different target groups?

	elite athletes	young athletes	recreational athletes	sports officials	coaches	medical personnel	school pupils	media	general public	other
National and International Anti-Doping Rules	[X]	[X]	[X]	[X]	[]	[]	[]	[]	[]	[]

32. Nutritional supplements

What measures have been taken to address the problems related to nutritional supplements in sport?

- [] Restrict availability
- [] Control of production
- [] Provide quality assurance
- [] Comprehensive labelling
- [] Limit advertising and promotion
- [X] Educational and informational measures
- [] Other, please specify:

33. Anti-doping research 

Has any anti-doping research been undertaken or supported?

- Yes; your comment (optional) WADA SSR Grant
- Yes, to a limited extent; your comment (optional)
- No; your comment (optional)

34. Areas of anti-doping research 

What are the areas of anti-doping research?

- Doping prevention
- Detection methods
- Behavioural and social aspects of doping
- Health consequences of doping
- Physiological and psychological training programmes
- Emerging substances or methods
- Alternative testing methods
- None
- Other; your comment (optional)

35. Publication of anti-doping research 

How many articles with the results of this research have been published in peer-reviewed scientific journals?

- 0 in 2019; your comment (optional) will be published on 2020
- Data not available

36. International agreements 

Has your country signed any agreements with other Anti-Doping Organizations (ADOs) or agreements on anti-doping with any other organisation or State concerning the following:

	Yes or No; if applicable please explain or upload the document (below)
(a) Sharing of information	EE RADO
(b) Law enforcement cooperation	GADA
(c) Athlete Biological Passport sharing or coordination	Seibersdorf Lab
(d) General cooperation	GADA, Moldovian NADO

Implementation of anti-doping policies in 2019 - Australia

Questionnaire on implementation of anti-doping policies in 2019 0.1

Objective :

In order to implement the requirements of the Article 9 of the Anti-Doping Convention, the online annual questionnaire is ready for collection of data regarding anti-doping policies in 2019.

Instruction :

For detailed instructions please select the links to documentation at the top of the page.

In case you face any problems which would prevent you from filling in the questionnaire, please report it to us by e-mail sport.t-do@coe.int

You are kindly requested to fill in, save and post your country's data for 2019 before 30 April 2020.

Questions :

1. Number of Athletes

Please estimate the number of athletes in the following categories within your country:

international-level athletes (as defined by the World Anti-Doping Code)

Min numeric value allowed : 0

[800] your comment (optional)

[] Data not available

national-level athletes (as defined by the World Anti-Doping Code)

Min numeric value allowed : 0

[1577] your comment (optional)

[] Data not available

other athletes (including recreational athletes)

Min numeric value allowed : 0

[] your comment (optional)

[X] Data not available

number of athletes in your national Registered Testing Pool (as defined by the World Anti-Doping Code)

Min numeric value allowed : 0

[226] your comment (optional)

[] Data not available

number of athletes at the last Summer Olympic games

Min numeric value allowed : 0

[421] your comment (optional)

[] Data not available

number of athletes at the last Winter Olympic games

Min numeric value allowed : 0

[51] your comment (optional)

[] Data not available

number of athletes at the last Summer Paralympic games

Min numeric value allowed : 0

[177] your comment (optional)

[] Data not available

number of athletes at the last Winter Paralympic games

Min numeric value allowed : 0

[15] your comment (optional)

[] Data not available

2. Doping definition

What is the definition of "Doping in Sport" used in your country?

[] Council of Europe Anti-Doping Convention. Your comment (optional)

[] UNESCO International Convention against doping in sport. Your comment (optional)

[] World Anti-Doping Code. Your comment (optional)

[X] Other, please specify (e.g. national law) : Australia has implemented the Australian Sports Anti-Doping Authority Act 2006 and the Australian Sports Anti-Doping Regulations 2006. Both are Federal legislative instruments, and so have jurisdiction across Australia. The National Anti-Doping scheme contains the anti-doping rules which implement the anti-doping rule violations as per the World Anti-Doping Code.

3. Doping List

Which list of banned pharmacological classes of doping agents and doping methods (i.e. Prohibited List) is implemented in your country?

[X] Prohibited list, as adopted by the Executive Committee of WADA. Your comment (optional)

.....

[] List of banned pharmacological classes of doping agents and doping methods, as adopted by the Monitoring Group (TDO). Your comment (optional)

[] Prohibited list, as adopted by the Conference of Parties of the International Convention against Doping in Sport (UNESCO) Your comment (optional)

[] Other, please specify :

4. Additional doping lists

For the purposes of restricting availability of doping substances are there other lists than those defined in question 4?

() Yes, please specify:

(X) No. Your comment (optional)

5. Anti-doping laws

Are there any anti-doping laws in your country?

- Anti-doping law. Your comment (optional) See answer to question 2
- Other formal regulations, please specify:
- No. Your comment (optional)

6. National anti-doping organisation (NADO)

What is the legal status of your national anti-doping organisation? Please upload the statutes, if possible

- Public authority. Your comment (optional)
- Non-governmental organisation. Your comment (optional)
- Private company. Your comment (optional)
- National Olympic Committee. Your comment (optional)
- Other, please specify :

7. NADO activities

Which of the activities below are conducted by your national anti-doping organisation? Please upload the organisational chart, if possible

	Yes. Your comment (optional)	No, please specify which organisation is in charge:
Co-ordination of action by public authorities	<input type="checkbox"/>	<input checked="" type="checkbox"/> Australian Government
Coordination of the fight against trafficking	<input type="checkbox"/>	<input checked="" type="checkbox"/> Australian Government
Testing (doping control)	<input checked="" type="checkbox"/>	<input type="checkbox"/>
Results management	<input checked="" type="checkbox"/>	<input type="checkbox"/>
Disciplinary procedures	<input checked="" type="checkbox"/>	<input type="checkbox"/>
Education and/or information	<input checked="" type="checkbox"/>	<input type="checkbox"/>
Research	<input checked="" type="checkbox"/>	<input type="checkbox"/>

8. Funding of anti-doping program

What was your annual anti-doping budget for the 2019 calendar year?

Min numeric value allowed : 0

amountAUDCurrency

Data not available

9. Funding sources

How is the anti-doping program funded? Please select all that apply and indicate an estimate in percentages:

Government64%

- National Lottery program %
- National Olympic Committee (NOC) %
- Other Sports Organization(s) %
- Fee for service 27%
- Private %
- Other 9%

10. Distribution of funding ●

What percentage of your annual anti-doping budget is put towards the following core programs?

- 26] Testing (including equipment, transportation, Sample Collection Personnel (SCP) fees)
- 5] Sample analysis
- 4] Investigations
- 6] Education
- 4] Research
- 5] Results Management/Legal
- 1] Therapeutic Use Exemptions (TUEs)
- 48] Other (e.g. remuneration, administration)
- Data not available

11. Sport Budget ●

What amount has been allocated to the sport budget from the state budget for the year 2019?

- amount currency
- Data not available

12. Limiting public funding to organisations ●

Is public funding withheld from organisations that do not comply with anti-doping regulations and related legal instruments?

Yes, all funding is withheld; your comment (optional)

A limited amount of funding is withheld; your comment (optional) Sport funding from the Australian Sport Australia is dependent on compliance with anti-doping obligations. These are defined in the funding agreement between the sport and Sport Australia. Should a sport be non-compliant with those obligations, Sport Australia has the ability to withhold some or all of the sport funding.

No financial implications; your comment (optional)

Information not available; your comment (optional)

13. Limitation of public funding of persons ●

Is sport-related financial assistance provided by public authorities withheld from banned athletes or athlete support personnel during the period of their suspension?

Yes, all funding is withheld; your comment (optional)

A limited amount of funding is withheld; your comment (optional) Sport Australia may recover financial assistance paid to sanctioned athletes or support personnel.

No; your comment (optional)

Not applicable (no sport-related financial assistance is provided by public authorities to athletes or support personnel); your comment (optional)

Information not available; your comment (optional)

14. Testing programme 

Does your country have a national testing programme?

Yes

No, please explain

15. Elements of the Testing Program 

What elements of the testing program are implemented by the national anti-doping organisation?

Risk Assessment and Test Distribution Planning (TDP)

Registered Testing Pool

Random selection of athletes

Targeted selection of athletes

In-competition testing

Out-of-competition testing

No-advance notice testing

Blood testing

Athlete Biological Passport (ABP) modules

Other elements, please specify

If some elements are implemented by another body, please specify which body

16. Quality certificate 

Is your NADO or part of its procedures certified according to a quality standard (such as ISO, iNADO or any other quality assurance system)?

Yes, please specify which standard, its scope and validity: Refer response to question 2

In progress, please specify

No; your comment (optional)

17. NADO staff 

Please outline below how many staff are involved in the coordination and management of your anti-doping programs.

Min numeric value allowed : 0

[63] Staff full time

[6] Staff part time

[0] Volunteers

[0] Committee members

[] Data not available

18. Sample Collection Personnel ●

Do you have Sample Collection Personnel (SCP) ?

(X) Yes

() No, please explain

19. Number of DCOs and BCOs ●

How many Doping Control Officers (DCOs), Blood Control Officers (BCOs) and chaperones are in your sample collection personnel program?

Min numeric value allowed : 0

[53] DCOs; your comment (optional)

[0] BCOs; your comment (optional)

[216] Chaperones; your comment (optional)

[] Data not available

20. Laboratory ●

Is there a doping control laboratory in your country?

[X] Yes, accredited by WADA

[] Yes, but accreditation by WADA is pending

[] Accredited by WADA for athlete biological passport

[] No, we send samples to the WADA accredited laboratories in: (city)

[] Not available

21. Testing statistics ●

How many samples were collected under your national testing program in the year 2019?

	Urine	Blood (including ABP)
In-competition testing Min numeric value allowed : 0	1743	37
Out-of-competition testing Min numeric value allowed : 0	2681	1062

[] Data not available

22. Testing abroad ●

Did you test athletes under your authority who reside or train abroad (directly or by subcontracting another ADO)?

- Yes; your comment (optional)
- Not in 2019, but we have authorisation to do so; your comment (optional)
- No, we do not have authorisation to do so; your comment (optional)

23. Disciplinary system ●

What are the disciplinary bodies for doping offences, i.e. the main body imposing sanctions on athletes and other persons?

	–	–
State authority	No	No
NADO	No	No
NOC	No	No
National sport federations	Yes	Yes
international sport federations	Yes	Yes
Independent disciplinary body	Yes	Yes
Professional associations	No	No
Other, please specify	No	No

24. Appeals system ●

What is the body handling appeals against disciplinary measures?

- State authority; your comment (optional)
- National sports federations; your comment (optional)
- International sports federations; your comment (optional)
- Independent court of arbitration; your comment (optional)
- Court of Arbitration in Sport (CAS); your comment (optional) Sporting organisations can opt in to the National Sports Tribunal, which commenced in March 2020. The NST has an appeals division. The final appeal for any case is CAS.
- Other, please specify :

25. Anti-doping rule violations (ADRV) ●

How many anti-doping rule violations cases were initiated in 2019 and how many of these initiated cases resulted in the imposition of a sanction?

Initiated cases	Cases that resulted in a sanction	Cases that resulted in no sanction
-----------------	-----------------------------------	------------------------------------

Presence of a prohibited substance or its Metabolites or markers in an athlete's sample Min numeric value allowed : 0	19	17	1
Use or attempted use by an athlete of a Prohibited substance or a prohibited method Min numeric value allowed : 0	14	12	1
Evading, Refusing or Failing to Submit to Sample Collection Min numeric value allowed : 0	0	0	0
Whereabouts Failures Min numeric value allowed : 0	0	0	0
Tampering or attempted tampering with any part of doping control Min numeric value allowed : 0	1	1	0
Possession of prohibited substances and prohibited methods Min numeric value allowed : 0	1	1	0
Trafficking or attempted trafficking in any prohibited substance or prohibited method Min numeric value allowed : 0	0	0	0
Administration or attempted administration to any athlete of any Prohibited method or prohibited substance Min numeric value allowed : 0	0	0	0
Complicity Min numeric value allowed : 0	0	0	0
Prohibited Association Min numeric value allowed : 0	0	0	0

Data not available

26. Whereabouts failures

How many of the following whereabouts failures have you registered in 2019?

[19] One missed test or filing failure

[2] Any combination of two missed tests and/or filing failures

[] Data not available

27. Sanctions for doping trafficking

Are there specific penalties or sanctions for illegal circulation of doping substances, in addition to those regulating the movement of medicines and narcotics?

[X] Criminal penalties, please specify The Commonwealth, states and territories in Australia have all enacted legislation which criminalises certain conduct such as the trafficking and possession of certain prohibited substances (such as steroids). An example is Division 302 of the Commonwealth Criminal Code Act 1995.

[] Financial penalties, please specify

- Administrative or civil sanctions, please specify
- Professional disciplinary actions, please specify
- None of above, please explain
- Not available; your comment (optional)

28. Co-operation with law enforcement agencies ●

What measures have been taken to improve co-operation with law enforcement agencies in limiting illegal availability of doping substances?

- Law, please specify Refer response to question 2
- Agreement, please specify Memorandums of Understanding in place with multiple Law Enforcement Agencies
- Ad hoc activities, please specify
- Other, please specify
- None; your comment (optional)

29. Statistics on doping trafficking ●

Do law enforcement agencies share data on the seizure of doping substances with the national anti-doping organisation:

- Yes, please specify how many seizures have been reported in 2019: There were 4,790 detections of PIED substances in the 2017/18 FY
- No; your comment (optional)
- Other, please specify :

30. Organisation of anti-doping education ●

Which organisations are involved in coordinating and/or implementing anti-doping education programs?

- National anti-doping organisation
- Ministry responsible for sport
- Ministry responsible for education
- Ministry responsible for health
- Other governmental body
- National sport federations
- Regional/municipal sport organisations
- Universities
- Schools
- Sport clubs
- Other bodies

31. Anti-doping education themes ●

What types of anti-doping message are provided for different target groups?

	elite athletes	young athletes	recreational athletes	sports officials	coaches	medical personnel	school pupils	media	general public	other
National and International Anti-Doping Rules	[X]	[X]	[X]	[X]	[X]	[X]	[X]	[X]	[X]	[]

Substances and methods on the Prohibited List	[X]	[X]	[X]	[X]	[X]	[X]	[X]	[]	[X]	[]
Doping Control procedures	[X]	[X]	[X]	[X]	[X]	[X]	[X]	[]	[X]	[]
Therapeutic Use Exemptions (TUEs)	[X]	[X]	[X]	[X]	[X]	[X]	[X]	[]	[X]	[]
Applicable whereabouts requirements	[X]	[X]	[]	[X]	[X]	[]	[]	[]	[X]	[]

32. Nutritional supplements

What measures have been taken to address the problems related to nutritional supplements in sport?

- Restrict availability
- Control of production
- Provide quality assurance
- Comprehensive labelling
- Limit advertising and promotion
- Educational and informational measures
- Other, please specify:

33. Anti-doping research

Has any anti-doping research been undertaken or supported?

- Yes; your comment (optional)
- Yes, to a limited extent; your comment (optional)
- No; your comment (optional)

34. Areas of anti-doping research 

What are the areas of anti-doping research?

- Doping prevention
- Detection methods
- Behavioural and social aspects of doping
- Health consequences of doping
- Physiological and psychological training programmes
- Emerging substances or methods
- Alternative testing methods
- None
- Other; your comment (optional)

35. Publication of anti-doping research 

How many articles with the results of this research have been published in peer-reviewed scientific journals?

- 0 in 2019; your comment (optional)
- Data not available

36. International agreements 

Has your country signed any agreements with other Anti-Doping Organizations (ADOs) or agreements on anti-doping with any other organisation or State concerning the following:

	Yes or No; if applicable please explain or upload the document (below)
(a) Sharing of information	Yes
(b) Law enforcement cooperation	No
(c) Athlete Biological Passport sharing or coordination	Yes
(d) General cooperation	Yes

- Data not available

Implementation of anti-doping policies in 2019 - Austria

Questionnaire on implementation of anti-doping policies in 2019 0.1

Objective :

In order to implement the requirements of the Article 9 of the Anti-Doping Convention, the online annual questionnaire is ready for collection of data regarding anti-doping policies in 2019.

Instruction :

For detailed instructions please select the links to documentation at the top of the page.

In case you face any problems which would prevent you from filling in the questionnaire, please report it to us by e-mail sport.t-do@coe.int

You are kindly requested to fill in, save and post your country's data for 2019 before 30 April 2020.

Questions :

1. Number of Athletes

Please estimate the number of athletes in the following categories within your country:

international-level athletes (as defined by the World Anti-Doping Code)

Min numeric value allowed : 0

[250] your comment (optional)

[] Data not available

national-level athletes (as defined by the World Anti-Doping Code)

Min numeric value allowed : 0

[500] your comment (optional)

[] Data not available

other athletes (including recreational athletes)

Min numeric value allowed : 0

[] your comment (optional)

[X] Data not available

number of athletes in your national Registered Testing Pool (as defined by the World Anti-Doping Code)

Min numeric value allowed : 0

[750] your comment (optional)

[] Data not available

number of athletes at the last Summer Olympic games

Min numeric value allowed : 0

[71] your comment (optional) Olympic Games 2016

[] Data not available

number of athletes at the last Winter Olympic games

Min numeric value allowed : 0

[104] your comment (optional) Olympic Games 2018

[] Data not available

number of athletes at the last Summer Paralympic games

Min numeric value allowed : 0

[27] your comment (optional) Olympic Games 2016

[] Data not available

number of athletes at the last Winter Paralympic games

Min numeric value allowed : 0

[13] your comment (optional) Olympic Games 2018

[] Data not available

2. Doping definition

What is the definition of "Doping in Sport" used in your country?

[] Council of Europe Anti-Doping Convention. Your comment (optional)

[X] UNESCO International Convention against doping in sport. Your comment (optional)

[X] World Anti-Doping Code. Your comment (optional)

[X] Other, please specify (e.g. national law) : National Law does further specify definitions.

3. Doping List

Which list of banned pharmacological classes of doping agents and doping methods (i.e. Prohibited List) is implemented in your country?

[X] Prohibited list, as adopted by the Executive Committee of WADA. Your comment (optional)

.....

[] List of banned pharmacological classes of doping agents and doping methods, as adopted by the Monitoring Group (TDO). Your comment (optional)

[X] Prohibited list, as adopted by the Conference of Parties of the International Convention against Doping in Sport (UNESCO) Your comment (optional)

[] Other, please specify :

7. NADO activities 

Which of the activities below are conducted by your national anti-doping organisation? Please upload the organisational chart, if possible

	Yes. Your comment (optional)	No, please specify which organisation is in charge:
Co-ordination of action by public authorities	()	(X) Ministry of Sports, Ministry of Health, Ministry of Justice, Ministry of the Interior
Coordination of the fight against trafficking	()	(X) Ministry of the Interior, Ministry of Justice, Ministry of Health

Testing (doping control)	(X)	()
Results management	(X)	()
Disciplinary procedures	(X)	()
Education and/or information	(X)	()
Research	()	(X) Scientific Research is done by Seibersdorf Laboratories, Universities, Colleges of higher Education

8. Funding of anti-doping program

What was your annual anti-doping budget for the 2019 calendar year?

Min numeric value allowed : 0

[2550000] amount€Currency

[] Data not available

9. Funding sources

How is the anti-doping program funded? Please select all that apply and indicate an estimate in percentages:

[X] Government 90%

[] National Lottery program %

[] National Olympic Committee (NOC) %

[] Other Sports Organization(s) %

[X] Fee for service 10%

[] Private %

[] Other %

10. Distribution of funding

What percentage of your annual anti-doping budget is put towards the following core programs?

[20] Testing (including equipment, transportation, Sample Collection Personnel (SCP) fees)

[21] Sample analysis

[2] Investigations

[11] Education

[0] Research

[4] Results Management/Legal

[1] Therapeutic Use Exemptions (TUEs)

[41] Other (e.g. remuneration, administration) The percentage mentioned above is the distribution of the NADOs budget (83% of

overall budget). For research the government donates around 17% of the overall annual budget.

Data not available

11. Sport Budget

What amount has been allocated to the sport budget from the state budget for the year 2019?

130000000] amount€currency

Data not available

12. Limiting public funding to organisations

Is public funding withheld from organisations that do not comply with anti-doping regulations and related legal instruments?

Yes, all funding is withheld; your comment (optional)

A limited amount of funding is withheld; your comment (optional) Funding in connection with federal funding will be withheld, if there is non-compliance with the Federal Anti-Doping Law.

No financial implications; your comment (optional)

Information not available; your comment (optional)

13. Limitation of public funding of persons

Is sport-related financial assistance provided by public authorities withheld from banned athletes or athlete support personnel during the period of their suspension?

Yes, all funding is withheld; your comment (optional)

A limited amount of funding is withheld; your comment (optional) depends on the degree of fault

No; your comment (optional)

Not applicable (no sport-related financial assistance is provided by public authorities to athletes or support personnel); your comment (optional)

Information not available; your comment (optional)

14. Testing programme

Does your country have a national testing programme?

Yes

No, please explain

15. Elements of the Testing Program

What elements of the testing program are implemented by the national anti-doping organisation?

Risk Assessment and Test Distribution Planning (TDP)

Registered Testing Pool

Random selection of athletes

Targeted selection of athletes

In-competition testing

- Out-of-competition testing
- No-advance notice testing
- Blood testing
- Athlete Biological Passport (ABP) modules
- Other elements, please specify
- If some elements are implemented by another body, please specify which body

16. Quality certificate

Is your NADO or part of its procedures certified according to a quality standard (such as ISO, iNADO or any other quality assurance system)?

- Yes, please specify which standard, its scope and validity: ISO9001:2015
- In progress, please specify
- No; your comment (optional)

17. NADO staff

Please outline below how many staff are involved in the coordination and management of your anti-doping programs.

Min numeric value allowed : 0

- Staff full time
- Staff part time
- Volunteers
- Committee members
- Data not available

18. Sample Collection Personnel

Do you have Sample Collection Personnel (SCP) ?

- Yes
- No, please explain

19. Number of DCOs and BCOs

How many Doping Control Officers (DCOs), Blood Control Officers (BCOs) and chaperones are in your sample collection personnel program?

Min numeric value allowed : 0

- DCOs; your comment (optional)
- BCOs; your comment (optional)
- Chaperones; your comment (optional) Assistants according to the Federal Anti-Doping Law
- Data not available

20. Laboratory

Is there a doping control laboratory in your country?

- Yes, accredited by WADA
- Yes, but accreditation by WADA is pending
- Accredited by WADA for athlete biological passport
- No, we send samples to the WADA accredited laboratories in: (city)
- Not available

21. Testing statistics

How many samples were collected under your national testing program in the year 2019?

	Urine	Blood (including ABP)
In-competition testing Min numeric value allowed : 0	389	103
Out-of-competition testing Min numeric value allowed : 0	1319	519

Data not available

22. Testing abroad

Did you test athletes under your authority who reside or train abroad (directly or by subcontracting another ADO)?

- Yes; your comment (optional)
- Not in 2019, but we have authorisation to do so; your comment (optional)
- No, we do not have authorisation to do so; your comment (optional)

23. Disciplinary system

What are the disciplinary bodies for doping offences, i.e. the main body imposing sanctions on athletes and other persons?

	–	–
State authority	no	no
NADO	no	no
NOC	no	no
National sport federations	no	no
international sport federations	no	no
Independent disciplinary body	yes	yes
Professional associations	no	no

Other, please specify	no	no
-----------------------	----	----

24. Appeals system

What is the body handling appeals against disciplinary measures?

- () State authority; your comment (optional)
- () National sports federations; your comment (optional)
- () International sports federations; your comment (optional)
- (X) Independent court of arbitration; your comment (optional)
- () Court of Arbitration in Sport (CAS); your comment (optional)
- () Other, please specify :

25. Anti-doping rule violations (ADRV)

How many anti-doping rule violations cases were initiated in 2019 and how many of these initiated cases resulted in the imposition of a sanction?

	Initiated cases	Cases that resulted in a sanction	Cases that resulted in no sanction
Presence of a prohibited substance or its Metabolites or markers in an athlete's sample Min numeric value allowed : 0	3	3	0
Use or attempted use by an athlete of a Prohibited substance or a prohibited method Min numeric value allowed : 0	11	11	0
Evading, Refusing or Failing to Submit to Sample Collection Min numeric value allowed : 0	1	1	0
Whereabouts Failures Min numeric value allowed : 0	0	0	0
Tampering or attempted tampering with any part of doping control Min numeric value allowed : 0	1	1	0
Possession of prohibited substances and prohibited methods Min numeric value allowed : 0	13	13	0
Trafficking or attempted trafficking in any prohibited substance or prohibited method Min numeric value allowed : 0	2	2	0
Administration or attempted administration to any athlete of any Prohibited method or prohibited substance Min numeric value allowed : 0	1	1	0
Complicity Min numeric value allowed : 0	2	2	0

Prohibited Association Min numeric value allowed : 0	0	0	0
---	---	---	---

26. Whereabouts failures

How many of the following whereabouts failures have you registered in 2019?

[25] One missed test or filing failure

[3] Any combination of two missed tests and/or filing failures

[] Data not available

27. Sanctions for doping trafficking

Are there specific penalties or sanctions for illegal circulation of doping substances, in addition to those regulating the movement of medicines and narcotics?

[X] Criminal penalties, please specify

[] Financial penalties, please specify

[] Administrative or civil sanctions, please specify

[] Professional disciplinary actions, please specify

[] None of above, please explain

[] Not available; your comment (optional)

28. Co-operation with law enforcement agencies

What measures have been taken to improve co-operation with law enforcement agencies in limiting illegal availability of doping substances?

[X] Law, please specify Federal Act of Combating against Doping Sports 2007

[] Agreement, please specify

[] Ad hoc activities, please specify

[] Other, please specify

[] None; your comment (optional)

29. Statistics on doping trafficking

Do law enforcement agencies share data on the seizure of doping substances with the national anti-doping organisation:

(X) Yes, please specify how many seizures have been reported in 2019: Around 12 cases were shared with NADO.

() No; your comment (optional)

() Other, please specify :

8. Funding of anti-doping program

What was your annual anti-doping budget for the 2019 calendar year?

Min numeric value allowed : 0

[3000000] amountAZNCurrency

[] Data not available

9. Funding sources

How is the anti-doping program funded? Please select all that apply and indicate an estimate in percentages:

[X] Government99%

[] National Lottery program %

[] National Olympic Committee (NOC) %

[] Other Sports Organization(s) %

[X] Fee for service1%

[] Private %

[] Other %

10. Distribution of funding

What percentage of your annual anti-doping budget is put towards the following core programs?

[19] Testing (including equipment, transportation, Sample Collection Personnel (SCP) fees)

[25] Sample analysis

[3] Investigations

[18] Education

[7] Research

[2] Results Management/Legal

[2] Therapeutic Use Exemptions (TUEs)

[24] Other (e.g. remuneration, administration)

[] Data not available

11. Sport Budget 

What amount has been allocated to the sport budget from the state budget for the year 2019?

[] amount currency

[X] Data not available

12. Limiting public funding to organisations 

Is public funding withheld from organisations that do not comply with anti-doping regulations and related legal instruments?

(X) Yes, all funding is withheld; your comment (optional)

() A limited amount of funding is withheld; your comment (optional)

() No financial implications; your comment (optional)

() Information not available; your comment (optional)

13. Limitation of public funding of persons 

Is sport-related financial assistance provided by public authorities withheld from banned athletes or athlete support personnel during the period of their suspension?

(X) Yes, all funding is withheld; your comment (optional)

() A limited amount of funding is withheld; your comment (optional)

() No; your comment (optional)

() Not applicable (no sport-related financial assistance is provided by public authorities to athletes or support personnel); your comment (optional)

() Information not available; your comment (optional)

14. Testing programme 

Does your country have a national testing programme?

(X) Yes

() No, please explain

15. Elements of the Testing Program 

What elements of the testing program are implemented by the national anti-doping organisation?

[X] Risk Assessment and Test Distribution Planning (TDP)

[X] Registered Testing Pool

[X] Random selection of athletes

[X] Targeted selection of athletes

[X] In-competition testing

[X] Out-of-competition testing

[X] No-advance notice testing

- Blood testing
- Athlete Biological Passport (ABP) modules
- Other elements, please specify
- If some elements are implemented by another body, please specify which body

16. Quality certificate ●

Is your NADO or part of its procedures certified according to a quality standard (such as ISO, iNADO or any other quality assurance system)?

- Yes, please specify which standard, its scope and validity: ISO 9001:2015
- In progress, please specify
- No; your comment (optional)

17. NADO staff ●

Please outline below how many staff are involved in the coordination and management of your anti-doping programs.

Min numeric value allowed : 0

- Staff full time
- Staff part time
- Volunteers
- Committee members
- Data not available

18. Sample Collection Personnel ●

Do you have Sample Collection Personnel (SCP) ?

- Yes
- No, please explain

19. Number of DCOs and BCOs ●

How many Doping Control Officers (DCOs), Blood Control Officers (BCOs) and chaperones are in your sample collection personnel program?

Min numeric value allowed : 0

- DCOs; your comment (optional)
- BCOs; your comment (optional)
- Chaperones; your comment (optional)
- Data not available

20. Laboratory ●

Is there a doping control laboratory in your country?

- Yes, accredited by WADA
- Yes, but accreditation by WADA is pending
- Accredited by WADA for athlete biological passport
- No, we send samples to the WADA accredited laboratories in:Cologne(city)
- Not available

21. Testing statistics

How many samples were collected under your national testing program in the year 2019?

	Urine	Blood (including ABP)
In-competition testing Min numeric value allowed : 0	606	76
Out-of-competition testing Min numeric value allowed : 0	796	293

Data not available

22. Testing abroad

Did you test athletes under your authority who reside or train abroad (directly or by subcontracting another ADO)?

- Yes; your comment (optional)
- Not in 2019, but we have authorisation to do so; your comment (optional)
- No, we do not have authorisation to do so; your comment (optional)

23. Disciplinary system

What are the disciplinary bodies for doping offences, i.e. the main body imposing sanctions on athletes and other persons?

	–	–
State authority	no	no
NADO	yes	yes
NOC	no	no
National sport federations	no	no
international sport federations	yes	yes
Independent disciplinary body	yes	yes
Professional associations	no	no
Other, please specify	no	no

24. Appeals system

What is the body handling appeals against disciplinary measures?

- State authority; your comment (optional)
- National sports federations; your comment (optional)
- International sports federations; your comment (optional)
- Independent court of arbitration; your comment (optional)
- Court of Arbitration in Sport (CAS); your comment (optional)
- Other, please specify : Independent Appeal Body (Appellation Committee)

25. Anti-doping rule violations (ADRV)

How many anti-doping rule violations cases were initiated in 2019 and how many of these initiated cases resulted in the imposition of a sanction?

	Initiated cases	Cases that resulted in a sanction	Cases that resulted in no sanction
Presence of a prohibited substance or its Metabolites or markers in an athlete's sample Min numeric value allowed : 0	19	13	0
Use or attempted use by an athlete of a Prohibited substance or a prohibited method Min numeric value allowed : 0	6	1	0
Evading, Refusing or Failing to Submit to Sample Collection Min numeric value allowed : 0	3	0	1
Whereabouts Failures Min numeric value allowed : 0	0	0	0
Tampering or attempted tampering with any part of doping control Min numeric value allowed : 0	1	0	1
Possession of prohibited substances and prohibited methods Min numeric value allowed : 0	0	0	0
Trafficking or attempted trafficking in any prohibited substance or prohibited method Min numeric value allowed : 0	0	0	0
Administration or attempted administration to any athlete of any Prohibited method or prohibited substance Min numeric value allowed : 0	0	0	0
Complicity Min numeric value allowed : 0	0	0	0
Prohibited Association Min numeric value allowed : 0	0	0	0

[] Data not available

26. Whereabouts failures 

How many of the following whereabouts failures have you registered in 2019?

- [15] One missed test or filing failure
- [0] Any combination of two missed tests and/or filing failures
- [] Data not available

27. Sanctions for doping trafficking 

Are there specific penalties or sanctions for illegal circulation of doping substances, in addition to those regulating the movement of medicines and narcotics?

- [X] Criminal penalties, please specify
- [] Financial penalties, please specify
- [] Administrative or civil sanctions, please specify
- [] Professional disciplinary actions, please specify
- [] None of above, please explain
- [] Not available; your comment (optional)

28. Co-operation with law enforcement agencies 

What measures have been taken to improve co-operation with law enforcement agencies in limiting illegal availability of doping substances?

- [X] Law, please specify Law of the Republic of Azerbaijan "On the fight against use of doping substances and methods in sport"
- [X] Agreement, please specify Memorandum of Understanding
- [] Ad hoc activities, please specify
- [] Other, please specify
- [] None; your comment (optional)

29. Statistics on doping trafficking 

Do law enforcement agencies share data on the seizure of doping substances with the national anti-doping organisation:

- (X) Yes, please specify how many seizures have been reported in 2019:
- () No; your comment (optional)
- () Other, please specify :

30. Organisation of anti-doping education 

Which organisations are involved in coordinating and/or implementing anti-doping education programs?

- [X] National anti-doping organisation
- [X] Ministry responsible for sport
- [X] Ministry responsible for education

- Ministry responsible for health
- Other governmental body
- National sport federations
- Regional/municipal sport organisations
- Universities
- Schools
- Sport clubs
- Other bodies

31. Anti-doping education themes

What types of anti-doping message are provided for different target groups?

	elite athletes	young athletes	recreational athletes	sports officials	coaches	medical personnel	school pupils	media	general public	other
National and International Anti-Doping Rules	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>

32. Nutritional supplements

What measures have been taken to address the problems related to nutritional supplements in sport?

- Restrict availability
- Control of production
- Provide quality assurance
- Comprehensive labelling
- Limit advertising and promotion
- Educational and informational measures
- Other, please specify:

33. Anti-doping research

Has any anti-doping research been undertaken or supported?

- Yes; your comment (optional)
- Yes, to a limited extent; your comment (optional)
- No; your comment (optional)

34. Areas of anti-doping research

What are the areas of anti-doping research?

- Doping prevention
- Detection methods
- Behavioural and social aspects of doping
- Health consequences of doping
- Physiological and psychological training programmes
- Emerging substances or methods
- Alternative testing methods
- None
- Other; your comment (optional)

35. Publication of anti-doping research

How many articles with the results of this research have been published in peer-reviewed scientific journals?

- 0 in 2019; your comment (optional) ongoing
- Data not available

36. International agreements

Has your country signed any agreements with other Anti-Doping Organizations (ADOs) or agreements on anti-doping with any other organisation or State concerning the following:

Yes or No; if applicable please explain or upload the document (below)

(a) Sharing of information	yes
(b) Law enforcement cooperation	no
(c) Athlete Biological Passport sharing or coordination	yes
(d) General cooperation	yes

Data not available

CONSEIL DE L'EUROPE

ADQ

Anti-Doping Questionnaire

Implementation of anti-doping policies in 2019 - Belarus

Questionnaire on implementation of anti-doping policies in 2019 0.1

Objective :

In order to implement the requirements of the Article 9 of the Anti-Doping Convention, the online annual questionnaire is ready for collection of data regarding anti-doping policies in 2019.

Instruction :

For detailed instructions please select the links to documentation at the top of the page.

In case you face any problems which would prevent you from filling in the questionnaire, please report it to us by e-mail sport.t-do@coe.int

You are kindly requested to fill in, save and post your country's data for 2019 before 30 April 2020.

Questions :

1. Number of Athletes

Please estimate the number of athletes in the following categories within your country:

international-level athletes (as defined by the World Anti-Doping Code)

Min numeric value allowed : 0

[850] your comment (optional)

Data not available

national-level athletes (as defined by the World Anti-Doping Code)

Min numeric value allowed : 0

[3281] your comment (optional)

Data not available

other athletes (including recreational athletes)

Min numeric value allowed : 0

[28000] your comment (optional)

Data not available

number of athletes in your national Registered Testing Pool (as defined by the World Anti-Doping Code)

Min numeric value allowed : 0

[83] your comment (optional)

[] Data not available

number of athletes at the last Summer Olympic games

Min numeric value allowed : 0

[200] your comment (optional)

[] Data not available

number of athletes at the last Winter Olympic games

Min numeric value allowed : 0

[32] your comment (optional)

[] Data not available

number of athletes at the last Summer Paralympic games

Min numeric value allowed : 0

[15] your comment (optional)

[] Data not available

number of athletes at the last Winter Paralympic games

Min numeric value allowed : 0

[20] your comment (optional)

[] Data not available

2. Doping definition

What is the definition of "Doping in Sport" used in your country?

[] Council of Europe Anti-Doping Convention. Your comment (optional)

[] UNESCO International Convention against doping in sport. Your comment (optional)

[X] World Anti-Doping Code. Your comment (optional)

[] Other, please specify (e.g. national law) :

3. Doping List

Which list of banned pharmacological classes of doping agents and doping methods (i.e. Prohibited List) is implemented in your country?

[X] Prohibited list, as adopted by the Executive Committee of WADA. Your comment (optional) Based on WADA Prohibited list the Government adopted the Republican List of prohibited substances and methods

[] List of banned pharmacological classes of doping agents and doping methods, as adopted by the Monitoring Group (TDO). Your comment (optional)

[] Prohibited list, as adopted by the Conference of Parties of the International Convention against Doping in Sport (UNESCO) Your comment (optional)

[] Other, please specify :

4. Additional doping lists

For the purposes of restricting availability of doping substances are there other lists than those defined in question 4?

- Yes, please specify: List of potent and poisonous substances
 No. Your comment (optional)

5. Anti-doping laws

Are there any anti-doping laws in your country?

- Anti-doping law. Your comment (optional)
- Other formal regulations, please specify: Provisions in Physical Culture and Sport Act of the Republic of Belarus; The Anti-doping Regulation Policy of the Republic of Belarus; Decree of the President of the Republic of Belarus N 201 on fighting Doping in Sport, 2018 which establishes the main aspects of additional responsibility of subjects
- No. Your comment (optional)

6. National anti-doping organisation (NADO)

What is the legal status of your national anti-doping organisation? Please upload the statutes, if possible

- Public authority. Your comment (optional)
- Non-governmental organisation. Your comment (optional)
- Private company. Your comment (optional)
- National Olympic Committee. Your comment (optional)
- Other, please specify : Governmental Institution, Independent Legal Entity

7. NADO activities

Which of the activities below are conducted by your national anti-doping organisation? Please upload the organisational chart, if possible

	Yes. Your comment (optional)	No, please specify which organisation is in charge:
Co-ordination of action by public authorities	<input checked="" type="checkbox"/> Intergovernmental Anti-Doping Coordination Board under the Council of Ministers of the Republic of Belarus	<input type="checkbox"/>
Coordination of the fight against trafficking	<input checked="" type="checkbox"/> Intergovernmental Anti-Doping Coordination Board under the Council of Ministers of the Republic of Belarus in cooperation with the Ministry of Internal Affairs and State Customs Committee	<input type="checkbox"/>
Testing (doping control)	<input checked="" type="checkbox"/>	<input type="checkbox"/>
Results management	<input checked="" type="checkbox"/>	<input type="checkbox"/>
Disciplinary procedures	<input checked="" type="checkbox"/> Disciplinary Anti-Doping Panel	<input type="checkbox"/>
Education and/or information	<input checked="" type="checkbox"/>	<input type="checkbox"/>

8. Funding of anti-doping program

What was your annual anti-doping budget for the 2019 calendar year?

Min numeric value allowed : 0

[3408867.54] amountBYNCurrency

[] Data not available

9. Funding sources

How is the anti-doping program funded? Please select all that apply and indicate an estimate in percentages:

- [] Government 36%
- [] National Lottery program %
- [] National Olympic Committee (NOC) 0.1%
- [] Other Sports Organization(s) 0.5%
- [] Fee for service 63.4%
- [] Private %
- [] Other %

10. Distribution of funding

What percentage of your annual anti-doping budget is put towards the following core programs?

- [16.9] Testing (including equipment, transportation, Sample Collection Personnel (SCP) fees)
- [60.2] Sample analysis
- [1.2] Investigations
- [4.1] Education
- [0] Research
- [0] Results Management/Legal
- [0] Therapeutic Use Exemptions (TUEs)
- [17.6] Other (e.g. remuneration, administration)
- [] Data not available

11. Sport Budget

What amount has been allocated to the sport budget from the state budget for the year 2019?

[464000000] amountBYNCurrency

[] Data not available

12. Limiting public funding to organisations 

Is public funding withheld from organisations that do not comply with anti-doping regulations and related legal instruments?

- Yes, all funding is withheld; your comment (optional)
- A limited amount of funding is withheld; your comment (optional)
- No financial implications; your comment (optional)
- Information not available; your comment (optional)

13. Limitation of public funding of persons 

Is sport-related financial assistance provided by public authorities withheld from banned athletes or athlete support personnel during the period of their suspension?

- Yes, all funding is withheld; your comment (optional)
- A limited amount of funding is withheld; your comment (optional)
- No; your comment (optional)
- Not applicable (no sport-related financial assistance is provided by public authorities to athletes or support personnel); your comment (optional)
- Information not available; your comment (optional)

14. Testing programme 

Does your country have a national testing programme?

- Yes
- No, please explain

15. Elements of the Testing Program 

What elements of the testing program are implemented by the national anti-doping organisation?

- Risk Assessment and Test Distribution Planning (TDP)
- Registered Testing Pool
- Random selection of athletes
- Targeted selection of athletes
- In-competition testing
- Out-of-competition testing
- No-advance notice testing
- Blood testing
- Athlete Biological Passport (ABP) modules
- Other elements, please specify
- If some elements are implemented by another body, please specify which body

16. Quality certificate 

Is your NADO or part of its procedures certified according to a quality standard (such as ISO, iNADO or any other quality assurance system)?

Yes, please specify which standard, its scope and validity: ISO 9001, Quality Management System, valid until 27.10.2020

In progress, please specify

No; your comment (optional)

17. NADO staff 

Please outline below how many staff are involved in the coordination and management of your anti-doping programs.

Min numeric value allowed : 0

[22] Staff full time

[33] Staff part time

[15] Volunteers

[14] Committee members

[] Data not available

18. Sample Collection Personnel 

Do you have Sample Collection Personnel (SCP) ?

Yes

No, please explain

19. Number of DCOs and BCOs 

How many Doping Control Officers (DCOs), Blood Control Officers (BCOs) and chaperones are in your sample collection personnel program?

Min numeric value allowed : 0

[21] DCOs; your comment (optional)

[11] BCOs; your comment (optional)

[15] Chaperones; your comment (optional)

[] Data not available

20. Laboratory 

Is there a doping control laboratory in your country?

Yes, accredited by WADA

Yes, but accreditation by WADA is pending

Accredited by WADA for athlete biological passport

No, we send samples to the WADA accredited laboratories in: Warsaw, Dresden, Seiberdorf(city)

[] Not available

21. Testing statistics

How many samples were collected under your national testing program in the year 2019?

	Urine	Blood (including ABP)
In-competition testing Min numeric value allowed : 0	475	67
Out-of-competition testing Min numeric value allowed : 0	673	177

[] Data not available

22. Testing abroad

Did you test athletes under your authority who reside or train abroad (directly or by subcontracting another ADO)?

- (X) Yes; your comment (optional)
- () Not in 2019, but we have authorisation to do so; your comment (optional)
- () No, we do not have authorisation to do so; your comment (optional)

23. Disciplinary system

What are the disciplinary bodies for doping offences, i.e. the main body imposing sanctions on athletes and other persons?

	–	–
State authority	yes	yes
NADO	yes	yes
NOC	no	no
National sport federations	no	no
international sport federations	yes	yes
Independent disciplinary body	yes	yes
Professional associations	no	no
Other, please specify	no	no

24. Appeals system

What is the body handling appeals against disciplinary measures?

- () State authority; your comment (optional)

National sports federations; your comment (optional)

International sports federations; your comment (optional)

Independent court of arbitration; your comment (optional) Sport Arbitration Court under the Republic Association "Belarusian Union of Lawyers"

Court of Arbitration in Sport (CAS); your comment (optional)

Other, please specify :

25. Anti-doping rule violations (ADRV)

How many anti-doping rule violations cases were initiated in 2019 and how many of these initiated cases resulted in the imposition of a sanction?

	Initiated cases	Cases that resulted in a sanction	Cases that resulted in no sanction
Presence of a prohibited substance or its Metabolites or markers in an athlete's sample Min numeric value allowed : 0	6	6	0
Use or attempted use by an athlete of a Prohibited substance or a prohibited method Min numeric value allowed : 0	0	0	0
Evading, Refusing or Failing to Submit to Sample Collection Min numeric value allowed : 0	0	0	0
Whereabouts Failures Min numeric value allowed : 0	0	0	0
Tampering or attempted tampering with any part of doping control Min numeric value allowed : 0	0	0	0
Possession of prohibited substances and prohibited methods Min numeric value allowed : 0	0	0	0
Trafficking or attempted trafficking in any prohibited substance or prohibited method Min numeric value allowed : 0	0	0	0
Administration or attempted administration to any athlete of any Prohibited method or prohibited substance Min numeric value allowed : 0	0	0	0
Complicity Min numeric value allowed : 0	1	0	1
Prohibited Association Min numeric value allowed : 0	0	0	0

Data not available

26. Whereabouts failures

How many of the following whereabouts failures have you registered in 2019?

- [22] One missed test or filing failure
- [1] Any combination of two missed tests and/or filing failures
- [] Data not available

27. Sanctions for doping trafficking

Are there specific penalties or sanctions for illegal circulation of doping substances, in addition to those regulating the movement of medicines and narcotics?

- [X] Criminal penalties, please specify prison term
- [] Financial penalties, please specify
- [] Administrative or civil sanctions, please specify
- [X] Professional disciplinary actions, please specify termination of contract
- [] None of above, please explain
- [] Not available; your comment (optional)

28. Co-operation with law enforcement agencies

What measures have been taken to improve co-operation with law enforcement agencies in limiting illegal availability of doping substances?

- [] Law, please specify
- [X] Agreement, please specify Cooperation between BNADA and the other state authorities in the field of anti-doping
- [] Ad hoc activities, please specify
- [X] Other, please specify contacting within the framework of Intergovernmental Coordination Anti-Doping Council
- [] None; your comment (optional)

29. Statistics on doping trafficking

Do law enforcement agencies share data on the seizure of doping substances with the national anti-doping organisation:

- (X) Yes, please specify how many seizures have been reported in 2019: 0
- () No; your comment (optional)
- () Other, please specify :

30. Organisation of anti-doping education

Which organisations are involved in coordinating and/or implementing anti-doping education programs?

- [X] National anti-doping organisation
- [X] Ministry responsible for sport
- [X] Ministry responsible for education
- [X] Ministry responsible for health
- [] Other governmental body

- National sport federations
- Regional/municipal sport organisations
- Universities
- Schools
- Sport clubs
- Other bodies

31. Anti-doping education themes

What types of anti-doping message are provided for different target groups?

	elite athletes	young athletes	recreational athletes	sports officials	coaches	medical personnel	school pupils	media	general public	other

35. Publication of anti-doping research 

How many articles with the results of this research have been published in peer-reviewed scientific journals?

- 0 in 2019; your comment (optional)
- Data not available

36. International agreements 

Has your country signed any agreements with other Anti-Doping Organizations (ADOs) or agreements on anti-doping with any other organisation or State concerning the following:

Yes or No; if applicable please explain or upload the document (below)

(a) Sharing of information	no
(b) Law enforcement cooperation	no
(c) Athlete Biological Passport sharing or coordination	yes
(d) General cooperation	yes

Data not available

ADQ

Anti-Doping Questionnaire

Implementation of anti-doping policies in 2019 - Belgium

Questionnaire on implementation of anti-doping policies in 2019 0.1

Objective :

In order to implement the requirements of the Article 9 of the Anti-Doping Convention, the online annual questionnaire is ready for collection of data regarding anti-doping policies in 2019.

Instruction :

For detailed instructions please select the links to documentation at the top of the page.

In case you face any problems which would prevent you from filling in the questionnaire, please report it to us by e-mail sport.t-do@coe.int

You are kindly requested to fill in, save and post your country's data for 2019 before 30 April 2020.

Questions :

1. Number of Athletes

Please estimate the number of athletes in the following categories within your country:

international-level athletes (as defined by the World Anti-Doping Code)

Min numeric value allowed : 0

[0] your comment (optional)

Data not available

national-level athletes (as defined by the World Anti-Doping Code)

Min numeric value allowed : 0

[1068] your comment (optional)

Data not available

other athletes (including recreational athletes)

Min numeric value allowed : 0

[2382000] your comment (optional)

Data not available

number of athletes in your national Registered Testing Pool (as defined by the World Anti-Doping Code)

Min numeric value allowed : 0

[117] your comment (optional)

[] Data not available

number of athletes at the last Summer Olympic games

Min numeric value allowed : 0

[113] your comment (optional) No games

[] Data not available

number of athletes at the last Winter Olympic games

Min numeric value allowed : 0

[23] your comment (optional) No games

[] Data not available

number of athletes at the last Summer Paralympic games

Min numeric value allowed : 0

[29] your comment (optional) No games

[] Data not available

number of athletes at the last Winter Paralympic games

Min numeric value allowed : 0

[2] your comment (optional) No games

[] Data not available

2. Doping definition

What is the definition of "Doping in Sport" used in your country?

[X] Council of Europe Anti-Doping Convention. Your comment (optional)

[X] UNESCO International Convention against doping in sport. Your comment (optional)

[X] World Anti-Doping Code. Your comment (optional)

[] Other, please specify (e.g. national law) :

3. Doping List

Which list of banned pharmacological classes of doping agents and doping methods (i.e. Prohibited List) is implemented in your country?

[X] Prohibited list, as adopted by the Executive Committee of WADA. Your comment (optional)

.....

[X] List of banned pharmacological classes of doping agents and doping methods, as adopted by the Monitoring Group (TDO). Your comment (optional)

[X] Prohibited list, as adopted by the Conference of Parties of the International Convention against Doping in Sport (UNESCO) Your comment (optional)

[] Other, please specify :

4. Additional doping lists

For the purposes of restricting availability of doping substances are there other lists than those defined in question 4?

- () Yes, please specify:
- (X) No. Your comment (optional)

5. Anti-doping laws

Are there any anti-doping laws in your country?

- [X] Anti-doping law. Your comment (optional) No major changes in 2019
- [] Other formal regulations, please specify:
- [] No. Your comment (optional)

6. National anti-doping organisation (NADO)

What is the legal status of your national anti-doping organisation? Please upload the statutes, if possible

- (X) Public authority. Your comment (optional) No changes in 2019
- () Non-governmental organisation. Your comment (optional)
- () Private company. Your comment (optional)
- () National Olympic Committee. Your comment (optional)
- () Other, please specify :

7. NADO activities

Which of the activities below are conducted by your national anti-doping organisation? Please upload the organisational chart, if possible

	Yes. Your comment (optional)	No, please specify which organisation is in charge:
Co-ordination of action by public authorities	(X)	()
Coordination of the fight against trafficking	()	(X) Federal Justice Department
Testing (doping control)	(X)	()
Results management	(X)	()
Disciplinary procedures	()	(X) No changes in 2019
Education and/or information	(X)	()
Research	()	(X) DoCoLab Ghent

8. Funding of anti-doping program

What was your annual anti-doping budget for the 2019 calendar year?

Min numeric value allowed : 0

[1963900] amountEuroCurrency

[] Data not available

9. Funding sources

How is the anti-doping program funded? Please select all that apply and indicate an estimate in percentages:

Government 100%

National Lottery program %

National Olympic Committee (NOC) %

Other Sports Organization(s) %

Fee for service %

Private %

Other %

10. Distribution of funding

What percentage of your annual anti-doping budget is put towards the following core programs?

[36] Testing (including equipment, transportation, Sample Collection Personnel (SCP) fees)

[53] Sample analysis

[0] Investigations

[2] Education

[0] Research

[1] Results Management/Legal

[1] Therapeutic Use Exemptions (TUEs)

[7] Other (e.g. remuneration, administration)

[] Data not available

11. Sport Budget

What amount has been allocated to the sport budget from the state budget for the year 2019?

[192196000] amounteurocurrency

[] Data not available

12. Limiting public funding to organisations

Is public funding withheld from organisations that do not comply with anti-doping regulations and related legal instruments?

() Yes, all funding is withheld; your comment (optional)

(X) A limited amount of funding is withheld; your comment (optional)

() No financial implications; your comment (optional)

Information not available; your comment (optional)

13. Limitation of public funding of persons

Is sport-related financial assistance provided by public authorities withheld from banned athletes or athlete support personnel during the period of their suspension?

Yes, all funding is withheld; your comment (optional)

A limited amount of funding is withheld; your comment (optional)

No; your comment (optional)

Not applicable (no sport-related financial assistance is provided by public authorities to athletes or support personnel); your comment (optional)

Information not available; your comment (optional)

14. Testing programme

Does your country have a national testing programme?

Yes

No, please explain

15. Elements of the Testing Program

What elements of the testing program are implemented by the national anti-doping organisation?

Risk Assessment and Test Distribution Planning (TDP)

Registered Testing Pool

Random selection of athletes

Targeted selection of athletes

In-competition testing

Out-of-competition testing

No-advance notice testing

Blood testing

Athlete Biological Passport (ABP) modules

Other elements, please specify

If some elements are implemented by another body, please specify which body

16. Quality certificate

Is your NADO or part of its procedures certified according to a quality standard (such as ISO, iNADO or any other quality assurance system)?

Yes, please specify which standard, its scope and validity:

In progress, please specify

No; your comment (optional)

17. NADO staff

Please outline below how many staff are involved in the coordination and management of your anti-doping programs.

Min numeric value allowed : 0

[20] Staff full time

[5] Staff part time

[0] Volunteers

[18] Committee members

[] Data not available

18. Sample Collection Personnel

Do you have Sample Collection Personnel (SCP) ?

(X) Yes

() No, please explain

19. Number of DCOs and BCOs

How many Doping Control Officers (DCOs), Blood Control Officers (BCOs) and chaperones are in your sample collection personnel program?

Min numeric value allowed : 0

[29] DCOs; your comment (optional)all medical doctors

[27] BCOs; your comment (optional)all medical doctors (same as DCO)

[109] Chaperones; your comment (optional)(all formed and accredited every year)

[] Data not available

20. Laboratory

Is there a doping control laboratory in your country?

[X] Yes, accredited by WADA

[] Yes, but accreditation by WADA is pending

[] Accredited by WADA for athlete biological passport

[] No, we send samples to the WADA accredited laboratories in: (city)

[] Not available

21. Testing statistics

How many samples were collected under your national testing program in the year 2019?

Urine	Blood (including ABP)
-------	-----------------------

In-competition testing Min numeric value allowed : 0	2050	108
Out-of-competition testing Min numeric value allowed : 0	1313	507

[] Data not available

22. Testing abroad

Did you test athletes under your authority who reside or train abroad (directly or by subcontracting another ADO)?

- Yes; your comment (optional)
- Not in 2019, but we have authorisation to do so; your comment (optional)
- No, we do not have authorisation to do so; your comment (optional)

23. Disciplinary system

What are the disciplinary bodies for doping offences, i.e. the main body imposing sanctions on athletes and other persons?

	–	–
State authority	Yes	No
NADO	No	No
NOC	No	No
National sport federations	Yes	Yes
international sport federations	Yes	Yes
Independent disciplinary body	Yes	Yes
Professional associations	No	No
Other, please specify	No	No

24. Appeals system

What is the body handling appeals against disciplinary measures?

- State authority; your comment (optional)
- National sports federations; your comment (optional)
- International sports federations; your comment (optional)
- Independent court of arbitration; your comment (optional)
- Court of Arbitration in Sport (CAS); your comment (optional)
- Other, please specify : No changes in 2019

25. Anti-doping rule violations (ADRV)

How many anti-doping rule violations cases were initiated in 2019 and how many of these initiated cases resulted in the imposition of a sanction?

	Initiated cases	Cases that resulted in a sanction	Cases that resulted in no sanction
Presence of a prohibited substance or its Metabolites or markers in an athlete's sample Min numeric value allowed : 0	35	33	13
Use or attempted use by an athlete of a Prohibited substance or a prohibited method Min numeric value allowed : 0	18	16	2
Evading, Refusing or Failing to Submit to Sample Collection Min numeric value allowed : 0	2	0	1
Whereabouts Failures Min numeric value allowed : 0	0	0	0
Tampering or attempted tampering with any part of doping control Min numeric value allowed : 0	1	0	0
Possession of prohibited substances and prohibited methods Min numeric value allowed : 0	19	16	2
Trafficking or attempted trafficking in any prohibited substance or prohibited method Min numeric value allowed : 0	0	0	0
Administration or attempted administration to any athlete of any Prohibited method or prohibited substance Min numeric value allowed : 0	0	0	0
Complicity Min numeric value allowed : 0	0	0	0
Prohibited Association Min numeric value allowed : 0	0	0	0

Data not available

26. Whereabouts failures

How many of the following whereabouts failures have you registered in 2019?

38] One missed test or filing failure

4] Any combination of two missed tests and/or filing failures

Data not available

27. Sanctions for doping trafficking

Are there specific penalties or sanctions for illegal circulation of doping substances, in addition to those regulating the movement of medicines and narcotics?

- Criminal penalties, please specify Imprisonment from 1 month up to 5 years
- Financial penalties, please specify From 18000 up to 600000 euro
- Administrative or civil sanctions, please specify
- Professional disciplinary actions, please specify
- None of above, please explain
- Not available; your comment (optional)

28. Co-operation with law enforcement agencies

What measures have been taken to improve co-operation with law enforcement agencies in limiting illegal availability of doping substances?

- Law, please specify
- Agreement, please specify New protocol with law enforcement and police
- Ad hoc activities, please specify
- Other, please specify
- None; your comment (optional)

29. Statistics on doping trafficking

Do law enforcement agencies share data on the seizure of doping substances with the national anti-doping organisation:

- Yes, please specify how many seizures have been reported in 2019: Data 2019 not published yet
- No; your comment (optional)
- Other, please specify :

30. Organisation of anti-doping education

Which organisations are involved in coordinating and/or implementing anti-doping education programs?

- National anti-doping organisation
- Ministry responsible for sport
- Ministry responsible for education
- Ministry responsible for health
- Other governmental body
- National sport federations
- Regional/municipal sport organisations
- Universities
- Schools
- Sport clubs
- Other bodies

31. Anti-doping education themes

What types of anti-doping message are provided for different target groups?

	elite athletes	young athletes	recreational athletes	sports officials	coaches	medical personnel	school pupils	media	general public	other
National and International Anti-Doping Rules	[X]	[X]	[X]	[X]	[X]	[X]	[X]	[X]	[X]	[]

32. Nutritional supplements

What measures have been taken to address the problems related to nutritional supplements in sport?

- [] Restrict availability
- [] Control of production
- [] Provide quality assurance
- [] Comprehensive labelling
- [] Limit advertising and promotion
- [X] Educational and informational measures
- [] Other, please specify:

33. Anti-doping research

Has any anti-doping research been undertaken or supported?

- Yes; your comment (optional)
- Yes, to a limited extent; your comment (optional)
- No; your comment (optional)

34. Areas of anti-doping research

What are the areas of anti-doping research?

- Doping prevention
- Detection methods
- Behavioural and social aspects of doping
- Health consequences of doping
- Physiological and psychological training programmes
- Emerging substances or methods
- Alternative testing methods
- None
- Other; your comment (optional)

35. Publication of anti-doping research

How many articles with the results of this research have been published in peer-reviewed scientific journals?

- [] in 2019; your comment (optional)
- Data not available

36. International agreements

Has your country signed any agreements with other Anti-Doping Organizations (ADOs) or agreements on anti-doping with any other organisation or State concerning the following:

	Yes or No; if applicable please explain or upload the document (below)
(a) Sharing of information	Yes
(b) Law enforcement cooperation	Yes
(c) Athlete Biological Passport sharing or coordination	Yes
(d) General cooperation	Yes

- Data not available

Implementation of anti-doping policies in 2019 - Bosnia and Herzegovina

Questionnaire on implementation of anti-doping policies in 2019 0.1

Objective :

In order to implement the requirements of the Article 9 of the Anti-Doping Convention, the online annual questionnaire is ready for collection of data regarding anti-doping policies in 2019.

Instruction :

For detailed instructions please select the links to documentation at the top of the page.

In case you face any problems which would prevent you from filling in the questionnaire, please report it to us by e-mail sport.t-do@coe.int

You are kindly requested to fill in, save and post your country's data for 2019 before 30 April 2020.

Questions :

1. Number of Athletes

Please estimate the number of athletes in the following categories within your country:

international-level athletes (as defined by the World Anti-Doping Code)

Min numeric value allowed : 0

[] your comment (optional)

[X] Data not available

national-level athletes (as defined by the World Anti-Doping Code)

Min numeric value allowed : 0

[] your comment (optional)

other athletes (including recreational athletes)

Min numeric value allowed : 0

[] your comment (optional)

[X] Data not available

number of athletes in your national Registered Testing Pool (as defined by the World Anti-Doping Code)

Min numeric value allowed : 0

[35] your comment (optional)

[] Data not available

number of athletes at the last Summer Olympic games

Min numeric value allowed : 0

[11] your comment (optional)

[] Data not available

number of athletes at the last Winter Olympic games

Min numeric value allowed : 0

[5] your comment (optional)

[] Data not available

number of athletes at the last Summer Paralympic games

Min numeric value allowed : 0

[14] your comment (optional)

[] Data not available

number of athletes at the last Winter Paralympic games

Min numeric value allowed : 0

[2] your comment (optional)

[] Data not available

2. Doping definition

What is the definition of "Doping in Sport" used in your country?

[] Council of Europe Anti-Doping Convention. Your comment (optional)

[] UNESCO International Convention against doping in sport. Your comment (optional)

[X] World Anti-Doping Code. Your comment (optional)

[] Other, please specify (e.g. national law) :

3. Doping List

Which list of banned pharmacological classes of doping agents and doping methods (i.e. Prohibited List) is implemented in your country?

[X] Prohibited list, as adopted by the Executive Committee of WADA. Your comment (optional)

.....

[] List of banned pharmacological classes of doping agents and doping methods, as adopted by the Monitoring Group (TDO). Your comment (optional)

[] Prohibited list, as adopted by the Conference of Parties of the International Convention against Doping in Sport (UNESCO) Your comment (optional)

[] Other, please specify :

4. Additional doping lists

For the purposes of restricting availability of doping substances are there other lists than those defined in question 4?

() Yes, please specify:

(X) No. Your comment (optional)

5. Anti-doping laws

Are there any anti-doping laws in your country?

[] Anti-doping law. Your comment (optional)

[] Other formal regulations, please specify:

[X] No. Your comment (optional)

6. National anti-doping organisation (NADO) 

What is the legal status of your national anti-doping organisation? Please upload the statutes, if possible

- Public authority. Your comment (optional)
- Non-governmental organisation. Your comment (optional)
- Private company. Your comment (optional)
- National Olympic Committee. Your comment (optional)
- Other, please specify :

7. NADO activities 

Which of the activities below are conducted by your national anti-doping organisation? Please upload the organisational chart, if possible

	Yes. Your comment (optional)	No, please specify which organisation is in charge:
Co-ordination of action by public authorities	<input checked="" type="checkbox"/>	<input type="checkbox"/>
Coordination of the fight against trafficking	<input checked="" type="checkbox"/>	<input type="checkbox"/>
Testing (doping control)	<input checked="" type="checkbox"/>	<input type="checkbox"/>
Results management	<input checked="" type="checkbox"/>	<input type="checkbox"/>
Disciplinary procedures	<input checked="" type="checkbox"/>	<input type="checkbox"/>
Education and/or information	<input checked="" type="checkbox"/>	<input type="checkbox"/>
Research	<input type="checkbox"/>	<input checked="" type="checkbox"/> No other organization have conducted anti-doping research

8. Funding of anti-doping program 

What was your annual anti-doping budget for the 2019 calendar year?

Min numeric value allowed : 0

[390.115] amounteurosCurrency

Data not available

9. Funding sources 

How is the anti-doping program funded? Please select all that apply and indicate an estimate in percentages:

- Government 100%
- National Lottery program %
- National Olympic Committee (NOC) %
- Other Sports Organization(s) %

- Fee for service %
- Private %
- Other %

10. Distribution of funding 

What percentage of your annual anti-doping budget is put towards the following core programs?

- [12.28] Testing (including equipment, transportation, Sample Collection Personnel (SCP) fees)
- [24.77] Sample analysis
- [0] Investigations
- [7.47] Education
- [0] Research
- [0] Results Management/Legal
- [0.02] Therapeutic Use Exemptions (TUEs)
- [55.46] Other (e.g. remuneration, administration)
- [] Data not available

11. Sport Budget 

What amount has been allocated to the sport budget from the state budget for the year 2019?

- [] amount currency
- [X] Data not available

12. Limiting public funding to organisations 

Is public funding withheld from organisations that do not comply with anti-doping regulations and related legal instruments?

- () Yes, all funding is withheld; your comment (optional)
- () A limited amount of funding is withheld; your comment (optional)
- () No financial implications; your comment (optional)
- (X) Information not available; your comment (optional)

13. Limitation of public funding of persons 

Is sport-related financial assistance provided by public authorities withheld from banned athletes or athlete support personnel during the period of their suspension?

- () Yes, all funding is withheld; your comment (optional)
- () A limited amount of funding is withheld; your comment (optional)
- () No; your comment (optional)
- () Not applicable (no sport-related financial assistance is provided by public authorities to athletes or support personnel); your

comment (optional)

Information not available; your comment (optional)

14. Testing programme

Does your country have a national testing programme?

Yes

No, please explain

15. Elements of the Testing Program

What elements of the testing program are implemented by the national anti-doping organisation?

Risk Assessment and Test Distribution Planning (TDP)

Registered Testing Pool

Random selection of athletes

Targeted selection of athletes

In-competition testing

Out-of-competition testing

No-advance notice testing

Blood testing

Athlete Biological Passport (ABP) modules

Other elements, please specify Additional analysis ESA and GHRF

If some elements are implemented by another body, please specify which body

16. Quality certificate

Is your NADO or part of its procedures certified according to a quality standard (such as ISO, iNADO or any other quality assurance system)?

Yes, please specify which standard, its scope and validity:

In progress, please specify

No; your comment (optional)

17. NADO staff

Please outline below how many staff are involved in the coordination and management of your anti-doping programs.

Min numeric value allowed : 0

Staff full time

Staff part time

Volunteers

Committee members

Data not available

18. Sample Collection Personnel 

Do you have Sample Collection Personnel (SCP) ?

 Yes No, please explain19. Number of DCOs and BCOs 

How many Doping Control Officers (DCOs), Blood Control Officers (BCOs) and chaperones are in your sample collection personnel program?

Min numeric value allowed : 0

[41] DCOs; your comment (optional)

[15] BCOs; your comment (optional)

[0] Chaperones; your comment (optional)

[] Data not available

20. Laboratory 

Is there a doping control laboratory in your country?

 Yes, accredited by WADA Yes, but accreditation by WADA is pending Accredited by WADA for athlete biological passport No, we send samples to the WADA accredited laboratories in:Seibersdorff(city) Not available21. Testing statistics 

How many samples were collected under your national testing program in the year 2019?

	Urine	Blood (including ABP)
In-competition testing Min numeric value allowed : 0	107	24
Out-of-competition testing Min numeric value allowed : 0	182	29

[] Data not available

22. Testing abroad 

Did you test athletes under your authority who reside or train abroad (directly or by subcontracting another ADO)?

 Yes; your comment (optional) Not in 2019, but we have authorisation to do so; your comment (optional) No, we do not have authorisation to do so; your comment (optional)

23. Disciplinary system

What are the disciplinary bodies for doping offences, i.e. the main body imposing sanctions on athletes and other persons?

	–	–
State authority	no	no
NADO	no	no
NOC	no	no
National sport federations	yes	yes
international sport federations	no	no
Independent disciplinary body	no	no
Professional associations	no	no
Other, please specify	no	no

24. Appeals system

What is the body handling appeals against disciplinary measures?

- () State authority; your comment (optional)
- () National sports federations; your comment (optional)
- (X) International sports federations; your comment (optional)
- () Independent court of arbitration; your comment (optional)
- () Court of Arbitration in Sport (CAS); your comment (optional)
- () Other, please specify :

25. Anti-doping rule violations (ADRV)

How many anti-doping rule violations cases were initiated in 2019 and how many of these initiated cases resulted in the imposition of a sanction?

	Initiated cases	Cases that resulted in a sanction	Cases that resulted in no sanction
Presence of a prohibited substance or its Metabolites or markers in an athlete's sample Min numeric value allowed : 0	1	1	0
Use or attempted use by an athlete of a Prohibited substance or a prohibited method Min numeric value allowed : 0	0	0	0

Evading, Refusing or Failing to Submit to Sample Collection Min numeric value allowed : 0	0	0	0
Whereabouts Failures Min numeric value allowed : 0	0	0	0
Tampering or attempted tampering with any part of doping control Min numeric value allowed : 0	0	0	0
Possession of prohibited substances and prohibited methods Min numeric value allowed : 0	0	0	0
Trafficking or attempted trafficking in any prohibited substance or prohibited method Min numeric value allowed : 0	0	0	0
Administration or attempted administration to any athlete of any Prohibited method or prohibited substance Min numeric value allowed : 0	0	0	0
Complicity Min numeric value allowed : 0	0	0	0
Prohibited Association Min numeric value allowed : 0	0	0	0

Data not available

26. Whereabouts failures

How many of the following whereabouts failures have you registered in 2019?

[19] One missed test or filing failure

[3] Any combination of two missed tests and/or filing failures

[] Data not available

27. Sanctions for doping trafficking

Are there specific penalties or sanctions for illegal circulation of doping substances, in addition to those regulating the movement of medicines and narcotics?

[] Criminal penalties, please specify

[] Financial penalties, please specify

[] Administrative or civil sanctions, please specify

[] Professional disciplinary actions, please specify

[] None of above, please explain

[X] Not available; your comment (optional)

28. Co-operation with law enforcement agencies

What measures have been taken to improve co-operation with law enforcement agencies in limiting illegal availability of doping substances?

Law, please specify

Agreement, please specify

Ad hoc activities, please specify Bosnia and Herzegovina laws stipulate necessarily cooperation between government institutions and agencies

Other, please specify

None; your comment (optional)

29. Statistics on doping trafficking 

Do law enforcement agencies share data on the seizure of doping substances with the national anti-doping organisation:

Yes, please specify how many seizures have been reported in 2019: 2

No; your comment (optional)

Other, please specify :

30. Organisation of anti-doping education 

Which organisations are involved in coordinating and/or implementing anti-doping education programs?

National anti-doping organisation

Ministry responsible for sport

Ministry responsible for education

Ministry responsible for health

Other governmental body

National sport federations

Regional/municipal sport organisations

Universities

Schools

Sport clubs

Other bodies Olympic Committee of Bosnia and Herzegovina, Paralympic Committee of Bosnia and Herzegovina

32. Nutritional supplements 

What measures have been taken to address the problems related to nutritional supplements in sport?

- Restrict availability
- Control of production
- Provide quality assurance
- Comprehensive labelling
- Limit advertising and promotion
- Educational and informational measures
- Other, please specify:

33. Anti-doping research 

Has any anti-doping research been undertaken or supported?

- Yes; your comment (optional)
- Yes, to a limited extent; your comment (optional)
- No; your comment (optional)

34. Areas of anti-doping research

What are the areas of anti-doping research?

- Doping prevention
- Detection methods
- Behavioural and social aspects of doping
- Health consequences of doping
- Physiological and psychological training programmes
- Emerging substances or methods
- Alternative testing methods
- None
- Other; your comment (optional)

35. Publication of anti-doping research

How many articles with the results of this research have been published in peer-reviewed scientific journals?

- in 2019; your comment (optional)
- Data not available

36. International agreements

Has your country signed any agreements with other Anti-Doping Organizations (ADOs) or agreements on anti-doping with any other organisation or State concerning the following:

	Yes or No; if applicable please explain or upload the document (below)
(a) Sharing of information	yes
(b) Law enforcement cooperation	yes
(c) Athlete Biological Passport sharing or coordination	no
(d) General cooperation	yes

- Data not available

In order to implement the requirements of the Article 9 of the Anti-Doping Convention, the online annual questionnaire is ready for collection of data regarding anti-doping policies in 2019.

Instruction :

For detailed instructions please select the links to documentation at the top of the page.

In case you face any problems which would prevent you from filling in the questionnaire, please report it to us by e-mail sport.t-do@coe.int

You are kindly requested to fill in, save and post your country's data for 2019 before 30 April 2020.

Questions :

1. Number of Athletes

Please estimate the number of athletes in the following categories within your country:

international-level athletes (as defined by the World Anti-Doping Code)

Min numeric value allowed : 0

[1628] your comment (optional)

[] Data not available

national-level athletes (as defined by the World Anti-Doping Code)

Min numeric value allowed : 0

[102219] your comment (optional)

[] Data not available

other athletes (including recreational athletes)

Min numeric value allowed : 0

[301320] your comment (optional)

[] Data not available

number of athletes in your national Registered Testing Pool (as defined by the World Anti-Doping Code)

Min numeric value allowed : 0

[48] your comment (optional)

[] Data not available

number of athletes at the last Summer Olympic games

Min numeric value allowed : 0

[51] your comment (optional)

[] Data not available

number of athletes at the last Winter Olympic games

Min numeric value allowed : 0

[21] your comment (optional)

[] Data not available

number of athletes at the last Summer Paralympic games

Min numeric value allowed : 0

[8] your comment (optional)

[] Data not available

number of athletes at the last Winter Paralympic games

Min numeric value allowed : 0

[1] your comment (optional)

[] Data not available

2. Doping definition

What is the definition of "Doping in Sport" used in your country?

[X] Council of Europe Anti-Doping Convention. Your comment (optional)

[X] UNESCO International Convention against doping in sport. Your comment (optional)

[X] World Anti-Doping Code. Your comment (optional)

[] Other, please specify (e.g. national law) :

3. Doping List

Which list of banned pharmacological classes of doping agents and doping methods (i.e. Prohibited List) is implemented in your country?

[X] Prohibited list, as adopted by the Executive Committee of WADA. Your comment (optional)

[X] List of banned pharmacological classes of doping agents and doping methods, as adopted by the Monitoring Group (TDO). Your comment (optional)

[X] Prohibited list, as adopted by the Conference of Parties of the International Convention against Doping in Sport (UNESCO) Your comment (optional)

[X] Other, please specify : IOC

4. Additional doping lists

For the purposes of restricting availability of doping substances are there other lists than those defined in question 4?

() Yes, please specify:

(X) No. Your comment (optional)

5. Anti-doping laws

Are there any anti-doping laws in your country?

[] Anti-doping law. Your comment (optional)

[X] Other formal regulations, please specify: PHYSICAL EDUCATION AND SPORTS ACT; REGULATIONS ON ANTI-DOPING ACTIVITIES

[] No. Your comment (optional)

Attachments

 Physical Education and Sports Act.pdf

 Regulations on Anti-Doping Activities.pdf

6. National anti-doping organisation (NADO)

What is the legal status of your national anti-doping organisation? Please upload the statutes, if possible

- Public authority. Your comment (optional)
- Non-governmental organisation. Your comment (optional)
- Private company. Your comment (optional)
- National Olympic Committee. Your comment (optional)
- Other, please specify :

Attachments

 Antidoping Centre : <http://https://www.anti-doping.government.bg/>

7. NADO activities 

Which of the activities below are conducted by your national anti-doping organisation? Please upload the organisational chart, if possible

	Yes. Your comment (optional)	No, please specify which organisation is in charge:
Co-ordination of action by public authorities	<input checked="" type="checkbox"/>	<input type="checkbox"/>
Coordination of the fight against trafficking	<input checked="" type="checkbox"/>	<input type="checkbox"/>
Testing (doping control)	<input checked="" type="checkbox"/>	<input type="checkbox"/>
Results management	<input checked="" type="checkbox"/>	<input type="checkbox"/>
Disciplinary procedures	<input type="checkbox"/>	<input checked="" type="checkbox"/> Disciplinary Commity with BOC; Bulgarian Sports Arbitration; National Sport Federations
Education and/or information	<input checked="" type="checkbox"/>	<input type="checkbox"/>
Research	<input checked="" type="checkbox"/>	<input type="checkbox"/>

8. Funding of anti-doping program 

What was your annual anti-doping budget for the 2019 calendar year?

Min numeric value allowed : 0

[601960] amountEUROCurrency

[] Data not available

9. Funding sources 

How is the anti-doping program funded? Please select all that apply and indicate an estimate in percentages:

- Government100%
- National Lottery program %
- National Olympic Committee (NOC) %
- Other Sports Organization(s) %

- Fee for service %
- Private %
- Other %

10. Distribution of funding

What percentage of your annual anti-doping budget is put towards the following core programs?

- [12] Testing (including equipment, transportation, Sample Collection Personnel (SCP) fees)
- [37] Sample analysis
- [12] Investigations
- [1] Education
- [0] Research
- [4] Results Management/Legal
- [1] Therapeutic Use Exemptions (TUEs)
- [33] Other (e.g. remuneration, administration)
- [] Data not available

11. Sport Budget

What amount has been allocated to the sport budget from the state budget for the year 2019?

- [69091055] amountEURcurrency
- [] Data not available

12. Limiting public funding to organisations

Is public funding withheld from organisations that do not comply with anti-doping regulations and related legal instruments?

- (X) Yes, all funding is withheld; your comment (optional)
- () A limited amount of funding is withheld; your comment (optional)
- () No financial implications; your comment (optional)
- () Information not available; your comment (optional)

13. Limitation of public funding of persons

Is sport-related financial assistance provided by public authorities withheld from banned athletes or athlete support personnel during the period of their suspension?

- (X) Yes, all funding is withheld; your comment (optional)
- () A limited amount of funding is withheld; your comment (optional)
- () No; your comment (optional)
- () Not applicable (no sport-related financial assistance is provided by public authorities to athletes or support personnel); your

comment (optional)

() Information not available; your comment (optional)

14. Testing programme ●

Does your country have a national testing programme?

(X) Yes

() No, please explain

15. Elements of the Testing Program ●

What elements of the testing program are implemented by the national anti-doping organisation?

[X] Risk Assessment and Test Distribution Planning (TDP)

[X] Registered Testing Pool

[X] Random selection of athletes

[X] Targeted selection of athletes

[X] In-competition testing

[X] Out-of-competition testing

[X] No-advance notice testing

[X] Blood testing

[X] Athlete Biological Passport (ABP) modules

[X] Other elements, please specify long-term storage of samples; team-whereabouts

[] If some elements are implemented by another body, please specify which body

16. Quality certificate ●

Is your NADO or part of its procedures certified according to a quality standard (such as ISO, iNADO or any other quality assurance system)?

(X) Yes, please specify which standard, its scope and validity: ISO 9001:2015 up to 07.01.2020 (presently, the new audit is expected)

() In progress, please specify

() No; your comment (optional)

Attachments

 Certification_AFNOR_2015.pdf

17. NADO staff ●

Please outline below how many staff are involved in the coordination and management of your anti-doping programs.

Min numeric value allowed : 0

[11] Staff full time

[0] Staff part time

[0] Volunteers

[7] Committee members

[] Data not available

18. Sample Collection Personnel ●

Do you have Sample Collection Personnel (SCP) ?

(X) Yes

() No, please explain

19. Number of DCOs and BCOs ●

How many Doping Control Officers (DCOs), Blood Control Officers (BCOs) and chaperones are in your sample collection personnel program?

Min numeric value allowed : 0

[48] DCOs; your comment (optional)

[5] BCOs; your comment (optional)

[0] Chaperones; your comment (optional)

[] Data not available

20. Laboratory ●

Is there a doping control laboratory in your country?

[] Yes, accredited by WADA

[X] Yes, but accreditation by WADA is pending

[] Accredited by WADA for athlete biological passport

[X] No, we send samples to the WADA accredited laboratories in:Seibersdorf, Austria(city)

[] Not available

21. Testing statistics ●

How many samples were collected under your national testing program in the year 2019?

	Urine	Blood (including ABP)
In-competition testing Min numeric value allowed : 0	296	16
Out-of-competition testing Min numeric value allowed : 0	356	82

[] Data not available

22. Testing abroad ●

Did you test athletes under your authority who reside or train abroad (directly or by subcontracting another ADO)?

(X) Yes; your comment (optional)

Not in 2019, but we have authorisation to do so; your comment (optional)

No, we do not have authorisation to do so; your comment (optional)

23. Disciplinary system

What are the disciplinary bodies for doping offences, i.e. the main body imposing sanctions on athletes and other persons?

	–	–
State authority	no	no
NADO	yes	yes
NOC	no	no
National sport federations	yes	yes
international sport federations	no	no
Independent disciplinary body	yes	yes
Professional associations	no	no
Other, please specify	no	no

24. Appeals system

What is the body handling appeals against disciplinary measures?

State authority; your comment (optional)

National sports federations; your comment (optional)

International sports federations; your comment (optional)

Independent court of arbitration; your comment (optional)

Court of Arbitration in Sport (CAS); your comment (optional)

Other, please specify :

25. Anti-doping rule violations (ADRV)

How many anti-doping rule violations cases were initiated in 2019 and how many of these initiated cases resulted in the imposition of a sanction?

	Initiated cases	Cases that resulted in a sanction	Cases that resulted in no sanction
Presence of a prohibited substance or its Metabolites or markers in an athlete's sample Min numeric value allowed : 0	10	10	0

Use or attempted use by an athlete of a Prohibited substance or a prohibited method Min numeric value allowed : 0	0	0	0
Evading, Refusing or Failing to Submit to Sample Collection Min numeric value allowed : 0	2	1	1
Whereabouts Failures Min numeric value allowed : 0	24	0	24
Tampering or attempted tampering with any part of doping control Min numeric value allowed : 0	0	0	0
Possession of prohibited substances and prohibited methods Min numeric value allowed : 0	0	0	0
Trafficking or attempted trafficking in any prohibited substance or prohibited method Min numeric value allowed : 0	0	0	0
Administration or attempted administration to any athlete of any Prohibited method or prohibited substance Min numeric value allowed : 0	0	0	0
Complicity Min numeric value allowed : 0	0	0	0
Prohibited Association Min numeric value allowed : 0	0	0	0

Data not available

26. Whereabouts failures

How many of the following whereabouts failures have you registered in 2019?

[23] One missed test or filing failure

[1] Any combination of two missed tests and/or filing failures

[] Data not available

27. Sanctions for doping trafficking

Are there specific penalties or sanctions for illegal circulation of doping substances, in addition to those regulating the movement of medicines and narcotics?

[] Criminal penalties, please specify

[X] Financial penalties, please specify 1000-3000 BGN

[] Administrative or civil sanctions, please specify

[X] Professional disciplinary actions, please specify According to the Code

[] None of above, please explain

[] Not available; your comment (optional)

28. Co-operation with law enforcement agencies

What measures have been taken to improve co-operation with law enforcement agencies in limiting illegal availability of doping substances?

- Law, please specify
- Agreement, please specify Customs Agency; Bulgarian Food Safety Agency
- Ad hoc activities, please specify
- Other, please specify
- None; your comment (optional)

29. Statistics on doping trafficking

Do law enforcement agencies share data on the seizure of doping substances with the national anti-doping organisation:

- Yes, please specify how many seizures have been reported in 2019: 0
- No; your comment (optional)
- Other, please specify :

30. Organisation of anti-doping education

Which organisations are involved in coordinating and/or implementing anti-doping education programs?

- National anti-doping organisation
- Ministry responsible for sport
- Ministry responsible for education
- Ministry responsible for health
- Other governmental body
- National sport federations
- Regional/municipal sport organisations
- Universities
- Schools
- Sport clubs
- Other bodies

31. Anti-doping education themes

What types of anti-doping message are provided for different target groups?

	elite athletes	young athletes	recreational athletes	sports officials	coaches	medical personnel	school pupils	media	general public	other

32. Nutritional supplements

What measures have been taken to address the problems related to nutritional supplements in sport?

- [] Restrict availability
- [X] Control of production
- [X] Provide quality assurance
- [X] Comprehensive labelling
- [] Limit advertising and promotion
- [X] Educational and informational measures
- [] Other, please specify:

33. Anti-doping research

Has any anti-doping research been undertaken or supported?

- () Yes; your comment (optional)
- (X) Yes, to a limited extent; your comment (optional)
- () No; your comment (optional)

34. Areas of anti-doping research

What are the areas of anti-doping research?

- Doping prevention
- Detection methods
- Behavioural and social aspects of doping
- Health consequences of doping
- Physiological and psychological training programmes
- Emerging substances or methods
- Alternative testing methods
- None
- Other; your comment (optional)

35. Publication of anti-doping research ●

How many articles with the results of this research have been published in peer-reviewed scientific journals?

- in 2019; your comment (optional)
- Data not available

36. International agreements ●

Has your country signed any agreements with other Anti-Doping Organizations (ADOs) or agreements on anti-doping with any other organisation or State concerning the following:

	Yes or No; if applicable please explain or upload the document (below)
(a) Sharing of information	no
(b) Law enforcement cooperation	no
(c) Athlete Biological Passport sharing or coordination	no
(d) General cooperation	yes

Implementation of anti-doping policies in 2019 - Canada

Questionnaire on implementation of anti-doping policies in 2019 0.1

Objective :

In order to implement the requirements of the Article 9 of the Anti-Doping Convention, the online annual questionnaire is ready for collection of data regarding anti-doping policies in 2019.

Instruction :

For detailed instructions please select the links to documentation at the top of the page.

In case you face any problems which would prevent you from filling in the questionnaire, please report it to us by e-mail sport.t-do@coe.int

You are kindly requested to fill in, save and post your country's data for 2019 before 30 April 2020.

Questions :

1. Number of Athletes

Please estimate the number of athletes in the following categories within your country:

international-level athletes (as defined by the World Anti-Doping Code)

Min numeric value allowed : 0

[] your comment (optional)

Data not available

national-level athletes (as defined by the World Anti-Doping Code)

Min numeric value allowed : 0

[5186] your comment (optional)

Data not available

other athletes (including recreational athletes)

Min numeric value allowed : 0

[] your comment (optional)

Data not available

number of athletes in your national Registered Testing Pool (as defined by the World Anti-Doping Code)

Min numeric value allowed : 0

[377] your comment (optional)

Data not available

number of athletes at the last Summer Olympic games

Min numeric value allowed : 0

[306] your comment (optional)

Data not available

number of athletes at the last Winter Olympic games

Min numeric value allowed : 0

[225] your comment (optional)

[] Data not available

number of athletes at the last Summer Paralympic games

Min numeric value allowed : 0

[55] your comment (optional)

[] Data not available

number of athletes at the last Winter Paralympic games

Min numeric value allowed : 0

[55] your comment (optional)

[] Data not available

2. Doping definition

What is the definition of "Doping in Sport" used in your country?

[] Council of Europe Anti-Doping Convention. Your comment (optional)

[] UNESCO International Convention against doping in sport. Your comment (optional)

[X] World Anti-Doping Code. Your comment (optional) as implemented via the 2015 Canadian Anti-Doping Program (download online: <https://cces.ca/sites/default/files/content/docs/pdf/cces-policy-cadp-2015-v2-e.pdf>)

[] Other, please specify (e.g. national law) :

3. Doping List

Which list of banned pharmacological classes of doping agents and doping methods (i.e. Prohibited List) is implemented in your country?

[X] Prohibited list, as adopted by the Executive Committee of WADA. Your comment (optional)

.....

[] List of banned pharmacological classes of doping agents and doping methods, as adopted by the Monitoring Group (TDO). Your comment (optional)

[] Prohibited list, as adopted by the Conference of Parties of the International Convention against Doping in Sport (UNESCO) Your comment (optional)

[] Other, please specify :

4. Additional doping lists

For the purposes of restricting availability of doping substances are there other lists than those defined in question 4?

() Yes, please specify:

(X) No. Your comment (optional)

5. Anti-doping laws

Are there any anti-doping laws in your country?

[] Anti-doping law. Your comment (optional)

[] Other formal regulations, please specify:

No. Your comment (optional)

6. National anti-doping organisation (NADO) 

What is the legal status of your national anti-doping organisation? Please upload the statutes, if possible

- Public authority. Your comment (optional)
- Non-governmental organisation. Your comment (optional)
- Private company. Your comment (optional)
- National Olympic Committee. Your comment (optional)
- Other, please specify :

7. NADO activities 

Which of the activities below are conducted by your national anti-doping organisation? Please upload the organisational chart, if possible

	Yes. Your comment (optional)	No, please specify which organisation is in charge:
Co-ordination of action by public authorities	<input type="checkbox"/>	<input checked="" type="checkbox"/> Canadian Centre for Ethics in Sport is independent from Government of Canada
Coordination of the fight against trafficking	<input type="checkbox"/>	<input checked="" type="checkbox"/> No organization
Testing (doping control)	<input checked="" type="checkbox"/>	<input type="checkbox"/>
Results management	<input checked="" type="checkbox"/>	<input type="checkbox"/>
Disciplinary procedures	<input checked="" type="checkbox"/> Through collaboration with independent Doping Tribunal	<input type="checkbox"/>
Education and/or information	<input checked="" type="checkbox"/>	<input type="checkbox"/>
Research	<input checked="" type="checkbox"/> In partnership with the WADA-accredited laboratory in Montreal, Canada	<input type="checkbox"/>

8. Funding of anti-doping program 

What was your annual anti-doping budget for the 2019 calendar year?

Min numeric value allowed : 0

[8823200] amountCADCurrency

Data not available

9. Funding sources 

How is the anti-doping program funded? Please select all that apply and indicate an estimate in percentages:

- Government74%
- National Lottery program %
- National Olympic Committee (NOC)1%

- Other Sports Organization(s)2,5%
- Fee for service22,5%
- Private %
- Other %

10. Distribution of funding

What percentage of your annual anti-doping budget is put towards the following core programs?

- 17.5] Testing (including equipment, transportation, Sample Collection Personnel (SCP) fees)
- 30] Sample analysis
- 3] Investigations
- 5] Education
- 0] Research
- 4.5] Results Management/Legal
- 0] Therapeutic Use Exemptions (TUEs)
- 40] Other (e.g. remuneration, administration)
-] Data not available

11. Sport Budget

What amount has been allocated to the sport budget from the state budget for the year 2019?

- 220000000] amountCADcurrency
-] Data not available

12. Limiting public funding to organisations

Is public funding withheld from organisations that do not comply with anti-doping regulations and related legal instruments?

- Yes, all funding is withheld; your comment (optional)
- A limited amount of funding is withheld; your comment (optional)Adoption of the Canadian Anti-Doping Program is a requirement of federal funding and such funding could be withheld if non-compliant
- No financial implications; your comment (optional)
- Information not available; your comment (optional)

13. Limitation of public funding of persons

Is sport-related financial assistance provided by public authorities withheld from banned athletes or athlete support personnel during the period of their suspension?

- Yes, all funding is withheld; your comment (optional)Yes, all funding is withheld; your comment (optional) Funding provided from the Athlete Assistance Program to Athletes serving a sanction because of an ADRV
- A limited amount of funding is withheld; your comment (optional)

No; your comment (optional)

Not applicable (no sport-related financial assistance is provided by public authorities to athletes or support personnel); your comment (optional)

Information not available; your comment (optional)

14. Testing programme ●

Does your country have a national testing programme?

Yes

No, please explain

15. Elements of the Testing Program ●

What elements of the testing program are implemented by the national anti-doping organisation?

Risk Assessment and Test Distribution Planning (TDP)

Registered Testing Pool

Random selection of athletes

Targeted selection of athletes

In-competition testing

Out-of-competition testing

No-advance notice testing

Blood testing

Athlete Biological Passport (ABP) modules

Other elements, please specify

If some elements are implemented by another body, please specify which body

16. Quality certificate ●

Is your NADO or part of its procedures certified according to a quality standard (such as ISO, iNADO or any other quality assurance system)?

Yes, please specify which standard, its scope and validity: ISO 9001:2015 Quality Management Standard

In progress, please specify

No; your comment (optional)

17. NADO staff ●

Please outline below how many staff are involved in the coordination and management of your anti-doping programs.

Min numeric value allowed : 0

Staff full time

Staff part time

Volunteers

Committee members

Data not available

18. Sample Collection Personnel ●

Do you have Sample Collection Personnel (SCP) ?

Yes

No, please explain

19. Number of DCOs and BCOs ●

How many Doping Control Officers (DCOs), Blood Control Officers (BCOs) and chaperones are in your sample collection personnel program?

Min numeric value allowed : 0

[63] DCOs; your comment (optional)

[0] BCOs; your comment (optional) BCOs are contracted

[0] Chaperones; your comment (optional) Chaperones are volunteers

[] Data not available

20. Laboratory ●

Is there a doping control laboratory in your country?

Yes, accredited by WADA

Yes, but accreditation by WADA is pending

Accredited by WADA for athlete biological passport

No, we send samples to the WADA accredited laboratories in: (city)

Not available

21. Testing statistics ●

How many samples were collected under your national testing program in the year 2019?

	Urine	Blood (including ABP)
In-competition testing Min numeric value allowed : 0	1094	96
Out-of-competition testing Min numeric value allowed : 0	2082	771

[] Data not available

22. Testing abroad ●

Did you test athletes under your authority who reside or train abroad (directly or by subcontracting another ADO)?

Yes; your comment (optional)

() Not in 2019, but we have authorisation to do so; your comment (optional)

() No, we do not have authorisation to do so; your comment (optional)

23. Disciplinary system

What are the disciplinary bodies for doping offences, i.e. the main body imposing sanctions on athletes and other persons?

	–	–
State authority	no	no
NADO	yes	yes
NOC	no	no
National sport federations	no	no
international sport federations	no	no
Independent disciplinary body	yes	yes
Professional associations	no	There may be additional sanction through the professional body
Other, please specify	no	no

24. Appeals system

What is the body handling appeals against disciplinary measures?

() State authority; your comment (optional)

() National sports federations; your comment (optional)

() International sports federations; your comment (optional)

(X) Independent court of arbitration; your comment (optional) Sport Dispute Resolution Center of Canada

() Court of Arbitration in Sport (CAS); your comment (optional)

() Other, please specify :

25. Anti-doping rule violations (ADRV)

How many anti-doping rule violations cases were initiated in 2019 and how many of these initiated cases resulted in the imposition of a sanction?

	Initiated cases	Cases that resulted in a sanction	Cases that resulted in no sanction
Presence of a prohibited substance or its Metabolites or markers in an athlete's sample Min numeric value allowed : 0	15	15	0

Use or attempted use by an athlete of a Prohibited substance or a prohibited method Min numeric value allowed : 0	0	0	0
Evading, Refusing or Failing to Submit to Sample Collection Min numeric value allowed : 0	1	1	0
Whereabouts Failures Min numeric value allowed : 0	0	0	0
Tampering or attempted tampering with any part of doping control Min numeric value allowed : 0	0	0	0
Possession of prohibited substances and prohibited methods Min numeric value allowed : 0	0	0	0
Trafficking or attempted trafficking in any prohibited substance or prohibited method Min numeric value allowed : 0	0	0	0
Administration or attempted administration to any athlete of any Prohibited method or prohibited substance Min numeric value allowed : 0	0	0	0
Complicity Min numeric value allowed : 0	0	0	0
Prohibited Association Min numeric value allowed : 0	0	0	0

Data not available

26. Whereabouts failures

How many of the following whereabouts failures have you registered in 2019?

One missed test or filing failure

Any combination of two missed tests and/or filing failures

Data not available

27. Sanctions for doping trafficking

Are there specific penalties or sanctions for illegal circulation of doping substances, in addition to those regulating the movement of medicines and narcotics?

Criminal penalties, please specify

Financial penalties, please specify

Administrative or civil sanctions, please specify

Professional disciplinary actions, please specify

None of above, please explain

Not available; your comment (optional)

28. Co-operation with law enforcement agencies

What measures have been taken to improve co-operation with law enforcement agencies in limiting illegal availability of doping substances?

- Law, please specify
- Agreement, please specify
- Ad hoc activities, please specify
- Other, please specify
- None; your comment (optional)

29. Statistics on doping trafficking

Do law enforcement agencies share data on the seizure of doping substances with the national anti-doping organisation:

- Yes, please specify how many seizures have been reported in 2019:
- No; your comment (optional)
- Other, please specify :

30. Organisation of anti-doping education

Which organisations are involved in coordinating and/or implementing anti-doping education programs?

- National anti-doping organisation
- Ministry responsible for sport
- Ministry responsible for education
- Ministry responsible for health
- Other governmental body
- National sport federations
- Regional/municipal sport organisations
- Universities
- Schools
- Sport clubs
- Other bodies

31. Anti-doping education themes

What types of anti-doping message are provided for different target groups?

	elite athletes	young athletes	recreational athletes	sports officials	coaches	medical personnel	school pupils	media	general public	other
National and International Anti-Doping Rules	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>

Applicable whereabouts requirements	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>

32. Nutritional supplements

What measures have been taken to address the problems related to nutritional supplements in sport?

- Restrict availability
- Control of production
- Provide quality assurance
- Comprehensive labelling
- Limit advertising and promotion
- Educational and informational measures
- Other, please specify: Quality assurance of labelled nutritional products is ensured by Health Canada

33. Anti-doping research

Has any anti-doping research been undertaken or supported?

- Yes; your comment (optional) The CCES provides financial support to the WADA-accredited laboratory in Montreal for research in the field of detection methods.
- Yes, to a limited extent; your comment (optional)
- No; your comment (optional)

34. Areas of anti-doping research

What are the areas of anti-doping research?

- Doping prevention
- Detection methods
- Behavioural and social aspects of doping
- Health consequences of doping
- Physiological and psychological training programmes
- Emerging substances or methods
- Alternative testing methods
- None
- Other; your comment (optional)

35. Publication of anti-doping research

How many articles with the results of this research have been published in peer-reviewed scientific journals?

- in 2019; your comment (optional)
- Data not available

36. International agreements

Has your country signed any agreements with other Anti-Doping Organizations (ADOs) or agreements on anti-doping with any other organisation or State concerning the following:

	Yes or No; if applicable please explain or upload the document (below)
(a) Sharing of information	Yes - via International Anti-Doping Arrangement; standing agreements for testing
(b) Law enforcement cooperation	No
(c) Athlete Biological Passport sharing or coordination	Yes – standing agreements for testing
(d) General cooperation	Yes – standing agreements for testing

- Data not available

Objective :

In order to implement the requirements of the Article 9 of the Anti-Doping Convention, the online annual questionnaire is ready for collection of data regarding anti-doping policies in 2019.

Instruction :

For detailed instructions please select the links to documentation at the top of the page.

In case you face any problems which would prevent you from filling in the questionnaire, please report it to us by e-mail sport.t-do@coe.int

You are kindly requested to fill in, save and post your country's data for 2019 before 30 April 2020.

Questions :**1. Number of Athletes**

Please estimate the number of athletes in the following categories within your country:

international-level athletes (as defined by the World Anti-Doping Code)

Min numeric value allowed : 0

[445] your comment (optional)

[] Data not available

national-level athletes (as defined by the World Anti-Doping Code)

Min numeric value allowed : 0

[6000] your comment (optional)

[] Data not available

other athletes (including recreational athletes)

Min numeric value allowed : 0

[250964] your comment (optional) 1305 para athletes

[] Data not available

number of athletes in your national Registered Testing Pool (as defined by the World Anti-Doping Code)

Min numeric value allowed : 0

[50] your comment (optional)

[] Data not available

number of athletes at the last Summer Olympic games

Min numeric value allowed : 0

[88] your comment (optional)

[] Data not available

number of athletes at the last Winter Olympic games

Min numeric value allowed : 0

[19] your comment (optional)

[] Data not available

number of athletes at the last Summer Paralympic games

Min numeric value allowed : 0

[19] your comment (optional)

[] Data not available

number of athletes at the last Winter Paralympic games

Min numeric value allowed : 0

[7] your comment (optional)

[] Data not available

2. Doping definition 

What is the definition of "Doping in Sport" used in your country?

[] Council of Europe Anti-Doping Convention. Your comment (optional)

[] UNESCO International Convention against doping in sport. Your comment (optional)

[X] World Anti-Doping Code. Your comment (optional)

[] Other, please specify (e.g. national law) :

3. Doping List 

Which list of banned pharmacological classes of doping agents and doping methods (i.e. Prohibited List) is implemented in your country?

[X] Prohibited list, as adopted by the Executive Committee of WADA. Your comment (optional)

.....

[] List of banned pharmacological classes of doping agents and doping methods, as adopted by the Monitoring Group (TDO). Your comment (optional)

[] Prohibited list, as adopted by the Conference of Parties of the International Convention against Doping in Sport (UNESCO) Your comment (optional)

[] Other, please specify :

7. NADO activities ●

Which of the activities below are conducted by your national anti-doping organisation? Please upload the organisational chart, if possible

	Yes. Your comment (optional)	No, please specify which organisation is in charge:
Co-ordination of action by public authorities	()	(X) Ministry of Health
Coordination of the fight against trafficking	()	(X) Ministry of Internal Affairs
Testing (doping control)	(X)	()
Results management	(X)	()
Disciplinary procedures	(X)	()
Education and/or information	(X)	()
Research	(X)	()

8. Funding of anti-doping program ●

What was your annual anti-doping budget for the 2019 calendar year?

Min numeric value allowed : 0

[5545938] amountHRKCurrency

[] Data not available

9. Funding sources

How is the anti-doping program funded? Please select all that apply and indicate an estimate in percentages:

- Government 13%
- National Lottery program 80%
- National Olympic Committee (NOC) %
- Other Sports Organization(s) %
- Fee for service 7%
- Private %
- Other %

10. Distribution of funding

What percentage of your annual anti-doping budget is put towards the following core programs?

- [12.46] Testing (including equipment, transportation, Sample Collection Personnel (SCP) fees)
- [34.74] Sample analysis
- [0.26] Investigations
- [3.74] Education
- [0] Research
- [0.83] Results Management/Legal
- [0.24] Therapeutic Use Exemptions (TUEs)
- [47.73] Other (e.g. remuneration, administration)
- Data not available

11. Sport Budget

What amount has been allocated to the sport budget from the state budget for the year 2019?

- [334958389] amount HRK currency
- Data not available

12. Limiting public funding to organisations

Is public funding withheld from organisations that do not comply with anti-doping regulations and related legal instruments?

- Yes, all funding is withheld; your comment (optional)
- A limited amount of funding is withheld; your comment (optional)
- No financial implications; your comment (optional)
- Information not available; your comment (optional)

13. Limitation of public funding of persons

Is sport-related financial assistance provided by public authorities withheld from banned athletes or athlete support personnel during the period of their suspension?

Yes, all funding is withheld; your comment (optional)

A limited amount of funding is withheld; your comment (optional)

No; your comment (optional)

Not applicable (no sport-related financial assistance is provided by public authorities to athletes or support personnel); your comment (optional)

Information not available; your comment (optional)

14. Testing programme

Does your country have a national testing programme?

Yes

No, please explain

15. Elements of the Testing Program

What elements of the testing program are implemented by the national anti-doping organisation?

Risk Assessment and Test Distribution Planning (TDP)

Registered Testing Pool

Random selection of athletes

Targeted selection of athletes

In-competition testing

Out-of-competition testing

No-advance notice testing

Blood testing

Athlete Biological Passport (ABP) modules

Other elements, please specify

If some elements are implemented by another body, please specify which body

16. Quality certificate

Is your NADO or part of its procedures certified according to a quality standard (such as ISO, iNADO or any other quality assurance system)?

Yes, please specify which standard, its scope and validity:

In progress, please specify

No; your comment (optional) The NADO had a Quality Recognition Certificate that expired on July 31, 2018

Attachments

 iNADO Quality Recognition Certificate : <http://https://antidoping-hzta.hr/inado-certifikat/>

 iNADO Quality Recognition Certificate July 15 2015.pdf

17. NADO staff 

Please outline below how many staff are involved in the coordination and management of your anti-doping programs.

Min numeric value allowed : 0

[8] Staff full time

[30] Staff part time

[0] Volunteers

[39] Committee members

[] Data not available

18. Sample Collection Personnel 

Do you have Sample Collection Personnel (SCP) ?

(X) Yes

() No, please explain

19. Number of DCOs and BCOs 

How many Doping Control Officers (DCOs), Blood Control Officers (BCOs) and chaperones are in your sample collection personnel program?

Min numeric value allowed : 0

[32] DCOs; your comment (optional)

[7] BCOs; your comment (optional)

[6] Chaperones; your comment (optional)

[] Data not available

20. Laboratory 

Is there a doping control laboratory in your country?

[] Yes, accredited by WADA

[] Yes, but accreditation by WADA is pending

[] Accredited by WADA for athlete biological passport

[X] No, we send samples to the WADA accredited laboratories in:Seibersdorf, AUT(city)

[] Not available

21. Testing statistics 

How many samples were collected under your national testing program in the year 2019?

Urine	Blood (including ABP)
-------	-----------------------

In-competition testing Min numeric value allowed : 0	294	16
Out-of-competition testing Min numeric value allowed : 0	255	72

[] Data not available

22. Testing abroad

Did you test athletes under your authority who reside or train abroad (directly or by subcontracting another ADO)?

- Yes; your comment (optional)
- Not in 2019, but we have authorisation to do so; your comment (optional)
- No, we do not have authorisation to do so; your comment (optional)

23. Disciplinary system

What are the disciplinary bodies for doping offences, i.e. the main body imposing sanctions on athletes and other persons?

	–	–
State authority	no	no
NADO	no	no
NOC	no	no
National sport federations	no	no
international sport federations	no	no
Independent disciplinary body	yes	yes
Professional associations	no	no
Other, please specify	no	no

24. Appeals system

What is the body handling appeals against disciplinary measures?

- State authority; your comment (optional)
- National sports federations; your comment (optional)
- International sports federations; your comment (optional)
- Independent court of arbitration; your comment (optional)
- Court of Arbitration in Sport (CAS); your comment (optional)
- Other, please specify : Appeal Panel of CIPH

Attachments

25. Anti-doping rule violations (ADRV) 

How many anti-doping rule violations cases were initiated in 2019 and how many of these initiated cases resulted in the imposition of a sanction?

	Initiated cases	Cases that resulted in a sanction	Cases that resulted in no sanction
Presence of a prohibited substance or its Metabolites or markers in an athlete's sample Min numeric value allowed : 0	4	4	0
Use or attempted use by an athlete of a Prohibited substance or a prohibited method Min numeric value allowed : 0	0	0	0
Evading, Refusing or Failing to Submit to Sample Collection Min numeric value allowed : 0	2	2	0
Whereabouts Failures Min numeric value allowed : 0	0	0	0
Tampering or attempted tampering with any part of doping control Min numeric value allowed : 0	0	0	0
Possession of prohibited substances and prohibited methods Min numeric value allowed : 0	0	0	0
Trafficking or attempted trafficking in any prohibited substance or prohibited method Min numeric value allowed : 0	0	0	0
Administration or attempted administration to any athlete of any Prohibited method or prohibited substance Min numeric value allowed : 0	0	0	0
Complicity Min numeric value allowed : 0	0	0	0
Prohibited Association Min numeric value allowed : 0	0	0	0

Data not available

26. Whereabouts failures 

How many of the following whereabouts failures have you registered in 2019?

One missed test or filing failure

Any combination of two missed tests and/or filing failures

Data not available

27. Sanctions for doping trafficking

Are there specific penalties or sanctions for illegal circulation of doping substances, in addition to those regulating the movement of medicines and narcotics?

- Criminal penalties, please specify Penal Act, Article 191 and 191a
- Financial penalties, please specify
- Administrative or civil sanctions, please specify
- Professional disciplinary actions, please specify
- None of above, please explain
- Not available; your comment (optional)

Attachments

 Penal Code of Republic of Croatia (OG 144_12)_Article 191a-ENG.pdf

28. Co-operation with law enforcement agencies

What measures have been taken to improve co-operation with law enforcement agencies in limiting illegal availability of doping substances?

- Law, please specify Penal Act, Article 191 and 191a
- Agreement, please specify
- Ad hoc activities, please specify Cooperation with law enforcement authority
- Other, please specify
- None; your comment (optional)

29. Statistics on doping trafficking

Do law enforcement agencies share data on the seizure of doping substances with the national anti-doping organisation:

- Yes, please specify how many seizures have been reported in 2019: 10
- No; your comment (optional)
- Other, please specify :

30. Organisation of anti-doping education

Which organisations are involved in coordinating and/or implementing anti-doping education programs?

- National anti-doping organisation
- Ministry responsible for sport
- Ministry responsible for education
- Ministry responsible for health
- Other governmental body
- National sport federations
- Regional/municipal sport organisations
- Universities

Schools

Sport clubs

Other bodies

31. Anti-doping education themes

What types of anti-doping message are provided for different target groups?

	elite athletes	young athletes	recreational athletes	sports officials	coaches	medical personnel	school pupils	media	general public	other

32. Nutritional supplements

What measures have been taken to address the problems related to nutritional supplements in sport?

Restrict availability

Control of production

Provide quality assurance

Comprehensive labelling

- Limit advertising and promotion
- Educational and informational measures
- Other, please specify:

33. Anti-doping research ●

Has any anti-doping research been undertaken or supported?

- Yes; your comment (optional)
- Yes, to a limited extent; your comment (optional)
- No; your comment (optional) anti-doping research activity ceased since Anti-Doping moved to CIPH (Januar 2019)

34. Areas of anti-doping research ●

What are the areas of anti-doping research?

- Doping prevention
- Detection methods
- Behavioural and social aspects of doping
- Health consequences of doping
- Physiological and psychological training programmes
- Emerging substances or methods
- Alternative testing methods
- None
- Other; your comment (optional)

35. Publication of anti-doping research ●

How many articles with the results of this research have been published in peer-reviewed scientific journals?

- 0 in 2019; your comment (optional)
- Data not available

36. International agreements ●

Has your country signed any agreements with other Anti-Doping Organizations (ADOs) or agreements on anti-doping with any other organisation or State concerning the following:

	Yes or No; if applicable please explain or upload the document (below)
(a) Sharing of information	yes
(b) Law enforcement cooperation	yes
(c) Athlete Biological Passport sharing or coordination	yes

(d) General cooperation	yes

Data not available

number of athletes at the last Winter Paralympic games

Min numeric value allowed : 0

[0] your comment (optional)

Data not available

2. Doping definition

What is the definition of "Doping in Sport" used in your country?

Council of Europe Anti-Doping Convention. Your comment (optional)

UNESCO International Convention against doping in sport. Your comment (optional)

World Anti-Doping Code. Your comment (optional)

Other, please specify (e.g. national law) :

3. Doping List

Which list of banned pharmacological classes of doping agents and doping methods (i.e. Prohibited List) is implemented in your country?

Prohibited list, as adopted by the Executive Committee of WADA. Your comment (optional)

.....

List of banned pharmacological classes of doping agents and doping methods, as adopted by the Monitoring Group (TDO). Your comment (optional)

Prohibited list, as adopted by the Conference of Parties of the International Convention against Doping in Sport (UNESCO) Your comment (optional)

Other, please specify :

4. Additional doping lists

For the purposes of restricting availability of doping substances are there other lists than those defined in question 4?

- Yes, please specify:
- No. Your comment (optional)

5. Anti-doping laws

Are there any anti-doping laws in your country?

- Anti-doping law. Your comment (optional)
- Other formal regulations, please specify:
- No. Your comment (optional)

6. National anti-doping organisation (NADO)

What is the legal status of your national anti-doping organisation? Please upload the statutes, if possible

- Public authority. Your comment (optional)
- Non-governmental organisation. Your comment (optional)
- Private company. Your comment (optional)
- National Olympic Committee. Your comment (optional)
- Other, please specify :

7. NADO activities

Which of the activities below are conducted by your national anti-doping organisation? Please upload the organisational chart, if possible

	Yes. Your comment (optional)	No, please specify which organisation is in charge:
Co-ordination of action by public authorities	<input checked="" type="checkbox"/>	<input type="checkbox"/>
Coordination of the fight against trafficking	<input type="checkbox"/>	<input checked="" type="checkbox"/> The fight against trafficking of doping substances is primarily the task of the Customs, as well as the Police; however, both agencies work in cooperation with the Cyprus Anti-Doping Authority, as needed.
Testing (doping control)	<input checked="" type="checkbox"/>	<input type="checkbox"/>
Results management	<input checked="" type="checkbox"/>	<input type="checkbox"/>
Disciplinary procedures	<input type="checkbox"/>	<input checked="" type="checkbox"/> Two independent bodies (Cyprus National Anti-Doping Disciplinary Panel and Cyprus National Anti-Doping Appeals Panel) are responsible for disciplinary procedures in anti-doping in Cyprus.
Education and/or information	<input checked="" type="checkbox"/>	<input type="checkbox"/>

8. Funding of anti-doping program

What was your annual anti-doping budget for the 2019 calendar year?

Min numeric value allowed : 0

[175.592] amounteurosCurrency

[] Data not available

9. Funding sources

How is the anti-doping program funded? Please select all that apply and indicate an estimate in percentages:

[X] Government 100%

[] National Lottery program %

[] National Olympic Committee (NOC) %

[] Other Sports Organization(s) %

[] Fee for service %

[] Private %

[] Other %

10. Distribution of funding

What percentage of your annual anti-doping budget is put towards the following core programs?

[18322.6] Testing (including equipment, transportation, Sample Collection Personnel (SCP) fees)

[24854.12] Sample analysis

[0] Investigations

[8037.21] Education

[8524.9] Research

[14319] Results Management/Legal

[0] Therapeutic Use Exemptions (TUEs)

[101534.17] Other (e.g. remuneration, administration)

[] Data not available

11. Sport Budget

What amount has been allocated to the sport budget from the state budget for the year 2019?

[35519192] amounteuroscurrency

[] Data not available

12. Limiting public funding to organisations 

Is public funding withheld from organisations that do not comply with anti-doping regulations and related legal instruments?

- (X) Yes, all funding is withheld; your comment (optional)
- () A limited amount of funding is withheld; your comment (optional)
- () No financial implications; your comment (optional)
- () Information not available; your comment (optional)

13. Limitation of public funding of persons 

Is sport-related financial assistance provided by public authorities withheld from banned athletes or athlete support personnel during the period of their suspension?

- (X) Yes, all funding is withheld; your comment (optional)
- () A limited amount of funding is withheld; your comment (optional)
- () No; your comment (optional)
- () Not applicable (no sport-related financial assistance is provided by public authorities to athletes or support personnel); your comment (optional)
- () Information not available; your comment (optional)

14. Testing programme 

Does your country have a national testing programme?

- (X) Yes
- () No, please explain

15. Elements of the Testing Program 

What elements of the testing program are implemented by the national anti-doping organisation?

- [X] Risk Assessment and Test Distribution Planning (TDP)
- [X] Registered Testing Pool
- [X] Random selection of athletes
- [X] Targeted selection of athletes
- [X] In-competition testing
- [X] Out-of-competition testing
- [X] No-advance notice testing
- [X] Blood testing
- [X] Athlete Biological Passport (ABP) modules
- [] Other elements, please specify
- [] If some elements are implemented by another body, please specify which body

16. Quality certificate 

Is your NADO or part of its procedures certified according to a quality standard (such as ISO, iNADO or any other quality assurance system)?

- Yes, please specify which standard, its scope and validity:
- In progress, please specify
- No; your comment (optional)

17. NADO staff 

Please outline below how many staff are involved in the coordination and management of your anti-doping programs.

Min numeric value allowed : 0

- Staff full time
- Staff part time
- Volunteers
- Committee members
- Data not available

18. Sample Collection Personnel 

Do you have Sample Collection Personnel (SCP) ?

- Yes
- No, please explain

19. Number of DCOs and BCOs 

How many Doping Control Officers (DCOs), Blood Control Officers (BCOs) and chaperones are in your sample collection personnel program?

Min numeric value allowed : 0

- DCOs; your comment (optional)
- BCOs; your comment (optional) All BCOs are also trained as DCOs (and included in the number of DCOs indicated above)
- Chaperones; your comment (optional)
- Data not available

20. Laboratory 

Is there a doping control laboratory in your country?

- Yes, accredited by WADA
- Yes, but accreditation by WADA is pending
- Accredited by WADA for athlete biological passport
- No, we send samples to the WADA accredited laboratories in: Athens (Greece) and Seibersdorf (Austria)(city)
- Not available

21. Testing statistics

How many samples were collected under your national testing program in the year 2019?

	Urine	Blood (including ABP)
In-competition testing Min numeric value allowed : 0	124	0
Out-of-competition testing Min numeric value allowed : 0	0	0

Data not available

22. Testing abroad

Did you test athletes under your authority who reside or train abroad (directly or by subcontracting another ADO)?

Yes; your comment (optional)

Not in 2019, but we have authorisation to do so; your comment (optional)

No, we do not have authorisation to do so; your comment (optional)

23. Disciplinary system

What are the disciplinary bodies for doping offences, i.e. the main body imposing sanctions on athletes and other persons?

	–	–
State authority	No	No
NADO	No	No
NOC	No	No
National sport federations	No	No
international sport federations	No	No
Independent disciplinary body	Yes	Yes
Professional associations	No	No
Other, please specify	No	No

24. Appeals system

What is the body handling appeals against disciplinary measures?

State authority; your comment (optional)

National sports federations; your comment (optional)

International sports federations; your comment (optional)

Independent court of arbitration; your comment (optional)

Court of Arbitration in Sport (CAS); your comment (optional)

Other, please specify : The Cyprus Anti-Doping Appeals Panel (that is an independent panel, established to hear appeals on anti-doping only)

25. Anti-doping rule violations (ADRV)

How many anti-doping rule violations cases were initiated in 2019 and how many of these initiated cases resulted in the imposition of a sanction?

	Initiated cases	Cases that resulted in a sanction	Cases that resulted in no sanction
Presence of a prohibited substance or its Metabolites or markers in an athlete's sample Min numeric value allowed : 0	1	1	0
Use or attempted use by an athlete of a Prohibited substance or a prohibited method Min numeric value allowed : 0	0	0	0
Evading, Refusing or Failing to Submit to Sample Collection Min numeric value allowed : 0	0	0	0
Whereabouts Failures Min numeric value allowed : 0	0	0	0
Tampering or attempted tampering with any part of doping control Min numeric value allowed : 0	0	0	0
Possession of prohibited substances and prohibited methods Min numeric value allowed : 0	0	0	0
Trafficking or attempted trafficking in any prohibited substance or prohibited method Min numeric value allowed : 0	0	0	0
Administration or attempted administration to any athlete of any Prohibited method or prohibited substance Min numeric value allowed : 0	0	0	0
Complicity Min numeric value allowed : 0	0	0	0
Prohibited Association Min numeric value allowed : 0	0	0	0

Data not available

26. Whereabouts failures

How many of the following whereabouts failures have you registered in 2019?

One missed test or filing failure

Any combination of two missed tests and/or filing failures

Data not available

27. Sanctions for doping trafficking

Are there specific penalties or sanctions for illegal circulation of doping substances, in addition to those regulating the movement of medicines and narcotics?

Criminal penalties, please specify Law N. 7(III) of 2009 establishes criminal liability in respect of trafficking of doping substances and methods; criminal penalties include jail time of up to seven years and/or fine not exceeding 50.000 euros

Financial penalties, please specify

Administrative or civil sanctions, please specify Sports persons are subjected to disciplinary sanctions consistent with those provided for in the World Anti-Doping Code and the Cyprus Anti-Doping Rules

Professional disciplinary actions, please specify

None of above, please explain

Not available; your comment (optional)

28. Co-operation with law enforcement agencies

What measures have been taken to improve co-operation with law enforcement agencies in limiting illegal availability of doping substances?

Law, please specify The Cyprus Anti-Doping Law provides that the Cyprus NADO may request and obtain assistance from the law enforcement agencies including the Police. In addition, the Chief of Police is represented in the Cyprus NADO

Agreement, please specify the Cyprus Anti-Doping Authority has signed a Memorandum of Understanding with the Cyprus Customs

Ad hoc activities, please specify

Other, please specify

None; your comment (optional)

29. Statistics on doping trafficking

Do law enforcement agencies share data on the seizure of doping substances with the national anti-doping organisation:

Yes, please specify how many seizures have been reported in 2019: 0

No; your comment (optional)

Other, please specify :

30. Organisation of anti-doping education

Which organisations are involved in coordinating and/or implementing anti-doping education programs?

National anti-doping organisation

Ministry responsible for sport

Ministry responsible for education

Ministry responsible for health

- Other governmental body
- National sport federations
- Regional/municipal sport organisations
- Universities
- Schools
- Sport clubs
- Other bodies

31. Anti-doping education themes

What types of anti-doping message are provided for different target groups?

	elite athletes	young athletes	recreational athletes	sports officials	coaches	medical personnel	school pupils	media	general public	other
National and International Anti-Doping Rules	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>

Applicable whereabouts requirements	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>

32. Nutritional supplements

What measures have been taken to address the problems related to nutritional supplements in sport?

- Restrict availability
- Control of production
- Provide quality assurance
- Comprehensive labelling
- Limit advertising and promotion
- Educational and informational measures
- Other, please specify:

33. Anti-doping research ●

Has any anti-doping research been undertaken or supported?

- Yes; your comment (optional)
- Yes, to a limited extent; your comment (optional)
- No; your comment (optional)

34. Areas of anti-doping research ●

What are the areas of anti-doping research?

- Doping prevention
- Detection methods
- Behavioural and social aspects of doping
- Health consequences of doping
- Physiological and psychological training programmes
- Emerging substances or methods
- Alternative testing methods
- None
- Other; your comment (optional)

35. Publication of anti-doping research ●

How many articles with the results of this research have been published in peer-reviewed scientific journals?

- 0 in 2019; your comment (optional)
- Data not available

36. International agreements ●

Has your country signed any agreements with other Anti-Doping Organizations (ADOs) or agreements on anti-doping with any other organisation or State concerning the following:

	Yes or No; if applicable please explain or upload the document (below)
(a) Sharing of information	Yes (UEFA)

(b) Law enforcement cooperation	Yes (Cyprus Customs)
(c) Athlete Biological Passport sharing or coordination	No
(d) General cooperation	Yes (Greek NADO, Polish NADO)

Data not available

CONSEIL DE L'EUROPE

ADQ

Anti-Doping Questionnaire

Implementation of anti-doping policies in 2019 - Czech Republic

Questionnaire on implementation of anti-doping policies in 2019 0.1

Objective :

In order to implement the requirements of the Article 9 of the Anti-Doping Convention, the online annual questionnaire is ready for collection of data regarding anti-doping policies in 2019.

Instruction :

For detailed instructions please select the links to documentation at the top of the page.

In case you face any problems which would prevent you from filling in the questionnaire, please report it to us by e-mail sport.t-do@coe.int

You are kindly requested to fill in, save and post your country's data for 2019 before 30 April 2020.

Questions :

1. Number of Athletes

Please estimate the number of athletes in the following categories within your country:

international-level athletes (as defined by the World Anti-Doping Code)

Min numeric value allowed : 0

[] your comment (optional)

Data not available

national-level athletes (as defined by the World Anti-Doping Code)

Min numeric value allowed : 0

[] your comment (optional)

Data not available

other athletes (including recreational athletes)

Min numeric value allowed : 0

[] your comment (optional)

Data not available

number of athletes in your national Registered Testing Pool (as defined by the World Anti-Doping Code)

Min numeric value allowed : 0

[35] your comment (optional)

Data not available

number of athletes at the last Summer Olympic games

Min numeric value allowed : 0

[105] your comment (optional)

Data not available

number of athletes at the last Winter Olympic games

Min numeric value allowed : 0

[94] your comment (optional)

Data not available

number of athletes at the last Summer Paralympic games

Min numeric value allowed : 0

[37] your comment (optional)

Data not available

number of athletes at the last Winter Paralympic games

Min numeric value allowed : 0

[21] your comment (optional)

Data not available

2. Doping definition

What is the definition of "Doping in Sport" used in your country?

Council of Europe Anti-Doping Convention. Your comment (optional)

UNESCO International Convention against doping in sport. Your comment (optional)

World Anti-Doping Code. Your comment (optional)

Other, please specify (e.g. national law) :

3. Doping List

Which list of banned pharmacological classes of doping agents and doping methods (i.e. Prohibited List) is implemented in your country?

Prohibited list, as adopted by the Executive Committee of WADA. Your comment (optional)

.....

List of banned pharmacological classes of doping agents and doping methods, as adopted by the Monitoring Group (TDO). Your comment (optional)

Prohibited list, as adopted by the Conference of Parties of the International Convention against Doping in Sport (UNESCO) Your comment (optional)

Other, please specify :

4. Additional doping lists

For the purposes of restricting availability of doping substances are there other lists than those defined in question 4?

Yes, please specify: Annex List to Penal law

No. Your comment (optional)

5. Anti-doping laws

Are there any anti-doping laws in your country?

Anti-doping law. Your comment (optional)

Other formal regulations, please specify:

No. Your comment (optional)

6. National anti-doping organisation (NADO)

What is the legal status of your national anti-doping organisation? Please upload the statutes, if possible

Public authority. Your comment (optional)

Non-governmental organisation. Your comment (optional)

Private company. Your comment (optional)

National Olympic Committee. Your comment (optional)

Other, please specify :

7. NADO activities

Which of the activities below are conducted by your national anti-doping organisation? Please upload the organisational chart, if possible

	Yes. Your comment (optional)	No, please specify which organisation is in charge:
Co-ordination of action by public authorities	<input checked="" type="checkbox"/>	<input type="checkbox"/>
Coordination of the fight against trafficking	<input checked="" type="checkbox"/>	<input type="checkbox"/>
Testing (doping control)	<input checked="" type="checkbox"/>	<input type="checkbox"/>
Results management	<input checked="" type="checkbox"/>	<input type="checkbox"/>
Disciplinary procedures	<input type="checkbox"/>	<input checked="" type="checkbox"/> National sporting bodies
Education and/or information	<input checked="" type="checkbox"/>	<input type="checkbox"/>
Research	<input checked="" type="checkbox"/>	<input type="checkbox"/>

8. Funding of anti-doping program

What was your annual anti-doping budget for the 2019 calendar year?

Min numeric value allowed : 0

[18794000] amountCZKCurrency

Data not available

9. Funding sources

How is the anti-doping program funded? Please select all that apply and indicate an estimate in percentages:

- Government 95%
- National Lottery program %
- National Olympic Committee (NOC) %
- Other Sports Organization(s) %
- Fee for service 5%
- Private %
- Other %

10. Distribution of funding

What percentage of your annual anti-doping budget is put towards the following core programs?

- 10] Testing (including equipment, transportation, Sample Collection Personnel (SCP) fees)
- 45] Sample analysis
- 1] Investigations
- 5] Education
- 0] Research
- 2] Results Management/Legal
- 1] Therapeutic Use Exemptions (TUEs)
- 36] Other (e.g. remuneration, administration)
- Data not available

11. Sport Budget

What amount has been allocated to the sport budget from the state budget for the year 2019?

- 7000000] amount thousands of CZK (7000000000 CZK) currency
- Data not available

12. Limiting public funding to organisations

Is public funding withheld from organisations that do not comply with anti-doping regulations and related legal instruments?

- Yes, all funding is withheld; your comment (optional)
- A limited amount of funding is withheld; your comment (optional)
- No financial implications; your comment (optional)
- Information not available; your comment (optional)

13. Limitation of public funding of persons

Is sport-related financial assistance provided by public authorities withheld from banned athletes or athlete support personnel during the period of their suspension?

- Yes, all funding is withheld; your comment (optional)
- A limited amount of funding is withheld; your comment (optional)
- No; your comment (optional)
- Not applicable (no sport-related financial assistance is provided by public authorities to athletes or support personnel); your comment (optional)
- Information not available; your comment (optional)

14. Testing programme

Does your country have a national testing programme?

- Yes
- No, please explain

15. Elements of the Testing Program

What elements of the testing program are implemented by the national anti-doping organisation?

- Risk Assessment and Test Distribution Planning (TDP)
- Registered Testing Pool
- Random selection of athletes
- Targeted selection of athletes
- In-competition testing
- Out-of-competition testing
- No-advance notice testing
- Blood testing
- Athlete Biological Passport (ABP) modules
- Other elements, please specify
- If some elements are implemented by another body, please specify which body

16. Quality certificate

Is your NADO or part of its procedures certified according to a quality standard (such as ISO, iNADO or any other quality assurance system)?

- Yes, please specify which standard, its scope and validity: SN EN ISO 9001:2016
- In progress, please specify
- No; your comment (optional)

17. NADO staff

Please outline below how many staff are involved in the coordination and management of your anti-doping programs.

Min numeric value allowed : 0

[8] Staff full time

[0] Staff part time

[50] Volunteers

[23] Committee members

[] Data not available

18. Sample Collection Personnel

Do you have Sample Collection Personnel (SCP) ?

Yes

No, please explain

19. Number of DCOs and BCOs

How many Doping Control Officers (DCOs), Blood Control Officers (BCOs) and chaperones are in your sample collection personnel program?

Min numeric value allowed : 0

[62] DCOs; your comment (optional)

[12] BCOs; your comment (optional)

[0] Chaperones; your comment (optional)we use external chaperons

[] Data not available

20. Laboratory

Is there a doping control laboratory in your country?

Yes, accredited by WADA

Yes, but accreditation by WADA is pending

Accredited by WADA for athlete biological passport

No, we send samples to the WADA accredited laboratories in:Kreischa, Germany(city)

Not available

21. Testing statistics

How many samples were collected under your national testing program in the year 2019?

Urine	Blood (including ABP)
-------	-----------------------

In-competition testing Min numeric value allowed : 0	987	2
Out-of-competition testing Min numeric value allowed : 0	366	156

[] Data not available

22. Testing abroad

Did you test athletes under your authority who reside or train abroad (directly or by subcontracting another ADO)?

- (X) Yes; your comment (optional)
- () Not in 2019, but we have authorisation to do so; your comment (optional)
- () No, we do not have authorisation to do so; your comment (optional)

23. Disciplinary system

What are the disciplinary bodies for doping offences, i.e. the main body imposing sanctions on athletes and other persons?

	–	–
State authority	No	No
NADO	No	No
NOC	No	No
National sport federations	Yes	Yes
international sport federations	Yes	Yes
Independent disciplinary body	No	No
Professional associations	No	Yes
Other, please specify	No	No

24. Appeals system

What is the body handling appeals against disciplinary measures?

- () State authority; your comment (optional)
- (X) National sports federations; your comment (optional)
- () International sports federations; your comment (optional)
- () Independent court of arbitration; your comment (optional)
- () Court of Arbitration in Sport (CAS); your comment (optional)
- () Other, please specify :

25. Anti-doping rule violations (ADRV)

How many anti-doping rule violations cases were initiated in 2019 and how many of these initiated cases resulted in the imposition of a sanction?

	Initiated cases	Cases that resulted in a sanction	Cases that resulted in no sanction
Presence of a prohibited substance or its Metabolites or markers in an athlete's sample Min numeric value allowed : 0	17	17	0
Use or attempted use by an athlete of a Prohibited substance or a prohibited method Min numeric value allowed : 0	0	0	0
Evading, Refusing or Failing to Submit to Sample Collection Min numeric value allowed : 0	11	11	0
Whereabouts Failures Min numeric value allowed : 0	0	0	0
Tampering or attempted tampering with any part of doping control Min numeric value allowed : 0	0	0	0
Possession of prohibited substances and prohibited methods Min numeric value allowed : 0	0	0	0
Trafficking or attempted trafficking in any prohibited substance or prohibited method Min numeric value allowed : 0	0	0	0
Administration or attempted administration to any athlete of any Prohibited method or prohibited substance Min numeric value allowed : 0	0	0	0
Complicity Min numeric value allowed : 0	0	0	0
Prohibited Association Min numeric value allowed : 0	0	0	0

Data not available

26. Whereabouts failures

How many of the following whereabouts failures have you registered in 2019?

One missed test or filing failure

Any combination of two missed tests and/or filing failures

Data not available

27. Sanctions for doping trafficking

Are there specific penalties or sanctions for illegal circulation of doping substances, in addition to those regulating the movement of medicines and narcotics?

- Criminal penalties, please specify Penal Code § 286-288
- Financial penalties, please specify
- Administrative or civil sanctions, please specify
- Professional disciplinary actions, please specify
- None of above, please explain
- Not available; your comment (optional)

28. Co-operation with law enforcement agencies

What measures have been taken to improve co-operation with law enforcement agencies in limiting illegal availability of doping substances?

- Law, please specify
- Agreement, please specify
- Ad hoc activities, please specify Cooperation with Police-National Anti-Drug headquarters, Customs
- Other, please specify
- None; your comment (optional)

29. Statistics on doping trafficking

Do law enforcement agencies share data on the seizure of doping substances with the national anti-doping organisation:

- Yes, please specify how many seizures have been reported in 2019:
- No; your comment (optional)
- Other, please specify :

30. Organisation of anti-doping education

Which organisations are involved in coordinating and/or implementing anti-doping education programs?

- National anti-doping organisation
- Ministry responsible for sport
- Ministry responsible for education
- Ministry responsible for health
- Other governmental body
- National sport federations
- Regional/municipal sport organisations
- Universities
- Schools
- Sport clubs
- Other bodies

31. Anti-doping education themes

What types of anti-doping message are provided for different target groups?

	elite athletes	young athletes	recreational athletes	sports officials	coaches	medical personnel	school pupils	media	general public	other
National and International Anti-Doping Rules	[X]	[X]	[]	[X]	[X]	[X]	[]	[X]	[]	[]

Applicable whereabouts requirements	[X]	[]	[]	[X]	[X]	[]	[]	[X]	[]	[]

32. Nutritional supplements

What measures have been taken to address the problems related to nutritional supplements in sport?

- [] Restrict availability
- [] Control of production
- [] Provide quality assurance
- [] Comprehensive labelling
- [] Limit advertising and promotion
- [X] Educational and informational measures
- [] Other, please specify:

33. Anti-doping research

Has any anti-doping research been undertaken or supported?

- Yes; your comment (optional)
- Yes, to a limited extent; your comment (optional)
- No; your comment (optional)

34. Areas of anti-doping research

What are the areas of anti-doping research?

- Doping prevention
- Detection methods
- Behavioural and social aspects of doping
- Health consequences of doping
- Physiological and psychological training programmes
- Emerging substances or methods
- Alternative testing methods
- None
- Other; your comment (optional)

35. Publication of anti-doping research

How many articles with the results of this research have been published in peer-reviewed scientific journals?

- [] in 2019; your comment (optional)
- Data not available

36. International agreements

Has your country signed any agreements with other Anti-Doping Organizations (ADOs) or agreements on anti-doping with any other organisation or State concerning the following:

	Yes or No; if applicable please explain or upload the document (below)
(a) Sharing of information	No
(b) Law enforcement cooperation	No
(c) Athlete Biological Passport sharing or coordination	Yes
(d) General cooperation	Yes, testing agreement with WADA, CCES and UEFA

[] Other, please specify (e.g. national law) :

3. Doping List

Which list of banned pharmacological classes of doping agents and doping methods (i.e. Prohibited List) is implemented in your country?

[X] Prohibited list, as adopted by the Executive Committee of WADA. Your comment (optional)

.....

[] List of banned pharmacological classes of doping agents and doping methods, as adopted by the Monitoring Group (TDO). Your comment (optional)

[] Prohibited list, as adopted by the Conference of Parties of the International Convention against Doping in Sport (UNESCO) Your comment (optional)

[] Other, please specify :

4. Additional doping lists

For the purposes of restricting availability of doping substances are there other lists than those defined in question 4?

(X) Yes, please specify: Act on the prohibition of certain doping substances - for fitness athletes

() No. Your comment (optional)

5. Anti-doping laws

Are there any anti-doping laws in your country?

[X] Anti-doping law. Your comment (optional) Act on promotion of integrity in sport; act on prohibition of certain doping substances

[] Other formal regulations, please specify:

[] No. Your comment (optional)

6. National anti-doping organisation (NADO) 

What is the legal status of your national anti-doping organisation? Please upload the statutes, if possible

- Public authority. Your comment (optional) Anti Doping Denmark
- Non-governmental organisation. Your comment (optional)
- Private company. Your comment (optional)
- National Olympic Committee. Your comment (optional)
- Other, please specify :

7. NADO activities 

Which of the activities below are conducted by your national anti-doping organisation? Please upload the organisational chart, if possible

	Yes. Your comment (optional)	No, please specify which organisation is in charge:
Co-ordination of action by public authorities	<input checked="" type="checkbox"/>	<input type="checkbox"/>
Coordination of the fight against trafficking	<input checked="" type="checkbox"/>	<input type="checkbox"/>
Testing (doping control)	<input checked="" type="checkbox"/>	<input type="checkbox"/>
Results management	<input checked="" type="checkbox"/>	<input type="checkbox"/>
Disciplinary procedures	<input type="checkbox"/>	<input checked="" type="checkbox"/> NOC Doping Tribunal and Appeals Commission
Education and/or information	<input checked="" type="checkbox"/>	<input type="checkbox"/>
Research	<input checked="" type="checkbox"/>	<input type="checkbox"/>

8. Funding of anti-doping program 

What was your annual anti-doping budget for the 2019 calendar year?

Min numeric value allowed : 0

[29575000] amountDKK Currency

[] Data not available

9. Funding sources 

How is the anti-doping program funded? Please select all that apply and indicate an estimate in percentages:

- Government 98%
- National Lottery program %
- National Olympic Committee (NOC) %
- Other Sports Organization(s) %

- Fee for service 2%
- Private %
- Other %

10. Distribution of funding 

What percentage of your annual anti-doping budget is put towards the following core programs?

- Testing (including equipment, transportation, Sample Collection Personnel (SCP) fees)
- Sample analysis
- Investigations
- Education
- Research
- Results Management/Legal
- Therapeutic Use Exemptions (TUEs)
- Other (e.g. remuneration, administration) Administration, IT, management etc.
- Data not available

11. Sport Budget 

What amount has been allocated to the sport budget from the state budget for the year 2019?

- 100000000 amount EUR currency
- Data not available

12. Limiting public funding to organisations 

Is public funding withheld from organisations that do not comply with anti-doping regulations and related legal instruments?

- Yes, all funding is withheld; your comment (optional)
- A limited amount of funding is withheld; your comment (optional)
- No financial implications; your comment (optional)
- Information not available; your comment (optional)

13. Limitation of public funding of persons 

Is sport-related financial assistance provided by public authorities withheld from banned athletes or athlete support personnel during the period of their suspension?

- Yes, all funding is withheld; your comment (optional)
- A limited amount of funding is withheld; your comment (optional)
- No; your comment (optional)
- Not applicable (no sport-related financial assistance is provided by public authorities to athletes or support personnel); your

comment (optional)

Information not available; your comment (optional)

14. Testing programme ●

Does your country have a national testing programme?

Yes

No, please explain

15. Elements of the Testing Program ●

What elements of the testing program are implemented by the national anti-doping organisation?

Risk Assessment and Test Distribution Planning (TDP)

Registered Testing Pool

Random selection of athletes

Targeted selection of athletes

In-competition testing

Out-of-competition testing

No-advance notice testing

Blood testing

Athlete Biological Passport (ABP) modules

Other elements, please specifyNON-WADA testing in fitness and recreational sports outside NOC

If some elements are implemented by another body, please specify which body

16. Quality certificate ●

Is your NADO or part of its procedures certified according to a quality standard (such as ISO, iNADO or any other quality assurance system)?

Yes, please specify which standard, its scope and validity:

In progress, please specify

No; your comment (optional)ADD has employed its own quality assurance manager

17. NADO staff ●

Please outline below how many staff are involved in the coordination and management of your anti-doping programs.

Min numeric value allowed : 0

17] Staff full time

40] Staff part time

0] Volunteers

6] Committee members

Data not available

18. Sample Collection Personnel

Do you have Sample Collection Personnel (SCP) ?

 Yes No, please explain

19. Number of DCOs and BCOs

How many Doping Control Officers (DCOs), Blood Control Officers (BCOs) and chaperones are in your sample collection personnel program?

Min numeric value allowed : 0

[24] DCOs; your comment (optional)

[7] BCOs; your comment (optional)

[0] Chaperones; your comment (optional)

[] Data not available

20. Laboratory

Is there a doping control laboratory in your country?

 Yes, accredited by WADA Yes, but accreditation by WADA is pending Accredited by WADA for athlete biological passport No, we send samples to the WADA accredited laboratories in:Oslo(city) Not available

21. Testing statistics

How many samples were collected under your national testing program in the year 2019?

	Urine	Blood (including ABP)
In-competition testing Min numeric value allowed : 0	690	25
Out-of-competition testing Min numeric value allowed : 0	852	461

[] Data not available

22. Testing abroad

Did you test athletes under your authority who reside or train abroad (directly or by subcontracting another ADO)?

 Yes; your comment (optional) Not in 2019, but we have authorisation to do so; your comment (optional) No, we do not have authorisation to do so; your comment (optional)

23. Disciplinary system

What are the disciplinary bodies for doping offences, i.e. the main body imposing sanctions on athletes and other persons?

	–	–
State authority	no	no
NADO	no	no
NOC	no	no
National sport federations	no	no
international sport federations	no	no
Independent disciplinary body	yes	yes
Professional associations	no	no
Other, please specify	no	no

24. Appeals system

What is the body handling appeals against disciplinary measures?

- State authority; your comment (optional)
- National sports federations; your comment (optional)
- International sports federations; your comment (optional)
- Independent court of arbitration; your comment (optional)
- Court of Arbitration in Sport (CAS); your comment (optional)if applicable
- Other, please specify : NOC Appeals Commission

25. Anti-doping rule violations (ADRV)

How many anti-doping rule violations cases were initiated in 2019 and how many of these initiated cases resulted in the imposition of a sanction?

	Initiated cases	Cases that resulted in a sanction	Cases that resulted in no sanction
Presence of a prohibited substance or its Metabolites or markers in an athlete's sample Min numeric value allowed : 0	8	8	0
Use or attempted use by an athlete of a Prohibited substance or a prohibited method Min numeric value allowed : 0	2	2	0

Evading, Refusing or Failing to Submit to Sample Collection Min numeric value allowed : 0	1	1	0
Whereabouts Failures Min numeric value allowed : 0	0	0	0
Tampering or attempted tampering with any part of doping control Min numeric value allowed : 0	0	0	0
Possession of prohibited substances and prohibited methods Min numeric value allowed : 0	0	0	0
Trafficking or attempted trafficking in any prohibited substance or prohibited method Min numeric value allowed : 0	0	0	0
Administration or attempted administration to any athlete of any Prohibited method or prohibited substance Min numeric value allowed : 0	1	1	0
Complicity Min numeric value allowed : 0	0	0	0
Prohibited Association Min numeric value allowed : 0	0	0	0

Data not available

26. Whereabouts failures

How many of the following whereabouts failures have you registered in 2019?

- [16] One missed test or filing failure
- [1] Any combination of two missed tests and/or filing failures
- [] Data not available

27. Sanctions for doping trafficking

Are there specific penalties or sanctions for illegal circulation of doping substances, in addition to those regulating the movement of medicines and narcotics?

- [X] Criminal penalties, please specify Act on prohibition of certain doping substances, prison or fines
- [] Financial penalties, please specify
- [] Administrative or civil sanctions, please specify
- [] Professional disciplinary actions, please specify
- [] None of above, please explain
- [] Not available; your comment (optional)

28. Co-operation with law enforcement agencies

What measures have been taken to improve co-operation with law enforcement agencies in limiting illegal availability of doping substances?

- Law, please specify Act on prohibition of certain doping substances
- Agreement, please specify Cooperation agreement between NADO and national police
- Ad hoc activities, please specify Regular cooperation meetings NADO/national police
- Other, please specify
- None; your comment (optional)

29. Statistics on doping trafficking ●

Do law enforcement agencies share data on the seizure of doping substances with the national anti-doping organisation:

- Yes, please specify how many seizures have been reported in 2019:
- No; your comment (optional) Not automatically, however there is cooperation between NADO and national police about specific cases
- Other, please specify :

30. Organisation of anti-doping education ●

Which organisations are involved in coordinating and/or implementing anti-doping education programs?

- National anti-doping organisation
- Ministry responsible for sport
- Ministry responsible for education
- Ministry responsible for health
- Other governmental body
- National sport federations
- Regional/municipal sport organisations
- Universities
- Schools
- Sport clubs
- Other bodies

31. Anti-doping education themes ●

What types of anti-doping message are provided for different target groups?

	elite athletes	young athletes	recreational athletes	sports officials	coaches	medical personnel	school pupils	media	general public	other
National and International Anti-Doping Rules	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Harm of doping to the spirit of sport	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>

32. Nutritional supplements

What measures have been taken to address the problems related to nutritional supplements in sport?

- Restrict availability
- Control of production
- Provide quality assurance
- Comprehensive labelling
- Limit advertising and promotion
- Educational and informational measures
- Other, please specify: Cooperation between food authority and NADO

33. Anti-doping research

Has any anti-doping research been undertaken or supported?

- Yes; your comment (optional)
- Yes, to a limited extent; your comment (optional)
- No; your comment (optional)

34. Areas of anti-doping research

What are the areas of anti-doping research?

- Doping prevention

- Detection methods
- Behavioural and social aspects of doping
- Health consequences of doping
- Physiological and psychological training programmes
- Emerging substances or methods
- Alternative testing methods
- None
- Other; your comment (optional)

35. Publication of anti-doping research ●

How many articles with the results of this research have been published in peer-reviewed scientific journals?

- 1 in 2019; your comment (optional)
- Data not available

36. International agreements ●

Has your country signed any agreements with other Anti-Doping Organizations (ADOs) or agreements on anti-doping with any other organisation or State concerning the following:

	Yes or No; if applicable please explain or upload the document (below)
(a) Sharing of information	yes
(b) Law enforcement cooperation	yes
(c) Athlete Biological Passport sharing or coordination	yes
(d) General cooperation	yes

Data not available

CONSEIL DE L'EUROPE

ADQ
Anti-Doping Questionnaire

Implementation of anti-doping policies in 2019 - Estonia

Questionnaire on implementation of anti-doping policies in 2019 0.1

Objective :

In order to implement the requirements of the Article 9 of the Anti-Doping Convention, the online annual questionnaire is ready for collection of data regarding anti-doping policies in 2019.

Instruction :

For detailed instructions please select the links to documentation at the top of the page.

In case you face any problems which would prevent you from filling in the questionnaire, please report it to us by e-mail sport.t-do@coe.int

You are kindly requested to fill in, save and post your country's data for 2019 before 30 April 2020.

Questions :

1. Number of Athletes 

Please estimate the number of athletes in the following categories within your country:

international-level athletes (as defined by the World Anti-Doping Code)

Min numeric value allowed : 0

[200] your comment (optional) supported by NOC and/or by NF

[] Data not available

national-level athletes (as defined by the World Anti-Doping Code)

Min numeric value allowed : 0

[2000] your comment (optional) There is 20775 single participation in EST championships by adult and 34406 bay youth and juniors

[] Data not available

other athletes (including recreational athletes)

Min numeric value allowed : 0

[186000] your comment (optional) participants in sport clubs, but by survey there is about 23% of people, who have taken part in recreational sport

[] Data not available

number of athletes in your national Registered Testing Pool (as defined by the World Anti-Doping Code)

Min numeric value allowed : 0

[36] your comment (optional) National RTP, plus EST Athletes in IF RTPs

[] Data not available

number of athletes at the last Summer Olympic games

Min numeric value allowed : 0

[47] your comment (optional) in 13 sport

[] Data not available

number of athletes at the last Winter Olympic games

Min numeric value allowed : 0

[22] your comment (optional) in 6 sport

[] Data not available

number of athletes at the last Summer Paralympic games

Min numeric value allowed : 0

[6] your comment (optional)

[] Data not available

number of athletes at the last Winter Paralympic games

Min numeric value allowed : 0

[0] your comment (optional)

[] Data not available

2. Doping definition

What is the definition of "Doping in Sport" used in your country?

[] Council of Europe Anti-Doping Convention. Your comment (optional)

[] UNESCO International Convention against doping in sport. Your comment (optional)

[X] World Anti-Doping Code. Your comment (optional) On the basis of WADAC we have own National Anti-doping rules in Estonian

[] Other, please specify (e.g. national law) :

3. Doping List

Which list of banned pharmacological classes of doping agents and doping methods (i.e. Prohibited List) is implemented in your country?

[X] Prohibited list, as adopted by the Executive Committee of WADA. Your comment (optional) As NADO we follow WADA Guidelines

[] List of banned pharmacological classes of doping agents and doping methods, as adopted by the Monitoring Group (TDO). Your comment (optional)

[] Prohibited list, as adopted by the Conference of Parties of the International Convention against Doping in Sport (UNESCO) Your comment (optional)

[] Other, please specify :

4. Additional doping lists

For the purposes of restricting availability of doping substances are there other lists than those defined in question 4?

(X) Yes, please specify: Recently, agreement has been made between EADA and Tax Custom Office that the latter would possible trafficking of synthetic Nboolic steroids and its derivates, testisterone and its derivates, growth hormones, EPO

() No. Your comment (optional)

5. Anti-doping laws

Are there any anti-doping laws in your country?

[] Anti-doping law. Your comment (optional)

[X] Other formal regulations, please specify: Sport Act, Penal Code

[] No. Your comment (optional)

6. National anti-doping organisation (NADO)

What is the legal status of your national anti-doping organisation? Please upload the statutes, if possible

() Public authority. Your comment (optional)

(X) Non-governmental organisation. Your comment (optional) EADA is foundation, founded by NOC 2007. There is in September 2019 founded by NOC new foundation with more large activities (antidoping, matchfixing, violence/harrasment, safety of spectators etc). In year 2020 two foundation will merge under the name Estonian Center for Integrity in Sports - ESTCIS

- Private company. Your comment (optional)
- National Olympic Committee. Your comment (optional)
- Other, please specify :

7. NADO activities

Which of the activities below are conducted by your national anti-doping organisation? Please upload the organisational chart, if possible

	Yes. Your comment (optional)	No, please specify which organisation is in charge:
Co-ordination of action by public authorities	<input checked="" type="checkbox"/> Mostly Ministry of Culture of Estonia	<input type="checkbox"/>
Coordination of the fight against trafficking	<input checked="" type="checkbox"/> Cooperation with Police Forces and Tac Custom Office	<input type="checkbox"/>
Testing (doping control)	<input checked="" type="checkbox"/> One of main activities of EADA	<input type="checkbox"/>
Results management	<input checked="" type="checkbox"/> not enough labor power for excellent RM	<input type="checkbox"/>
Disciplinary procedures	<input checked="" type="checkbox"/> There is separate Commission, founded by NOC Statues	<input type="checkbox"/>
Education and/or information	<input checked="" type="checkbox"/> one of main activities of EADA	<input type="checkbox"/>
Research	<input checked="" type="checkbox"/> unfortunately not enough active, there is until no specified Reachers on AD field in Estonia	<input type="checkbox"/>

 Organizational Chart of EADA.pdf

8. Funding of anti-doping program

What was your annual anti-doping budget for the 2019 calendar year?

Min numeric value allowed : 0

[400000] amountEURCurrency

[] Data not available

9. Funding sources

How is the anti-doping program funded? Please select all that apply and indicate an estimate in percentages:

- Government 34%
- National Lottery program %
- National Olympic Committee (NOC) 45%
- Other Sports Organization(s) %
- Fee for service 20%
- Private %
- Other 1%

10. Distribution of funding 

What percentage of your annual anti-doping budget is put towards the following core programs?

- [24] Testing (including equipment, transportation, Sample Collection Personnel (SCP) fees)
- [26] Sample analysis
- [1] Investigations
- [2] Education
- [0] Research
- [1] Results Management/Legal
- [1] Therapeutic Use Exemptions (TUEs)
- [45] Other (e.g. remuneration, administration) Office, salaries, travel etc
- [] Data not available

11. Sport Budget 

What amount has been allocated to the sport budget from the state budget for the year 2019?

- [37400000] amountEURcurrency
- [] Data not available

12. Limiting public funding to organisations 

Is public funding withheld from organisations that do not comply with anti-doping regulations and related legal instruments?

- () Yes, all funding is withheld; your comment (optional)
- (X) A limited amount of funding is withheld; your comment (optional) EADA evaluates the cooperation of sports federations in the field of AD and gives this information to the Ministry of Culture and this is taken into account in planning of support to federation
- () No financial implications; your comment (optional)
- () Information not available; your comment (optional)

13. Limitation of public funding of persons 

Is sport-related financial assistance provided by public authorities withheld from banned athletes or athlete support personnel during the period of their suspension?

- (X) Yes, all funding is withheld; your comment (optional) yes, it is regulated by the Sports Act
- () A limited amount of funding is withheld; your comment (optional)
- () No; your comment (optional)
- () Not applicable (no sport-related financial assistance is provided by public authorities to athletes or support personnel); your comment (optional)
- () Information not available; your comment (optional)

14. Testing programme 

Does your country have a national testing programme?

Yes

No, please explain

15. Elements of the Testing Program 

What elements of the testing program are implemented by the national anti-doping organisation?

Risk Assessment and Test Distribution Planning (TDP)

Registered Testing Pool

Random selection of athletes

Targeted selection of athletes

In-competition testing

Out-of-competition testing

No-advance notice testing

Blood testing

Athlete Biological Passport (ABP) modules

Other elements, please specify

If some elements are implemented by another body, please specify which body EADA has a cooperation agreement with NAPMU for the analysis of athletes' blood and hormone passports

16. Quality certificate 

Is your NADO or part of its procedures certified according to a quality standard (such as ISO, iNADO or any other quality assurance system)?

Yes, please specify which standard, its scope and validity: EADA is compliant with the recent WADA's compliance exercise

In progress, please specify

No; your comment (optional)

17. NADO staff 

Please outline below how many staff are involved in the coordination and management of your anti-doping programs.

Min numeric value allowed : 0

3 Staff full time

15 Staff part time

25 Volunteers

14 Committee members

Data not available

18. Sample Collection Personnel 

Do you have Sample Collection Personnel (SCP) ?

Yes

No, please explain

19. Number of DCOs and BCOs

How many Doping Control Officers (DCOs), Blood Control Officers (BCOs) and chaperones are in your sample collection personnel program?

Min numeric value allowed : 0

[11] DCOs; your comment (optional)there is enough number of DCOs

[3] BCOs; your comment (optional)need is to have one more BCO, preferably male

[25] Chaperones; your comment (optional)chaperones are mostly related to their sport and are not available in all tests

[] Data not available

20. Laboratory

Is there a doping control laboratory in your country?

Yes, accredited by WADA

Yes, but accreditation by WADA is pending

Accredited by WADA for athlete biological passport

No, we send samples to the WADA accredited laboratories in:Dresden/Kreischa(city)

Not available

21. Testing statistics

How many samples were collected under your national testing program in the year 2019?

	Urine	Blood (including ABP)
In-competition testing Min numeric value allowed : 0	271	11
Out-of-competition testing Min numeric value allowed : 0	165	134

[] Data not available

22. Testing abroad

Did you test athletes under your authority who reside or train abroad (directly or by subcontracting another ADO)?

Yes; your comment (optional)We used services of PWC, IDTM, CAN and TUR NADOs

Not in 2019, but we have authorisation to do so; your comment (optional)

No, we do not have authorisation to do so; your comment (optional)

23. Disciplinary system

What are the disciplinary bodies for doping offences, i.e. the main body imposing sanctions on athletes and other persons?

	–	–
State authority	yes, if there is Penal Code cases	yes, if there is Penal Code cases
NADO	no	no
NOC	no	no
National sport federations	no	no
international sport federations	yes, if the case is subject to IF	yes, if the case is subject to IF
Independent disciplinary body	yes, appointed by NOC	yes, appointed by NOC
Professional associations	no	no
Other, please specify	no	no

24. Appeals system

What is the body handling appeals against disciplinary measures?

- () State authority; your comment (optional) yes, only in case of Penal Code cases
- () National sports federations; your comment (optional) no
- () International sports federations; your comment (optional) yes, only if case is subject of IF
- (X) Independent court of arbitration; your comment (optional) Founded by NOC
- () Court of Arbitration in Sport (CAS); your comment (optional)
- () Other, please specify :

25. Anti-doping rule violations (ADRV)

How many anti-doping rule violations cases were initiated in 2019 and how many of these initiated cases resulted in the imposition of a sanction?

	Initiated cases	Cases that resulted in a sanction	Cases that resulted in no sanction
Presence of a prohibited substance or its Metabolites or markers in an athlete's sample Min numeric value allowed : 0	4	1	0
Use or attempted use by an athlete of a Prohibited substance or a prohibited method Min numeric value allowed : 0	1	1	0
Evading, Refusing or Failing to Submit to Sample Collection Min numeric value allowed : 0	1	1	0

Whereabouts Failures Min numeric value allowed : 0	0	0	0
Tampering or attempted tampering with any part of doping control Min numeric value allowed : 0	0	0	0
Possession of prohibited substances and prohibited methods Min numeric value allowed : 0	0	0	0
Trafficking or attempted trafficking in any prohibited substance or prohibited method Min numeric value allowed : 0	0	0	0
Administration or attempted administration to any athlete of any Prohibited method or prohibited substance Min numeric value allowed : 0	0	0	0
Complicity Min numeric value allowed : 0	0	0	0
Prohibited Association Min numeric value allowed : 0	0	0	0

Data not available

26. Whereabouts failures

How many of the following whereabouts failures have you registered in 2019?

- [21] One missed test or filing failure
- [4] Any combination of two missed tests and/or filing failures
- [] Data not available

27. Sanctions for doping trafficking

Are there specific penalties or sanctions for illegal circulation of doping substances, in addition to those regulating the movement of medicines and narcotics?

- [] Criminal penalties, please specify
- [] Financial penalties, please specify
- [] Administrative or civil sanctions, please specify
- [] Professional disciplinary actions, please specify
- [] None of above, please explain
- [X] Not available; your comment (optional)

28. Co-operation with law enforcement agencies

What measures have been taken to improve co-operation with law enforcement agencies in limiting illegal availability of doping substances?

- [X] Law, please specify Doping Criminalization Roundtable with the Prosecutor's Office, the Ministry of Justice, the Ministry of

Culture and the Olympic Committee

- Agreement, please specify
- Ad hoc activities, please specify Information exchange from time to time
- Other, please specify
- None; your comment (optional)

29. Statistics on doping trafficking ●

Do law enforcement agencies share data on the seizure of doping substances with the national anti-doping organisation:

- Yes, please specify how many seizures have been reported in 2019:
- No; your comment (optional) unfortunately not, only decisions on misdemeanors that have entered into force are divided anonymously, not by names
- Other, please specify :

30. Organisation of anti-doping education ●

Which organisations are involved in coordinating and/or implementing anti-doping education programs?

- National anti-doping organisation
- Ministry responsible for sport
- Ministry responsible for education
- Ministry responsible for health
- Other governmental body
- National sport federations
- Regional/municipal sport organisations
- Universities
- Schools
- Sport clubs
- Other bodiesNOC

31. Anti-doping education themes ●

What types of anti-doping message are provided for different target groups?

	elite athletes	young athletes	recreational athletes	sports officials	coaches	medical personnel	school pupils	media	general public	other
National and International Anti-Doping Rules	[X]	[X]	[X]	[X]	[X]	[X]	[X]	[X]	[X]	[]
Harm of doping to the spirit of sport	[X]	[X]	[X]	[X]	[]	[X]	[X]	[X]	[X]	[]

Applicable whereabouts requirements	[X]	[]	[]	[X]	[X]	[]	[]	[]	[]	[]

32. Nutritional supplements

What measures have been taken to address the problems related to nutritional supplements in sport?

- Restrict availability
- Control of production
- Provide quality assurance
- Comprehensive labelling
- Limit advertising and promotion
- Educational and informational measures
- Other, please specify: According to the Estonian Food Act, food supplements and their marketing must comply with certain conditions

33. Anti-doping research

Has any anti-doping research been undertaken or supported?

- Yes; your comment (optional)
- Yes, to a limited extent; your comment (optional)Some graduation thesis in Universities, unfortunately there are no specialized Researcher in Anti-Doping field
- No; your comment (optional)

34. Areas of anti-doping research

What are the areas of anti-doping research?

- Doping prevention
- Detection methods
- Behavioural and social aspects of doping
- Health consequences of doping
- Physiological and psychological training programmes
- Emerging substances or methods
- Alternative testing methods
- None
- Other; your comment (optional)

35. Publication of anti-doping research

How many articles with the results of this research have been published in peer-reviewed scientific journals?

- 1 in 2019; your comment (optional) In the EOK magazine Movement and Sport
- Data not available

36. International agreements

Has your country signed any agreements with other Anti-Doping Organizations (ADOs) or agreements on anti-doping with any other organisation or State concerning the following:

	Yes or No; if applicable please explain or upload the document (below)
(a) Sharing of information	No
(b) Law enforcement cooperation	No
(c) Athlete Biological Passport sharing or coordination	Yes, NAPMU
(d) General cooperation	2 - LAT, FIN

- Data not available

Objective :

In order to implement the requirements of the Article 9 of the Anti-Doping Convention, the online annual questionnaire is

ready for collection of data regarding anti-doping policies in 2019.

Instruction :

For detailed instructions please select the links to documentation at the top of the page.

In case you face any problems which would prevent you from filling in the questionnaire, please report it to us by e-mail sport.t-do@coe.int

You are kindly requested to fill in, save and post your country's data for 2019 before 30 April 2020.

Questions :

1. Number of Athletes

Please estimate the number of athletes in the following categories within your country:

international-level athletes (as defined by the World Anti-Doping Code)

Min numeric value allowed : 0

[300] your comment (optional)

Data not available

national-level athletes (as defined by the World Anti-Doping Code)

Min numeric value allowed : 0

[30000] your comment (optional)

Data not available

other athletes (including recreational athletes)

Min numeric value allowed : 0

[2000000] your comment (optional)

Data not available

number of athletes in your national Registered Testing Pool (as defined by the World Anti-Doping Code)

Min numeric value allowed : 0

[120] your comment (optional)

Data not available

number of athletes at the last Summer Olympic games

Min numeric value allowed : 0

[54] your comment (optional)

Data not available

number of athletes at the last Winter Olympic games

Min numeric value allowed : 0

[101] your comment (optional)

Data not available

number of athletes at the last Summer Paralympic games

Min numeric value allowed : 0

[26] your comment (optional)

Data not available

number of athletes at the last Winter Paralympic games

Min numeric value allowed : 0

[13] your comment (optional)

[] Data not available

2. Doping definition

What is the definition of "Doping in Sport" used in your country?

[X] Council of Europe Anti-Doping Convention. Your comment (optional)

[X] UNESCO International Convention against doping in sport. Your comment (optional)

[X] World Anti-Doping Code. Your comment (optional)

[] Other, please specify (e.g. national law) :

3. Doping List

Which list of banned pharmacological classes of doping agents and doping methods (i.e. Prohibited List) is implemented in your country?

[X] Prohibited list, as adopted by the Executive Committee of WADA. Your comment (optional)

.....

[] List of banned pharmacological classes of doping agents and doping methods, as adopted by the Monitoring Group (TDO). Your comment (optional)

[] Prohibited list, as adopted by the Conference of Parties of the International Convention against Doping in Sport (UNESCO) Your comment (optional)

[] Other, please specify :

4. Additional doping lists

For the purposes of restricting availability of doping substances are there other lists than those defined in question 4?

(X) Yes, please specify: Criminal Code: Doping agents according to the Criminal code are: •synthetic anabolic steroids and their derivatives •testosterone and its derivatives •growth hormones and •chemical substances that increase the production of testosterone, its derivatives or growth hormone in the human body. The Finnish Criminal Code prohibits the illegal manufacturing, import and distribution of doping agents and their possession with the purpose of dissemination.

() No. Your comment (optional)

Attachments

 Criminal Code : <http://www.finlex.fi/fi/laki/kaannokset/1889/en18890039.pdf>

5. Anti-doping laws

Are there any anti-doping laws in your country?

[X] Anti-doping law. Your comment (optional) import and dissemination of doping agents is regulated by Chapter 44 of the Finnish Criminal Code. The use of doping agents is also subject to the Medicines Act and the regulations of the Criminal Code on smuggling, unlawful dealing in imported goods and narcotic agents.

[] Other formal regulations, please specify:

[] No. Your comment (optional)

6. National anti-doping organisation (NADO)

What is the legal status of your national anti-doping organisation? Please upload the statutes, if possible

- Public authority. Your comment (optional)
- Non-governmental organisation. Your comment (optional)
- Private company. Your comment (optional)
- National Olympic Committee. Your comment (optional)
- Other, please specify :

7. NADO activities

Which of the activities below are conducted by your national anti-doping organisation? Please upload the organisational chart, if possible

	Yes. Your comment (optional)	No, please specify which organisation is in charge:
Co-ordination of action by public authorities	<input type="checkbox"/>	<input checked="" type="checkbox"/> Ministry of Education and Culture
Coordination of the fight against trafficking	<input type="checkbox"/>	<input checked="" type="checkbox"/> Custom
Testing (doping control)	<input checked="" type="checkbox"/>	<input type="checkbox"/>
Results management	<input checked="" type="checkbox"/>	<input type="checkbox"/>
Disciplinary procedures	<input type="checkbox"/>	<input checked="" type="checkbox"/> National federation
Education and/or information	<input checked="" type="checkbox"/>	<input type="checkbox"/>
Research	<input type="checkbox"/>	<input checked="" type="checkbox"/> Universities, research centres, accredited laboratory

8. Funding of anti-doping program

What was your annual anti-doping budget for the 2019 calendar year?

Min numeric value allowed : 0

[2650000] amounteuroCurrency

Data not available

9. Funding sources

How is the anti-doping program funded? Please select all that apply and indicate an estimate in percentages:

- Government 100%
- National Lottery program %
- National Olympic Committee (NOC) %
- Other Sports Organization(s) %
- Fee for service %
- Private %

Other %

10. Distribution of funding

What percentage of your annual anti-doping budget is put towards the following core programs?

30] Testing (including equipment, transportation, Sample Collection Personnel (SCP) fees)

26] Sample analysis

1] Investigations

3] Education

0] Research

1] Results Management/Legal

1] Therapeutic Use Exemptions (TUEs)

38] Other (e.g. remuneration, administration)

Data not available

11. Sport Budget

What amount has been allocated to the sport budget from the state budget for the year 2019?

154667000] amounteurocurrency

Data not available

12. Limiting public funding to organisations

Is public funding withheld from organisations that do not comply with anti-doping regulations and related legal instruments?

Yes, all funding is withheld; your comment (optional)

A limited amount of funding is withheld; your comment (optional)

No financial implications; your comment (optional)

Information not available; your comment (optional)

13. Limitation of public funding of persons

Is sport-related financial assistance provided by public authorities withheld from banned athletes or athlete support personnel during the period of their suspension?

Yes, all funding is withheld; your comment (optional)

A limited amount of funding is withheld; your comment (optional)

No; your comment (optional)

Not applicable (no sport-related financial assistance is provided by public authorities to athletes or support personnel); your comment (optional)

Information not available; your comment (optional)

14. Testing programme 

Does your country have a national testing programme?

Yes

No, please explain

15. Elements of the Testing Program 

What elements of the testing program are implemented by the national anti-doping organisation?

Risk Assessment and Test Distribution Planning (TDP)

Registered Testing Pool

Random selection of athletes

Targeted selection of athletes

In-competition testing

Out-of-competition testing

No-advance notice testing

Blood testing

Athlete Biological Passport (ABP) modules

Other elements, please specify

If some elements are implemented by another body, please specify which body

16. Quality certificate 

Is your NADO or part of its procedures certified according to a quality standard (such as ISO, iNADO or any other quality assurance system)?

Yes, please specify which standard, its scope and validity: 9001:2015

In progress, please specify

No; your comment (optional)

17. NADO staff 

Please outline below how many staff are involved in the coordination and management of your anti-doping programs.

Min numeric value allowed : 0

Staff full time

Staff part time

Volunteers

Committee members

Data not available

18. Sample Collection Personnel 

Do you have Sample Collection Personnel (SCP) ?

Yes

No, please explain

19. Number of DCOs and BCOs

How many Doping Control Officers (DCOs), Blood Control Officers (BCOs) and chaperones are in your sample collection personnel program?

Min numeric value allowed : 0

[29] DCOs; your comment (optional)

[24] BCOs; your comment (optional)

[114] Chaperones; your comment (optional)

Data not available

20. Laboratory

Is there a doping control laboratory in your country?

Yes, accredited by WADA

Yes, but accreditation by WADA is pending

Accredited by WADA for athlete biological passport

No, we send samples to the WADA accredited laboratories in:Stockholm(city)

Not available

21. Testing statistics

How many samples were collected under your national testing program in the year 2019?

	Urine	Blood (including ABP)
In-competition testing Min numeric value allowed : 0	1079	115
Out-of-competition testing Min numeric value allowed : 0	1303	593

Data not available

22. Testing abroad

Did you test athletes under your authority who reside or train abroad (directly or by subcontracting another ADO)?

Yes; your comment (optional)

Not in 2019, but we have authorisation to do so; your comment (optional)

No, we do not have authorisation to do so; your comment (optional)

23. Disciplinary system

What are the disciplinary bodies for doping offences, i.e. the main body imposing sanctions on athletes and other persons?

	–	–
State authority	no	no
NADO	no	no
NOC	no	no
National sport federations	yes	yes
international sport federations	no	no
Independent disciplinary body	no	no
Professional associations	no	no
Other, please specify	no	no

24. Appeals system

What is the body handling appeals against disciplinary measures?

() State authority; your comment (optional)

() National sports federations; your comment (optional)

() International sports federations; your comment (optional)

() Independent court of arbitration; your comment (optional)

(X) Court of Arbitration in Sport (CAS); your comment (optional) National Independent Court of Arbitration is the first instance to appeal but CAS is the final instance.

() Other, please specify :

25. Anti-doping rule violations (ADRV)

How many anti-doping rule violations cases were initiated in 2019 and how many of these initiated cases resulted in the imposition of a sanction?

	Initiated cases	Cases that resulted in a sanction	Cases that resulted in no sanction
Presence of a prohibited substance or its Metabolites or markers in an athlete's sample Min numeric value allowed : 0	4	4	0
Use or attempted use by an athlete of a Prohibited substance or a prohibited method Min numeric value allowed : 0	0	0	0
Evading, Refusing or Failing to Submit to Sample Collection Min numeric value allowed : 0	0	0	0

Whereabouts Failures Min numeric value allowed : 0	0	0	0
Tampering or attempted tampering with any part of doping control Min numeric value allowed : 0	0	0	0
Possession of prohibited substances and prohibited methods Min numeric value allowed : 0	1	1	0
Trafficking or attempted trafficking in any prohibited substance or prohibited method Min numeric value allowed : 0	0	0	0
Administration or attempted administration to any athlete of any Prohibited method or prohibited substance Min numeric value allowed : 0	0	0	0
Complicity Min numeric value allowed : 0	0	0	0
Prohibited Association Min numeric value allowed : 0	0	0	0

Data not available

26. Whereabouts failures

How many of the following whereabouts failures have you registered in 2019?

- [15] One missed test or filing failure
- [1] Any combination of two missed tests and/or filing failures
- [] Data not available

27. Sanctions for doping trafficking

Are there specific penalties or sanctions for illegal circulation of doping substances, in addition to those regulating the movement of medicines and narcotics?

- [X] Criminal penalties, please specify Imprisonment up to 4 years
- [] Financial penalties, please specify
- [] Administrative or civil sanctions, please specify
- [] Professional disciplinary actions, please specify
- [] None of above, please explain
- [] Not available; your comment (optional)

28. Co-operation with law enforcement agencies

What measures have been taken to improve co-operation with law enforcement agencies in limiting illegal availability of doping substances?

- [X] Law, please specify Criminal Code, Chapter 44

- Agreement, please specify MOUs with the Police and Customs
- Ad hoc activities, please specify
- Other, please specify
- None; your comment (optional)

29. Statistics on doping trafficking

Do law enforcement agencies share data on the seizure of doping substances with the national anti-doping organisation:

Yes, please specify how many seizures have been reported in 2019: Total number of seized doping substances was 537395 tablets/ampoules

No; your comment (optional)

Other, please specify :

30. Organisation of anti-doping education

Which organisations are involved in coordinating and/or implementing anti-doping education programs?

National anti-doping organisation

Ministry responsible for sport

Ministry responsible for education

Ministry responsible for health

Other governmental body

National sport federations

Regional/municipal sport organisations

Universities

Schools

Sport clubs

Other bodiessports institutes, sports-oriented education institutes, association of sports doctors, national defence force

31. Anti-doping education themes

What types of anti-doping message are provided for different target groups?

	elite athletes	young athletes	recreational athletes	sports officials	coaches	medical personnel	school pupils	media	general public	other
National and International Anti-Doping Rules	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/> students (sports-oriented education institutes)

Therapeutic Use Exemptions (TUEs)	[X]	[X]	[]	[X]	[X]	[X]	[X]	[X]	[X]	[X]	[X] students (sports-oriented education institutes)
Applicable whereabouts requirements	[X]	[]	[]	[X]	[X]	[]	[]	[X]	[]	[]	[]

32. Nutritional supplements

What measures have been taken to address the problems related to nutritional supplements in sport?

- Restrict availability
- Control of production
- Provide quality assurance
- Comprehensive labelling
- Limit advertising and promotion
- Educational and informational measures
- Other, please specify:

33. Anti-doping research

Has any anti-doping research been undertaken or supported?

- Yes; your comment (optional)
- Yes, to a limited extent; your comment (optional)
- No; your comment (optional) Unfortunately, no applications received

34. Areas of anti-doping research

What are the areas of anti-doping research?

- Doping prevention
- Detection methods
- Behavioural and social aspects of doping
- Health consequences of doping
- Physiological and psychological training programmes
- Emerging substances or methods
- Alternative testing methods
- None
- Other; your comment (optional) See previous question/answer

35. Publication of anti-doping research

How many articles with the results of this research have been published in peer-reviewed scientific journals?

- in 2019; your comment (optional)
- Data not available

36. International agreements

Has your country signed any agreements with other Anti-Doping Organizations (ADOs) or agreements on anti-doping with any other organisation or State concerning the following:

	Yes or No; if applicable please explain or upload the document (below)
(a) Sharing of information	Yes
(b) Law enforcement cooperation	No
(c) Athlete Biological Passport sharing or coordination	Yes
(d) General cooperation	Yes

- Data not available

CONSEIL DE L'EUROPE

ADQ

Anti-Doping Questionnaire

Implementation of anti-doping policies in 2019 - France

Questionnaire on implementation of anti-doping policies in 2019 0.1

Objective :

In order to implement the requirements of the Article 9 of the Anti-Doping Convention, the online annual questionnaire is

ready for collection of data regarding anti-doping policies in 2019.

Instruction :

For detailed instructions please select the links to documentation at the top of the page.

In case you face any problems which would prevent you from filling in the questionnaire, please report it to us by e-mail sport.t-do@coe.int

You are kindly requested to fill in, save and post your country's data for 2019 before 30 April 2020.

Questions :

1. Number of Athletes

Please estimate the number of athletes in the following categories within your country:

international-level athletes (as defined by the World Anti-Doping Code)

Min numeric value allowed : 0

[] your comment (optional)

Data not available

national-level athletes (as defined by the World Anti-Doping Code)

Min numeric value allowed : 0

[6500] your comment (optional) La définition du sportif de niveau national est donnée par la délibération N°2019-8 du Collège de l'Agence française de lutte contre le dopage.

Data not available

other athletes (including recreational athletes)

Min numeric value allowed : 0

[16000000] your comment (optional) Nombre estimé de licenciés au sein des fédérations sportives

Data not available

number of athletes in your national Registered Testing Pool (as defined by the World Anti-Doping Code)

Min numeric value allowed : 0

[300] your comment (optional) Au 1er janvier 2019.

Data not available

number of athletes at the last Summer Olympic games

Min numeric value allowed : 0

[397] your comment (optional)

Data not available

number of athletes at the last Winter Olympic games

Min numeric value allowed : 0

[108] your comment (optional)

Data not available

number of athletes at the last Summer Paralympic games

Min numeric value allowed : 0

[126] your comment (optional)

Data not available

number of athletes at the last Winter Paralympic games

Min numeric value allowed : 0

[12] your comment (optional)

[] Data not available

2. Doping definition

What is the definition of "Doping in Sport" used in your country?

[] Council of Europe Anti-Doping Convention. Your comment (optional)

[] UNESCO International Convention against doping in sport. Your comment (optional)

[] World Anti-Doping Code. Your comment (optional)

[X] Other, please specify (e.g. national law) : Législation nationale

3. Doping List

Which list of banned pharmacological classes of doping agents and doping methods (i.e. Prohibited List) is implemented in your country?

[] Prohibited list, as adopted by the Executive Committee of WADA. Your comment (optional)

.....

[] List of banned pharmacological classes of doping agents and doping methods, as adopted by the Monitoring Group (TDO). Your comment (optional)

[X] Prohibited list, as adopted by the Conference of Parties of the International Convention against Doping in Sport (UNESCO) Your comment (optional) La liste 2019 est parue dans un décret du 27 décembre 2018 publié au JO du 29 décembre 2018 :

[] Other, please specify :

4. Additional doping lists

For the purposes of restricting availability of doping substances are there other lists than those defined in question 4?

(X) Yes, please specify: Liste des substances interdites dont la détention est interdite au plan pénal Arrêté du 14 janvier 2019 fixant la liste des substances et méthodes dont la détention par le sportif est interdite en application de l'article L. 232-26 du code du sport ; <https://www.legifrance.gouv.fr/affichTexte.do?cidTexte=JORFTEXT000038047900&dateTexte=&categorieLien=id>

() No. Your comment (optional)

5. Anti-doping laws

Are there any anti-doping laws in your country?

[X] Anti-doping law. Your comment (optional)Partie législative du code du sport

[X] Other formal regulations, please specify: Partie réglementaire du code du sport et délibérations de l'agence française de lutte contre le dopage ?

[] No. Your comment (optional)

Research	<input checked="" type="checkbox"/>	<input type="checkbox"/> En coordination avec le Ministère des sports

8. Funding of anti-doping program

What was your annual anti-doping budget for the 2019 calendar year?

Min numeric value allowed : 0

[12658652] amountEuroCurrency

[] Data not available

9. Funding sources

How is the anti-doping program funded? Please select all that apply and indicate an estimate in percentages:

- Government 89%
- National Lottery program %
- National Olympic Committee (NOC) %
- Other Sports Organization(s) %
- Fee for service 11%
- Private %
- Other %

10. Distribution of funding ●

What percentage of your annual anti-doping budget is put towards the following core programs?

- [20] Testing (including equipment, transportation, Sample Collection Personnel (SCP) fees)
- [35.96] Sample analysis
- [0] Investigations
- [3.95] Education
- [6.6] Research
- [0.9] Results Management/Legal
- [0.01] Therapeutic Use Exemptions (TUEs)
- [32.59] Other (e.g. remuneration, administration)
- [] Data not available

11. Sport Budget ●

What amount has been allocated to the sport budget from the state budget for the year 2019?

- [524000000] amount Eurocurrency
- [] Data not available

12. Limiting public funding to organisations ●

Is public funding withheld from organisations that do not comply with anti-doping regulations and related legal instruments?

() Yes, all funding is withheld; your comment (optional)

(X) A limited amount of funding is withheld; your comment (optional) Le ministère chargé des sports peut décider de retirer l'agrément accordé à une fédération sportive. Dans ce cas, cette fédération est alors privée des subventions qu'elle reçoit de la part de l'État, ainsi que de la mise à disposition de personnels de l'État ou d'agents publics rémunérés par lui qui exercent, au sein de la fédération, des missions de conseiller technique sportif.

() No financial implications; your comment (optional)

() Information not available; your comment (optional)

13. Limitation of public funding of persons ●

Is sport-related financial assistance provided by public authorities withheld from banned athletes or athlete support personnel during the period of their suspension?

Yes, all funding is withheld; your comment (optional)

A limited amount of funding is withheld; your comment (optional) La cessation du versement de l'aide financière n'est pas automatique. Elle ne peut intervenir que sur décision motivée du ministre chargé des sports, qui peut retirer à une personne la qualité de sportif de haut niveau ou Espoir, ou celle d'entraîneur de haut niveau, en cas de VRAD (violation des règles antidopage) avérée commise par l'intéressé, ce qui entraîne alors une suppression des aides personnalisées.

No; your comment (optional)

Not applicable (no sport-related financial assistance is provided by public authorities to athletes or support personnel); your comment (optional)

Information not available; your comment (optional)

14. Testing programme

Does your country have a national testing programme?

Yes

No, please explain

15. Elements of the Testing Program

What elements of the testing program are implemented by the national anti-doping organisation?

Risk Assessment and Test Distribution Planning (TDP)

Registered Testing Pool

Random selection of athletes

Targeted selection of athletes

In-competition testing

Out-of-competition testing

No-advance notice testing

Blood testing

Athlete Biological Passport (ABP) modules

Other elements, please specify

If some elements are implemented by another body, please specify which body

16. Quality certificate

Is your NADO or part of its procedures certified according to a quality standard (such as ISO, iNADO or any other quality assurance system)?

Yes, please specify which standard, its scope and validity: L'AFLD est membre de l'iNADO depuis 2012. Norme ISO 17025 pour le laboratoire. Norme ISO37001 en cours pour l'AFLD.

In progress, please specify

No; your comment (optional)

17. NADO staff

Please outline below how many staff are involved in the coordination and management of your anti-doping programs.

Min numeric value allowed : 0

[14] Staff full time

[0] Staff part time

[0] Volunteers

[0] Committee members

[] Data not available

18. Sample Collection Personnel

Do you have Sample Collection Personnel (SCP) ?

Yes

No, please explain

19. Number of DCOs and BCOs

How many Doping Control Officers (DCOs), Blood Control Officers (BCOs) and chaperones are in your sample collection personnel program?

Min numeric value allowed : 0

[180] DCOs; your comment (optional)

[149] BCOs; your comment (optional)

[0] Chaperones; your comment (optional)

[] Data not available

20. Laboratory

Is there a doping control laboratory in your country?

Yes, accredited by WADA

Yes, but accreditation by WADA is pending

Accredited by WADA for athlete biological passport

No, we send samples to the WADA accredited laboratories in: (city)

Not available

21. Testing statistics

How many samples were collected under your national testing program in the year 2019?

Urine	Blood (including ABP)
-------	-----------------------

In-competition testing Min numeric value allowed : 0	3671	197
Out-of-competition testing Min numeric value allowed : 0	3321	715

[] Data not available

22. Testing abroad

Did you test athletes under your authority who reside or train abroad (directly or by subcontracting another ADO)?

- (X) Yes; your comment (optional)
- () Not in 2019, but we have authorisation to do so; your comment (optional)
- () No, we do not have authorisation to do so; your comment (optional)

23. Disciplinary system

What are the disciplinary bodies for doping offences, i.e. the main body imposing sanctions on athletes and other persons?

	–	–
State authority	non	non

24. Appeals system

What is the body handling appeals against disciplinary measures?

- (X) State authority; your comment (optional) Le Conseil d'Etat est compétent pour connaître les appels de décisions disciplinaires concernant les sportifs de niveau national et infra national. TAS/CAS - pour les sportifs de niveau international
- () National sports federations; your comment (optional)
- () International sports federations; your comment (optional)
- () Independent court of arbitration; your comment (optional)
- () Court of Arbitration in Sport (CAS); your comment (optional) Pour les sportifs de niveau international

() Other, please specify :

25. Anti-doping rule violations (ADRV)

How many anti-doping rule violations cases were initiated in 2019 and how many of these initiated cases resulted in the imposition of a sanction?

	Initiated cases	Cases that resulted in a sanction	Cases that resulted in no sanction
Presence of a prohibited substance or its Metabolites or markers in an athlete's sample Min numeric value allowed : 0	65	14	13
Use or attempted use by an athlete of a Prohibited substance or a prohibited method Min numeric value allowed : 0	0	0	0
Evading, Refusing or Failing to Submit to Sample Collection Min numeric value allowed : 0	3	1	0
Whereabouts Failures Min numeric value allowed : 0	0	0	0
Tampering or attempted tampering with any part of doping control Min numeric value allowed : 0	1	1	0
Possession of prohibited substances and prohibited methods Min numeric value allowed : 0	1	0	0
Trafficking or attempted trafficking in any prohibited substance or prohibited method Min numeric value allowed : 0	0	0	0
Administration or attempted administration to any athlete of any Prohibited method or prohibited substance Min numeric value allowed : 0	0	0	0
Complicity Min numeric value allowed : 0	1	1	0
Prohibited Association Min numeric value allowed : 0	0	0	0

[] Data not available

26. Whereabouts failures

How many of the following whereabouts failures have you registered in 2019?

[63] One missed test or filing failure

[10] Any combination of two missed tests and/or filing failures

[] Data not available

27. Sanctions for doping trafficking

Are there specific penalties or sanctions for illegal circulation of doping substances, in addition to those regulating the movement of medicines and narcotics?

Criminal penalties, please specify 1) 1 an d'emprisonnement et 3 750 € d'amende pour la détention non justifiée d'une ou plusieurs substances ou méthodes interdites. 2) 5 ans d'emprisonnement et 75 000 € d'amende pour a) prescription, administration, application, cession ou offre aux sportifs, sans raison médicale dûment justifiée, d'une ou plusieurs substances ou méthodes interdites, ou facilitation de faciliter leur utilisation ou incitation à leur usage ; b) production, fabrication, importation, exportation, transport, détention ou acquisition, aux fins d'usage par un sportif sans raison médicale dûment justifiée, d'une ou plusieurs substances ou méthodes interdites ; c) falsification, destruction ou dégradation de tout élément relatif au contrôle, à l'échantillon ou à l'analyse. 3) Dans les cas prévus au 2), 7 ans d'emprisonnement et 150 000 € d'amende lorsque les faits sont commis en bande organisée ou à l'égard d'un mineur ou par une personne ayant autorité sur un ou des sportifs. 1) 1 an d'emprisonnement et 3 750 € d'amende pour la détention non justifiée d'une ou plusieurs substances ou méthodes interdites. 2) 5 ans d'emprisonnement et 75 000 € d'amende pour a) prescription, administration, application, cession ou offre aux sportifs, sans raison médicale dûment justifiée, d'une ou plusieurs substances ou méthodes interdites, ou facilitation de faciliter leur utilisation ou incitation à leur usage ; b) production, fabrication, importation, exportation, transport, détention ou acquisition, aux fins d'usage par un sportif sans raison médicale dûment justifiée, d'une ou plusieurs substances ou méthodes interdites ; c) falsification, destruction ou dégradation de tout élément relatif au contrôle, à l'échantillon ou à l'analyse. 3) Dans les cas prévus au 2), 7 ans d'emprisonnement et 150 000 € d'amende lorsque les faits sont commis en bande organisée ou à l'égard d'un mineur ou par une personne ayant autorité sur un ou des sportifs.

Financial penalties, please specify En plus des sanctions pénales si dessus, des sanctions financières sont prévues par l'article L232-23 du code du sport : « La sanction prononcée à l'encontre d'un sportif peut être complétée par une sanction pécuniaire dont le montant ne peut excéder 45 000 €. Celle prononcée à l'encontre de toute autre personne qui a enfreint les dispositions de l'article L. 232-10 peut être complétée par une sanction pécuniaire dont le montant ne peut excéder 150 000 € »

Administrative or civil sanctions, please specify 1) La qualité de sportif de haut niveau, d'entraîneur de haut niveau, d'arbitre et juge sportif de haut niveau, de sportif espoir ou des Collectifs nationaux peut être retirée ou suspendue à tout moment par décision motivée du ministre chargé des sports, dans le cas d'infraction dûment constatée aux dispositions législatives et réglementaires relatives à la lutte contre le dopage ; l'Agence française de lutte contre le dopage peut également demander au ministre de prendre cette mesure. 2) Les personnes sanctionnées pour une violation des règles antidopage ne peuvent obtenir de carte professionnelle d'éducateur sportif, au minimum pour la durée de la sanction prononcée par l'ONAD

Professional disciplinary actions, please specify Les personnes qui relèvent d'un ordre professionnel peuvent être sanctionnées au plan disciplinaire par cet organisme (Ordre des médecins, Ordre des pharmaciens, Ordre des masseurs-kinésithérapeutes, Ordre des infirmiers, Ordre des vétérinaires).

None of above, please explain

Not available; your comment (optional)

28. Co-operation with law enforcement agencies

What measures have been taken to improve co-operation with law enforcement agencies in limiting illegal availability of

doping substances?

Law, please specify Articles L. 232-19 et L. 232-20 du code du sport (opérations de contrôle sous la supervision du procureur de la République ; échanges d'informations entre administrations et forces de l'ordre) et articles R. 232-99 à R. 232-103 (commissions régionales de lutte contre le trafic de produits dopants - CRLT -, co-pilotées au niveau national par le ministère des sports et celui de la justice).

Agreement, please specify Accords de collaboration conclus par l'AFLD avec l'Office central de lutte contre les atteintes à l'environnement et à la santé publique (OCLAESP) et la Direction nationale du renseignement et des enquêtes douanières (DNRED et Accord de collaboration entre L'OCLAESP et le ministère des sports

Ad hoc activities, please specify Opérations de démantèlement de réseaux de trafic de produits dopants initiées par les CRLT (commissions régionales de lutte contre les trafics de substances et méthodes dopantes) qui peuvent faire intervenir les différentes administrations dont les ministères des sports, de la santé, ses finances, du travail... en coopération avec la justice et les forces de l'ordre

Other, please specify Au niveau international, participation aux opérations organisées par Interpol et Europol de lutte contre les trafics de substances dopantes

None; your comment (optional)

29. Statistics on doping trafficking 

Do law enforcement agencies share data on the seizure of doping substances with the national anti-doping organisation:

Yes, please specify how many seizures have been reported in 2019:

No; your comment (optional)

Other, please specify : En 2019, le ministère de l'intérieur (police gendarmerie) a traité 436 dossiers pour dopage. Le nombre de produits dopants saisis en 2019 étaient de 103 279 unités dont près de la moitié étaient des stéroïdes anabolisants. Nous ne disposons pas du nombre de saisies réalisées.

30. Organisation of anti-doping education 

Which organisations are involved in coordinating and/or implementing anti-doping education programs?

National anti-doping organisation

Ministry responsible for sport

Ministry responsible for education

Ministry responsible for health

Other governmental body Ex : Mission interministérielle de lutte contre les drogues et les conduites addictives (MILDECA) ; Office central de lutte contre les atteintes à l'environnement et à la santé publique (OCLAESP)

National sport federations

Regional/municipal sport organisations

Universities

Schools

Sport clubs

Other bodies Ex : Antennes médicales de prévention du dopage (AMPD), Institut national du sport, de l'expertise et de la performance (INSEP), sociétés savantes, Union nationale des Sports Scolaires (UNSS).

32. Nutritional supplements

What measures have been taken to address the problems related to nutritional supplements in sport?

Restrict availability

Control of production

Provide quality assurance

Comprehensive labelling

Limit advertising and promotion

Educational and informational measures

Other, please specify: La mise sur le marché en France de compléments alimentaires est soumise à une déclaration auprès des autorités

33. Anti-doping research 

Has any anti-doping research been undertaken or supported?

Yes; your comment (optional)

Yes, to a limited extent; your comment (optional)

No; your comment (optional)

34. Areas of anti-doping research 

What are the areas of anti-doping research?

Doping prevention

Detection methods

Behavioural and social aspects of doping

Health consequences of doping

Physiological and psychological training programmes

Emerging substances or methods

Alternative testing methods

None

Other; your comment (optional)

35. Publication of anti-doping research 

How many articles with the results of this research have been published in peer-reviewed scientific journals?

0 in 2019; your comment (optional)

Data not available

36. International agreements 

Has your country signed any agreements with other Anti-Doping Organizations (ADOs) or agreements on anti-doping with any other organisation or State concerning the following:

Yes or No; if applicable please explain or upload the document (below)

(a) Sharing of information	Oui avec CADF, Antidoping Norway
(b) Law enforcement cooperation	Oui.
(c) Athlete Biological Passport sharing or coordination	Non
(d) General cooperation	Oui 47 protocoles signés en 2019 avec des fédérations internationales pour des prestations de contrôles et d'analyses

ADQ

Anti-Doping Questionnaire

Implementation of anti-doping policies in 2019 - Georgia

Questionnaire on implementation of anti-doping policies in 2019 0.1

Objective :

In order to implement the requirements of the Article 9 of the Anti-Doping Convention, the online annual questionnaire is ready for collection of data regarding anti-doping policies in 2019.

Instruction :

For detailed instructions please select the links to documentation at the top of the page.

In case you face any problems which would prevent you from filling in the questionnaire, please report it to us by e-mail sport.t-do@coe.int

You are kindly requested to fill in, save and post your country's data for 2019 before 30 April 2020.

Questions :

1. Number of Athletes

Please estimate the number of athletes in the following categories within your country:

international-level athletes (as defined by the World Anti-Doping Code)

Min numeric value allowed : 0

[11000] your comment (optional) Data on active athletes are being updated, therefore given quantities do not show the final data, which is likely to be higher.

Data not available

national-level athletes (as defined by the World Anti-Doping Code)

Min numeric value allowed : 0

[25000] your comment (optional) Data on active athletes are being updated, therefore given quantities do not show the final data, which is likely to be higher.

Data not available

other athletes (including recreational athletes)

Min numeric value allowed : 0

[135000] your comment (optional) Data on active athletes are being updated, therefore given quantities do not show the final data, which is likely to be higher.

Data not available

number of athletes in your national Registered Testing Pool (as defined by the World Anti-Doping Code)

Min numeric value allowed : 0

[76] your comment (optional)

Data not available

number of athletes at the last Summer Olympic games

Min numeric value allowed : 0

[39] your comment (optional)

Data not available

number of athletes at the last Winter Olympic games

Min numeric value allowed : 0

[4] your comment (optional)

Data not available

number of athletes at the last Summer Paralympic games

Min numeric value allowed : 0

[5] your comment (optional)

Data not available

number of athletes at the last Winter Paralympic games

Min numeric value allowed : 0

[2] your comment (optional)

Data not available

2. Doping definition

What is the definition of "Doping in Sport" used in your country?

Council of Europe Anti-Doping Convention. Your comment (optional)

UNESCO International Convention against doping in sport. Your comment (optional)

World Anti-Doping Code. Your comment (optional)

Other, please specify (e.g. national law) : Georgian anti-doping rules of GADA

3. Doping List

Which list of banned pharmacological classes of doping agents and doping methods (i.e. Prohibited List) is implemented in your country?

Prohibited list, as adopted by the Executive Committee of WADA. Your comment (optional)

.....

List of banned pharmacological classes of doping agents and doping methods, as adopted by the Monitoring Group (TDO). Your comment (optional)

Prohibited list, as adopted by the Conference of Parties of the International Convention against Doping in Sport (UNESCO) Your comment (optional)

[] Other, please specify :

4. Additional doping lists

For the purposes of restricting availability of doping substances are there other lists than those defined in question 4?

() Yes, please specify:

(X) No. Your comment (optional)

5. Anti-doping laws

Are there any anti-doping laws in your country?

[] Anti-doping law. Your comment (optional)

[X] Other formal regulations, please specify: Law on Sport of Georgia provides the article regarding fight against use of restricted substances in sport.

[] No. Your comment (optional)

6. National anti-doping organisation (NADO)

What is the legal status of your national anti-doping organisation? Please upload the statutes, if possible

() Public authority. Your comment (optional)

(X) Non-governmental organisation. Your comment (optional)

() Private company. Your comment (optional)

() National Olympic Committee. Your comment (optional)

() Other, please specify :

7. NADO activities

Which of the activities below are conducted by your national anti-doping organisation? Please upload the organisational chart, if possible

	Yes. Your comment (optional)	No, please specify which organisation is in charge:
Co-ordination of action by public authorities	()	(X) The Ministry of Education, Science, Culture and Sport of Georgia
Coordination of the fight against trafficking	(X)	()
Testing (doping control)	(X)	()
Results management	(X)	()
Disciplinary procedures	(X) GADA has begun formal procedures to separate disciplinary bodies from their own structure to ensure their perfect independence.	()
Education and/or information	(X)	()

Research	(X)	()
----------	-------	-----

8. Funding of anti-doping program

What was your annual anti-doping budget for the 2019 calendar year?

Min numeric value allowed : 0

[340000] amountGelCurrency

[] Data not available

9. Funding sources

How is the anti-doping program funded? Please select all that apply and indicate an estimate in percentages:

[X] Government 67%

[] National Lottery program %

[X] National Olympic Committee (NOC) 6%

[X] Other Sports Organization(s) 27%

[] Fee for service %

[] Private %

[] Other %

10. Distribution of funding

What percentage of your annual anti-doping budget is put towards the following core programs?

[44] Testing (including equipment, transportation, Sample Collection Personnel (SCP) fees)

[32] Sample analysis

[0] Investigations

[6] Education

[0] Research

[0] Results Management/Legal

[0] Therapeutic Use Exemptions (TUEs)

[18] Other (e.g. remuneration, administration)

[] Data not available

11. Sport Budget

What amount has been allocated to the sport budget from the state budget for the year 2019?

[148000000] amountGelcurrency

[] Data not available

12. Limiting public funding to organisations 

Is public funding withheld from organisations that do not comply with anti-doping regulations and related legal instruments?

Yes, all funding is withheld; your comment (optional)

A limited amount of funding is withheld; your comment (optional) Obligation of being in compliance with anti-doping regulations and fight against it, activities done in this regard is one of the criteria for defining annual funding of sport organization by the ministry, it has direct financial impact.

No financial implications; your comment (optional)

Information not available; your comment (optional)

13. Limitation of public funding of persons 

Is sport-related financial assistance provided by public authorities withheld from banned athletes or athlete support personnel during the period of their suspension?

Yes, all funding is withheld; your comment (optional) Ministry and the relevant federation cooperatively conduct a procedure to suspend any kind of financial support and funding for the athlete and/or support personnel during the suspension period.

A limited amount of funding is withheld; your comment (optional)

No; your comment (optional)

Not applicable (no sport-related financial assistance is provided by public authorities to athletes or support personnel); your comment (optional)

Information not available; your comment (optional)

14. Testing programme 

Does your country have a national testing programme?

Yes

No, please explain

15. Elements of the Testing Program 

What elements of the testing program are implemented by the national anti-doping organisation?

Risk Assessment and Test Distribution Planning (TDP)

Registered Testing Pool

Random selection of athletes

Targeted selection of athletes

In-competition testing

Out-of-competition testing

No-advance notice testing

Blood testing

Athlete Biological Passport (ABP) modules

Other elements, please specify

If some elements are implemented by another body, please specify which body

16. Quality certificate 

Is your NADO or part of its procedures certified according to a quality standard (such as ISO, iNADO or any other quality assurance system)?

Yes, please specify which standard, its scope and validity:

In progress, please specify

No; your comment (optional)

17. NADO staff 

Please outline below how many staff are involved in the coordination and management of your anti-doping programs.

Min numeric value allowed : 0

Staff full time

Staff part time

Volunteers

Committee members

Data not available

18. Sample Collection Personnel 

Do you have Sample Collection Personnel (SCP) ?

Yes

No, please explain

19. Number of DCOs and BCOs 

How many Doping Control Officers (DCOs), Blood Control Officers (BCOs) and chaperones are in your sample collection personnel program?

Min numeric value allowed : 0

DCOs; your comment (optional)

BCOs; your comment (optional)

Chaperones; your comment (optional)

Data not available

20. Laboratory 

Is there a doping control laboratory in your country?

Yes, accredited by WADA

Yes, but accreditation by WADA is pending

Accredited by WADA for athlete biological passport

No, we send samples to the WADA accredited laboratories in: Cologne, Germany(city)

Not available

21. Testing statistics

How many samples were collected under your national testing program in the year 2019?

	Urine	Blood (including ABP)
In-competition testing Min numeric value allowed : 0	114	0
Out-of-competition testing Min numeric value allowed : 0	129	11

Data not available

22. Testing abroad

Did you test athletes under your authority who reside or train abroad (directly or by subcontracting another ADO)?

Yes; your comment (optional)

Not in 2019, but we have authorisation to do so; your comment (optional)

No, we do not have authorisation to do so; your comment (optional)

23. Disciplinary system

What are the disciplinary bodies for doping offences, i.e. the main body imposing sanctions on athletes and other persons?

	–	–
State authority	no	no
NADO	no	no
NOC	no	no
National sport federations	no	no
international sport federations	yes	no
Independent disciplinary body	yes	yes
Professional associations	no	no
Other, please specify	no	no

24. Appeals system

What is the body handling appeals against disciplinary measures?

- () State authority; your comment (optional)
- () National sports federations; your comment (optional)
- () International sports federations; your comment (optional)
- () Independent court of arbitration; your comment (optional)
- () Court of Arbitration in Sport (CAS); your comment (optional)
- (X) Other, please specify : The independent appeal body

25. Anti-doping rule violations (ADRV)

How many anti-doping rule violations cases were initiated in 2019 and how many of these initiated cases resulted in the imposition of a sanction?

	Initiated cases	Cases that resulted in a sanction	Cases that resulted in no sanction
Presence of a prohibited substance or its Metabolites or markers in an athlete's sample Min numeric value allowed : 0	2	2	0
Use or attempted use by an athlete of a Prohibited substance or a prohibited method Min numeric value allowed : 0	0	0	0
Evading, Refusing or Failing to Submit to Sample Collection Min numeric value allowed : 0	0	0	0
Whereabouts Failures Min numeric value allowed : 0	0	0	0
Tampering or attempted tampering with any part of doping control Min numeric value allowed : 0	0	0	0
Possession of prohibited substances and prohibited methods Min numeric value allowed : 0	0	0	0
Trafficking or attempted trafficking in any prohibited substance or prohibited method Min numeric value allowed : 0	0	0	0
Administration or attempted administration to any athlete of any Prohibited method or prohibited substance Min numeric value allowed : 0	0	0	0
Complicity Min numeric value allowed : 0	0	0	0
Prohibited Association Min numeric value allowed : 0	0	0	0

[] Data not available

26. Whereabouts failures

How many of the following whereabouts failures have you registered in 2019?

- One missed test or filing failure
- Any combination of two missed tests and/or filing failures
- Data not available

27. Sanctions for doping trafficking

Are there specific penalties or sanctions for illegal circulation of doping substances, in addition to those regulating the movement of medicines and narcotics?

- Criminal penalties, please specify
- Financial penalties, please specify
- Administrative or civil sanctions, please specify
- Professional disciplinary actions, please specify
- None of above, please explain

Not available; your comment (optional) There are no specific additional penalties or sanctions for illegal circulation of dopingsubstances yet. The issue is in consideration by relevant governmental bodies, NADO and other stakeholders.

28. Co-operation with law enforcement agencies

What measures have been taken to improve co-operation with law enforcement agencies in limiting illegal availability of doping substances?

- Law, please specify
- Agreement, please specify
- Ad hoc activities, please specify

Other, please specify he issue was discussed within the framework of the Interagency Commission's Working Group, members of the commission are relevant ministries and NADO.

- None; your comment (optional)

29. Statistics on doping trafficking

Do law enforcement agencies share data on the seizure of doping substances with the national anti-doping organisation:

- Yes, please specify how many seizures have been reported in 2019:
- No; your comment (optional)
- Other, please specify :

30. Organisation of anti-doping education

Which organisations are involved in coordinating and/or implementing anti-doping education programs?

- National anti-doping organisation
- Ministry responsible for sport
- Ministry responsible for education

- Ministry responsible for health
- Other governmental body
- National sport federations
- Regional/municipal sport organisations
- Universities
- Schools
- Sport clubs
- Other bodies

Applicable whereabouts requirements	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>	<input type="checkbox"/>

32. Nutritional supplements

What measures have been taken to address the problems related to nutritional supplements in sport?

- Restrict availability
- Control of production
- Provide quality assurance
- Comprehensive labelling
- Limit advertising and promotion
- Educational and informational measures
- Other, please specify:

33. Anti-doping research

Has any anti-doping research been undertaken or supported?

Yes; your comment (optional)

Yes, to a limited extent; your comment (optional) In 2019, the Anti-Doping Agency of Georgia received a grant from the Olympic Solidarity Fund, as a result of which, for the first time in Georgia, a sociological survey was conducted in the field of doping. The Ministry of Education, Science, Culture and Sports was also involved in the process. The name of the study is "Doping climate among young sportsmen". The study included the 10 most relevant sports. A standard 48-item questionnaire developed by WADA was used as a quantitative research tool.

No; your comment (optional)

34. Areas of anti-doping research

What are the areas of anti-doping research?

- Doping prevention
- Detection methods
- Behavioural and social aspects of doping
- Health consequences of doping
- Physiological and psychological training programmes
- Emerging substances or methods
- Alternative testing methods
- None
- Other; your comment (optional)

Attachments

-  Research report _ Doping climate in Georgia_Geo.pdf
-  Technical Data of the Research and Methodology_Doping_Georgia.pdf

35. Publication of anti-doping research

How many articles with the results of this research have been published in peer-reviewed scientific journals?

0 in 2019; your comment (optional) The research report has been prepared recently, its publication and discussion is scheduled for the near future.

Data not available

36. International agreements

Has your country signed any agreements with other Anti-Doping Organizations (ADOs) or agreements on anti-doping with any other organisation or State concerning the following:

	Yes or No; if applicable please explain or upload the document (below)
(a) Sharing of information	No
(b) Law enforcement cooperation	No
(c) Athlete Biological Passport sharing or coordination	No
(d) General cooperation	No

Anti-Doping Questionnaire

Implementation of anti-doping policies in 2019 - Germany

Questionnaire on implementation of anti-doping policies in 2019 0.1

Objective :

In order to implement the requirements of the Article 9 of the Anti-Doping Convention, the online annual questionnaire is ready for collection of data regarding anti-doping policies in 2019.

Instruction :

For detailed instructions please select the links to documentation at the top of the page.

In case you face any problems which would prevent you from filling in the questionnaire, please report it to us by e-mail sport.t-do@coe.int

You are kindly requested to fill in, save and post your country's data for 2019 before 30 April 2020.

Questions :

1. Number of Athletes

Please estimate the number of athletes in the following categories within your country:

international-level athletes (as defined by the World Anti-Doping Code)

Min numeric value allowed : 0

[6881] your comment (optional)

Data not available

national-level athletes (as defined by the World Anti-Doping Code)

Min numeric value allowed : 0

[1644] your comment (optional)

Data not available

other athletes (including recreational athletes)

Min numeric value allowed : 0

[5237] your comment (optional)

Data not available

number of athletes in your national Registered Testing Pool (as defined by the World Anti-Doping Code)

Min numeric value allowed : 0

[367] your comment (optional)

Data not available

number of athletes at the last Summer Olympic games

Min numeric value allowed : 0

[426] your comment (optional)

Data not available

number of athletes at the last Winter Olympic games

Min numeric value allowed : 0

[174] your comment (optional)

Data not available

number of athletes at the last Summer Paralympic games

Min numeric value allowed : 0

[148] your comment (optional)

Data not available

number of athletes at the last Winter Paralympic games

Min numeric value allowed : 0

[20] your comment (optional)

Data not available

2. Doping definition

What is the definition of "Doping in Sport" used in your country?

Council of Europe Anti-Doping Convention. Your comment (optional)

UNESCO International Convention against doping in sport. Your comment (optional)

World Anti-Doping Code. Your comment (optional)

Other, please specify (e.g. national law) :

3. Doping List

Which list of banned pharmacological classes of doping agents and doping methods (i.e. Prohibited List) is implemented in your country?

Prohibited list, as adopted by the Executive Committee of WADA. Your comment (optional)

List of banned pharmacological classes of doping agents and doping methods, as adopted by the Monitoring Group (TDO). Your

comment (optional)

Prohibited list, as adopted by the Conference of Parties of the International Convention against Doping in Sport (UNESCO) Your comment (optional)

Other, please specify :

4. Additional doping lists

For the purposes of restricting availability of doping substances are there other lists than those defined in question 4?

Yes, please specify:

No. Your comment (optional)

5. Anti-doping laws

Are there any anti-doping laws in your country?

Anti-doping law. Your comment (optional)

Other formal regulations, please specify:

No. Your comment (optional)

Attachments

 englisch_antidopg.pdf

 Act against Doping in Sport : http://https://www.gesetze-im-internet.de/englisch_antidopg/englisch_antidopg.html

6. National anti-doping organisation (NADO)

What is the legal status of your national anti-doping organisation? Please upload the statutes, if possible

Public authority. Your comment (optional)

Non-governmental organisation. Your comment (optional)

Private company. Your comment (optional)

National Olympic Committee. Your comment (optional)

Other, please specify :

7. NADO activities

Which of the activities below are conducted by your national anti-doping organisation? Please upload the organisational chart, if possible

	Yes. Your comment (optional)	No, please specify which organisation is in charge:
Co-ordination of action by public authorities	<input type="checkbox"/>	<input checked="" type="checkbox"/> Federal Ministry of the Interior, Building and Community
Coordination of the fight against trafficking	<input type="checkbox"/>	<input checked="" type="checkbox"/> Law Enforcement Agencies
Testing (doping control)	<input checked="" type="checkbox"/>	<input type="checkbox"/>
Results management	<input checked="" type="checkbox"/>	<input type="checkbox"/>

Disciplinary procedures	(X)	()
Education and/or information	(X)	()
Research	(X)	()

8. Funding of anti-doping program

What was your annual anti-doping budget for the 2019 calendar year?

Min numeric value allowed : 0

[10700000] amountEuroCurrency

[] Data not available

9. Funding sources

How is the anti-doping program funded? Please select all that apply and indicate an estimate in percentages:

[X] Government 62%

[] National Lottery program %

[X] National Olympic Committee (NOC) 6%

[X] Other Sports Organization(s) 23%

[] Fee for service %

[] Private %

[X] Other 9%

10. Distribution of funding

What percentage of your annual anti-doping budget is put towards the following core programs?

[32] Testing (including equipment, transportation, Sample Collection Personnel (SCP) fees)

[21] Sample analysis

[1] Investigations

[6] Education

[1] Research

[4] Results Management/Legal

[1] Therapeutic Use Exemptions (TUEs)

[34] Other (e.g. remuneration, administration) Human Ressource, Administration, Communication

[] Data not available

11. Sport Budget

What amount has been allocated to the sport budget from the state budget for the year 2019?

[] amount currency

[X] Data not available

12. Limiting public funding to organisations

Is public funding withheld from organisations that do not comply with anti-doping regulations and related legal instruments?

() Yes, all funding is withheld; your comment (optional)

(X) A limited amount of funding is withheld; your comment (optional)

() No financial implications; your comment (optional)

() Information not available; your comment (optional)

13. Limitation of public funding of persons

Is sport-related financial assistance provided by public authorities withheld from banned athletes or athlete support personnel during the period of their suspension?

(X) Yes, all funding is withheld; your comment (optional) Funding of banned athletes can be withdrawn.

() A limited amount of funding is withheld; your comment (optional)

() No; your comment (optional)

() Not applicable (no sport-related financial assistance is provided by public authorities to athletes or support personnel); your comment (optional)

() Information not available; your comment (optional)

14. Testing programme

Does your country have a national testing programme?

(X) Yes

() No, please explain

15. Elements of the Testing Program

What elements of the testing program are implemented by the national anti-doping organisation?

[X] Risk Assessment and Test Distribution Planning (TDP)

[X] Registered Testing Pool

[X] Random selection of athletes

[X] Targeted selection of athletes

[X] In-competition testing

[X] Out-of-competition testing

[X] No-advance notice testing

[X] Blood testing

[X] Athlete Biological Passport (ABP) modules

[X] Other elements, please specify Longterm-Storage of 3000 Samples per year, individual Test-Distribution, Pre-Olympic Testing Programms, additional Testpools ((NTP, ATP, TTP), League-Testing

If some elements are implemented by another body, please specify which body

16. Quality certificate

Is your NADO or part of its procedures certified according to a quality standard (such as ISO, iNADO or any other quality assurance system)?

Yes, please specify which standard, its scope and validity: DIN EN ISO 9001:2015

In progress, please specify

No; your comment (optional)

17. NADO staff

Please outline below how many staff are involved in the coordination and management of your anti-doping programs.

Min numeric value allowed : 0

Staff full time

Staff part time

Volunteers

Committee members

Data not available

18. Sample Collection Personnel

Do you have Sample Collection Personnel (SCP) ?

Yes

No, please explain The sample collection service is outsourced to Sample Collection Agencies (specialized private companies): Professional Worldwide Controls (PWC, Gilching); Global Quality Sports (GQS, Stuttgart), INternational Doping Tests & Management (IDTM, Stockholm); Sports Medical Services (SMS, Cologne).

19. Number of DCOs and BCOs

How many Doping Control Officers (DCOs), Blood Control Officers (BCOs) and chaperones are in your sample collection personnel program?

Min numeric value allowed : 0

460 DCOs; your comment (optional)

186 BCOs; your comment (optional)

Chaperones; your comment (optional) Chaperons are organised by SCAs

Data not available

20. Laboratory

Is there a doping control laboratory in your country?

Yes, accredited by WADA

Yes, but accreditation by WADA is pending

Accredited by WADA for athlete biological passport

No, we send samples to the WADA accredited laboratories in: (city)

Not available

21. Testing statistics

How many samples were collected under your national testing program in the year 2019?

	Urine	Blood (including ABP)
In-competition testing Min numeric value allowed : 0	5682	900
Out-of-competition testing Min numeric value allowed : 0	12863	4635

Data not available

22. Testing abroad

Did you test athletes under your authority who reside or train abroad (directly or by subcontracting another ADO)?

Yes; your comment (optional)

Not in 2019, but we have authorisation to do so; your comment (optional)

No, we do not have authorisation to do so; your comment (optional)

23. Disciplinary system

What are the disciplinary bodies for doping offences, i.e. the main body imposing sanctions on athletes and other persons?

	–	–
State authority	no	no
NADO	yes	yes
NOC	no	no
National sport federations	no	no
international sport federations	no	no
Independent disciplinary body	yes	yes
Professional associations	no	no
Other, please specify	no	no

24. Appeals system

What is the body handling appeals against disciplinary measures?

- () State authority; your comment (optional)
- () National sports federations; your comment (optional)
- () International sports federations; your comment (optional)
- () Independent court of arbitration; your comment (optional)
- (X) Court of Arbitration in Sport (CAS); your comment (optional)
- () Other, please specify :

25. Anti-doping rule violations (ADRV)

How many anti-doping rule violations cases were initiated in 2019 and how many of these initiated cases resulted in the imposition of a sanction?

	Initiated cases	Cases that resulted in a sanction	Cases that resulted in no sanction
Presence of a prohibited substance or its Metabolites or markers in an athlete's sample Min numeric value allowed : 0	61	12	49
Use or attempted use by an athlete of a Prohibited substance or a prohibited method Min numeric value allowed : 0	6	2	4
Evading, Refusing or Failing to Submit to Sample Collection Min numeric value allowed : 0	11	3	8
Whereabouts Failures Min numeric value allowed : 0	1	0	1
Tampering or attempted tampering with any part of doping control Min numeric value allowed : 0	1	1	0
Possession of prohibited substances and prohibited methods Min numeric value allowed : 0	1	0	1
Trafficking or attempted trafficking in any prohibited substance or prohibited method Min numeric value allowed : 0	1	0	1
Administration or attempted administration to any athlete of any Prohibited method or prohibited substance Min numeric value allowed : 0	1	0	1
Complicity Min numeric value allowed : 0	0	0	0
Prohibited Association Min numeric value allowed : 0	0	0	0

[] Data not available

26. Whereabouts failures 

How many of the following whereabouts failures have you registered in 2019?

- One missed test or filing failure
- Any combination of two missed tests and/or filing failures
- Data not available

27. Sanctions for doping trafficking 

Are there specific penalties or sanctions for illegal circulation of doping substances, in addition to those regulating the movement of medicines and narcotics?

- Criminal penalties, please specify Act against doping in sport
- Financial penalties, please specify
- Administrative or civil sanctions, please specify
- Professional disciplinary actions, please specify
- None of above, please explain
- Not available; your comment (optional)

28. Co-operation with law enforcement agencies 

What measures have been taken to improve co-operation with law enforcement agencies in limiting illegal availability of doping substances?

- Law, please specify Act against Doping in Sport
- Agreement, please specify
- Ad hoc activities, please specify
- Other, please specify
- None; your comment (optional)

29. Statistics on doping trafficking 

Do law enforcement agencies share data on the seizure of doping substances with the national anti-doping organisation:

- Yes, please specify how many seizures have been reported in 2019:
- No; your comment (optional)
- Other, please specify :

30. Organisation of anti-doping education 

Which organisations are involved in coordinating and/or implementing anti-doping education programs?

- National anti-doping organisation
- Ministry responsible for sport
- Ministry responsible for education

- Ministry responsible for health
- Other governmental body Federal States
- National sport federations
- Regional/municipal sport organisations
- Universities
- Schools
- Sport clubs
- Other bodies NOC related organisations

31. Anti-doping education themes

What types of anti-doping message are provided for different target groups?

	elite athletes	young athletes	recreational athletes	sports officials	coaches	medical personnel	school pupils	media	general public	other
National and International Anti-Doping Rules	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input type="checkbox"/>

32. Nutritional supplements

What measures have been taken to address the problems related to nutritional supplements in sport?

- Restrict availability
- Control of production
- Provide quality assurance
- Comprehensive labelling
- Limit advertising and promotion
- Educational and informational measures
- Other, please specify:

33. Anti-doping research

Has any anti-doping research been undertaken or supported?

- Yes; your comment (optional)
- Yes, to a limited extent; your comment (optional)
- No; your comment (optional)

34. Areas of anti-doping research

What are the areas of anti-doping research?

- Doping prevention
- Detection methods
- Behavioural and social aspects of doping
- Health consequences of doping
- Physiological and psychological training programmes
- Emerging substances or methods
- Alternative testing methods
- None
- Other; your comment (optional) prevalence studies; horse doping; nutritional supplements

35. Publication of anti-doping research

How many articles with the results of this research have been published in peer-reviewed scientific journals?

- 48 in 2019; your comment (optional)
- Data not available

Attachments

Anti-Doping Questionnaire

Implementation of anti-doping policies in 2019 - Greece

Questionnaire on implementation of anti-doping policies in 2019 0.1

Objective :

In order to implement the requirements of the Article 9 of the Anti-Doping Convention, the online annual questionnaire is ready for collection of data regarding anti-doping policies in 2019.

Instruction :

For detailed instructions please select the links to documentation at the top of the page.

In case you face any problems which would prevent you from filling in the questionnaire, please report it to us by e-mail sport.t-do@coe.int

You are kindly requested to fill in, save and post your country's data for 2019 before 30 April 2020.

Questions :

1. Number of Athletes

Please estimate the number of athletes in the following categories within your country:

international-level athletes (as defined by the World Anti-Doping Code)

Min numeric value allowed : 0

[50] your comment (optional) Rough estimate since ESKAN does not possess all relevant information from IFs

Data not available

national-level athletes (as defined by the World Anti-Doping Code)

Min numeric value allowed : 0

[10000] your comment (optional) As defined by ESKAN's definition of national level athlete and NF's data

Data not available

other athletes (including recreational athletes)

Min numeric value allowed : 0

[60000] your comment (optional) As defined by ESKAN's definition of national level athlete and NF's data

[] Data not available

number of athletes in your national Registered Testing Pool (as defined by the World Anti-Doping Code)

Min numeric value allowed : 0

[110] your comment (optional) Football Teams are providing team whereabouts

[] Data not available

number of athletes at the last Summer Olympic games

Min numeric value allowed : 0

[93] your comment (optional)

[] Data not available

number of athletes at the last Winter Olympic games

Min numeric value allowed : 0

[4] your comment (optional)

[] Data not available

number of athletes at the last Summer Paralympic games

Min numeric value allowed : 0

[54] your comment (optional)

[] Data not available

number of athletes at the last Winter Paralympic games

Min numeric value allowed : 0

[3] your comment (optional)

[] Data not available

2. Doping definition

What is the definition of "Doping in Sport" used in your country?

[] Council of Europe Anti-Doping Convention. Your comment (optional)

[] UNESCO International Convention against doping in sport. Your comment (optional)

[X] World Anti-Doping Code. Your comment (optional)

[] Other, please specify (e.g. national law) :

3. Doping List

Which list of banned pharmacological classes of doping agents and doping methods (i.e. Prohibited List) is implemented in your country?

[X] Prohibited list, as adopted by the Executive Committee of WADA. Your comment (optional)

.....

[] List of banned pharmacological classes of doping agents and doping methods, as adopted by the Monitoring Group (TDO). Your comment (optional)

[] Prohibited list, as adopted by the Conference of Parties of the International Convention against Doping in Sport (UNESCO) Your comment (optional)

[] Other, please specify :

4. Additional doping lists

For the purposes of restricting availability of doping substances are there other lists than those defined in question 4?

- Yes, please specify:
- No. Your comment (optional)

5. Anti-doping laws

Are there any anti-doping laws in your country?

- Anti-doping law. Your comment (optional)L. 2725/1999 as amended, L. 4373/2016
- Other formal regulations, please specify: Ministerial decisions
- No. Your comment (optional)

6. National anti-doping organisation (NADO)

What is the legal status of your national anti-doping organisation? Please upload the statutes, if possible

- Public authority. Your comment (optional)Commission, supported by General Secretariat of Sport
- Non-governmental organisation. Your comment (optional)
- Private company. Your comment (optional)
- National Olympic Committee. Your comment (optional)
- Other, please specify :

7. NADO activities

Which of the activities below are conducted by your national anti-doping organisation? Please upload the organisational chart, if possible

	Yes. Your comment (optional)	No, please specify which organisation is in charge:
Co-ordination of action by public authorities	<input checked="" type="checkbox"/>	<input type="checkbox"/>
Coordination of the fight against trafficking	<input type="checkbox"/>	<input checked="" type="checkbox"/> Customs, Police
Testing (doping control)	<input checked="" type="checkbox"/>	<input type="checkbox"/>
Results management	<input checked="" type="checkbox"/>	<input type="checkbox"/>
Disciplinary procedures	<input checked="" type="checkbox"/> FIDP	<input type="checkbox"/>
Education and/or information	<input checked="" type="checkbox"/>	<input type="checkbox"/>
Research	<input type="checkbox"/>	<input checked="" type="checkbox"/> Universities

8. Funding of anti-doping program

What was your annual anti-doping budget for the 2019 calendar year?

Min numeric value allowed : 0

[460000] amounteuroCurrency

[] Data not available

9. Funding sources

How is the anti-doping program funded? Please select all that apply and indicate an estimate in percentages:

[X] Government 44%

[] National Lottery program %

[] National Olympic Committee (NOC) %

[X] Other Sports Organization(s) 56%

[] Fee for service %

[] Private %

[] Other %

10. Distribution of funding

What percentage of your annual anti-doping budget is put towards the following core programs?

[22] Testing (including equipment, transportation, Sample Collection Personnel (SCP) fees)

[39] Sample analysis

[0] Investigations

[5] Education

[0] Research

[5] Results Management/Legal

[0] Therapeutic Use Exemptions (TUEs)

[29] Other (e.g. remuneration, administration)

[] Data not available

11. Sport Budget

What amount has been allocated to the sport budget from the state budget for the year 2019?

[55000000] amounteurocurrency

[] Data not available

12. Limiting public funding to organisations

Is public funding withheld from organisations that do not comply with anti-doping regulations and related legal instruments?

(X) Yes, all funding is withheld; your comment (optional) all or part of funding may be withheld at NADO's suggestion

- A limited amount of funding is withheld; your comment (optional)
- No financial implications; your comment (optional)
- Information not available; your comment (optional)

13. Limitation of public funding of persons

Is sport-related financial assistance provided by public authorities withheld from banned athletes or athlete support personnel during the period of their suspension?

- Yes, all funding is withheld; your comment (optional)
- A limited amount of funding is withheld; your comment (optional)
- No; your comment (optional)
- Not applicable (no sport-related financial assistance is provided by public authorities to athletes or support personnel); your comment (optional)
- Information not available; your comment (optional)

14. Testing programme

Does your country have a national testing programme?

- Yes
- No, please explain

15. Elements of the Testing Program

What elements of the testing program are implemented by the national anti-doping organisation?

- Risk Assessment and Test Distribution Planning (TDP)
- Registered Testing Pool
- Random selection of athletes
- Targeted selection of athletes
- In-competition testing
- Out-of-competition testing
- No-advance notice testing
- Blood testing
- Athlete Biological Passport (ABP) modules
- Other elements, please specify
- If some elements are implemented by another body, please specify which body

16. Quality certificate

Is your NADO or part of its procedures certified according to a quality standard (such as ISO, iNADO or any other quality assurance system)?

- Yes, please specify which standard, its scope and validity:

In progress, please specify

No; your comment (optional)

17. NADO staff 

Please outline below how many staff are involved in the coordination and management of your anti-doping programs.

Min numeric value allowed : 0

Staff full time

Staff part time

Volunteers

Committee members

Data not available

18. Sample Collection Personnel 

Do you have Sample Collection Personnel (SCP) ?

Yes

No, please explain

19. Number of DCOs and BCOs 

How many Doping Control Officers (DCOs), Blood Control Officers (BCOs) and chaperones are in your sample collection personnel program?

Min numeric value allowed : 0

DCOs; your comment (optional)

BCOs; your comment (optional)

Chaperones; your comment (optional)

Data not available

20. Laboratory 

Is there a doping control laboratory in your country?

Yes, accredited by WADA

Yes, but accreditation by WADA is pending

Accredited by WADA for athlete biological passport

No, we send samples to the WADA accredited laboratories in:ATHENS' LAB accreditation suspended on 01/10/2019, samples were directed to DOHA after suspension(city)

Not available

21. Testing statistics 

How many samples were collected under your national testing program in the year 2019?

	Urine	Blood (including ABP)
In-competition testing Min numeric value allowed : 0	786	0
Out-of-competition testing Min numeric value allowed : 0	194	0

[] Data not available

22. Testing abroad

Did you test athletes under your authority who reside or train abroad (directly or by subcontracting another ADO)?

- () Yes; your comment (optional)
- (X) Not in 2019, but we have authorisation to do so; your comment (optional)
- () No, we do not have authorisation to do so; your comment (optional)

23. Disciplinary system

What are the disciplinary bodies for doping offences, i.e. the main body imposing sanctions on athletes and other persons?

	–	–
State authority	no	no
NADO	no	no
NOC	no	no
National sport federations	no	no
international sport federations	no	no
Independent disciplinary body	yes	yes
Professional associations	no	no
Other, please specify	no	no

24. Appeals system

What is the body handling appeals against disciplinary measures?

- () State authority; your comment (optional)
- () National sports federations; your comment (optional)
- () International sports federations; your comment (optional)
- (X) Independent court of arbitration; your comment (optional)
- () Court of Arbitration in Sport (CAS); your comment (optional)

() Other, please specify :

25. Anti-doping rule violations (ADRV)

How many anti-doping rule violations cases were initiated in 2019 and how many of these initiated cases resulted in the imposition of a sanction?

	Initiated cases	Cases that resulted in a sanction	Cases that resulted in no sanction
Presence of a prohibited substance or its Metabolites or markers in an athlete's sample Min numeric value allowed : 0	8	3	0
Use or attempted use by an athlete of a Prohibited substance or a prohibited method Min numeric value allowed : 0	8	3	0
Evading, Refusing or Failing to Submit to Sample Collection Min numeric value allowed : 0	1	1	0
Whereabouts Failures Min numeric value allowed : 0	0	0	0
Tampering or attempted tampering with any part of doping control Min numeric value allowed : 0	0	0	0
Possession of prohibited substances and prohibited methods Min numeric value allowed : 0	0	0	0
Trafficking or attempted trafficking in any prohibited substance or prohibited method Min numeric value allowed : 0	0	0	0
Administration or attempted administration to any athlete of any Prohibited method or prohibited substance Min numeric value allowed : 0	0	0	0
Complicity Min numeric value allowed : 0	0	0	0
Prohibited Association Min numeric value allowed : 0	0	0	0

[] Data not available

26. Whereabouts failures

How many of the following whereabouts failures have you registered in 2019?

[4] One missed test or filing failure

[0] Any combination of two missed tests and/or filing failures

[] Data not available

27. Sanctions for doping trafficking

Are there specific penalties or sanctions for illegal circulation of doping substances, in addition to those regulating the movement of medicines and narcotics?

- Criminal penalties, please specify L. 2725/1999 as amended
- Financial penalties, please specify
- Administrative or civil sanctions, please specify L. 4373/2016 (NADO's rules according to WADC provisions)
- Professional disciplinary actions, please specify
- None of above, please explain
- Not available; your comment (optional)

28. Co-operation with law enforcement agencies

What measures have been taken to improve co-operation with law enforcement agencies in limiting illegal availability of doping substances?

- Law, please specify L. 4049/2012
- Agreement, please specify
- Ad hoc activities, please specify
- Other, please specify
- None; your comment (optional)

29. Statistics on doping trafficking

Do law enforcement agencies share data on the seizure of doping substances with the national anti-doping organisation:

- Yes, please specify how many seizures have been reported in 2019:
- No; your comment (optional)
- Other, please specify :

30. Organisation of anti-doping education

Which organisations are involved in coordinating and/or implementing anti-doping education programs?

- National anti-doping organisation
- Ministry responsible for sport
- Ministry responsible for education
- Ministry responsible for health
- Other governmental body
- National sport federations
- Regional/municipal sport organisations
- Universities
- Schools
- Sport clubs

[] Other bodies

31. Anti-doping education themes

What types of anti-doping message are provided for different target groups?

	elite athletes	young athletes	recreational athletes	sports officials	coaches	medical personnel	school pupils	media	general public	other
National and International Anti-Doping Rules	[X]	[X]	[]	[X]	[X]	[X]	[]	[]	[]	[]

32. Nutritional supplements

What measures have been taken to address the problems related to nutritional supplements in sport?

- [] Restrict availability
- [] Control of production
- [] Provide quality assurance
- [] Comprehensive labelling
- [] Limit advertising and promotion
- [X] Educational and informational measures

Other, please specify:

33. Anti-doping research ●

Has any anti-doping research been undertaken or supported?

- Yes; your comment (optional)
- Yes, to a limited extent; your comment (optional) By Universities' researchers in collaboration with NADO
- No; your comment (optional)

34. Areas of anti-doping research ●

What are the areas of anti-doping research?

- Doping prevention
- Detection methods
- Behavioural and social aspects of doping
- Health consequences of doping
- Physiological and psychological training programmes
- Emerging substances or methods
- Alternative testing methods
- None
- Other; your comment (optional)

35. Publication of anti-doping research ●

How many articles with the results of this research have been published in peer-reviewed scientific journals?

- in 2019; your comment (optional)
- Data not available

36. International agreements ●

Has your country signed any agreements with other Anti-Doping Organizations (ADOs) or agreements on anti-doping with any other organisation or State concerning the following:

	Yes or No; if applicable please explain or upload the document (below)
(a) Sharing of information	No
(b) Law enforcement cooperation	No
(c) Athlete Biological Passport sharing or coordination	No
(d) General cooperation	No

Data not available

Implementation of anti-doping policies in 2019 - Hungary

Questionnaire on implementation of anti-doping policies in 2019 0.1

Objective :

In order to implement the requirements of the Article 9 of the Anti-Doping Convention, the online annual questionnaire is ready for collection of data regarding anti-doping policies in 2019.

Instruction :

For detailed instructions please select the links to documentation at the top of the page.

In case you face any problems which would prevent you from filling in the questionnaire, please report it to us by e-mail sport.t-do@coe.int

You are kindly requested to fill in, save and post your country's data for 2019 before 30 April 2020.

Questions :

1. Number of Athletes

Please estimate the number of athletes in the following categories within your country:

international-level athletes (as defined by the World Anti-Doping Code)

Min numeric value allowed : 0

[] your comment (optional)

Data not available

national-level athletes (as defined by the World Anti-Doping Code)

Min numeric value allowed : 0

[501000] your comment (optional)

Data not available

other athletes (including recreational athletes)

Min numeric value allowed : 0

[] your comment (optional)

Data not available

number of athletes in your national Registered Testing Pool (as defined by the World Anti-Doping Code)

Min numeric value allowed : 0

[83] your comment (optional)

Data not available

number of athletes at the last Summer Olympic games

Min numeric value allowed : 0

[156] your comment (optional)

Data not available

number of athletes at the last Winter Olympic games

Min numeric value allowed : 0

[19] your comment (optional)

[] Data not available

number of athletes at the last Summer Paralympic games

Min numeric value allowed : 0

[43] your comment (optional)

[] Data not available

number of athletes at the last Winter Paralympic games

Min numeric value allowed : 0

[2] your comment (optional)

[] Data not available

2. Doping definition

What is the definition of "Doping in Sport" used in your country?

[] Council of Europe Anti-Doping Convention. Your comment (optional)

[] UNESCO International Convention against doping in sport. Your comment (optional)

[X] World Anti-Doping Code. Your comment (optional)

[] Other, please specify (e.g. national law) :

3. Doping List

Which list of banned pharmacological classes of doping agents and doping methods (i.e. Prohibited List) is implemented in your country?

[X] Prohibited list, as adopted by the Executive Committee of WADA. Your comment (optional)

[] List of banned pharmacological classes of doping agents and doping methods, as adopted by the Monitoring Group (TDO). Your comment (optional)

[X] Prohibited list, as adopted by the Conference of Parties of the International Convention against Doping in Sport (UNESCO) Your comment (optional)

[] Other, please specify :

4. Additional doping lists

For the purposes of restricting availability of doping substances are there other lists than those defined in question 4?

() Yes, please specify:

(X) No. Your comment (optional)

5. Anti-doping laws

Are there any anti-doping laws in your country?

[X] Anti-doping law. Your comment (optional)

[] Other formal regulations, please specify:

[] No. Your comment (optional)

Attachments

 Decree No. 43-2011 -III.23. of the Government on the rules of anti-doping activities.pdf

6. National anti-doping organisation (NADO)

What is the legal status of your national anti-doping organisation? Please upload the statutes, if possible

- Public authority. Your comment (optional)
- Non-governmental organisation. Your comment (optional)
- Private company. Your comment (optional)
- National Olympic Committee. Your comment (optional)
- Other, please specify :

7. NADO activities

Which of the activities below are conducted by your national anti-doping organisation? Please upload the organisational chart, if possible

	Yes. Your comment (optional)	No, please specify which organisation is in charge:
Co-ordination of action by public authorities	<input type="checkbox"/>	<input checked="" type="checkbox"/> State Secretariat for Sport
Coordination of the fight against trafficking	<input type="checkbox"/>	<input checked="" type="checkbox"/> National Police Headquarters
Testing (doping control)	<input checked="" type="checkbox"/>	<input type="checkbox"/>
Results management	<input checked="" type="checkbox"/>	<input type="checkbox"/>
Disciplinary procedures	<input checked="" type="checkbox"/>	<input type="checkbox"/>
Education and/or information	<input checked="" type="checkbox"/>	<input type="checkbox"/>
Research	<input checked="" type="checkbox"/>	<input type="checkbox"/>

8. Funding of anti-doping program

What was your annual anti-doping budget for the 2019 calendar year?

Min numeric value allowed : 0

[1160000] amountEURCurrency

[] Data not available

9. Funding sources

How is the anti-doping program funded? Please select all that apply and indicate an estimate in percentages:

- Government100%
- National Lottery program0%
- National Olympic Committee (NOC)0%

Other Sports Organization(s)0%

Fee for service0%

Private0%

Other0%

10. Distribution of funding

What percentage of your annual anti-doping budget is put towards the following core programs?

25] Testing (including equipment, transportation, Sample Collection Personnel (SCP) fees)

23] Sample analysis

0.5] Investigations

10] Education

2] Research

15] Results Management/Legal

3.5] Therapeutic Use Exemptions (TUEs)

21] Other (e.g. remuneration, administration) operational costs in total

Data not available

11. Sport Budget

What amount has been allocated to the sport budget from the state budget for the year 2019?

333345000] amountEURcurrency

Data not available

12. Limiting public funding to organisations

Is public funding withheld from organisations that do not comply with anti-doping regulations and related legal instruments?

Yes, all funding is withheld; your comment (optional)

A limited amount of funding is withheld; your comment (optional)

No financial implications; your comment (optional)

Information not available; your comment (optional)

13. Limitation of public funding of persons

Is sport-related financial assistance provided by public authorities withheld from banned athletes or athlete support personnel during the period of their suspension?

Yes, all funding is withheld; your comment (optional)

A limited amount of funding is withheld; your comment (optional)

No; your comment (optional)

Not applicable (no sport-related financial assistance is provided by public authorities to athletes or support personnel); your comment (optional)

Information not available; your comment (optional)

14. Testing programme 

Does your country have a national testing programme?

Yes

No, please explain

15. Elements of the Testing Program 

What elements of the testing program are implemented by the national anti-doping organisation?

Risk Assessment and Test Distribution Planning (TDP)

Registered Testing Pool

Random selection of athletes

Targeted selection of athletes

In-competition testing

Out-of-competition testing

No-advance notice testing

Blood testing

Athlete Biological Passport (ABP) modules

Other elements, please specify Rapid drug testing, breath testing (alcohol testing)

If some elements are implemented by another body, please specify which body

16. Quality certificate 

Is your NADO or part of its procedures certified according to a quality standard (such as ISO, iNADO or any other quality assurance system)?

Yes, please specify which standard, its scope and validity: ISO 9001:2015 find attached the Certification the next yearly audit will be 26-04-2021

In progress, please specify

No; your comment (optional)

Attachments

 tanúsítvány HU18578-19 ISO 9001-2015 angol.pdf

17. NADO staff 

Please outline below how many staff are involved in the coordination and management of your anti-doping programs.

Min numeric value allowed : 0

Staff full time

Staff part time

[15] Volunteers

[4] Committee members

[] Data not available

18. Sample Collection Personnel ●

Do you have Sample Collection Personnel (SCP) ?

(X) Yes

() No, please explain

19. Number of DCOs and BCOs ●

How many Doping Control Officers (DCOs), Blood Control Officers (BCOs) and chaperones are in your sample collection personnel program?

Min numeric value allowed : 0

[37] DCOs; your comment (optional)

[8] BCOs; your comment (optional)they all have medical background and they are DCOs as well

[15] Chaperones; your comment (optional)not a permanent group currently we have 15 volunteers but we would like to expand it

[] Data not available

20. Laboratory ●

Is there a doping control laboratory in your country?

[] Yes, accredited by WADA

[] Yes, but accreditation by WADA is pending

[] Accredited by WADA for athlete biological passport

[X] No, we send samples to the WADA accredited laboratories in:Seibersdorf(city)

[] Not available

21. Testing statistics ●

How many samples were collected under your national testing program in the year 2019?

	Urine	Blood (including ABP)
In-competition testing Min numeric value allowed : 0	512	0
Out-of-competition testing Min numeric value allowed : 0	613	375

[] Data not available

22. Testing abroad ●

Did you test athletes under your authority who reside or train abroad (directly or by subcontracting another ADO)?

Yes; your comment (optional) based on NADO-NADO cooperation we tested Hungarian athletes in foreign training camp

Not in 2019, but we have authorisation to do so; your comment (optional)

No, we do not have authorisation to do so; your comment (optional)

23. Disciplinary system

What are the disciplinary bodies for doping offences, i.e. the main body imposing sanctions on athletes and other persons?

	–	–
State authority	No	No
NADO	Yes	Yes
NOC	No	No
National sport federations	No	No
international sport federations	No	No
Independent disciplinary body	No	No
Professional associations	No	No
Other, please specify	No	No

24. Appeals system

What is the body handling appeals against disciplinary measures?

State authority; your comment (optional)

National sports federations; your comment (optional)

International sports federations; your comment (optional)

Independent court of arbitration; your comment (optional)

Court of Arbitration in Sport (CAS); your comment (optional)

Other, please specify :

25. Anti-doping rule violations (ADRV)

How many anti-doping rule violations cases were initiated in 2019 and how many of these initiated cases resulted in the imposition of a sanction?

	Initiated cases	Cases that resulted in a sanction	Cases that resulted in no sanction
Presence of a prohibited substance or its Metabolites or markers in an athlete's sample Min numeric value allowed : 0	19	17	2

Use or attempted use by an athlete of a Prohibited substance or a prohibited method Min numeric value allowed : 0	0	0	0
Evading, Refusing or Failing to Submit to Sample Collection Min numeric value allowed : 0	1	1	0
Whereabouts Failures Min numeric value allowed : 0	0	0	0
Tampering or attempted tampering with any part of doping control Min numeric value allowed : 0	0	0	0
Possession of prohibited substances and prohibited methods Min numeric value allowed : 0	0	0	0
Trafficking or attempted trafficking in any prohibited substance or prohibited method Min numeric value allowed : 0	0	0	0
Administration or attempted administration to any athlete of any Prohibited method or prohibited substance Min numeric value allowed : 0	0	0	0
Complicity Min numeric value allowed : 0	0	0	0
Prohibited Association Min numeric value allowed : 0	0	0	0

Data not available

26. Whereabouts failures

How many of the following whereabouts failures have you registered in 2019?

[68] One missed test or filing failure

[6] Any combination of two missed tests and/or filing failures

[] Data not available

27. Sanctions for doping trafficking

Are there specific penalties or sanctions for illegal circulation of doping substances, in addition to those regulating the movement of medicines and narcotics?

[X] Criminal penalties, please specify Criminal Code, Section 185

[] Financial penalties, please specify

[] Administrative or civil sanctions, please specify

[] Professional disciplinary actions, please specify

[] None of above, please explain

[] Not available; your comment (optional)

Attachments

 Act 100 of 2012 on the New Criminal Code_EXTRACT.pdf

28. Co-operation with law enforcement agencies 

What measures have been taken to improve co-operation with law enforcement agencies in limiting illegal availability of doping substances?

- Law, please specify Act 100 of 2012 on the Criminal Code, Article 185 (Criminal Offenses with Performance Enhancers)
- Agreement, please specify between HUNADO and Hungarian National Police Headquarters
- Ad hoc activities, please specify Education programme for law enforcement officers
- Other, please specify Joint press releases, joint education campaigns
- None; your comment (optional)

29. Statistics on doping trafficking 

Do law enforcement agencies share data on the seizure of doping substances with the national anti-doping organisation:

- Yes, please specify how many seizures have been reported in 2019: Not automatically every year. We get information about only the closed cases.
- No; your comment (optional)
- Other, please specify :

30. Organisation of anti-doping education 

Which organisations are involved in coordinating and/or implementing anti-doping education programs?

- National anti-doping organisation
- Ministry responsible for sport
- Ministry responsible for education
- Ministry responsible for health
- Other governmental body
- National sport federations
- Regional/municipal sport organisations
- Universities
- Schools
- Sport clubs
- Other bodies

31. Anti-doping education themes 

What types of anti-doping message are provided for different target groups?

elite athletes	young athletes	recreational athletes	sports officials	coaches	medical personnel	school pupils	media	general public	other

32. Nutritional supplements

What measures have been taken to address the problems related to nutritional supplements in sport?

- Restrict availability
- Control of production
- Provide quality assurance
- Comprehensive labelling
- Limit advertising and promotion
- Educational and informational measures

Other, please specify: Setting up and operating Sports Nutrition Research Centre which provides services and consultation for athletes supported

33. Anti-doping research

Has any anti-doping research been undertaken or supported?

- Yes; your comment (optional)
- Yes, to a limited extent; your comment (optional) just social research - our budget is very limited

() No; your comment (optional)

34. Areas of anti-doping research 

What are the areas of anti-doping research?

- Doping prevention
- Detection methods
- Behavioural and social aspects of doping
- Health consequences of doping
- Physiological and psychological training programmes
- Emerging substances or methods
- Alternative testing methods
- None
- Other; your comment (optional)

35. Publication of anti-doping research 

How many articles with the results of this research have been published in peer-reviewed scientific journals?

- 1 in 2019; your comment (optional) Hungarian Review of Sports Medicine
- Data not available

36. International agreements 

Has your country signed any agreements with other Anti-Doping Organizations (ADOs) or agreements on anti-doping with any other organisation or State concerning the following:

	Yes or No; if applicable please explain or upload the document (below)
(a) Sharing of information	Yes
(b) Law enforcement cooperation	Yes
(c) Athlete Biological Passport sharing or coordination	Yes
(d) General cooperation	Yes

2. Doping definition

What is the definition of "Doping in Sport" used in your country?

[] Council of Europe Anti-Doping Convention. Your comment (optional)

[] UNESCO International Convention against doping in sport. Your comment (optional)

[X] World Anti-Doping Code. Your comment (optional)

[] Other, please specify (e.g. national law) :

3. Doping List

Which list of banned pharmacological classes of doping agents and doping methods (i.e. Prohibited List) is implemented in your country?

[X] Prohibited list, as adopted by the Executive Committee of WADA. Your comment (optional)

[] List of banned pharmacological classes of doping agents and doping methods, as adopted by the Monitoring Group (TDO). Your comment (optional)

[] Prohibited list, as adopted by the Conference of Parties of the International Convention against Doping in Sport (UNESCO) Your comment (optional)

[] Other, please specify :

4. Additional doping lists

For the purposes of restricting availability of doping substances are there other lists than those defined in question 4?

(X) Yes, please specify: National criminal legislation on particular PEDs (AAS, GHs, EPO)

() No. Your comment (optional)

5. Anti-doping laws

Are there any anti-doping laws in your country?

[] Anti-doping law. Your comment (optional)

[X] Other formal regulations, please specify: Under national criminal law, there is a list of performance enhancing drugs.

Distribution, sale, importing, exporting, manufacturing and possessing EPO/ESAs, anabolic substances and agents, and GHs and GHRFs

and agents is illegal

No. Your comment (optional)

6. National anti-doping organisation (NADO) 

What is the legal status of your national anti-doping organisation? Please upload the statutes, if possible

- Public authority. Your comment (optional)
- Non-governmental organisation. Your comment (optional)
- Private company. Your comment (optional)
- National Olympic Committee. Your comment (optional)
- Other, please specify :

7. NADO activities 

Which of the activities below are conducted by your national anti-doping organisation? Please upload the organisational chart, if possible

	Yes. Your comment (optional)	No, please specify which organisation is in charge:
Co-ordination of action by public authorities	<input type="checkbox"/>	<input checked="" type="checkbox"/> Ministry of Education, Culture and Science
Coordination of the fight against trafficking	<input type="checkbox"/>	<input checked="" type="checkbox"/> Police and Customs
Testing (doping control)	<input checked="" type="checkbox"/>	<input type="checkbox"/>
Results management	<input checked="" type="checkbox"/>	<input type="checkbox"/>

Education and/or information	<input checked="" type="checkbox"/>	<input type="checkbox"/>
Research	<input checked="" type="checkbox"/>	<input type="checkbox"/>

8. Funding of anti-doping program 

What was your annual anti-doping budget for the 2019 calendar year?

Min numeric value allowed : 0

[25500000] amountISKCurrency

Data not available

9. Funding sources 

How is the anti-doping program funded? Please select all that apply and indicate an estimate in percentages:

- Government90%
- National Lottery program %

- National Olympic Committee (NOC) 10%
- Other Sports Organization(s) %
- Fee for service %
- Private %
- Other %

10. Distribution of funding ●

What percentage of your annual anti-doping budget is put towards the following core programs?

- 20] Testing (including equipment, transportation, Sample Collection Personnel (SCP) fees)
- 30] Sample analysis
- 0] Investigations
- 10] Education
- 0] Research
- 0] Results Management/Legal
- 0] Therapeutic Use Exemptions (TUEs)
- 40] Other (e.g. remuneration, administration)
- Data not available

11. Sport Budget ●

What amount has been allocated to the sport budget from the state budget for the year 2019?

- amount currency
- Data not available

12. Limiting public funding to organisations ●

Is public funding withheld from organisations that do not comply with anti-doping regulations and related legal instruments?

- Yes, all funding is withheld; your comment (optional)
- A limited amount of funding is withheld; your comment (optional)
- No financial implications; your comment (optional)
- Information not available; your comment (optional)

13. Limitation of public funding of persons ●

Is sport-related financial assistance provided by public authorities withheld from banned athletes or athlete support personnel during the period of their suspension?

- Yes, all funding is withheld; your comment (optional)
- A limited amount of funding is withheld; your comment (optional)

No; your comment (optional)

Not applicable (no sport-related financial assistance is provided by public authorities to athletes or support personnel); your comment (optional)

Information not available; your comment (optional)

14. Testing programme

Does your country have a national testing programme?

Yes

No, please explain

15. Elements of the Testing Program

What elements of the testing program are implemented by the national anti-doping organisation?

Risk Assessment and Test Distribution Planning (TDP)

Registered Testing Pool

Random selection of athletes

Targeted selection of athletes

In-competition testing

Out-of-competition testing

No-advance notice testing

Blood testing

Athlete Biological Passport (ABP) modules

Other elements, please specify

If some elements are implemented by another body, please specify which body

16. Quality certificate

Is your NADO or part of its procedures certified according to a quality standard (such as ISO, iNADO or any other quality assurance system)?

Yes, please specify which standard, its scope and validity: iNADO member since 2015

In progress, please specify

No; your comment (optional)

17. NADO staff

Please outline below how many staff are involved in the coordination and management of your anti-doping programs.

Min numeric value allowed : 0

Staff full time

Staff part time

Volunteers

[9] Committee members

[] Data not available

18. Sample Collection Personnel ●

Do you have Sample Collection Personnel (SCP) ?

(X) Yes

() No, please explain

19. Number of DCOs and BCOs ●

How many Doping Control Officers (DCOs), Blood Control Officers (BCOs) and chaperones are in your sample collection personnel program?

Min numeric value allowed : 0

[10] DCOs; your comment (optional)

[2] BCOs; your comment (optional)

[0] Chaperones; your comment (optional)

[] Data not available

20. Laboratory ●

Is there a doping control laboratory in your country?

[] Yes, accredited by WADA

[] Yes, but accreditation by WADA is pending

[] Accredited by WADA for athlete biological passport

[X] No, we send samples to the WADA accredited laboratories in:Huddinge(city)

[] Not available

21. Testing statistics ●

How many samples were collected under your national testing program in the year 2019?

	Urine	Blood (including ABP)
In-competition testing Min numeric value allowed : 0	43	0
Out-of-competition testing Min numeric value allowed : 0	53	0

[] Data not available

22. Testing abroad ●

Did you test athletes under your authority who reside or train abroad (directly or by subcontracting another ADO)?

() Yes; your comment (optional)

(X) Not in 2019, but we have authorisation to do so; your comment (optional)

() No, we do not have authorisation to do so; your comment (optional)

23. Disciplinary system

What are the disciplinary bodies for doping offences, i.e. the main body imposing sanctions on athletes and other persons?

	–	–
State authority	no	no
NADO	yes	yes
NOC	yes	yes
National sport federations	no	no
international sport federations	no	no
Independent disciplinary body	no	no
Professional associations	no	no
Other, please specify	no	no

24. Appeals system

What is the body handling appeals against disciplinary measures?

() State authority; your comment (optional)

() National sports federations; your comment (optional)

() International sports federations; your comment (optional)

(X) Independent court of arbitration; your comment (optional)NOC’s appellate court

() Court of Arbitration in Sport (CAS); your comment (optional)

() Other, please specify :

25. Anti-doping rule violations (ADRV)

How many anti-doping rule violations cases were initiated in 2019 and how many of these initiated cases resulted in the imposition of a sanction?

	Initiated cases	Cases that resulted in a sanction	Cases that resulted in no sanction
Presence of a prohibited substance or its Metabolites or markers in an athlete’s sample Min numeric value allowed : 0	0	0	0

Use or attempted use by an athlete of a Prohibited substance or a prohibited method Min numeric value allowed : 0	0	0	0
Evading, Refusing or Failing to Submit to Sample Collection Min numeric value allowed : 0	0	0	0
Whereabouts Failures Min numeric value allowed : 0	0	0	0
Tampering or attempted tampering with any part of doping control Min numeric value allowed : 0	0	0	0
Possession of prohibited substances and prohibited methods Min numeric value allowed : 0	0	0	0
Trafficking or attempted trafficking in any prohibited substance or prohibited method Min numeric value allowed : 0	0	0	0
Administration or attempted administration to any athlete of any Prohibited method or prohibited substance Min numeric value allowed : 0	0	0	0
Complicity Min numeric value allowed : 0	0	0	0
Prohibited Association Min numeric value allowed : 0	0	0	0

Data not available

26. Whereabouts failures 

How many of the following whereabouts failures have you registered in 2019?

- One missed test or filing failure
- Any combination of two missed tests and/or filing failures
- Data not available

27. Sanctions for doping trafficking 

Are there specific penalties or sanctions for illegal circulation of doping substances, in addition to those regulating the movement of medicines and narcotics?

- Criminal penalties, please specify National legislation as mentioned in question 4
- Financial penalties, please specify
- Administrative or civil sanctions, please specify
- Professional disciplinary actions, please specify
- None of above, please explain
- Not available; your comment (optional)

28. Co-operation with law enforcement agencies

What measures have been taken to improve co-operation with law enforcement agencies in limiting illegal availability of doping substances?

- Law, please specify
- Agreement, please specify
- Ad hoc activities, please specify
- Other, please specify
- None; your comment (optional)

29. Statistics on doping trafficking

Do law enforcement agencies share data on the seizure of doping substances with the national anti-doping organisation:

- Yes, please specify how many seizures have been reported in 2019:
- No; your comment (optional)
- Other, please specify :

30. Organisation of anti-doping education

Which organisations are involved in coordinating and/or implementing anti-doping education programs?

- National anti-doping organisation
- Ministry responsible for sport
- Ministry responsible for education
- Ministry responsible for health
- Other governmental body
- National sport federations
- Regional/municipal sport organisations
- Universities
- Schools
- Sport clubs
- Other bodies

31. Anti-doping education themes

What types of anti-doping message are provided for different target groups?

	elite athletes	young athletes	recreational athletes	sports officials	coaches	medical personnel	school pupils	media	general public	other
National and International Anti-Doping Rules	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>

Harm of doping to the spirit of sport	[X]	[X]	[X]	[X]	[X]	[]	[]	[]	[]	[]

32. Nutritional supplements

What measures have been taken to address the problems related to nutritional supplements in sport?

- [] Restrict availability
- [] Control of production
- [] Provide quality assurance
- [X] Comprehensive labelling
- [] Limit advertising and promotion
- [X] Educational and informational measures
- [] Other, please specify:

33. Anti-doping research

Has any anti-doping research been undertaken or supported?

- () Yes; your comment (optional)
- (X) Yes, to a limited extent; your comment (optional)
- () No; your comment (optional)

34. Areas of anti-doping research

What are the areas of anti-doping research?

- Doping prevention
- Detection methods
- Behavioural and social aspects of doping
- Health consequences of doping
- Physiological and psychological training programmes
- Emerging substances or methods
- Alternative testing methods
- None
- Other; your comment (optional)

35. Publication of anti-doping research ●

How many articles with the results of this research have been published in peer-reviewed scientific journals?

- in 2019; your comment (optional)
- Data not available

36. International agreements ●

Has your country signed any agreements with other Anti-Doping Organizations (ADOs) or agreements on anti-doping with any other organisation or State concerning the following:

	Yes or No; if applicable please explain or upload the document (below)
(a) Sharing of information	no
(b) Law enforcement cooperation	no
(c) Athlete Biological Passport sharing or coordination	yes
(d) General cooperation	yes

ADQ
Anti-Doping Questionnaire

Implementation of anti-doping policies in 2019 - Ireland

Questionnaire on implementation of anti-doping policies in 2019 0.1

Objective :

In order to implement the requirements of the Article 9 of the Anti-Doping Convention, the online annual questionnaire is

ready for collection of data regarding anti-doping policies in 2019.

Instruction :

For detailed instructions please select the links to documentation at the top of the page.

In case you face any problems which would prevent you from filling in the questionnaire, please report it to us by e-mail sport.t-do@coe.int

You are kindly requested to fill in, save and post your country's data for 2019 before 30 April 2020.

Questions :

1. Number of Athletes

Please estimate the number of athletes in the following categories within your country:

international-level athletes (as defined by the World Anti-Doping Code)

Min numeric value allowed : 0

[400] your comment (optional)

Data not available

national-level athletes (as defined by the World Anti-Doping Code)

Min numeric value allowed : 0

[133] your comment (optional)

Data not available

other athletes (including recreational athletes)

Min numeric value allowed : 0

[] your comment (optional)

Data not available

number of athletes in your national Registered Testing Pool (as defined by the World Anti-Doping Code)

Min numeric value allowed : 0

[133] your comment (optional)

Data not available

number of athletes at the last Summer Olympic games

Min numeric value allowed : 0

[77] your comment (optional)

Data not available

number of athletes at the last Winter Olympic games

Min numeric value allowed : 0

[5] your comment (optional)

Data not available

number of athletes at the last Summer Paralympic games

Min numeric value allowed : 0

[46] your comment (optional)

Data not available

number of athletes at the last Winter Paralympic games

Min numeric value allowed : 0

[0] your comment (optional)

[] Data not available

2. Doping definition

What is the definition of "Doping in Sport" used in your country?

[] Council of Europe Anti-Doping Convention. Your comment (optional)

[] UNESCO International Convention against doping in sport. Your comment (optional)

[X] World Anti-Doping Code. Your comment (optional)

[] Other, please specify (e.g. national law) :

3. Doping List

Which list of banned pharmacological classes of doping agents and doping methods (i.e. Prohibited List) is implemented in your country?

[X] Prohibited list, as adopted by the Executive Committee of WADA. Your comment (optional)

.....

[] List of banned pharmacological classes of doping agents and doping methods, as adopted by the Monitoring Group (TDO). Your comment (optional)

[] Prohibited list, as adopted by the Conference of Parties of the International Convention against Doping in Sport (UNESCO) Your comment (optional)

[] Other, please specify :

4. Additional doping lists

For the purposes of restricting availability of doping substances are there other lists than those defined in question 4?

() Yes, please specify:

(X) No. Your comment (optional)

5. Anti-doping laws

Are there any anti-doping laws in your country?

[X] Anti-doping law. Your comment (optional)

[] Other formal regulations, please specify:

[] No. Your comment (optional)

6. National anti-doping organisation (NADO)

What is the legal status of your national anti-doping organisation? Please upload the statutes, if possible

(X) Public authority. Your comment (optional)

() Non-governmental organisation. Your comment (optional)

() Private company. Your comment (optional)

() National Olympic Committee. Your comment (optional)

() Other, please specify :

7. NADO activities

Which of the activities below are conducted by your national anti-doping organisation? Please upload the organisational chart, if possible

	Yes. Your comment (optional)	No, please specify which organisation is in charge:
Co-ordination of action by public authorities	(X)	()
Coordination of the fight against trafficking	()	(X) HPRA
Testing (doping control)	(X)	()
Results management	(X)	()
Disciplinary procedures	(X)	()
Education and/or information	(X)	()
Research	(X)	()

8. Funding of anti-doping program

What was your annual anti-doping budget for the 2019 calendar year?

Min numeric value allowed : 0

[1900000] amounteuroCurrency

[] Data not available

9. Funding sources

How is the anti-doping program funded? Please select all that apply and indicate an estimate in percentages:

[X] Government 100%

[] National Lottery program %

[] National Olympic Committee (NOC) %

[] Other Sports Organization(s) %

[] Fee for service %

[] Private %

[] Other %

10. Distribution of funding

What percentage of your annual anti-doping budget is put towards the following core programs?

[38] Testing (including equipment, transportation, Sample Collection Personnel (SCP) fees)

- [12] Sample analysis
- [0] Investigations
- [2] Education
- [0] Research
- [11] Results Management/Legal
- [1] Therapeutic Use Exemptions (TUEs)
- [36] Other (e.g. remuneration, administration)
- [] Data not available

11. Sport Budget

What amount has been allocated to the sport budget from the state budget for the year 2019?

- [63500000] amounteurocurrency
- [] Data not available

12. Limiting public funding to organisations

Is public funding withheld from organisations that do not comply with anti-doping regulations and related legal instruments?

- (X) Yes, all funding is withheld; your comment (optional)
- () A limited amount of funding is withheld; your comment (optional)
- () No financial implications; your comment (optional)
- () Information not available; your comment (optional)

13. Limitation of public funding of persons

Is sport-related financial assistance provided by public authorities withheld from banned athletes or athlete support personnel during the period of their suspension?

- (X) Yes, all funding is withheld; your comment (optional)
- () A limited amount of funding is withheld; your comment (optional)
- () No; your comment (optional)
- () Not applicable (no sport-related financial assistance is provided by public authorities to athletes or support personnel); your comment (optional)
- () Information not available; your comment (optional)

14. Testing programme

Does your country have a national testing programme?

- (X) Yes
- () No, please explain

15. Elements of the Testing Program

What elements of the testing program are implemented by the national anti-doping organisation?

- Risk Assessment and Test Distribution Planning (TDP)
- Registered Testing Pool
- Random selection of athletes
- Targeted selection of athletes
- In-competition testing
- Out-of-competition testing
- No-advance notice testing
- Blood testing
- Athlete Biological Passport (ABP) modules
- Other elements, please specify
- If some elements are implemented by another body, please specify which body

16. Quality certificate

Is your NADO or part of its procedures certified according to a quality standard (such as ISO, iNADO or any other quality assurance system)?

Yes, please specify which standard, its scope and validity: ISO 9001-2015 until November 2020. Management and Administration of Doping Control Services including sample collection according to the World Anti-Doping Programme.

In progress, please specify

No; your comment (optional)

17. NADO staff

Please outline below how many staff are involved in the coordination and management of your anti-doping programs.

Min numeric value allowed : 0

Staff full time

Staff part time

Volunteers

Committee members

Data not available

18. Sample Collection Personnel

Do you have Sample Collection Personnel (SCP) ?

Yes

No, please explain

19. Number of DCOs and BCOs

How many Doping Control Officers (DCOs), Blood Control Officers (BCOs) and chaperones are in your sample collection personnel program?

Min numeric value allowed : 0

[14] DCOs; your comment (optional)

[6] BCOs; your comment (optional)

[29] Chaperones; your comment (optional)

[] Data not available

20. Laboratory

Is there a doping control laboratory in your country?

[X] Yes, accredited by WADA

[] Yes, but accreditation by WADA is pending

[] Accredited by WADA for athlete biological passport

[] No, we send samples to the WADA accredited laboratories in: (city)

[] Not available

21. Testing statistics

How many samples were collected under your national testing program in the year 2019?

	Urine	Blood (including ABP)
In-competition testing Min numeric value allowed : 0	280	0
Out-of-competition testing Min numeric value allowed : 0	642	381

[] Data not available

22. Testing abroad

Did you test athletes under your authority who reside or train abroad (directly or by subcontracting another ADO)?

(X) Yes; your comment (optional)

() Not in 2019, but we have authorisation to do so; your comment (optional)

() No, we do not have authorisation to do so; your comment (optional)

23. Disciplinary system

What are the disciplinary bodies for doping offences, i.e. the main body imposing sanctions on athletes and other persons?

	–	–
State authority	No	No

NADO	No	No
NOC	No	No
National sport federations	No	No
international sport federations	No	No
Independent disciplinary body	Yes	Yes
Professional associations	No	No
Other, please specify	No	No

24. Appeals system

What is the body handling appeals against disciplinary measures?

- () State authority; your comment (optional)
- () National sports federations; your comment (optional)
- () International sports federations; your comment (optional)
- () Independent court of arbitration; your comment (optional)
- () Court of Arbitration in Sport (CAS); your comment (optional)
- (X) Other, please specify : Irish Sport Anti-Doping Disciplinary Panel

25. Anti-doping rule violations (ADRV)

How many anti-doping rule violations cases were initiated in 2019 and how many of these initiated cases resulted in the imposition of a sanction?

	Initiated cases	Cases that resulted in a sanction	Cases that resulted in no sanction
Presence of a prohibited substance or its Metabolites or markers in an athlete's sample Min numeric value allowed : 0	5	2	0
Use or attempted use by an athlete of a Prohibited substance or a prohibited method Min numeric value allowed : 0	0	0	0
Evading, Refusing or Failing to Submit to Sample Collection Min numeric value allowed : 0	2	1	0
Whereabouts Failures Min numeric value allowed : 0	0	0	0
Tampering or attempted tampering with any part of doping control Min numeric value allowed : 0	1	0	0

Possession of prohibited substances and prohibited methods Min numeric value allowed : 0	0	0	0
Trafficking or attempted trafficking in any prohibited substance or prohibited method Min numeric value allowed : 0	0	0	0
Administration or attempted administration to any athlete of any Prohibited method or prohibited substance Min numeric value allowed : 0	0	0	0
Complicity Min numeric value allowed : 0	0	0	0
Prohibited Association Min numeric value allowed : 0	0	0	0

Data not available

26. Whereabouts failures 

How many of the following whereabouts failures have you registered in 2019?

- One missed test or filing failure
- Any combination of two missed tests and/or filing failures
- Data not available

27. Sanctions for doping trafficking 

Are there specific penalties or sanctions for illegal circulation of doping substances, in addition to those regulating the movement of medicines and narcotics?

- Criminal penalties, please specify
- Financial penalties, please specify
- Administrative or civil sanctions, please specify
- Professional disciplinary actions, please specify
- None of above, please explain
- Not available; your comment (optional)

28. Co-operation with law enforcement agencies 

What measures have been taken to improve co-operation with law enforcement agencies in limiting illegal availability of doping substances?

- Law, please specify Sport Ireland Act 2015
- Agreement, please specify
- Ad hoc activities, please specify
- Other, please specify
- None; your comment (optional)

29. Statistics on doping trafficking

Do law enforcement agencies share data on the seizure of doping substances with the national anti-doping organisation:

(X) Yes, please specify how many seizures have been reported in 2019: 1018678

() No; your comment (optional)

() Other, please specify :

30. Organisation of anti-doping education

Which organisations are involved in coordinating and/or implementing anti-doping education programs?

[X] National anti-doping organisation

[] Ministry responsible for sport

[] Ministry responsible for education

[] Ministry responsible for health

[] Other governmental body

[X] National sport federations

[] Regional/municipal sport organisations

[X] Universities

[] Schools

[] Sport clubs

[] Other bodies

3. Doping List

Which list of banned pharmacological classes of doping agents and doping methods (i.e. Prohibited List) is implemented in your country?

Prohibited list, as adopted by the Executive Committee of WADA. Your comment (optional)

.....

List of banned pharmacological classes of doping agents and doping methods, as adopted by the Monitoring Group (TDO). Your comment (optional)

Prohibited list, as adopted by the Conference of Parties of the International Convention against Doping in Sport (UNESCO) Your comment (optional)

Other, please specify : Two lists exist: a) the list issued by WADA, adopted by NADO Italia; b) the list issued by the Ministry of Health, adopted by the Commission for the monitoring and control of doping and the protection of health in sporting activities according to the Law 376/2000

4. Additional doping lists

For the purposes of restricting availability of doping substances are there other lists than those defined in question 4?

Yes, please specify:

No. Your comment (optional)

5. Anti-doping laws

Are there any anti-doping laws in your country?

Anti-doping law. Your comment (optional)

Other formal regulations, please specify:

No. Your comment (optional)

6. National anti-doping organisation (NADO)

What is the legal status of your national anti-doping organisation? Please upload the statutes, if possible

Public authority. Your comment (optional)

Non-governmental organisation. Your comment (optional)

Private company. Your comment (optional)

National Olympic Committee. Your comment (optional)

Other, please specify : NADO Italia is the national antidoping organization established under Law n° 230 dated 26 november 2007 ratifying the International Convention against doping in sport adopted by UNESCO and in accordance with the World Anti-Doping Code of which NADO Italia is a signatory

7. NADO activities

Which of the activities below are conducted by your national anti-doping organisation? Please upload the organisational chart, if possible

	Yes. Your comment (optional)	No, please specify which organisation is in charge:
Co-ordination of action by public authorities	()	(X) According to law, the Presidency of the Council of the Ministers – Office for sport - is responsible for general coordination of policies within the scopes of various government departments and other public agencies. In the framework of the anti doping jurisdiction, relevant responsibilities are assigned to NADO Italia
Coordination of the fight against trafficking	()	(X) NAS Carabinieri
Testing (doping control)	(X)	()
Results management	(X)	()
Disciplinary procedures	(X)	()
Education and/or information	(X)	()
Research	()	(X) Ministry of Health

8. Funding of anti-doping program

What was your annual anti-doping budget for the 2019 calendar year?

Min numeric value allowed : 0

[5400000] amounteuroCurrency

[] Data not available

9. Funding sources

How is the anti-doping program funded? Please select all that apply and indicate an estimate in percentages:

- [] Government 100%
- [] National Lottery program %
- [] National Olympic Committee (NOC) %
- [] Other Sports Organization(s) %
- [] Fee for service %
- [] Private %
- [] Other %

10. Distribution of funding

What percentage of your annual anti-doping budget is put towards the following core programs?

[10] Testing (including equipment, transportation, Sample Collection Personnel (SCP) fees)

- [60] Sample analysis
- [5] Investigations
- [5] Education
- [0] Research
- [4] Results Management/Legal
- [5] Therapeutic Use Exemptions (TUEs)
- [11] Other (e.g. remuneration, administration)
- [] Data not available

11. Sport Budget

What amount has been allocated to the sport budget from the state budget for the year 2019?

- [405900000] amounteurocurrency
- [] Data not available

12. Limiting public funding to organisations

Is public funding withheld from organisations that do not comply with anti-doping regulations and related legal instruments?

- (X) Yes, all funding is withheld; your comment (optional)
- () A limited amount of funding is withheld; your comment (optional)
- () No financial implications; your comment (optional)
- () Information not available; your comment (optional)

13. Limitation of public funding of persons

Is sport-related financial assistance provided by public authorities withheld from banned athletes or athlete support personnel during the period of their suspension?

- (X) Yes, all funding is withheld; your comment (optional)
- () A limited amount of funding is withheld; your comment (optional)
- () No; your comment (optional)
- () Not applicable (no sport-related financial assistance is provided by public authorities to athletes or support personnel); your comment (optional)
- () Information not available; your comment (optional)

14. Testing programme

Does your country have a national testing programme?

- (X) Yes
- () No, please explain

15. Elements of the Testing Program

What elements of the testing program are implemented by the national anti-doping organisation?

- Risk Assessment and Test Distribution Planning (TDP)
- Registered Testing Pool
- Random selection of athletes
- Targeted selection of athletes
- In-competition testing
- Out-of-competition testing
- No-advance notice testing
- Blood testing
- Athlete Biological Passport (ABP) modules
- Other elements, please specify
- If some elements are implemented by another body, please specify which body

16. Quality certificate

Is your NADO or part of its procedures certified according to a quality standard (such as ISO, iNADO or any other quality assurance system)?

- Yes, please specify which standard, its scope and validity:
- In progress, please specify ISO9001/ISO17024/ISO17025
- No; your comment (optional)

17. NADO staff

Please outline below how many staff are involved in the coordination and management of your anti-doping programs.

Min numeric value allowed : 0

- Staff full time
- Staff part time
- Volunteers
- Committee members
- Data not available

18. Sample Collection Personnel

Do you have Sample Collection Personnel (SCP) ?

- Yes
- No, please explain

19. Number of DCOs and BCOs

How many Doping Control Officers (DCOs), Blood Control Officers (BCOs) and chaperones are in your sample collection personnel program?

Min numeric value allowed : 0

[259] DCOs; your comment (optional)

[49] BCOs; your comment (optional)

[350] Chaperones; your comment (optional)

[] Data not available

20. Laboratory ●

Is there a doping control laboratory in your country?

[X] Yes, accredited by WADA

[] Yes, but accreditation by WADA is pending

[X] Accredited by WADA for athlete biological passport

[] No, we send samples to the WADA accredited laboratories in: (city)

[] Not available

21. Testing statistics ●

How many samples were collected under your national testing program in the year 2019?

	Urine	Blood (including ABP)
In-competition testing Min numeric value allowed : 0	4944	192
Out-of-competition testing Min numeric value allowed : 0	2731	1155

[] Data not available

22. Testing abroad ●

Did you test athletes under your authority who reside or train abroad (directly or by subcontracting another ADO)?

(X) Yes; your comment (optional)

() Not in 2019, but we have authorisation to do so; your comment (optional)

() No, we do not have authorisation to do so; your comment (optional)

23. Disciplinary system ●

What are the disciplinary bodies for doping offences, i.e. the main body imposing sanctions on athletes and other persons?

	-	-
State authority	no	no

NADO	yes	yes
NOC	no	no
National sport federations	no	no
international sport federations	yes	yes
Independent disciplinary body	yes	yes
Professional associations	no	no
Other, please specify	no	no

24. Appeals system

What is the body handling appeals against disciplinary measures?

- () State authority; your comment (optional)
- () National sports federations; your comment (optional)
- () International sports federations; your comment (optional)
- () Independent court of arbitration; your comment (optional)
- (X) Court of Arbitration in Sport (CAS); your comment (optional)
- () Other, please specify :

25. Anti-doping rule violations (ADRV)

How many anti-doping rule violations cases were initiated in 2019 and how many of these initiated cases resulted in the imposition of a sanction?

	Initiated cases	Cases that resulted in a sanction	Cases that resulted in no sanction
Presence of a prohibited substance or its Metabolites or markers in an athlete's sample Min numeric value allowed : 0	97	90	1
Use or attempted use by an athlete of a Prohibited substance or a prohibited method Min numeric value allowed : 0	74	5	3
Evading, Refusing or Failing to Submit to Sample Collection Min numeric value allowed : 0	8	4	0
Whereabouts Failures Min numeric value allowed : 0	1	1	0
Tampering or attempted tampering with any part of doping control Min numeric value allowed : 0	11	0	1

Possession of prohibited substances and prohibited methods Min numeric value allowed : 0	59	5	1
Trafficking or attempted trafficking in any prohibited substance or prohibited method Min numeric value allowed : 0	56	5	1
Administration or attempted administration to any athlete of any Prohibited method or prohibited substance Min numeric value allowed : 0	13	1	0
Complicity Min numeric value allowed : 0	16	3	1
Prohibited Association Min numeric value allowed : 0	0	0	0

Data not available

26. Whereabouts failures

How many of the following whereabouts failures have you registered in 2019?

[94] One missed test or filing failure

[16] Any combination of two missed tests and/or filing failures

Data not available

27. Sanctions for doping trafficking

Are there specific penalties or sanctions for illegal circulation of doping substances, in addition to those regulating the movement of medicines and narcotics?

[X] Criminal penalties, please specify National Law 376/2000

[] Financial penalties, please specify

[] Administrative or civil sanctions, please specify

[] Professional disciplinary actions, please specify

[] None of above, please explain

[] Not available; your comment (optional)

28. Co-operation with law enforcement agencies

What measures have been taken to improve co-operation with law enforcement agencies in limiting illegal availability of doping substances?

[X] Law, please specify National Law 376/2000

[X] Agreement, please specify Between NADO and NAS Carabinieri

[] Ad hoc activities, please specify

[] Other, please specify

[] None; your comment (optional)

29. Statistics on doping trafficking

Do law enforcement agencies share data on the seizure of doping substances with the national anti-doping organisation:

() Yes, please specify how many seizures have been reported in 2019:

(X) No; your comment (optional)

() Other, please specify :

30. Organisation of anti-doping education

Which organisations are involved in coordinating and/or implementing anti-doping education programs?

[X] National anti-doping organisation

[X] Ministry responsible for sport

[X] Ministry responsible for education

[X] Ministry responsible for health

[] Other governmental body

[X] National sport federations

[X] Regional/municipal sport organisations

[X] Universities

[X] Schools

[X] Sport clubs

[] Other bodies

31. Anti-doping education themes

What types of anti-doping message are provided for different target groups?

	elite athletes	young athletes	recreational athletes	sports officials	coaches	medical personnel	school pupils	media	general public	other
National and International Anti-Doping Rules	[X]	[X]	[X]	[X]	[X]	[X]	[X]	[X]	[X]	[]
Harm of doping to the spirit of sport	[X]	[X]	[X]	[]	[X]	[X]	[X]	[X]	[X]	[]
Athletes and Athlete Support Personnel's rights and responsibilities	[X]	[X]	[X]	[X]	[X]	[]	[]	[X]	[X]	[]
Consequences of doping, including sanctions, health and social consequences	[X]	[X]	[X]	[X]	[X]	[X]	[X]	[X]	[X]	[]

Substances and methods on the Prohibited List	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input type="checkbox"/>
Doping Control procedures	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>	<input type="checkbox"/>
Therapeutic Use Exemptions (TUEs)	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>	<input type="checkbox"/>

32. Nutritional supplements

What measures have been taken to address the problems related to nutritional supplements in sport?

- Restrict availability
- Control of production
- Provide quality assurance
- Comprehensive labelling
- Limit advertising and promotion
- Educational and informational measures
- Other, please specify:

33. Anti-doping research

Has any anti-doping research been undertaken or supported?

- Yes; your comment (optional)
- Yes, to a limited extent; your comment (optional)
- No; your comment (optional)

34. Areas of anti-doping research

What are the areas of anti-doping research?

- Doping prevention
- Detection methods
- Behavioural and social aspects of doping
- Health consequences of doping
- Physiological and psychological training programmes
- Emerging substances or methods
- Alternative testing methods
- None

Other; your comment (optional)

35. Publication of anti-doping research ●

How many articles with the results of this research have been published in peer-reviewed scientific journals?

1 in 2019; your comment (optional)

Data not available

36. International agreements ●

Has your country signed any agreements with other Anti-Doping Organizations (ADOs) or agreements on anti-doping with any other organisation or State concerning the following:

	Yes or No; if applicable please explain or upload the document (below)
(a) Sharing of information	YES
(b) Law enforcement cooperation	NO
(c) Athlete Biological Passport sharing or coordination	YES
(d) General cooperation	YES

Data not available

CONSEIL DE L'EUROPE

ADQ

Anti-Doping Questionnaire

Implementation of anti-doping policies in 2019 - Latvia

Questionnaire on implementation of anti-doping policies in 2019 0.1

Objective :

In order to implement the requirements of the Article 9 of the Anti-Doping Convention, the online annual questionnaire is ready for collection of data regarding anti-doping policies in 2019.

Instruction :

For detailed instructions please select the links to documentation at the top of the page.

In case you face any problems which would prevent you from filling in the questionnaire, please report it to us by e-mail sport.t-do@coe.int

You are kindly requested to fill in, save and post your country's data for 2019 before 30 April 2020.

Questions :

1. Number of Athletes ●

Please estimate the number of athletes in the following categories within your country:

international-level athletes (as defined by the World Anti-Doping Code)

Min numeric value allowed : 0

[3200] your comment (optional) approximately

Data not available

national-level athletes (as defined by the World Anti-Doping Code)

Min numeric value allowed : 0

[22000] your comment (optional) approximately

Data not available

other athletes (including recreational athletes)

Min numeric value allowed : 0

[142997] your comment (optional) Registered by national federation

Data not available

number of athletes in your national Registered Testing Pool (as defined by the World Anti-Doping Code)

Min numeric value allowed : 0

[160] your comment (optional)

Data not available

number of athletes at the last Summer Olympic games

Min numeric value allowed : 0

[32] your comment (optional)

Data not available

number of athletes at the last Winter Olympic games

Min numeric value allowed : 0

[35] your comment (optional)

Data not available

number of athletes at the last Summer Paralympic games

Min numeric value allowed : 0

[11] your comment (optional)

Data not available

number of athletes at the last Winter Paralympic games

Min numeric value allowed : 0

[0] your comment (optional) didn't participate

Data not available

2. Doping definition

What is the definition of "Doping in Sport" used in your country?

Council of Europe Anti-Doping Convention. Your comment (optional)

UNESCO International Convention against doping in sport. Your comment (optional)

World Anti-Doping Code. Your comment (optional)

Other, please specify (e.g. national law) :

3. Doping List

Which list of banned pharmacological classes of doping agents and doping methods (i.e. Prohibited List) is implemented in your country?

Prohibited list, as adopted by the Executive Committee of WADA. Your comment (optional)

.....

List of banned pharmacological classes of doping agents and doping methods, as adopted by the Monitoring Group (TDO). Your comment (optional)

Prohibited list, as adopted by the Conference of Parties of the International Convention against Doping in Sport (UNESCO) Your comment (optional) Latvia has adopted International Convention against Doping in sport. Convention`s Annex 1- Prohibited list legal force is governed by the Law on Official Publications and Legal Information, by amending the first annex of Law On the International Convention Against Doping in Sport.

Other, please specify :

4. Additional doping lists

For the purposes of restricting availability of doping substances are there other lists than those defined in question 4?

Yes, please specify: On the Procedures for the Coming into Force and Application of The Criminal Law Annex 2 - Criteria for the Classification Amounts of Existing Illegally Traded Narcotic and Psychotropic Substances and Medicinal Products, as well as Substances, which May be Utilised for Illegal Manufacture of Narcotic and Psychotropic Substances (Precursors)

No. Your comment (optional)

5. Anti-doping laws

Are there any anti-doping laws in your country?

Anti-doping law. Your comment (optional)

Other formal regulations, please specify: Cabinet of Ministers regulation "National Antidoping rules" were adopted on 24 September 2019, as well as Cabinet of Ministers regulations "On the acceptance of WADA World Antidoping Code 2015", also Latvia has ratified UNESCO international convention against doping in sport and Council of Europe Anti-Doping Convention. Sports Law regulates LAT-NADO, disciplinary anti-doping comission, appeal comission and therapeutic exemption comission rights.

No. Your comment (optional)

6. National anti-doping organisation (NADO)

What is the legal status of your national anti-doping organisation? Please upload the statutes, if possible

Public authority. Your comment (optional) The Latvian Anti-doping Bureau is an institution of direct administration under the supervision of the Minister for Health. The Minister for Health shall implement the supervision of the Bureau through the intermediation of the Ministry of Health

Non-governmental organisation. Your comment (optional)

Private company. Your comment (optional)

National Olympic Committee. Your comment (optional)

Other, please specify :

7. NADO activities

Which of the activities below are conducted by your national anti-doping organisation? Please upload the organisational chart, if possible

	Yes. Your comment (optional)	No, please specify which organisation is in charge:
Co-ordination of action by public authorities	<input checked="" type="checkbox"/> We coordinate possible cases of steroid selling to health inspection of Latvia.	<input type="checkbox"/>
Coordination of the fight against trafficking	<input type="checkbox"/>	<input checked="" type="checkbox"/> we provide information about possible cases of illegal trafficking of medicinal products-prohibited substances to Health inspectorate of Latvia
Testing (doping control)	<input checked="" type="checkbox"/> We coordinate testing with part of the international federations	<input type="checkbox"/>
Results management	<input checked="" type="checkbox"/> We share athlete passports with international federations	<input type="checkbox"/>
Disciplinary procedures	<input checked="" type="checkbox"/>	<input type="checkbox"/>
Education and/or information	<input checked="" type="checkbox"/>	<input type="checkbox"/>
Research	<input checked="" type="checkbox"/>	<input type="checkbox"/>

8. Funding of anti-doping program

What was your annual anti-doping budget for the 2019 calendar year?

Min numeric value allowed : 0

[874106] amountEURCurrency

[] Data not available

9. Funding sources

How is the anti-doping program funded? Please select all that apply and indicate an estimate in percentages:

[X] Government79%

[] National Lottery program %

[] National Olympic Committee (NOC) %

[] Other Sports Organization(s) %

[X] Fee for service21%

[] Private %

[] Other %

10. Distribution of funding

What percentage of your annual anti-doping budget is put towards the following core programs?

[23] Testing (including equipment, transportation, Sample Collection Personnel (SCP) fees)

- [22] Sample analysis
- [2] Investigations
- [6] Education
- [0] Research
- [10] Results Management/Legal
- [4] Therapeutic Use Exemptions (TUEs)
- [32] Other (e.g. remuneration, administration)
- [] Data not available

11. Sport Budget

What amount has been allocated to the sport budget from the state budget for the year 2019?

- [39535150] amountEURcurrency
- [] Data not available

12. Limiting public funding to organisations

Is public funding withheld from organisations that do not comply with anti-doping regulations and related legal instruments?

- (X) Yes, all funding is withheld; your comment (optional) Sports law Section 13 Paragraph 7
- () A limited amount of funding is withheld; your comment (optional)
- () No financial implications; your comment (optional)
- () Information not available; your comment (optional)

13. Limitation of public funding of persons

Is sport-related financial assistance provided by public authorities withheld from banned athletes or athlete support personnel during the period of their suspension?

- (X) Yes, all funding is withheld; your comment (optional)
- () A limited amount of funding is withheld; your comment (optional)
- () No; your comment (optional)
- () Not applicable (no sport-related financial assistance is provided by public authorities to athletes or support personnel); your comment (optional)
- () Information not available; your comment (optional)

14. Testing programme

Does your country have a national testing programme?

- (X) Yes
- () No, please explain

15. Elements of the Testing Program

What elements of the testing program are implemented by the national anti-doping organisation?

- Risk Assessment and Test Distribution Planning (TDP)
- Registered Testing Pool
- Random selection of athletes
- Targeted selection of athletes
- In-competition testing
- Out-of-competition testing
- No-advance notice testing
- Blood testing
- Athlete Biological Passport (ABP) modules
- Other elements, please specify
- If some elements are implemented by another body, please specify which body

16. Quality certificate

Is your NADO or part of its procedures certified according to a quality standard (such as ISO, iNADO or any other quality assurance system)?

- Yes, please specify which standard, its scope and validity: ISO 9001:2015 from 21 June 2019 until 20 June 2022.
- In progress, please specify
- No; your comment (optional)

17. NADO staff

Please outline below how many staff are involved in the coordination and management of your anti-doping programs.

Min numeric value allowed : 0

- Staff full time
- Staff part time
- Volunteers
- Committee members
- Data not available

18. Sample Collection Personnel

Do you have Sample Collection Personnel (SCP) ?

- Yes
- No, please explain

19. Number of DCOs and BCOs

How many Doping Control Officers (DCOs), Blood Control Officers (BCOs) and chaperones are in your sample collection personnel program?

Min numeric value allowed : 0

[5] DCOs; your comment (optional)Of these five, three are also BCOs

[3] BCOs; your comment (optional)

[3] Chaperones; your comment (optional)additional chaperones are invited depending on necessity

[] Data not available

20. Laboratory 

Is there a doping control laboratory in your country?

[] Yes, accredited by WADA

[] Yes, but accreditation by WADA is pending

[] Accredited by WADA for athlete biological passport

[X] No, we send samples to the WADA accredited laboratories in:Dresden(city)

[] Not available

21. Testing statistics 

How many samples were collected under your national testing program in the year 2019?

	Urine	Blood (including ABP)
In-competition testing Min numeric value allowed : 0	224	29
Out-of-competition testing Min numeric value allowed : 0	376	119

[] Data not available

22. Testing abroad 

Did you test athletes under your authority who reside or train abroad (directly or by subcontracting another ADO)?

(X) Yes; your comment (optional)we are using company IDTM, as well as signing collaboration agreements with other NADOs

() Not in 2019, but we have authorisation to do so; your comment (optional)

() No, we do not have authorisation to do so; your comment (optional)

23. Disciplinary system 

What are the disciplinary bodies for doping offences, i.e. the main body imposing sanctions on athletes and other persons?

	–	–
State authority	no	yes

NADO	no	no
NOC	yes	yes
National sport federations	yes	yes
international sport federations	yes	yes
Independent disciplinary body	yes	yes
Professional associations	yes	yes
Other, please specify	no	no

24. Appeals system

What is the body handling appeals against disciplinary measures?

- () State authority; your comment (optional)
- () National sports federations; your comment (optional)
- () International sports federations; your comment (optional)
- () Independent court of arbitration; your comment (optional)
- () Court of Arbitration in Sport (CAS); your comment (optional)
- (X) Other, please specify : appeal comission (independent appeal body)

25. Anti-doping rule violations (ADRV)

How many anti-doping rule violations cases were initiated in 2019 and how many of these initiated cases resulted in the imposition of a sanction?

	Initiated cases	Cases that resulted in a sanction	Cases that resulted in no sanction
Presence of a prohibited substance or its Metabolites or markers in an athlete's sample Min numeric value allowed : 0	14	14	0
Use or attempted use by an athlete of a Prohibited substance or a prohibited method Min numeric value allowed : 0	0	0	0
Evading, Refusing or Failing to Submit to Sample Collection Min numeric value allowed : 0	2	2	0
Whereabouts Failures Min numeric value allowed : 0	1	1	0
Tampering or attempted tampering with any part of doping control Min numeric value allowed : 0	0	0	0

Possession of prohibited substances and prohibited methods Min numeric value allowed : 0	0	0	0
Trafficking or attempted trafficking in any prohibited substance or prohibited method Min numeric value allowed : 0	0	0	0
Administration or attempted administration to any athlete of any Prohibited method or prohibited substance Min numeric value allowed : 0	0	0	0
Complicity Min numeric value allowed : 0	1	1	0
Prohibited Association Min numeric value allowed : 0	0	0	0

26. Whereabouts failures

How many of the following whereabouts failures have you registered in 2019?

- [21] One missed test or filing failure
- [1] Any combination of two missed tests and/or filing failures
- [] Data not available

27. Sanctions for doping trafficking

Are there specific penalties or sanctions for illegal circulation of doping substances, in addition to those regulating the movement of medicines and narcotics?

- [] Criminal penalties, please specify
- [] Financial penalties, please specify
- [] Administrative or civil sanctions, please specify
- [] Professional disciplinary actions, please specify
- [X] None of above, please explain There are sanctions in the Administrative Code and Criminal Law for illegal circulation of narcotics and medicines
- [] Not available; your comment (optional)

28. Co-operation with law enforcement agencies

What measures have been taken to improve co-operation with law enforcement agencies in limiting illegal availability of doping substances?

- [] Law, please specify
- [] Agreement, please specify

Ad hoc activities, please specify State police provided LAT-NADO with information about a case they were investigating regarding anabolic steroids; We consulted with State police about software programs for investigation

- Other, please specify
- None; your comment (optional)

29. Statistics on doping trafficking

Do law enforcement agencies share data on the seizure of doping substances with the national anti-doping organisation:

- Yes, please specify how many seizures have been reported in 2019: 1
- No; your comment (optional)
- Other, please specify :

30. Organisation of anti-doping education

Which organisations are involved in coordinating and/or implementing anti-doping education programs?

- National anti-doping organisation
- Ministry responsible for sport
- Ministry responsible for education
- Ministry responsible for health
- Other governmental body
- National sport federations
- Regional/municipal sport organisations
- Universities
- Schools
- Sport clubs
- Other bodies National Olympic team

31. Anti-doping education themes

What types of anti-doping message are provided for different target groups?

	elite athletes	young athletes	recreational athletes	sports officials	coaches	medical personnel	school pupils	media	general public	other

32. Nutritional supplements

What measures have been taken to address the problems related to nutritional supplements in sport?

- Restrict availability
- Control of production
- Provide quality assurance
- Comprehensive labelling
- Limit advertising and promotion
- Educational and informational measures
- Other, please specify:

33. Anti-doping research

Has any anti-doping research been undertaken or supported?

- Yes; your comment (optional)
- Yes, to a limited extent; your comment (optional) In previous year reported studies about athletes' opinion on doping in sport/public opinion on doping in sport was finalised in 2019.
- No; your comment (optional)

34. Areas of anti-doping research

What are the areas of anti-doping research?

- Doping prevention
- Detection methods
- Behavioural and social aspects of doping

- Health consequences of doping
- Physiological and psychological training programmes
- Emerging substances or methods
- Alternative testing methods
- None
- Other; your comment (optional)

35. Publication of anti-doping research ●

How many articles with the results of this research have been published in peer-reviewed scientific journals?

- in 2019; your comment (optional)
- Data not available

36. International agreements ●

Has your country signed any agreements with other Anti-Doping Organizations (ADOs) or agreements on anti-doping with any other organisation or State concerning the following:

	Yes or No; if applicable please explain or upload the document (below)
(a) Sharing of information	no
(b) Law enforcement cooperation	no
(c) Athlete Biological Passport sharing or coordination	no/ APB read access coordination with FIFA, IBU, UCI, ISU and FIL
(d) General cooperation	yes, memorandum of cooperation with Estonian Anti-doping agency

ADQ
Anti-Doping Questionnaire

Implementation of anti-doping policies in 2019 - Liechtenstein

Questionnaire on implementation of anti-doping policies in 2019 0.1

Objective :

In order to implement the requirements of the Article 9 of the Anti-Doping Convention, the online annual questionnaire is ready for collection of data regarding anti-doping policies in 2019.

Instruction :

For detailed instructions please select the links to documentation at the top of the page.

In case you face any problems which would prevent you from filling in the questionnaire, please report it to us by e-mail sport.t-do@coe.int

You are kindly requested to fill in, save and post your country's data for 2019 before 30 April 2020.

Questions :

1. Number of Athletes

Please estimate the number of athletes in the following categories within your country:

international-level athletes (as defined by the World Anti-Doping Code)

Min numeric value allowed : 0

[2] your comment (optional)

[] Data not available

national-level athletes (as defined by the World Anti-Doping Code)

Min numeric value allowed : 0

[2] your comment (optional)

[] Data not available

other athletes (including recreational athletes)

Min numeric value allowed : 0

[10] your comment (optional)

[] Data not available

number of athletes in your national Registered Testing Pool (as defined by the World Anti-Doping Code)

Min numeric value allowed : 0

[14] your comment (optional)

[] Data not available

number of athletes at the last Summer Olympic games

Min numeric value allowed : 0

[3] your comment (optional)

[] Data not available

number of athletes at the last Winter Olympic games

Min numeric value allowed : 0

[3] your comment (optional)

[] Data not available

number of athletes at the last Summer Paralympic games

Min numeric value allowed : 0

[0] your comment (optional)

[] Data not available

number of athletes at the last Winter Paralympic games

Min numeric value allowed : 0

[0] your comment (optional)

[] Data not available

2. Doping definition

What is the definition of "Doping in Sport" used in your country?

- Council of Europe Anti-Doping Convention. Your comment (optional)
- UNESCO International Convention against doping in sport. Your comment (optional)
- World Anti-Doping Code. Your comment (optional)

Other, please specify (e.g. national law) : Defined by Law: Wer Mittel zu Dopingzwecken herstellt, vermittelt, vertreibt, verschreibt, abgibt oder Methoden zu Dopingzwecken an Dritten anwendet, wird vom Landgericht wegen Vergehens mit Freiheitsstrafe bis zu zwei Jahren bestraft.

7. NADO activities

Which of the activities below are conducted by your national anti-doping organisation? Please upload the organisational chart, if possible

	Yes. Your comment (optional)	No, please specify which organisation is in charge:
Co-ordination of action by public authorities	<input checked="" type="checkbox"/>	<input type="checkbox"/>
Coordination of the fight against trafficking	<input checked="" type="checkbox"/>	<input type="checkbox"/>
Testing (doping control)	<input checked="" type="checkbox"/>	<input type="checkbox"/>
Results management	<input checked="" type="checkbox"/>	<input type="checkbox"/>
Disciplinary procedures	<input checked="" type="checkbox"/>	<input type="checkbox"/>
Education and/or information	<input checked="" type="checkbox"/>	<input type="checkbox"/>
Research	<input checked="" type="checkbox"/>	<input type="checkbox"/>

8. Funding of anti-doping program

What was your annual anti-doping budget for the 2019 calendar year?

Min numeric value allowed : 0

[52000] amountCHFCurrency

[] Data not available

9. Funding sources

How is the anti-doping program funded? Please select all that apply and indicate an estimate in percentages:

[X] Government100%

- National Lottery program %
- National Olympic Committee (NOC) %
- Other Sports Organization(s) %
- Fee for service %
- Private %
- Other %

10. Distribution of funding 

What percentage of your annual anti-doping budget is put towards the following core programs?

- Testing (including equipment, transportation, Sample Collection Personnel (SCP) fees)
- Sample analysis
- Investigations
- Education
- Research
- Results Management/Legal
- Therapeutic Use Exemptions (TUEs)
- Other (e.g. remuneration, administration)
- Data not available

11. Sport Budget 

What amount has been allocated to the sport budget from the state budget for the year 2019?

- 3800000 amountCHFcurrency
- Data not available

12. Limiting public funding to organisations 

Is public funding withheld from organisations that do not comply with anti-doping regulations and related legal instruments?

- Yes, all funding is withheld; your comment (optional)
- A limited amount of funding is withheld; your comment (optional)
- No financial implications; your comment (optional)
- Information not available; your comment (optional)

13. Limitation of public funding of persons 

Is sport-related financial assistance provided by public authorities withheld from banned athletes or athlete support personnel during the period of their suspension?

- Yes, all funding is withheld; your comment (optional)

- A limited amount of funding is withheld; your comment (optional)
- No; your comment (optional)
- Not applicable (no sport-related financial assistance is provided by public authorities to athletes or support personnel); your comment (optional)
- Information not available; your comment (optional)

14. Testing programme 

Does your country have a national testing programme?

- Yes
- No, please explain

15. Elements of the Testing Program 

What elements of the testing program are implemented by the national anti-doping organisation?

- Risk Assessment and Test Distribution Planning (TDP)
- Registered Testing Pool
- Random selection of athletes
- Targeted selection of athletes
- In-competition testing
- Out-of-competition testing
- No-advance notice testing
- Blood testing
- Athlete Biological Passport (ABP) modules
- Other elements, please specify
- If some elements are implemented by another body, please specify which body

16. Quality certificate 

Is your NADO or part of its procedures certified according to a quality standard (such as ISO, iNADO or any other quality assurance system)?

- Yes, please specify which standard, its scope and validity: ISO 9001:2015; fully certified
- In progress, please specify
- No; your comment (optional)

17. NADO staff 

Please outline below how many staff are involved in the coordination and management of your anti-doping programs.

Min numeric value allowed : 0

- Staff full time
- Staff part time

[0] Volunteers

[8] Committee members

[] Data not available

18. Sample Collection Personnel ●

Do you have Sample Collection Personnel (SCP) ?

(X) Yes

() No, please explain

19. Number of DCOs and BCOs ●

How many Doping Control Officers (DCOs), Blood Control Officers (BCOs) and chaperones are in your sample collection personnel program?

Min numeric value allowed : 0

[24] DCOs; your comment (optional)

[16] BCOs; your comment (optional)

[0] Chaperones; your comment (optional)

[] Data not available

20. Laboratory ●

Is there a doping control laboratory in your country?

[] Yes, accredited by WADA

[] Yes, but accreditation by WADA is pending

[] Accredited by WADA for athlete biological passport

[X] No, we send samples to the WADA accredited laboratories in:Lausanne(city)

[] Not available

21. Testing statistics ●

How many samples were collected under your national testing program in the year 2019?

	Urine	Blood (including ABP)
In-competition testing Min numeric value allowed : 0	0	0
Out-of-competition testing Min numeric value allowed : 0	31	11

[] Data not available

Attachments

 2019_Berichterstattung_LOC.pdf

22. Testing abroad

Did you test athletes under your authority who reside or train abroad (directly or by subcontracting another ADO)?

- Yes; your comment (optional)
- Not in 2019, but we have authorisation to do so; your comment (optional)
- No, we do not have authorisation to do so; your comment (optional)

23. Disciplinary system

What are the disciplinary bodies for doping offences, i.e. the main body imposing sanctions on athletes and other persons?

	–	–
State authority	yes	yes
NADO	no	no
NOC	yes	yes
National sport federations	yes	yes
international sport federations	yes	yes
Independent disciplinary body	no	no
Professional associations	no	no
Other, please specify	no	no

24. Appeals system

What is the body handling appeals against disciplinary measures?

- State authority; your comment (optional)
- National sports federations; your comment (optional)
- International sports federations; your comment (optional)
- Independent court of arbitration; your comment (optional)
- Court of Arbitration in Sport (CAS); your comment (optional)
- Other, please specify :

25. Anti-doping rule violations (ADRV)

How many anti-doping rule violations cases were initiated in 2019 and how many of these initiated cases resulted in the imposition of a sanction?

Initiated cases	Cases that resulted in a sanction	Cases that resulted in no sanction
-----------------	-----------------------------------	------------------------------------

Presence of a prohibited substance or its Metabolites or markers in an athlete's sample Min numeric value allowed : 0	0	0	0
Use or attempted use by an athlete of a Prohibited substance or a prohibited method Min numeric value allowed : 0	0	0	0
Evading, Refusing or Failing to Submit to Sample Collection Min numeric value allowed : 0	0	0	0
Whereabouts Failures Min numeric value allowed : 0	1	1	0
Tampering or attempted tampering with any part of doping control Min numeric value allowed : 0	0	0	0
Possession of prohibited substances and prohibited methods Min numeric value allowed : 0	0	0	0
Trafficking or attempted trafficking in any prohibited substance or prohibited method Min numeric value allowed : 0	0	0	0
Administration or attempted administration to any athlete of any Prohibited method or prohibited substance Min numeric value allowed : 0	0	0	0
Complicity Min numeric value allowed : 0	0	0	0
Prohibited Association Min numeric value allowed : 0	0	0	0

Data not available

26. Whereabouts failures

How many of the following whereabouts failures have you registered in 2019?

- One missed test or filing failure
- Any combination of two missed tests and/or filing failures
- Data not available

27. Sanctions for doping trafficking

Are there specific penalties or sanctions for illegal circulation of doping substances, in addition to those regulating the movement of medicines and narcotics?

- Criminal penalties, please specify Anyone producing, importing, exporting, distributing, distributing, prescribing, surrendering or applying methods to third parties for doping purposes shall be punished by the district court for a term of imprisonment of up to two years.
- Financial penalties, please specify Granted funding must be partially or completely repaid.
- Administrative or civil sanctions, please specify

- Professional disciplinary actions, please specify
- None of above, please explain
- Not available; your comment (optional)

28. Co-operation with law enforcement agencies ●

What measures have been taken to improve co-operation with law enforcement agencies in limiting illegal availability of doping substances?

- Law, please specify Regulation on the list of doping;
- Agreement, please specify Convention against doping.
- Ad hoc activities, please specify
- Other, please specify
- None; your comment (optional)

29. Statistics on doping trafficking ●

Do law enforcement agencies share data on the seizure of doping substances with the national anti-doping organisation:

- Yes, please specify how many seizures have been reported in 2019:
- No; your comment (optional)
- Other, please specify :

30. Organisation of anti-doping education ●

Which organisations are involved in coordinating and/or implementing anti-doping education programs?

- National anti-doping organisation
- Ministry responsible for sport
- Ministry responsible for education
- Ministry responsible for health
- Other governmental body
- National sport federations
- Regional/municipal sport organisations
- Universities
- Schools
- Sport clubs
- Other bodies

31. Anti-doping education themes ●

What types of anti-doping message are provided for different target groups?

elite athletes	young athletes	recreational athletes	sports officials	coaches	medical personnel	school pupils	media	general public	other
----------------	----------------	-----------------------	------------------	---------	-------------------	---------------	-------	----------------	-------

32. Nutritional supplements

What measures have been taken to address the problems related to nutritional supplements in sport?

- Restrict availability
- Control of production
- Provide quality assurance
- Comprehensive labelling
- Limit advertising and promotion
- Educational and informational measures
- Other, please specify:

33. Anti-doping research

Has any anti-doping research been undertaken or supported?

- Yes; your comment (optional)
- Yes, to a limited extent; your comment (optional)

() No; your comment (optional)

34. Areas of anti-doping research 

What are the areas of anti-doping research?

- Doping prevention
- Detection methods
- Behavioural and social aspects of doping
- Health consequences of doping
- Physiological and psychological training programmes
- Emerging substances or methods
- Alternative testing methods
- None
- Other; your comment (optional)

35. Publication of anti-doping research 

How many articles with the results of this research have been published in peer-reviewed scientific journals?

- in 2019; your comment (optional)
- Data not available

36. International agreements 

Has your country signed any agreements with other Anti-Doping Organizations (ADOs) or agreements on anti-doping with any other organisation or State concerning the following:

	Yes or No; if applicable please explain or upload the document (below)
(a) Sharing of information	Yes
(b) Law enforcement cooperation	No
(c) Athlete Biological Passport sharing or coordination	Yes
(d) General cooperation	Yes

Data not available

Implementation of anti-doping policies in 2019 - Lithuania

Questionnaire on implementation of anti-doping policies in 2019 0.1

Objective :

In order to implement the requirements of the Article 9 of the Anti-Doping Convention, the online annual questionnaire is ready for collection of data regarding anti-doping policies in 2019.

Instruction :

For detailed instructions please select the links to documentation at the top of the page.

In case you face any problems which would prevent you from filling in the questionnaire, please report it to us by e-mail sport.t-do@coe.int

You are kindly requested to fill in, save and post your country's data for 2019 before 30 April 2020.

Questions :

1. Number of Athletes

Please estimate the number of athletes in the following categories within your country:

international-level athletes (as defined by the World Anti-Doping Code)

Min numeric value allowed : 0

[205] your comment (optional)

[] Data not available

national-level athletes (as defined by the World Anti-Doping Code)

Min numeric value allowed : 0

[102552] your comment (optional)

[] Data not available

other athletes (including recreational athletes)

Min numeric value allowed : 0

[914954] your comment (optional)

[] Data not available

number of athletes in your national Registered Testing Pool (as defined by the World Anti-Doping Code)

Min numeric value allowed : 0

[110] your comment (optional)

[] Data not available

number of athletes at the last Summer Olympic games

Min numeric value allowed : 0

[67] your comment (optional)

[] Data not available

number of athletes at the last Winter Olympic games

Min numeric value allowed : 0

[9] your comment (optional)

[] Data not available

number of athletes at the last Summer Paralympic games

Min numeric value allowed : 0

[13] your comment (optional)

[] Data not available

number of athletes at the last Winter Paralympic games

Min numeric value allowed : 0

[0] your comment (optional)

[] Data not available

2. Doping definition

What is the definition of "Doping in Sport" used in your country?

[] Council of Europe Anti-Doping Convention. Your comment (optional)

[] UNESCO International Convention against doping in sport. Your comment (optional)

[X] World Anti-Doping Code. Your comment (optional)

[] Other, please specify (e.g. national law) :

3. Doping List

Which list of banned pharmacological classes of doping agents and doping methods (i.e. Prohibited List) is implemented in your country?

[X] Prohibited list, as adopted by the Executive Committee of WADA. Your comment (optional)

.....

[] List of banned pharmacological classes of doping agents and doping methods, as adopted by the Monitoring Group (TDO). Your comment (optional)

[] Prohibited list, as adopted by the Conference of Parties of the International Convention against Doping in Sport (UNESCO) Your comment (optional)

[] Other, please specify :

4. Additional doping lists

For the purposes of restricting availability of doping substances are there other lists than those defined in question 4?

() Yes, please specify:

(X) No. Your comment (optional)

5. Anti-doping laws

Are there any anti-doping laws in your country?

[X] Anti-doping law. Your comment (optional)

[] Other formal regulations, please specify:

[] No. Your comment (optional)

6. National anti-doping organisation (NADO)

What is the legal status of your national anti-doping organisation? Please upload the statutes, if possible

- Public authority. Your comment (optional)
- Non-governmental organisation. Your comment (optional)
- Private company. Your comment (optional)
- National Olympic Committee. Your comment (optional)
- Other, please specify :

7. NADO activities

Which of the activities below are conducted by your national anti-doping organisation? Please upload the organisational chart, if possible

	Yes. Your comment (optional)	No, please specify which organisation is in charge:
Co-ordination of action by public authorities	<input type="checkbox"/>	<input checked="" type="checkbox"/> Till 01.09.2019 State sport department, since 01.10.2019 Ministry of Education, science and sport
Coordination of the fight against trafficking	<input type="checkbox"/>	<input checked="" type="checkbox"/> Ministry of health of Republic of Lithuania, Ministry of Interior of the Republic of Lithuania
Testing (doping control)	<input checked="" type="checkbox"/>	<input type="checkbox"/>
Results management	<input checked="" type="checkbox"/>	<input type="checkbox"/>
Disciplinary procedures	<input type="checkbox"/>	<input checked="" type="checkbox"/> Depending Hearing panel
Education and/or information	<input checked="" type="checkbox"/>	<input type="checkbox"/>
Research	<input type="checkbox"/>	<input checked="" type="checkbox"/> university research center

8. Funding of anti-doping program

What was your annual anti-doping budget for the 2019 calendar year?

Min numeric value allowed : 0

[280000] amounteuroCurrency

Data not available

9. Funding sources

How is the anti-doping program funded? Please select all that apply and indicate an estimate in percentages:

- Government 59%
- National Lottery program %
- National Olympic Committee (NOC) 21%

- Other Sports Organization(s) %
- Fee for service 20%
- Private %
- Other %

10. Distribution of funding 

What percentage of your annual anti-doping budget is put towards the following core programs?

- 30] Testing (including equipment, transportation, Sample Collection Personnel (SCP) fees)
- 35] Sample analysis
- 0] Investigations
- 25] Education
- 0] Research
- 0] Results Management/Legal
- 5] Therapeutic Use Exemptions (TUEs)
- 5] Other (e.g. remuneration, administration)
- Data not available

11. Sport Budget 

What amount has been allocated to the sport budget from the state budget for the year 2019?

- 6889999] amount eurocurrency
- Data not available

12. Limiting public funding to organisations 

Is public funding withheld from organisations that do not comply with anti-doping regulations and related legal instruments?

- Yes, all funding is withheld; your comment (optional)
- A limited amount of funding is withheld; your comment (optional)
- No financial implications; your comment (optional)
- Information not available; your comment (optional)

13. Limitation of public funding of persons 

Is sport-related financial assistance provided by public authorities withheld from banned athletes or athlete support personnel during the period of their suspension?

- Yes, all funding is withheld; your comment (optional)
- A limited amount of funding is withheld; your comment (optional)
- No; your comment (optional)

Not applicable (no sport-related financial assistance is provided by public authorities to athletes or support personnel); your comment (optional)

Information not available; your comment (optional)

14. Testing programme 

Does your country have a national testing programme?

Yes

No, please explain

15. Elements of the Testing Program 

What elements of the testing program are implemented by the national anti-doping organisation?

Risk Assessment and Test Distribution Planning (TDP)

Registered Testing Pool

Random selection of athletes

Targeted selection of athletes

In-competition testing

Out-of-competition testing

No-advance notice testing

Blood testing

Athlete Biological Passport (ABP) modules

Other elements, please specify

If some elements are implemented by another body, please specify which body

16. Quality certificate 

Is your NADO or part of its procedures certified according to a quality standard (such as ISO, iNADO or any other quality assurance system)?

Yes, please specify which standard, its scope and validity:

<https://www.antidopingas.lt/wpcontent/uploads/2020/03/ANTIDOPINGO-TAISYKL%C4%96S-NUO-2019-12-01.pdf>

In progress, please specify

No; your comment (optional)

17. NADO staff 

Please outline below how many staff are involved in the coordination and management of your anti-doping programs.

Min numeric value allowed : 0

Staff full time

Staff part time

Volunteers

Committee members

Data not available

18. Sample Collection Personnel ●

Do you have Sample Collection Personnel (SCP) ?

Yes

No, please explain

19. Number of DCOs and BCOs ●

How many Doping Control Officers (DCOs), Blood Control Officers (BCOs) and chaperones are in your sample collection personnel program?

Min numeric value allowed : 0

11 DCOs; your comment (optional)

2 BCOs; your comment (optional)

0 Chaperones; your comment (optional)

Data not available

20. Laboratory ●

Is there a doping control laboratory in your country?

Yes, accredited by WADA

Yes, but accreditation by WADA is pending

Accredited by WADA for athlete biological passport

No, we send samples to the WADA accredited laboratories in:Warsaw, Poland(city)

Not available

21. Testing statistics ●

How many samples were collected under your national testing program in the year 2019?

	Urine	Blood (including ABP)
In-competition testing Min numeric value allowed : 0	187	3
Out-of-competition testing Min numeric value allowed : 0	83	32

Data not available

22. Testing abroad ●

Did you test athletes under your authority who reside or train abroad (directly or by subcontracting another ADO)?

Yes; your comment (optional)

() Not in 2019, but we have authorisation to do so; your comment (optional)

() No, we do not have authorisation to do so; your comment (optional)

23. Disciplinary system

What are the disciplinary bodies for doping offences, i.e. the main body imposing sanctions on athletes and other persons?

	–	–
State authority	no	no
NADO	no	no
NOC	no	no
National sport federations	yes	no
international sport federations	yes	no
Independent disciplinary body	no	no
Professional associations	no	no
Other, please specify	no	no

24. Appeals system

What is the body handling appeals against disciplinary measures?

() State authority; your comment (optional)

() National sports federations; your comment (optional)

() International sports federations; your comment (optional)

() Independent court of arbitration; your comment (optional)

(X) Court of Arbitration in Sport (CAS); your comment (optional)

() Other, please specify :

25. Anti-doping rule violations (ADRV)

How many anti-doping rule violations cases were initiated in 2019 and how many of these initiated cases resulted in the imposition of a sanction?

	Initiated cases	Cases that resulted in a sanction	Cases that resulted in no sanction
Presence of a prohibited substance or its Metabolites or markers in an athlete's sample Min numeric value allowed : 0	2	5	0

Use or attempted use by an athlete of a Prohibited substance or a prohibited method Min numeric value allowed : 0	2	0	0
Evading, Refusing or Failing to Submit to Sample Collection Min numeric value allowed : 0	0	0	0
Whereabouts Failures Min numeric value allowed : 0	0	0	0
Tampering or attempted tampering with any part of doping control Min numeric value allowed : 0	0	0	0
Possession of prohibited substances and prohibited methods Min numeric value allowed : 0	3	0	0
Trafficking or attempted trafficking in any prohibited substance or prohibited method Min numeric value allowed : 0	0	0	0
Administration or attempted administration to any athlete of any Prohibited method or prohibited substance Min numeric value allowed : 0	0	0	0
Complicity Min numeric value allowed : 0	0	0	0
Prohibited Association Min numeric value allowed : 0	0	0	0

Data not available

26. Whereabouts failures 

How many of the following whereabouts failures have you registered in 2019?

- One missed test or filing failure
- Any combination of two missed tests and/or filing failures
- Data not available

27. Sanctions for doping trafficking 

Are there specific penalties or sanctions for illegal circulation of doping substances, in addition to those regulating the movement of medicines and narcotics?

- Criminal penalties, please specify
- Financial penalties, please specify
- Administrative or civil sanctions, please specify
- Professional disciplinary actions, please specify
- None of above, please explain
- Not available; your comment (optional)

28. Co-operation with law enforcement agencies

What measures have been taken to improve co-operation with law enforcement agencies in limiting illegal availability of doping substances?

- Law, please specify THE REPUBLIC OF LITHUANIA LAW OF THE CONTROL OF CERTAIN DOPING MATERIALS
- Agreement, please specify
- Ad hoc activities, please specify
- Other, please specify
- None; your comment (optional)

29. Statistics on doping trafficking

Do law enforcement agencies share data on the seizure of doping substances with the national anti-doping organisation:

- Yes, please specify how many seizures have been reported in 2019: 3 times as we now
- No; your comment (optional)
- Other, please specify :

30. Organisation of anti-doping education

Which organisations are involved in coordinating and/or implementing anti-doping education programs?

- National anti-doping organisation
- Ministry responsible for sport
- Ministry responsible for education
- Ministry responsible for health
- Other governmental body
- National sport federations
- Regional/municipal sport organisations
- Universities
- Schools
- Sport clubs
- Other bodies

31. Anti-doping education themes

What types of anti-doping message are provided for different target groups?

	elite athletes	young athletes	recreational athletes	sports officials	coaches	medical personnel	school pupils	media	general public	other

32. Nutritional supplements

What measures have been taken to address the problems related to nutritional supplements in sport?

- Restrict availability
- Control of production
- Provide quality assurance
- Comprehensive labelling
- Limit advertising and promotion
- Educational and informational measures
- Other, please specify:

33. Anti-doping research

Has any anti-doping research been undertaken or supported?

- Yes; your comment (optional)
- Yes, to a limited extent; your comment (optional)
- No; your comment (optional)

34. Areas of anti-doping research

What are the areas of anti-doping research?

- Doping prevention
- Detection methods
- Behavioural and social aspects of doping
- Health consequences of doping
- Physiological and psychological training programmes
- Emerging substances or methods
- Alternative testing methods
- None
- Other; your comment (optional)

35. Publication of anti-doping research

How many articles with the results of this research have been published in peer-reviewed scientific journals?

- 0 in 2019; your comment (optional)
- Data not available

36. International agreements

Has your country signed any agreements with other Anti-Doping Organizations (ADOs) or agreements on anti-doping with any other organisation or State concerning the following:

	Yes or No; if applicable please explain or upload the document (below)
(a) Sharing of information	yes
(b) Law enforcement cooperation	no
(c) Athlete Biological Passport sharing or coordination	yes
(d) General cooperation	yes

- Data not available

CONSEIL DE L'EUROPE

ADQ

Anti-Doping Questionnaire

Implementation of anti-doping policies in 2019 - Luxembourg

Questionnaire on implementation of anti-doping policies in 2019 0.1

Objective :

In order to implement the requirements of the Article 9 of the Anti-Doping Convention, the online annual questionnaire is

ready for collection of data regarding anti-doping policies in 2019.

Instruction :

For detailed instructions please select the links to documentation at the top of the page.

In case you face any problems which would prevent you from filling in the questionnaire, please report it to us by e-mail sport.t-do@coe.int

You are kindly requested to fill in, save and post your country's data for 2019 before 30 April 2020.

Questions :

1. Number of Athletes

Please estimate the number of athletes in the following categories within your country:

international-level athletes (as defined by the World Anti-Doping Code)

Min numeric value allowed : 0

[7] your comment (optional)

Data not available

national-level athletes (as defined by the World Anti-Doping Code)

Min numeric value allowed : 0

[1500] your comment (optional)

Data not available

other athletes (including recreational athletes)

Min numeric value allowed : 0

[132026] your comment (optional)

Data not available

number of athletes in your national Registered Testing Pool (as defined by the World Anti-Doping Code)

Min numeric value allowed : 0

[56] your comment (optional)

Data not available

number of athletes at the last Summer Olympic games

Min numeric value allowed : 0

[10] your comment (optional)

Data not available

number of athletes at the last Winter Olympic games

Min numeric value allowed : 0

[1] your comment (optional)

Data not available

number of athletes at the last Summer Paralympic games

Min numeric value allowed : 0

[3] your comment (optional)

Data not available

number of athletes at the last Winter Paralympic games

Min numeric value allowed : 0

your comment (optional)

Data not available

2. Doping definition

What is the definition of "Doping in Sport" used in your country?

Council of Europe Anti-Doping Convention. Your comment (optional)

UNESCO International Convention against doping in sport. Your comment (optional)

World Anti-Doping Code. Your comment (optional)

Other, please specify (e.g. national law) :

3. Doping List

Which list of banned pharmacological classes of doping agents and doping methods (i.e. Prohibited List) is implemented in your country?

Prohibited list, as adopted by the Executive Committee of WADA. Your comment (optional)

.....

List of banned pharmacological classes of doping agents and doping methods, as adopted by the Monitoring Group (TDO). Your comment (optional)

Prohibited list, as adopted by the Conference of Parties of the International Convention against Doping in Sport (UNESCO) Your comment (optional)

Other, please specify :

4. Additional doping lists

For the purposes of restricting availability of doping substances are there other lists than those defined in question 4?

Yes, please specify:

No. Your comment (optional)

5. Anti-doping laws

Are there any anti-doping laws in your country?

Anti-doping law. Your comment (optional)

Other formal regulations, please specify:

No. Your comment (optional) Loi sportive

6. National anti-doping organisation (NADO)

What is the legal status of your national anti-doping organisation? Please upload the statutes, if possible

Public authority. Your comment (optional)

Non-governmental organisation. Your comment (optional)

Private company. Your comment (optional)

National Olympic Committee. Your comment (optional)

(X) Other, please specify : Fondation

7. NADO activities

Which of the activities below are conducted by your national anti-doping organisation? Please upload the organisational chart, if possible

	Yes. Your comment (optional)	No, please specify which organisation is in charge:
Co-ordination of action by public authorities	(X)	()
Coordination of the fight against trafficking	()	(X) Douane et police
Testing (doping control)	(X)	()
Results management	(X)	()
Disciplinary procedures	()	(X) Conseil de discipline et Conseil supérieur de descipline dans le sport
Education and/or information	(X)	()
Research	()	(X) N/A

8. Funding of anti-doping program

What was your annual anti-doping budget for the 2019 calendar year?

Min numeric value allowed : 0

[209100] amounteurosCurrency

[] Data not available

9. Funding sources

How is the anti-doping program funded? Please select all that apply and indicate an estimate in percentages:

[X] Government 93,9%

[] National Lottery program %

[X] National Olympic Committee (NOC) 6,1%

[] Other Sports Organization(s) %

[] Fee for service %

[] Private %

[] Other %

10. Distribution of funding

What percentage of your annual anti-doping budget is put towards the following core programs?

[25] Testing (including equipment, transportation, Sample Collection Personnel (SCP) fees)

- [19] Sample analysis
- [0] Investigations
- [6] Education
- [0] Research
- [0] Results Management/Legal
- [0] Therapeutic Use Exemptions (TUEs)
- [50] Other (e.g. remuneration, administration)
- [] Data not available

11. Sport Budget

What amount has been allocated to the sport budget from the state budget for the year 2019?

- [64208223] amounteurocurrency
- [] Data not available

12. Limiting public funding to organisations

Is public funding withheld from organisations that do not comply with anti-doping regulations and related legal instruments?

- (X) Yes, all funding is withheld; your comment (optional)
- () A limited amount of funding is withheld; your comment (optional)
- () No financial implications; your comment (optional)
- () Information not available; your comment (optional)

13. Limitation of public funding of persons

Is sport-related financial assistance provided by public authorities withheld from banned athletes or athlete support personnel during the period of their suspension?

- (X) Yes, all funding is withheld; your comment (optional)
- () A limited amount of funding is withheld; your comment (optional)
- () No; your comment (optional)
- () Not applicable (no sport-related financial assistance is provided by public authorities to athletes or support personnel); your comment (optional)
- () Information not available; your comment (optional)

14. Testing programme

Does your country have a national testing programme?

- (X) Yes
- () No, please explain

15. Elements of the Testing Program

What elements of the testing program are implemented by the national anti-doping organisation?

- Risk Assessment and Test Distribution Planning (TDP)
- Registered Testing Pool
- Random selection of athletes
- Targeted selection of athletes
- In-competition testing
- Out-of-competition testing
- No-advance notice testing
- Blood testing
- Athlete Biological Passport (ABP) modules
- Other elements, please specify
- If some elements are implemented by another body, please specify which body

16. Quality certificate

Is your NADO or part of its procedures certified according to a quality standard (such as ISO, iNADO or any other quality assurance system)?

- Yes, please specify which standard, its scope and validity: ISO 9001:2015 planification et réalisation des contrôles, gestion des résultats, mesures de prévention et d'éducation
- In progress, please specify
- No; your comment (optional)

17. NADO staff

Please outline below how many staff are involved in the coordination and management of your anti-doping programs.

Min numeric value allowed : 0

- Staff full time
- Staff part time
- Volunteers
- Committee members
- Data not available

18. Sample Collection Personnel

Do you have Sample Collection Personnel (SCP) ?

- Yes
- No, please explain

19. Number of DCOs and BCOs

How many Doping Control Officers (DCOs), Blood Control Officers (BCOs) and chaperones are in your sample collection personnel program?

Min numeric value allowed : 0

[35] DCOs; your comment (optional)

[4] BCOs; your comment (optional)

[0] Chaperones; your comment (optional)

[] Data not available

20. Laboratory ●

Is there a doping control laboratory in your country?

[] Yes, accredited by WADA

[] Yes, but accreditation by WADA is pending

[] Accredited by WADA for athlete biological passport

[X] No, we send samples to the WADA accredited laboratories in:Cologne Paris(city)

[] Not available

21. Testing statistics ●

How many samples were collected under your national testing program in the year 2019?

	Urine	Blood (including ABP)
In-competition testing Min numeric value allowed : 0	51	2
Out-of-competition testing Min numeric value allowed : 0	81	43

[] Data not available

22. Testing abroad ●

Did you test athletes under your authority who reside or train abroad (directly or by subcontracting another ADO)?

(X) Yes; your comment (optional)

() Not in 2019, but we have authorisation to do so; your comment (optional)

() No, we do not have authorisation to do so; your comment (optional)

23. Disciplinary system ●

What are the disciplinary bodies for doping offences, i.e. the main body imposing sanctions on athletes and other persons?

	-	-
State authority	0	0

NADO	0	0
NOC	0	0
National sport federations	0	0
international sport federations	0	0
Independent disciplinary body	X	X
Professional associations	0	0
Other, please specify	0	0

24. Appeals system

What is the body handling appeals against disciplinary measures?

- State authority; your comment (optional)
- National sports federations; your comment (optional)
- International sports federations; your comment (optional)
- Independent court of arbitration; your comment (optional)
- Court of Arbitration in Sport (CAS); your comment (optional)
- Other, please specify :

25. Anti-doping rule violations (ADRV)

How many anti-doping rule violations cases were initiated in 2019 and how many of these initiated cases resulted in the imposition of a sanction?

	Initiated cases	Cases that resulted in a sanction	Cases that resulted in no sanction
Presence of a prohibited substance or its Metabolites or markers in an athlete's sample Min numeric value allowed : 0	0	0	0
Use or attempted use by an athlete of a Prohibited substance or a prohibited method Min numeric value allowed : 0	0	0	0
Evading, Refusing or Failing to Submit to Sample Collection Min numeric value allowed : 0	0	0	0
Whereabouts Failures Min numeric value allowed : 0	0	0	0
Tampering or attempted tampering with any part of doping control Min numeric value allowed : 0	0	0	0

Possession of prohibited substances and prohibited methods Min numeric value allowed : 0	0	0	0
Trafficking or attempted trafficking in any prohibited substance or prohibited method Min numeric value allowed : 0	0	0	0
Administration or attempted administration to any athlete of any Prohibited method or prohibited substance Min numeric value allowed : 0	0	0	0
Complicity Min numeric value allowed : 0	0	0	0
Prohibited Association Min numeric value allowed : 0	0	0	0

Data not available

26. Whereabouts failures

How many of the following whereabouts failures have you registered in 2019?

- One missed test or filing failure
- Any combination of two missed tests and/or filing failures
- Data not available

27. Sanctions for doping trafficking

Are there specific penalties or sanctions for illegal circulation of doping substances, in addition to those regulating the movement of medicines and narcotics?

- Criminal penalties, please specify Loi sportive
- Financial penalties, please specify
- Administrative or civil sanctions, please specify
- Professional disciplinary actions, please specify
- None of above, please explain
- Not available; your comment (optional)

28. Co-operation with law enforcement agencies

What measures have been taken to improve co-operation with law enforcement agencies in limiting illegal availability of doping substances?

- Law, please specify
- Agreement, please specify
- Ad hoc activities, please specify police et douane
- Other, please specify
- None; your comment (optional)

29. Statistics on doping trafficking

Do law enforcement agencies share data on the seizure of doping substances with the national anti-doping organisation:

Yes, please specify how many seizures have been reported in 2019: 28

No; your comment (optional)

Other, please specify :

30. Organisation of anti-doping education

Which organisations are involved in coordinating and/or implementing anti-doping education programs?

National anti-doping organisation

Ministry responsible for sport

Ministry responsible for education

Ministry responsible for health

Other governmental body

National sport federations

Regional/municipal sport organisations

Universities

Schools

Sport clubs

Other bodies

31. Anti-doping education themes

What types of anti-doping message are provided for different target groups?

	elite athletes	young athletes	recreational athletes	sports officials	coaches	medical personnel	school pupils	media	general public	other

32. Nutritional supplements

What measures have been taken to address the problems related to nutritional supplements in sport?

- Restrict availability
- Control of production
- Provide quality assurance
- Comprehensive labelling
- Limit advertising and promotion
- Educational and informational measures
- Other, please specify:

33. Anti-doping research

Has any anti-doping research been undertaken or supported?

- Yes; your comment (optional)
- Yes, to a limited extent; your comment (optional)
- No; your comment (optional)

34. Areas of anti-doping research

What are the areas of anti-doping research?

- Doping prevention
- Detection methods
- Behavioural and social aspects of doping
- Health consequences of doping
- Physiological and psychological training programmes
- Emerging substances or methods
- Alternative testing methods
- None

Other; your comment (optional)

35. Publication of anti-doping research ●

How many articles with the results of this research have been published in peer-reviewed scientific journals?

0 in 2019; your comment (optional)

Data not available

36. International agreements ●

Has your country signed any agreements with other Anti-Doping Organizations (ADOs) or agreements on anti-doping with any other organisation or State concerning the following:

	Yes or No; if applicable please explain or upload the document (below)
(a) Sharing of information	PWC pour contrôles inopinés sur sportifs luxembourgeois à l'étranger
(b) Law enforcement cooperation	0
(c) Athlete Biological Passport sharing or coordination	APMU Labo Cologne
(d) General cooperation	Agence antidopage Suisse

Anti-Doping Questionnaire

Implementation of anti-doping policies in 2019 - North Macedonia

Questionnaire on implementation of anti-doping policies in 2019 0.1

Objective :

In order to implement the requirements of the Article 9 of the Anti-Doping Convention, the online annual questionnaire is ready for collection of data regarding anti-doping policies in 2019.

Instruction :

For detailed instructions please select the links to documentation at the top of the page.

In case you face any problems which would prevent you from filling in the questionnaire, please report it to us by e-mail sport.t-do@coe.int

You are kindly requested to fill in, save and post your country's data for 2019 before 30 April 2020.

Questions :

1. Number of Athletes ●

Please estimate the number of athletes in the following categories within your country:

international-level athletes (as defined by the World Anti-Doping Code)

Min numeric value allowed : 0

[300] your comment (optional)

[] Data not available

national-level athletes (as defined by the World Anti-Doping Code)

Min numeric value allowed : 0

[10000] your comment (optional)

[] Data not available

other athletes (including recreational athletes)

Min numeric value allowed : 0

[5000] your comment (optional)

[] Data not available

number of athletes in your national Registered Testing Pool (as defined by the World Anti-Doping Code)

Min numeric value allowed : 0

[1] your comment (optional)

[] Data not available

number of athletes at the last Summer Olympic games

Min numeric value allowed : 0

[5] your comment (optional)

[] Data not available

number of athletes at the last Winter Olympic games

Min numeric value allowed : 0

[2] your comment (optional)

[] Data not available

number of athletes at the last Summer Paralympic games

Min numeric value allowed : 0

[2] your comment (optional)

[] Data not available

number of athletes at the last Winter Paralympic games

Min numeric value allowed : 0

[0] your comment (optional)

[] Data not available

2. Doping definition

What is the definition of "Doping in Sport" used in your country?

[] Council of Europe Anti-Doping Convention. Your comment (optional)

[] UNESCO International Convention against doping in sport. Your comment (optional)

[X] World Anti-Doping Code. Your comment (optional)

[] Other, please specify (e.g. national law) :

3. Doping List

Which list of banned pharmacological classes of doping agents and doping methods (i.e. Prohibited List) is implemented in your country?

Prohibited list, as adopted by the Executive Committee of WADA. Your comment (optional)

.....

List of banned pharmacological classes of doping agents and doping methods, as adopted by the Monitoring Group (TDO). Your comment (optional)

Prohibited list, as adopted by the Conference of Parties of the International Convention against Doping in Sport (UNESCO) Your comment (optional)

Other, please specify :

4. Additional doping lists

For the purposes of restricting availability of doping substances are there other lists than those defined in question 4?

Yes, please specify:

No. Your comment (optional)

5. Anti-doping laws

Are there any anti-doping laws in your country?

Anti-doping law. Your comment (optional)

Other formal regulations, please specify:

No. Your comment (optional)

6. National anti-doping organisation (NADO)

What is the legal status of your national anti-doping organisation? Please upload the statutes, if possible

Public authority. Your comment (optional)

Non-governmental organisation. Your comment (optional)

Private company. Your comment (optional)

National Olympic Committee. Your comment (optional)

Other, please specify :

7. NADO activities

Which of the activities below are conducted by your national anti-doping organisation? Please upload the organisational chart, if possible

	Yes. Your comment (optional)	No, please specify which organisation is in charge:
Co-ordination of action by public authorities	(X)	()
Coordination of the fight against trafficking	(X)	()

Testing (doping control)	(X)	()
Results management	(X)	()
Disciplinary procedures	(X)	()
Education and/or information	(X)	()
Research	()	(X) don't have any

8. Funding of anti-doping program

What was your annual anti-doping budget for the 2019 calendar year?

Min numeric value allowed : 0

[15000] amounteuroCurrency

[] Data not available

9. Funding sources

How is the anti-doping program funded? Please select all that apply and indicate an estimate in percentages:

- [] Government50%
- [] National Lottery program50%
- [] National Olympic Committee (NOC) %
- [] Other Sports Organization(s) %
- [] Fee for service %
- [] Private %
- [] Other %

10. Distribution of funding

What percentage of your annual anti-doping budget is put towards the following core programs?

- [30] Testing (including equipment, transportation, Sample Collection Personnel (SCP) fees)
- [50] Sample analysis
- [0] Investigations
- [15] Education
- [0] Research
- [5] Results Management/Legal
- [0] Therapeutic Use Exemptions (TUEs)
- [0] Other (e.g. remuneration, administration)
- [] Data not available

11. Sport Budget

What amount has been allocated to the sport budget from the state budget for the year 2019?

[300000] amounteurocurrency

[] Data not available

12. Limiting public funding to organisations

Is public funding withheld from organisations that do not comply with anti-doping regulations and related legal instruments?

() Yes, all funding is withheld; your comment (optional)

(X) A limited amount of funding is withheld; your comment (optional)

() No financial implications; your comment (optional)

() Information not available; your comment (optional)

13. Limitation of public funding of persons

Is sport-related financial assistance provided by public authorities withheld from banned athletes or athlete support personnel during the period of their suspension?

(X) Yes, all funding is withheld; your comment (optional)

() A limited amount of funding is withheld; your comment (optional)

() No; your comment (optional)

() Not applicable (no sport-related financial assistance is provided by public authorities to athletes or support personnel); your comment (optional)

() Information not available; your comment (optional)

14. Testing programme

Does your country have a national testing programme?

(X) Yes

() No, please explain

15. Elements of the Testing Program

What elements of the testing program are implemented by the national anti-doping organisation?

[X] Risk Assessment and Test Distribution Planning (TDP)

[X] Registered Testing Pool

[X] Random selection of athletes

[X] Targeted selection of athletes

[X] In-competition testing

[X] Out-of-competition testing

[X] No-advance notice testing

- Blood testing
- Athlete Biological Passport (ABP) modules
- Other elements, please specify
- If some elements are implemented by another body, please specify which body

16. Quality certificate

Is your NADO or part of its procedures certified according to a quality standard (such as ISO, iNADO or any other quality assurance system)?

- Yes, please specify which standard, its scope and validity:
- In progress, please specify
- No; your comment (optional)

17. NADO staff

Please outline below how many staff are involved in the coordination and management of your anti-doping programs.

Min numeric value allowed : 0

- Staff full time
- Staff part time
- Volunteers
- Committee members
- Data not available

18. Sample Collection Personnel

Do you have Sample Collection Personnel (SCP) ?

- Yes
- No, please explain

19. Number of DCOs and BCOs

How many Doping Control Officers (DCOs), Blood Control Officers (BCOs) and chaperones are in your sample collection personnel program?

Min numeric value allowed : 0

- DCOs; your comment (optional)
- BCOs; your comment (optional)
- Chaperones; your comment (optional)
- Data not available

20. Laboratory

Is there a doping control laboratory in your country?

- Yes, accredited by WADA
- Yes, but accreditation by WADA is pending
- Accredited by WADA for athlete biological passport
- No, we send samples to the WADA accredited laboratories in: Seibersdorf(city)
- Not available

21. Testing statistics

How many samples were collected under your national testing program in the year 2019?

	Urine	Blood (including ABP)
In-competition testing Min numeric value allowed : 0	39	0
Out-of-competition testing Min numeric value allowed : 0	11	3

Data not available

22. Testing abroad

Did you test athletes under your authority who reside or train abroad (directly or by subcontracting another ADO)?

- Yes; your comment (optional)
- Not in 2019, but we have authorisation to do so; your comment (optional)
- No, we do not have authorisation to do so; your comment (optional)

23. Disciplinary system

What are the disciplinary bodies for doping offences, i.e. the main body imposing sanctions on athletes and other persons?

	–	–
State authority	NO	NO
NADO	YES	YES
NOC	NO	NO
National sport federations	YES	YES
international sport federations	YES	YES
Independent disciplinary body	NO	NO
Professional associations	NO	NO
Other, please specify	NO	NO

24. Appeals system

What is the body handling appeals against disciplinary measures?

- () State authority; your comment (optional)
- () National sports federations; your comment (optional)
- () International sports federations; your comment (optional)
- () Independent court of arbitration; your comment (optional)
- (X) Court of Arbitration in Sport (CAS); your comment (optional)
- () Other, please specify :

25. Anti-doping rule violations (ADRV)

How many anti-doping rule violations cases were initiated in 2019 and how many of these initiated cases resulted in the imposition of a sanction?

	Initiated cases	Cases that resulted in a sanction	Cases that resulted in no sanction
Presence of a prohibited substance or its Metabolites or markers in an athlete's sample Min numeric value allowed : 0	0	0	0
Use or attempted use by an athlete of a Prohibited substance or a prohibited method Min numeric value allowed : 0	0	0	0

[] Data not available

26. Whereabouts failures 

How many of the following whereabouts failures have you registered in 2019?

- One missed test or filing failure
- Any combination of two missed tests and/or filing failures
- Data not available

27. Sanctions for doping trafficking 

Are there specific penalties or sanctions for illegal circulation of doping substances, in addition to those regulating the movement of medicines and narcotics?

- Criminal penalties, please specify
- Financial penalties, please specify
- Administrative or civil sanctions, please specify
- Professional disciplinary actions, please specify
- None of above, please explain
- Not available; your comment (optional)

28. Co-operation with law enforcement agencies 

What measures have been taken to improve co-operation with law enforcement agencies in limiting illegal availability of doping substances?

- Law, please specify
- Agreement, please specify
- Ad hoc activities, please specify
- Other, please specify
- None; your comment (optional)

29. Statistics on doping trafficking 

Do law enforcement agencies share data on the seizure of doping substances with the national anti-doping organisation:

- Yes, please specify how many seizures have been reported in 2019:
- No; your comment (optional)
- Other, please specify :

30. Organisation of anti-doping education 

Which organisations are involved in coordinating and/or implementing anti-doping education programs?

- National anti-doping organisation
- Ministry responsible for sport
- Ministry responsible for education

- Ministry responsible for health
- Other governmental body
- National sport federations
- Regional/municipal sport organisations
- Universities
- Schools
- Sport clubs
- Other bodies

31. Anti-doping education themes

What types of anti-doping message are provided for different target groups?

	elite athletes	young athletes	recreational athletes	sports officials	coaches	medical personnel	school pupils	media	general public	other
National and International Anti-Doping Rules	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>

32. Nutritional supplements

What measures have been taken to address the problems related to nutritional supplements in sport?

- Restrict availability
- Control of production
- Provide quality assurance
- Comprehensive labelling
- Limit advertising and promotion
- Educational and informational measures
- Other, please specify:

33. Anti-doping research ●

Has any anti-doping research been undertaken or supported?

- Yes; your comment (optional)
- Yes, to a limited extent; your comment (optional)
- No; your comment (optional)

34. Areas of anti-doping research ●

What are the areas of anti-doping research?

- Doping prevention
- Detection methods
- Behavioural and social aspects of doping
- Health consequences of doping
- Physiological and psychological training programmes
- Emerging substances or methods
- Alternative testing methods
- None
- Other; your comment (optional)

35. Publication of anti-doping research ●

How many articles with the results of this research have been published in peer-reviewed scientific journals?

- 0 in 2019; your comment (optional)
- Data not available

36. International agreements ●

Has your country signed any agreements with other Anti-Doping Organizations (ADOs) or agreements on anti-doping with any other organisation or State concerning the following:

Yes or No; if applicable please explain or upload the document (below)

(a) Sharing of information	NO
(b) Law enforcement cooperation	NO
(c) Athlete Biological Passport sharing or coordination	NO
(d) General cooperation	NO

Anti-Doping Questionnaire

Implementation of anti-doping policies in 2019 - Malta

Questionnaire on implementation of anti-doping policies in 2019 0.1

Objective :

In order to implement the requirements of the Article 9 of the Anti-Doping Convention, the online annual questionnaire is ready for collection of data regarding anti-doping policies in 2019.

Instruction :

For detailed instructions please select the links to documentation at the top of the page.

In case you face any problems which would prevent you from filling in the questionnaire, please report it to us by e-mail sport.t-do@coe.int

You are kindly requested to fill in, save and post your country's data for 2019 before 30 April 2020.

Questions :

1. Number of Athletes

Please estimate the number of athletes in the following categories within your country:

international-level athletes (as defined by the World Anti-Doping Code)

Min numeric value allowed : 0

[] your comment (optional)

Data not available

national-level athletes (as defined by the World Anti-Doping Code)

Min numeric value allowed : 0

[] your comment (optional)

Data not available

other athletes (including recreational athletes)

Min numeric value allowed : 0

[] your comment (optional)

Data not available

number of athletes in your national Registered Testing Pool (as defined by the World Anti-Doping Code)

Min numeric value allowed : 0

[30] your comment (optional)

[] Data not available

number of athletes at the last Summer Olympic games

Min numeric value allowed : 0

[7] your comment (optional) 2016

[] Data not available

number of athletes at the last Winter Olympic games

Min numeric value allowed : 0

[1] your comment (optional) 2018

[] Data not available

number of athletes at the last Summer Paralympic games

Min numeric value allowed : 0

[1] your comment (optional) 2016

[] Data not available

number of athletes at the last Winter Paralympic games

Min numeric value allowed : 0

[0] your comment (optional) 2018

[] Data not available

2. Doping definition

What is the definition of "Doping in Sport" used in your country?

[] Council of Europe Anti-Doping Convention. Your comment (optional)

[] UNESCO International Convention against doping in sport. Your comment (optional)

[X] World Anti-Doping Code. Your comment (optional)

[] Other, please specify (e.g. national law) :

3. Doping List

Which list of banned pharmacological classes of doping agents and doping methods (i.e. Prohibited List) is implemented in your country?

[X] Prohibited list, as adopted by the Executive Committee of WADA. Your comment (optional)

.....

[] List of banned pharmacological classes of doping agents and doping methods, as adopted by the Monitoring Group (TDO). Your comment (optional)

[] Prohibited list, as adopted by the Conference of Parties of the International Convention against Doping in Sport (UNESCO) Your comment (optional)

[] Other, please specify :

4. Additional doping lists

For the purposes of restricting availability of doping substances are there other lists than those defined in question 4?

- () Yes, please specify:
- (X) No. Your comment (optional)

5. Anti-doping laws

Are there any anti-doping laws in your country?

- [X] Anti-doping law. Your comment (optional) Legal Notice 17 of 2015 of the Laws of Malta
- [] Other formal regulations, please specify:
- [] No. Your comment (optional)

Attachments

-  Legal Notice 17 of 2015 of the Laws of Malta : <http://https://nadomalta.org/wp-content/uploads/2016/05/LN-17-of-2015-of-the-Laws-of-Malta.pdf>

6. National anti-doping organisation (NADO)

What is the legal status of your national anti-doping organisation? Please upload the statutes, if possible

- (X) Public authority. Your comment (optional)
- () Non-governmental organisation. Your comment (optional)
- () Private company. Your comment (optional)
- () National Olympic Committee. Your comment (optional)
- () Other, please specify :

7. NADO activities

Which of the activities below are conducted by your national anti-doping organisation? Please upload the organisational chart, if possible

	Yes. Your comment (optional)	No, please specify which organisation is in charge:
Co-ordination of action by public authorities	(X)	()
Coordination of the fight against trafficking	()	(X) Malta Police Force
Testing (doping control)	(X)	()
Results management	(X)	()
Disciplinary procedures	(X)	()
Education and/or information	(X)	()
Research	()	(X) University of Malta

8. Funding of anti-doping program

What was your annual anti-doping budget for the 2019 calendar year?

Min numeric value allowed : 0

[80000] amounteuroCurrency

[] Data not available

9. Funding sources

How is the anti-doping program funded? Please select all that apply and indicate an estimate in percentages:

[X] Government 100%

[] National Lottery program %

[] National Olympic Committee (NOC) %

[] Other Sports Organization(s) %

[] Fee for service %

[] Private %

[] Other %

10. Distribution of funding

What percentage of your annual anti-doping budget is put towards the following core programs?

[20] Testing (including equipment, transportation, Sample Collection Personnel (SCP) fees)

[35] Sample analysis

[1] Investigations

[1] Education

[1] Research

[4] Results Management/Legal

[1] Therapeutic Use Exemptions (TUEs)

[37] Other (e.g. remuneration, administration) Memberships, Flights for Conferences, Remuneration for Panels and Wages

[] Data not available

11. Sport Budget

What amount has been allocated to the sport budget from the state budget for the year 2019?

[9995000] amounteurocurrency

[] Data not available

12. Limiting public funding to organisations

Is public funding withheld from organisations that do not comply with anti-doping regulations and related legal instruments?

() Yes, all funding is withheld; your comment (optional)

A limited amount of funding is withheld; your comment (optional) LN 17 of 2015 of the Laws of Malta Art.13

No financial implications; your comment (optional)

Information not available; your comment (optional)

13. Limitation of public funding of persons

Is sport-related financial assistance provided by public authorities withheld from banned athletes or athlete support personnel during the period of their suspension?

Yes, all funding is withheld; your comment (optional)

A limited amount of funding is withheld; your comment (optional)

No; your comment (optional)

Not applicable (no sport-related financial assistance is provided by public authorities to athletes or support personnel); your comment (optional)

Information not available; your comment (optional)

14. Testing programme

Does your country have a national testing programme?

Yes

No, please explain

15. Elements of the Testing Program

What elements of the testing program are implemented by the national anti-doping organisation?

Risk Assessment and Test Distribution Planning (TDP)

Registered Testing Pool

Random selection of athletes

Targeted selection of athletes

In-competition testing

Out-of-competition testing

No-advance notice testing

Blood testing

Athlete Biological Passport (ABP) modules

Other elements, please specify

If some elements are implemented by another body, please specify which body

16. Quality certificate

Is your NADO or part of its procedures certified according to a quality standard (such as ISO, iNADO or any other quality assurance system)?

Yes, please specify which standard, its scope and validity: iNADO

- In progress, please specify
- No; your comment (optional)

17. NADO staff 

Please outline below how many staff are involved in the coordination and management of your anti-doping programs.

Min numeric value allowed : 0

- Staff full time
- Staff part time
- Volunteers
- Committee members
- Data not available

18. Sample Collection Personnel 

Do you have Sample Collection Personnel (SCP) ?

- Yes
- No, please explain

19. Number of DCOs and BCOs 

How many Doping Control Officers (DCOs), Blood Control Officers (BCOs) and chaperones are in your sample collection personnel program?

Min numeric value allowed : 0

- DCOs; your comment (optional)
- BCOs; your comment (optional)
- Chaperones; your comment (optional)
- Data not available

20. Laboratory 

Is there a doping control laboratory in your country?

- Yes, accredited by WADA
- Yes, but accreditation by WADA is pending
- Accredited by WADA for athlete biological passport
- No, we send samples to the WADA accredited laboratories in:Seibersdorf - Austria(city)
- Not available

21. Testing statistics 

How many samples were collected under your national testing program in the year 2019?

	Urine	Blood (including ABP)
In-competition testing Min numeric value allowed : 0	87	0
Out-of-competition testing Min numeric value allowed : 0	36	0

[] Data not available

22. Testing abroad

Did you test athletes under your authority who reside or train abroad (directly or by subcontracting another ADO)?

- () Yes; your comment (optional)
- (X) Not in 2019, but we have authorisation to do so; your comment (optional)
- () No, we do not have authorisation to do so; your comment (optional)

23. Disciplinary system

What are the disciplinary bodies for doping offences, i.e. the main body imposing sanctions on athletes and other persons?

	–	–
State authority	no	no
NADO	yes	yes
NOC	no	no
National sport federations	yes	yes
international sport federations	yes	yes
Independent disciplinary body	no	no
Professional associations	yes	yes
Other, please specify	no	no

24. Appeals system

What is the body handling appeals against disciplinary measures?

- () State authority; your comment (optional)
- () National sports federations; your comment (optional)
- () International sports federations; your comment (optional)
- () Independent court of arbitration; your comment (optional)
- () Court of Arbitration in Sport (CAS); your comment (optional)

(X) Other, please specify : National Anti-Doping Appeals Panel

25. Anti-doping rule violations (ADRV)

How many anti-doping rule violations cases were initiated in 2019 and how many of these initiated cases resulted in the imposition of a sanction?

	Initiated cases	Cases that resulted in a sanction	Cases that resulted in no sanction
Presence of a prohibited substance or its Metabolites or markers in an athlete's sample Min numeric value allowed : 0	2	1	0
Use or attempted use by an athlete of a Prohibited substance or a prohibited method Min numeric value allowed : 0	0	0	0
Evading, Refusing or Failing to Submit to Sample Collection Min numeric value allowed : 0	0	0	0
Whereabouts Failures Min numeric value allowed : 0	0	0	0
Tampering or attempted tampering with any part of doping control Min numeric value allowed : 0	0	0	0
Possession of prohibited substances and prohibited methods Min numeric value allowed : 0	0	0	0
Trafficking or attempted trafficking in any prohibited substance or prohibited method Min numeric value allowed : 0	0	0	0
Administration or attempted administration to any athlete of any Prohibited method or prohibited substance Min numeric value allowed : 0	0	0	0
Complicity Min numeric value allowed : 0	0	0	0
Prohibited Association Min numeric value allowed : 0	0	0	0

Data not available

26. Whereabouts failures

How many of the following whereabouts failures have you registered in 2019?

One missed test or filing failure

Any combination of two missed tests and/or filing failures

Data not available

27. Sanctions for doping trafficking 

Are there specific penalties or sanctions for illegal circulation of doping substances, in addition to those regulating the movement of medicines and narcotics?

- Criminal penalties, please specify
- Financial penalties, please specify
- Administrative or civil sanctions, please specify Suspension
- Professional disciplinary actions, please specify Loss of professional practice warrant
- None of above, please explain
- Not available; your comment (optional)

28. Co-operation with law enforcement agencies 

What measures have been taken to improve co-operation with law enforcement agencies in limiting illegal availability of doping substances?

- Law, please specify
- Agreement, please specify
- Ad hoc activities, please specify
- Other, please specify
- None; your comment (optional)

29. Statistics on doping trafficking 

Do law enforcement agencies share data on the seizure of doping substances with the national anti-doping organisation:

- Yes, please specify how many seizures have been reported in 2019:
- No; your comment (optional)
- Other, please specify :

30. Organisation of anti-doping education 

Which organisations are involved in coordinating and/or implementing anti-doping education programs?

- National anti-doping organisation
- Ministry responsible for sport
- Ministry responsible for education
- Ministry responsible for health
- Other governmental body NADO
- National sport federations
- Regional/municipal sport organisations
- Universities
- Schools
- Sport clubs

[X] Other bodiesMalta Olympic Committee

31. Anti-doping education themes

Do you have Sample Collection Personnel (SCP) ?

 Yes No, please explain

19. Number of DCOs and BCOs

How many Doping Control Officers (DCOs), Blood Control Officers (BCOs) and chaperones are in your sample collection personnel program?

Min numeric value allowed : 0

[2] DCOs; your comment (optional)

[1] BCOs; your comment (optional)

[5] Chaperones; your comment (optional)

[] Data not available

20. Laboratory

Is there a doping control laboratory in your country?

 Yes, accredited by WADA Yes, but accreditation by WADA is pending Accredited by WADA for athlete biological passport No, we send samples to the WADA accredited laboratories in:Seibersdorf(city) Not available

21. Testing statistics

How many samples were collected under your national testing program in the year 2019?

	Urine	Blood (including ABP)
In-competition testing Min numeric value allowed : 0	16	4
Out-of-competition testing Min numeric value allowed : 0	46	11

[] Data not available

 Statistical_Report_2019.pdf

22. Testing abroad

Did you test athletes under your authority who reside or train abroad (directly or by subcontracting another ADO)?

- () Yes; your comment (optional)
- () Not in 2019, but we have authorisation to do so; your comment (optional)
- (X) No, we do not have authorisation to do so; your comment (optional)

23. Disciplinary system

What are the disciplinary bodies for doping offences, i.e. the main body imposing sanctions on athletes and other persons?

	–	–
State authority	No	No
NADO	No	No
NOC	No	No
National sport federations	No	No
international sport federations	Yes	Yes
Independent disciplinary body	Yes	Yes
Professional associations	No	No
Other, please specify	E-EUR-RADO	E-EUR-RADO

24. Appeals system

What is the body handling appeals against disciplinary measures?

- () State authority; your comment (optional)
- () National sports federations; your comment (optional)
- () International sports federations; your comment (optional)
- () Independent court of arbitration; your comment (optional)
- () Court of Arbitration in Sport (CAS); your comment (optional)
- (X) Other, please specify : E-EUR-RADO appeal committee for ADRV occurred on national level and International Sport Federations for international level

25. Anti-doping rule violations (ADRV)

How many anti-doping rule violations cases were initiated in 2019 and how many of these initiated cases resulted in the imposition of a sanction?

	Initiated cases	Cases that resulted in a sanction	Cases that resulted in no sanction
Presence of a prohibited substance or its Metabolites or markers in an athlete's sample Min numeric value allowed : 0	1	1	0

Use or attempted use by an athlete of a Prohibited substance or a prohibited method Min numeric value allowed : 0	0	0	0
Evading, Refusing or Failing to Submit to Sample Collection Min numeric value allowed : 0	0	0	0
Whereabouts Failures Min numeric value allowed : 0	0	0	0
Tampering or attempted tampering with any part of doping control Min numeric value allowed : 0	0	0	0
Possession of prohibited substances and prohibited methods Min numeric value allowed : 0	0	0	0
Trafficking or attempted trafficking in any prohibited substance or prohibited method Min numeric value allowed : 0	0	0	0
Administration or attempted administration to any athlete of any Prohibited method or prohibited substance Min numeric value allowed : 0	0	0	0
Complicity Min numeric value allowed : 0	0	0	0
Prohibited Association Min numeric value allowed : 0	0	0	0

Data not available

26. Whereabouts failures

How many of the following whereabouts failures have you registered in 2019?

One missed test or filing failure

Any combination of two missed tests and/or filing failures

Data not available

27. Sanctions for doping trafficking

Are there specific penalties or sanctions for illegal circulation of doping substances, in addition to those regulating the movement of medicines and narcotics?

Criminal penalties, please specify

Financial penalties, please specify

Administrative or civil sanctions, please specify

Professional disciplinary actions, please specify disqualification and ineligibility, in accordance with WADC

None of above, please explain

Not available; your comment (optional)

28. Co-operation with law enforcement agencies

What measures have been taken to improve co-operation with law enforcement agencies in limiting illegal availability of doping substances?

Law, please specify Draft National Law, which is in the process of adoption, includes specific regulations about collaboration between authorities

Agreement, please specify

Ad hoc activities, please specify Representative from the Agency is involved in common operation to combat trafficking of banned substances together with Customs Service and Ministry of Internal Affairs

Other, please specify

None; your comment (optional)

29. Statistics on doping trafficking

Do law enforcement agencies share data on the seizure of doping substances with the national anti-doping organisation:

Yes, please specify how many seizures have been reported in 2019:

No; your comment (optional)

Other, please specify :

30. Organisation of anti-doping education

Which organisations are involved in coordinating and/or implementing anti-doping education programs?

National anti-doping organisation

Ministry responsible for sport

Ministry responsible for education

Ministry responsible for health

Other governmental body

National sport federations

Regional/municipal sport organisations

Universities

Schools

Sport clubs

Other bodies National Olympic and Sports Committee

31. Anti-doping education themes

What types of anti-doping message are provided for different target groups?

elite athletes	young athletes	recreational athletes	sports officials	coaches	medical personnel	school pupils	media	general public	other
----------------	----------------	-----------------------	------------------	---------	-------------------	---------------	-------	----------------	-------

32. Nutritional supplements

What measures have been taken to address the problems related to nutritional supplements in sport?

- [] Restrict availability
- [] Control of production
- [] Provide quality assurance
- [] Comprehensive labelling
- [X] Limit advertising and promotion
- [X] Educational and informational measures
- [] Other, please specify:

33. Anti-doping research

Has any anti-doping research been undertaken or supported?

- (X) Yes; your comment (optional)
- () Yes, to a limited extent; your comment (optional)

() No; your comment (optional)

34. Areas of anti-doping research ●

What are the areas of anti-doping research?

- Doping prevention
- Detection methods
- Behavioural and social aspects of doping
- Health consequences of doping
- Physiological and psychological training programmes
- Emerging substances or methods
- Alternative testing methods
- None
- Other; your comment (optional)

35. Publication of anti-doping research ●

How many articles with the results of this research have been published in peer-reviewed scientific journals?

- 0 in 2019; your comment (optional)
- Data not available

36. International agreements ●

Has your country signed any agreements with other Anti-Doping Organizations (ADOs) or agreements on anti-doping with any other organisation or State concerning the following:

	Yes or No; if applicable please explain or upload the document (below)
(a) Sharing of information	Yes
(b) Law enforcement cooperation	Yes
(c) Athlete Biological Passport sharing or coordination	No
(d) General cooperation	Yes

Data not available

Implementation of anti-doping policies in 2019 - Monaco

Questionnaire on implementation of anti-doping policies in 2019 0.1

Objective :

In order to implement the requirements of the Article 9 of the Anti-Doping Convention, the online annual questionnaire is ready for collection of data regarding anti-doping policies in 2019.

Instruction :

For detailed instructions please select the links to documentation at the top of the page.

In case you face any problems which would prevent you from filling in the questionnaire, please report it to us by e-mail sport.t-do@coe.int

You are kindly requested to fill in, save and post your country's data for 2019 before 30 April 2020.

Questions :

1. Number of Athletes

Please estimate the number of athletes in the following categories within your country:

international-level athletes (as defined by the World Anti-Doping Code)

Min numeric value allowed : 0

[] your comment (optional)

[X] Data not available

national-level athletes (as defined by the World Anti-Doping Code)

8. Funding of anti-doping program

What was your annual anti-doping budget for the 2019 calendar year?

Min numeric value allowed : 0

[215000] amounteurosCurrency

[] Data not available

9. Funding sources

How is the anti-doping program funded? Please select all that apply and indicate an estimate in percentages:

[X] Government 100%

[] National Lottery program %

[] National Olympic Committee (NOC) %

[] Other Sports Organization(s) %

[] Fee for service %

[] Private %

[] Other %

10. Distribution of funding

What percentage of your annual anti-doping budget is put towards the following core programs?

[28] Testing (including equipment, transportation, Sample Collection Personnel (SCP) fees)

[37] Sample analysis

[0] Investigations

[3] Education

[0] Research

[0] Results Management/Legal

[0] Therapeutic Use Exemptions (TUEs)

[32] Other (e.g. remuneration, administration)

[] Data not available

11. Sport Budget 

What amount has been allocated to the sport budget from the state budget for the year 2019?

[50000000] amounteurocurrency

[] Data not available

12. Limiting public funding to organisations 

Is public funding withheld from organisations that do not comply with anti-doping regulations and related legal instruments?

(X) Yes, all funding is withheld; your comment (optional)

() A limited amount of funding is withheld; your comment (optional)

() No financial implications; your comment (optional)

() Information not available; your comment (optional)

13. Limitation of public funding of persons 

Is sport-related financial assistance provided by public authorities withheld from banned athletes or athlete support personnel during the period of their suspension?

(X) Yes, all funding is withheld; your comment (optional) article 38 de l'arrêté ministériel n° 2003-72 du 7 février 2003, modifié

() A limited amount of funding is withheld; your comment (optional)

() No; your comment (optional)

() Not applicable (no sport-related financial assistance is provided by public authorities to athletes or support personnel); your comment (optional)

() Information not available; your comment (optional)

14. Testing programme 

Does your country have a national testing programme?

(X) Yes

() No, please explain

15. Elements of the Testing Program 

What elements of the testing program are implemented by the national anti-doping organisation?

[X] Risk Assessment and Test Distribution Planning (TDP)

[X] Registered Testing Pool

[X] Random selection of athletes

[X] Targeted selection of athletes

[X] In-competition testing

[X] Out-of-competition testing

[X] No-advance notice testing

- Blood testing
- Athlete Biological Passport (ABP) modules
- Other elements, please specify
- If some elements are implemented by another body, please specify which body

16. Quality certificate

Is your NADO or part of its procedures certified according to a quality standard (such as ISO, iNADO or any other quality assurance system)?

- Yes, please specify which standard, its scope and validity:
- In progress, please specify
- No; your comment (optional)

17. NADO staff

Please outline below how many staff are involved in the coordination and management of your anti-doping programs.

Min numeric value allowed : 0

- Staff full time
- Staff part time
- Volunteers
- Committee members
- Data not available

18. Sample Collection Personnel

Do you have Sample Collection Personnel (SCP) ?

- Yes
- No, please explain

19. Number of DCOs and BCOs

How many Doping Control Officers (DCOs), Blood Control Officers (BCOs) and chaperones are in your sample collection personnel program?

Min numeric value allowed : 0

- DCOs; your comment (optional)
- BCOs; your comment (optional)
- Chaperones; your comment (optional)
- Data not available

20. Laboratory

Is there a doping control laboratory in your country?

Yes, accredited by WADA

Yes, but accreditation by WADA is pending

Accredited by WADA for athlete biological passport

No, we send samples to the WADA accredited laboratories in: France, Département des Analyses de l'Agence Française de Lutte contre le dopage (laboratoire de Châtenay-Malabry)(city)

Not available

21. Testing statistics

How many samples were collected under your national testing program in the year 2019?

	Urine	Blood (including ABP)
In-competition testing Min numeric value allowed : 0	45	5
Out-of-competition testing Min numeric value allowed : 0	111	60

Data not available

22. Testing abroad

Did you test athletes under your authority who reside or train abroad (directly or by subcontracting another ADO)?

Yes; your comment (optional)

Not in 2019, but we have authorisation to do so; your comment (optional)

No, we do not have authorisation to do so; your comment (optional)

23. Disciplinary system

What are the disciplinary bodies for doping offences, i.e. the main body imposing sanctions on athletes and other persons?

	–	–
State authority	non	non
NADO	non	non
NOC	non	non
National sport federations	non	non
international sport federations	non	non
Independent disciplinary body	oui	oui
Professional associations	non	non
Other, please specify	non	non

24. Appeals system

What is the body handling appeals against disciplinary measures?

- () State authority; your comment (optional)
- () National sports federations; your comment (optional)
- () International sports federations; your comment (optional)
- () Independent court of arbitration; your comment (optional)
- (X) Court of Arbitration in Sport (CAS); your comment (optional)
- () Other, please specify :

25. Anti-doping rule violations (ADRV)

How many anti-doping rule violations cases were initiated in 2019 and how many of these initiated cases resulted in the imposition of a sanction?

	Initiated cases	Cases that resulted in a sanction	Cases that resulted in no sanction
Presence of a prohibited substance or its Metabolites or markers in an athlete's sample Min numeric value allowed : 0	8	8	0
Use or attempted use by an athlete of a Prohibited substance or a prohibited method Min numeric value allowed : 0	0	0	0
Evading, Refusing or Failing to Submit to Sample Collection Min numeric value allowed : 0	0	0	0
Whereabouts Failures Min numeric value allowed : 0	0	0	0
Tampering or attempted tampering with any part of doping control Min numeric value allowed : 0	0	0	0
Possession of prohibited substances and prohibited methods Min numeric value allowed : 0	0	0	0
Trafficking or attempted trafficking in any prohibited substance or prohibited method Min numeric value allowed : 0	0	0	0
Administration or attempted administration to any athlete of any Prohibited method or prohibited substance Min numeric value allowed : 0	0	0	0
Complicity Min numeric value allowed : 0	0	0	0

Prohibited Association Min numeric value allowed : 0	0	0	0
---	---	---	---

Data not available

26. Whereabouts failures

How many of the following whereabouts failures have you registered in 2019?

One missed test or filing failure

Any combination of two missed tests and/or filing failures

Data not available

27. Sanctions for doping trafficking

Are there specific penalties or sanctions for illegal circulation of doping substances, in addition to those regulating the movement of medicines and narcotics?

Criminal penalties, please specify une sanction en cas de non-respect des règlements administratifs légalement faits par l'autorité administrative est prévue par le Code pénal. cf. fichier joint

Financial penalties, please specify le retrait de toute aide financière est automatique dans ce cas de figure

Administrative or civil sanctions, please specify cf. fichier joint

Professional disciplinary actions, please specify

None of above, please explain

Not available; your comment (optional)

Attachments

 Sanctions.docx

28. Co-operation with law enforcement agencies

What measures have been taken to improve co-operation with law enforcement agencies in limiting illegal availability of doping substances?

Law, please specify ordonnance souveraine n° 15.656 du 7 février 2003 modifiée, art.4

Agreement, please specify

Ad hoc activities, please specify

Other, please specify

None; your comment (optional)

29. Statistics on doping trafficking

Do law enforcement agencies share data on the seizure of doping substances with the national anti-doping organisation:

Yes, please specify how many seizures have been reported in 2019:

No; your comment (optional)

Other, please specify : aucun cas ne s'est encore présenté en Principauté

30. Organisation of anti-doping education

Which organisations are involved in coordinating and/or implementing anti-doping education programs?

- National anti-doping organisation
- Ministry responsible for sport
- Ministry responsible for education
- Ministry responsible for health
- Other governmental body
- National sport federations
- Regional/municipal sport organisations
- Universities
- Schools
- Sport clubs
- Other bodies

31. Anti-doping education themes

2. Doping definition

What is the definition of "Doping in Sport" used in your country?

Council of Europe Anti-Doping Convention. Your comment (optional)

UNESCO International Convention against doping in sport. Your comment (optional)

World Anti-Doping Code. Your comment (optional)

Other, please specify (e.g. national law) : In the Montenegrin system of sports, anti-doping is defined by the Law on Sports, where special chapter is dedicated to prohibition of taking the banned substances. In the Article 100 Law on Sports, it is stated: "Athlete may not use banned substances. Athlete may not apply a procedure that is prohibited in WADA rules. Coach, competent doctor and other persons in sports are not allowed to give to an athlete banned substances or to ask of an athlete or encourage him to use banned substances or to apply procedures that are opposed to WADA rules. Athletes and persons referred to in paragraph 3 of this Article that acted in opposition to WADA rules are subject to provisions of International Convention against Doping in Sport. List of banned substances is prescribed in the yearly WADA List of Banned Substances. List of Banned Substances is translated and published on the website of Anti-Doping Committee." In the Article 101 it is defined the check of usage of banned substances, in the Article 102 it is defined responsible body for monitoring and implementing international conventions against doping in sport, to whom is guaranteed financial and institutional independence, while Article 103 defined Obligations of National Sports Association in Prevention of doping.

3. Doping List

Which list of banned pharmacological classes of doping agents and doping methods (i.e. Prohibited List) is implemented in your country?

Prohibited list, as adopted by the Executive Committee of WADA. Your comment (optional) At the beginning of every year, Anti-doping Commission of Montenegro adopts a National Rulebook of Prohibited List, which is fully compliant with WADAs Prohibited List and published on Commissions website. This rulebook is adopted in the Montenegrin language, so that athletes can more easily get acquainted with its content.

List of banned pharmacological classes of doping agents and doping methods, as adopted by the Monitoring Group (TDO). Your comment (optional)

Prohibited list, as adopted by the Conference of Parties of the International Convention against Doping in Sport (UNESCO) Your comment (optional)

Other, please specify :

 Pravilnik o Spisku nedozvoljenih sredstava.docx

4. Additional doping lists

For the purposes of restricting availability of doping substances are there other lists than those defined in question 4?

Yes, please specify:

No. Your comment (optional)

5. Anti-doping laws

Are there any anti-doping laws in your country?

Anti-doping law. Your comment (optional)

Other formal regulations, please specify: Law on Sports

No. Your comment (optional)

Attachments

 Law on sports 2018 Montenegro.docx

6. National anti-doping organisation (NADO)

What is the legal status of your national anti-doping organisation? Please upload the statutes, if possible

Public authority. Your comment (optional)

Non-governmental organisation. Your comment (optional)

Private company. Your comment (optional)

National Olympic Committee. Your comment (optional) According to the Article 46 of the Law on Sports, Olympic Committee of Montenegro is responsible for establishment and dissolution of Anti-Doping Committee and funding of its work.

Other, please specify :

7. NADO activities

Which of the activities below are conducted by your national anti-doping organisation? Please upload the organisational chart, if possible

	Yes. Your comment (optional)	No, please specify which organisation is in charge:
Co-ordination of action by public authorities	(X)	()
Coordination of the fight against trafficking	()	(X) Executive body for traffic control
Testing (doping control)	(X)	()
Results management	()	(X) East European Regional Anti-Doping Organisation
Disciplinary procedures	()	(X) East European Regional Anti-Doping Organisation
Education and/or information	(X)	()
Research	(X)	()

8. Funding of anti-doping program

What was your annual anti-doping budget for the 2019 calendar year?

Min numeric value allowed : 0

[53000] amounteuroCurrency

[] Data not available

9. Funding sources

How is the anti-doping program funded? Please select all that apply and indicate an estimate in percentages:

[X] Government 100%

[] National Lottery program %

[] National Olympic Committee (NOC) %

[] Other Sports Organization(s) %

[] Fee for service %

[] Private %

[] Other %

10. Distribution of funding

What percentage of your annual anti-doping budget is put towards the following core programs?

[] Testing (including equipment, transportation, Sample Collection Personnel (SCP) fees)

[] Sample analysis

- Investigations
- Education
- Research
- Results Management/Legal
- Therapeutic Use Exemptions (TUEs)
- Other (e.g. remuneration, administration)
- Data not available

11. Sport Budget

What amount has been allocated to the sport budget from the state budget for the year 2019?

6190300] amounteurocurrency

Data not available

12. Limiting public funding to organisations

Is public funding withheld from organisations that do not comply with anti-doping regulations and related legal instruments?

Yes, all funding is withheld; your comment (optional)

A limited amount of funding is withheld; your comment (optional)

No financial implications; your comment (optional)

Information not available; your comment (optional)

13. Limitation of public funding of persons

Is sport-related financial assistance provided by public authorities withheld from banned athletes or athlete support personnel during the period of their suspension?

Yes, all funding is withheld; your comment (optional)*According to the Article 72 of Law on Sports Athlete with an extraordinary national team results, after 35 years of age, acquires a right to lifetime monthly reimbursement. Athlete acquires the right to lifetime monthly reimbursement, if following the declaration of his status as an athlete with extraordinary national team results, during his athletic career he has not been punished for failing to adhere to rules of World Anti-Doping Agency. Beside this, every second year, Ministry checks whether the athlete with extraordinary national team results still fulfills conditions, which are among other things referred to possible failing to adhere to rules of World Anti-Doping Agency. If it is determined that an athlete with extraordinary national team results does not fulfill conditions referred to this Article, his right to lifetime monthly reimbursement is terminated.

A limited amount of funding is withheld; your comment (optional)

No; your comment (optional)

Not applicable (no sport-related financial assistance is provided by public authorities to athletes or support personnel); your comment (optional)

Information not available; your comment (optional)

14. Testing programme

Does your country have a national testing programme?

- Yes
- No, please explain

15. Elements of the Testing Program ●

What elements of the testing program are implemented by the national anti-doping organisation?

- Risk Assessment and Test Distribution Planning (TDP)
- Registered Testing Pool
- Random selection of athletes
- Targeted selection of athletes
- In-competition testing
- Out-of-competition testing
- No-advance notice testing
- Blood testing
- Athlete Biological Passport (ABP) modules
- Other elements, please specify
- If some elements are implemented by another body, please specify which body

16. Quality certificate ●

Is your NADO or part of its procedures certified according to a quality standard (such as ISO, iNADO or any other quality assurance system)?

- Yes, please specify which standard, its scope and validity:
- In progress, please specify
- No; your comment (optional)

17. NADO staff ●

Please outline below how many staff are involved in the coordination and management of your anti-doping programs.

Min numeric value allowed : 0

- Staff full time
- Staff part time
- Volunteers
- Committee members
- Data not available

18. Sample Collection Personnel ●

Do you have Sample Collection Personnel (SCP) ?

- Yes
- No, please explain

19. Number of DCOs and BCOs ●

How many Doping Control Officers (DCOs), Blood Control Officers (BCOs) and chaperones are in your sample collection personnel program?

Min numeric value allowed : 0

[13] DCOs; your comment (optional)

[4] BCOs; your comment (optional)

[13] Chaperones; your comment (optional)

[] Data not available

20. Laboratory ●

Is there a doping control laboratory in your country?

[] Yes, accredited by WADA

[] Yes, but accreditation by WADA is pending

[] Accredited by WADA for athlete biological passport

[X] No, we send samples to the WADA accredited laboratories in:Seibersdorf(city)

[] Not available

21. Testing statistics ●

How many samples were collected under your national testing program in the year 2019?

	Urine	Blood (including ABP)
In-competition testing Min numeric value allowed : 0	67	0
Out-of-competition testing Min numeric value allowed : 0	12	0

[] Data not available

22. Testing abroad ●

Did you test athletes under your authority who reside or train abroad (directly or by subcontracting another ADO)?

() Yes; your comment (optional)

(X) Not in 2019, but we have authorisation to do so; your comment (optional)

() No, we do not have authorisation to do so; your comment (optional)

23. Disciplinary system ●

What are the disciplinary bodies for doping offences, i.e. the main body imposing sanctions on athletes and other persons?

-	-
---	---

State authority	no	no
NADO	no	no
NOC	no	no
National sport federations	yes	no
international sport federations	yes	no
Independent disciplinary body	no	no
Professional associations	no	no
Other, please specify	Jurisdiction for performing disciplinary procedures for Committee for 2019. has been transfered to EERADO	no

24. Appeals system

What is the body handling appeals against disciplinary measures?

- () State authority; your comment (optional)
- () National sports federations; your comment (optional)
- () International sports federations; your comment (optional)
- () Independent court of arbitration; your comment (optional)
- (X) Court of Arbitration in Sport (CAS); your comment (optional)
- () Other, please specify : This is transfered to EERADO

25. Anti-doping rule violations (ADRV)

How many anti-doping rule violations cases were initiated in 2019 and how many of these initiated cases resulted in the imposition of a sanction?

	Initiated cases	Cases that resulted in a sanction	Cases that resulted in no sanction
Presence of a prohibited substance or its Metabolites or markers in an athlete's sample Min numeric value allowed : 0	0	0	0
Use or attempted use by an athlete of a Prohibited substance or a prohibited method Min numeric value allowed : 0	0	0	0
Evading, Refusing or Failing to Submit to Sample Collection Min numeric value allowed : 0	0	0	0
Whereabouts Failures Min numeric value allowed : 0	0	0	0

Tampering or attempted tampering with any part of doping control Min numeric value allowed : 0	0	0	0
Possession of prohibited substances and prohibited methods Min numeric value allowed : 0	0	0	0
Trafficking or attempted trafficking in any prohibited substance or prohibited method Min numeric value allowed : 0	0	0	0
Administration or attempted administration to any athlete of any Prohibited method or prohibited substance Min numeric value allowed : 0	0	0	0
Complicity Min numeric value allowed : 0	0	0	0
Prohibited Association Min numeric value allowed : 0	0	0	0

Data not available

26. Whereabouts failures

How many of the following whereabouts failures have you registered in 2019?

One missed test or filing failure

Any combination of two missed tests and/or filing failures

Data not available

27. Sanctions for doping trafficking

Are there specific penalties or sanctions for illegal circulation of doping substances, in addition to those regulating the movement of medicines and narcotics?

Criminal penalties, please specify

Financial penalties, please specify

Administrative or civil sanctions, please specify

Professional disciplinary actions, please specify

None of above, please explain

Not available; your comment (optional) In the "Rulebook for fight against doping" in the Article 2.7 it is stated that anti-doping rule violation is: "Illicit trading or attempt of illicit trading with any prohibited substance".

28. Co-operation with law enforcement agencies

What measures have been taken to improve co-operation with law enforcement agencies in limiting illegal availability of doping substances?

Law, please specify

Agreement, please specify Bearing in mind the fact that Anti-Doping Committee has become operational last year, in this year we

expect to intensify cooperation with others stakeholders.

- Ad hoc activities, please specify
- Other, please specify
- None; your comment (optional)

29. Statistics on doping trafficking

Do law enforcement agencies share data on the seizure of doping substances with the national anti-doping organisation:

- Yes, please specify how many seizures have been reported in 2019:
- No; your comment (optional)
- Other, please specify :

30. Organisation of anti-doping education

Which organisations are involved in coordinating and/or implementing anti-doping education programs?

- National anti-doping organisation
- Ministry responsible for sport
- Ministry responsible for education
- Ministry responsible for health
- Other governmental body
- National sport federations
- Regional/municipal sport organisations
- Universities
- Schools
- Sport clubs
- Other bodies

31. Anti-doping education themes

What types of anti-doping message are provided for different target groups?

	elite athletes	young athletes	recreational athletes	sports officials	coaches	medical personnel	school pupils	media	general public	other

32. Nutritional supplements

What measures have been taken to address the problems related to nutritional supplements in sport?

- Restrict availability
- Control of production
- Provide quality assurance
- Comprehensive labelling
- Limit advertising and promotion
- Educational and informational measures
- Other, please specify:

33. Anti-doping research

Has any anti-doping research been undertaken or supported?

- Yes; your comment (optional)
- Yes, to a limited extent; your comment (optional)
- No; your comment (optional)

34. Areas of anti-doping research

What are the areas of anti-doping research?

- Doping prevention
- Detection methods
- Behavioural and social aspects of doping
- Health consequences of doping

- Physiological and psychological training programmes
- Emerging substances or methods
- Alternative testing methods
- None
- Other; your comment (optional)

35. Publication of anti-doping research

How many articles with the results of this research have been published in peer-reviewed scientific journals?

- in 2019; your comment (optional)
- Data not available

36. International agreements

Has your country signed any agreements with other Anti-Doping Organizations (ADOs) or agreements on anti-doping with any other organisation or State concerning the following:

	Yes or No; if applicable please explain or upload the document (below)
(a) Sharing of information	Yes
(b) Law enforcement cooperation	No
(c) Athlete Biological Passport sharing or coordination	No
(d) General cooperation	Yes. In Podgorica 25.10.2019 was signed Protocol on cooperation between Agency for Anti-Doping control of Bosnia and Hercegovina and Anti-Doping Committee of Montenegro. The protocol formalizes excellent cooperation in the fight against doping in sports and expresses the intention to improve that cooperation.

ADQ

Anti-Doping Questionnaire

Implementation of anti-doping policies in 2019 - Morocco

Questionnaire on implementation of anti-doping policies in 2019 0.1

Objective :

In order to implement the requirements of the Article 9 of the Anti-Doping Convention, the online annual questionnaire is ready for collection of data regarding anti-doping policies in 2019.

Instruction :

For detailed instructions please select the links to documentation at the top of the page.

In case you face any problems which would prevent you from filling in the questionnaire, please report it to us by e-mail sport.t-do@coe.int

You are kindly requested to fill in, save and post your country's data for 2019 before 30 April 2020.

Questions :

1. Number of Athletes

Please estimate the number of athletes in the following categories within your country:

international-level athletes (as defined by the World Anti-Doping Code)

Min numeric value allowed : 0

[811] your comment (optional)

[] Data not available

national-level athletes (as defined by the World Anti-Doping Code)

Min numeric value allowed : 0

[250000] your comment (optional) environ

[] Data not available

other athletes (including recreational athletes)

Min numeric value allowed : 0

[100000] your comment (optional) environ

[] Data not available

number of athletes in your national Registered Testing Pool (as defined by the World Anti-Doping Code)

Min numeric value allowed : 0

[13] your comment (optional)

[] Data not available

number of athletes at the last Summer Olympic games

Min numeric value allowed : 0

[49] your comment (optional)

[] Data not available

number of athletes at the last Winter Olympic games

Min numeric value allowed : 0

[2] your comment (optional)

[] Data not available

number of athletes at the last Summer Paralympic games

Min numeric value allowed : 0

[32] your comment (optional)

[] Data not available

number of athletes at the last Winter Paralympic games

Min numeric value allowed : 0

[] your comment (optional)

[X] Data not available

2. Doping definition 

What is the definition of "Doping in Sport" used in your country?

Council of Europe Anti-Doping Convention. Your comment (optional)

UNESCO International Convention against doping in sport. Your comment (optional)

World Anti-Doping Code. Your comment (optional)

Other, please specify (e.g. national law) : législation nationale en concordance avec le code mondiale et la convention de l'UNESCO

3. Doping List 

Which list of banned pharmacological classes of doping agents and doping methods (i.e. Prohibited List) is implemented in your country?

Prohibited list, as adopted by the Executive Committee of WADA. Your comment (optional)
.....

List of banned pharmacological classes of doping agents and doping methods, as adopted by the Monitoring Group (TDO). Your comment (optional)

Prohibited list, as adopted by the Conference of Parties of the International Convention against Doping in Sport (UNESCO) Your comment (optional)

Other, please specify :

4. Additional doping lists 

For the purposes of restricting availability of doping substances are there other lists than those defined in question 4?

Yes, please specify:

No. Your comment (optional)

5. Anti-doping laws 

Are there any anti-doping laws in your country?

Anti-doping law. Your comment (optional) La loi 97/112 relative à la lutte contre le dopage dans le sport

Other formal regulations, please specify: Décret d'application de la loi n° 12-97 (BO N° 6801)

No. Your comment (optional)

6. National anti-doping organisation (NADO) 

What is the legal status of your national anti-doping organisation? Please upload the statutes, if possible

Public authority. Your comment (optional)

Non-governmental organisation. Your comment (optional)

Private company. Your comment (optional)

National Olympic Committee. Your comment (optional)

Other, please specify :

7. NADO activities

Which of the activities below are conducted by your national anti-doping organisation? Please upload the organisational chart, if possible

	Yes. Your comment (optional)	No, please specify which organisation is in charge:
Co-ordination of action by public authorities	(X)	()
Coordination of the fight against trafficking	(X)	()
Testing (doping control)	(X)	()
Results management	(X)	()
Disciplinary procedures	(X)	()
Education and/or information	(X)	()
Research	()	(X) no info

8. Funding of anti-doping program

What was your annual anti-doping budget for the 2019 calendar year?

Min numeric value allowed : 0

[1137200] amountDh (Dirhams Marocains)Currency

[] Data not available

9. Funding sources

How is the anti-doping program funded? Please select all that apply and indicate an estimate in percentages:

[X] Government100%

[] National Lottery program %

[] National Olympic Committee (NOC) %

[] Other Sports Organization(s) %

[] Fee for service %

[] Private %

[] Other %

10. Distribution of funding

What percentage of your annual anti-doping budget is put towards the following core programs?

[20] Testing (including equipment, transportation, Sample Collection Personnel (SCP) fees)

[35] Sample analysis

- [5] Investigations
- [20] Education
- [0] Research
- [5] Results Management/Legal
- [5] Therapeutic Use Exemptions (TUEs)
- [10] Other (e.g. remuneration, administration)
- [] Data not available

11. Sport Budget

What amount has been allocated to the sport budget from the state budget for the year 2019?

- [1.45] amount in JRD currency
- [] Data not available

12. Limiting public funding to organisations

Is public funding withheld from organisations that do not comply with anti-doping regulations and related legal instruments?

- () Yes, all funding is withheld; your comment (optional)
- () A limited amount of funding is withheld; your comment (optional)
- () No financial implications; your comment (optional)
- (X) Information not available; your comment (optional)

13. Limitation of public funding of persons

Is sport-related financial assistance provided by public authorities withheld from banned athletes or athlete support personnel during the period of their suspension?

- (X) Yes, all funding is withheld; your comment (optional)
- () A limited amount of funding is withheld; your comment (optional)
- () No; your comment (optional)
- () Not applicable (no sport-related financial assistance is provided by public authorities to athletes or support personnel); your comment (optional)
- () Information not available; your comment (optional)

14. Testing programme

Does your country have a national testing programme?

- (X) Yes
- () No, please explain

15. Elements of the Testing Program

What elements of the testing program are implemented by the national anti-doping organisation?

- Risk Assessment and Test Distribution Planning (TDP)
- Registered Testing Pool
- Random selection of athletes
- Targeted selection of athletes
- In-competition testing
- Out-of-competition testing
- No-advance notice testing
- Blood testing
- Athlete Biological Passport (ABP) modules
- Other elements, please specify
- If some elements are implemented by another body, please specify which body

16. Quality certificate ●

Is your NADO or part of its procedures certified according to a quality standard (such as ISO, iNADO or any other quality assurance system)?

- Yes, please specify which standard, its scope and validity:
- In progress, please specify
- No; your comment (optional)

17. NADO staff ●

Please outline below how many staff are involved in the coordination and management of your anti-doping programs.

Min numeric value allowed : 0

- [] Staff full time
- [] Staff part time
- [] Volunteers
- [] Committee members
- Data not available

18. Sample Collection Personnel ●

Do you have Sample Collection Personnel (SCP) ?

- Yes
- No, please explain

19. Number of DCOs and BCOs ●

How many Doping Control Officers (DCOs), Blood Control Officers (BCOs) and chaperones are in your sample collection personnel program?

Min numeric value allowed : 0

[10] DCOs; your comment (optional)

[5] BCOs; your comment (optional)

[50] Chaperones; your comment (optional)

[] Data not available

20. Laboratory

Is there a doping control laboratory in your country?

[] Yes, accredited by WADA

[] Yes, but accreditation by WADA is pending

[] Accredited by WADA for athlete biological passport

[X] No, we send samples to the WADA accredited laboratories in:Lausanne (SUI)(city)

[] Not available

21. Testing statistics

How many samples were collected under your national testing program in the year 2019?

	Urine	Blood (including ABP)
In-competition testing Min numeric value allowed : 0	300	0
Out-of-competition testing Min numeric value allowed : 0	485	60

[] Data not available

22. Testing abroad

Did you test athletes under your authority who reside or train abroad (directly or by subcontracting another ADO)?

() Yes; your comment (optional)

() Not in 2019, but we have authorisation to do so; your comment (optional)

(X) No, we do not have authorisation to do so; your comment (optional)Donnee indisponible/data not available

23. Disciplinary system

What are the disciplinary bodies for doping offences, i.e. the main body imposing sanctions on athletes and other persons?

	–	–
State authority	no	no
NADO	no	no

NOC	oui	oui
National sport federations	no	no
international sport federations	no	no
Independent disciplinary body	no	no
Professional associations	no	no
Other, please specify	no	no

24. Appeals system

What is the body handling appeals against disciplinary measures?

- () State authority; your comment (optional)
- () National sports federations; your comment (optional)
- () International sports federations; your comment (optional)
- () Independent court of arbitration; your comment (optional)
- (X) Court of Arbitration in Sport (CAS); your comment (optional)
- () Other, please specify :

25. Anti-doping rule violations (ADRV)

How many anti-doping rule violations cases were initiated in 2019 and how many of these initiated cases resulted in the imposition of a sanction?

	Initiated cases	Cases that resulted in a sanction	Cases that resulted in no sanction
Presence of a prohibited substance or its Metabolites or markers in an athlete's sample Min numeric value allowed : 0	9	9	0
Use or attempted use by an athlete of a Prohibited substance or a prohibited method Min numeric value allowed : 0	0	0	0
Evading, Refusing or Failing to Submit to Sample Collection Min numeric value allowed : 0	0	0	0
Whereabouts Failures Min numeric value allowed : 0	0	0	0
Tampering or attempted tampering with any part of doping control Min numeric value allowed : 0	0	0	0
Possession of prohibited substances and prohibited methods Min numeric value allowed : 0	0	0	0

Trafficking or attempted trafficking in any prohibited substance or prohibited method Min numeric value allowed : 0	0	0	0
Administration or attempted administration to any athlete of any Prohibited method or prohibited substance Min numeric value allowed : 0	0	0	0
Complicity Min numeric value allowed : 0	0	0	0
Prohibited Association Min numeric value allowed : 0	0	0	0

Data not available

26. Whereabouts failures 

How many of the following whereabouts failures have you registered in 2019?

- One missed test or filing failure
- Any combination of two missed tests and/or filing failures
- Data not available

27. Sanctions for doping trafficking 

Are there specific penalties or sanctions for illegal circulation of doping substances, in addition to those regulating the movement of medicines and narcotics?

- Criminal penalties, please specify
- Financial penalties, please specify
- Administrative or civil sanctions, please specify
- Professional disciplinary actions, please specify
- None of above, please explain
- Not available; your comment (optional)

28. Co-operation with law enforcement agencies 

What measures have been taken to improve co-operation with law enforcement agencies in limiting illegal availability of doping substances?

- Law, please specify
- Agreement, please specify
- Ad hoc activities, please specify
- Other, please specify
- None; your comment (optional) Donee indisponible / data not available

29. Statistics on doping trafficking 

Do law enforcement agencies share data on the seizure of doping substances with the national anti-doping organisation:

- Yes, please specify how many seizures have been reported in 2019:
- No; your comment (optional)
- Other, please specify : Donee indisponible / data not available

30. Organisation of anti-doping education

Which organisations are involved in coordinating and/or implementing anti-doping education programs?

- National anti-doping organisation
- Ministry responsible for sport
- Ministry responsible for education
- Ministry responsible for health
- Other governmental body
- National sport federations
- Regional/municipal sport organisations
- Universities
- Schools
- Sport clubs
- Other bodies association de la société civile

31. Anti-doping education themes

What types of anti-doping message are provided for different target groups?

32. Nutritional supplements

What measures have been taken to address the problems related to nutritional supplements in sport?

- Restrict availability
- Control of production
- Provide quality assurance
- Comprehensive labelling
- Limit advertising and promotion
- Educational and informational measures

Other, please specify: 1) La circulaire Publique (Circulaire conjointe N°005 de 1997 du département de l'Agriculture et de la Santé Publique, relative aux denrées alimentaires et boissons destinées à une alimentation particulières) après avis du comité consultatif d'enregistrement des denrées alimentaires et boissons destinées à une alimentation particulières. 2) Plate-forme nationale : plateforme nationale de suivi de conformité de la convention internationale de la lutte contre le dopage dans le sport adopté par l'unesco

33. Anti-doping research

Has any anti-doping research been undertaken or supported?

- Yes; your comment (optional)
- Yes, to a limited extent; your comment (optional)
- No; your comment (optional)

34. Areas of anti-doping research

What are the areas of anti-doping research?

- Doping prevention
- Detection methods
- Behavioural and social aspects of doping
- Health consequences of doping
- Physiological and psychological training programmes
- Emerging substances or methods

Alternative testing methods

None

Other; your comment (optional)

35. Publication of anti-doping research ●

How many articles with the results of this research have been published in peer-reviewed scientific journals?

in 2019; your comment (optional)

Data not available

36. International agreements ●

Has your country signed any agreements with other Anti-Doping Organizations (ADOs) or agreements on anti-doping with any other organisation or State concerning the following:

	Yes or No; if applicable please explain or upload the document (below)
(a) Sharing of information	Non
(b) Law enforcement cooperation	Non
(c) Athlete Biological Passport sharing or coordination	Non
(d) General cooperation	Non

ADQ
Anti-Doping Questionnaire

Implementation of anti-doping policies in 2019 - Netherlands

Questionnaire on implementation of anti-doping policies in 2019 0.1

Objective :

In order to implement the requirements of the Article 9 of the Anti-Doping Convention, the online annual questionnaire is ready for collection of data regarding anti-doping policies in 2019.

Instruction :

For detailed instructions please select the links to documentation at the top of the page.

In case you face any problems which would prevent you from filling in the questionnaire, please report it to us by e-mail sport.t-do@coe.int

You are kindly requested to fill in, save and post your country's data for 2019 before 30 April 2020.

Questions :

1. Number of Athletes

Please estimate the number of athletes in the following categories within your country:

international-level athletes (as defined by the World Anti-Doping Code)

Min numeric value allowed : 0

[786] your comment (optional)

[] Data not available

national-level athletes (as defined by the World Anti-Doping Code)

Min numeric value allowed : 0

[20000] your comment (optional)

[] Data not available

other athletes (including recreational athletes)

Min numeric value allowed : 0

[5000000] your comment (optional)

[] Data not available

number of athletes in your national Registered Testing Pool (as defined by the World Anti-Doping Code)

Min numeric value allowed : 0

[340] your comment (optional)

[] Data not available

number of athletes at the last Summer Olympic games

Min numeric value allowed : 0

[242] your comment (optional)

[] Data not available

number of athletes at the last Winter Olympic games

Min numeric value allowed : 0

[31] your comment (optional)

[] Data not available

number of athletes at the last Summer Paralympic games

Min numeric value allowed : 0

[126] your comment (optional)

[] Data not available

number of athletes at the last Winter Paralympic games

Min numeric value allowed : 0

[9] your comment (optional)

[] Data not available

2. Doping definition

What is the definition of "Doping in Sport" used in your country?

[] Council of Europe Anti-Doping Convention. Your comment (optional)

[] UNESCO International Convention against doping in sport. Your comment (optional)

World Anti-Doping Code. Your comment (optional)

Other, please specify (e.g. national law) :

3. Doping List

Which list of banned pharmacological classes of doping agents and doping methods (i.e. Prohibited List) is implemented in your country?

Prohibited list, as adopted by the Executive Committee of WADA. Your comment (optional)

.....

List of banned pharmacological classes of doping agents and doping methods, as adopted by the Monitoring Group (TDO). Your comment (optional)

Prohibited list, as adopted by the Conference of Parties of the International Convention against Doping in Sport (UNESCO) Your comment (optional)

Other, please specify :

4. Additional doping lists

For the purposes of restricting availability of doping substances are there other lists than those defined in question 4?

Yes, please specify: Medicines Act (all medicines not registered are restricted) and Opium Act (restriction for hard drugs and soft drugs on Lists I and II belonging to Opium Act).

No. Your comment (optional)

5. Anti-doping laws

Are there any anti-doping laws in your country?

Anti-doping law. Your comment (optional)

Other formal regulations, please specify: Medicines Act, Opium Act, Anti-Doping Policy Implementation Act

No. Your comment (optional)

6. National anti-doping organisation (NADO)

What is the legal status of your national anti-doping organisation? Please upload the statutes, if possible

Public authority. Your comment (optional) Independent government organisation, as of 1-1-2019

Non-governmental organisation. Your comment (optional)

Private company. Your comment (optional)

National Olympic Committee. Your comment (optional)

Other, please specify :

7. NADO activities

Which of the activities below are conducted by your national anti-doping organisation? Please upload the organisational chart, if possible

	Yes. Your comment (optional)	No, please specify which organisation is in charge:
Co-ordination of action by public authorities	()	(X) Ministry of Health
Coordination of the fight against trafficking	()	(X) Public prosecutor
Testing (doping control)	(X)	()
Results management	(X)	()
Disciplinary procedures	()	(X) National sports federations
Education and/or information	(X)	()
Research	(X)	()

8. Funding of anti-doping program

What was your annual anti-doping budget for the 2019 calendar year?

Min numeric value allowed : 0

[4276773] amountEURCurrency

[] Data not available

9. Funding sources

How is the anti-doping program funded? Please select all that apply and indicate an estimate in percentages:

[X] Government61%

[X] National Lottery program30%

[] National Olympic Committee (NOC) %

[] Other Sports Organization(s) %

[X] Fee for service9%

[] Private %

[] Other %

10. Distribution of funding

What percentage of your annual anti-doping budget is put towards the following core programs?

[24] Testing (including equipment, transportation, Sample Collection Personnel (SCP) fees)

[20] Sample analysis

[3] Investigations

[18] Education

[0] Research

[5] Results Management/Legal

[1] Therapeutic Use Exemptions (TUEs)

[29] Other (e.g. remuneration, administration) includes research

[] Data not available

11. Sport Budget

What amount has been allocated to the sport budget from the state budget for the year 2019?

[409498000] amountEURcurrency

[] Data not available

12. Limiting public funding to organisations

Is public funding withheld from organisations that do not comply with anti-doping regulations and related legal instruments?

() Yes, all funding is withheld; your comment (optional)

(X) A limited amount of funding is withheld; your comment (optional)non-compliance with anti-doping regulations can mean cuts in subsidies.

() No financial implications; your comment (optional)

() Information not available; your comment (optional)

13. Limitation of public funding of persons

Is sport-related financial assistance provided by public authorities withheld from banned athletes or athlete support personnel during the period of their suspension?

() Yes, all funding is withheld; your comment (optional)

() A limited amount of funding is withheld; your comment (optional)

() No; your comment (optional)

(X) Not applicable (no sport-related financial assistance is provided by public authorities to athletes or support personnel); your comment (optional)No sport-related financial assistance is provided by public authorities to athletes or support personnel.

() Information not available; your comment (optional)

14. Testing programme

Does your country have a national testing programme?

(X) Yes

() No, please explain

15. Elements of the Testing Program

What elements of the testing program are implemented by the national anti-doping organisation?

[X] Risk Assessment and Test Distribution Planning (TDP)

[X] Registered Testing Pool

- Random selection of athletes
- Targeted selection of athletes
- In-competition testing
- Out-of-competition testing
- No-advance notice testing
- Blood testing
- Athlete Biological Passport (ABP) modules
- Other elements, please specify investigations office, long-term storage of samples
- If some elements are implemented by another body, please specify which body

16. Quality certificate 

Is your NADO or part of its procedures certified according to a quality standard (such as ISO, iNADO or any other quality assurance system)?

- Yes, please specify which standard, its scope and validity: member of iNADO, follows all standards
- In progress, please specify
- No; your comment (optional)

17. NADO staff 

Please outline below how many staff are involved in the coordination and management of your anti-doping programs.

Min numeric value allowed : 0

- Staff full time
- Staff part time
- Volunteers
- Committee members
- Data not available

18. Sample Collection Personnel 

Do you have Sample Collection Personnel (SCP) ?

- Yes
- No, please explain

19. Number of DCOs and BCOs 

How many Doping Control Officers (DCOs), Blood Control Officers (BCOs) and chaperones are in your sample collection personnel program?

Min numeric value allowed : 0

- DCOs; your comment (optional)
- BCOs; your comment (optional)

Chaperones; your comment (optional)

Data not available

20. Laboratory

Is there a doping control laboratory in your country?

Yes, accredited by WADA

Yes, but accreditation by WADA is pending

Accredited by WADA for athlete biological passport

No, we send samples to the WADA accredited laboratories in: Ghent (BE) and Cologne (DE)(city)

Not available

21. Testing statistics

How many samples were collected under your national testing program in the year 2019?

	Urine	Blood (including ABP)
In-competition testing Min numeric value allowed : 0	1193	0
Out-of-competition testing Min numeric value allowed : 0	875	359

Data not available

22. Testing abroad

Did you test athletes under your authority who reside or train abroad (directly or by subcontracting another ADO)?

Yes; your comment (optional)

Not in 2019, but we have authorisation to do so; your comment (optional)

No, we do not have authorisation to do so; your comment (optional)

23. Disciplinary system

What are the disciplinary bodies for doping offences, i.e. the main body imposing sanctions on athletes and other persons?

	–	–
State authority	no	no
NADO	no	no
NOC	no	no
National sport federations	yes	yes
international sport federations	yes	yes

Independent disciplinary body	yes	yes
Professional associations	no	no
Other, please specify	NA	NA

24. Appeals system

What is the body handling appeals against disciplinary measures?

- State authority; your comment (optional)
- National sports federations; your comment (optional)
- International sports federations; your comment (optional)
- Independent court of arbitration; your comment (optional)
- Court of Arbitration in Sport (CAS); your comment (optional)
- Other, please specify :

25. Anti-doping rule violations (ADRV)

How many anti-doping rule violations cases were initiated in 2019 and how many of these initiated cases resulted in the imposition of a sanction?

	Initiated cases	Cases that resulted in a sanction	Cases that resulted in no sanction
Presence of a prohibited substance or its Metabolites or markers in an athlete's sample Min numeric value allowed : 0	12	15	1
Use or attempted use by an athlete of a Prohibited substance or a prohibited method Min numeric value allowed : 0	2	0	2
Evading, Refusing or Failing to Submit to Sample Collection Min numeric value allowed : 0	0	0	1
Whereabouts Failures Min numeric value allowed : 0	0	0	0
Tampering or attempted tampering with any part of doping control Min numeric value allowed : 0	0	2	0
Possession of prohibited substances and prohibited methods Min numeric value allowed : 0	0	0	0
Trafficking or attempted trafficking in any prohibited substance or prohibited method Min numeric value allowed : 0	0	0	0

Administration or attempted administration to any athlete of any Prohibited method or prohibited substance Min numeric value allowed : 0	0	0	0
Complicity Min numeric value allowed : 0	0	0	0
Prohibited Association Min numeric value allowed : 0	0	0	0

Data not available

26. Whereabouts failures 

How many of the following whereabouts failures have you registered in 2019?

- [36] One missed test or filing failure
- [0] Any combination of two missed tests and/or filing failures
- [] Data not available

27. Sanctions for doping trafficking 

Are there specific penalties or sanctions for illegal circulation of doping substances, in addition to those regulating the movement of medicines and narcotics?

- [X] Criminal penalties, please specify
- [X] Financial penalties, please specify
- [] Administrative or civil sanctions, please specify
- [] Professional disciplinary actions, please specify
- [] None of above, please explain
- [] Not available; your comment (optional)

28. Co-operation with law enforcement agencies 

What measures have been taken to improve co-operation with law enforcement agencies in limiting illegal availability of doping substances?

- [X] Law, please specify Anti-Doping Policy Implementation Act
- [X] Agreement, please specify Cooperation agreements with law enforcement agencies
- [] Ad hoc activities, please specify
- [X] Other, please specify regular meetings with all agencies involved
- [] None; your comment (optional)

29. Statistics on doping trafficking 

Do law enforcement agencies share data on the seizure of doping substances with the national anti-doping organisation:

- () Yes, please specify how many seizures have been reported in 2019:

() No; your comment (optional)

(X) Other, please specify : law enforcement agencies share only aggregated data on seizures of doping substances with the nado.

30. Organisation of anti-doping education

Which organisations are involved in coordinating and/or implementing anti-doping education programs?

- National anti-doping organisation
- Ministry responsible for sport
- Ministry responsible for education
- Ministry responsible for health
- Other governmental body
- National sport federations
- Regional/municipal sport organisations
- Universities
- Schools
- Sport clubs
- Other bodies National Olympic Committee

31. Anti-doping education themes

What types of anti-doping message are provided for different target groups?

	elite athletes	young athletes	recreational athletes	sports officials	coaches	medical personnel	school pupils	media	general public	other
National and International Anti-Doping Rules	[X]	[X]	[X]	[X]	[X]	[X]	[X]	[X]	[X]	[X]

32. Nutritional supplements

What measures have been taken to address the problems related to nutritional supplements in sport?

- Restrict availability
- Control of production
- Provide quality assurance
- Comprehensive labelling
- Limit advertising and promotion
- Educational and informational measures
- Other, please specify:

33. Anti-doping research

Has any anti-doping research been undertaken or supported?

- Yes; your comment (optional)
- Yes, to a limited extent; your comment (optional)
- No; your comment (optional)

34. Areas of anti-doping research

What are the areas of anti-doping research?

- Doping prevention
- Detection methods
- Behavioural and social aspects of doping
- Health consequences of doping
- Physiological and psychological training programmes
- Emerging substances or methods
- Alternative testing methods
- None
- Other; your comment (optional)

35. Publication of anti-doping research

How many articles with the results of this research have been published in peer-reviewed scientific journals?

[6] in 2019; your comment (optional)

[] Data not available

36. International agreements

Has your country signed any agreements with other Anti-Doping Organizations (ADOs) or agreements on anti-doping with any other organisation or State concerning the following:

	Yes or No; if applicable please explain or upload the document (below)
(a) Sharing of information	yes
(b) Law enforcement cooperation	no
(c) Athlete Biological Passport sharing or coordination	yes
(d) General cooperation	yes

[2] Research

[4] Results Management/Legal

[2] Therapeutic Use Exemptions (TUEs)

[28] Other (e.g. remuneration, administration)

[] Data not available

11. Sport Budget

What amount has been allocated to the sport budget from the state budget for the year 2019?

[2861] amountmillion NOKs - (surplus lottery funding)currency

[] Data not available

12. Limiting public funding to organisations

Is public funding withheld from organisations that do not comply with anti-doping regulations and related legal instruments?

- () Yes, all funding is withheld; your comment (optional)
- (X) A limited amount of funding is withheld; your comment (optional)
- () No financial implications; your comment (optional)
- () Information not available; your comment (optional)

13. Limitation of public funding of persons

Is sport-related financial assistance provided by public authorities withheld from banned athletes or athlete support personnel during the period of their suspension?

- () Yes, all funding is withheld; your comment (optional)
- (X) A limited amount of funding is withheld; your comment (optional)
- () No; your comment (optional)
- () Not applicable (no sport-related financial assistance is provided by public authorities to athletes or support personnel); your comment (optional)
- () Information not available; your comment (optional)

14. Testing programme

Does your country have a national testing programme?

- (X) Yes
- () No, please explain

15. Elements of the Testing Program

What elements of the testing program are implemented by the national anti-doping organisation?

- [X] Risk Assessment and Test Distribution Planning (TDP)
- [X] Registered Testing Pool
- [X] Random selection of athletes
- [X] Targeted selection of athletes
- [X] In-competition testing
- [X] Out-of-competition testing
- [X] No-advance notice testing
- [X] Blood testing
- [X] Athlete Biological Passport (ABP) modules
- [X] Other elements, please specifyInvestigation, Intelligence and use of APMU and experts

If some elements are implemented by another body, please specify which body

16. Quality certificate 

Is your NADO or part of its procedures certified according to a quality standard (such as ISO, iNADO or any other quality assurance system)?

Yes, please specify which standard, its scope and validity: ISO9001

In progress, please specify

No; your comment (optional)

17. NADO staff 

Please outline below how many staff are involved in the coordination and management of your anti-doping programs.

Min numeric value allowed : 0

30] Staff full time

69] Staff part time

0] Volunteers

25] Committee members

Data not available

18. Sample Collection Personnel 

Do you have Sample Collection Personnel (SCP) ?

Yes

No, please explain

19. Number of DCOs and BCOs 

How many Doping Control Officers (DCOs), Blood Control Officers (BCOs) and chaperones are in your sample collection personnel program?

Min numeric value allowed : 0

37] DCOs; your comment (optional)17 are also BCO

23] BCOs; your comment (optional)17 are also DCOs and 6 are also chaperones

12] Chaperones; your comment (optional)6 are also BCOs

Data not available

20. Laboratory 

Is there a doping control laboratory in your country?

Yes, accredited by WADA

Yes, but accreditation by WADA is pending

Accredited by WADA for athlete biological passport

No, we send samples to the WADA accredited laboratories in: (city)

Not available

21. Testing statistics

How many samples were collected under your national testing program in the year 2019?

	Urine	Blood (including ABP)
In-competition testing Min numeric value allowed : 0	1245	43
Out-of-competition testing Min numeric value allowed : 0	1055	509

Data not available

22. Testing abroad

Did you test athletes under your authority who reside or train abroad (directly or by subcontracting another ADO)?

Yes; your comment (optional)

Not in 2019, but we have authorisation to do so; your comment (optional)

No, we do not have authorisation to do so; your comment (optional)

23. Disciplinary system

What are the disciplinary bodies for doping offences, i.e. the main body imposing sanctions on athletes and other persons?

	–	–
State authority	no	no
NADO	no	no
NOC	no	no
National sport federations	no	no
international sport federations	no	no
Independent disciplinary body	yes	yes
Professional associations	no	no
Other, please specify	no	no

24. Appeals system

What is the body handling appeals against disciplinary measures?

- () State authority; your comment (optional)
- () National sports federations; your comment (optional)
- () International sports federations; your comment (optional)
- () Independent court of arbitration; your comment (optional)
- () Court of Arbitration in Sport (CAS); your comment (optional)
- (X) Other, please specify : The Norwegian Confederation of Sport Appeal Committee

25. Anti-doping rule violations (ADRV)

How many anti-doping rule violations cases were initiated in 2019 and how many of these initiated cases resulted in the imposition of a sanction?

	Initiated cases	Cases that resulted in a sanction	Cases that resulted in no sanction
Presence of a prohibited substance or its Metabolites or markers in an athlete's sample Min numeric value allowed : 0	15	15	0
Use or attempted use by an athlete of a Prohibited substance or a prohibited method Min numeric value allowed : 0	0	0	0
Evading, Refusing or Failing to Submit to Sample Collection Min numeric value allowed : 0	2	0	2
Whereabouts Failures Min numeric value allowed : 0	0	0	0
Tampering or attempted tampering with any part of doping control Min numeric value allowed : 0	0	0	0
Possession of prohibited substances and prohibited methods Min numeric value allowed : 0	0	0	0
Trafficking or attempted trafficking in any prohibited substance or prohibited method Min numeric value allowed : 0	0	0	0
Administration or attempted administration to any athlete of any Prohibited method or prohibited substance Min numeric value allowed : 0	0	0	0
Complicity Min numeric value allowed : 0	0	0	0
Prohibited Association Min numeric value allowed : 0	0	0	0

[] Data not available

26. Whereabouts failures

How many of the following whereabouts failures have you registered in 2019?

- [23] One missed test or filing failure
- [2] Any combination of two missed tests and/or filing failures
- [] Data not available

27. Sanctions for doping trafficking

Are there specific penalties or sanctions for illegal circulation of doping substances, in addition to those regulating the movement of medicines and narcotics?

- [X] Criminal penalties, please specify Penal Code 234 and 235, Medicinal Act para 24a
- [] Financial penalties, please specify
- [] Administrative or civil sanctions, please specify
- [] Professional disciplinary actions, please specify
- [] None of above, please explain
- [] Not available; your comment (optional)

28. Co-operation with law enforcement agencies

What measures have been taken to improve co-operation with law enforcement agencies in limiting illegal availability of doping substances?

- [X] Law, please specify Penal Code act 234 and 235, Medicinal Act para 249
- [X] Agreement, please specify Agreements with Police and Customs
- [] Ad hoc activities, please specify
- [] Other, please specify
- [] None; your comment (optional)

29. Statistics on doping trafficking

Do law enforcement agencies share data on the seizure of doping substances with the national anti-doping organisation:

- () Yes, please specify how many seizures have been reported in 2019:
- (X) No; your comment (optional)
- () Other, please specify :

30. Organisation of anti-doping education

Which organisations are involved in coordinating and/or implementing anti-doping education programs?

- [X] National anti-doping organisation
- [] Ministry responsible for sport
- [] Ministry responsible for education
- [] Ministry responsible for health
- [] Other governmental body

National sport federations

Regional/municipal sport organisations

Universities

Schools

Sport clubs

Other bodies Fitness Centres

31. Anti-doping education themes

What types of anti-doping message are provided for different target groups?

	elite athletes	young athletes	recreational athletes	sports officials	coaches	medical personnel	school pupils	media	general public	other
National and International Anti-Doping Rules	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input type="checkbox"/>
Harm of doping to the spirit of sport	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input type="checkbox"/>
Athletes and Athlete Support Personnel's rights and responsibilities	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Consequences of doping, including sanctions, health and social consequences	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>

32. Nutritional supplements

What measures have been taken to address the problems related to nutritional supplements in sport?

Restrict availability

- Control of production
- Provide quality assurance
- Comprehensive labelling
- Limit advertising and promotion
- Educational and informational measures
- Other, please specify:

33. Anti-doping research ●

Has any anti-doping research been undertaken or supported?

- Yes; your comment (optional)
- Yes, to a limited extent; your comment (optional)
- No; your comment (optional)

34. Areas of anti-doping research ●

What are the areas of anti-doping research?

- Doping prevention
- Detection methods
- Behavioural and social aspects of doping
- Health consequences of doping
- Physiological and psychological training programmes
- Emerging substances or methods
- Alternative testing methods
- None
- Other; your comment (optional)

35. Publication of anti-doping research ●

How many articles with the results of this research have been published in peer-reviewed scientific journals?

- 1 in 2019; your comment (optional) <https://tidsskriftet.no/en/2019/02/originalartikkel/doping-substances-dietary-supplements>
- Data not available

36. International agreements ●

Has your country signed any agreements with other Anti-Doping Organizations (ADOs) or agreements on anti-doping with any other organisation or State concerning the following:

	Yes or No; if applicable please explain or upload the document (below)
(a) Sharing of information	yes

(b) Law enforcement cooperation	no
(c) Athlete Biological Passport sharing or coordination	yes
(d) General cooperation	yes

Data not available

CONSEIL DE L'EUROPE

ADQ
Anti-Doping Questionnaire

Implementation of anti-doping policies in 2019 - Poland

Questionnaire on implementation of anti-doping policies in 2019 0.1

Objective :

In order to implement the requirements of the Article 9 of the Anti-Doping Convention, the online annual questionnaire is ready for collection of data regarding anti-doping policies in 2019.

Instruction :

For detailed instructions please select the links to documentation at the top of the page.

In case you face any problems which would prevent you from filling in the questionnaire, please report it to us by e-mail sport.t-do@coe.int

You are kindly requested to fill in, save and post your country's data for 2019 before 30 April 2020.

Questions :

1. Number of Athletes

Please estimate the number of athletes in the following categories within your country:

international-level athletes (as defined by the World Anti-Doping Code)

Min numeric value allowed : 0

[] your comment (optional)

Data not available

national-level athletes (as defined by the World Anti-Doping Code)

Min numeric value allowed : 0

[] your comment (optional)

Data not available

other athletes (including recreational athletes)

Min numeric value allowed : 0

[] your comment (optional)

Data not available

number of athletes in your national Registered Testing Pool (as defined by the World Anti-Doping Code)

Min numeric value allowed : 0

[66] your comment (optional)

Data not available

number of athletes at the last Summer Olympic games

Min numeric value allowed : 0

[240] your comment (optional)

Data not available

number of athletes at the last Winter Olympic games

Min numeric value allowed : 0

[62] your comment (optional)

Data not available

number of athletes at the last Summer Paralympic games

Min numeric value allowed : 0

[90] your comment (optional)

Data not available

number of athletes at the last Winter Paralympic games

Min numeric value allowed : 0

[8] your comment (optional)

Data not available

2. Doping definition

What is the definition of "Doping in Sport" used in your country?

Council of Europe Anti-Doping Convention. Your comment (optional)

UNESCO International Convention against doping in sport. Your comment (optional)

World Anti-Doping Code. Your comment (optional)

Other, please specify (e.g. national law) : Act on the fight against doping in sport

3. Doping List

Which list of banned pharmacological classes of doping agents and doping methods (i.e. Prohibited List) is implemented in your country?

Prohibited list, as adopted by the Executive Committee of WADA. Your comment (optional)

List of banned pharmacological classes of doping agents and doping methods, as adopted by the Monitoring Group (TDO). Your comment (optional)

Prohibited list, as adopted by the Conference of Parties of the International Convention against Doping in Sport (UNESCO) Your comment (optional)

Other, please specify :

4. Additional doping lists

For the purposes of restricting availability of doping substances are there other lists than those defined in question 4?

Yes, please specify:

No. Your comment (optional) For the purposes of the criminalisation of doping (trafficking and administration) only a short Prohibited List is used (S1, S2 and S4 group).

5. Anti-doping laws

Are there any anti-doping laws in your country?

Anti-doping law. Your comment (optional) Act on the fight against doping in sport

Other formal regulations, please specify:

No. Your comment (optional)

Attachments

 Act on the fight against doping in sport - Polish version :

<http://http://prawo.sejm.gov.pl/isap.nsf/download.xsp/WDU20170001051/U/D20171051Lj.pdf>

6. National anti-doping organisation (NADO)

What is the legal status of your national anti-doping organisation? Please upload the statutes, if possible

Public authority. Your comment (optional)

Non-governmental organisation. Your comment (optional)

Private company. Your comment (optional)

National Olympic Committee. Your comment (optional)

Other, please specify :

7. NADO activities

Which of the activities below are conducted by your national anti-doping organisation? Please upload the organisational chart, if possible

	Yes. Your comment (optional)	No, please specify which organisation is in charge:
Co-ordination of action by public authorities	<input checked="" type="checkbox"/>	<input type="checkbox"/>
Coordination of the fight against trafficking	<input type="checkbox"/>	<input checked="" type="checkbox"/> This task falls within competence of the Police, the Customs Service and the Border Guards. Under the Act against doping in sport those organisations are obligated to share information about trafficking with the Polish Anti-Doping Agency (POLADA)
Testing (doping control)	<input checked="" type="checkbox"/>	<input type="checkbox"/>
Results management	<input checked="" type="checkbox"/>	<input type="checkbox"/>
Disciplinary procedures	<input checked="" type="checkbox"/> In accordance with the Act against doping in sport, the Disciplinary Panel Is an independent body, however, POLADA provides organisational framework and logistics.	<input type="checkbox"/>

Education and/or information	<input checked="" type="checkbox"/>	<input type="checkbox"/>
Research	<input checked="" type="checkbox"/>	<input type="checkbox"/>

8. Funding of anti-doping program

What was your annual anti-doping budget for the 2019 calendar year?

Min numeric value allowed : 0

[3210764.8] amountEUROCurrency

[] Data not available

9. Funding sources

How is the anti-doping program funded? Please select all that apply and indicate an estimate in percentages:

[X] Government99%

[] National Lottery program %

[] National Olympic Committee (NOC) %

[] Other Sports Organization(s) %

[X] Fee for service1%

[] Private %

[] Other %

10. Distribution of funding

What percentage of your annual anti-doping budget is put towards the following core programs?

[18] Testing (including equipment, transportation, Sample Collection Personnel (SCP) fees)

[38] Sample analysis

[2] Investigations

[4] Education

[13] Research

[3] Results Management/Legal

[2] Therapeutic Use Exemptions (TUEs)

[20] Other (e.g. remuneration, administration) Includes: contributions to WADA (mandatory and voluntary), does not include the cost of organizing the World Conference on Doping in Sport (5-7 November, 2019 in Katowice) - 934 990.86 EURO

[] Data not available

11. Sport Budget

What amount has been allocated to the sport budget from the state budget for the year 2019?

[296203562.46] amountEUROcurrency

[] Data not available

12. Limiting public funding to organisations

Is public funding withheld from organisations that do not comply with anti-doping regulations and related legal instruments?

() Yes, all funding is withheld; your comment (optional)

(X) A limited amount of funding is withheld; your comment (optional) he minister responsible for sport can decide to limit funding for the organization or decide to withdraw state support completely.

() No financial implications; your comment (optional)

() Information not available; your comment (optional)

13. Limitation of public funding of persons

Is sport-related financial assistance provided by public authorities withheld from banned athletes or athlete support personnel during the period of their suspension?

(X) Yes, all funding is withheld; your comment (optional)

() A limited amount of funding is withheld; your comment (optional)

() No; your comment (optional)

() Not applicable (no sport-related financial assistance is provided by public authorities to athletes or support personnel); your comment (optional)

() Information not available; your comment (optional)

14. Testing programme

Does your country have a national testing programme?

(X) Yes

() No, please explain

15. Elements of the Testing Program

What elements of the testing program are implemented by the national anti-doping organisation?

[X] Risk Assessment and Test Distribution Planning (TDP)

[X] Registered Testing Pool

[X] Random selection of athletes

[X] Targeted selection of athletes

[X] In-competition testing

[X] Out-of-competition testing

[X] No-advance notice testing

[X] Blood testing

[X] Athlete Biological Passport (ABP) modules

[] Other elements, please specify

If some elements are implemented by another body, please specify which body

16. Quality certificate 

Is your NADO or part of its procedures certified according to a quality standard (such as ISO, iNADO or any other quality assurance system)?

Yes, please specify which standard, its scope and validity: ISO 9001:2015

In progress, please specify

No; your comment (optional)

17. NADO staff 

Please outline below how many staff are involved in the coordination and management of your anti-doping programs.

Min numeric value allowed : 0

13] Staff full time

2] Staff part time

0] Volunteers

28] Committee members

Data not available

18. Sample Collection Personnel 

Do you have Sample Collection Personnel (SCP) ?

Yes

No, please explain

19. Number of DCOs and BCOs 

How many Doping Control Officers (DCOs), Blood Control Officers (BCOs) and chaperones are in your sample collection personnel program?

Min numeric value allowed : 0

49] DCOs; your comment (optional)

7] BCOs; your comment (optional)

0] Chaperones; your comment (optional)

Data not available

20. Laboratory 

Is there a doping control laboratory in your country?

Yes, accredited by WADA

Yes, but accreditation by WADA is pending

Accredited by WADA for athlete biological passport

No, we send samples to the WADA accredited laboratories in: (city)

Not available

Attachments

 Certificate WADA 2019.pdf

21. Testing statistics

How many samples were collected under your national testing program in the year 2019?

	Urine	Blood (including ABP)
In-competition testing Min numeric value allowed : 0	1806	4
Out-of-competition testing Min numeric value allowed : 0	1615	692

Data not available

22. Testing abroad

Did you test athletes under your authority who reside or train abroad (directly or by subcontracting another ADO)?

Yes; your comment (optional)

Not in 2019, but we have authorisation to do so; your comment (optional)

No, we do not have authorisation to do so; your comment (optional)

23. Disciplinary system

What are the disciplinary bodies for doping offences, i.e. the main body imposing sanctions on athletes and other persons?

	–	–
State authority	NO	NO
NADO	NO	NO
NOC	NO	NO
National sport federations	NO	NO
international sport federations	NO	NO
Independent disciplinary body	YES	YES
Professional associations	NO	NO
Other, please specify	NO	NO

24. Appeals system

What is the body handling appeals against disciplinary measures?

State authority; your comment (optional)

National sports federations; your comment (optional)

International sports federations; your comment (optional)

Independent court of arbitration; your comment (optional)

Court of Arbitration in Sport (CAS); your comment (optional)

Other, please specify : The Court of Arbitration for Sport at the Polish Olympic Committee (for national-level athletes) and Court of Arbitration in Sport (for international-level athletes)

25. Anti-doping rule violations (ADRV)

How many anti-doping rule violations cases were initiated in 2019 and how many of these initiated cases resulted in the imposition of a sanction?

	Initiated cases	Cases that resulted in a sanction	Cases that resulted in no sanction
Presence of a prohibited substance or its Metabolites or markers in an athlete's sample Min numeric value allowed : 0	49	14	9
Use or attempted use by an athlete of a Prohibited substance or a prohibited method Min numeric value allowed : 0	11	8	0
Evading, Refusing or Failing to Submit to Sample Collection Min numeric value allowed : 0	1	1	0
Whereabouts Failures Min numeric value allowed : 0	0	0	0
Tampering or attempted tampering with any part of doping control Min numeric value allowed : 0	0	0	0
Possession of prohibited substances and prohibited methods Min numeric value allowed : 0	1	0	0
Trafficking or attempted trafficking in any prohibited substance or prohibited method Min numeric value allowed : 0	1	0	0
Administration or attempted administration to any athlete of any Prohibited method or prohibited substance Min numeric value allowed : 0	0	0	0
Complicity Min numeric value allowed : 0	2	0	0
Prohibited Association Min numeric value allowed : 0	0	0	0

[] Data not available

26. Whereabouts failures 

How many of the following whereabouts failures have you registered in 2019?

- One missed test or filing failure
- Any combination of two missed tests and/or filing failures
- Data not available

27. Sanctions for doping trafficking 

Are there specific penalties or sanctions for illegal circulation of doping substances, in addition to those regulating the movement of medicines and narcotics?

Criminal penalties, please specify According to the Act against doping in sport (Article 49) trafficking in or storing with intention to trafficking in, a prohibited substance classified under the category S1, S2 or S4 of the WADA Prohibited List, without the necessary permission is prohibited and results in a fine, restriction of liberty or imprisonment for term up to 3 years.

Financial penalties, please specify

Administrative or civil sanctions, please specify In accordance with the Polish law, depending on the case

Professional disciplinary actions, please specify Other disciplinary rules (e.g. regarding medical doctors), Anti- Doping Rules of POLADA

None of above, please explain

Not available; your comment (optional)

28. Co-operation with law enforcement agencies 

What measures have been taken to improve co-operation with law enforcement agencies in limiting illegal availability of doping substances?

Law, please specify According to the Article 44 of the Act against doping in sport public entities such as the Police, the Border Guards, the Customs and Tax Services, the Military Police and prosecutors are obligated to cooperate with the NADO ex officio. The Polish Anti-Doping Agency can also request for information that is at the disposal of those public entities to establish disciplinary liability for doping in sport, provided this is not against the need to ensure the proper course of a proceeding or to protect a vital interest of the Polish state.

Agreement, please specify MoU with e.g. the Central Bureau of Investigation of the National Police Headquarters, the Ministry of National Defense, etc.

Ad hoc activities, please specify aily cooperation of the NADO and law enforcement e.g. the Police, the Customs, the Border Guards

Other, please specify

None; your comment (optional)

29. Statistics on doping trafficking 

Do law enforcement agencies share data on the seizure of doping substances with the national anti-doping organisation:

Yes, please specify how many seizures have been reported in 2019: 31 cases

No; your comment (optional)

() Other, please specify :

30. Organisation of anti-doping education

Which organisations are involved in coordinating and/or implementing anti-doping education programs?

- National anti-doping organisation
 Ministry responsible for sport
 Ministry responsible for education
 Ministry responsible for health
 Other governmental body e.g. Ministry of National Defence
 National sport federations
 Regional/municipal sport organisations
 Universities
 Schools
 Sport clubs
 Other bodies

31. Anti-doping education themes

What types of anti-doping message are provided for different target groups?

	elite athletes	young athletes	recreational athletes	sports officials	coaches	medical personnel	school pupils	media	general public	other
National and International Anti-Doping Rules	[X]	[X]	[X]	[X]	[X]	[X]	[X]	[X]	[X]	[]

ADQ

Anti-Doping Questionnaire

Implementation of anti-doping policies in 2019 - Portugal

Questionnaire on implementation of anti-doping policies in 2019 0.1

Objective :

In order to implement the requirements of the Article 9 of the Anti-Doping Convention, the online annual questionnaire is ready for collection of data regarding anti-doping policies in 2019.

Instruction :

For detailed instructions please select the links to documentation at the top of the page.

In case you face any problems which would prevent you from filling in the questionnaire, please report it to us by e-mail sport.t-do@coe.int

You are kindly requested to fill in, save and post your country's data for 2019 before 30 April 2020.

Questions :

1. Number of Athletes

Please estimate the number of athletes in the following categories within your country:

international-level athletes (as defined by the World Anti-Doping Code)

Min numeric value allowed : 0

[] your comment (optional)
 [X] Data not available

national-level athletes (as defined by the World Anti-Doping Code)

Min numeric value allowed : 0

[] your comment (optional)
 [X] Data not available

other athletes (including recreational athletes)

Min numeric value allowed : 0

[] your comment (optional)
 [X] Data not available

number of athletes in your national Registered Testing Pool (as defined by the World Anti-Doping Code)

Min numeric value allowed : 0

[138] your comment (optional)
 [] Data not available

number of athletes at the last Summer Olympic games

Min numeric value allowed : 0

[92] your comment (optional)
 [] Data not available

number of athletes at the last Winter Olympic games

 ADoP Chart 2019 - New Law.pdf

8. Funding of anti-doping program

What was your annual anti-doping budget for the 2019 calendar year?

Min numeric value allowed : 0

[1748008] amountEurosCurrency

[] Data not available

9. Funding sources

How is the anti-doping program funded? Please select all that apply and indicate an estimate in percentages:

[X] Government 100%

[] National Lottery program %

[] National Olympic Committee (NOC) %

[] Other Sports Organization(s) %

[] Fee for service %

[] Private %

[] Other %

10. Distribution of funding

What percentage of your annual anti-doping budget is put towards the following core programs?

[377742] Testing (including equipment, transportation, Sample Collection Personnel (SCP) fees)

[987121] Sample analysis

[39360] Investigations

[13530] Education

[0] Research

[0] Results Management/Legal

[0] Therapeutic Use Exemptions (TUEs)

[0] Other (e.g. remuneration, administration)

[] Data not available

11. Sport Budget

What amount has been allocated to the sport budget from the state budget for the year 2019?

[44606149] amountEurocurrency

[] Data not available

12. Limiting public funding to organisations

Is public funding withheld from organisations that do not comply with anti-doping regulations and related legal instruments?

(X) Yes, all funding is withheld; your comment (optional)

() A limited amount of funding is withheld; your comment (optional)

() No financial implications; your comment (optional)

() Information not available; your comment (optional)

13. Limitation of public funding of persons

Is sport-related financial assistance provided by public authorities withheld from banned athletes or athlete support personnel during the period of their suspension?

(X) Yes, all funding is withheld; your comment (optional)

() A limited amount of funding is withheld; your comment (optional)

() No; your comment (optional)

() Not applicable (no sport-related financial assistance is provided by public authorities to athletes or support personnel); your comment (optional)

() Information not available; your comment (optional)

14. Testing programme

Does your country have a national testing programme?

(X) Yes

() No, please explain

15. Elements of the Testing Program

What elements of the testing program are implemented by the national anti-doping organisation?

Risk Assessment and Test Distribution Planning (TDP)

Registered Testing Pool

Random selection of athletes

Targeted selection of athletes

In-competition testing

Out-of-competition testing

No-advance notice testing

Blood testing

Athlete Biological Passport (ABP) modules

Other elements, please specify

If some elements are implemented by another body, please specify which body

16. Quality certificate 

Is your NADO or part of its procedures certified according to a quality standard (such as ISO, iNADO or any other quality assurance system)?

Yes, please specify which standard, its scope and validity: NP ISO 9001:2015 and in force until December 2020

In progress, please specify

No; your comment (optional)

17. NADO staff 

Please outline below how many staff are involved in the coordination and management of your anti-doping programs.

Min numeric value allowed : 0

Staff full time

Staff part time

Volunteers

Committee members

Data not available

18. Sample Collection Personnel 

Do you have Sample Collection Personnel (SCP) ?

Yes

No, please explain

19. Number of DCOs and BCOs 

How many Doping Control Officers (DCOs), Blood Control Officers (BCOs) and chaperones are in your sample collection personnel program?

Min numeric value allowed : 0

[64] DCOs; your comment (optional)

[64] BCOs; your comment (optional)

[0] Chaperones; your comment (optional)

[] Data not available

20. Laboratory

Is there a doping control laboratory in your country?

[] Yes, accredited by WADA

[] Yes, but accreditation by WADA is pending

[] Accredited by WADA for athlete biological passport

[X] No, we send samples to the WADA accredited laboratories in:we send samples to the WADA accredited laboratories in Gent, Madrid and Barcelona(city)

[] Not available

21. Testing statistics

How many samples were collected under your national testing program in the year 2019?

	Urine	Blood (including ABP)
In-competition testing Min numeric value allowed : 0	2285	58
Out-of-competition testing Min numeric value allowed : 0	760	179

[] Data not available

22. Testing abroad

Did you test athletes under your authority who reside or train abroad (directly or by subcontracting another ADO)?

(X) Yes; your comment (optional)We asked AEPSAD to control a Portuguese Athlete that lives in Spain

() Not in 2019, but we have authorisation to do so; your comment (optional)

() No, we do not have authorisation to do so; your comment (optional)

23. Disciplinary system

What are the disciplinary bodies for doping offences, i.e. the main body imposing sanctions on athletes and other persons?

	–	–
State authority	No	No
NADO	Yes	Yes
NOC	No	No

National sport federations	Yes	Yes
international sport federations	Yes	Yes
Independent disciplinary body	No	No
Professional associations	No	No
Other, please specify	No	No

24. Appeals system

What is the body handling appeals against disciplinary measures?

- () State authority; your comment (optional)
- () National sports federations; your comment (optional)
- () International sports federations; your comment (optional)
- () Independent court of arbitration; your comment (optional)
- (X) Court of Arbitration in Sport (CAS); your comment (optional)
- () Other, please specify :

25. Anti-doping rule violations (ADRV)

How many anti-doping rule violations cases were initiated in 2019 and how many of these initiated cases resulted in the imposition of a sanction?

	Initiated cases	Cases that resulted in a sanction	Cases that resulted in no sanction
Presence of a prohibited substance or its Metabolites or markers in an athlete's sample Min numeric value allowed : 0	27	10	1
Use or attempted use by an athlete of a Prohibited substance or a prohibited method Min numeric value allowed : 0	0	0	0
Evading, Refusing or Failing to Submit to Sample Collection Min numeric value allowed : 0	0	0	0
Whereabouts Failures Min numeric value allowed : 0	0	0	0
Tampering or attempted tampering with any part of doping control Min numeric value allowed : 0	0	0	0
Possession of prohibited substances and prohibited methods Min numeric value allowed : 0	0	0	0

Trafficking or attempted trafficking in any prohibited substance or prohibited method Min numeric value allowed : 0	0	0	0
Administration or attempted administration to any athlete of any Prohibited method or prohibited substance Min numeric value allowed : 0	0	0	0
Complicity Min numeric value allowed : 0	0	0	0
Prohibited Association Min numeric value allowed : 0	0	0	0

Data not available

26. Whereabouts failures

How many of the following whereabouts failures have you registered in 2019?

[29] One missed test or filing failure

[10] Any combination of two missed tests and/or filing failures

[] Data not available

27. Sanctions for doping trafficking

Are there specific penalties or sanctions for illegal circulation of doping substances, in addition to those regulating the movement of medicines and narcotics?

[X] Criminal penalties, please specify

[X] Financial penalties, please specify

[X] Administrative or civil sanctions, please specify

[X] Professional disciplinary actions, please specify

[] None of above, please explain

[] Not available; your comment (optional)

28. Co-operation with law enforcement agencies

What measures have been taken to improve co-operation with law enforcement agencies in limiting illegal availability of doping substances?

[X] Law, please specify Article 20 of Law no. 38/2012, of August 28, republished with the amendments introduced to it by Law no. 93/2015, of August 13. Establishes the legal framework for the fight against doping in sport, ensuring compliance with the new version of the World Anti-Doping Code

[] Agreement, please specify

[] Ad hoc activities, please specify

[] Other, please specify

[] None; your comment (optional)

29. Statistics on doping trafficking

Do law enforcement agencies share data on the seizure of doping substances with the national anti-doping organisation:

() Yes, please specify how many seizures have been reported in 2019:

(X) No; your comment (optional)

() Other, please specify :

30. Organisation of anti-doping education

Which organisations are involved in coordinating and/or implementing anti-doping education programs?

[X] National anti-doping organisation

[X] Ministry responsible for sport

[X] Ministry responsible for education

[X] Ministry responsible for health

[] Other governmental body

[X] National sport federations

[X] Regional/municipal sport organisations

[X] Universities

[X] Schools

[X] Sport clubs

[] Other bodies

31. Anti-doping education themes

What types of anti-doping message are provided for different target groups?

	elite athletes	young athletes	recreational athletes	sports officials	coaches	medical personnel	school pupils	media	general public	other
National and International Anti-Doping Rules	[X]	[]	[]	[X]	[]	[]	[]	[]	[]	[]

Applicable whereabouts requirements	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>

32. Nutritional supplements

What measures have been taken to address the problems related to nutritional supplements in sport?

- Restrict availability
- Control of production
- Provide quality assurance
- Comprehensive labelling
- Limit advertising and promotion
- Educational and informational measures
- Other, please specify:

33. Anti-doping research

Has any anti-doping research been undertaken or supported?

Yes; your comment (optional)

Yes, to a limited extent; your comment (optional) Research work was carried out within the scope of the PhD thesis - "Doping in Sport - Challenges and Contributions to Sports Integrity", of ADoP CEO António Júlio Nunes. Which resulted in the publication of an article named "Early Warning of Suspected Doping from Biological Passport Based on Multivariate Trends."

No; your comment (optional)

34. Areas of anti-doping research

What are the areas of anti-doping research?

- Doping prevention
- Detection methods
- Behavioural and social aspects of doping
- Health consequences of doping
- Physiological and psychological training programmes
- Emerging substances or methods
- Alternative testing methods

None

Other; your comment (optional)

35. Publication of anti-doping research

How many articles with the results of this research have been published in peer-reviewed scientific journals?

1 in 2019; your comment (optional) Publication of an article in Thieme named "Early Warning of Suspected Doping from Biological Passport Based on Multivariate Trends."

Data not available

36. International agreements

Has your country signed any agreements with other Anti-Doping Organizations (ADOs) or agreements on anti-doping with any other organisation or State concerning the following:

	Yes or No; if applicable please explain or upload the document (below)
(a) Sharing of information	Yes. We share information with WADA and International Federations through ADAMS (Anti-Doping Administration and Management System)
(b) Law enforcement cooperation	Yes, iNADO
(c) Athlete Biological Passport sharing or coordination	Yes. We share information with WADA, International Federations, UEFA, FIFA, UCI through ADAMS (Anti-Doping Administration and Management System)
(d) General cooperation	Yes. We have protocols with several countries, for instance Cape Verde, Brazil, Algeria and we are finalizing the protocol with Spain, and we celebrate a Protocol with the Olympic Committee of Portugal.

ADQ

Anti-Doping Questionnaire

Implementation of anti-doping policies in 2019 - Romania

Questionnaire on implementation of anti-doping policies in 2019 0.1

Objective :

In order to implement the requirements of the Article 9 of the Anti-Doping Convention, the online annual questionnaire is ready for collection of data regarding anti-doping policies in 2019.

Instruction :

For detailed instructions please select the links to documentation at the top of the page.

In case you face any problems which would prevent you from filling in the questionnaire, please report it to us by e-mail sport.t-do@coe.int

You are kindly requested to fill in, save and post your country's data for 2019 before 30 April 2020.

Questions :

1. Number of Athletes

Please estimate the number of athletes in the following categories within your country:

international-level athletes (as defined by the World Anti-Doping Code)

Min numeric value allowed : 0

[25] your comment (optional)

[] Data not available

national-level athletes (as defined by the World Anti-Doping Code)

Min numeric value allowed : 0

[200000] your comment (optional)

[] Data not available

other athletes (including recreational athletes)

Min numeric value allowed : 0

[0] your comment (optional)

[] Data not available

number of athletes in your national Registered Testing Pool (as defined by the World Anti-Doping Code)

Min numeric value allowed : 0

[41] your comment (optional)

[] Data not available

number of athletes at the last Summer Olympic games

Min numeric value allowed : 0

[236] your comment (optional)

[] Data not available

number of athletes at the last Winter Olympic games

Min numeric value allowed : 0

[30] your comment (optional)

[] Data not available

number of athletes at the last Summer Paralympic games

Min numeric value allowed : 0

[11] your comment (optional)

[] Data not available

number of athletes at the last Winter Paralympic games

Min numeric value allowed : 0

[1] your comment (optional)

[] Data not available

2. Doping definition

What is the definition of "Doping in Sport" used in your country?

- Council of Europe Anti-Doping Convention. Your comment (optional)
- UNESCO International Convention against doping in sport. Your comment (optional)
- World Anti-Doping Code. Your comment (optional)

Other, please specify (e.g. national law) : Law no. 227/2006 on the prevention of and fight against doping in sport (which is fully harmonized with the 2015 WADA Code)

3. Doping List ●

Which list of banned pharmacological classes of doping agents and doping methods (i.e. Prohibited List) is implemented in your country?

Prohibited list, as adopted by the Executive Committee of WADA. Your comment (optional)

List of banned pharmacological classes of doping agents and doping methods, as adopted by the Monitoring Group (TDO). Your comment (optional)

Prohibited list, as adopted by the Conference of Parties of the International Convention against Doping in Sport (UNESCO) Your comment (optional)

Other, please specify :

4. Additional doping lists ●

For the purposes of restricting availability of doping substances are there other lists than those defined in question 4?

Yes, please specify:

No. Your comment (optional)

5. Anti-doping laws ●

Are there any anti-doping laws in your country?

Anti-doping law. Your comment (optional) Law no. 227/2006 on the prevention of and fight against doping in sport, republished, as further amended and completed

Other formal regulations, please specify:

No. Your comment (optional)

6. National anti-doping organisation (NADO) ●

What is the legal status of your national anti-doping organisation? Please upload the statutes, if possible

Public authority. Your comment (optional)

Non-governmental organisation. Your comment (optional)

Private company. Your comment (optional)

National Olympic Committee. Your comment (optional)

Other, please specify :

7. NADO activities ●

Which of the activities below are conducted by your national anti-doping organisation? Please upload the organisational chart, if possible

	Yes. Your comment (optional)	No, please specify which organisation is in charge:
Co-ordination of action by public authorities	(X)	()
Coordination of the fight against trafficking	(X)	()
Testing (doping control)	(X)	()
Results management	(X)	()
Disciplinary procedures	(X)	()
Education and/or information	(X)	()
Research	(X)	()

8. Funding of anti-doping program

What was your annual anti-doping budget for the 2019 calendar year?

Min numeric value allowed : 0

[3435472] amountEURCurrency

[] Data not available

9. Funding sources

How is the anti-doping program funded? Please select all that apply and indicate an estimate in percentages:

[X] Government 71.73%

[] National Lottery program %

[] National Olympic Committee (NOC) %

[] Other Sports Organization(s) %

[X] Fee for service 16.90%

[] Private %

[X] Other 11.37%

10. Distribution of funding

What percentage of your annual anti-doping budget is put towards the following core programs?

[5.48] Testing (including equipment, transportation, Sample Collection Personnel (SCP) fees)

[26.31] Sample analysis

[0] Investigations

[11.3] Education

[0] Research

[0.42] Results Management/Legal

[0.34] Therapeutic Use Exemptions (TUEs)

[56.15] Other (e.g. remuneration, administration)

[] Data not available

11. Sport Budget

What amount has been allocated to the sport budget from the state budget for the year 2019?

[138000000] amountEURcurrency

[] Data not available

12. Limiting public funding to organisations

Is public funding withheld from organisations that do not comply with anti-doping regulations and related legal instruments?

(X) Yes, all funding is withheld; your comment (optional)

() A limited amount of funding is withheld; your comment (optional)

() No financial implications; your comment (optional)

() Information not available; your comment (optional)

13. Limitation of public funding of persons

Is sport-related financial assistance provided by public authorities withheld from banned athletes or athlete support personnel during the period of their suspension?

(X) Yes, all funding is withheld; your comment (optional)As per art. 61 alinea 9) of Law no. 227/2006 on the prevention of and fight against doping in sport

() A limited amount of funding is withheld; your comment (optional)

() No; your comment (optional)

() Not applicable (no sport-related financial assistance is provided by public authorities to athletes or support personnel); your comment (optional)

() Information not available; your comment (optional)

14. Testing programme

Does your country have a national testing programme?

(X) Yes

() No, please explain

15. Elements of the Testing Program

What elements of the testing program are implemented by the national anti-doping organisation?

Risk Assessment and Test Distribution Planning (TDP)

Registered Testing Pool

Random selection of athletes

Targeted selection of athletes

In-competition testing

Out-of-competition testing

No-advance notice testing

Blood testing

Athlete Biological Passport (ABP) modules

Other elements, please specify

If some elements are implemented by another body, please specify which body

16. Quality certificate 

Is your NADO or part of its procedures certified according to a quality standard (such as ISO, iNADO or any other quality assurance system)?

Yes, please specify which standard, its scope and validity: SE EN ISO 9001:2005 valid until 22-Nov-2022

In progress, please specify

No; your comment (optional)

17. NADO staff 

Please outline below how many staff are involved in the coordination and management of your anti-doping programs.

Min numeric value allowed : 0

Staff full time

Staff part time

Volunteers

Committee members

Data not available

18. Sample Collection Personnel 

Do you have Sample Collection Personnel (SCP) ?

Yes

No, please explain

19. Number of DCOs and BCOs 

How many Doping Control Officers (DCOs), Blood Control Officers (BCOs) and chaperones are in your sample collection personnel program?

Min numeric value allowed : 0

- [122] DCOs; your comment (optional)
- [23] BCOs; your comment (optional)
- [0] Chaperones; your comment (optional)
- [] Data not available

20. Laboratory

Is there a doping control laboratory in your country?

- [X] Yes, accredited by WADA
- [] Yes, but accreditation by WADA is pending
- [] Accredited by WADA for athlete biological passport
- [] No, we send samples to the WADA accredited laboratories in: (city)
- [] Not available

21. Testing statistics

How many samples were collected under your national testing program in the year 2019?

	Urine	Blood (including ABP)
In-competition testing <small>Min numeric value allowed : 0</small>	730	55
Out-of-competition testing <small>Min numeric value allowed : 0</small>	1256	387

[] Data not available

22. Testing abroad

Did you test athletes under your authority who reside or train abroad (directly or by subcontracting another ADO)?

- (X) Yes; your comment (optional)
- () Not in 2019, but we have authorisation to do so; your comment (optional)
- () No, we do not have authorisation to do so; your comment (optional)

23. Disciplinary system

What are the disciplinary bodies for doping offences, i.e. the main body imposing sanctions on athletes and other persons?

	–	–
State authority	NO	NO
NADO	YES	YES
NOC	NO	NO

National sport federations	NO	NO
international sport federations	NO	NO
Independent disciplinary body	YES	YES
Professional associations	NO	NO
Other, please specify	NO	NO

24. Appeals system

What is the body handling appeals against disciplinary measures?

- (X) State authority; your comment (optional) The Appeal Panel beside the Romanian National Anti-Doping Agency
- () National sports federations; your comment (optional)
- () International sports federations; your comment (optional)
- () Independent court of arbitration; your comment (optional)
- () Court of Arbitration in Sport (CAS); your comment (optional)
- () Other, please specify :

25. Anti-doping rule violations (ADRV)

How many anti-doping rule violations cases were initiated in 2019 and how many of these initiated cases resulted in the imposition of a sanction?

	Initiated cases	Cases that resulted in a sanction	Cases that resulted in no sanction
Presence of a prohibited substance or its Metabolites or markers in an athlete's sample Min numeric value allowed : 0	4	4	1
Use or attempted use by an athlete of a Prohibited substance or a prohibited method Min numeric value allowed : 0	22	18	4
Evading, Refusing or Failing to Submit to Sample Collection Min numeric value allowed : 0	3	2	1
Whereabouts Failures Min numeric value allowed : 0	0	0	0
Tampering or attempted tampering with any part of doping control Min numeric value allowed : 0	0	0	0
Possession of prohibited substances and prohibited methods Min numeric value allowed : 0	0	0	0

Trafficking or attempted trafficking in any prohibited substance or prohibited method Min numeric value allowed : 0	3	3	3
Administration or attempted administration to any athlete of any Prohibited method or prohibited substance Min numeric value allowed : 0	0	0	0
Complicity Min numeric value allowed : 0	6	3	3
Prohibited Association Min numeric value allowed : 0	0	0	0

Data not available

26. Whereabouts failures

How many of the following whereabouts failures have you registered in 2019?

[13] One missed test or filing failure

[0] Any combination of two missed tests and/or filing failures

[] Data not available

27. Sanctions for doping trafficking

Are there specific penalties or sanctions for illegal circulation of doping substances, in addition to those regulating the movement of medicines and narcotics?

[] Criminal penalties, please specify

[X] Financial penalties, please specify 55.982 EUR

[] Administrative or civil sanctions, please specify

[] Professional disciplinary actions, please specify

[] None of above, please explain

[] Not available; your comment (optional)

28. Co-operation with law enforcement agencies

What measures have been taken to improve co-operation with law enforcement agencies in limiting illegal availability of doping substances?

[X] Law, please specify Law no. 104/2008, republished, as further amended and completed

[X] Agreement, please specify Pursuant to the law, agreements with the National Customs Authority and the National Police

[] Ad hoc activities, please specify

[] Other, please specify

[] None; your comment (optional)

29. Statistics on doping trafficking

Do law enforcement agencies share data on the seizure of doping substances with the national anti-doping organisation:

(X) Yes, please specify how many seizures have been reported in 2019: 25 cases

() No; your comment (optional)

() Other, please specify :

30. Organisation of anti-doping education

Which organisations are involved in coordinating and/or implementing anti-doping education programs?

[X] National anti-doping organisation

[] Ministry responsible for sport

[] Ministry responsible for education

[] Ministry responsible for health

[] Other governmental body

[] National sport federations

[] Regional/municipal sport organisations

[] Universities

[] Schools

[] Sport clubs

[] Other bodies

31. Anti-doping education themes

What types of anti-doping message are provided for different target groups?

	elite athletes	young athletes	recreational athletes	sports officials	coaches	medical personnel	school pupils	media	general public	other
National and International Anti-Doping Rules	[X]	[X]	[X]	[X]	[X]	[X]	[X]	[X]	[]	[]

32. Nutritional supplements

What measures have been taken to address the problems related to nutritional supplements in sport?

- Restrict availability
- Control of production
- Provide quality assurance
- Comprehensive labelling
- Limit advertising and promotion
- Educational and informational measures
- Other, please specify:

33. Anti-doping research

Has any anti-doping research been undertaken or supported?

Yes; your comment (optional) Participation of the Romanian NADO in two ERASMUS PLUS funded projects; endorsement provided for application to another ERASMUS PLUS funding initiated by the Romanian National University for Physical Education and Sports

- Yes, to a limited extent; your comment (optional)
- No; your comment (optional)

34. Areas of anti-doping research

What are the areas of anti-doping research?

- Doping prevention
- Detection methods
- Behavioural and social aspects of doping
- Health consequences of doping
- Physiological and psychological training programmes
- Emerging substances or methods
- Alternative testing methods

None

Other; your comment (optional) Investigations

35. Publication of anti-doping research

How many articles with the results of this research have been published in peer-reviewed scientific journals?

0 in 2019; your comment (optional)

Data not available

36. International agreements

Has your country signed any agreements with other Anti-Doping Organizations (ADOs) or agreements on anti-doping with any other organisation or State concerning the following:

	Yes or No; if applicable please explain or upload the document (below)
(a) Sharing of information	YES (with INTERPOL - ENERGIA)
(b) Law enforcement cooperation	NO
(c) Athlete Biological Passport sharing or coordination	YES (ABPMU agreement with the WADA accredited laboratory in Seibersdorf)
(d) General cooperation	NO

Data not available

Anti-Doping Questionnaire

Implementation of anti-doping policies in 2019 - Russian Federation

Questionnaire on implementation of anti-doping policies in 2019 0.1

Objective :

In order to implement the requirements of the Article 9 of the Anti-Doping Convention, the online annual questionnaire is ready for collection of data regarding anti-doping policies in 2019.

Instruction :

For detailed instructions please select the links to documentation at the top of the page.

In case you face any problems which would prevent you from filling in the questionnaire, please report it to us by e-mail sport.t-do@coe.int

You are kindly requested to fill in, save and post your country's data for 2019 before 30 April 2020.

Questions :

1. Number of Athletes

Please estimate the number of athletes in the following categories within your country:

international-level athletes (as defined by the World Anti-Doping Code)

Min numeric value allowed : 0

[] your comment (optional)

[X] Data not available

national-level athletes (as defined by the World Anti-Doping Code)

Min numeric value allowed : 0

[] your comment (optional)

[X] Data not available

other athletes (including recreational athletes)

Min numeric value allowed : 0

[10000] your comment (optional)

[] Data not available

number of athletes in your national Registered Testing Pool (as defined by the World Anti-Doping Code)

Min numeric value allowed : 0

[868] your comment (optional) plus 615 in national extended pool

[] Data not available

number of athletes at the last Summer Olympic games

Min numeric value allowed : 0

[279] your comment (optional)

[] Data not available

number of athletes at the last Winter Olympic games

Min numeric value allowed : 0

[169] your comment (optional)

[] Data not available

number of athletes at the last Summer Paralympic games

Min numeric value allowed : 0

[0] your comment (optional)

[] Data not available

number of athletes at the last Winter Paralympic games

Min numeric value allowed : 0

[36] your comment (optional)

[] Data not available

2. Doping definition

What is the definition of "Doping in Sport" used in your country?

[] Council of Europe Anti-Doping Convention. Your comment (optional)

[] UNESCO International Convention against doping in sport. Your comment (optional)

[X] World Anti-Doping Code. Your comment (optional)

[X] Other, please specify (e.g. national law) : Federal Law 329

3. Doping List

Which list of banned pharmacological classes of doping agents and doping methods (i.e. Prohibited List) is implemented in your country?

Prohibited list, as adopted by the Executive Committee of WADA. Your comment (optional)

.....

List of banned pharmacological classes of doping agents and doping methods, as adopted by the Monitoring Group (TDO). Your comment (optional)

Prohibited list, as adopted by the Conference of Parties of the International Convention against Doping in Sport (UNESCO) Your comment (optional)

Other, please specify :

4. Additional doping lists

For the purposes of restricting availability of doping substances are there other lists than those defined in question 4?

Yes, please specify: 1. List of substances and (or) methods prohibited for use in sports for the purposes of articles 230.1 and 230.2 of the Criminal code of the Russian Federation, 2. The order of the Government of the Russian Federation dated December 29, 2007 N 964 Page : 2 Implementation of anti-doping policies in 2017 "About the approval of lists of strong and poisonous substances for the purposes of article 234 and other articles of the Criminal code of the Russian Federation, and also the large size of strong substances for the purposes of article 234 of the Criminal code of the Russian Federation 3.Order of the Government of the Russian Federation of 30.06.1998 N 681 " about the approval of the list of drugs, psychotropic substances and their precursors which are subject to control in the Russian Federation"

No. Your comment (optional)

5. Anti-doping laws

Are there any anti-doping laws in your country?

Anti-doping law. Your comment (optional)

Other formal regulations, please specify: Other formal regulations, please specify: 1.FEDERAL LAW "ON PHYSICAL CULTURE AND SPORT IN THE RUSSIAN FEDERATION" from December 4, 2007 329-FZ; 2.Administrative Code of Russian Federation; 3. Criminal Code of Russian Federation; 4. Labour Code of Russian Federation (The Codes include special Articles and Chapters); 5. All-Russian Anti-doping Rules

No. Your comment (optional)

6. National anti-doping organisation (NADO)

What is the legal status of your national anti-doping organisation? Please upload the statutes, if possible

Public authority. Your comment (optional)

Non-governmental organisation. Your comment (optional)

Private company. Your comment (optional)

National Olympic Committee. Your comment (optional)

Other, please specify :

7. NADO activities

Which of the activities below are conducted by your national anti-doping organisation? Please upload the organisational chart, if possible

	Yes. Your comment (optional)	No, please specify which organisation is in charge:
Co-ordination of action by public authorities	(X)	()
Coordination of the fight against trafficking	()	(X) Law Enforcement
Testing (doping control)	(X)	()
Results management	(X)	()
Disciplinary procedures	(X)	()
Education and/or information	(X)	()
Research	(X)	()

8. Funding of anti-doping program

What was your annual anti-doping budget for the 2019 calendar year?

Min numeric value allowed : 0

[556685500] amountRublesCurrency

[] Data not available

9. Funding sources

How is the anti-doping program funded? Please select all that apply and indicate an estimate in percentages:

[X] Government 100%

[] National Lottery program %

[] National Olympic Committee (NOC) %

[] Other Sports Organization(s) %

[] Fee for service %

[] Private %

[] Other %

10. Distribution of funding

What percentage of your annual anti-doping budget is put towards the following core programs?

[33.69] Testing (including equipment, transportation, Sample Collection Personnel (SCP) fees)

[31.62] Sample analysis

[1.14] Investigations

[3.74] Education

[0.6] Research

[2.2] Results Management/Legal

[0.54] Therapeutic Use Exemptions (TUEs)

[26.47] Other (e.g. remuneration, administration)

[] Data not available

11. Sport Budget

What amount has been allocated to the sport budget from the state budget for the year 2019?

[1153314917] amountEURcurrency

[] Data not available

12. Limiting public funding to organisations

Is public funding withheld from organisations that do not comply with anti-doping regulations and related legal instruments?

(X) Yes, all funding is withheld; your comment (optional) RUSADA may make a request to the Federal Executive Body in the field of physical culture and sport to consider the expediency of funding the All-Russian Sports Federation or to apply other measures of a non-material nature for non-compliance of the All-Russian Sports Federations with the National Anti-Doping Rules

() A limited amount of funding is withheld; your comment (optional)

() No financial implications; your comment (optional)

() Information not available; your comment (optional)

13. Limitation of public funding of persons

Is sport-related financial assistance provided by public authorities withheld from banned athletes or athlete support personnel during the period of their suspension?

(X) Yes, all funding is withheld; your comment (optional)

() A limited amount of funding is withheld; your comment (optional)

() No; your comment (optional)

() Not applicable (no sport-related financial assistance is provided by public authorities to athletes or support personnel); your comment (optional)

() Information not available; your comment (optional)

14. Testing programme

Does your country have a national testing programme?

(X) Yes

() No, please explain

15. Elements of the Testing Program

What elements of the testing program are implemented by the national anti-doping organisation?

- Risk Assessment and Test Distribution Planning (TDP)
- Registered Testing Pool
- Random selection of athletes
- Targeted selection of athletes
- In-competition testing
- Out-of-competition testing
- No-advance notice testing
- Blood testing
- Athlete Biological Passport (ABP) modules
- Other elements, please specify
- If some elements are implemented by another body, please specify which body

16. Quality certificate

Is your NADO or part of its procedures certified according to a quality standard (such as ISO, iNADO or any other quality assurance system)?

- Yes, please specify which standard, its scope and validity: ISO 9001-2015
- In progress, please specify
- No; your comment (optional)

Attachments

 Sert ISO_9001-2015_2017.pdf

17. NADO staff

Please outline below how many staff are involved in the coordination and management of your anti-doping programs.

Min numeric value allowed : 0

- Staff full time
- Staff part time
- Volunteers
- Committee members
- Data not available

18. Sample Collection Personnel

Do you have Sample Collection Personnel (SCP) ?

- Yes
- No, please explain

19. Number of DCOs and BCOs

How many Doping Control Officers (DCOs), Blood Control Officers (BCOs) and chaperones are in your sample collection personnel program?

Min numeric value allowed : 0

[88] DCOs; your comment (optional)

[100] BCOs; your comment (optional) We have as BCOs medical staff from state hospitals of the different regions in the country

[24] Chaperones; your comment (optional)

[] Data not available

20. Laboratory

Is there a doping control laboratory in your country?

[] Yes, accredited by WADA

[] Yes, but accreditation by WADA is pending

[X] Accredited by WADA for athlete biological passport

[] No, we send samples to the WADA accredited laboratories in: (city)

[] Not available

21. Testing statistics

How many samples were collected under your national testing program in the year 2019?

	Urine	Blood (including ABP)
In-competition testing Min numeric value allowed : 0	3283	630
Out-of-competition testing Min numeric value allowed : 0	5540	1619

[] Data not available

22. Testing abroad

Did you test athletes under your authority who reside or train abroad (directly or by subcontracting another ADO)?

(X) Yes; your comment (optional) both

() Not in 2019, but we have authorisation to do so; your comment (optional)

() No, we do not have authorisation to do so; your comment (optional)

23. Disciplinary system

What are the disciplinary bodies for doping offences, i.e. the main body imposing sanctions on athletes and other persons?

-	-
---	---

State authority	yes	yes
NADO	yes	yes
NOC	no	no
National sport federations	yes	yes
international sport federations	yes	yes
Independent disciplinary body	yes	yes
Professional associations	no	no
Other, please specify	no	no

24. Appeals system

What is the body handling appeals against disciplinary measures?

- State authority; your comment (optional)
- National sports federations; your comment (optional)
- International sports federations; your comment (optional)
- Independent court of arbitration; your comment (optional)
- Court of Arbitration in Sport (CAS); your comment (optional)
- Other, please specify :

25. Anti-doping rule violations (ADRV)

How many anti-doping rule violations cases were initiated in 2019 and how many of these initiated cases resulted in the imposition of a sanction?

	Initiated cases	Cases that resulted in a sanction	Cases that resulted in no sanction
Presence of a prohibited substance or its Metabolites or markers in an athlete's sample Min numeric value allowed : 0	98	65	3
Use or attempted use by an athlete of a Prohibited substance or a prohibited method Min numeric value allowed : 0	76	3	0
Evading, Refusing or Failing to Submit to Sample Collection Min numeric value allowed : 0	0	0	0
Whereabouts Failures Min numeric value allowed : 0	13	9	4

Tampering or attempted tampering with any part of doping control Min numeric value allowed : 0	1	1	0
Possession of prohibited substances and prohibited methods Min numeric value allowed : 0	0	0	0
Trafficking or attempted trafficking in any prohibited substance or prohibited method Min numeric value allowed : 0	0	0	0
Administration or attempted administration to any athlete of any Prohibited method or prohibited substance Min numeric value allowed : 0	4	0	0
Complicity Min numeric value allowed : 0	2	2	0
Prohibited Association Min numeric value allowed : 0	4	4	0

Data not available

26. Whereabouts failures

How many of the following whereabouts failures have you registered in 2019?

[249] One missed test or filing failure

[55] Any combination of two missed tests and/or filing failures

Data not available

27. Sanctions for doping trafficking

Are there specific penalties or sanctions for illegal circulation of doping substances, in addition to those regulating the movement of medicines and narcotics?

Criminal penalties, please specify - Article 230.1 (Inducing an athlete to use substances and methods prohibited in sport). The article applies to the athletes' support personnel (doctors, coaches and other persons). Sanctions — a fine of up to 300,000 rubles with deprivation of the right to engage in certain activities for up to 3 years, or restriction of freedom for up to 1 year with deprivation of the right to engage in certain activities for up to 3 years. - Article 230.2 (use of prohibited substances and methods against an athlete). The article applies to the athletes' support (doctors, coaches and other persons). Sanctions — a fine of up to 1,000,000 rubles with deprivation of the right to engage in certain activities for up to 4 years, or restriction of freedom for up to 2 years with deprivation of the right to engage in certain activities for up to 4 years.

Financial penalties, please specify both in Criminal and Administrative Codes

Administrative or civil sanctions, please specify Code of administrative violations article 6.18: Part 1 – Intentional violation by an athlete of the requirements established by the legislation on physical culture and sport to prevent and combat doping in sport, expressed in the use or attempt to use a prohibited substance and (or) a prohibited method by an athlete — an administrative fine of 30 to 50 thousand rubles; Part 2 – Distribution by an athlete, coach, sports medicine specialist or other specialist in the field of physical culture and sports of a prohibited substance and (or) prohibited method — an administrative fine of 40 to 80 thousand rubles;

Professional disciplinary actions, please specify Disciplinary sanctions in the profession for an athlete – termination of the employment contract for athletes' support personnel – termination of the employment contract

- None of above, please explain
- Not available; your comment (optional)

28. Co-operation with law enforcement agencies

What measures have been taken to improve co-operation with law enforcement agencies in limiting illegal availability of doping substances?

Law, please specify Resolution of the Government of the Russian Federation of 29 April 2019 No. 527 "On Amendments to the List of Substances and/or Methods Prohibited for Use in Sport for the Purposes of Articles 230.1 and 230.2 of the Criminal Code of the Russian Federation".

- Agreement, please specify
- Ad hoc activities, please specify
- Other, please specify
- None; your comment (optional)

29. Statistics on doping trafficking

Do law enforcement agencies share data on the seizure of doping substances with the national anti-doping organisation:

Yes, please specify how many seizures have been reported in 2019: 752 kg 411 grams of strong substances were seized from illicit traffic in 2019, including 351 kg 257 grams of anabolic steroids

- No; your comment (optional)
- Other, please specify :

30. Organisation of anti-doping education

Which organisations are involved in coordinating and/or implementing anti-doping education programs?

- National anti-doping organisation
- Ministry responsible for sport
- Ministry responsible for education
- Ministry responsible for health
- Other governmental body
- National sport federations
- Regional/municipal sport organisations
- Universities
- Schools
- Sport clubs
- Other bodies National Olympic Committee, National Paralympic Committee,

31. Anti-doping education themes

What types of anti-doping message are provided for different target groups?

	elite athletes	young athletes	recreational athletes	sports officials	coaches	medical personnel	school pupils	media	general public	other

32. Nutritional supplements

What measures have been taken to address the problems related to nutritional supplements in sport?

- Restrict availability
- Control of production
- Provide quality assurance
- Comprehensive labelling
- Limit advertising and promotion
- Educational and informational measures
- Other, please specify:

33. Anti-doping research

Has any anti-doping research been undertaken or supported?

- Yes; your comment (optional)
- Yes, to a limited extent; your comment (optional)
- No; your comment (optional)

34. Areas of anti-doping research 

What are the areas of anti-doping research?

- Doping prevention
- Detection methods
- Behavioural and social aspects of doping
- Health consequences of doping
- Physiological and psychological training programmes
- Emerging substances or methods
- Alternative testing methods
- None
- Other; your comment (optional)

35. Publication of anti-doping research 

How many articles with the results of this research have been published in peer-reviewed scientific journals?

- 323 in 2019; your comment (optional)
- Data not available

Attachments

 List of the anti-doping articles published in peer-reviewed scientific journals : http://https://www.elibrary.ru/query_results.asp

36. International agreements 

Has your country signed any agreements with other Anti-Doping Organizations (ADOs) or agreements on anti-doping with any other organisation or State concerning the following:

	Yes or No; if applicable please explain or upload the document (below)
(a) Sharing of information	yes
(b) Law enforcement cooperation	yes
(c) Athlete Biological Passport sharing or coordination	yes
(d) General cooperation	yes

- Data not available

Implementation of anti-doping policies in 2019 - San Marino

Questionnaire on implementation of anti-doping policies in 2019 0.1

Objective :

In order to implement the requirements of the Article 9 of the Anti-Doping Convention, the online annual questionnaire is ready for collection of data regarding anti-doping policies in 2019.

Instruction :

For detailed instructions please select the links to documentation at the top of the page.

In case you face any problems which would prevent you from filling in the questionnaire, please report it to us by e-mail sport.t-do@coe.int

You are kindly requested to fill in, save and post your country's data for 2019 before 30 April 2020.

Questions :

1. Number of Athletes

Please estimate the number of athletes in the following categories within your country:

international-level athletes (as defined by the World Anti-Doping Code)

Min numeric value allowed : 0

[412] your comment (optional)

[] Data not available

national-level athletes (as defined by the World Anti-Doping Code)

Min numeric value allowed : 0

[5000] your comment (optional)

[] Data not available

other athletes (including recreational athletes)

Min numeric value allowed : 0

[4000] your comment (optional)

[] Data not available

number of athletes in your national Registered Testing Pool (as defined by the World Anti-Doping Code)

Min numeric value allowed : 0

[35] your comment (optional)

[] Data not available

number of athletes at the last Summer Olympic games

Min numeric value allowed : 0

[4] your comment (optional)

[] Data not available

number of athletes at the last Winter Olympic games

Min numeric value allowed : 0

[1] your comment (optional)

[] Data not available

number of athletes at the last Summer Paralympic games

Min numeric value allowed : 0

[0] your comment (optional)

[] Data not available

number of athletes at the last Winter Paralympic games

Min numeric value allowed : 0

[0] your comment (optional)

[] Data not available

2. Doping definition

What is the definition of "Doping in Sport" used in your country?

[X] Council of Europe Anti-Doping Convention. Your comment (optional)

[X] UNESCO International Convention against doping in sport. Your comment (optional)

[X] World Anti-Doping Code. Your comment (optional)

[] Other, please specify (e.g. national law) :

3. Doping List

Which list of banned pharmacological classes of doping agents and doping methods (i.e. Prohibited List) is implemented in your country?

[X] Prohibited list, as adopted by the Executive Committee of WADA. Your comment (optional)

.....

[X] List of banned pharmacological classes of doping agents and doping methods, as adopted by the Monitoring Group (TDO). Your comment (optional)

[X] Prohibited list, as adopted by the Conference of Parties of the International Convention against Doping in Sport (UNESCO) Your comment (optional)

[] Other, please specify :

4. Additional doping lists

For the purposes of restricting availability of doping substances are there other lists than those defined in question 4?

() Yes, please specify:

(X) No. Your comment (optional)

5. Anti-doping laws

Are there any anti-doping laws in your country?

[X] Anti-doping law. Your comment (optional)

[] Other formal regulations, please specify:

[] No. Your comment (optional)

6. National anti-doping organisation (NADO) 

What is the legal status of your national anti-doping organisation? Please upload the statutes, if possible

- Public authority. Your comment (optional)
- Non-governmental organisation. Your comment (optional)
- Private company. Your comment (optional)
- National Olympic Committee. Your comment (optional)
- Other, please specify :

7. NADO activities 

Which of the activities below are conducted by your national anti-doping organisation? Please upload the organisational chart, if possible

	Yes. Your comment (optional)	No, please specify which organisation is in charge:
Co-ordination of action by public authorities	<input checked="" type="checkbox"/>	<input type="checkbox"/>
Coordination of the fight against trafficking	<input type="checkbox"/>	<input checked="" type="checkbox"/> law court and police
Testing (doping control)	<input checked="" type="checkbox"/>	<input type="checkbox"/>
Results management	<input checked="" type="checkbox"/>	<input type="checkbox"/>
Disciplinary procedures	<input checked="" type="checkbox"/> disciplinary committee	<input type="checkbox"/>
Education and/or information	<input checked="" type="checkbox"/>	<input type="checkbox"/>
Research	<input checked="" type="checkbox"/> cooperate with Health Authority	<input type="checkbox"/>

8. Funding of anti-doping program 

What was your annual anti-doping budget for the 2019 calendar year?

Min numeric value allowed : 0

[24.115] amounteuroCurrency

[] Data not available

9. Funding sources 

How is the anti-doping program funded? Please select all that apply and indicate an estimate in percentages:

- Government 10%
- National Lottery program %
- National Olympic Committee (NOC) 90%
- Other Sports Organization(s) %

- Fee for service %
- Private %
- Other %

10. Distribution of funding 

What percentage of your annual anti-doping budget is put towards the following core programs?

- [20] Testing (including equipment, transportation, Sample Collection Personnel (SCP) fees)
- [30] Sample analysis
- [2] Investigations
- [15] Education
- [0] Research
- [10] Results Management/Legal
- [5] Therapeutic Use Exemptions (TUEs)
- [18] Other (e.g. remuneration, administration)
- [] Data not available

11. Sport Budget 

What amount has been allocated to the sport budget from the state budget for the year 2019?

- [6100000] amountEurocurrency
- [] Data not available

12. Limiting public funding to organisations 

Is public funding withheld from organisations that do not comply with anti-doping regulations and related legal instruments?

- (X) Yes, all funding is withheld; your comment (optional)
- () A limited amount of funding is withheld; your comment (optional)
- () No financial implications; your comment (optional)
- () Information not available; your comment (optional)

13. Limitation of public funding of persons 

Is sport-related financial assistance provided by public authorities withheld from banned athletes or athlete support personnel during the period of their suspension?

- (X) Yes, all funding is withheld; your comment (optional)
- () A limited amount of funding is withheld; your comment (optional)
- () No; your comment (optional)
- () Not applicable (no sport-related financial assistance is provided by public authorities to athletes or support personnel); your

comment (optional)

Information not available; your comment (optional)

14. Testing programme ●

Does your country have a national testing programme?

Yes

No, please explain

15. Elements of the Testing Program ●

What elements of the testing program are implemented by the national anti-doping organisation?

Risk Assessment and Test Distribution Planning (TDP)

Registered Testing Pool

Random selection of athletes

Targeted selection of athletes

In-competition testing

Out-of-competition testing

No-advance notice testing

Blood testing

Athlete Biological Passport (ABP) modules

Other elements, please specify

If some elements are implemented by another body, please specify which body

16. Quality certificate ●

Is your NADO or part of its procedures certified according to a quality standard (such as ISO, iNADO or any other quality assurance system)?

Yes, please specify which standard, its scope and validity:

In progress, please specify

No; your comment (optional)

17. NADO staff ●

Please outline below how many staff are involved in the coordination and management of your anti-doping programs.

Min numeric value allowed : 0

Staff full time

Staff part time

Volunteers

Committee members

Data not available

18. Sample Collection Personnel

Do you have Sample Collection Personnel (SCP) ?

- Yes
 No, please explain

19. Number of DCOs and BCOs

How many Doping Control Officers (DCOs), Blood Control Officers (BCOs) and chaperones are in your sample collection personnel program?

Min numeric value allowed : 0

- [3] DCOs; your comment (optional)
 [0] BCOs; your comment (optional)
 [14] Chaperones; your comment (optional)
 Data not available

20. Laboratory

Is there a doping control laboratory in your country?

- Yes, accredited by WADA
 Yes, but accreditation by WADA is pending
 Accredited by WADA for athlete biological passport
 No, we send samples to the WADA accredited laboratories in:ROMA(city)
 Not available

21. Testing statistics

How many samples were collected under your national testing program in the year 2019?

	Urine	Blood (including ABP)
In-competition testing Min numeric value allowed : 0	20	0
Out-of-competition testing Min numeric value allowed : 0	15	0

- Data not available

22. Testing abroad

Did you test athletes under your authority who reside or train abroad (directly or by subcontracting another ADO)?

- Yes; your comment (optional)one in 2019
 Not in 2019, but we have authorisation to do so; your comment (optional)
 No, we do not have authorisation to do so; your comment (optional)

23. Disciplinary system

What are the disciplinary bodies for doping offences, i.e. the main body imposing sanctions on athletes and other persons?

	–	–
State authority	no	no
NADO	yes	yes
NOC	yes	yes
National sport federations	no	no
international sport federations	no	no
Independent disciplinary body	no	no
Professional associations	no	no
Other, please specify	no	no

24. Appeals system

What is the body handling appeals against disciplinary measures?

- () State authority; your comment (optional)
- () National sports federations; your comment (optional)
- () International sports federations; your comment (optional)
- () Independent court of arbitration; your comment (optional)
- (X) Court of Arbitration in Sport (CAS); your comment (optional)
- () Other, please specify :

25. Anti-doping rule violations (ADRV)

How many anti-doping rule violations cases were initiated in 2019 and how many of these initiated cases resulted in the imposition of a sanction?

	Initiated cases	Cases that resulted in a sanction	Cases that resulted in no sanction
Presence of a prohibited substance or its Metabolites or markers in an athlete's sample Min numeric value allowed : 0	0	0	0
Use or attempted use by an athlete of a Prohibited substance or a prohibited method Min numeric value allowed : 0	0	0	0

Evading, Refusing or Failing to Submit to Sample Collection Min numeric value allowed : 0	0	0	0
Whereabouts Failures Min numeric value allowed : 0	0	0	0
Tampering or attempted tampering with any part of doping control Min numeric value allowed : 0	0	0	0
Possession of prohibited substances and prohibited methods Min numeric value allowed : 0	0	0	0
Trafficking or attempted trafficking in any prohibited substance or prohibited method Min numeric value allowed : 0	0	0	0
Administration or attempted administration to any athlete of any Prohibited method or prohibited substance Min numeric value allowed : 0	0	0	0
Complicity Min numeric value allowed : 0	0	0	0
Prohibited Association Min numeric value allowed : 0	0	0	0

Data not available

26. Whereabouts failures 

How many of the following whereabouts failures have you registered in 2019?

- One missed test or filing failure
- Any combination of two missed tests and/or filing failures
- Data not available

27. Sanctions for doping trafficking 

Are there specific penalties or sanctions for illegal circulation of doping substances, in addition to those regulating the movement of medicines and narcotics?

- Criminal penalties, please specify
- Financial penalties, please specify
- Administrative or civil sanctions, please specify
- Professional disciplinary actions, please specify
- None of above, please explain
- Not available; your comment (optional)

28. Co-operation with law enforcement agencies 

What measures have been taken to improve co-operation with law enforcement agencies in limiting illegal availability of doping substances?

- Law, please specify
- Agreement, please specify agreement with police and with Health Authority
- Ad hoc activities, please specify
- Other, please specify
- None; your comment (optional)

29. Statistics on doping trafficking

Do law enforcement agencies share data on the seizure of doping substances with the national anti-doping organisation:

- Yes, please specify how many seizures have been reported in 2019:
- No; your comment (optional)
- Other, please specify :

30. Organisation of anti-doping education

Which organisations are involved in coordinating and/or implementing anti-doping education programs?

- National anti-doping organisation
- Ministry responsible for sport
- Ministry responsible for education
- Ministry responsible for health
- Other governmental body
- National sport federations
- Regional/municipal sport organisations
- Universities
- Schools
- Sport clubs
- Other bodies

31. Anti-doping education themes

What types of anti-doping message are provided for different target groups?

	elite athletes	young athletes	recreational athletes	sports officials	coaches	medical personnel	school pupils	media	general public	other
National and International Anti-Doping Rules	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/> referee

32. Nutritional supplements

What measures have been taken to address the problems related to nutritional supplements in sport?

- Restrict availability
- Control of production
- Provide quality assurance
- Comprehensive labelling
- Limit advertising and promotion
- Educational and informational measures
- Other, please specify:

33. Anti-doping research

Has any anti-doping research been undertaken or supported?

- Yes; your comment (optional)
- Yes, to a limited extent; your comment (optional)one in the veterinary field
- No; your comment (optional)

34. Areas of anti-doping research

What are the areas of anti-doping research?

- Doping prevention

- Detection methods
- Behavioural and social aspects of doping
- Health consequences of doping
- Physiological and psychological training programmes
- Emerging substances or methods
- Alternative testing methods
- None
- Other; your comment (optional)

35. Publication of anti-doping research

How many articles with the results of this research have been published in peer-reviewed scientific journals?

- 0 in 2019; your comment (optional)
- Data not available

36. International agreements

Has your country signed any agreements with other Anti-Doping Organizations (ADOs) or agreements on anti-doping with any other organisation or State concerning the following:

	Yes or No; if applicable please explain or upload the document (below)
(a) Sharing of information	Yes with NADO ITALY
(b) Law enforcement cooperation	no
(c) Athlete Biological Passport sharing or coordination	no
(d) General cooperation	YES with Italian Medical federation

ADQ
Anti-Doping Questionnaire

Implementation of anti-doping policies in 2019 - Serbia

Questionnaire on implementation of anti-doping policies in 2019 0.1

Objective :

In order to implement the requirements of the Article 9 of the Anti-Doping Convention, the online annual questionnaire is ready for collection of data regarding anti-doping policies in 2019.

Instruction :

For detailed instructions please select the links to documentation at the top of the page.

In case you face any problems which would prevent you from filling in the questionnaire, please report it to us by e-mail sport.t-do@coe.int

You are kindly requested to fill in, save and post your country's data for 2019 before 30 April 2020.

Questions :

1. Number of Athletes 

Please estimate the number of athletes in the following categories within your country:

international-level athletes (as defined by the World Anti-Doping Code)

Min numeric value allowed : 0

[] your comment (optional)

Data not available

national-level athletes (as defined by the World Anti-Doping Code)

Min numeric value allowed : 0

[] your comment (optional)

Data not available

other athletes (including recreational athletes)

Min numeric value allowed : 0

[] your comment (optional)

Data not available

number of athletes in your national Registered Testing Pool (as defined by the World Anti-Doping Code)

Min numeric value allowed : 0

[59] your comment (optional)

Data not available

number of athletes at the last Summer Olympic games

Min numeric value allowed : 0

[104] your comment (optional)

Data not available

number of athletes at the last Winter Olympic games

Min numeric value allowed : 0

[4] your comment (optional)

Data not available

number of athletes at the last Summer Paralympic games

Min numeric value allowed : 0

[16] your comment (optional)

Data not available

number of athletes at the last Winter Paralympic games

Min numeric value allowed : 0

[1] your comment (optional)

Data not available

2. Doping definition

What is the definition of "Doping in Sport" used in your country?

- Council of Europe Anti-Doping Convention. Your comment (optional)
- UNESCO International Convention against doping in sport. Your comment (optional)
- World Anti-Doping Code. Your comment (optional)
- Other, please specify (e.g. national law) :

3. Doping List

Which list of banned pharmacological classes of doping agents and doping methods (i.e. Prohibited List) is implemented in your country?

- Prohibited list, as adopted by the Executive Committee of WADA. Your comment (optional)
- List of banned pharmacological classes of doping agents and doping methods, as adopted by the Monitoring Group (TDO). Your comment (optional)
- Prohibited list, as adopted by the Conference of Parties of the International Convention against Doping in Sport (UNESCO) Your comment (optional)
- Other, please specify :

4. Additional doping lists

For the purposes of restricting availability of doping substances are there other lists than those defined in question 4?

- Yes, please specify:
- No. Your comment (optional)

5. Anti-doping laws

Are there any anti-doping laws in your country?

- Anti-doping law. Your comment (optional)
- Other formal regulations, please specify:
- No. Your comment (optional)

6. National anti-doping organisation (NADO)

What is the legal status of your national anti-doping organisation? Please upload the statutes, if possible

- Public authority. Your comment (optional)
- Non-governmental organisation. Your comment (optional)
- Private company. Your comment (optional)
- National Olympic Committee. Your comment (optional)
- Other, please specify :

7. NADO activities

Which of the activities below are conducted by your national anti-doping organisation? Please upload the organisational chart, if possible

	Yes. Your comment (optional)	No, please specify which organisation is in charge:
Co-ordination of action by public authorities	(X)	()
Coordination of the fight against trafficking	(X)	()
Testing (doping control)	(X)	()
Results management	()	(X) NF, second instance Antidoping Board
Disciplinary procedures	()	(X) NF, second instance Antidoping Board
Education and/or information	(X)	()
Research	(X)	()

8. Funding of anti-doping program

What was your annual anti-doping budget for the 2019 calendar year?

Min numeric value allowed : 0

[420000] amounteuroCurrency

[] Data not available

9. Funding sources

How is the anti-doping program funded? Please select all that apply and indicate an estimate in percentages:

[X] Government 61%

[] National Lottery program %

[] National Olympic Committee (NOC) %

[X] Other Sports Organization(s) 39%

[] Fee for service %

[] Private %

[] Other %

10. Distribution of funding

What percentage of your annual anti-doping budget is put towards the following core programs?

[20] Testing (including equipment, transportation, Sample Collection Personnel (SCP) fees)

[40] Sample analysis

[5] Investigations

[5] Education

[3] Research

[5] Results Management/Legal

[2] Therapeutic Use Exemptions (TUEs)

[20] Other (e.g. remuneration, administration)

[] Data not available

11. Sport Budget 

What amount has been allocated to the sport budget from the state budget for the year 2019?

[] amount currency

[X] Data not available

12. Limiting public funding to organisations 

Is public funding withheld from organisations that do not comply with anti-doping regulations and related legal instruments?

(X) Yes, all funding is withheld; your comment (optional)

() A limited amount of funding is withheld; your comment (optional)

() No financial implications; your comment (optional)

() Information not available; your comment (optional)

13. Limitation of public funding of persons 

Is sport-related financial assistance provided by public authorities withheld from banned athletes or athlete support personnel during the period of their suspension?

(X) Yes, all funding is withheld; your comment (optional)

() A limited amount of funding is withheld; your comment (optional)

() No; your comment (optional)

() Not applicable (no sport-related financial assistance is provided by public authorities to athletes or support personnel); your comment (optional)

() Information not available; your comment (optional)

14. Testing programme 

Does your country have a national testing programme?

(X) Yes

() No, please explain

15. Elements of the Testing Program 

What elements of the testing program are implemented by the national anti-doping organisation?

- Risk Assessment and Test Distribution Planning (TDP)
- Registered Testing Pool
- Random selection of athletes
- Targeted selection of athletes
- In-competition testing
- Out-of-competition testing
- No-advance notice testing
- Blood testing
- Athlete Biological Passport (ABP) modules
- Other elements, please specify
- If some elements are implemented by another body, please specify which body

16. Quality certificate 

Is your NADO or part of its procedures certified according to a quality standard (such as ISO, iNADO or any other quality assurance system)?

- Yes, please specify which standard, its scope and validity:
- In progress, please specify
- No; your comment (optional)

17. NADO staff 

Please outline below how many staff are involved in the coordination and management of your anti-doping programs.

Min numeric value allowed : 0

- Staff full time
- Staff part time
- Volunteers
- Committee members
- Data not available

18. Sample Collection Personnel 

Do you have Sample Collection Personnel (SCP) ?

- Yes
- No, please explain

19. Number of DCOs and BCOs 

How many Doping Control Officers (DCOs), Blood Control Officers (BCOs) and chaperones are in your sample collection personnel program?

Min numeric value allowed : 0

[50] DCOs; your comment (optional)

[20] BCOs; your comment (optional)

[0] Chaperones; your comment (optional) all DCOs are Chaperons

[] Data not available

20. Laboratory ●

Is there a doping control laboratory in your country?

[X] Yes, accredited by WADA

[] Yes, but accreditation by WADA is pending

[] Accredited by WADA for athlete biological passport

[] No, we send samples to the WADA accredited laboratories in: (city)

[] Not available

21. Testing statistics ●

How many samples were collected under your national testing program in the year 2019?

	Urine	Blood (including ABP)
In-competition testing <small>Min numeric value allowed : 0</small>	461	10
Out-of-competition testing <small>Min numeric value allowed : 0</small>	224	40

[] Data not available

22. Testing abroad ●

Did you test athletes under your authority who reside or train abroad (directly or by subcontracting another ADO)?

(X) Yes; your comment (optional)

() Not in 2019, but we have authorisation to do so; your comment (optional)

() No, we do not have authorisation to do so; your comment (optional)

23. Disciplinary system ●

What are the disciplinary bodies for doping offences, i.e. the main body imposing sanctions on athletes and other persons?

	–	–
State authority	no	no
NADO	no	no

NOC	no	no
National sport federations	yes	yes
international sport federations	yes	yes
Independent disciplinary body	no	no
Professional associations	no	no
Other, please specify	no	no

24. Appeals system

What is the body handling appeals against disciplinary measures?

- (X) State authority; your comment (optional)
- () National sports federations; your comment (optional)
- () International sports federations; your comment (optional)
- () Independent court of arbitration; your comment (optional)
- () Court of Arbitration in Sport (CAS); your comment (optional)
- () Other, please specify :

25. Anti-doping rule violations (ADRV)

How many anti-doping rule violations cases were initiated in 2019 and how many of these initiated cases resulted in the imposition of a sanction?

	Initiated cases	Cases that resulted in a sanction	Cases that resulted in no sanction
Presence of a prohibited substance or its Metabolites or markers in an athlete's sample Min numeric value allowed : 0	10	10	0
Use or attempted use by an athlete of a Prohibited substance or a prohibited method Min numeric value allowed : 0	0	0	0
Evading, Refusing or Failing to Submit to Sample Collection Min numeric value allowed : 0	0	0	0
Whereabouts Failures Min numeric value allowed : 0	0	0	0
Tampering or attempted tampering with any part of doping control Min numeric value allowed : 0	0	0	0
Possession of prohibited substances and prohibited methods Min numeric value allowed : 0	0	0	0

Trafficking or attempted trafficking in any prohibited substance or prohibited method Min numeric value allowed : 0	0	0	0
Administration or attempted administration to any athlete of any Prohibited method or prohibited substance Min numeric value allowed : 0	0	0	0
Complicity Min numeric value allowed : 0	0	0	0
Prohibited Association Min numeric value allowed : 0	0	0	0

Data not available

26. Whereabouts failures 

How many of the following whereabouts failures have you registered in 2019?

- One missed test or filing failure
- Any combination of two missed tests and/or filing failures
- Data not available

27. Sanctions for doping trafficking 

Are there specific penalties or sanctions for illegal circulation of doping substances, in addition to those regulating the movement of medicines and narcotics?

- Criminal penalties, please specify
- Financial penalties, please specify
- Administrative or civil sanctions, please specify
- Professional disciplinary actions, please specify
- None of above, please explain
- Not available; your comment (optional)

28. Co-operation with law enforcement agencies 

What measures have been taken to improve co-operation with law enforcement agencies in limiting illegal availability of doping substances?

- Law, please specify defined by law
- Agreement, please specify multilateral
- Ad hoc activities, please specify several
- Other, please specify
- None; your comment (optional)

29. Statistics on doping trafficking 

Do law enforcement agencies share data on the seizure of doping substances with the national anti-doping organisation:

(X) Yes, please specify how many seizures have been reported in 2019: 8

() No; your comment (optional)

() Other, please specify :

30. Organisation of anti-doping education

Which organisations are involved in coordinating and/or implementing anti-doping education programs?

[X] National anti-doping organisation

[] Ministry responsible for sport

[] Ministry responsible for education

[] Ministry responsible for health

[] Other governmental body

[] National sport federations

[] Regional/municipal sport organisations

[] Universities

[] Schools

[] Sport clubs

[] Other bodies

31. Anti-doping education themes

25. Anti-doping rule violations (ADRV) 

How many anti-doping rule violations cases were initiated in 2019 and how many of these initiated cases resulted in the imposition of a sanction?

	Initiated cases	Cases that resulted in a sanction	Cases that resulted in no sanction
Presence of a prohibited substance or its Metabolites or markers in an athlete's sample Min numeric value allowed : 0	3	6	0
Use or attempted use by an athlete of a Prohibited substance or a prohibited method Min numeric value allowed : 0	0	0	0

Evading, Refusing or Failing to Submit to Sample Collection Min numeric value allowed : 0	0	0	0
Whereabouts Failures Min numeric value allowed : 0	0	0	0
Tampering or attempted tampering with any part of doping control Min numeric value allowed : 0	0	0	0
Possession of prohibited substances and prohibited methods Min numeric value allowed : 0	0	0	0
Trafficking or attempted trafficking in any prohibited substance or prohibited method Min numeric value allowed : 0	0	0	0
Administration or attempted administration to any athlete of any Prohibited method or prohibited substance Min numeric value allowed : 0	0	0	0
Complicity Min numeric value allowed : 0	0	0	0
Prohibited Association Min numeric value allowed : 0	0	0	0

Data not available

26. Whereabouts failures

How many of the following whereabouts failures have you registered in 2019?

- One missed test or filing failure
- Any combination of two missed tests and/or filing failures
- Data not available

27. Sanctions for doping trafficking

Are there specific penalties or sanctions for illegal circulation of doping substances, in addition to those regulating the movement of medicines and narcotics?

- Criminal penalties, please specify
- Financial penalties, please specify
- Administrative or civil sanctions, please specify
- Professional disciplinary actions, please specify
- None of above, please explain
- Not available; your comment (optional)

28. Co-operation with law enforcement agencies

What measures have been taken to improve co-operation with law enforcement agencies in limiting illegal availability of doping substances?

- Law, please specify
- Agreement, please specify
- Ad hoc activities, please specify
- Other, please specify Working Group Ministry of Interior
- None; your comment (optional)

29. Statistics on doping trafficking

Do law enforcement agencies share data on the seizure of doping substances with the national anti-doping organisation:

- Yes, please specify how many seizures have been reported in 2019:
- No; your comment (optional)
- Other, please specify :

30. Organisation of anti-doping education

Which organisations are involved in coordinating and/or implementing anti-doping education programs?

- National anti-doping organisation
- Ministry responsible for sport
- Ministry responsible for education
- Ministry responsible for health
- Other governmental body National Sport Center
- National sport federations
- Regional/municipal sport organisations
- Universities
- Schools
- Sport clubs
- Other bodies

31. Anti-doping education themes

32. Nutritional supplements 

What measures have been taken to address the problems related to nutritional supplements in sport?

- [] Restrict availability
- [X] Control of production
- [] Provide quality assurance
- [] Comprehensive labelling
- [] Limit advertising and promotion
- [X] Educational and informational measures
- [] Other, please specify:

33. Anti-doping research 

Has any anti-doping research been undertaken or supported?

- () Yes; your comment (optional)
- () Yes, to a limited extent; your comment (optional)
- (X) No; your comment (optional) SADA is a partner of ERASMUS + project

34. Areas of anti-doping research

What are the areas of anti-doping research?

- Doping prevention
- Detection methods
- Behavioural and social aspects of doping
- Health consequences of doping
- Physiological and psychological training programmes
- Emerging substances or methods
- Alternative testing methods
- None
- Other; your comment (optional)

35. Publication of anti-doping research

How many articles with the results of this research have been published in peer-reviewed scientific journals?

- in 2019; your comment (optional)
- Data not available

36. International agreements

Has your country signed any agreements with other Anti-Doping Organizations (ADOs) or agreements on anti-doping with any other organisation or State concerning the following:

	Yes or No; if applicable please explain or upload the document (below)
(a) Sharing of information	YES
(b) Law enforcement cooperation	YES
(c) Athlete Biological Passport sharing or coordination	YES
(d) General cooperation	YES

Implementation of anti-doping policies in 2019 - Slovenia

Questionnaire on implementation of anti-doping policies in 2019 0.1

Objective :

In order to implement the requirements of the Article 9 of the Anti-Doping Convention, the online annual questionnaire is ready for collection of data regarding anti-doping policies in 2019.

Instruction :

For detailed instructions please select the links to documentation at the top of the page.

In case you face any problems which would prevent you from filling in the questionnaire, please report it to us by e-mail sport.t-do@coe.int

You are kindly requested to fill in, save and post your country's data for 2019 before 30 April 2020.

Questions :

1. Number of Athletes

Please estimate the number of athletes in the following categories within your country:

international-level athletes (as defined by the World Anti-Doping Code)

Min numeric value allowed : 0

[1213] your comment (optional)

[] Data not available

national-level athletes (as defined by the World Anti-Doping Code)

Min numeric value allowed : 0

[5813] your comment (optional)

[] Data not available

other athletes (including recreational athletes)

Min numeric value allowed : 0

[58349] your comment (optional)

[] Data not available

number of athletes in your national Registered Testing Pool (as defined by the World Anti-Doping Code)

Min numeric value allowed : 0

[40] your comment (optional)

[] Data not available

number of athletes at the last Summer Olympic games

Min numeric value allowed : 0

[60] your comment (optional)

[] Data not available

number of athletes at the last Winter Olympic games

Min numeric value allowed : 0

[71] your comment (optional)

[] Data not available

number of athletes at the last Summer Paralympic games

Min numeric value allowed : 0

[8] your comment (optional)

[] Data not available

number of athletes at the last Winter Paralympic games

Min numeric value allowed : 0

[1] your comment (optional)

[] Data not available

2. Doping definition

What is the definition of "Doping in Sport" used in your country?

[X] Council of Europe Anti-Doping Convention. Your comment (optional)

[X] UNESCO International Convention against doping in sport. Your comment (optional)

[X] World Anti-Doping Code. Your comment (optional)

[] Other, please specify (e.g. national law) :

3. Doping List

Which list of banned pharmacological classes of doping agents and doping methods (i.e. Prohibited List) is implemented in your country?

[X] Prohibited list, as adopted by the Executive Committee of WADA. Your comment (optional)

.....

[] List of banned pharmacological classes of doping agents and doping methods, as adopted by the Monitoring Group (TDO). Your comment (optional)

[] Prohibited list, as adopted by the Conference of Parties of the International Convention against Doping in Sport (UNESCO) Your comment (optional)

[] Other, please specify :

4. Additional doping lists

For the purposes of restricting availability of doping substances are there other lists than those defined in question 4?

() Yes, please specify:

(X) No. Your comment (optional)

5. Anti-doping laws

Are there any anti-doping laws in your country?

[] Anti-doping law. Your comment (optional)

[X] Other formal regulations, please specify: Antidoping Rules of SLOADO

[] No. Your comment (optional)

 Organizational chart.pdf

8. Funding of anti-doping program

What was your annual anti-doping budget for the 2019 calendar year?

Min numeric value allowed : 0

[522313] amount€Currency

[] Data not available

9. Funding sources

How is the anti-doping program funded? Please select all that apply and indicate an estimate in percentages:

- Government 40%
- National Lottery program 9%
- National Olympic Committee (NOC) 4%
- Other Sports Organization(s) %
- Fee for service 20%
- Private %
- Other 27%

10. Distribution of funding ●

What percentage of your annual anti-doping budget is put towards the following core programs?

- [20] Testing (including equipment, transportation, Sample Collection Personnel (SCP) fees)
- [25] Sample analysis
- [0] Investigations
- [34] Education
- [0] Research
- [1] Results Management/Legal
- [1] Therapeutic Use Exemptions (TUEs)
- [20] Other (e.g. remuneration, administration)
- [] Data not available

11. Sport Budget ●

What amount has been allocated to the sport budget from the state budget for the year 2019?

- [20569754] amount €currency
- [] Data not available

12. Limiting public funding to organisations ●

Is public funding withheld from organisations that do not comply with anti-doping regulations and related legal instruments?

- (X) Yes, all funding is withheld; your comment (optional)
- () A limited amount of funding is withheld; your comment (optional)
- () No financial implications; your comment (optional)
- () Information not available; your comment (optional)

13. Limitation of public funding of persons ●

Is sport-related financial assistance provided by public authorities withheld from banned athletes or athlete support personnel during the period of their suspension?

Yes, all funding is withheld; your comment (optional)

A limited amount of funding is withheld; your comment (optional)

No; your comment (optional)

Not applicable (no sport-related financial assistance is provided by public authorities to athletes or support personnel); your comment (optional)

Information not available; your comment (optional)

14. Testing programme ●

Does your country have a national testing programme?

Yes

No, please explain

15. Elements of the Testing Program ●

What elements of the testing program are implemented by the national anti-doping organisation?

Risk Assessment and Test Distribution Planning (TDP)

Registered Testing Pool

Random selection of athletes

Targeted selection of athletes

In-competition testing

Out-of-competition testing

No-advance notice testing

Blood testing

Athlete Biological Passport (ABP) modules

Other elements, please specify

If some elements are implemented by another body, please specify which body

16. Quality certificate ●

Is your NADO or part of its procedures certified according to a quality standard (such as ISO, iNADO or any other quality assurance system)?

Yes, please specify which standard, its scope and validity:

In progress, please specify

No; your comment (optional) Not yet

17. NADO staff ●

Please outline below how many staff are involved in the coordination and management of your anti-doping programs.

Min numeric value allowed : 0

Staff full time

[3] Staff part time

[30] Volunteers

[5] Committee members

[] Data not available

18. Sample Collection Personnel

Do you have Sample Collection Personnel (SCP) ?

(X) Yes

() No, please explain

19. Number of DCOs and BCOs

How many Doping Control Officers (DCOs), Blood Control Officers (BCOs) and chaperones are in your sample collection personnel program?

Min numeric value allowed : 0

[26] DCOs; your comment (optional)

[10] BCOs; your comment (optional)

[0] Chaperones; your comment (optional)

[] Data not available

20. Laboratory

Is there a doping control laboratory in your country?

[] Yes, accredited by WADA

[] Yes, but accreditation by WADA is pending

[] Accredited by WADA for athlete biological passport

[X] No, we send samples to the WADA accredited laboratories in:Seibersdorf(city)

[] Not available

21. Testing statistics

How many samples were collected under your national testing program in the year 2019?

	Urine	Blood (including ABP)
In-competition testing Min numeric value allowed : 0	235	0
Out-of-competition testing Min numeric value allowed : 0	166	38

[] Data not available

Attachments

 Poroilo 2019 : <http://www.sloado.si/kategorija/o-nas-porocila>

22. Testing abroad

Did you test athletes under your authority who reside or train abroad (directly or by subcontracting another ADO)?

- Yes; your comment (optional) by subcontracting other NADO
- Not in 2019, but we have authorisation to do so; your comment (optional)
- No, we do not have authorisation to do so; your comment (optional)

23. Disciplinary system

What are the disciplinary bodies for doping offences, i.e. the main body imposing sanctions on athletes and other persons?

	–	–
State authority	no	no
NADO	no	no
NOC	no	no
National sport federations	no	no
international sport federations	no	no
Independent disciplinary body	yes	yes
Professional associations	no	no
Other, please specify	no	no

24. Appeals system

What is the body handling appeals against disciplinary measures?

- State authority; your comment (optional)
- National sports federations; your comment (optional)
- International sports federations; your comment (optional)
- Independent court of arbitration; your comment (optional)
- Court of Arbitration in Sport (CAS); your comment (optional)
- Other, please specify :

25. Anti-doping rule violations (ADRV)

How many anti-doping rule violations cases were initiated in 2019 and how many of these initiated cases resulted in the imposition of a sanction?

	Initiated cases	Cases that resulted in a sanction	Cases that resulted in no sanction
Presence of a prohibited substance or its Metabolites or markers in an athlete's sample Min numeric value allowed : 0	2	2	0
Use or attempted use by an athlete of a Prohibited substance or a prohibited method Min numeric value allowed : 0	0	0	0
Evading, Refusing or Failing to Submit to Sample Collection Min numeric value allowed : 0	0	0	0
Whereabouts Failures Min numeric value allowed : 0	0	0	0
Tampering or attempted tampering with any part of doping control Min numeric value allowed : 0	0	0	0
Possession of prohibited substances and prohibited methods Min numeric value allowed : 0	0	0	0
Trafficking or attempted trafficking in any prohibited substance or prohibited method Min numeric value allowed : 0	0	0	0
Administration or attempted administration to any athlete of any Prohibited method or prohibited substance Min numeric value allowed : 0	0	0	0
Complicity Min numeric value allowed : 0	0	0	0
Prohibited Association Min numeric value allowed : 0	0	0	0

Data not available

26. Whereabouts failures

How many of the following whereabouts failures have you registered in 2019?

One missed test or filing failure

Any combination of two missed tests and/or filing failures

Data not available

27. Sanctions for doping trafficking

Are there specific penalties or sanctions for illegal circulation of doping substances, in addition to those regulating the movement of medicines and narcotics?

Criminal penalties, please specify

- Financial penalties, please specify
- Administrative or civil sanctions, please specify
- Professional disciplinary actions, please specify
- None of above, please explain
- Not available; your comment (optional)

Attachments

 Criminal-Code_KZ-1_2008.doc

28. Co-operation with law enforcement agencies

What measures have been taken to improve co-operation with law enforcement agencies in limiting illegal availability of doping substances?

- Law, please specify
- Agreement, please specify Cooperation Agreement with General Police Department
- Ad hoc activities, please specify
- Other, please specify
- None; your comment (optional)

29. Statistics on doping trafficking

Do law enforcement agencies share data on the seizure of doping substances with the national anti-doping organisation:

- Yes, please specify how many seizures have been reported in 2019: 41
- No; your comment (optional)
- Other, please specify :

30. Organisation of anti-doping education

Which organisations are involved in coordinating and/or implementing anti-doping education programs?

- National anti-doping organisation
- Ministry responsible for sport
- Ministry responsible for education
- Ministry responsible for health
- Other governmental body
- National sport federations
- Regional/municipal sport organisations
- Universities
- Schools
- Sport clubs
- Other bodies NOC of Slovenia

31. Anti-doping education themes

What types of anti-doping message are provided for different target groups?

	elite athletes	young athletes	recreational athletes	sports officials	coaches	medical personnel	school pupils	media	general public	other

32. Nutritional supplements

What measures have been taken to address the problems related to nutritional supplements in sport?

- [] Restrict availability
- [] Control of production
- [] Provide quality assurance
- [] Comprehensive labelling
- [] Limit advertising and promotion
- [X] Educational and informational measures
- [] Other, please specify:

33. Anti-doping research

Has any anti-doping research been undertaken or supported?

- Yes; your comment (optional) WADA Scientific project with Faculty for Pharmacy
- Yes, to a limited extent; your comment (optional)
- No; your comment (optional)

34. Areas of anti-doping research ●

What are the areas of anti-doping research?

- Doping prevention
- Detection methods
- Behavioural and social aspects of doping
- Health consequences of doping
- Physiological and psychological training programmes
- Emerging substances or methods
- Alternative testing methods
- None
- Other; your comment (optional)

35. Publication of anti-doping research ●

How many articles with the results of this research have been published in peer-reviewed scientific journals?

- 0 in 2019; your comment (optional)
- Data not available

36. International agreements ●

Has your country signed any agreements with other Anti-Doping Organizations (ADOs) or agreements on anti-doping with any other organisation or State concerning the following:

	Yes or No; if applicable please explain or upload the document (below)
(a) Sharing of information	yes
(b) Law enforcement cooperation	yes
(c) Athlete Biological Passport sharing or coordination	yes
(d) General cooperation	yes

[2] Therapeutic Use Exemptions (TUEs)

[4] Other (e.g. remuneration, administration)

[] Data not available

11. Sport Budget 

What amount has been allocated to the sport budget from the state budget for the year 2019?

[] amount currency

[X] Data not available

12. Limiting public funding to organisations 

Is public funding withheld from organisations that do not comply with anti-doping regulations and related legal instruments?

() Yes, all funding is withheld; your comment (optional)

() A limited amount of funding is withheld; your comment (optional)

(X) No financial implications; your comment (optional)

() Information not available; your comment (optional)

13. Limitation of public funding of persons 

Is sport-related financial assistance provided by public authorities withheld from banned athletes or athlete support personnel during the period of their suspension?

(X) Yes, all funding is withheld; your comment (optional)

() A limited amount of funding is withheld; your comment (optional)

() No; your comment (optional)

() Not applicable (no sport-related financial assistance is provided by public authorities to athletes or support personnel); your comment (optional)

() Information not available; your comment (optional)

14. Testing programme 

Does your country have a national testing programme?

(X) Yes

() No, please explain

15. Elements of the Testing Program 

What elements of the testing program are implemented by the national anti-doping organisation?

[X] Risk Assessment and Test Distribution Planning (TDP)

[X] Registered Testing Pool

[X] Random selection of athletes

[X] Targeted selection of athletes

[X] In-competition testing

[X] Out-of-competition testing

[X] No-advance notice testing

[X] Blood testing

[X] Athlete Biological Passport (ABP) modules

[X] Other elements, please specify Performance follow up for target testing, initial steps

If some elements are implemented by another body, please specify which body

16. Quality certificate 

Is your NADO or part of its procedures certified according to a quality standard (such as ISO, iNADO or any other quality assurance system)?

Yes, please specify which standard, its scope and validity: ISO 9001:2015 Doping Control Department

In progress, please specify

No; your comment (optional)

17. NADO staff 

Please outline below how many staff are involved in the coordination and management of your anti-doping programs.

Min numeric value allowed : 0

20] Staff full time

11] Staff part time

0] Volunteers

9] Committee members

Data not available

18. Sample Collection Personnel 

Do you have Sample Collection Personnel (SCP) ?

Yes

No, please explain

19. Number of DCOs and BCOs 

How many Doping Control Officers (DCOs), Blood Control Officers (BCOs) and chaperones are in your sample collection personnel program?

Min numeric value allowed : 0

84] DCOs; your comment (optional)

45] BCOs; your comment (optional)

250] Chaperones; your comment (optional)

Data not available

20. Laboratory 

Is there a doping control laboratory in your country?

Yes, accredited by WADA

Yes, but accreditation by WADA is pending

Accredited by WADA for athlete biological passport

No, we send samples to the WADA accredited laboratories in: (city)

Not available

21. Testing statistics

How many samples were collected under your national testing program in the year 2019?

	Urine	Blood (including ABP)
In-competition testing Min numeric value allowed : 0	2765	461
Out-of-competition testing Min numeric value allowed : 0	1590	889

Data not available

22. Testing abroad

Did you test athletes under your authority who reside or train abroad (directly or by subcontracting another ADO)?

Yes; your comment (optional)

Not in 2019, but we have authorisation to do so; your comment (optional)

No, we do not have authorisation to do so; your comment (optional)

23. Disciplinary system

What are the disciplinary bodies for doping offences, i.e. the main body imposing sanctions on athletes and other persons?

	–	–
State authority	NO	NO
NADO	YES	YES
NOC	NO	NO
National sport federations	NO	NO
international sport federations	NO	NO
Independent disciplinary body	NO	NO
Professional associations	NO	NO
Other, please specify	NO	NO

24. Appeals system

What is the body handling appeals against disciplinary measures?

- State authority; your comment (optional)
- National sports federations; your comment (optional)
- International sports federations; your comment (optional)
- Independent court of arbitration; your comment (optional)
- Court of Arbitration in Sport (CAS); your comment (optional)
- Other, please specify : TAD: Spanish Administrative Body for Disputes in Sport

25. Anti-doping rule violations (ADRV)

How many anti-doping rule violations cases were initiated in 2019 and how many of these initiated cases resulted in the imposition of a sanction?

	Initiated cases	Cases that resulted in a sanction	Cases that resulted in no sanction
Presence of a prohibited substance or its Metabolites or markers in an athlete's sample Min numeric value allowed : 0	29	16	3
Use or attempted use by an athlete of a Prohibited substance or a prohibited method Min numeric value allowed : 0	0	0	0
Evading, Refusing or Failing to Submit to Sample Collection Min numeric value allowed : 0	0	0	0
Whereabouts Failures Min numeric value allowed : 0	0	0	0
Tampering or attempted tampering with any part of doping control Min numeric value allowed : 0	0	0	0
Possession of prohibited substances and prohibited methods Min numeric value allowed : 0	3	3	0
Trafficking or attempted trafficking in any prohibited substance or prohibited method Min numeric value allowed : 0	0	0	0
Administration or attempted administration to any athlete of any Prohibited method or prohibited substance Min numeric value allowed : 0	2	0	0
Complicity Min numeric value allowed : 0	0	0	0
Prohibited Association Min numeric value allowed : 0	0	0	0

[] Data not available

26. Whereabouts failures

How many of the following whereabouts failures have you registered in 2019?

- [65] One missed test or filing failure
- [0] Any combination of two missed tests and/or filing failures
- [] Data not available

27. Sanctions for doping trafficking

Are there specific penalties or sanctions for illegal circulation of doping substances, in addition to those regulating the movement of medicines and narcotics?

- [X] Criminal penalties, please specify : Penal Code
- [] Financial penalties, please specify
- [] Administrative or civil sanctions, please specify
- [] Professional disciplinary actions, please specify
- [] None of above, please explain
- [] Not available; your comment (optional)

Attachments

 Ley Orgánica 10/1995, de 23 de noviembre, del Código Penal. : <http://www.boe.es/eli/es/lo/1995/11/23/10/con>

28. Co-operation with law enforcement agencies

What measures have been taken to improve co-operation with law enforcement agencies in limiting illegal availability of doping substances?

- [] Law, please specify
- [X] Agreement, please specify : with National Police and Civil Guard
- [] Ad hoc activities, please specify
- [] Other, please specify
- [] None; your comment (optional)

29. Statistics on doping trafficking

Do law enforcement agencies share data on the seizure of doping substances with the national anti-doping organisation:

- (X) Yes, please specify how many seizures have been reported in 2019:
- () No; your comment (optional)
- () Other, please specify :

30. Organisation of anti-doping education

Which organisations are involved in coordinating and/or implementing anti-doping education programs?

- [X] National anti-doping organisation
- [X] Ministry responsible for sport
- [] Ministry responsible for education

- Ministry responsible for health
- Other governmental body
- National sport federations
- Regional/municipal sport organisations
- Universities
- Schools
- Sport clubs
- Other bodies

31. Anti-doping education themes

What types of anti-doping message are provided for different target groups?

	elite athletes	young athletes	recreational athletes	sports officials	coaches	medical personnel	school pupils	media	general public	other
National and International Anti-Doping Rules	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>	<input type="checkbox"/>

32. Nutritional supplements

What measures have been taken to address the problems related to nutritional supplements in sport?

- Restrict availability
- Control of production
- Provide quality assurance
- Comprehensive labelling
- Limit advertising and promotion
- Educational and informational measures
- Other, please specify:

33. Anti-doping research ●

Has any anti-doping research been undertaken or supported?

- Yes; your comment (optional)
- Yes, to a limited extent; your comment (optional)
- No; your comment (optional)

34. Areas of anti-doping research ●

What are the areas of anti-doping research?

- Doping prevention
- Detection methods
- Behavioural and social aspects of doping
- Health consequences of doping
- Physiological and psychological training programmes
- Emerging substances or methods
- Alternative testing methods
- None
- Other; your comment (optional): Evolution of Performance Enhancing Drugs on consumption following WADA figures.

35. Publication of anti-doping research ●

How many articles with the results of this research have been published in peer-reviewed scientific journals?

- 5 in 2019; your comment (optional): All of them in peer review magazines.
- Data not available

36. International agreements ●

Has your country signed any agreements with other Anti-Doping Organizations (ADOs) or agreements on anti-doping with any other organisation or State concerning the following:

Yes or No; if applicable please explain or upload the document (below)

(a) Sharing of information	YES
(b) Law enforcement cooperation	YES
(c) Athlete Biological Passport sharing or coordination	YES
(d) General cooperation	YES

CONSEIL DE L'EUROPE

ADQ

Anti-Doping Questionnaire

Implementation of anti-doping policies in 2019 - Sweden

Questionnaire on implementation of anti-doping policies in 2019 0.1

Objective :

In order to implement the requirements of the Article 9 of the Anti-Doping Convention, the online annual questionnaire is ready for collection of data regarding anti-doping policies in 2019.

Instruction :

For detailed instructions please select the links to documentation at the top of the page.

In case you face any problems which would prevent you from filling in the questionnaire, please report it to us by e-mail sport.t-do@coe.int

You are kindly requested to fill in, save and post your country's data for 2019 before 30 April 2020.

Questions :

1. Number of Athletes

Please estimate the number of athletes in the following categories within your country:

international-level athletes (as defined by the World Anti-Doping Code)

Min numeric value allowed : 0

[58] your comment (optional)

Data not available

national-level athletes (as defined by the World Anti-Doping Code)

Min numeric value allowed : 0

[1400] your comment (optional)

Data not available

other athletes (including recreational athletes)

Min numeric value allowed : 0

[3000000] your comment (optional)

Data not available

number of athletes in your national Registered Testing Pool (as defined by the World Anti-Doping Code)

Min numeric value allowed : 0

[249] your comment (optional)

Data not available

number of athletes at the last Summer Olympic games

Min numeric value allowed : 0

[154] your comment (optional)

Data not available

number of athletes at the last Winter Olympic games

Min numeric value allowed : 0

[110] your comment (optional)

Data not available

number of athletes at the last Summer Paralympic games

Min numeric value allowed : 0

[58] your comment (optional)

Data not available

number of athletes at the last Winter Paralympic games

Min numeric value allowed : 0

[40] your comment (optional)

Data not available

2. Doping definition

What is the definition of "Doping in Sport" used in your country?

Council of Europe Anti-Doping Convention. Your comment (optional)

UNESCO International Convention against doping in sport. Your comment (optional)

World Anti-Doping Code. Your comment (optional)

Other, please specify (e.g. national law) :

3. Doping List

Which list of banned pharmacological classes of doping agents and doping methods (i.e. Prohibited List) is implemented in your country?

Prohibited list, as adopted by the Executive Committee of WADA. Your comment (optional) Prime list

List of banned pharmacological classes of doping agents and doping methods, as adopted by the Monitoring Group (TDO). Your comment (optional)

Prohibited list, as adopted by the Conference of Parties of the International Convention against Doping in Sport (UNESCO) Your comment (optional)

Other, please specify :

4. Additional doping lists

For the purposes of restricting availability of doping substances are there other lists than those defined in question 4?

Yes, please specify: Swedish law against the use of doping substances

No. Your comment (optional)

5. Anti-doping laws

Are there any anti-doping laws in your country?

Anti-doping law. Your comment (optional) Use is also prohibited

Other formal regulations, please specify:

No. Your comment (optional)

6. National anti-doping organisation (NADO)

What is the legal status of your national anti-doping organisation? Please upload the statutes, if possible

Public authority. Your comment (optional)

Non-governmental organisation. Your comment (optional)

Private company. Your comment (optional)

National Olympic Committee. Your comment (optional)

Other, please specify :

7. NADO activities

Which of the activities below are conducted by your national anti-doping organisation? Please upload the organisational chart, if possible

	Yes. Your comment (optional)	No, please specify which organisation is in charge:
Co-ordination of action by public authorities	<input type="checkbox"/>	<input checked="" type="checkbox"/> Government
Coordination of the fight against trafficking	<input type="checkbox"/>	<input checked="" type="checkbox"/> Government
Testing (doping control)	<input checked="" type="checkbox"/>	<input type="checkbox"/>
Results management	<input checked="" type="checkbox"/>	<input type="checkbox"/>
Disciplinary procedures	<input checked="" type="checkbox"/>	<input type="checkbox"/>
Education and/or information	<input checked="" type="checkbox"/>	<input type="checkbox"/>
Research	<input checked="" type="checkbox"/>	<input type="checkbox"/>

8. Funding of anti-doping program

What was your annual anti-doping budget for the 2019 calendar year?

Min numeric value allowed : 0

[35000000] amountSEKCurrency

[] Data not available

9. Funding sources

How is the anti-doping program funded? Please select all that apply and indicate an estimate in percentages:

- [X] Government 100%
- [] National Lottery program %
- [] National Olympic Committee (NOC) %
- [] Other Sports Organization(s) %
- [] Fee for service %
- [] Private %
- [] Other %

10. Distribution of funding

What percentage of your annual anti-doping budget is put towards the following core programs?

- [32] Testing (including equipment, transportation, Sample Collection Personnel (SCP) fees)
- [21] Sample analysis
- [8] Investigations
- [13] Education
- [0] Research
- [5] Results Management/Legal
- [2] Therapeutic Use Exemptions (TUEs)
- [19] Other (e.g. remuneration, administration)
- [] Data not available

11. Sport Budget

What amount has been allocated to the sport budget from the state budget for the year 2019?

[1974311000] amountSEKcurrency

[] Data not available

12. Limiting public funding to organisations

Is public funding withheld from organisations that do not comply with anti-doping regulations and related legal instruments?

- () Yes, all funding is withheld; your comment (optional)
- (X) A limited amount of funding is withheld; your comment (optional) Possible, but not used
- () No financial implications; your comment (optional)

Information not available; your comment (optional)

13. Limitation of public funding of persons

Is sport-related financial assistance provided by public authorities withheld from banned athletes or athlete support personnel during the period of their suspension?

Yes, all funding is withheld; your comment (optional)

A limited amount of funding is withheld; your comment (optional) Optional. NFs responsibility

No; your comment (optional)

Not applicable (no sport-related financial assistance is provided by public authorities to athletes or support personnel); your comment (optional)

Information not available; your comment (optional)

14. Testing programme

Does your country have a national testing programme?

Yes

No, please explain

15. Elements of the Testing Program

What elements of the testing program are implemented by the national anti-doping organisation?

Risk Assessment and Test Distribution Planning (TDP)

Registered Testing Pool

Random selection of athletes

Targeted selection of athletes

In-competition testing

Out-of-competition testing

No-advance notice testing

Blood testing

Athlete Biological Passport (ABP) modules

Other elements, please specify

If some elements are implemented by another body, please specify which body

16. Quality certificate

Is your NADO or part of its procedures certified according to a quality standard (such as ISO, iNADO or any other quality assurance system)?

Yes, please specify which standard, its scope and validity: ISO 9001:2015. Scope= all mandatory activities in the WADC. Valid until 2023-03-03

In progress, please specify

No; your comment (optional)

17. NADO staff

Please outline below how many staff are involved in the coordination and management of your anti-doping programs.

Min numeric value allowed : 0

[16] Staff full time

[2] Staff part time

[146] Volunteers

[6] Committee members

[] Data not available

18. Sample Collection Personnel

Do you have Sample Collection Personnel (SCP) ?

(X) Yes

() No, please explain

19. Number of DCOs and BCOs

How many Doping Control Officers (DCOs), Blood Control Officers (BCOs) and chaperones are in your sample collection personnel program?

Min numeric value allowed : 0

[59] DCOs; your comment (optional)

[48] BCOs; your comment (optional)

[86] Chaperones; your comment (optional)

[] Data not available

20. Laboratory

Is there a doping control laboratory in your country?

[X] Yes, accredited by WADA

[] Yes, but accreditation by WADA is pending

[] Accredited by WADA for athlete biological passport

[] No, we send samples to the WADA accredited laboratories in: (city)

[] Not available

21. Testing statistics

How many samples were collected under your national testing program in the year 2019?

Urine	Blood (including ABP)
-------	-----------------------

In-competition testing Min numeric value allowed : 0	1381	5
Out-of-competition testing Min numeric value allowed : 0	1787	624

[] Data not available

22. Testing abroad

Did you test athletes under your authority who reside or train abroad (directly or by subcontracting another ADO)?

- Yes; your comment (optional) 49 urine, 44 blood
- Not in 2019, but we have authorisation to do so; your comment (optional)
- No, we do not have authorisation to do so; your comment (optional)

23. Disciplinary system

What are the disciplinary bodies for doping offences, i.e. the main body imposing sanctions on athletes and other persons?

	–	–
State authority	no	no
NADO	yes	yes
NOC	no	no
National sport federations	no	no
international sport federations	yes	yes
Independent disciplinary body	no	no
Professional associations	no	no
Other, please specify	no	no

24. Appeals system

What is the body handling appeals against disciplinary measures?

- State authority; your comment (optional)
- National sports federations; your comment (optional)
- International sports federations; your comment (optional)
- Independent court of arbitration; your comment (optional)
- Court of Arbitration in Sport (CAS); your comment (optional)
- Other, please specify :

25. Anti-doping rule violations (ADRV)

How many anti-doping rule violations cases were initiated in 2019 and how many of these initiated cases resulted in the imposition of a sanction?

	Initiated cases	Cases that resulted in a sanction	Cases that resulted in no sanction
Presence of a prohibited substance or its Metabolites or markers in an athlete's sample Min numeric value allowed : 0	22	19	2
Use or attempted use by an athlete of a Prohibited substance or a prohibited method Min numeric value allowed : 0	1	1	0
Evading, Refusing or Failing to Submit to Sample Collection Min numeric value allowed : 0	7	6	1
Whereabouts Failures Min numeric value allowed : 0	0	0	0
Tampering or attempted tampering with any part of doping control Min numeric value allowed : 0	3	1	2
Possession of prohibited substances and prohibited methods Min numeric value allowed : 0	0	0	0
Trafficking or attempted trafficking in any prohibited substance or prohibited method Min numeric value allowed : 0	0	0	0
Administration or attempted administration to any athlete of any Prohibited method or prohibited substance Min numeric value allowed : 0	0	0	0
Complicity Min numeric value allowed : 0	0	0	0
Prohibited Association Min numeric value allowed : 0	0	0	0

Data not available

26. Whereabouts failures

How many of the following whereabouts failures have you registered in 2019?

One missed test or filing failure

Any combination of two missed tests and/or filing failures

Data not available

27. Sanctions for doping trafficking

Are there specific penalties or sanctions for illegal circulation of doping substances, in addition to those regulating the movement of medicines and narcotics?

- Criminal penalties, please specify Swedish Doping Law
- Financial penalties, please specify
- Administrative or civil sanctions, please specify
- Professional disciplinary actions, please specify
- None of above, please explain
- Not available; your comment (optional)

28. Co-operation with law enforcement agencies

What measures have been taken to improve co-operation with law enforcement agencies in limiting illegal availability of doping substances?

- Law, please specify
- Agreement, please specify
- Ad hoc activities, please specify Informal. A former police officer was employed 2019
- Other, please specify
- None; your comment (optional)

29. Statistics on doping trafficking

Do law enforcement agencies share data on the seizure of doping substances with the national anti-doping organisation:

- Yes, please specify how many seizures have been reported in 2019:
- No; your comment (optional) Not allowed according to law
- Other, please specify :

30. Organisation of anti-doping education

Which organisations are involved in coordinating and/or implementing anti-doping education programs?

- National anti-doping organisation
- Ministry responsible for sport
- Ministry responsible for education
- Ministry responsible for health
- Other governmental body
- National sport federations
- Regional/municipal sport organisations
- Universities
- Schools
- Sport clubs
- Other bodies

31. Anti-doping education themes

What types of anti-doping message are provided for different target groups?

	elite athletes	young athletes	recreational athletes	sports officials	coaches	medical personnel	school pupils	media	general public	other
National and International Anti-Doping Rules	[X]	[X]	[X]	[X]	[X]	[X]	[X]	[X]	[X]	[]

Consequences of doping, including sanctions, health and social consequences	[X]	[X]	[X]	[X]	[X]	[X]	[X]	[X]	[X]	[]
Substances and methods on the Prohibited List	[X]	[X]	[X]	[X]	[X]	[X]	[X]	[]	[]	[]
Doping Control procedures	[X]	[X]	[X]	[X]	[X]	[X]	[X]	[X]	[]	[]
Therapeutic Use Exemptions (TUEs)	[X]	[X]	[X]	[X]	[X]	[X]	[]	[]	[]	[]
Applicable whereabouts requirements	[X]	[X]	[]	[X]	[X]	[X]	[]	[]	[]	[]

32. Nutritional supplements

What measures have been taken to address the problems related to nutritional supplements in sport?

- [] Restrict availability
- [] Control of production
- [] Provide quality assurance
- [] Comprehensive labelling
- [] Limit advertising and promotion
- [X] Educational and informational measures
- [] Other, please specify:

33. Anti-doping research 

Has any anti-doping research been undertaken or supported?

- (X) Yes; your comment (optional)
- () Yes, to a limited extent; your comment (optional)
- () No; your comment (optional)

34. Areas of anti-doping research 

What are the areas of anti-doping research?

- [] Doping prevention
- [X] Detection methods
- [] Behavioural and social aspects of doping
- [] Health consequences of doping
- [] Physiological and psychological training programmes
- [] Emerging substances or methods
- [X] Alternative testing methods
- [] None
- [] Other; your comment (optional)

35. Publication of anti-doping research 

How many articles with the results of this research have been published in peer-reviewed scientific journals?

- [3] in 2019; your comment (optional)
- [] Data not available

36. International agreements 

Has your country signed any agreements with other Anti-Doping Organizations (ADOs) or agreements on anti-doping with any other organisation or State concerning the following:

	Yes or No; if applicable please explain or upload the document (below)
(a) Sharing of information	Yes
(b) Law enforcement cooperation	No
(c) Athlete Biological Passport sharing or coordination	Yes
(d) General cooperation	Yes

- [] Data not available

8. Funding of anti-doping program

What was your annual anti-doping budget for the 2019 calendar year?

Min numeric value allowed : 0

[4969952] amountCHFCurrency

[] Data not available

9. Funding sources

How is the anti-doping program funded? Please select all that apply and indicate an estimate in percentages:

[X] Government 54.9%

[] National Lottery program %

[X] National Olympic Committee (NOC) 38.3%

[] Other Sports Organization(s) %

[X] Fee for service 6.8%

[] Private %

[] Other %

10. Distribution of funding

What percentage of your annual anti-doping budget is put towards the following core programs?

[48] Testing (including equipment, transportation, Sample Collection Personnel (SCP) fees)

[17] Sample analysis

[13] Investigations

[10] Education

[2] Research

[6] Results Management/Legal

[4] Therapeutic Use Exemptions (TUEs)

[0] Other (e.g. remuneration, administration)

[] Data not available

11. Sport Budget

What amount has been allocated to the sport budget from the state budget for the year 2019?

[165700000] amountCHFcurrency

[] Data not available

12. Limiting public funding to organisations

Is public funding withheld from organisations that do not comply with anti-doping regulations and related legal instruments?

() Yes, all funding is withheld; your comment (optional)

(X) A limited amount of funding is withheld; your comment (optional)

() No financial implications; your comment (optional)

Information not available; your comment (optional)

13. Limitation of public funding of persons

Is sport-related financial assistance provided by public authorities withheld from banned athletes or athlete support personnel during the period of their suspension?

Yes, all funding is withheld; your comment (optional)

A limited amount of funding is withheld; your comment (optional)

No; your comment (optional)

Not applicable (no sport-related financial assistance is provided by public authorities to athletes or support personnel); your comment (optional)

Information not available; your comment (optional)

14. Testing programme

Does your country have a national testing programme?

Yes

No, please explain

15. Elements of the Testing Program

What elements of the testing program are implemented by the national anti-doping organisation?

Risk Assessment and Test Distribution Planning (TDP)

Registered Testing Pool

Random selection of athletes

Targeted selection of athletes

In-competition testing

Out-of-competition testing

No-advance notice testing

Blood testing

Athlete Biological Passport (ABP) modules

Other elements, please specify

If some elements are implemented by another body, please specify which body

16. Quality certificate

Is your NADO or part of its procedures certified according to a quality standard (such as ISO, iNADO or any other quality assurance system)?

Yes, please specify which standard, its scope and validity: ISO 9001:2015

In progress, please specify

No; your comment (optional)

17. NADO staff

Please outline below how many staff are involved in the coordination and management of your anti-doping programs.

Min numeric value allowed : 0

- [4] Staff full time
- [14] Staff part time
- [0] Volunteers
- [7] Committee members
- [] Data not available

18. Sample Collection Personnel

Do you have Sample Collection Personnel (SCP) ?

- (X) Yes
- () No, please explain

19. Number of DCOs and BCOs

How many Doping Control Officers (DCOs), Blood Control Officers (BCOs) and chaperones are in your sample collection personnel program?

Min numeric value allowed : 0

- [23] DCOs; your comment (optional)
- [11] BCOs; your comment (optional)
- [0] Chaperones; your comment (optional)
- [] Data not available

20. Laboratory

Is there a doping control laboratory in your country?

- [X] Yes, accredited by WADA
- [] Yes, but accreditation by WADA is pending
- [X] Accredited by WADA for athlete biological passport
- [] No, we send samples to the WADA accredited laboratories in: (city)
- [] Not available

21. Testing statistics

How many samples were collected under your national testing program in the year 2019?

Urine	Blood (including ABP)
-------	-----------------------

In-competition testing Min numeric value allowed : 0	673	9
Out-of-competition testing Min numeric value allowed : 0	1263	897

[] Data not available

22. Testing abroad

Did you test athletes under your authority who reside or train abroad (directly or by subcontracting another ADO)?

- (X) Yes; your comment (optional)
- () Not in 2019, but we have authorisation to do so; your comment (optional)
- () No, we do not have authorisation to do so; your comment (optional)

23. Disciplinary system

What are the disciplinary bodies for doping offences, i.e. the main body imposing sanctions on athletes and other persons?

	–	–
State authority	No	Yes
NADO	No	No
NOC	No	No
National sport federations	No	No
international sport federations	No	No
Independent disciplinary body	Yes	No
Professional associations	No	No
Other, please specify	No	No

24. Appeals system

What is the body handling appeals against disciplinary measures?

- () State authority; your comment (optional)
- () National sports federations; your comment (optional)
- () International sports federations; your comment (optional)
- () Independent court of arbitration; your comment (optional)
- (X) Court of Arbitration in Sport (CAS); your comment (optional)
- () Other, please specify :

25. Anti-doping rule violations (ADRV)

How many anti-doping rule violations cases were initiated in 2019 and how many of these initiated cases resulted in the imposition of a sanction?

	Initiated cases	Cases that resulted in a sanction	Cases that resulted in no sanction
Presence of a prohibited substance or its Metabolites or markers in an athlete's sample Min numeric value allowed : 0	6	6	0
Use or attempted use by an athlete of a Prohibited substance or a prohibited method Min numeric value allowed : 0	0	0	0
Evading, Refusing or Failing to Submit to Sample Collection Min numeric value allowed : 0	0	0	0
Whereabouts Failures Min numeric value allowed : 0	0	0	0
Tampering or attempted tampering with any part of doping control Min numeric value allowed : 0	0	0	0
Possession of prohibited substances and prohibited methods Min numeric value allowed : 0	0	0	0
Trafficking or attempted trafficking in any prohibited substance or prohibited method Min numeric value allowed : 0	0	0	0
Administration or attempted administration to any athlete of any Prohibited method or prohibited substance Min numeric value allowed : 0	0	0	0
Complicity Min numeric value allowed : 0	0	0	0
Prohibited Association Min numeric value allowed : 0	0	0	0

Data not available

26. Whereabouts failures

How many of the following whereabouts failures have you registered in 2019?

One missed test or filing failure

Any combination of two missed tests and/or filing failures

Data not available

27. Sanctions for doping trafficking

Are there specific penalties or sanctions for illegal circulation of doping substances, in addition to those regulating the movement of medicines and narcotics?

- Criminal penalties, please specify
- Financial penalties, please specify
- Administrative or civil sanctions, please specify
- Professional disciplinary actions, please specify Le code de déontologie de la Fédération des médecins Suisses FMH
- None of above, please explain
- Not available; your comment (optional)

28. Co-operation with law enforcement agencies

What measures have been taken to improve co-operation with law enforcement agencies in limiting illegal availability of doping substances?

- Law, please specify Federal Act on the Promotion of Sport and Exercise
- Agreement, please specify
- Ad hoc activities, please specify Exchange with cantonal and regional law enforcement authorities
- Other, please specify
- None; your comment (optional)

29. Statistics on doping trafficking

Do law enforcement agencies share data on the seizure of doping substances with the national anti-doping organisation:

- Yes, please specify how many seizures have been reported in 2019: 649
- No; your comment (optional)
- Other, please specify :

30. Organisation of anti-doping education

Which organisations are involved in coordinating and/or implementing anti-doping education programs?

- National anti-doping organisation
- Ministry responsible for sport
- Ministry responsible for education
- Ministry responsible for health
- Other governmental body
- National sport federations
- Regional/municipal sport organisations
- Universities
- Schools
- Sport clubs
- Other bodies

31. Anti-doping education themes

What types of anti-doping message are provided for different target groups?

	elite athletes	young athletes	recreational athletes	sports officials	coaches	medical personnel	school pupils	media	general public	other
National and International Anti-Doping Rules	[X]	[X]	[]	[X]	[X]	[X]	[]	[]	[]	[]

32. Nutritional supplements

What measures have been taken to address the problems related to nutritional supplements in sport?

- [] Restrict availability
- [] Control of production
- [] Provide quality assurance
- [] Comprehensive labelling
- [] Limit advertising and promotion
- [X] Educational and informational measures
- [] Other, please specify:

33. Anti-doping research 

Has any anti-doping research been undertaken or supported?

- Yes; your comment (optional)
- Yes, to a limited extent; your comment (optional)
- No; your comment (optional)

34. Areas of anti-doping research 

What are the areas of anti-doping research?

- Doping prevention
- Detection methods
- Behavioural and social aspects of doping
- Health consequences of doping
- Physiological and psychological training programmes
- Emerging substances or methods
- Alternative testing methods
- None
- Other; your comment (optional)

35. Publication of anti-doping research 

How many articles with the results of this research have been published in peer-reviewed scientific journals?

- 0 in 2019; your comment (optional)
- Data not available

36. International agreements 

Has your country signed any agreements with other Anti-Doping Organizations (ADOs) or agreements on anti-doping with any other organisation or State concerning the following:

	Yes or No; if applicable please explain or upload the document (below)
(a) Sharing of information	Yes
(b) Law enforcement cooperation	No
(c) Athlete Biological Passport sharing or coordination	Yes
(d) General cooperation	Yes

- Data not available

Implementation of anti-doping policies in 2019 - Tunisia

Questionnaire on implementation of anti-doping policies in 2019 0.1

Objective :

In order to implement the requirements of the Article 9 of the Anti-Doping Convention, the online annual questionnaire is ready for collection of data regarding anti-doping policies in 2019.

Instruction :

For detailed instructions please select the links to documentation at the top of the page.

In case you face any problems which would prevent you from filling in the questionnaire, please report it to us by e-mail sport.t-do@coe.int

You are kindly requested to fill in, save and post your country's data for 2019 before 30 April 2020.

Questions :

1. Number of Athletes

Please estimate the number of athletes in the following categories within your country:

international-level athletes (as defined by the World Anti-Doping Code)

Min numeric value allowed : 0

[4072] your comment (optional)

[] Data not available

national-level athletes (as defined by the World Anti-Doping Code)

Min numeric value allowed : 0

[157680] your comment (optional)

[] Data not available

other athletes (including recreational athletes)

Min numeric value allowed : 0

[171154] your comment (optional) il s'agit des adhérents des salles de sports privées

[] Data not available

number of athletes in your national Registered Testing Pool (as defined by the World Anti-Doping Code)

Min numeric value allowed : 0

[14] your comment (optional)

[] Data not available

number of athletes at the last Summer Olympic games

Min numeric value allowed : 0

[61] your comment (optional)

[] Data not available

number of athletes at the last Winter Olympic games

Min numeric value allowed : 0

[0] your comment (optional)

[] Data not available

number of athletes at the last Summer Paralympic games

Min numeric value allowed : 0

[31] your comment (optional)

[] Data not available

number of athletes at the last Winter Paralympic games

Min numeric value allowed : 0

[0] your comment (optional)

[] Data not available

2. Doping definition

What is the definition of "Doping in Sport" used in your country?

[] Council of Europe Anti-Doping Convention. Your comment (optional)

[] UNESCO International Convention against doping in sport. Your comment (optional)

[X] World Anti-Doping Code. Your comment (optional) Conformément à notre règlement antidopage propre à l'ANAD, qui se doit être conforme au Code

[] Other, please specify (e.g. national law) : Nous avons notre propre loi nationale dont la révision est en cours et qui est conforme au Code

3. Doping List

Which list of banned pharmacological classes of doping agents and doping methods (i.e. Prohibited List) is implemented in your country?

[X] Prohibited list, as adopted by the Executive Committee of WADA. Your comment (optional)

.....

[] List of banned pharmacological classes of doping agents and doping methods, as adopted by the Monitoring Group (TDO). Your comment (optional)

[X] Prohibited list, as adopted by the Conference of Parties of the International Convention against Doping in Sport (UNESCO) Your comment (optional)

[] Other, please specify :

4. Additional doping lists

For the purposes of restricting availability of doping substances are there other lists than those defined in question 4?

() Yes, please specify:

(X) No. Your comment (optional)

5. Anti-doping laws

Are there any anti-doping laws in your country?

[X] Anti-doping law. Your comment (optional) Loi n° 2007-54 du 8 août 2007, relative à la lutte contre le dopage dans le sport (en

cours de révision)

Other formal regulations, please specify:

No. Your comment (optional)

Attachments

8. Funding of anti-doping program

What was your annual anti-doping budget for the 2019 calendar year?

Min numeric value allowed : 0

[634134.013] amountDinar TunisienCurrency

Data not available

9. Funding sources

How is the anti-doping program funded? Please select all that apply and indicate an estimate in percentages:

- Government 100%
- National Lottery program %
- National Olympic Committee (NOC) %
- Other Sports Organization(s) %
- Fee for service %
- Private %
- Other %

10. Distribution of funding

What percentage of your annual anti-doping budget is put towards the following core programs?

- [24] Testing (including equipment, transportation, Sample Collection Personnel (SCP) fees)
- [25] Sample analysis
- [0] Investigations
- [11] Education
- [0] Research
- [0] Results Management/Legal
- [0] Therapeutic Use Exemptions (TUEs)
- [40] Other (e.g. remuneration, administration)
- [] Data not available

11. Sport Budget

What amount has been allocated to the sport budget from the state budget for the year 2019?

- [31303000] amount Dinar Tunisiencurrency
- [] Data not available

12. Limiting public funding to organisations

Is public funding withheld from organisations that do not comply with anti-doping regulations and related legal instruments?

- (X) Yes, all funding is withheld; your comment (optional)
- () A limited amount of funding is withheld; your comment (optional) Bien qu'aucune organisation sportive n'ait été dans ce genre de cas de figure pour le moment
- () No financial implications; your comment (optional)
- () Information not available; your comment (optional)

13. Limitation of public funding of persons

Is sport-related financial assistance provided by public authorities withheld from banned athletes or athlete support personnel during the period of their suspension?

- Yes, all funding is withheld; your comment (optional) L'ANAD s'assure que les autorités sportives lui retirent tout soutien financier
- A limited amount of funding is withheld; your comment (optional)
- No; your comment (optional)
- Not applicable (no sport-related financial assistance is provided by public authorities to athletes or support personnel); your comment (optional)
- Information not available; your comment (optional)
-

14. Testing programme

Does your country have a national testing programme?

- Yes
- No, please explain
-

15. Elements of the Testing Program

What elements of the testing program are implemented by the national anti-doping organisation?

- Risk Assessment and Test Distribution Planning (TDP)
- Registered Testing Pool
- Random selection of athletes
- Targeted selection of athletes
- In-competition testing
- Out-of-competition testing
- No-advance notice testing
- Blood testing
- Athlete Biological Passport (ABP) modules
- Other elements, please specify
- If some elements are implemented by another body, please specify which body
-

16. Quality certificate

Is your NADO or part of its procedures certified according to a quality standard (such as ISO, iNADO or any other quality assurance system)?

- Yes, please specify which standard, its scope and validity:
- In progress, please specify
- No; your comment (optional)
-

17. NADO staff

Please outline below how many staff are involved in the coordination and management of your anti-doping programs.

Min numeric value allowed : 0

- [22] Staff full time
- [29] Staff part time
- [0] Volunteers
- [24] Committee members
- [] Data not available

18. Sample Collection Personnel

Do you have Sample Collection Personnel (SCP) ?

- (X) Yes
- () No, please explain

19. Number of DCOs and BCOs

How many Doping Control Officers (DCOs), Blood Control Officers (BCOs) and chaperones are in your sample collection personnel program?

Min numeric value allowed : 0

- [7] DCOs; your comment (optional)
- [5] BCOs; your comment (optional)
- [12] Chaperones; your comment (optional)
- [] Data not available

20. Laboratory

Is there a doping control laboratory in your country?

- [] Yes, accredited by WADA
- [] Yes, but accreditation by WADA is pending
- [] Accredited by WADA for athlete biological passport
- [X] No, we send samples to the WADA accredited laboratories in: Barcelone (urine) - Paris (sang)(city)
- [] Not available

21. Testing statistics

How many samples were collected under your national testing program in the year 2019?

Urine	Blood (including ABP)
-------	-----------------------

In-competition testing Min numeric value allowed : 0	62	0
Out-of-competition testing Min numeric value allowed : 0	92	35

[] Data not available

22. Testing abroad

Did you test athletes under your authority who reside or train abroad (directly or by subcontracting another ADO)?

- () Yes; your comment (optional)
- (X) Not in 2019, but we have authorisation to do so; your comment (optional)
- () No, we do not have authorisation to do so; your comment (optional)

23. Disciplinary system

What are the disciplinary bodies for doping offences, i.e. the main body imposing sanctions on athletes and other persons?

	–	–
State authority	non	non
NADO	oui	oui
NOC	non	non
National sport federations	oui	oui
international sport federations	non	non
Independent disciplinary body	oui	oui
Professional associations	non	non
Other, please specify	non	non

24. Appeals system

What is the body handling appeals against disciplinary measures?

(X) State authority; your comment (optional) L'Agence Nationale Anti Dopage est l'autorité d'appel en cas de non conformité des sanctions prises par la fédération nationale (en première instance ou en appel) à travers une commission d'appel qui bénéficie d'une totale indépendance vis à vis de l'ANAD. Ses membres sont ni nommés ni payés par l'ANAD

- () National sports federations; your comment (optional)
- () International sports federations; your comment (optional)
- () Independent court of arbitration; your comment (optional)
- () Court of Arbitration in Sport (CAS); your comment (optional)
- () Other, please specify :

25. Anti-doping rule violations (ADRV)

How many anti-doping rule violations cases were initiated in 2019 and how many of these initiated cases resulted in the imposition of a sanction?

	Initiated cases	Cases that resulted in a sanction	Cases that resulted in no sanction
Presence of a prohibited substance or its Metabolites or markers in an athlete's sample Min numeric value allowed : 0	1	1	0
Use or attempted use by an athlete of a Prohibited substance or a prohibited method Min numeric value allowed : 0	0	0	0
Evading, Refusing or Failing to Submit to Sample Collection Min numeric value allowed : 0	3	1	0
Whereabouts Failures Min numeric value allowed : 0	0	0	0
Tampering or attempted tampering with any part of doping control Min numeric value allowed : 0	0	0	0
Possession of prohibited substances and prohibited methods Min numeric value allowed : 0	0	0	0
Trafficking or attempted trafficking in any prohibited substance or prohibited method Min numeric value allowed : 0	0	0	0
Administration or attempted administration to any athlete of any Prohibited method or prohibited substance Min numeric value allowed : 0	0	0	0
Complicity Min numeric value allowed : 0	0	0	0
Prohibited Association Min numeric value allowed : 0	1	0	0

Data not available

26. Whereabouts failures

How many of the following whereabouts failures have you registered in 2019?

One missed test or filing failure

Any combination of two missed tests and/or filing failures

Data not available

27. Sanctions for doping trafficking

Are there specific penalties or sanctions for illegal circulation of doping substances, in addition to those regulating the movement of medicines and narcotics?

- Criminal penalties, please specify
- Financial penalties, please specify sanction douanière
- Administrative or civil sanctions, please specify
- Professional disciplinary actions, please specify type retraits de licence ou d'autorisation d'import ou d'export
- None of above, please explain
- Not available; your comment (optional)

28. Co-operation with law enforcement agencies

What measures have been taken to improve co-operation with law enforcement agencies in limiting illegal availability of doping substances?

- Law, please specify
- Agreement, please specify Convention avec la Douane
- Ad hoc activities, please specify
- Other, please specify les forces de l'ordre ont été inclus au sein d'une plate forme nationale associant tous les acteurs de lutte contre le dopage
- None; your comment (optional)

29. Statistics on doping trafficking

Do law enforcement agencies share data on the seizure of doping substances with the national anti-doping organisation:

- Yes, please specify how many seizures have been reported in 2019:
- No; your comment (optional)
- Other, please specify :

30. Organisation of anti-doping education

Which organisations are involved in coordinating and/or implementing anti-doping education programs?

- National anti-doping organisation
- Ministry responsible for sport
- Ministry responsible for education
- Ministry responsible for health
- Other governmental body Commissariat Régional de la Jeunesse et des Sports
- National sport federations
- Regional/municipal sport organisations
- Universities
- Schools
- Sport clubs

32. Nutritional supplements

What measures have been taken to address the problems related to nutritional supplements in sport?

[X] Restrict availability

[X] Control of production

[] Provide quality assurance

[X] Comprehensive labelling

[] Limit advertising and promotion

[X] Educational and informational measures

Other, please specify:

33. Anti-doping research ●

Has any anti-doping research been undertaken or supported?

- Yes; your comment (optional)
- Yes, to a limited extent; your comment (optional)
- No; your comment (optional)

34. Areas of anti-doping research ●

What are the areas of anti-doping research?

- Doping prevention
- Detection methods
- Behavioural and social aspects of doping
- Health consequences of doping
- Physiological and psychological training programmes
- Emerging substances or methods
- Alternative testing methods
- None
- Other; your comment (optional) L'usage des compléments alimentaires

35. Publication of anti-doping research ●

How many articles with the results of this research have been published in peer-reviewed scientific journals?

- 0 in 2019; your comment (optional)
- Data not available

36. International agreements ●

Has your country signed any agreements with other Anti-Doping Organizations (ADOs) or agreements on anti-doping with any other organisation or State concerning the following:

	Yes or No; if applicable please explain or upload the document (below)
(a) Sharing of information	oui, avec les FI dans le cadre du groupe cible et autres OAD (la Mauritanie, la Lybie)
(b) Law enforcement cooperation	oui, mise en place d'une plateforme nationale
(c) Athlete Biological Passport sharing or coordination	non
(d) General cooperation	oui, avec l'ORAD zone I et les OAD (OAD de la Lybie dans le cadre d'une formation des ACD) et les Fédérations Nationales

Anti-Doping Questionnaire

Implementation of anti-doping policies in 2019 - Turkey

Questionnaire on implementation of anti-doping policies in 2019 0.1

Objective :

In order to implement the requirements of the Article 9 of the Anti-Doping Convention, the online annual questionnaire is ready for collection of data regarding anti-doping policies in 2019.

Instruction :

For detailed instructions please select the links to documentation at the top of the page.

In case you face any problems which would prevent you from filling in the questionnaire, please report it to us by e-mail sport.t-do@coe.int

You are kindly requested to fill in, save and post your country's data for 2019 before 30 April 2020.

Questions :

1. Number of Athletes

Please estimate the number of athletes in the following categories within your country:

international-level athletes (as defined by the World Anti-Doping Code)

Min numeric value allowed : 0

[650] your comment (optional)

[] Data not available

national-level athletes (as defined by the World Anti-Doping Code)

Min numeric value allowed : 0

[16500] your comment (optional)

[] Data not available

other athletes (including recreational athletes)

Min numeric value allowed : 0

[765200] your comment (optional)

[] Data not available

number of athletes in your national Registered Testing Pool (as defined by the World Anti-Doping Code)

Min numeric value allowed : 0

[95] your comment (optional)

[] Data not available

number of athletes at the last Summer Olympic games

Min numeric value allowed : 0

[103] your comment (optional)

[] Data not available

number of athletes at the last Winter Olympic games

Min numeric value allowed : 0

[8] your comment (optional)

[] Data not available

number of athletes at the last Summer Paralympic games

Min numeric value allowed : 0

[78] your comment (optional)

[] Data not available

number of athletes at the last Winter Paralympic games

Min numeric value allowed : 0

[1] your comment (optional)

[] Data not available

2. Doping definition 

What is the definition of "Doping in Sport" used in your country?

[] Council of Europe Anti-Doping Convention. Your comment (optional)

[] UNESCO International Convention against doping in sport. Your comment (optional)

[X] World Anti-Doping Code. Your comment (optional)

[] Other, please specify (e.g. national law) :

3. Doping List 

Which list of banned pharmacological classes of doping agents and doping methods (i.e. Prohibited List) is implemented in your country?

[X] Prohibited list, as adopted by the Executive Committee of WADA. Your comment (optional)

.....

[] List of banned pharmacological classes of doping agents and doping methods, as adopted by the Monitoring Group (TDO). Your comment (optional)

[] Prohibited list, as adopted by the Conference of Parties of the International Convention against Doping in Sport (UNESCO) Your comment (optional)

[] Other, please specify :

4. Additional doping lists 

For the purposes of restricting availability of doping substances are there other lists than those defined in question 4?

() Yes, please specify:

(X) No. Your comment (optional)

5. Anti-doping laws 

Are there any anti-doping laws in your country?

[] Anti-doping law. Your comment (optional)

Other formal regulations, please specify:

No. Your comment (optional)

6. National anti-doping organisation (NADO)

What is the legal status of your national anti-doping organisation? Please upload the statutes, if possible

Public authority. Your comment (optional)

Non-governmental organisation. Your comment (optional)

Private company. Your comment (optional)

National Olympic Committee. Your comment (optional)

Other, please specify :

7. NADO activities

Which of the activities below are conducted by your national anti-doping organisation? Please upload the organisational chart, if possible

	Yes. Your comment (optional)	No, please specify which organisation is in charge:
Co-ordination of action by public authorities	<input checked="" type="checkbox"/>	<input type="checkbox"/>
Coordination of the fight against trafficking	<input type="checkbox"/>	<input checked="" type="checkbox"/> Ministry of Interior & Ministry of Customs
Testing (doping control)	<input checked="" type="checkbox"/>	<input type="checkbox"/>
Results management	<input checked="" type="checkbox"/>	<input type="checkbox"/>
Disciplinary procedures	<input type="checkbox"/>	<input checked="" type="checkbox"/> National Sports Federations
Education and/or information	<input checked="" type="checkbox"/>	<input type="checkbox"/>
Research	<input type="checkbox"/>	<input checked="" type="checkbox"/> Ankara University Anti-Doping Research Center

8. Funding of anti-doping program

What was your annual anti-doping budget for the 2019 calendar year?

Min numeric value allowed : 0

[20000000] amountTLCurrency

Data not available

9. Funding sources

How is the anti-doping program funded? Please select all that apply and indicate an estimate in percentages:

Government100%

National Lottery program %

- National Olympic Committee (NOC) %
- Other Sports Organization(s) %
- Fee for service %
- Private %
- Other %

10. Distribution of funding ●

What percentage of your annual anti-doping budget is put towards the following core programs?

- [27] Testing (including equipment, transportation, Sample Collection Personnel (SCP) fees)
- [35] Sample analysis
- [0] Investigations
- [2] Education
- [0] Research
- [1] Results Management/Legal
- [2] Therapeutic Use Exemptions (TUEs)
- [33] Other (e.g. remuneration, administration)
- [] Data not available

11. Sport Budget ●

What amount has been allocated to the sport budget from the state budget for the year 2019?

- [1647468100] amountTLcurrency
- [] Data not available

12. Limiting public funding to organisations ●

Is public funding withheld from organisations that do not comply with anti-doping regulations and related legal instruments?

- () Yes, all funding is withheld; your comment (optional)
- () A limited amount of funding is withheld; your comment (optional)
- (X) No financial implications; your comment (optional)
- () Information not available; your comment (optional)

13. Limitation of public funding of persons ●

Is sport-related financial assistance provided by public authorities withheld from banned athletes or athlete support personnel during the period of their suspension?

- (X) Yes, all funding is withheld; your comment (optional)
- () A limited amount of funding is withheld; your comment (optional)

No; your comment (optional)

Not applicable (no sport-related financial assistance is provided by public authorities to athletes or support personnel); your comment (optional)

Information not available; your comment (optional)

14. Testing programme

Does your country have a national testing programme?

Yes

No, please explain

15. Elements of the Testing Program

What elements of the testing program are implemented by the national anti-doping organisation?

Risk Assessment and Test Distribution Planning (TDP)

Registered Testing Pool

Random selection of athletes

Targeted selection of athletes

In-competition testing

Out-of-competition testing

No-advance notice testing

Blood testing

Athlete Biological Passport (ABP) modules

Other elements, please specify

If some elements are implemented by another body, please specify which body

16. Quality certificate

Is your NADO or part of its procedures certified according to a quality standard (such as ISO, iNADO or any other quality assurance system)?

Yes, please specify which standard, its scope and validity:

In progress, please specify Preparations for the ISO9001 certification is in progress

No; your comment (optional)

17. NADO staff

Please outline below how many staff are involved in the coordination and management of your anti-doping programs.

Min numeric value allowed : 0

Staff full time

Staff part time

Volunteers

[7] Committee members

[] Data not available

18. Sample Collection Personnel ●

Do you have Sample Collection Personnel (SCP) ?

(X) Yes

() No, please explain

19. Number of DCOs and BCOs ●

How many Doping Control Officers (DCOs), Blood Control Officers (BCOs) and chaperones are in your sample collection personnel program?

Min numeric value allowed : 0

[99] DCOs; your comment (optional)

[27] BCOs; your comment (optional)

[308] Chaperones; your comment (optional)

[] Data not available

20. Laboratory ●

Is there a doping control laboratory in your country?

[X] Yes, accredited by WADA

[] Yes, but accreditation by WADA is pending

[] Accredited by WADA for athlete biological passport

[] No, we send samples to the WADA accredited laboratories in: (city)

[] Not available

21. Testing statistics ●

How many samples were collected under your national testing program in the year 2019?

	Urine	Blood (including ABP)
In-competition testing Min numeric value allowed : 0	1901	112
Out-of-competition testing Min numeric value allowed : 0	1117	292

[] Data not available

22. Testing abroad ●

Did you test athletes under your authority who reside or train abroad (directly or by subcontracting another ADO)?

(X) Yes; your comment (optional)

- () Not in 2019, but we have authorisation to do so; your comment (optional)
- () No, we do not have authorisation to do so; your comment (optional)

23. Disciplinary system

What are the disciplinary bodies for doping offences, i.e. the main body imposing sanctions on athletes and other persons?

	–	–
State authority	no	no
NADO	no	no
NOC	no	no
National sport federations	yes	yes
international sport federations	yes	yes
Independent disciplinary body	no	no
Professional associations	no	no
Other, please specify	no	no

24. Appeals system

What is the body handling appeals against disciplinary measures?

- (X) State authority; your comment (optional)
- () National sports federations; your comment (optional)
- () International sports federations; your comment (optional)
- () Independent court of arbitration; your comment (optional)
- () Court of Arbitration in Sport (CAS); your comment (optional)
- () Other, please specify :

25. Anti-doping rule violations (ADRV)

How many anti-doping rule violations cases were initiated in 2019 and how many of these initiated cases resulted in the imposition of a sanction?

	Initiated cases	Cases that resulted in a sanction	Cases that resulted in no sanction
Presence of a prohibited substance or its Metabolites or markers in an athlete's sample Min numeric value allowed : 0	42	35	0

Use or attempted use by an athlete of a Prohibited substance or a prohibited method Min numeric value allowed : 0	2	1	0
Evading, Refusing or Failing to Submit to Sample Collection Min numeric value allowed : 0	8	7	0
Whereabouts Failures Min numeric value allowed : 0	2	0	0
Tampering or attempted tampering with any part of doping control Min numeric value allowed : 0	1	0	0
Possession of prohibited substances and prohibited methods Min numeric value allowed : 0	0	0	0
Trafficking or attempted trafficking in any prohibited substance or prohibited method Min numeric value allowed : 0	0	0	0
Administration or attempted administration to any athlete of any Prohibited method or prohibited substance Min numeric value allowed : 0	0	0	0
Complicity Min numeric value allowed : 0	0	0	0
Prohibited Association Min numeric value allowed : 0	0	0	0

Data not available

26. Whereabouts failures

How many of the following whereabouts failures have you registered in 2019?

[31] One missed test or filing failure

[11] Any combination of two missed tests and/or filing failures

Data not available

27. Sanctions for doping trafficking

Are there specific penalties or sanctions for illegal circulation of doping substances, in addition to those regulating the movement of medicines and narcotics?

Criminal penalties, please specify

Financial penalties, please specify

Administrative or civil sanctions, please specify

Professional disciplinary actions, please specify

None of above, please explain

[X] Not available; your comment (optional)

28. Co-operation with law enforcement agencies

What measures have been taken to improve co-operation with law enforcement agencies in limiting illegal availability of doping substances?

- Law, please specify preparations for the national anti-doping legislation is in progress
- Agreement, please specify
- Ad hoc activities, please specify information exchange on a case by case basis
- Other, please specify training of customs officers on how to identify prohibited substances
- None; your comment (optional)

29. Statistics on doping trafficking

Do law enforcement agencies share data on the seizure of doping substances with the national anti-doping organisation:

- Yes, please specify how many seizures have been reported in 2019:
- No; your comment (optional)
- Other, please specify :

30. Organisation of anti-doping education

Which organisations are involved in coordinating and/or implementing anti-doping education programs?

- National anti-doping organisation
- Ministry responsible for sport
- Ministry responsible for education
- Ministry responsible for health
- Other governmental body
- National sport federations
- Regional/municipal sport organisations
- Universities
- Schools
- Sport clubs
- Other bodies

31. Anti-doping education themes

What types of anti-doping message are provided for different target groups?

	elite athletes	young athletes	recreational athletes	sports officials	coaches	medical personnel	school pupils	media	general public	other
National and International Anti-Doping Rules	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/> university students

32. Nutritional supplements

What measures have been taken to address the problems related to nutritional supplements in sport?

- Restrict availability
- Control of production
- Provide quality assurance
- Comprehensive labelling
- Limit advertising and promotion
- Educational and informational measures
- Other, please specify:

33. Anti-doping research

Has any anti-doping research been undertaken or supported?

- Yes; your comment (optional)
- Yes, to a limited extent; your comment (optional)
- No; your comment (optional)

34. Areas of anti-doping research

What are the areas of anti-doping research?

- Doping prevention
- Detection methods
- Behavioural and social aspects of doping
- Health consequences of doping
- Physiological and psychological training programmes
- Emerging substances or methods
- Alternative testing methods
- None
- Other; your comment (optional) Athletes' knowledge and attitudes about doping

35. Publication of anti-doping research

How many articles with the results of this research have been published in peer-reviewed scientific journals?

- 3 in 2019; your comment (optional)
- Data not available

36. International agreements

Has your country signed any agreements with other Anti-Doping Organizations (ADOs) or agreements on anti-doping with any other organisation or State concerning the following:

	Yes or No; if applicable please explain or upload the document (below)
(a) Sharing of information	Yes, Reciprocal Sample Collection Service Partnership Agreement between TADC & RUSADA.
(b) Law enforcement cooperation	No
(c) Athlete Biological Passport sharing or coordination	Yes, Renewal of the Consultancy Agreement between TADC & Nordic APMU.
(d) General cooperation	Yes, Cooperation Agreement between TADC & NADO of Moldova & NADO of Turkmenistan.

Min numeric value allowed : 0

[169] your comment (optional)

Data not available

number of athletes at the last Winter Paralympic games

Min numeric value allowed : 0

[30] your comment (optional)

[] Data not available

2. Doping definition

What is the definition of "Doping in Sport" used in your country?

[] Council of Europe Anti-Doping Convention. Your comment (optional)

[] UNESCO International Convention against doping in sport. Your comment (optional)

[X] World Anti-Doping Code. Your comment (optional)

[] Other, please specify (e.g. national law) :

3. Doping List

Which list of banned pharmacological classes of doping agents and doping methods (i.e. Prohibited List) is implemented in your country?

[X] Prohibited list, as adopted by the Executive Committee of WADA. Your comment (optional)

.....

[] List of banned pharmacological classes of doping agents and doping methods, as adopted by the Monitoring Group (TDO). Your comment (optional)

[] Prohibited list, as adopted by the Conference of Parties of the International Convention against Doping in Sport (UNESCO) Your comment (optional)

[] Other, please specify :

4. Additional doping lists

For the purposes of restricting availability of doping substances are there other lists than those defined in question 4?

() Yes, please specify:

(X) No. Your comment (optional)

5. Anti-doping laws

Are there any anti-doping laws in your country?

[X] Anti-doping law. Your comment (optional)

[] Other formal regulations, please specify:

[] No. Your comment (optional)

6. National anti-doping organisation (NADO)

What is the legal status of your national anti-doping organisation? Please upload the statutes, if possible

(X) Public authority. Your comment (optional)

() Non-governmental organisation. Your comment (optional)

() Private company. Your comment (optional)

() National Olympic Committee. Your comment (optional)

() Other, please specify :

7. NADO activities

Which of the activities below are conducted by your national anti-doping organisation? Please upload the organisational chart, if possible

	Yes. Your comment (optional)	No, please specify which organisation is in charge:
Co-ordination of action by public authorities	()	(X) Ministry of Youth and Sport
Coordination of the fight against trafficking	()	(X) Security service of Ukraine
Testing (doping control)	(X)	()
Results management	(X)	()
Disciplinary procedures	(X)	()
Education and/or information	(X)	()
Research	(X)	()

8. Funding of anti-doping program

What was your annual anti-doping budget for the 2019 calendar year?

Min numeric value allowed : 0

[1065000] amountEuroCurrency

[] Data not available

9. Funding sources

How is the anti-doping program funded? Please select all that apply and indicate an estimate in percentages:

[X] Government 100%

[] National Lottery program %

[] National Olympic Committee (NOC) %

[] Other Sports Organization(s) %

[] Fee for service %

[] Private %

[] Other %

10. Distribution of funding

What percentage of your annual anti-doping budget is put towards the following core programs?

[22.6] Testing (including equipment, transportation, Sample Collection Personnel (SCP) fees)

[38.3] Sample analysis

[0.1] Investigations

[1.8] Education

[0] Research

[0.2] Results Management/Legal

[0.1] Therapeutic Use Exemptions (TUEs)

[36.9] Other (e.g. remuneration, administration)

[] Data not available

11. Sport Budget

What amount has been allocated to the sport budget from the state budget for the year 2019?

[98000000] amounteurocurrency

[] Data not available

12. Limiting public funding to organisations

Is public funding withheld from organisations that do not comply with anti-doping regulations and related legal instruments?

() Yes, all funding is withheld; your comment (optional)

() A limited amount of funding is withheld; your comment (optional)

() No financial implications; your comment (optional)

(X) Information not available; your comment (optional)

13. Limitation of public funding of persons

Is sport-related financial assistance provided by public authorities withheld from banned athletes or athlete support personnel during the period of their suspension?

(X) Yes, all funding is withheld; your comment (optional)

() A limited amount of funding is withheld; your comment (optional)

() No; your comment (optional)

() Not applicable (no sport-related financial assistance is provided by public authorities to athletes or support personnel); your comment (optional)

() Information not available; your comment (optional)

14. Testing programme

Does your country have a national testing programme?

(X) Yes

() No, please explain

15. Elements of the Testing Program

What elements of the testing program are implemented by the national anti-doping organisation?

- Risk Assessment and Test Distribution Planning (TDP)
- Registered Testing Pool
- Random selection of athletes
- Targeted selection of athletes
- In-competition testing
- Out-of-competition testing
- No-advance notice testing
- Blood testing
- Athlete Biological Passport (ABP) modules
- Other elements, please specify
- If some elements are implemented by another body, please specify which body

16. Quality certificate

Is your NADO or part of its procedures certified according to a quality standard (such as ISO, iNADO or any other quality assurance system)?

- Yes, please specify which standard, its scope and validity:
- In progress, please specify
- No; your comment (optional)

17. NADO staff

Please outline below how many staff are involved in the coordination and management of your anti-doping programs.

Min numeric value allowed : 0

- Staff full time
- Staff part time
- Volunteers
- Committee members
- Data not available

18. Sample Collection Personnel

Do you have Sample Collection Personnel (SCP) ?

- Yes
- No, please explain

19. Number of DCOs and BCOs

How many Doping Control Officers (DCOs), Blood Control Officers (BCOs) and chaperones are in your sample collection personnel program?

Min numeric value allowed : 0

[20] DCOs; your comment (optional)

[4] BCOs; your comment (optional)

[4] Chaperones; your comment (optional)

[] Data not available

20. Laboratory 

Is there a doping control laboratory in your country?

[] Yes, accredited by WADA

[] Yes, but accreditation by WADA is pending

[] Accredited by WADA for athlete biological passport

[X] No, we send samples to the WADA accredited laboratories in: Warsaw, Seibersdorf, Cologne(city)

[] Not available

21. Testing statistics 

How many samples were collected under your national testing program in the year 2019?

	Urine	Blood (including ABP)
In-competition testing Min numeric value allowed : 0	975	203
Out-of-competition testing Min numeric value allowed : 0	1071	199

[] Data not available

22. Testing abroad 

Did you test athletes under your authority who reside or train abroad (directly or by subcontracting another ADO)?

() Yes; your comment (optional)

(X) Not in 2019, but we have authorisation to do so; your comment (optional)

() No, we do not have authorisation to do so; your comment (optional)

23. Disciplinary system 

What are the disciplinary bodies for doping offences, i.e. the main body imposing sanctions on athletes and other persons?

	–	–
State authority	no	no

NADO	yes	yes
NOC	no	no
National sport federations	no	no
international sport federations	no	no
Independent disciplinary body	yes	yes
Professional associations	no	no
Other, please specify	no	no

24. Appeals system

What is the body handling appeals against disciplinary measures?

- () State authority; your comment (optional)
- () National sports federations; your comment (optional)
- () International sports federations; your comment (optional)
- () Independent court of arbitration; your comment (optional)
- () Court of Arbitration in Sport (CAS); your comment (optional)
- (X) Other, please specify : National Appeal Body - Appeal Anti-Doping Commission

25. Anti-doping rule violations (ADRV)

How many anti-doping rule violations cases were initiated in 2019 and how many of these initiated cases resulted in the imposition of a sanction?

	Initiated cases	Cases that resulted in a sanction	Cases that resulted in no sanction
Presence of a prohibited substance or its Metabolites or markers in an athlete's sample Min numeric value allowed : 0	45	32	1
Use or attempted use by an athlete of a Prohibited substance or a prohibited method Min numeric value allowed : 0	0	0	0
Evading, Refusing or Failing to Submit to Sample Collection Min numeric value allowed : 0	1	0	0
Whereabouts Failures Min numeric value allowed : 0	0	0	0
Tampering or attempted tampering with any part of doping control Min numeric value allowed : 0	0	0	0

Possession of prohibited substances and prohibited methods Min numeric value allowed : 0	0	0	0
Trafficking or attempted trafficking in any prohibited substance or prohibited method Min numeric value allowed : 0	0	0	0
Administration or attempted administration to any athlete of any Prohibited method or prohibited substance Min numeric value allowed : 0	0	0	0
Complicity Min numeric value allowed : 0	0	0	0
Prohibited Association Min numeric value allowed : 0	0	0	0

Data not available

26. Whereabouts failures

How many of the following whereabouts failures have you registered in 2019?

- One missed test or filing failure
- Any combination of two missed tests and/or filing failures
- Data not available

27. Sanctions for doping trafficking

Are there specific penalties or sanctions for illegal circulation of doping substances, in addition to those regulating the movement of medicines and narcotics?

- Criminal penalties, please specify
- Financial penalties, please specify
- Administrative or civil sanctions, please specify
- Professional disciplinary actions, please specify
- None of above, please explain
- Not available; your comment (optional)

28. Co-operation with law enforcement agencies

What measures have been taken to improve co-operation with law enforcement agencies in limiting illegal availability of doping substances?

- Law, please specify Draf Law on Anti-Doping Activity in Sport
- Agreement, please specify
- Ad hoc activities, please specify
- Other, please specify
- None; your comment (optional)

29. Statistics on doping trafficking

Do law enforcement agencies share data on the seizure of doping substances with the national anti-doping organisation:

() Yes, please specify how many seizures have been reported in 2019:

(X) No; your comment (optional)

() Other, please specify :

30. Organisation of anti-doping education

Which organisations are involved in coordinating and/or implementing anti-doping education programs?

[X] National anti-doping organisation

[X] Ministry responsible for sport

[X] Ministry responsible for education

[] Ministry responsible for health

[] Other governmental body

[X] National sport federations

[X] Regional/municipal sport organisations

[X] Universities

[] Schools

[] Sport clubs

[] Other bodies

31. Anti-doping education themes

What types of anti-doping message are provided for different target groups?

32. Nutritional supplements 

What measures have been taken to address the problems related to nutritional supplements in sport?

- Restrict availability
- Control of production
- Provide quality assurance
- Comprehensive labelling
- Limit advertising and promotion
- Educational and informational measures
- Other, please specify:

33. Anti-doping research 

Has any anti-doping research been undertaken or supported?

- Yes; your comment (optional)
- Yes, to a limited extent; your comment (optional)
- No; your comment (optional)

34. Areas of anti-doping research 

What are the areas of anti-doping research?

- Doping prevention
- Detection methods
- Behavioural and social aspects of doping
- Health consequences of doping
- Physiological and psychological training programmes
- Emerging substances or methods
- Alternative testing methods
- None

[] Other; your comment (optional)

35. Publication of anti-doping research

How many articles with the results of this research have been published in peer-reviewed scientific journals?

[] in 2019; your comment (optional)

[X] Data not available

36. International agreements

Has your country signed any agreements with other Anti-Doping Organizations (ADOs) or agreements on anti-doping with any other organisation or State concerning the following:

	Yes or No; if applicable please explain or upload the document (below)
(a) Sharing of information	Yes
(b) Law enforcement cooperation	No
(c) Athlete Biological Passport sharing or coordination	Yes
(d) General cooperation	Yes

[] Data not available

CONSEIL DE L'EUROPE

ADQ

Anti-Doping Questionnaire

Implementation of anti-doping policies in 2019 - United Kingdom of Great Britain and Northern Ireland

Questionnaire on implementation of anti-doping policies in 2019 0.1

Objective :

In order to implement the requirements of the Article 9 of the Anti-Doping Convention, the online annual questionnaire is ready for collection of data regarding anti-doping policies in 2019.

Instruction :

For detailed instructions please select the links to documentation at the top of the page.

In case you face any problems which would prevent you from filling in the questionnaire, please report it to us by e-mail sport.t-do@coe.int

You are kindly requested to fill in, save and post your country's data for 2019 before 30 April 2020.

Questions :

1. Number of Athletes

Please estimate the number of athletes in the following categories within your country:

international-level athletes (as defined by the World Anti-Doping Code)

Min numeric value allowed : 0

[] your comment (optional)

[X] Data not available

national-level athletes (as defined by the World Anti-Doping Code)

Min numeric value allowed : 0

[] your comment (optional)

[X] Data not available

other athletes (including recreational athletes)

Min numeric value allowed : 0

[] your comment (optional)

[X] Data not available

number of athletes in your national Registered Testing Pool (as defined by the World Anti-Doping Code)

Min numeric value allowed : 0

[268] your comment (optional) and 314 in the DTP

[] Data not available

number of athletes at the last Summer Olympic games

Min numeric value allowed : 0

[366] your comment (optional)

[] Data not available

number of athletes at the last Winter Olympic games

Min numeric value allowed : 0

[56] your comment (optional)

[] Data not available

number of athletes at the last Summer Paralympic games

Min numeric value allowed : 0

[265] your comment (optional)

[] Data not available

number of athletes at the last Winter Paralympic games

Min numeric value allowed : 0

[12] your comment (optional)

[] Data not available

2. Doping definition

What is the definition of "Doping in Sport" used in your country?

[] Council of Europe Anti-Doping Convention. Your comment (optional)

[] UNESCO International Convention against doping in sport. Your comment (optional)

[X] World Anti-Doping Code. Your comment (optional)

[] Other, please specify (e.g. national law) :

3. Doping List

Which list of banned pharmacological classes of doping agents and doping methods (i.e. Prohibited List) is implemented in your country?

Prohibited list, as adopted by the Executive Committee of WADA. Your comment (optional)

.....

List of banned pharmacological classes of doping agents and doping methods, as adopted by the Monitoring Group (TDO). Your comment (optional)

Prohibited list, as adopted by the Conference of Parties of the International Convention against Doping in Sport (UNESCO) Your comment (optional)

Other, please specify :

4. Additional doping lists

For the purposes of restricting availability of doping substances are there other lists than those defined in question 4?

Yes, please specify:

No. Your comment (optional)

5. Anti-doping laws

Are there any anti-doping laws in your country?

Anti-doping law. Your comment (optional)

Other formal regulations, please specify:

No. Your comment (optional) There are criminal laws that apply to some aspects of dealing with steroids eg selling or supplying them to others. There is no specific criminal law for doping in sport, which is covered by UKAD's anti-doping rules and sports' own rules. These rules are legally-binding contracts

6. National anti-doping organisation (NADO)

What is the legal status of your national anti-doping organisation? Please upload the statutes, if possible

Public authority. Your comment (optional)

Non-governmental organisation. Your comment (optional)

Private company. Your comment (optional)

National Olympic Committee. Your comment (optional)

Other, please specify : Public Arm's-length Body; the parent organisation is The Department for Digital, Culture, Media and Sport.

7. NADO activities

Which of the activities below are conducted by your national anti-doping organisation? Please upload the organisational chart, if possible

	Yes. Your comment (optional)	No, please specify which organisation is in charge:
Co-ordination of action by public authorities	()	(X) Department for Digital, Culture, Media and Sport
Coordination of the fight against trafficking	()	(X) National Crime Agency
Testing (doping control)	(X)	()
Results management	(X)	()
Disciplinary procedures	(X) The National Anti-Doping Panel decides cases where charges are contested	() National Anti-Doping Panel adjures over charges brought by UKAD
Education and/or information	(X)	()
Research	()	(X) Education Sector

8. Funding of anti-doping program

What was your annual anti-doping budget for the 2019 calendar year?

Min numeric value allowed : 0

[11812000] amountGBPCurrency

[] Data not available

9. Funding sources

How is the anti-doping program funded? Please select all that apply and indicate an estimate in percentages:

[] Government74%

[] National Lottery program0%

[] National Olympic Committee (NOC)0%

[] Other Sports Organization(s)0%

[] Fee for service26%

[] Private0%

[] Other0%

10. Distribution of funding

What percentage of your annual anti-doping budget is put towards the following core programs?

[29] Testing (including equipment, transportation, Sample Collection Personnel (SCP) fees)

[15] Sample analysis

[4] Investigations

[12] Education

[1] Research

[11] Results Management/Legal

[2] Therapeutic Use Exemptions (TUEs)

[26] Other (e.g. remuneration, administration)

[] Data not available

11. Sport Budget

What amount has been allocated to the sport budget from the state budget for the year 2019?

[] amount currency

[X] Data not available

12. Limiting public funding to organisations

Is public funding withheld from organisations that do not comply with anti-doping regulations and related legal instruments?

(X) Yes, all funding is withheld; your comment (optional)

() A limited amount of funding is withheld; your comment (optional)

() No financial implications; your comment (optional)

() Information not available; your comment (optional)

13. Limitation of public funding of persons

Is sport-related financial assistance provided by public authorities withheld from banned athletes or athlete support personnel during the period of their suspension?

(X) Yes, all funding is withheld; your comment (optional)

() A limited amount of funding is withheld; your comment (optional)

() No; your comment (optional)

() Not applicable (no sport-related financial assistance is provided by public authorities to athletes or support personnel); your comment (optional)

() Information not available; your comment (optional)

14. Testing programme

Does your country have a national testing programme?

(X) Yes

() No, please explain

15. Elements of the Testing Program

What elements of the testing program are implemented by the national anti-doping organisation?

[X] Risk Assessment and Test Distribution Planning (TDP)

[X] Registered Testing Pool

- Random selection of athletes
- Targeted selection of athletes
- In-competition testing
- Out-of-competition testing
- No-advance notice testing
- Blood testing
- Athlete Biological Passport (ABP) modules
- Other elements, please specify Sample Tank
- If some elements are implemented by another body, please specify which body

16. Quality certificate

Is your NADO or part of its procedures certified according to a quality standard (such as ISO, iNADO or any other quality assurance system)?

- Yes, please specify which standard, its scope and validity: ISO9001:2015 and ISO27001:2013
- In progress, please specify
- No; your comment (optional)

17. NADO staff

Please outline below how many staff are involved in the coordination and management of your anti-doping programs.

Min numeric value allowed : 0

- Staff full time
- Staff part time
- Volunteers
- Committee members
- Data not available

18. Sample Collection Personnel

Do you have Sample Collection Personnel (SCP) ?

- Yes
- No, please explain

19. Number of DCOs and BCOs

How many Doping Control Officers (DCOs), Blood Control Officers (BCOs) and chaperones are in your sample collection personnel program?

Min numeric value allowed : 0

- DCOs; your comment (optional)
- BCOs; your comment (optional)

[92] Chaperones; your comment (optional)

[] Data not available

20. Laboratory

Is there a doping control laboratory in your country?

Yes, accredited by WADA

Yes, but accreditation by WADA is pending

Accredited by WADA for athlete biological passport

No, we send samples to the WADA accredited laboratories in: (city)

Not available

21. Testing statistics

How many samples were collected under your national testing program in the year 2019?

	Urine	Blood (including ABP)
In-competition testing Min numeric value allowed : 0	2542	88
Out-of-competition testing Min numeric value allowed : 0	7024	2153

[] Data not available

22. Testing abroad

Did you test athletes under your authority who reside or train abroad (directly or by subcontracting another ADO)?

Yes; your comment (optional)

Not in 2019, but we have authorisation to do so; your comment (optional)

No, we do not have authorisation to do so; your comment (optional)

23. Disciplinary system

What are the disciplinary bodies for doping offences, i.e. the main body imposing sanctions on athletes and other persons?

	–	–
State authority	No	No
NADO	Yes	Yes
NOC	No	No
National sport federations	Yes	Yes
international sport federations	No	No

Independent disciplinary body	Yes	Yes
Professional associations	Yes	Yes
Other, please specify	No	No

24. Appeals system

What is the body handling appeals against disciplinary measures?

State authority; your comment (optional)

National sports federations; your comment (optional)

International sports federations; your comment (optional)

Independent court of arbitration; your comment (optional)

Court of Arbitration in Sport (CAS); your comment (optional)

Other, please specify : NSF - Where the NSF is the Results Management Authority; CAS - International level athletes; National Anti-Doping Panel - National level athletes

25. Anti-doping rule violations (ADRV)

How many anti-doping rule violations cases were initiated in 2019 and how many of these initiated cases resulted in the imposition of a sanction?

	Initiated cases	Cases that resulted in a sanction	Cases that resulted in no sanction
Presence of a prohibited substance or its Metabolites or markers in an athlete's sample Min numeric value allowed : 0	29	17	2
Use or attempted use by an athlete of a Prohibited substance or a prohibited method Min numeric value allowed : 0	1	0	0
Evading, Refusing or Failing to Submit to Sample Collection Min numeric value allowed : 0	4	2	0
Whereabouts Failures Min numeric value allowed : 0	0	0	0
Tampering or attempted tampering with any part of doping control Min numeric value allowed : 0	3	2	0
Possession of prohibited substances and prohibited methods Min numeric value allowed : 0	0	0	0
Trafficking or attempted trafficking in any prohibited substance or prohibited method Min numeric value allowed : 0	0	0	0

Administration or attempted administration to any athlete of any Prohibited method or prohibited substance Min numeric value allowed : 0	0	0	0
Complicity Min numeric value allowed : 0	1	0	0
Prohibited Association Min numeric value allowed : 0	0	0	0

Data not available

26. Whereabouts failures

How many of the following whereabouts failures have you registered in 2019?

51 One missed test or filing failure

9 Any combination of two missed tests and/or filing failures

Data not available

27. Sanctions for doping trafficking

Are there specific penalties or sanctions for illegal circulation of doping substances, in addition to those regulating the movement of medicines and narcotics?

Criminal penalties, please specify Personal importation, possession and use of steroids is legal but there are criminal penalties for offences such as supplying steroids to others, or possessing or importing them in order to supply or sell to others. Applicable criminal penalties include a maximum of 14 years' imprisonment

Financial penalties, please specify

Administrative or civil sanctions, please specify

Professional disciplinary actions, please specify

None of above, please explain There is no law in place to regulate illegal circulation of doping substances.

Not available; your comment (optional)

28. Co-operation with law enforcement agencies

What measures have been taken to improve co-operation with law enforcement agencies in limiting illegal availability of doping substances?

Law, please specify Misuse of drugs Act 1971, Medicines Act 1968, The Human Medicines Regulations 2012 (SI 2012 /1916), Importation - Section 170(1) of the Customs and Excise Management Act 1979 (CEMA), Confiscation Order – Proceeds of Crime Act (POCA) 2002

Agreement, please specify MOUs with: NCA, MHRA, UKBF

Ad hoc activities, please specify Government Agency Intelligence Network (GAIN) membership, Government National Investigation Group membership, Interpol partnership working, numerous police contacts in main police forces in the UK

Other, please specify

None; your comment (optional)

29. Statistics on doping trafficking

Do law enforcement agencies share data on the seizure of doping substances with the national anti-doping organisation:

Yes, please specify how many seizures have been reported in 2019: 292

No; your comment (optional)

Other, please specify :

30. Organisation of anti-doping education

Which organisations are involved in coordinating and/or implementing anti-doping education programs?

National anti-doping organisation

Ministry responsible for sport

Ministry responsible for education

Ministry responsible for health

Other governmental body

National sport federations

Regional/municipal sport organisations

Universities

Schools

Sport clubs

Other bodies

31. Anti-doping education themes

What types of anti-doping message are provided for different target groups?

	elite athletes	young athletes	recreational athletes	sports officials	coaches	medical personnel	school pupils	media	general public	other

32. Nutritional supplements

What measures have been taken to address the problems related to nutritional supplements in sport?

- Restrict availability
- Control of production
- Provide quality assurance
- Comprehensive labelling
- Limit advertising and promotion
- Educational and informational measures
- Other, please specify:

33. Anti-doping research

Has any anti-doping research been undertaken or supported?

- Yes; your comment (optional)
- Yes, to a limited extent; your comment (optional)
- No; your comment (optional)

34. Areas of anti-doping research

What are the areas of anti-doping research?

- Doping prevention
- Detection methods
- Behavioural and social aspects of doping
- Health consequences of doping
- Physiological and psychological training programmes
- Emerging substances or methods
- Alternative testing methods
- None

Other; your comment (optional)

35. Publication of anti-doping research

How many articles with the results of this research have been published in peer-reviewed scientific journals?

in 2019; your comment (optional)

Data not available

36. International agreements

Has your country signed any agreements with other Anti-Doping Organizations (ADOs) or agreements on anti-doping with any other organisation or State concerning the following:

	Yes or No; if applicable please explain or upload the document (below)
(a) Sharing of information	Yes
(b) Law enforcement cooperation	Yes
(c) Athlete Biological Passport sharing or coordination	Yes
(d) General cooperation	Yes

Data not available
