ADQ Anti-Doping Questionnaire

Implementation of anti-doping policies in 2018 - Armenia

Implementation of anti-doping policies in 2018 0.2

Objective:

In order to implement the requirements of the Article 9 of the Anti-Doping Convention, the online annual questionnaire is ready for collection of data regarding anti-doping policies in 2018.

In case you face any problems which would prevent you from filling in the questionnaire, please report it to us by e-mail sport.t-do@coe.int

You are kindly requested to fill in, save and post your country's data for 2018 before 31 May 2019.

Instruction:

For detailed instructions please select the links to documentation at the top of the page

Questions:

1. Number of Athletes

Please estimate the	number of athletes	s in the followir	g categories	within yo	ur country:

number of athletes at the last Summer Olympic games

[35] your comment (optional)

Min numeric value allowed: 0

[] Data not available

international-level athletes (as defined by the World Anti-Doping Code) Min numeric value allowed: 0
[378] your comment (optional)

8. Funding of anti-doping program

What was your annual anti-doping budget for the 2018 calendar year?

Min numeric value allowed: 0

[7500000] amountAMDCurrency

[] Data not available
9. Funding sources
How is the anti-doping program funded? Please select all that apply and indicate an estimate in percentages:
[X] Government90%
[] National Lottery program %
[X] National Olympic Committee (NOC)10%
[] Other Sports Organization(s) %
[] Fee for service %
[] Private%
[] Other %
10. Distribution of funding
What percentage of your annual anti-doping budget is put towards the following core programs?
[30] Testing (including equipment, transportation, Sample Collection Personnel (SCP) fees)
[50] Sample analysis
[2] Investigations
[15] Education
[2] Results Management/Legal
[1] Therapeutic Use Exemptions (TUEs)
[0] Other (e.g. remuneration, administration)
[] Data not available
11. Sport Budget
What amount has been allocated to the sport budget from the state budget for the year 2018?
[X] Data not available
12. Limiting public funding to organisations
Is public funding withheld from organisations that do not comply with anti-doping regulations and related legal instruments
(X) Yes, all funding is withheld; your comment (optional) Th funding use for additional testing
() A limited amount of funding is withheld; your comment (optional)
() No financial implications; your comment (optional)
() Information not available; your comment (optional)

13. Limitation of public funding of persons

10. 2
Is sport-related financial assistance provided by public authorities withheld from banned athletes or athlete support personne during the period of their suspension?
(X) Yes, all funding is withheld; your comment (optional)All financial aid from the state is suspended
() A limited amount of funding is withheld; your comment (optional)
() No; your comment (optional)
() Not applicable (no sport-related financial assistance is provided by public authorities to athletes or support personnel); your omment (optional)
() Information not available; your comment (optional)
14. Testing programme
Does your country have a national testing programme?
(X)Yes
() No, please explain
15. Elements of the Testing Program
What elements of the testing program are implemented by the national anti-doping organisation?
[X] Risk Assessment and Test Distribution Planning (TDP)
[X] Registered Testing Pool
[X] Random selection of athletes
[X] Targeted selection of athletes
[X] In-competition testing
[X] Out-of-competition testing
[X] No-advance notice testing
[X] Blood testing
[X] Athlete Biological Passport (ABP) modules
[] Other elements, please specify
[] If some elements are implemented by another body, please specify which body
16. Quality certificate
Is your NADO or part of its procedures certified according to a quality standard (such as ISO, iNADO or any other quality assurance system)?
() Yes, please specify which standard, its scope and validity:

17. NADO staff

(\boldsymbol{X}) In progress, please specifyThe ISO certification planned on $2020\,$

() No; your comment (optional)

Please outline below how many staff are involved in the coordination and management of your anti-doping programs.

Min numeric value allowed: 0		
[3] Staff full time		
[2] Staff part time		
[0] Volunteers		
[1] Committee members [] Data not available		
18. Sample Collection Personnel		
Do you have Sample Collection Personnel (SCP) ?		
(X) Yes		
() No, please explain		
19. Number of DCOs and BCOs		
How many Doping Control Officers (DCOs), Blood Conte personnel program? Min numeric value allowed: 0 [4] DCOs; your comment (optional)		chaperones are in your sample collection
[2] BCOs; your comment (optional)		
[5] Chaperones; your comment (optional)		
20. Laboratory		
Is there a doping control laboratory in your country?		
[] Yes, accredited by WADA		
[] Yes, but accreditation by WADA is pending		
[] Accredited by WADA for athlete biological passport		
[X] No, we send samples to the WADA accredited laborator	ries in:Seibersdorf(city)	
[] Not available		
21. Testing statistics		
How many samples were collected under your national test	sting program in the yea	r 2018?
	Urine	Blood (including ABP)
In-competition testing	26	0

Min numeric value allowed: 0

Out-of-competition testing Min numeric value allowed: 0		6	10

20. Laboratory				
s there a doping control laboratory	in your country?			
[X] Yes, accredited by WADA				
[] Yes, but accreditation by WAD.	A is pending			
[] Accredited by WADA for athlet	te biological passpo	ort		
[] No, we send samples to the WA	DA accredited labor	oratories in:	(city)	
[] Not available				
21. Testing statistics				
How many samples were collected	under your nation	al testing program in the	year 2018?	
		Urine	Blood (including A	ABP)
In-competition testing Min numeric value allowed: 0		944	16	
Out-of-competition testing Min numeric value allowed: 0		1276	572	
[] Data not available				
22. Testing abroad				
Did you test athletes under your aut	hority who reside	or train abroad (directly	or by subcontracting another ADO	O)?
(X) Yes; your comment (optional).				
() Not in 2018, but we have author	risation to do so; yo	our comment (optional)		
() No, we do not have authorisatio	n to do so; your co	mment (optional)		
23. Disciplinary system				
What are the disciplinary bodies for	doping offences,	i.e. the main body impos	sing sanctions on athletes and other	er persons?
	_		_	
State authority	no		no	
NADO	no		no	
NOC	no		no	
National sport federations	yes		yes	

international sport federations	yes	yes
Independent disciplinary body	yes	yes
Professional associations	no	no
Other, please specify	no	no

24. <i>A</i>	Appeals	system
--------------	---------	--------

Wha	at is the body handling appeals against disciplinary measures?
() State authority; your comment (optional)
() National sports federations; your comment (optional)
() International sports federations; your comment (optional)
() Independent court of arbitration; your comment (optional)

(X) Court of Arbitration in Sport (CAS); your comment (optional)

25. Anti-doping rule violations (ADRV)

() Other, please specify:

How many anti-doping rule violations cases were initiated during the reporting period and how many of these initiated cases resulted in the imposition of a sanction?

	Initiated cases	Cases that resulted in a sanction	Cases that resulted in no sanction
Presence of a prohibited substance or its	15	16	0
Metabolites or markers in an athlete's sample Min numeric value allowed: 0

Anti-Doping Questionnaire

Implementation of anti-doping policies in 2018 - Azerbaijan

Implementation of anti-doping policies in 2018 0.2

Objective:

In order to implement the requirements of the Article 9 of the Anti-Doping Convention, the online annual questionnaire is ready for collection of data regarding anti-doping policies in 2018.

In case you face any problems which would prevent you from filling in the questionnaire, please report it to us by e-mail sport.t-do@coe.int

You are kindly requested to fill in, save and post your country's data for 2018 before 31 May 2019.

Instruction:

For detailed instructions please select the links to documentation at the top of the page

Questions:

1. Number of Athletes

Please estimate the number of athletes in the following categories within your country:

n your country:

international-level athletes (as defined by the World Anti-Doping Code) Min numeric value allowed: 0
[1200] your comment (optional)
[] Data not available
national-level athletes (as defined by the World Anti-Doping Code) Min numeric value allowed: 0
[3200] your comment (optional)
other athletes (including recreational athletes) Min numeric value allowed: 0
[] your comment (optional)
number of athletes in your national Registered Testing Pool (as defined by the World Anti-Doping Code) Min numeric value allowed: 0
[62] your comment (optional)
number of athletes at the last Summer Olympic games Min numeric value allowed: 0
[56] your comment (optional)
number of athletes at the last Winter Olympic games Min numeric value allowed: 0
[1] your comment (optional)
number of athletes at the last Summer Paralympic games Min numeric value allowed: 0
[25] your comment (optional)
number of athletes at the last Winter Paralympic games Min numeric value allowed: 0
[0] your comment (optional)
2. Doping definition
What is the definition of "Doping in Sport" used in your country?
[X] Council of Europe Anti-Doping Convention. Your comment (optional)
[X] UNESCO International Convention against doping in sport. Your comment (optional)
[X] World Anti-Doping Code. Your comment (optional)
[X] Other, please specify (e.g. national law): The Law of the Republic of Azerbaijan "On the fight against use of doping substa

and methods in sport"

3. Doping List
Which list of banned pharmacological classes of doping agents and doping methods (i.e. Prohibited List) is implemented in your country?
[X] Prohibited list, as adopted by the Executive Committee of WADA. Your comment (optional)
[X] List of banned pharmacological classes of doping agents and doping methods, as adopted by the Monitoring Group (TDO). Your comment (optional)
[X] Prohibited list, as adopted by the Conference of Parties of the International Convention against Doping in Sport (UNESCO) You comment (optional)
[] Other, please specify:
4. Additional doping lists
For the purposes of restricting availability of doping substances are there other lists than those defined in question 4?
(X) Yes, please specify: "On the approval of the list of strongly influencing substances and their large quantities, as well as the toxic substances"
() No. Your comment (optional)
5. Anti-doping laws
Are there any anti-doping laws in your country?
[X] Anti-doping law. Your comment (optional)The Law of the Republic of Azerbaijan "On the fight against use of doping substance and methods in sport"
[] Other formal regulations, please specify:
[] No. Your comment (optional)
6. National anti-doping organisation (NADO)
What is the legal status of your national anti-doping organisation? Please upload the statutes, if possible
(X) Public authority. Your comment (optional) Azerbaijan National Anti-Doping Agency (AMADA)
() Non-governmental organisation. Your comment (optional)
() Private company. Your comment (optional)
() National Olympic Committee. Your comment (optional)
() Other, please specify:
7. NADO activities
Which of the activities below are conducted by your national anti-doping organisation? Please upload the organisational chart, if possible

Yes. Your comment (optional)

No, please specify which organisation is in charge:

Co-ordination of action by public authorities	(X)	()
Coordination of the fight against trafficking	(X)	()
Testing (doping control)	(X)	()
Results management	(X)	()
Disciplinary procedures	()	(X) Independent disciplinary and appeal bodies
Education and/or information	(X)	()
Research	(X)	()
8. Funding of anti-doping program What was your annual anti-doping budget for the 2018 of Min numeric value allowed: 0 [1800000] amountAZNCurrency [] Data not available	calendar year?	
9. Funding sourcesHow is the anti-doping program funded? Please select a[X] Government86.1%	ll that apply and indicate	e an estimate in percentages:
[X] National Lottery program6.4%		
National Olympic Committee (NOC) Other Sports Organization(s)		
[X] Fee for service7.5%	70	
[] Private%		
[] Other %		
10. Distribution of funding		
What percentage of your annual anti-doping budget is p	ut towards the following	core programs?
[16] Testing (including equipment, transportation, Sampl	e Collection Personnel (SC	CP) fees)
[25] Sample analysis		
[4] Investigations		
[23] Education		
[5] Results Management/Legal		
[3] Therapeutic Use Exemptions (TUEs)		

[24] Other (e.g. red	muneration, administration)
11. Sport Budget	•
What amount has bee	en allocated to the sport budget from the state budget for the year 2018?
[] amo	untcurrency
12. Limiting public	funding to organisations
Is public funding wit	hheld from organisations that do not comply with anti-doping regulations and related legal instruments
(X) Yes, all funding	g is withheld; your comment (optional)
() A limited amou	nt of funding is withheld; your comment (optional)
() No financial im	plications; your comment (optional)
() Information not	available; your comment (optional)
13. Limitation of p	ublic funding of persons
Is sport-related finan during the period of	cial assistance provided by public authorities withheld from banned athletes or athlete support personne their suspension?
(X) Yes, all funding	g is withheld; your comment (optional)
() A limited amou	nt of funding is withheld; your comment (optional)
() No; your comm	ent (optional)
	(no sport-related financial assistance is provided by public authorities to athletes or support personnel); your
() Information not	available; your comment (optional)
14. Testing program	nme
Does your country ha	ave a national testing programme?
(X) Yes	
() No, please expl	ain
15. Elements of the	Testing Program
What elements of the	e testing program are implemented by the national anti-doping organisation?
[X] Risk Assessme	nt and Test Distribution Planning (TDP)
[X] Registered Tes	ting Pool
[X] Random selecti	on of athletes
[X] Targeted select	ion of athletes
[X] In-competition	testing

[X] Out-of-competition testing
[X] No-advance notice testing
[X] Blood testing
[X] Athlete Biological Passport (ABP) modules
[] Other elements, please specify
[] If some elements are implemented by another body, please specify which body
16. Quality certificate
Is your NADO or part of its procedures certified according to a quality standard (such as ISO, iNADO or any other quality assurance system)?
(X) Yes, please specify which standard, its scope and validity: ISO 9001:2015
() In progress, please specify
() No; your comment (optional)
17. NADO staff
Please outline below how many staff are involved in the coordination and management of your anti-doping programs. Min numeric value allowed: 0
[19] Staff full time
[47] Staff part time
[0] Volunteers
[16] Committee members
[] Data not available
18. Sample Collection Personnel
Do you have Sample Collection Personnel (SCP) ?
(X)Yes
() No, please explain
19. Number of DCOs and BCOs
How many Doping Control Officers (DCOs), Blood Control Officers (BCOs) and chaperones are in your sample collection
personnel program? Min numeric value allowed: 0
[21] DCOs; your comment (optional)
[6] BCOs; your comment (optional)
[16] Chaperones; your comment (optional)

20. Laboratory				
Is there a doping control laboratory in y	your country?			
[] Yes, accredited by WADA				
[] Yes, but accreditation by WADA is	pending			
[] Accredited by WADA for athlete bi	ological passport			
[X] No, we send samples to the WADA	accredited laboratories	in:Cologne(city)		
[] Not available				
21. Testing statistics				
How many samples were collected und	er your national testin	g program in the year	r 2018?	
		Urine		Blood (including ABP)
In-competition testing Min numeric value allowed: 0		374		3
Out-of-competition testing Min numeric value allowed: 0		485		229
[] Data not available				
22. Testing abroad				
Did you test athletes under your author	ity who reside or train	abroad (directly or b	y subcont	racting another ADO)?
(X) Yes; your comment (optional)				
() Not in 2018, but we have authorisat	ion to do so; your comm	ent (optional)		
() No, we do not have authorisation to	do so; your comment (o	ptional)		
23. Disciplinary system				
What are the disciplinary bodies for do	ping offences, i.e. the	main body imposing	sanctions	on athletes and other persons
	_		_	
State authority	no		no	
NADO	yes		yes	
NOC	no		no	
National sport federations	no		no	
international sport federations	yes		yes	
Independent disciplinary body	yes		yes	
Professional associations	no		no	

Other, please specify	no		
24. Appeals system			•
What is the body handling appe	als against disciplinary measur	es?	
() State authority; your comm	ent (optional)		
() National sports federations	; your comment (optional)		

() International sports federations; your comment (optional)

() Independent court of arbitration; your comment (optional)

(X) Other, please specify: Independent appeal body (Appellation Committee)

() Court of Arbitration in Sport (CAS); your comment (optional)

25. Anti-doping rule violations (ADRV)

How many anti-doping rule violations cases were initiated during the reporting period and how many of these initiated cases resulted in the imposition of a sanction?

ADQ Anti-Doping Questionnaire

Implementation of anti-doping policies in 2018 - Belarus

Implementation of anti-doping policies in 2018 0.2

Objective:

In order to implement the requirements of the Article 9 of the Anti-Doping Convention, the online annual questionnaire is ready for collection of data regarding anti-doping policies in 2018.

In case you face any problems which would prevent you from filling in the questionnaire, please report it to us by e-mail sport.t-do@coe.int

You are kindly requested to fill in, save and post your country's data for 2018 before 31 May 2019.

Instruction:

For detailed instructions please select the links to documentation at the top of the page

Questions:

1. Number of Athletes

Please estimate the number of athletes in the following categories within your country:

international-level athletes (as defined by the World Anti-Doping Code)

Min numeric value allowed: 0

[800] your comment (optional)

[] Data not available

national-level athletes (as defined by the World Anti-Doping Code)

Min numeric value allowed: 0

[3910] your comment (optional)
other athletes (including recreational athletes) Min numeric value allowed: 0
[27000] your comment (optional)
number of athletes in your national Registered Testing Pool (as defined by the World Anti-Doping Code) Min numeric value allowed: 0
[61] your comment (optional)
number of athletes at the last Summer Olympic games Min numeric value allowed: 0
[200] your comment (optional)
[] Data not available
number of athletes at the last Winter Olympic games Min numeric value allowed: 0
[32] your comment (optional)
number of athletes at the last Summer Paralympic games Min numeric value allowed: 0
[15] your comment (optional)
number of athletes at the last Winter Paralympic games Min numeric value allowed: 0
[20] your comment (optional)
[] Data not available
2. Doping definition
What is the definition of "Doping in Sport" used in your country?
[] Council of Europe Anti-Doping Convention. Your comment (optional)
[] UNESCO International Convention against doping in sport. Your comment (optional)
[X] World Anti-Doping Code. Your comment (optional)
[] Other, please specify (e.g. national law):
3. Doping List
Which list of banned pharmacological classes of doping agents and doping methods (i.e. Prohibited List) is implemented i your country?
[X] Prohibited list, as adopted by the Executive Committee of WADA. Your comment (optional)
[] List of banned pharmacological classes of doping agents and doping methods, as adopted by the Monitoring Group (TDO). You

comment (optional)		
[] Prohibited list, as adopted by the Conference of Parties of	the International Convention ag	gainst Doping in Sport (UNESCO) You
comment (optional)		
[] Other, please specify:		
4. Additional doping lists		•
For the purposes of restricting availability of doping substa	nces are there other lists than	those defined in question 4?
() Yes, please specify:		
(X) No. Your comment (optional)		
5. Anti-doping laws		•
Are there any anti-doping laws in your country?		
[] Anti-doping law. Your comment (optional)		
[X] Other formal regulations, please specify: Provisions in Pl	nysical Culture and Sport Act o	f the Republic of Belarus; The Anti-
loping Regulation Policy of the Republic of Belarus; Decree of the	-	Belarus N 201 on fighting Doping in
Sport, 2018 which establishes the main aspects of additional respo	-	
[] No. Your comment (optional)		
6. National anti-doping organisation (NADO)		•
What is the legal status of your national anti-doping organis	sation? Please upload the stat	sutes, if possible
() Public authority. Your comment (optional)		
() Non-governmental organisation. Your comment (optional)	
() Private company. Your comment (optional)		
() National Olympic Committee. Your comment (optional) .		
(X) Other, please specify : Governmental Institution, Indepen	dent Legal Entity	
7. NADO activities		•
Which of the activities below are conducted by your nation chart, if possible	al anti-doping organisation?	Please upload the organisational
	Yes. Your comment	No, please specify which

	Yes. Your comment (optional)	No, please specify which organisation is in charge:
Co-ordination of action by public authorities	(X) Intergovernmental Anti-Doping Coordination Board under the Council of Ministers of the Republic of Belarus	()
Coordination of the fight against trafficking	(X) Intergovernmental Anti-Doping Coordination Board under the Council of Ministers of the Republic of Belarus in cooperation with the Ministry of Internal Affairs and State Customs Committee	()

Testing (doping control)	(X)	()
Results management	(X)	()
Disciplinary procedures	(X) Disciplinary Anti- Doping Panel	()
Education and/or information	(X)	()
Research	()	(X) The National Anti- Doping Laboratory
8. Funding of anti-doping program		•
What was your annual anti-doping budget for the 2018 Min numeric value allowed: 0	8 calendar year?	
[1205911] amountBYNCurrency [] Data not available		
9. Funding sources		•
How is the anti-doping program funded? Please select [X] Government74%	all that apply and indicate an estim	nate in percentages:
[] National Lottery program	%	
[] National Olympic Committee (NOC)	%	
[] Other Sports Organization(s)	%	
[X] Fee for service23%		
[] Private %		
[X] Other3%		
10. Distribution of funding		•
What percentage of your annual anti-doping budget is	put towards the following core pro	grams?
[23] Testing (including equipment, transportation, Sam	ple Collection Personnel (SCP) fees)	
[58] Sample analysis		
[2] Investigations		
[7] Education		
[0.5] Results Management/Legal		
[0.5] Therapeutic Use Exemptions (TUEs)		
[9] Other (e.g. remuneration, administration)		

11. Sport Budget
What amount has been allocated to the sport budget from the state budget for the year 2018?
[520000090] amountBYNcurrency
[] Data not available
12. Limiting public funding to organisations
Is public funding withheld from organisations that do not comply with anti-doping regulations and related legal instruments
() Yes, all funding is withheld; your comment (optional)
(X) A limited amount of funding is withheld; your comment (optional)
() No financial implications; your comment (optional)
() Information not available; your comment (optional)
13. Limitation of public funding of persons
Is sport-related financial assistance provided by public authorities withheld from banned athletes or athlete support personned during the period of their suspension?
(X) Yes, all funding is withheld; your comment (optional)
() A limited amount of funding is withheld; your comment (optional)
() No; your comment (optional)
() Not applicable (no sport-related financial assistance is provided by public authorities to athletes or support personnel); your comment (optional)
() Information not available; your comment (optional)
14. Testing programme
Does your country have a national testing programme?
(X)Yes
() No, please explain
15. Elements of the Testing Program
What elements of the testing program are implemented by the national anti-doping organisation?
[X] Risk Assessment and Test Distribution Planning (TDP)
[X] Registered Testing Pool
[X] Random selection of athletes
[X] Targeted selection of athletes
[X] In-competition testing
[X] Out-of-competition testing
[X] No-advance notice testing
[X] Blood testing

[X] Athlete Biological Passport (ABP) modules
[] Other elements, please specify
[] If some elements are implemented by another body, please specify which body
16. Quality certificate
Is your NADO or part of its procedures certified according to a quality standard (such as ISO, iNADO or any other quality
assurance system)?
(X) Yes, please specify which standard, its scope and validity: ISO 9001, Quality Management System, valid until 24.10.2020
() In progress, please specify
() No; your comment (optional)
17. NADO staff
Please outline below how many staff are involved in the coordination and management of your anti-doping programs. Min numeric value allowed : 0
[14] Staff full time
[5] Staff part time
[12] Volunteers
[10] Committee members
[] Data not available
18. Sample Collection Personnel
Do you have Sample Collection Personnel (SCP) ?
(X) Yes
() No, please explain
19. Number of DCOs and BCOs
How many Doping Control Officers (DCOs), Blood Control Officers (BCOs) and chaperones are in your sample collection
personnel program? Min numeric value allowed: 0
[16] DCOs; your comment (optional)
[11] BCOs; your comment (optional)
[15] Chaperones; your comment (optional)
[] Data not available
20. Laboratory
Is there a doping control laboratory in your country?

[] Yes, accredited by WADA

[] Yes, but accreditation by WADA	is pending				
[] Accredited by WADA for athlete	biological passport				
[X] No, we send samples to the WAI	OA accredited laborat	ories in:Warsaw, Dresden	, Seiberdorf(city)	
[] Not available					
21. Testing statistics					
How many samples were collected u	nder your national t	esting program in the ye	ear 2018?		
		Urine		Blood (including ABP)	
In-competition testing Min numeric value allowed: 0		356		58	
Out-of-competition testing Min numeric value allowed: 0		602		170	
[] Data not available					
22. Testing abroad					
Did you test athletes under your auth	ority who reside or	train abroad (directly or	by subcont	racting another ADO)?	
(X) Yes; your comment (optional)					
() Not in 2018, but we have authoris	sation to do so; your o	comment (optional)			
() No, we do not have authorisation	to do so; your comme	ent (optional)	•••••		
23. Disciplinary system					
What are the disciplinary bodies for o	doping offences, i.e	. the main body imposir	ng sanctions	on athletes and other persons	
	_		_		
State authority	yes		yes	yes	
NADO	yes		yes		
NOC	no		no		
National sport federations	no		no		
international sport federations	yes		yes		
Independent disciplinary body	yes		yes		
Professional associations	no		no		
Other, please specify	no		no		
	I		I		

24. Appeals system

Wh	at is the body handling appeals against disciplinary measures?
() State authority; your comment (optional)
() National sports federations; your comment (optional)
() International sports federations; your comment (optional)
	X) Independent court of arbitration; your comment (optional)Sport Arbitration Court under the Republic Assosiation "Belarusian of Lawyers"
() Court of Arbitration in Sport (CAS); your comment (optional)
() Other, please specify:

25. Anti-doping rule violations (ADRV)

How many anti-doping rule violations cases were initiated during the reporting period and how many of these initiated cases resulted in the imposition of a sanction?

	Initiated cases	Cases that resulted in a sanction	Cases that resulted in no sanction
Presence of a prohibited substance or its Metabolites or markers in an athlete's sample Min numeric value allowed: 0	11	11	0
Use or attempted use by an athlete of a Prohibited substance or a prohibited method Min numeric value allowed: 0	2	2	0
Evading, Refusing or Failing to Submit to Sample Collection Min numeric value allowed: 0	0	0	0
Whereabouts Failures Min numeric value allowed: 0	0	0	0
Tampering or attempted tampering with any part of doping control Min numeric value allowed: 0	0	0	0
Possession of prohibited substances and prohibited methods Min numeric value allowed: 0	0	0	0
Trafficking or attempted trafficking in any prohibited substance or prohibited method Min numeric value allowed: 0	0	0	0
Administration or attempted administration to any athlete of any Prohibited method or prohibited substance Min numeric value allowed: 0	1	1	0
Complicity Min numeric value allowed: 0	0	0	0
Prohibited Association Min numeric value allowed: 0	0	0	0

^[] Data not available

26. Whereabouts failures
How many of the following whereabouts failures have you registered?
[9] One missed test or filing failure
[1] Any combination of two missed tests and/or filing failures [] Data not available
27. Sanctions for doping trafficking
Are there specific penalties or sanctions for illegal circulation of doping substances, in addition to those regulating the movement of medicines and narcotics?
[] Criminal penalties, please specify
[] Financial penalties, please specify
[] Administrative or civil sanctions, please specify
[] Professional disciplinary actions, please specify
[X] None of above, please explain
[] Not available; your comment (optional)
28. Co-operation with law enforcement agencies What measures have been taken to improve co-operation with law enforcement agencies in limiting illegal availability of
doping substances?
[] Law, please specify
[] Agreement, please specify
[] Ad hoc activities, please specify
[X] Other, please specify contacting within the framework of Itergovernmental Coordination Anti-Doping Council [] None; your comment (optional)
29. Statistics on doping trafficking
Do law enforcement agencies share data on the seizure of doping substances with the national anti-doping organisation:
() Yes, please specify how many seizures have been reported:
() No; your comment (optional)
(X) Other, please specify : not on regular basis
30. Organisation of anti-doping education
Which organisations are involved in coordinating and/or implementing anti-doping education programs?
[X] National anti-doping organisation
[X] Ministry responsible for sport

[X] Ministry responsible for education

[] Other bodies	
[] Sport clubs	
[] Schools	
[X] Universities	
[] Regional/municipal sport organisations	
[X] National sport federations	
[] Other governmental body	
[X] Ministry responsible for health	

31. Anti-doping education themes

What types of anti-doping message are provided for different target groups?

32. Nutritional supplements

What measures have been taken to address the problems related to nutritional supplements in sport?
[] Restrict availability
[] Control of production
[X] Provide quality assurance
[X] Comprehensive labelling
[] Limit advertising and promotion
[X] Educational and informational measures
[] Other, please specify:
33. Anti-doping research
Has any anti-doping research been undertaken or supported?
(X) Yes; your comment (optional)
() Yes, to a limited extent; your comment (optional)
() No; your comment (optional)
34. Areas of anti-doping research
What are the areas of anti-doping research?
[] Doping prevention
[X] Detection methods
[] Behavioural and social aspects of doping
[] Health consequences of doping
[] Physiological and psychological training programmes
[] Emerging substances or methods
[] Alternative testing methods
[] None
Other; your comment (optional)
35. Publication of anti-doping research
How many articles with the results of this research have been published in peer-reviewed scientific journals?
[1] in 2018; your comment (optional)Yu.Yu. Kozyrkov, D.Yu. Shostko, S.A. Beliaev /Isomers of halodrol: synthesis and partial
reduction to form A-ring of a long-term metabolite of dehydrochloromethyl-testosterone (oral turinabol) // Chemical Paper. – 2018.
73(3). – P.731-736. [] Data not available
36. International agreements

Has your country signed any agreements with other Anti-Doping Organizations (ADOs) or agreements on anti-doping with

any other organisation or State concerning the following:

	Yes or No; if applicable please explain or upload the document (below)
(a) Sharing of information	no
(b) Law enforcement cooperation	no
(c) Athlete Biological Passport sharing or coordination	yes
(d) General cooperation	yes

[] Data not available

Anti-Doping Questionnaire

Implementation of anti-doping policies in 2018 - Belgium

Implementation of anti-doping policies in 2018 0.2

Objective:

In order to implement the requirements of the Article 9 of the Anti-Doping Convention, the online annual questionnaire is ready for collection of data regarding anti-doping policies in 2018.

In case you face any problems which would prevent you from filling in the questionnaire, please report it to us by e-mail sport.t-do@coe.int

You are kindly requested to fill in, save and post your country's data for 2018 before 31 May 2019.

Instruction:

For detailed instructions please select the links to documentation at the top of the page

Questions:

1. Number of Athletes

Please estimate the number of athletes in the following categories within your country:

international-level athletes (as defined by the World Anti-Doping Code)

Min numeric value allowed: 0

[0] your comment (optional)

[X] Data not available

national-level athletes (as defined by the World Anti-Doping Code)

[1183] your comment (optional)
other athletes (including recreational athletes) Min numeric value allowed: 0 [2196171] your comment (optional)
Min numeric value allowed: 0 [2196171] your comment (optional)
number of athletes in your national Registered Testing Pool (as defined by the World Anti-Doping Code) Min numeric value allowed: 0 [117] your comment (optional)
Min numeric value allowed: 0 [117] your comment (optional)
number of athletes at the last Summer Olympic games Min numeric value allowed: 0
Min numeric value allowed: 0
[113] your comment (optional)
number of athletes at the last Winter Olympic games Min numeric value allowed: 0
[23] your comment (optional)
number of athletes at the last Summer Paralympic games Min numeric value allowed: 0
[29] your comment (optional)
[] Data not available
number of athletes at the last Winter Paralympic games Min numeric value allowed: 0
[2] your comment (optional)
2. Doping definition
What is the definition of "Doping in Sport" used in your country?
[X] Council of Europe Anti-Doping Convention. Your comment (optional)
[X] UNESCO International Convention against doping in sport. Your comment (optional)
[X] World Anti-Doping Code. Your comment (optional)
[] Other, please specify (e.g. national law):
3. Doping List

Which list of banned pharmacological classes of doping agents and doping methods (i.e. Prohibited List) is implemented in your country?

[X] Prohibited list, as adopted by the Executive Committee of WADA. Your comment (optional)

[X] List of banned pharmacological classes of doping ag omment (optional)	gents and doping methods, as adopted	d by the Monitoring Group (TDO). Your
[X] Prohibited list, as adopted by the Conference of Part omment (optional)	ies of the International Convention a	ngainst Doping in Sport (UNESCO) Your

CONSEIL DE L'EUROPE

Anti-Doping Questionnaire

Implementation of anti-doping policies in 2018 - Bosnia and Herzegovina

Implementation of anti-doping policies in 2018 0.2

Objective:

In order to implement the requirements of the Article 9 of the Anti-Doping Convention, the online annual questionnaire is ready for collection of data regarding anti-doping policies in 2018.

In case you face any problems which would prevent you from filling in the questionnaire, please report it to us by e-mail sport.t-do@coe.int

You are kindly requested to fill in, save and post your country's data for 2018 before 31 May 2019.

Instruction:

For detailed instructions please select the links to documentation at the top of the page

Questions:

1. Number of Athletes

Please estimate the number of athletes in the following categories within your country:

international-level athletes (as defined by the World Anti-Doping Code)

[X] Data not available

national-level athletes (as defined by the World Anti-Doping Code)

Min numeric value allowed: 0

Min numeric value allowed: 0

[] your comment (optional)

[X] Data not available

other athletes (including recreational athletes)

Min numeric value allowed: 0

[] your comment (optional)

[X] Data not available

4. Additional doping lists

For the purposes of restricting availability of doping s	ubstances are there other lists that	n those defined in question 4?
() Yes, please specify:		
(X) No. Your comment (optional)		
5. Anti-doping laws		
Are there any anti-doping laws in your country?		
[] Anti-doping law. Your comment (optional)		
[] Other formal regulations, please specify:		
[X] No. Your comment (optional)		
6. National anti-doping organisation (NADO)		
What is the legal status of your national anti-doping or	rganisation? Please upload the sta	tutes, if possible
(X) Public authority. Your comment (optional)		
() Non-governmental organisation. Your comment (op	tional)	
() Private company. Your comment (optional)		
() National Olympic Committee. Your comment (option	onal)	
() Other, please specify:		
7. NADO activities		•
Which of the activities below are conducted by your nechart, if possible	national anti-doping organisation?	Please upload the organisational
	Yes. Your comment (optional)	No, please specify which organisation is in charge:
Co-ordination of action by public authorities	(X)	()
Coordination of the fight against trafficking	(X)	()
Testing (doping control)	(X)	()
Results management	(X)	()
Disciplinary procedures	(X)	()
Education and/or information	(X)	()
Research	()	(X) No other organization have conducted anti-doping research

8. Funding of anti-doping program

What was your annual anti-doping budget for the 2018 calendar year?

Min numeric value allowed : 0

[370.175] amounteurosCurrency
[] Data not available
9. Funding sources
How is the anti-doping program funded? Please select all that apply and indicate an estimate in percentages:
[X] Government100%
[] National Lottery program %
[] National Olympic Committee (NOC) %
[] Other Sports Organization(s) %
[] Fee for service%
[] Private %
[] Other %
10. Distribution of funding
What percentage of your annual anti-doping budget is put towards the following core programs?
[14] Testing (including equipment, transportation, Sample Collection Personnel (SCP) fees)
[21] Sample analysis
[0] Investigations
[6] Education
[0] Results Management/Legal
[1] Therapeutic Use Exemptions (TUEs)
[58] Other (e.g. remuneration, administration)
[] Data not available
11. Sport Budget
What amount has been allocated to the sport budget from the state budget for the year 2018?
[X] Data not available
12. Limiting public funding to organisations
Is public funding withheld from organisations that do not comply with anti-doping regulations and related legal instruments
() Yes, all funding is withheld; your comment (optional)
() A limited amount of funding is withheld; your comment (optional)
() No financial implications; your comment (optional)

(X) Information not available; your comment (optional)

Is sport-related financial assistance provided by public authorities withheld from banned athletes or athlete support personnel

13. Limitation of public funding of persons

during the period of their suspension?
() Yes, all funding is withheld; your comment (optional)
() A limited amount of funding is withheld; your comment (optional)
() No; your comment (optional)
() Not applicable (no sport-related financial assistance is provided by public authorities to athletes or support personnel); your
comment (optional)
(X) Information not available; your comment (optional)
14. Testing programme
Does your country have a national testing programme?
(X) Yes
() No, please explain
15. Elements of the Testing Program
What elements of the testing program are implemented by the national anti-doping organisation?
[X] Risk Assessment and Test Distribution Planning (TDP)
[X] Registered Testing Pool
[X] Random selection of athletes
[X] Targeted selection of athletes
[X] In-competition testing
[X] Out-of-competition testing
[X] No-advance notice testing
[X] Blood testing
[] Athlete Biological Passport (ABP) modules
[] Other elements, please specify
[] If some elements are implemented by another body, please specify which body
16. Quality certificate
Is your NADO or part of its procedures certified according to a quality standard (such as ISO, iNADO or any other quality assurance system)?
() Yes, please specify which standard, its scope and validity:
() In progress, please specify
(X) No; your comment (optional)
17. NADO staff

Page: 82

Please outline below how many staff are involved in the coordination and management of your anti-doping programs.

Min numeric value allowed: 0		
[9] Staff full time		
[0] Staff part time		
[0] Volunteers		
[0] Committee members		
[] Data not available		
18. Sample Collection Personnel		
Do you have Sample Collection Personnel (SCP) ?		
(X)Yes		
() No, please explain		
19. Number of DCOs and BCOs		
How many Doping Control Officers (DCOs), Blood Contr	ol Officers (BCOs) and	chaperones are in your sample collection
personnel program?		
Min numeric value allowed : 0		
[59] DCOs; your comment (optional)		
[20] BCOs; your comment (optional)		
[0] Chaperones; your comment (optional)		
[] Data not available		
20. Laboratory		
Is there a doping control laboratory in your country?		
[] Yes, accredited by WADA		
[] Yes, but accreditation by WADA is pending		
[] Accredited by WADA for athlete biological passport		
[X] No, we send samples to the WADA accredited laborator	ies in:Seibersdorff(city)	
[] Not available		
21. Testing statistics		
How many samples were collected under your national tes	ting program in the yea	ar 2018?
	Urine	Blood (including ABP)
In-competition testing	127	0
in compound today	I	

Min numeric value allowed: 0

Out-of-competition testing Min numeric value allowed: 0		207		43
[] Data not available				
22. Testing abroad				(
Pid you test athletes under your auth	ority who reside or train	abroad (directly or by	y subcontra	acting another ADO)?
() Yes; your comment (optional)				
(X) Not in 2018, but we have authority	isation to do so; your comm	nent (optional)		
() No, we do not have authorisation	to do so; your comment (o	ptional)		
23. Disciplinary system				
What are the disciplinary bodies for	doping offences, i.e. the	main body imposing	sanctions o	on athletes and other persons?
	_		_	
State authority	no		no	
NADO	no		no	
NOC	no		no	
National sport federations	yes		yes	
international sport federations	no		no	
Independent disciplinary body	no		no	
Professional associations	no		no	
Other, please specify	no		no	
24. Appeals system				
What is the body handling appeals ag	gainst disciplinary measu	res?		
() State authority; your comment (o	ptional)			
() National sports federations; your	comment (optional)			
(X) International sports federations;	your comment (optional)			
() Independent court of arbitration;	your comment (optional)			
	C): your comment (entions	1)		
() Court of Arbitration in Sport (CA	(optional), your comment (optional	u)		••••••

How many anti-doping rule violations cases were initiated during the reporting period and how many of these initiated cases

resulted in the imposition of a sanction?

	Initiated cases	Cases that resulted in a sanction	Cases that resulted in no sanction
Presence of a prohibited substance or its Metabolites or markers in an athlete's sample	5	3	0
Use or attempted use by an athlete of a	0	0	0

Anti-Doping Questionnaire

Implementation of anti-doping policies in 2018 - Canada

Implementation of anti-doping policies in 2018 0.2

Objective:

In order to implement the requirements of the Article 9 of the Anti-Doping Convention, the online annual questionnaire is ready for collection of data regarding anti-doping policies in 2018.

In case you face any problems which would prevent you from filling in the questionnaire, please report it to us by e-mail sport.t-do@coe.int

You are kindly requested to fill in, save and post your country's data for 2018 before 31 May 2019.

Instruction:

For detailed instructions please select the links to documentation at the top of the page

Questions:

1. Number of Athletes

[] Data not available

Please estimate the number of athletes in the following categories within your country:

international-level athletes (as defined by the World Anti-Doping Code) Min numeric value allowed : 0
[X] Data not available
national-level athletes (as defined by the World Anti-Doping Code) Min numeric value allowed: 0
[5373] your comment (optional)
other athletes (including recreational athletes) Min numeric value allowed: 0
[X] Data not available
number of athletes in your national Registered Testing Pool (as defined by the World Anti-Doping Code) Min numeric value allowed : 0
[432] your comment (optional)
number of athletes at the last Summer Olympic games Min numeric value allowed: 0
[306] your comment (optional)

Min numeric value allowed: 0
[225] your comment (optional)
number of athletes at the last Summer Paralympic games Min numeric value allowed: 0
[162] your comment (optional)
number of athletes at the last Winter Paralympic games Min numeric value allowed: 0
[55] your comment (optional)
2. Doping definition
What is the definition of "Doping in Sport" used in your country?
[] Council of Europe Anti-Doping Convention. Your comment (optional)
[] UNESCO International Convention against doping in sport. Your comment (optional)
[] World Anti-Doping Code. Your comment (optional)
[X] Other, please specify (e.g. national law): 2019 Canadian Anti-Doping Program Attachments 2019 CADP.pdf
3. Doping List
Which list of banned pharmacological classes of doping agents and doping methods (i.e. Prohibited List) is implemented in your country?
[] Prohibited list, as adopted by the Executive Committee of WADA. Your comment (optional)
[] List of banned pharmacological classes of doping agents and doping methods, as adopted by the Monitoring Group (TDO). Your comment (optional)
[X] Prohibited list, as adopted by the Conference of Parties of the International Convention against Doping in Sport (UNESCO) You comment (optional)
[] Other, please specify:
4. Additional doping lists
For the purposes of restricting availability of doping substances are there other lists than those defined in question 4?
() Yes, please specify:
(X) No. Your comment (optional)
5 Anti-doning laws

Are there any anti-doping laws in your country?

[] Other formal regulations, please specify:		
[X] No. Your comment (optional)		
6. National anti-doping organisation (NADO)		
What is the legal status of your national anti-doping or	ganisation? Please upload the statutes	, if possible
() Public authority. Your comment (optional)		
(X) Non-governmental organisation. Your comment (op	tional)

Page: 102

How is the anti-doping program funded? Please select all that apply and indicate an estimate in percentages:

[] Government78%
[] National Lottery program0%
[] National Olympic Committee (NOC)0.01%
[] Other Sports Organization(s) %
[] Fee for service21%
[] Private %
[] Other %
10. Distribution of funding
What percentage of your annual anti-doping budget is put towards the following core programs?
[17.5] Testing (including equipment, transportation, Sample Collection Personnel (SCP) fees)
[30] Sample analysis
[3] Investigations
[5] Education
[4.5] Results Management/Legal
[0] Therapeutic Use Exemptions (TUEs)
[40] Other (e.g. remuneration, administration)
11. Sport Budget
What amount has been allocated to the sport budget from the state budget for the year 2018?
[200000000] amountCDNcurrency
[] Data not available
12. Limiting public funding to organisations
Is public funding withheld from organisations that do not comply with anti-doping regulations and related legal instruments
() Yes, all funding is withheld; your comment (optional)
(X) A limited amount of funding is withheld; your comment (optional)Funding provided from the Athlete Assistance Program to Athletes serving a sanction because of an ADRV
() No financial implications; your comment (optional)
() Information not available; your comment (optional)
13. Limitation of public funding of persons
Is sport-related financial assistance provided by public authorities withheld from banned athletes or athlete support personn during the period of their suspension?

(X) Yes, all funding is withheld; your comment (optional)

() A limited amount of funding is withheld; your comment (optional)
() No; your comment (optional)
() Not applicable (no sport-related financial assistance is provided by public authorities to athletes or support personnel); your
comment (optional)
() Information not available; your comment (optional)
14. Testing programme
Does your country have a national testing programme?
(X) Yes
() No, please explain
15. Elements of the Testing Program
What elements of the testing program are implemented by the national anti-doping organisation?
[X] Risk Assessment and Test Distribution Planning (TDP)
[X] Registered Testing Pool
[X] Random selection of athletes
[X] Targeted selection of athletes
[X] In-competition testing
[X] Out-of-competition testing
[X] No-advance notice testing
[X] Blood testing
[X] Athlete Biological Passport (ABP) modules
[] Other elements, please specify
[] If some elements are implemented by another body, please specify which body
16. Quality certificate
Is your NADO or part of its procedures certified according to a quality standard (such as ISO, iNADO or any other quali assurance system)?
(X) Yes, please specify which standard, its scope and validity: ISO 9001:2015 Quality Management Standard
() In progress, please specify
() No; your comment (optional)
17. NADO staff
Please outline below how many staff are involved in the coordination and management of your anti-doping programs. Min numeric value allowed: 0
[35] Staff full time
[0] Staff part time

[0] Volunteers		
[10] Committee members		
[] Data not available		
18. Sample Collection Personnel		
Do you have Sample Collection Personnel (SC	P) ?	
(X) Yes		
() No, please explain		
19. Number of DCOs and BCOs		
How many Doping Control Officers (DCOs), E	Blood Control Officers (BCOs) and	nd chaperones are in your sample collection
personnel program? Min numeric value allowed: 0		
[63] DCOs; your comment (optional)		
[0] BCOs; your comment (optional)		
[0] Chaperones; your comment (optional)		
[] Data not available		
20. Laboratory		
Is there a doping control laboratory in your cou	intry?	
[X] Yes, accredited by WADA		
[] Yes, but accreditation by WADA is pending		
[] Accredited by WADA for athlete biological	passport	
[] No, we send samples to the WADA accredit	ed laboratories in:	(city)
[] Not available		
21. Testing statistics		
How many samples were collected under your	national testing program in the ye	ear 2018?
	Urine	Blood (including ABP)
In-competition testing		
Min numeric value allowed: 0		
Out-of-competition testing		
Min numeric value allowed: 0

25. Anti-doping rule violations (ADRV)

How many anti-doping rule violations cases were initiated during the reporting period and how many of these initiated cases resulted in the imposition of a sanction?

	Initiated cases	Cases that resulted in a sanction	Cases that resulted in no sanction
Presence of a prohibited substance or its Metabolites or markers in an athlete's sample Min numeric value allowed: 0	8	8	0
Use or attempted use by an athlete of a Prohibited substance or a prohibited method Min numeric value allowed: 0	0	0	0
Evading, Refusing or Failing to Submit to Sample Collection Min numeric value allowed: 0	1	1	0
Whereabouts Failures Min numeric value allowed: 0	11	0	11
Tampering or attempted tampering with any part of doping control Min numeric value allowed: 0	0	0	0
Possession of prohibited substances and prohibited methods Min numeric value allowed: 0	0	0	0
Trafficking or attempted trafficking in any prohibited substance or prohibited method Min numeric value allowed: 0	0	0	0
Administration or attempted administration to any athlete of any Prohibited method or prohibited substance Min numeric value allowed: 0	0	0	0
Complicity Min numeric value allowed: 0	0	0	0
Prohibited Association Min numeric value allowed: 0	0	0	0

[] Data not available

How many of the following whereabouts failures have you registered?
[11] One missed test or filing failure
[0] Any combination of two missed tests and/or filing failures [] Data not available
27. Sanctions for doping trafficking
Are there specific penalties or sanctions for illegal circulation of doping substances, in addition to those regulating the movement of medicines and narcotics?
[X] Criminal penalties, please specify Penal Act, article 191a
[] Financial penalties, please specify
[] Administrative or civil sanctions, please specify
[] Professional disciplinary actions, please specify
[] None of above, please explain
[] Not available; your comment (optional)
28. Co-operation with law enforcement agencies
What measures have been taken to improve co-operation with law enforcement agencies in limiting illegal availability of doping substances?
[X] Law, please specify Penal Act, Article 191a
[] Agreement, please specify
[X] Ad hoc activities, please specify Preparations on drafting agreement with law enforcement agencies
[] Other, please specify
[] None; your comment (optional)
29. Statistics on doping trafficking
Do law enforcement agencies share data on the seizure of doping substances with the national anti-doping organisation:
(X) Yes, please specify how many seizures have been reported: 16
() No; your comment (optional)
() Other, please specify:
30. Organisation of anti-doping education
Which organisations are involved in coordinating and/or implementing anti-doping education programs?
[X] National anti-doping organisation
[X] Ministry responsible for sport
[X] Ministry responsible for education
[X] Ministry responsible for health
Other governmental hody

[X] National sport federations

Anti-Doping Questionnaire

Implementation of anti-doping policies in 2018 - Cyprus

Implementation of anti-doping policies in 2018 0.2

Objective:

In order to implement the requirements of the Article 9 of the Anti-Doping Convention, the online annual questionnaire is ready for collection of data regarding anti-doping policies in 2018.

In case you face any problems which would prevent you from filling in the questionnaire, please report it to us by e-mail sport.t-do@coe.int

You are kindly requested to fill in, save and post your country's data for 2018 before 31 May 2019.

Instruction:

For detailed instructions please select the links to documentation at the top of the page

Questions:

1. Number of Athletes

Please estimate the number of athletes in the following categories within your country:

international-level athletes (as defined by the World Anti-Doping Code)

Min numeric value allowed: 0

[3] your comment (optional)

[] Data not available

national-level athletes (as defined by the World Anti-Doping Code)

Min numeric value allowed: 0

[56000] your comment (optional)

[] Data not available

other athletes (including recreational athletes)

Min numeric value allowed: 0

[] your comment (optional)

[X] Data not available number of athletes in your national Registered Testing Pool (as defined by the World Anti-Doping Code) Min numeric value allowed: 0 [10] your comment (optional) [] Data not available number of athletes at the last Summer Olympic games Min numeric value allowed: 0 [15] your comment (optional) [] Data not available number of athletes at the last Winter Olympic games Min numeric value allowed: 0 [1] your comment (optional) [] Data not available number of athletes at the last Summer Paralympic games Min numeric value allowed: 0 [2] your comment (optional) [] Data not available number of athletes at the last Winter Paralympic games Min numeric value allowed: 0 [0] your comment (optional) [] Data not available 2. Doping definition What is the definition of "Doping in Sport" used in your country? [] Council of Europe Anti-Doping Convention. Your comment (optional) [] UNESCO International Convention against doping in sport. Your comment (optional) [X] World Anti-Doping Code. Your comment (optional) [] Other, please specify (e.g. national law): 3. Doping List Which list of banned pharmacological classes of doping agents and doping methods (i.e. Prohibited List) is implemented in your country? [X] Prohibited list, as adopted by the Executive Committee of WADA. Your comment (optional) [] List of banned pharmacological classes of doping agents and doping methods, as adopted by the Monitoring Group (TDO). Your Prohibited list, as adopted by the Conference of Parties of the International Convention against Doping in Sport (UNESCO) Your comment (optional) [] Other, please specify:

For the purposes of restricting availability of doping substances are there other lists than those defined in ques	iion 4?
() Yes, please specify:	
(X) No. Your comment (optional)	
5. Anti-doping laws	
Are there any anti-doping laws in your country?	
[X] Anti-doping law. Your comment (optional)	
[] Other formal regulations, please specify:	
[] No. Your comment (optional)	
6. National anti-doping organisation (NADO)	
What is the legal status of your national anti-doping organisation? Please upload the statutes, if possible	
(X) Public authority. Your comment (optional)	
() Non-governmental organisation. Your comment (optional)	
() Private company. Your comment (optional)	
() National Olympic Committee. Your comment (optional)	
() Other, please specify:	

Which of the activities below are conducted by your national anti-doping organisation? Please upload the organisational chart, if possible

	Yes. Your comment (optional)	No, please specify which organisation is in charge:
Co-ordination of action by public authorities	(X)	()
Coordination of the fight against trafficking	()	(X) The fight against trafficking of doping substances is primarily the task of the Customs as well as the Police; however, both agencies work in cooperation with the Cyprus NADO (Cyprus Anti-Doping Authority)
Testing (doping control)	(X)	()
Results management	(X)	()
Disciplinary procedures	()	(X) Two independent bodies namely the Cyprus Anti-Doping Disciplinary Panel and the Cyprus Anti-Doping Appeals Panel are responsible for disciplinary procedures in anti-doping.

8. Funding of anti-doping program		
What was your annual anti-doping budget for the Min numeric value allowed: 0	2018 calendar year?	
[276421] amounteuroCurrency [] Data not available		
9. Funding sources		
How is the anti-doping program funded? Please so	elect all that apply and indicate	an estimate in percentages:
[X] Government100%		
[] National Lottery program	%	
[] National Olympic Committee (NOC)	%	
[] Other Sports Organization(s)	%	
[] Fee for service	%	
[] Private%		
[] Other%		
10. Distribution of funding		
What percentage of your annual anti-doping budg	get is put towards the following of	core programs?
[41643] Testing (including equipment, transportation	ion, Sample Collection Personnel (SCP) fees)
[48653] Sample analysis		
[0] Investigations		
[17137] Education		
[17973] Results Management/Legal		
[0] Therapeutic Use Exemptions (TUEs)		
[151015] Other (e.g. remuneration, administration) [] Data not available)	
11. Sport Budget		
What amount has been allocated to the sport budg	get from the state budget for the	year 2018?
[31993215] amounteuroscurrency		
[] Data not available		

12. Elimining public funding to organisations
Is public funding withheld from organisations that do not comply with anti-doping regulations and related legal instrumer
(X) Yes, all funding is withheld; your comment (optional)
() A limited amount of funding is withheld; your comment (optional)
() No financial implications; your comment (optional)
() Information not available; your comment (optional)
13. Limitation of public funding of persons
Is sport-related financial assistance provided by public authorities withheld from banned athletes or athlete support person during the period of their suspension?
(X) Yes, all funding is withheld; your comment (optional)
() A limited amount of funding is withheld; your comment (optional)
() No; your comment (optional)
() Not applicable (no sport-related financial assistance is provided by public authorities to athletes or support personnel); your comment (optional)
() Information not available; your comment (optional)
14. Testing programme
Does your country have a national testing programme?
(X) Yes
() No, please explain
15. Elements of the Testing Program
What elements of the testing program are implemented by the national anti-doping organisation?
[X] Risk Assessment and Test Distribution Planning (TDP)
[X] Registered Testing Pool
[X] Random selection of athletes
[X] Targeted selection of athletes
[X] In-competition testing
[X] Out-of-competition testing
[X] No-advance notice testing
[X] Blood testing
[X] Athlete Biological Passport (ABP) modules
[] Other elements, please specify

16. Quality certificate

assurance system)?
() Yes, please specify which standard, its scope and validity:
(X) In progress, please specifyCyADA is working towards ISO certification
() No; your comment (optional)
17. NADO staff
Please outline below how many staff are involved in the coordination and management of your anti-doping programs. Min numeric value allowed: 0
[1] Staff full time
[2] Staff part time
[3] Volunteers
[6] Committee members [] Data not available
18. Sample Collection Personnel
Do you have Sample Collection Personnel (SCP) ?
(X) Yes
() No, please explain
19. Number of DCOs and BCOs
How many Doping Control Officers (DCOs), Blood Control Officers (BCOs) and chaperones are in your sample collection personnel program? Min numeric value allowed: 0
[17] DCOs; your comment (optional)
[11] BCOs; your comment (optional)Note: The 11 BCOs are also DCOs)
[0] Chaperones; your comment (optional)
20. Laboratory
Is there a doping control laboratory in your country?
[] Yes, accredited by WADA
[] Yes, but accreditation by WADA is pending
[] Accredited by WADA for athlete biological passport
[X] No, we send samples to the WADA accredited laboratories in:mainly Athens, Greece but also other WADA-accredited Laboratories(city)
[] Not available

[] Data not available
12. Limiting public funding to organisations

Is public funding withheld from organisations that do not comply with anti-doping regulations and related legal instruments?

() Yes, all funding is withheld; your comment (optional)
(X) A limited amount of funding is withheld; your comment (optional)
() No financial implications; your comment (optional)
() Information not available; your comment (optional)
13. Limitation of public funding of persons
Is sport-related financial assistance provided by public authorities withheld from banned athletes or athlete support personned during the period of their suspension?
(X) Yes, all funding is withheld; your comment (optional)
() A limited amount of funding is withheld; your comment (optional)
() No; your comment (optional)
() Not applicable (no sport-related financial assistance is provided by public authorities to athletes or support personnel); your comment (optional)
() Information not available; your comment (optional)
14. Testing programme
Does your country have a national testing programme?
(X) Yes
() No, please explain
15. Elements of the Testing Program
What elements of the testing program are implemented by the national anti-doping organisation?
[X] Risk Assessment and Test Distribution Planning (TDP)
[X] Registered Testing Pool
[X] Random selection of athletes
[X] Targeted selection of athletes
[X] In-competition testing
[X] Out-of-competition testing
[X] No-advance notice testing
[X] Blood testing
[X] Athlete Biological Passport (ABP) modules
[] Other elements, please specify
[] If some elements are implemented by another body, please specify which body
16. Quality certificate

Is your NADO or part of its procedures certified according to a quality standard (such as ISO, iNADO or any other quality assurance system)?

(X) Yes, please specify which standard, its scope and validity: ISO 9001:2016, Planning and management of doping control activit reffering to: World Anti-doping Code, International Standard for Testing, International Standard fot Therapeutic Use Examptions, valid cycle 7th October 2018 - 6th October 2021	es
() In progress, please specify	
() No; your comment (optional)	
17. NADO staff)
Please outline below how many staff are involved in the coordination and management of your anti-doping programs. Min numeric value allowed: 0	
[3] Staff full time	
[0] Staff part time	
[56] Volunteers	
[8] Committee members [] Data not available	
18. Sample Collection Personnel)
Do you have Sample Collection Personnel (SCP) ?	
(X)Yes	
() No, please explain	
19. Number of DCOs and BCOs)
How many Doping Control Officers (DCOs), Blood Control Officers (BCOs) and chaperones are in your sample collection personnel program? Min numeric value allowed: 0	1
[56] DCOs; your comment (optional)	
[14] BCOs; your comment (optional)	
[7] Chaperones; your comment (optional)	
20. Laboratory)
Is there a doping control laboratory in your country?	
[] Yes, accredited by WADA	
[] Yes, but accreditation by WADA is pending	
[] Accredited by WADA for athlete biological passport	
[X] No. we send samples to the WADA accredited laboratories in:Kreischa (GERMANY), Seibersdorf (AUSTRIA)(city)	

21. Testing statistics				
low many samples were collected u	nder your national te	sting program in	the year 2018?	
		Urine		Blood (including ABP)
In-competition testing Min numeric value allowed: 0		979		0
Out-of-competition testing Min numeric value allowed: 0		370		144
[] Data not available		-		1
22. Testing abroad				
oid you test athletes under your auth	nority who reside or to	rain abroad (dire	ctly or by subcont	racting another ADO)?
(X) Yes; your comment (optional)				
() Not in 2018, but we have authori	sation to do so; your co	mment (optional)		
() No, we do not have authorisation	to do so; your commen	nt (optional)

25. Anti-doping rule violations (ADRV)	
() Other, please specify:	
() Court of Arbitration in Sport (CAS); your comment (optional)	
() Independent court of arbitration; your comment (optional)	
() International sports federations; your comment (optional)	
(X) National sports federations; your comment (optional)	

How many anti-doping rule violations cases were initiated during the reporting period and how many of these initiated cases resulted in the imposition of a sanction?

	Initiated cases	Cases that resulted in a sanction	Cases that resulted in no sanction
Presence of a prohibited substance or its Metabolites or markers in an athlete's sample Min numeric value allowed: 0	16	16	0
Use or attempted use by an athlete of a Prohibited substance or a prohibited method Min numeric value allowed: 0	0	0	0
Evading, Refusing or Failing to Submit to Sample Collection Min numeric value allowed: 0	5	5	0
Whereabouts Failures Min numeric value allowed: 0	0	0	0
Tampering or attempted tampering with any part of doping control Min numeric value allowed: 0	0	0	0
Possession of prohibited substances and prohibited methods Min numeric value allowed: 0	0	0	0
Trafficking or attempted trafficking in any prohibited substance or prohibited method Min numeric value allowed: 0	0	0	0
Administration or attempted administration to any athlete of any Prohibited method or prohibited substance Min numeric value allowed: 0	0	0	0
Complicity Min numeric value allowed: 0	0	0	0
Prohibited Association Min numeric value allowed: 0	0	0	0

[] Data not available

26. Whereabouts failures

How many of the following whereabouts failures have you registered?

[3] One missed test or filing failure
[1] Any combination of two missed tests and/or filing failures [] Data not available
27. Sanctions for doping trafficking
Are there specific penalties or sanctions for illegal circulation of doping substances, in addition to those regulating the movement of medicines and narcotics?
[X] Criminal penalties, please specify Penal Code
[] Financial penalties, please specify
[] Administrative or civil sanctions, please specify
[X] Professional disciplinary actions, please specify
[] None of above, please explain
[] Not available; your comment (optional)
28. Co-operation with law enforcement agencies
What measures have been taken to improve co-operation with law enforcement agencies in limiting illegal availability of doping substances?
[] Law, please specify
[] Agreement, please specify
[X] Ad hoc activities, please specify Cooperation with National Drug Headquarters
[] Other, please specify
[] None; your comment (optional)
29. Statistics on doping trafficking
Do law enforcement agencies share data on the seizure of doping substances with the national anti-doping organisation:
() Yes, please specify how many seizures have been reported:
() No; your comment (optional)
(X) Other, please specify : In a small number of Cases
30. Organisation of anti-doping education
Which organisations are involved in coordinating and/or implementing anti-doping education programs?
[X] National anti-doping organisation
[] Ministry responsible for sport
[] Ministry responsible for education
[] Ministry responsible for health
[] Other governmental body
[X] National sport federations

CONSEIL DE L'EUROPE

Anti-Doping Questionnaire

Implementation of anti-doping policies in 2018 - Denmark

Implementation of anti-doping policies in 2018 0.2

Objective:

In order to implement the requirements of the Article 9 of the Anti-Doping Convention, the online annual questionnaire is ready for collection of data regarding anti-doping policies in 2018.

In case you face any problems which would prevent you from filling in the questionnaire, please report it to us by e-mail sport.t-do@coe.int

You are kindly requested to fill in, save and post your country's data for 2018 before 31 May 2019.

Instruction:

For detailed instructions please select the links to documentation at the top of the page

Questions:

1. Number of Athletes

Please estimate the number of athletes in the following categories within your country:

international-level athletes (as defined by the World Anti-Doping Code)

Min numeric value allowed: 0

[125] your comment (optional)

Data not available

national-level athletes (as defined by the World Anti-Doping Code)

Min numeric value allowed: 0

[3500] your comment (optional)

[] Data not available

other athletes (including recreational athletes)

Min numeric value allowed: 0

[2000000] your comment (optional)

[] Data not available

number of athletes in your national Registered Testing Pool (as defined by the World Anti-Doping Code)

Min numeric value allowed: 0

[125] your comment (optional)
number of athletes at the last Summer Olympic games Min numeric value allowed: 0
[120] your comment (optional)
number of athletes at the last Winter Olympic games Min numeric value allowed: 0
[17] your comment (optional)
number of athletes at the last Summer Paralympic games Min numeric value allowed: 0
[21] your comment (optional)
number of athletes at the last Winter Paralympic games Min numeric value allowed: 0
[1] your comment (optional)
2. Doping definition
What is the definition of "Doping in Sport" used in your country?
[] Council of Europe Anti-Doping Convention. Your comment (optional)
[] UNESCO International Convention against doping in sport. Your comment (optional)
[X] World Anti-Doping Code. Your comment (optional)
[] Other, please specify (e.g. national law):
3. Doping List
Which list of banned pharmacological classes of doping agents and doping methods (i.e. Prohibited List) is implemented in your country?
[X] Prohibited list, as adopted by the Executive Committee of WADA. Your comment (optional)
[] List of banned pharmacological classes of doping agents and doping methods, as adopted by the Monitoring Group (TDO). You comment (optional)
[] Prohibited list, as adopted by the Conference of Parties of the International Convention against Doping in Sport (UNESCO) Yo comment (optional)
[] Other, please specify:
4. Additional doping lists

For the purposes of restricting availability of doping substances are there other lists than those defined in question 4?

	g substances	
() No. Your comment (optional)		
5. Anti-doping laws		
Are there any anti-doping laws in your country?		
[X] Anti-doping law. Your comment (optional)		
[] Other formal regulations, please specify:		
[] No. Your comment (optional)		
6. National anti-doping organisation (NADO)		(
What is the legal status of your national anti-doping of	organisation? Please upload the sta	tutes, if possible

Min numeric value allowed : 0

What was your annual anti-doping budget for the 2018 calendar year?

[] Data not available
9. Funding sources
How is the anti-doping program funded? Please select all that apply and indicate an estimate in percentages:
[X] Government95%
[] National Lottery program %
[] National Olympic Committee (NOC)
[] Other Sports Organization(s) %
[X] Fee for service5%
[] Private%
[] Other %
10. Distribution of funding
What percentage of your annual anti-doping budget is put towards the following core programs?
[32] Testing (including equipment, transportation, Sample Collection Personnel (SCP) fees)
[18] Sample analysis
[2] Investigations
[10] Education
[2] Results Management/Legal
[1] Therapeutic Use Exemptions (TUEs)
[35] Other (e.g. remuneration, administration)
[] Data not available
11. Sport Budget
What amount has been allocated to the sport budget from the state budget for the year 2018?
[100000000] amountEURcurrency
[] Data not available
12. Limiting public funding to organisations
Is public funding withheld from organisations that do not comply with anti-doping regulations and related legal instruments
(X) Yes, all funding is withheld; your comment (optional)
() A limited amount of funding is withheld; your comment (optional)
() No financial implications; your comment (optional)
() Information not available; your comment (optional)

13. Limitation of public funding of persons

Is sport-related financial assistance provided by public authorities withheld from banned athletes or athlete support personn during the period of their suspension?
(X) Yes, all funding is withheld; your comment (optional)
() A limited amount of funding is withheld; your comment (optional)
() No; your comment (optional)
() Not applicable (no sport-related financial assistance is provided by public authorities to athletes or support personnel); your comment (optional)
() Information not available; your comment (optional)
14. Testing programme
Does your country have a national testing programme?
(X) Yes
() No, please explain
15. Elements of the Testing Program
What elements of the testing program are implemented by the national anti-doping organisation?
[X] Risk Assessment and Test Distribution Planning (TDP)
[X] Registered Testing Pool
[] Random selection of athletes
[X] Targeted selection of athletes
[X] In-competition testing
[X] Out-of-competition testing
[X] No-advance notice testing
[X] Blood testing
[X] Athlete Biological Passport (ABP) modules
[X] Other elements, please specifyNon-WADA anti-doping programme - fitness centres and non-signatories
[] If some elements are implemented by another body, please specify which body
16. Quality certificate
Is your NADO or part of its procedures certified according to a quality standard (such as ISO, iNADO or any other quality assurance system)?
() Yes, please specify which standard, its scope and validity:
() In progress, please specify
(X) No; your comment (optional)No more ISO, but ADD has employed its own quality assurance manager to monitor quality of
operations

17. NADO staff

26. Whereabouts failures

How many of the following whereabouts failures have you registered?

- [7] One missed test or filing failure
- [2] Any combination of two missed tests and/or filing failures
- [] Data not available

27. Sanctions for doping trafficking

Are there specific penalties or sanctions for illegal circulation of doping substances, in addition to those regulating the

movement of medicines and narcotics?
[X] Criminal penalties, please specify Act on prohibition of certain doping substances
[] Financial penalties, please specify
[] Administrative or civil sanctions, please specify
[] Professional disciplinary actions, please specify
[] None of above, please explain
[] Not available; your comment (optional)
28. Co-operation with law enforcement agencies
What measures have been taken to improve co-operation with law enforcement agencies in limiting illegal availability of doping substances?
[X] Law, please specify Act on prohibition of certain doping substances
[X] Agreement, please specify Cooperation agreement between National Police and ADD and between Customs and ADD
[X] Ad hoc activities, please specify Regular cooperation meetings
[] Other, please specify
[] None; your comment (optional)
29. Statistics on doping trafficking
Do law enforcement agencies share data on the seizure of doping substances with the national anti-doping organisation:
() Yes, please specify how many seizures have been reported:
(X) No; your comment (optional)Not automatically, however ADD has a running dialogue with law enforcement
() Other, please specify:
30. Organisation of anti-doping education
Which organisations are involved in coordinating and/or implementing anti-doping education programs?
[X] National anti-doping organisation

number of athletes at the last Summer Paralympic games Min numeric value allowed: 0
[6] your comment (optional)
number of athletes at the last Winter Paralympic games Min numeric value allowed: 0
[0] your comment (optional)
2. Doping definition
What is the definition of "Doping in Sport" used in your country?
[] Council of Europe Anti-Doping Convention. Your comment (optional)
[] UNESCO International Convention against doping in sport. Your comment (optional)
[X] World Anti-Doping Code. Your comment (optional) more useful
[] Other, please specify (e.g. national law):
3. Doping List
Which list of banned pharmacological classes of doping agents and doping methods (i.e. Prohibited List) is implemented in your country?
[X] Prohibited list, as adopted by the Executive Committee of WADA. Your comment (optional)
[] List of banned pharmacological classes of doping agents and doping methods, as adopted by the Monitoring Group (TDO). Your comment (optional)
[] Prohibited list, as adopted by the Conference of Parties of the International Convention against Doping in Sport (UNESCO) You comment (optional)
[] Other, please specify:
4. Additional doping lists
For the purposes of restricting availability of doping substances are there other lists than those defined in question 4?
(X) Yes, please specify: Recently, agreement has been made between EADA and Tax and Custom Office that the latter would
trpossible trafficing of syntethic anabolic steroids and its derivates, testosterone and its derivates, growth hormones, EPO
() No. Your comment (optional)
5. Anti-doping laws

Are there any anti-doping laws in your country?

[] Anti-doping law. Your comment (optional)		
[X] Other formal regulations, please specify: Sports Ac	et, Penal Code	
[] No. Your comment (optional)		
6. National anti-doping organisation (NADO)		
What is the legal status of your national anti-doping or	rganisation? Please upload the sta	ututes, if possible
() Public authority. Your comment (optional)		
(X) Non-governmental organisation. Your comment (op	otional)Foundation founded by NOC	2007
() Private company. Your comment (optional)		
() National Olympic Committee. Your comment (option	onal)	
() Other, please specify:		
7. NADO activities		
Which of the activities below are conducted by your nechart, if possible	ational anti-doping organisation?	Please upload the organisational
	Yes. Your comment (optional)	No, please specify which organisation is in charge:
Co-ordination of action by public authorities	(X)	()
Coordination of the fight against trafficking	(X)	()
Testing (doping control)	(X)	()
Results management	(X)	()
Disciplinary procedures	(X)	()
Education and/or information	(X)	()
Research	(X)	()
8. Funding of anti-doping program What was your annual anti-doping budget for the 2018 Min numeric value allowed: 0 [271000] amountEURCurrency [] Data not available	8 calendar year?	
9. Funding sources		
How is the anti-doping program funded? Please select	all that apply and indicate an esti	imate in percentages:
[] Government20%		

[] National Lottery program4%
[] National Olympic Committee (NOC)65%
[] Other Sports Organization(s) %
[] Fee for service2%
[] Private%
[] Other1%
10. Distribution of funding
What percentage of your annual anti-doping budget is put towards the following core programs?
[40] Testing (including equipment, transportation, Sample Collection Personnel (SCP) fees)
[25] Sample analysis
[1] Investigations
[4] Education
[1] Results Management/Legal
[1] Therapeutic Use Exemptions (TUEs)
[28] Other (e.g. remuneration, administration) incl. education etc. activity by staff [] Data not available
11. Sport Budget
What amount has been allocated to the sport budget from the state budget for the year 2018?
[] amount currency [X] Data not available
12. Limiting public funding to organisations
Is public funding withheld from organisations that do not comply with anti-doping regulations and related legal instrumen () Yes, all funding is withheld; your comment (optional)
(X) A limited amount of funding is withheld; your comment (optional)This in option in public sports support regulations, not
implemented
() No financial implications; your comment (optional)
() Information not available; your comment (optional)
13. Limitation of public funding of persons
Is sport-related financial assistance provided by public authorities withheld from banned athletes or athlete support person
during the period of their suspension?
() Yes, all funding is withheld; your comment (optional)
(X) A limited amount of funding is withheld; your comment (optional)Depends from regulations of National Federations

() No; your comment (optional)
() Not applicable (no sport-related financial assistance is provided by public authorities to athletes or support personnel); your comment (optional)
() Information not available; your comment (optional)
14. Testing programme
Does your country have a national testing programme?
(X) Yes
() No, please explain
15. Elements of the Testing Program
What elements of the testing program are implemented by the national anti-doping organisation?
[X] Risk Assessment and Test Distribution Planning (TDP)
[X] Registered Testing Pool
[X] Random selection of athletes
[X] Targeted selection of athletes
[X] In-competition testing
[X] Out-of-competition testing
[X] No-advance notice testing
[X] Blood testing
[X] Athlete Biological Passport (ABP) modules
[] Other elements, please specify
[] If some elements are implemented by another body, please specify which body
16. Quality certificate
Is your NADO or part of its procedures certified according to a quality standard (such as ISO, iNADO or any other quality assurance system)?
(X) Yes, please specify which standard, its scope and validity: EADA is compliant with the recent WADA's compliance exercise
() In progress, please specify
() No; your comment (optional)
17. NADO staff
Please outline below how many staff are involved in the coordination and management of your anti-doping programs. Min numeric value allowed: 0
[2] Staff full time
[16] Staff part time
[5] Volunteers

[4] Committee members		
[] Data not available		
18. Sample Collection Personnel		C
Do you have Sample Collection Personnel (So	CP) ?	
(X) Yes		
() No, please explain		
19. Number of DCOs and BCOs		•
How many Doping Control Officers (DCOs),	Blood Control Officers (BCOs) an	d chaperones are in your sample collection
personnel program?		
Min numeric value allowed: 0		
[11] DCOs; your comment (optional)including	g BCO-s	
[3] BCOs; your comment (optional)		
[16] Chaperones; your comment (optional)ad [] Data not available	hoc personnel on international compet	itions, held in Estonia
20. Laboratory		•
Is there a doping control laboratory in your co	ountry?	
[] Yes, accredited by WADA		
[] Yes, but accreditation by WADA is pendin	g	
[] Accredited by WADA for athlete biologica	ıl passport	
[X] No, we send samples to the WADA accred	lited laboratories in:Kreischa(city)	
[] Not available		
21. Testing statistics		•
How many samples were collected under you	r notional toating program in the ve	on 20199
now many samples were confected under you.		
	Urine	Blood (including ABP)
In-competition testing Min numeric value allowed: 0	237	0
Out-of-competition testing Min numeric value allowed: 0	171	63
[] Data not available		

Did you test athletes under your authority who reside or train abroad (directly or by subcontracting another ADO)?

(X) Yes; your comment (optional)Norway, boxing, 16 urine test

22. Testing abroad

() No, we do not have authorisation	to do so; your comment (optional		
23. Disciplinary system			
What are the disciplinary bodies for o	loping offences, i.e. the main b	oody imposing sanctions on at	hletes and other persons
	_	-	
State authority	No	No	
NADO	No	No

CONSEIL DE L'EUROPE

Anti-Doping Questionnaire

Implementation of anti-doping policies in 2018 - Finland

Implementation of anti-doping policies in 2018 0.2

Objective:

In order to implement the requirements of the Article 9 of the Anti-Doping Convention, the online annual questionnaire is ready for collection of data regarding anti-doping policies in 2018.

In case you face any problems which would prevent you from filling in the questionnaire, please report it to us by e-mail sport.t-do@coe.int

You are kindly requested to fill in, save and post your country's data for 2018 before 31 May 2019.

Instruction:

For detailed instructions please select the links to documentation at the top of the page

Questions:

1. Number of Aunetes	r of Athletes	1. Number	1.
----------------------	---------------	-----------	----

Please estimate the number of athletes in the following categories within your country:
international-level athletes (as defined by the World Anti-Doping Code) Min numeric value allowed: 0
[300] your comment (optional)
[] Data not available
national-level athletes (as defined by the World Anti-Doping Code) Min numeric value allowed: 0
[30000] your comment (optional)
[] Data not available
other athletes (including recreational athletes) Min numeric value allowed: 0
[2000000] your comment (optional)

number of athletes at the last Winter Paralympic games
Min numeric value allowed: 0
[13] your comment (optional) Additionally 2 guides
[] Data not available
2. Doping definition
What is the definition of "Doping in Sport" used in your country?
[X] Council of Europe Anti-Doping Convention. Your comment (optional)
[X] UNESCO International Convention against doping in sport. Your comment (optional)
[X] World Anti-Doping Code. Your comment (optional)
[] Other, please specify (e.g. national law):
3. Doping List
Which list of banned pharmacological classes of doping agents and doping methods (i.e. Prohibited List) is implemented in your country?
[X] Prohibited list, as adopted by the Executive Committee of WADA. Your comment (optional)
[] List of banned pharmacological classes of doping agents and doping methods, as adopted by the Monitoring Group (TDO). Your comment (optional)
[] Prohibited list, as adopted by the Conference of Parties of the International Convention against Doping in Sport (UNESCO) You comment (optional)
[] Other, please specify:
4. Additional doping lists
For the purposes of restricting availability of doping substances are there other lists than those defined in question 4?
(X) Yes, please specify: Criminal Code: Doping agents according to the Criminal code are: •synthetic anabolic steroids and their derivatives •testosterone and its derivatives •growth hormones and •chemical substances that increase the production of testosterone, its derivatives or growth hormone in the human body. The Finnish Criminal Code prohibits the illegal manufacturing, import and distribution of doping agents and their possession with the purpose of dissemination.
() No. Your comment (optional)
Criminal Code: http://https://www.finlex.fi/fi/laki/kaannokset/1889/en18890039.pdf
5. Anti-doping laws
Are there any anti-doping laws in your country?
[X] Anti-doping law. Your comment (optional)Import and dissemination of doping agents is regulated by Chapter 44 of the Finnish
Criminal Code. The use of doping agents is also subject to the Medicines Act and the regulations of the Criminal Code on smuggling,
unlawful dealing in imported goods and narcotic agents.
[] Other formal regulations, please specify:

[] No. Your comment (optional)		
6. National anti-doping organisation (NADO)		
What is the legal status of your national anti-doping o	rganisation? Please upload the sta	itutes, if possible
() Public authority. Your comment (optional)		
(X) Non-governmental organisation. Your comment (or	ptional)	
() Private company. Your comment (optional)		
() National Olympic Committee. Your comment (option	onal)	
() Other, please specify:		
7. NADO activities		•
Which of the activities below are conducted by your rechart, if possible	national anti-doping organisation?	Please upload the organisational
	Yes. Your comment (optional)	No, please specify which organisation is in charge:
Co-ordination of action by public authorities	()	(X) Ministry of Education and Culture
Coordination of the fight against trafficking	()	(X) Customs
Testing (doping control)	(X)	()
Results management	(X)	()
Disciplinary procedures	()	(X) National federation
Education and/or information	(X)	()
Research	()	(X) Universities, research centres, accredited laboratory
8. Funding of anti-doping program		•
What was your annual anti-doping budget for the 201 Min numeric value allowed: 0	8 calendar year?	
[2650000] amounteuroCurrency		
[] Data not available		
9. Funding sources		
How is the anti-doping program funded? Please select	t all that apply and indicate an esti	imate in percentages:
[X] Government100%		
[] National Lottery program	%	

[] National Olympic Committee (NOC)	
[] Other Sports Organization(s)	
[] Fee for service	
[] Private%	
[] Other%	
10. Distribution of funding	•
What percentage of your annual anti-doping budget is put towards the following core programs	?
[30] Testing (including equipment, transportation, Sample Collection Personnel (SCP) fees)	
[26] Sample analysis	
[1] Investigations	
[3] Education	
[1] Results Management/Legal	
[1] Therapeutic Use Exemptions (TUEs)	
[38] Other (e.g. remuneration, administration)	
11. Sport Budget	•
What amount has been allocated to the sport budget from the state budget for the year 2018?	
[158939000] amounteurocurrency	
[] Data not available	
12. Limiting public funding to organisations	•
Is public funding withheld from organisations that do not comply with anti-doping regulations a	and related legal instruments?
(X) Yes, all funding is withheld; your comment (optional)	
() A limited amount of funding is withheld; your comment (optional)	
() No financial implications; your comment (optional)	
() Information not available; your comment (optional)	
13. Limitation of public funding of persons	•
Is sport-related financial assistance provided by public authorities withheld from banned athlete during the period of their suspension?	s or athlete support personne
(X) Yes, all funding is withheld; your comment (optional)	
() A limited amount of funding is withheld; your comment (optional)	
() No; your comment (optional)	

() Not applicable (no sport-related financial assistance is provided by public authorities to athletes or support personnel); your
comment (optional)
() Information not available; your comment (optional)
14. Testing programme
Does your country have a national testing programme?
(X) Yes
() No, please explain
15. Elements of the Testing Program
What elements of the testing program are implemented by the national anti-doping organisation?
[X] Risk Assessment and Test Distribution Planning (TDP)
[X] Registered Testing Pool
[X] Random selection of athletes
[X] Targeted selection of athletes
[X] In-competition testing
[X] Out-of-competition testing
[X] No-advance notice testing
[X] Blood testing
[X] Athlete Biological Passport (ABP) modules
[] Other elements, please specify
[] If some elements are implemented by another body, please specify which body
16. Quality certificate
Is your NADO or part of its procedures certified according to a quality standard (such as ISO, iNADO or any other quality assurance system)?
(X) Yes, please specify which standard, its scope and validity: ISO 9001:2015
() In progress, please specify
() No; your comment (optional)
17. NADO staff
Please outline below how many staff are involved in the coordination and management of your anti-doping programs. Min numeric value allowed: 0
[6] Staff full time
[4] Staff part time
[0] Volunteers
[0] Committee members

[] Data not available		
18. Sample Collection Personnel		
Do you have Sample Collection Personnel (SC	CP) ?	
(X) Yes		
() No, please explain		
19. Number of DCOs and BCOs		
How many Doping Control Officers (DCOs),	Blood Control Officers (BCOs) an	d chaperones are in your sample collection
personnel program?		
Min numeric value allowed : 0		
[29] DCOs; your comment (optional)		
[25] BCOs; your comment (optional)		
[111] Chaperones; your comment (optional)		
[] Data not available		
20. Laboratory		
Is there a doping control laboratory in your co	untry?	
[X] Yes, accredited by WADA		
[] Yes, but accreditation by WADA is pending		
[] Accredited by WADA for athlete biological	passport	
[] No, we send samples to the WADA accredi	ted laboratories in:	(city)
[] Not available		
21. Testing statistics		•
How many samples were collected under your	national testing program in the ye	ar 2018?
	Urine	Blood (including ABP)
In-competition testing	1080	119
Min numeric value allowed: 0		
Out-of-competition testing	1214	504
Min numeric value allowed: 0		
[] Data not available		
22. Testing abroad		
Did you test athletes under your authority who	reside or train abroad (directly or	by subcontracting another ADO)?
(X) Yes; your comment (optional)		
() Not in 2018, but we have authorisation to de	o so; your comment (optional)

29. Statistics on doping trafficking

Do law enforcement agencies share data on the seizure of doping substances with the national anti-doping organisation:

(X) Yes, please specify how many seizures have been reported: Number of seized doping substances is 587 445 (tablets/ampoules)

() No; your comment (optional)

() Other, please specify:

30. Organisation of anti-doping education

Which organisations are involved in coordinating and/or implementing anti-doping education programs?

- [X] National anti-doping organisation
- [X] Ministry responsible for sport
- [X] Ministry responsible for education
- [X] Ministry responsible for health
- [X] Other governmental body
- [X] National sport federations
- [X] Regional/municipal sport organisations
- [X] Universities
- [X] Schools
- [X] Sport clubs
- [X] Other bodiessports institutes, sports-oriented education institutes, association of sports doctors, national defence force

31. Anti-doping education themes

What types of anti-doping message are provided for different target groups?

32.	N	lutritional	supr	lements

What measures have been taken to address the problems related to nutritional supplements in sport?	
[] Restrict availability	
[] Control of production	
[] Provide quality assurance	
[] Comprehensive labelling	
[] Limit advertising and promotion	
[X] Educational and informational measures	
[] Other, please specify:	
33. Anti-doping research	

Has any anti-doping research been undertaken or supported?

- () Yes; your comment (optional)
- () Yes, to a limited extent; your comment (optional)
- (X) No; your comment (optional)During 2018 no applications for antidoping research was received.

34. Areas of anti-doping research

Wha	at are the areas of anti-doping research?
[] Doping prevention
[] Detection methods
[] Behavioural and social aspects of doping
[] Health consequences of doping
[] Physiological and psychological training programmes
[] Emerging substances or methods
[] Alternative testing methods
[] None
[}	X] Other; your comment (optional)See previous answer.
35.	Publication of anti-doping research
How	many articles with the results of this research have been published in peer-reviewed scientific journals?
[(0] in 2018; your comment (optional)
[] Data not available
36.	International agreements
	your country signed any agreements with other Anti-Doping Organizations (ADOs) or agreements on anti-doping wit other organisation or State concerning the following:

	Yes or No; if applicable please explain or upload the document (below)
(a) Sharing of information	Yes
(b) Law enforcement cooperation	No
(c) Athlete Biological Passport sharing or coordination	Yes
(d) General cooperation	Yes

[] Data not available

CONSEIL DE L'EUROPE

Anti-Doping Questionnaire

Implementation of anti-doping policies in 2018 - France

Implementation of anti-doping policies in 2018 0.2

Objective:

In order to implement the requirements of the Article 9 of the Anti-Doping Convention, the online annual questionnaire is

ready for collection of data regarding anti-doping policies in 2018.

In case you face any problems which would prevent you from filling in the questionnaire, please report it to us by e-mail sport.t-do@coe.int

You are kindly requested to fill in, save and post your country's data for 2018 before 31 May 2019.

Instruction:

For detailed instructions please select the links to documentation at the top of the page

Questions:

1. Number of Athletes

Please estimate the number of athletes in the following categories within your country:

international-level athletes (as defined by the World Anti-Doping Code)

Min numeric value allowed: 0

[] your comment (optional)

[X] Data not available

national-level athletes (as defined by the World Anti-Doping Code)

Min numeric value allowed: 0

[6500] your comment (optional) La définition du sportif de niveau national est donnée par la délibération N°2019-8 du Collège de l'Agence française de lutte contre le dopage.

[] Data not available

other athletes (including recreational athletes)

Min numeric value allowed: 0

[16000000] your comment (optional) Nombre estimé de licenciés au sein des fédérations sportives

[] Data not available

number of athletes in your national Registered Testing Pool (as defined by the World Anti-Doping Code)

Min numeric value allowed: 0

[200] your comment (optional)

[] Data not available

number of athletes at the last Summer Olympic games

Min numeric value allowed: 0

[397] your comment (optional)

[] Data not available

number of athletes at the last Winter Olympic games

Min numeric value allowed: 0

[108] your comment (optional)

[] Data not available

number of athletes at the last Summer Paralympic games

Min numeric value allowed: 0

[126] your comment (optional)

[] Data not available
number of athletes at the last Winter Paralympic games
Min numeric value allowed: 0
[12] your comment (optional)
[] Data not available
2. Doping definition
What is the definition of "Doping in Sport" used in your country?
[] Council of Europe Anti-Doping Convention. Your comment (optional)
[] UNESCO International Convention against doping in sport. Your comment (optional)
[] World Anti-Doping Code. Your comment (optional)
[X] Other, please specify (e.g. national law) : Législation nationale (Code du sport)
3. Doping List
Which list of banned pharmacological classes of doping agents and doping methods (i.e. Prohibited List) is implemented in your country?
[] Prohibited list, as adopted by the Executive Committee of WADA. Your comment (optional)
[] List of banned pharmacological classes of doping agents and doping methods, as adopted by the Monitoring Group (TDO). You comment (optional)
[X] Prohibited list, as adopted by the Conference of Parties of the International Convention against Doping in Sport (UNESCO) Your comment (optional)
[] Other, please specify:
e ortant publication de l'amendement à l'annexe I de la convention internationale contre le dopage dans le sport, adopté à Paris I 15 novembre 2018 :
http://https://www.legifrance.gouv.fr/affichTexte.do?cidTexte=JORFTEXT000037879472&categorieLien=id
4. Additional doping lists
For the purposes of restricting availability of doping substances are there other lists than those defined in question 4?
(X) Yes, please specify: Liste des substances interdites dont la détention est interdite au plan pénal
() No. Your comment (optional)
Attachments

7. NADO activities		•
Which of the activities below are conducted by your na chart, if possible	ational anti-doping organisation?	Please upload the organisational
	Yes. Your comment (optional)	No, please specify which organisation is in charge:
Co-ordination of action by public authorities	()	(X) Ministère des sports
Coordination of the fight against trafficking	()	(X) Ministère des ports et Ministère de la Justice
Testing (doping control)	(X)	()
Results management	(X)	()
Disciplinary procedures	(X)	()
Education and/or information	(X)	()
Research	(X)	() En coordination avec le Ministère des sports

8. Funding of anti-doping program	
	as your annual anti-doping budget for the 2018 calendar year? numeric value allowed: 0
[121	26902] amounteurosCurrency
[] D	ata not available
9. Fun	ading sources
How is	the anti-doping program funded? Please select all that apply and indicate an estimate in percentages:
[](Government86,6%
[]N	Vational Lottery program3,1%
[]N	Vational Olympic Committee (NOC) %
[](Other Sports Organization(s) %
[]F	ee for service10,3%
[]P	rivate%
[](Other %
10. Di	stribution of funding
What pe	ercentage of your annual anti-doping budget is put towards the following core programs?
[] Testing (including equipment, transportation, Sample Collection Personnel (SCP) fees)
[] Sample analysis
[] Investigations
[] Education
[] Results Management/Legal
[] Therapeutic Use Exemptions (TUEs)
[[X]] Other (e.g. remuneration, administration)
11. Sp	oort Budget
What aı	mount has been allocated to the sport budget from the state budget for the year 2018?
[516	000000] amounteuroscurrency
[] D	ata not available
12. Li	miting public funding to organisations
Is publi	c funding withheld from organisations that do not comply with anti-doping regulations and related legal instruments?
() Y	es, all funding is withheld; your comment (optional)

(X) A limited amount of funding is withheld; your comment (optional)Le ministère chargé des sports peut décider de retirer l'agrément accordé à une fédération sportive. Dans ce cas, cette fédération est alors privée des subventions qu'elle reçoit de la part de l'État, ainsi que
de la mise à disposition de personnels de l'État ou d'agents publics rémunérés par lui qui exercent, au sein de la fédération, des missions de conseiller technique sportif.
() No financial implications; your comment (optional)
() Information not available; your comment (optional)
13. Limitation of public funding of persons
Is sport-related financial assistance provided by public authorities withheld from banned athletes or athlete support personnel during the period of their suspension?
() Yes, all funding is withheld; your comment (optional)
(X) A limited amount of funding is withheld; your comment (optional)La cessation du versement de l'aide financière n'est pas automatique. Elle ne peut intervenir que sur décision motivée du ministre chargé des sports, qui peut retirer à une personne la qualité de sportif de haut niveau ou Espoir, ou celle d'entraîneur de haut niveau, en cas de VRAD (violation des règles antidopage) avérée commise par l'intéressé, ce qui entraîne alors une suppression des aides personnalisées. L'AFLD peut également demander au Ministre la prise d'une telle décision.
() No; your comment (optional)
() Not applicable (no sport-related financial assistance is provided by public authorities to athletes or support personnel); your comment (optional)
() Information not available; your comment (optional)
14. Testing programme
Does your country have a national testing programme?
(X)Yes
() No, please explain
15. Elements of the Testing Program
What elements of the testing program are implemented by the national anti-doping organisation?
[X] Risk Assessment and Test Distribution Planning (TDP)
[X] Registered Testing Pool
[X] Random selection of athletes
[X] Targeted selection of athletes
[X] In-competition testing
[X] Out-of-competition testing
[X] No-advance notice testing
[X] Blood testing
[X] Athlete Biological Passport (ABP) modules
[] Other elements, please specify
[] If some elements are implemented by another body, please specify which body

16. Quality certificate	
Is your NADO or part of its procedures certified according to a quality standard (such as ISO, iNADO or any other quality assurance system)?	ity
() Yes, please specify which standard, its scope and validity:	
(X) In progress, please specifyNorme ISO37001	
() No; your comment (optional)	
17. NADO staff	
Please outline below how many staff are involved in the coordination and management of your anti-doping programs. Min numeric value allowed: 0	
[21] Staff full time	
[14] Staff part time	
[0] Volunteers	
[0] Committee members	
[] Data not available	
18. Sample Collection Personnel	
Do you have Sample Collection Personnel (SCP) ?	
(X) Yes	
() No, please explain	
19. Number of DCOs and BCOs	
How many Doping Control Officers (DCOs), Blood Control Officers (BCOs) and chaperones are in your sample collect	io
personnel program? Min numeric value allowed: 0	
[239] DCOs; your comment (optional)	
[190] BCOs; your comment (optional)	
[0] Chaperones; your comment (optional)	
[] Data not available	
20. Laboratory	
Is there a doping control laboratory in your country?	
[X] Yes, accredited by WADA	
[] Yes, but accreditation by WADA is pending	

[] Accredited by WADA for athlete biological passport

21. Testing statistics				
low many samples were collected	l under your national te	esting program in the	year 2018?	,

What is the body handling appeals against disciplinary measures?

(X) State authority; your comment (optional)L'autorité compétente pour connaître des décision de l'AFLD est le Conseil d'Etat.
Jusqu'à fin 2018, les fédérations nationales étaient compétentes en appel des leurs décisions rendues en 1e instance. Mais l'ordonnance du
19 décembre 2018 a supprimé le pouvoir disciplinaire des fédérations. Par ailleurs, cette ordonnance reconnait la compétence du TAS pour
les inforactions commises par les sportifs internationaux ou à l'occasion de compétitions internationales.

Implementation of anti-doping policies in 2018 - Georgia

Implementation of anti-doping policies in 2018 0.2

Objective:

In order to implement the requirements of the Article 9 of the Anti-Doping Convention, the online annual questionnaire is ready for collection of data regarding anti-doping policies in 2018.

In case you face any problems which would prevent you from filling in the questionnaire, please report it to us by e-mail sport.t-do@coe.int

You are kindly requested to fill in, save and post your country's data for 2018 before 31 May 2019.

Instruction:

For detailed instructions please select the links to documentation at the top of the page

Questions:

1. Number of Athletes	

Please estimate the number of athletes in the following categories within your country:

international-level athletes (as defined by the World Anti-Doping Code) Min numeric value allowed : 0
[11000] your comment (optional)
[] Data not available
national-level athletes (as defined by the World Anti-Doping Code) Min numeric value allowed: 0
[25000] your comment (optional)
[] Data not available
other athletes (including recreational athletes)
Min numeric value allowed: 0
[135000] your comment (optional)
[] Data not available
number of athletes in your national Registered Testing Pool (as defined by the World Anti-Doping Code) Min numeric value allowed : 0
[72] your comment (optional)
[] Data not available
number of athletes at the last Summer Olympic games Min numeric value allowed: 0
with numeric value anowed . 0
[39] your comment (optional)
Data not available

number of athletes at the last Winter Olympic games Min numeric value allowed: 0
[4] your comment (optional)
number of athletes at the last Summer Paralympic games Min numeric value allowed: 0
[5] your comment (optional)
number of athletes at the last Winter Paralympic games Min numeric value allowed: 0
[2] your comment (optional)
2. Doping definition
What is the definition of "Doping in Sport" used in your country?
[X] Council of Europe Anti-Doping Convention. Your comment (optional)
[X] UNESCO International Convention against doping in sport. Your comment (optional)
[X] World Anti-Doping Code. Your comment (optional)
[X] Other, please specify (e.g. national law): Anti-doping rules of Georgia, adopted by GADA
3. Doping List
Which list of banned pharmacological classes of doping agents and doping methods (i.e. Prohibited List) is implemented in your country?
[X] Prohibited list, as adopted by the Executive Committee of WADA. Your comment (optional)
[X] List of banned pharmacological classes of doping agents and doping methods, as adopted by the Monitoring Group (TDO). You comment (optional)
[X] Prohibited list, as adopted by the Conference of Parties of the International Convention against Doping in Sport (UNESCO) You comment (optional)
[] Other, please specify:
4. Additional doping lists
For the purposes of restricting availability of doping substances are there other lists than those defined in question 4?
() Yes, please specify:
(X) No. Your comment (optional)
5. Anti-doping laws
Are there any anti-doping laws in your country?
[] Anti-doping law. Your comment (optional)

abstances in sport.		
[] No. Your comment (optional)		
6. National anti-doping organisation (NADO)		(
What is the legal status of your national anti-doping or	rganisation? Please upload the sta	atutes, if possible
() Public authority. Your comment (optional)		
(X) Non-governmental organisation. Your comment (or	otional)

() Information not available; your comment (optional)
14. Testing programme
Does your country have a national testing programme?
(X) Yes
() No, please explain
15. Elements of the Testing Program
What elements of the testing program are implemented by the national anti-doping organisation?
[X] Risk Assessment and Test Distribution Planning (TDP)
[X] Registered Testing Pool
[X] Random selection of athletes
[X] Targeted selection of athletes
[X] In-competition testing
[X] Out-of-competition testing
[X] No-advance notice testing
[X] Blood testing
[X] Athlete Biological Passport (ABP) modules
[] Other elements, please specify
[] If some elements are implemented by another body, please specify which body
16. Quality certificate
Is your NADO or part of its procedures certified according to a quality standard (such as ISO, iNADO or any other qua assurance system)?
() Yes, please specify which standard, its scope and validity:
() In progress, please specify
(X) No; your comment (optional)
17. NADO staff
Please outline below how many staff are involved in the coordination and management of your anti-doping programs. Min numeric value allowed: 0

[3] Staff full time

[1] Staff part time		
[0] Volunteers		
[3] Committee members [] Data not available		
18. Sample Collection Personnel		•
Do you have Sample Collection Personnel (SCF	?) ?	
(X) Yes		
() No, please explain		
19. Number of DCOs and BCOs		•
How many Doping Control Officers (DCOs), Borersonnel program? Min numeric value allowed: 0	lood Control Officers (BCOs) an	nd chaperones are in your sample collection
[14] DCOs; your comment (optional)		
[8] BCOs; your comment (optional)		
[16] Chaperones; your comment (optional)		
20. Laboratory		•
Is there a doping control laboratory in your cour	ntry?	
[] Yes, accredited by WADA		
[] Yes, but accreditation by WADA is pending		
[] Accredited by WADA for athlete biological p	passport	
[X] No, we send samples to the WADA accredite	ed laboratories in:Germany, Cologn	e(city)
[] Not available		
21. Testing statistics		
How many samples were collected under your n	national testing program in the ye	ear 2018?
	Urine	Blood (including ABP)
In-competition testing	116	0
Min numeric value allowed: 0	05	17
Out-of-competition testing Min numeric value allowed: 0	95	17

22. Testing abroad

[] Data not available

Did you test athletes under your auth	ority who re	side or train abroad (d	irectly or	by subcontracting	g another ADO)?
() Yes; your comment (optional)					
(X) Not in 2018, but we have authori	sation to do s	o; your comment (option	nal)		
() No, we do not have authorisation	to do so; you	er comment (optional)			
23. Disciplinary system					•
What are the disciplinary bodies for o	doping offer	nces, i.e. the main body	imposing	g sanctions on ath	aletes and other persons?

ADQ Anti-Doping Questionnaire

Implementation of anti-doping policies in 2018 - Germany

Implementation of anti-doping policies in 2018 0.2

Objective:

In order to implement the requirements of the Article 9 of the Anti-Doping Convention, the online annual questionnaire is ready for collection of data regarding anti-doping policies in 2018.

In case you face any problems which would prevent you from filling in the questionnaire, please report it to us by e-mail sport.t-do@coe.int

You are kindly requested to fill in, save and post your country's data for 2018 before 31 May 2019.

Instruction:

For detailed instructions please select the links to documentation at the top of the page

Please estimate the number of athletes in the following categories within your country:

[426] your comment (optional)

Questions:

[] Data not available

international-level athletes (as defined by the World Anti-Doping Code) Min numeric value allowed: 0
[6.964] your comment (optional)
national-level athletes (as defined by the World Anti-Doping Code) Min numeric value allowed: 0
[1648] your comment (optional)
other athletes (including recreational athletes) Min numeric value allowed: 0
[4955] your comment (optional)
number of athletes in your national Registered Testing Pool (as defined by the World Anti-Doping Code) Min numeric value allowed: 0

8. Funding of anti-doping program		•
What was your annual anti-doping budget for the 2018 Min numeric value allowed: 0	3 calendar year?	
[9700000] amountEuroCurrency [] Data not available		
9. Funding sources		
•	all that and the Property of	
How is the anti-doping program funded? Please select	all that apply and indicate an esti	imate in percentages:

[X] Government 64%
[] National Lottery program %
[X] National Olympic Committee (NOC) 7%
[X] Other Sports Organization(s) 23%
[] Fee for service
[] Private %
[] Other 6%
10. Distribution of funding
What percentage of your annual anti-doping budget is put towards the following core programs?
[33] Testing (including equipment, transportation, Sample Collection Personnel (SCP) fees)
[23] Sample analysis
[0] Investigations
[7] Education
[3] Results Management/Legal
[0] Therapeutic Use Exemptions (TUEs)
[34] Other (e.g. remuneration, administration) Human Ressources [] Data not available
11. Sport Budget
What amount has been allocated to the sport budget from the state budget for the year 2018?
[X] Data not available
12. Limiting public funding to organisations
Is public funding withheld from organisations that do not comply with anti-doping regulations and related legal instruments?
() Yes, all funding is withheld; your comment (optional)
(X) A limited amount of funding is withheld; your comment (optional)
() No financial implications; your comment (optional)
() Information not available; your comment (optional)
13. Limitation of public funding of persons
Is sport-related financial assistance provided by public authorities withheld from banned athletes or athlete support personnel during the period of their suspension?
() Yes, all funding is withheld; your comment (optional)

() A limited amount of funding is withheld; your comment (optional)
() No; your comment (optional)
(X) Not applicable (no sport-related financial assistance is provided by public authorities to athletes or support personnel); your
comment (optional)
() Information not available; your comment (optional)
14. Testing programme
Does your country have a national testing programme?
(X) Yes
() No, please explain
15. Elements of the Testing Program
What elements of the testing program are implemented by the national anti-doping organisation?
[X] Risk Assessment and Test Distribution Planning (TDP)
[X] Registered Testing Pool
[X] Random selection of athletes
[X] Targeted selection of athletes
[X] In-competition testing
[X] Out-of-competition testing
[X] No-advance notice testing
[X] Blood testing
[X] Athlete Biological Passport (ABP) modules
[X] Other elements, please specify Longterm-Storage, individual Test Distribution, PreOlympic Testing Programmes, additional Testpools (NTP, ATP, TTP), League-Tetsing
[] If some elements are implemented by another body, please specify which body
16. Quality certificate
Is your NADO or part of its procedures certified according to a quality standard (such as ISO, iNADO or any other quali assurance system)?
(X) Yes, please specify which standard, its scope and validity: DIN EN ISO 9001:2015
() In progress, please specify
() No; your comment (optional)
17. NADO staff

Please outline below how many staff are involved in the coordination and management of your anti-doping programs.

Min numeric value allowed: 0

[8] Staff full time

[3] Staff part time		
[1] Volunteers		
[0] Committee members		
[] Data not available		
18. Sample Collection Personnel		•
Do you have Sample Collection Personnel (SCP))?	
() Yes		
(X) No, please explain the sample collection servi Professional Worldwide Controls GmbH, Gilching; Gl Stockholm, Sports Medical Services GmbH, Köln.	•	
19. Number of DCOs and BCOs		C
How many Doping Control Officers (DCOs), Blopersonnel program? Min numeric value allowed: 0	ood Control Officers (BCOs) and	d chaperones are in your sample collection
[454] DCOs; your comment (optional)mainly loc AUT, NOR, RUS	cated in Germany, additionally in US	SA, ARG, JPN, RSA, ITA, FRA, ESP, SUI,
[181] BCOs; your comment (optional)mainly loc AUT, NOR, RUS	ated in Germany, additionally in US	SA, ARG, JPN, RSA, ITA, FRA, ESP, SUI,
[0] Chaperones; your comment (optional)Chapero	ons are organised by SCAs	
20. Laboratory		C
Is there a doping control laboratory in your coun	atry?	
[X] Yes, accredited by WADA		
[] Yes, but accreditation by WADA is pending		
[] Accredited by WADA for athlete biological pa	assport	
[] No, we send samples to the WADA accredited	d laboratories in:	(city)
[] Not available		
21. Testing statistics		
How many samples were collected under your na	ational testing program in the yea	nr 2018?
	Urine	Blood (including ABP)
In-competition testing	5503	1123

Min numeric value allowed: 0

Out-of-competition testing		7008		2665	
Min numeric value allowed : 0		<u> </u>			
[] Data not available					
22. Testing abroad					
Did you test athletes under your auth	ority who reside or train	abroad (directly or b	y subcontr	acting another ADO)?	
(X) Yes; your comment (optional) w	orldwide				
() Not in 2018, but we have authori	sation to do so; your commo	ent (optional)			
() No, we do not have authorisation	to do so; your comment (o	ptional)			
23. Disciplinary system					
What are the disciplinary bodies for	doping offences, i.e. the i	main body imposing	sanctions (on athletes and other persons	
	_		_		
State authority	no		no		
NADO	yes		yes

ADQ Anti-Doping Questionnaire

Implementation of anti-doping policies in 2018 - Greece

Implementation of anti-doping policies in 2018 0.2

Objective:

In order to implement the requirements of the Article 9 of the Anti-Doping Convention, the online annual questionnaire is ready for collection of data regarding anti-doping policies in 2018.

In case you face any problems which would prevent you from filling in the questionnaire, please report it to us by e-mail sport.t-do@coe.int

You are kindly requested to fill in, save and post your country's data for 2018 before 31 May 2019.

Instruction:

For detailed instructions please select the links to documentation at the top of the page

Questions:

1. Number of Athletes

[] Data not available

Please estimate the number of athletes in the following categories within your country:
international-level athletes (as defined by the World Anti-Doping Code) Min numeric value allowed: 0
[80] your comment (optional) conform our estimation [] Data not available
national-level athletes (as defined by the World Anti-Doping Code) Min numeric value allowed: 0
[X] Data not available
other athletes (including recreational athletes) Min numeric value allowed: 0
[X] Data not available
number of athletes in your national Registered Testing Pool (as defined by the World Anti-Doping Code) Min numeric value allowed: 0
[94] your comment (optional)
number of athletes at the last Summer Olympic games Min numeric value allowed: 0
[98] your comment (optional)

number of athletes at the last Winter Olympic games Min numeric value allowed: 0
[5] your comment (optional) data from NOC [] Data not available
number of athletes at the last Summer Paralympic games
Min numeric value allowed: 0
[X] Data not available
number of athletes at the last Winter Paralympic games Min numeric value allowed: 0
[X] Data not available
2. Doping definition
What is the definition of "Doping in Sport" used in your country?
[X] Council of Europe Anti-Doping Convention. Your comment (optional)
[] UNESCO International Convention against doping in sport. Your comment (optional)
[X] World Anti-Doping Code. Your comment (optional)
[] Other, please specify (e.g. national law):
3. Doping List
Which list of banned pharmacological classes of doping agents and doping methods (i.e. Prohibited List) is implemented by your country?
[X] Prohibited list, as adopted by the Executive Committee of WADA. Your comment (optional)
[] List of banned pharmacological classes of doping agents and doping methods, as adopted by the Monitoring Group (TDO). You comment (optional)
[] Prohibited list, as adopted by the Conference of Parties of the International Convention against Doping in Sport (UNESCO) You comment (optional)
[] Other, please specify:
4. Additional doping lists
For the purposes of restricting availability of doping substances are there other lists than those defined in question 4?
() Yes, please specify:
(X) No. Your comment (optional)
5. Anti-doping laws
Are there any anti-doping laws in your country?

[X] Anti-doping law. Your comment (optional)L.4373/2016 and 2725/1999

[] Other formal regulations, please specify:		
[] No. Your comment (optional)		
6. National anti-doping organisation (NADO)		(
What is the legal status of your national anti-doping or	ganisation? Please upload the statute	es, if possible
(X) Public authority. Your comment (optional)named H	Iellenic, National Council for Combatin	g Doping (ESKAN)
() Non-governmental organisation. Your comment (opt	ional)	
() Private company. Your comment (optional)		
() National Olympic Committee. Your comment (optio	nal)	
() Other, please specify :		
7. NADO activities Which of the activities below are conducted by your national states.	ational anti-doping organisation? Ple	ase upload the organisational
chart, if possible		
	Yes. Your comment (optional)	No, please specify which organisation is in charge:
Co-ordination of action by public authorities	(X) Collaboration with Procecutor's office	()
Coordination of the fight against trafficking	(X) collaboration with Customs authorities	()
Testing (doping control)	(X) by ESKAN	()
Results management	(X) by ESKAN	()
Disciplinary procedures	(X) By First Instance Disciplinary Commiteee	()
Education and/or information	(X) In collaboration with Educational Authorities	()
Research	()	(X) Its not our legal obligation
8. Funding of anti-doping program What was your annual anti-doping budget for the 2018 Min numeric value allowed: 0	3 calendar year?	•
[500] amountensured by Ministry of SportsCurrency [] Data not available		
9. Funding sources		•
How is the anti-doping program funded? Please select	all that apply and indicate an estimat	te in percentages:
[X] Government75%		
[] National Lottery program	%	

[] National Olympic Committee (NOC)
[X] Other Sports Organization(s)25%
[] Fee for service
[] Private %
[] Other %
10. Distribution of funding
What percentage of your annual anti-doping budget is put towards the following core programs?
[70] Testing (including equipment, transportation, Sample Collection Personnel (SCP) fees)
[5] Sample analysis
[0] Investigations
[20] Education
[5] Results Management/Legal
[0] Therapeutic Use Exemptions (TUEs)
[0] Other (e.g. remuneration, administration)
11. Sport Budget
What amount has been allocated to the sport budget from the state budget for the year 2018?
[X] Data not available
12. Limiting public funding to organisations
Is public funding withheld from organisations that do not comply with anti-doping regulations and related legal instruments
() Yes, all funding is withheld; your comment (optional)
() A limited amount of funding is withheld; your comment (optional)
(X) No financial implications; your comment (optional)
() Information not available; your comment (optional)
13. Limitation of public funding of persons
Is sport-related financial assistance provided by public authorities withheld from banned athletes or athlete support personne during the period of their suspension?
(X) Yes, all funding is withheld; your comment (optional)performed by General Secretary of Sports
() A limited amount of funding is withheld; your comment (optional)
() No: your comment (ontional)

() Not applicable (no sport-related financial assistance is provided by public authorities to athletes or support personnel); your comment (optional)	
() Information not available; your comment (optional)	
14. Testing programme	
Does your country have a national testing programme?	
(X) Yes	
() No, please explain	
15. Elements of the Testing Program	
What elements of the testing program are implemented by the national anti-doping organisation?	
[X] Risk Assessment and Test Distribution Planning (TDP)	
[X] Registered Testing Pool	
[X] Random selection of athletes	
[X] Targeted selection of athletes	
[X] In-competition testing	
[X] Out-of-competition testing	
[X] No-advance notice testing	
[] Blood testing	
[] Athlete Biological Passport (ABP) modules	
[] Other elements, please specify	
[] If some elements are implemented by another body, please specify which body	
16. Quality certificate	
Is your NADO or part of its procedures certified according to a quality standard (such as ISO, iNADO or any other quality assurance system)?	.ty
() Yes, please specify which standard, its scope and validity:	
() In progress, please specify	
(X) No; your comment (optional)	
17. NADO staff	
Please outline below how many staff are involved in the coordination and management of your anti-doping programs. Min numeric value allowed: 0	
[6] Staff full time	
[1] Staff part time	
[0] Volunteers	
[9] Committee members	

[] Data not available		
18. Sample Collection Personnel		
Do you have Sample Collection Personnel (SC	CP) ?	
(X) Yes		
() No, please explain		
19. Number of DCOs and BCOs		
How many Doping Control Officers (DCOs),	Blood Control Officers (BCOs) an	d chaperones are in your sample collection
personnel program? Min numeric value allowed: 0		
With numeric value allowed: 0		
[10] DCOs; your comment (optional)		
[2] BCOs; your comment (optional)		
[4] Chaperones; your comment (optional)		
[] Data not available		
20. Laboratory		
Is there a doping control laboratory in your co	untry?	
[X] Yes, accredited by WADA		
[] Yes, but accreditation by WADA is pending		
[] Accredited by WADA for athlete biological	passport	
[] No, we send samples to the WADA accredi	ted laboratories in:	(city)
[] Not available		
21. Testing statistics		
How many samples were collected under your	national testing program in the ye	ar 2018?
	Urine	Blood (including ABP)
In-competition testing Min numeric value allowed: 0	850	0
Out-of-competition testing	189	0
Min numeric value allowed : 0		I
[] Data not available		
22. Testing abroad		
Did you test athletes under your authority who	•	by subcontracting another ADO)?
(X) Not in 2018, but we have authorisation to d	lo so; your comment (optional)	

23. Disciplinary system		
What are the disciplinary bodies for o	loping offences, i.e. the main l	ody imposing sanctions on athletes and other persons?
	_	_
State authority	yes	yes
NADO	no	no

Anti-Doping Questionnaire

Implementation of anti-doping policies in 2018 - Hungary

Implementation of anti-doping policies in 2018 0.2

Objective:

In order to implement the requirements of the Article 9 of the Anti-Doping Convention, the online annual questionnaire is ready for collection of data regarding anti-doping policies in 2018.

In case you face any problems which would prevent you from filling in the questionnaire, please report it to us by e-mail

			1	\sim		• .
C1	nor	t t_	വവ	(a)	coe	1nf
o		ι.ι-	uo	C.	COC	.IIIt

You are kindly requested to fill in, save and post your country's data for 2018 before 31 May 2019.

Instruction:

For detailed instructions please select the links to documentation at the top of the page

Questions:

1. Number of Athletes	

Please estimate the number of athletes in the f	following categories within your country
---	--

ease estimate the number of athletes in the following categories within your country:
international-level athletes (as defined by the World Anti-Doping Code) Min numeric value allowed: 0
[X] Data not available
national-level athletes (as defined by the World Anti-Doping Code) Min numeric value allowed: 0
[501000] your comment (optional)
[] Data not available
other athletes (including recreational athletes) Min numeric value allowed: 0
[X] Data not available
number of athletes in your national Registered Testing Pool (as defined by the World Anti-Doping Code) Min numeric value allowed : 0
[123] your comment (optional)
number of athletes at the last Summer Olympic games Min numeric value allowed: 0
[156] your comment (optional)
number of athletes at the last Winter Olympic games Min numeric value allowed: 0
[19] your comment (optional)
number of athletes at the last Summer Paralympic games Min numeric value allowed: 0
[43] your comment (optional)
number of athletes at the last Winter Paralympic games

Min numeric value allowed: 0

[2] your comment (optional)
2. Doping definition
What is the definition of "Doping in Sport" used in your country?
[] Council of Europe Anti-Doping Convention. Your comment (optional)
[] UNESCO International Convention against doping in sport. Your comment (optional)
[X] World Anti-Doping Code. Your comment (optional)
[] Other, please specify (e.g. national law):
3. Doping List
Which list of banned pharmacological classes of doping agents and doping methods (i.e. Prohibited List) is implemented in your country?
[X] Prohibited list, as adopted by the Executive Committee of WADA. Your comment (optional)
[] List of banned pharmacological classes of doping agents and doping methods, as adopted by the Monitoring Group (TDO). Your comment (optional)
[X] Prohibited list, as adopted by the Conference of Parties of the International Convention against Doping in Sport (UNESCO) You
comment (optional)
[] Other, please specify:
4. Additional doping lists
For the purposes of restricting availability of doping substances are there other lists than those defined in question 4? () Yes, please specify:
(X) No. Your comment (optional)
5. Anti-doping laws
Are there any anti-doping laws in your country?
[X] Anti-doping law. Your comment (optional)
[] Other formal regulations, please specify:
[] No. Your comment (optional)
Attachments Decree No. 43-2011 -III.23. of the Government on the rules of anti-doping activities.pdf
6. National anti-doping organisation (NADO)
What is the legal status of your national anti-doping organisation? Please upload the statutes, if possible
() Public authority. Your comment (optional)
() Non-governmental organisation. Your comment (optional)

() National Olympic Committee. Your comment (option) () Other, please specify:					
7. NADO activities					
Which of the activities below are conducted by your n	ational anti-doping organisation?	Please upload the organisation			
hart, if possible	Yes. Your comment (optional)	No, please specify which organisation is in charge:			
Co-ordination of action by public authorities	()	(X) State Secretariat fo			
Coordination of the fight against trafficking	()	(X) National Police Headquarters			
Testing (doping control)	(X)	()			
Results management	(X)	()			
Disciplinary procedures	(X)	()			
Education and/or information	(X)	()			
Research	(X)	()			
8. Funding of anti-doping program					
What was your annual anti-doping budget for the 2018 Min numeric value allowed: 0	8 calendar year?				
[405000000] amountHUFCurrency					
9. Funding sources					
Now is the anti-doping program funded? Please select	all that apply and indicate an esti	imate in percentages:			
[] Government70%					
[] National Lottery program0%					
[] National Olympic Committee (NOC)0%					
[] Other Sports Organization(s)0%					
[] Fee for service30%					
[] Private0%					
[]111,460,0					

Page: 224

What percentage of your annual anti-doping budget is put towards the following core programs?
[25] Testing (including equipment, transportation, Sample Collection Personnel (SCP) fees)
[20] Sample analysis
[4] Investigations
[20] Education
[20] Results Management/Legal
[3] Therapeutic Use Exemptions (TUEs)
[8] Other (e.g. remuneration, administration) accountancy, tax, administration [] Data not available
11. Sport Budget
What amount has been allocated to the sport budget from the state budget for the year 2018?
[269774716] amountEURcurrency
[] Data not available
12. Limiting public funding to organisations
Is public funding withheld from organisations that do not comply with anti-doping regulations and related legal instruments?
(X) Yes, all funding is withheld; your comment (optional)
() A limited amount of funding is withheld; your comment (optional)
() No financial implications; your comment (optional)
() Information not available; your comment (optional)
13. Limitation of public funding of persons
Is sport-related financial assistance provided by public authorities withheld from banned athletes or athlete support personned during the period of their suspension?
(X) Yes, all funding is withheld; your comment (optional)
() A limited amount of funding is withheld; your comment (optional)
() No; your comment (optional)
() Not applicable (no sport-related financial assistance is provided by public authorities to athletes or support personnel); your comment (optional)
() Information not available; your comment (optional)
14. Testing programme
Does your country have a national testing programme?
(X)Yes
() No, please explain

15. Elements of the Testing Program
What elements of the testing program are implemented by the national anti-doping organisation?
[X] Risk Assessment and Test Distribution Planning (TDP)
[X] Registered Testing Pool
[X] Random selection of athletes
[X] Targeted selection of athletes
[X] In-competition testing
[X] Out-of-competition testing
[X] No-advance notice testing
[X] Blood testing
[X] Athlete Biological Passport (ABP) modules
[X] Other elements, please specifyRapid drug testing, breath testing (alcohol testing)
[] If some elements are implemented by another body, please specify which body
16. Quality certificate
Is your NADO or part of its procedures certified according to a quality standard (such as ISO, iNADO or any other quali assurance system)?
(X) Yes, please specify which standard, its scope and validity: ISO 9001:2015
() In progress, please specify
() No; your comment (optional)
17. NADO staff
Please outline below how many staff are involved in the coordination and management of your anti-doping programs. Min numeric value allowed: 0
[9] Staff full time
[5] Staff part time
[0] Volunteers
[4] Committee members
[] Data not available
18. Sample Collection Personnel
Do you have Sample Collection Personnel (SCP) ?
(X) Yes
() No, please explain

Page : 226

CONSEIL DE L'EUROPE

Anti-Doping Questionnaire

Implementation of anti-doping policies in 2018 - Ireland

Implementation of anti-doping policies in 2018 0.2

Objective:

In order to implement the requirements of the Article 9 of the Anti-Doping Convention, the online annual questionnaire is ready for collection of data regarding anti-doping policies in 2018.

In case you face any problems which would prevent you from filling in the questionnaire, please report it to us by e-mail sport.t-do@coe.int

You are kindly requested to fill in, save and post your country's data for 2018 before 31 May 2019.

Questions	•
Questions	•

1. Number of Athletes		

Please estimate the number of athletes in the following categories within your country:
international-level athletes (as defined by the World Anti-Doping Code) Min numeric value allowed: 0
[400] your comment (optional)
[] Data not available
national-level athletes (as defined by the World Anti-Doping Code) Min numeric value allowed: 0
[105] your comment (optional)
other athletes (including recreational athletes) Min numeric value allowed: 0
[X] Data not available
number of athletes in your national Registered Testing Pool (as defined by the World Anti-Doping Code) Min numeric value allowed: 0
[125] your comment (optional)
[] Data not available
number of athletes at the last Summer Olympic games Min numeric value allowed: 0
[77] your comment (optional)
[] Data not available
number of athletes at the last Winter Olympic games Min numeric value allowed: 0
[5] your comment (optional)
[] Data not available
number of athletes at the last Summer Paralympic games Min numeric value allowed: 0
[46] your comment (optional)
number of athletes at the last Winter Paralympic games Min numeric value allowed: 0
[0] your comment (optional)

2. Doping definition

What is the definition of "Doping in Sport" used in your country?
[] Council of Europe Anti-Doping Convention. Your comment (optional)
[] UNESCO International Convention against doping in sport. Your comment (optional)
[X] World Anti-Doping Code. Your comment (optional)
[] Other, please specify (e.g. national law):
3. Doping List
Which list of banned pharmacological classes of doping agents and doping methods (i.e. Prohibited List) is implemented in your country?
[X] Prohibited list, as adopted by the Executive Committee of WADA. Your comment (optional)
[] List of banned pharmacological classes of doping agents and doping methods, as adopted by the Monitoring Group (TDO). Yo
[] Prohibited list, as adopted by the Conference of Parties of the International Convention against Doping in Sport (UNESCO) You comment (optional)
[] Other, please specify:
4. Additional doping lists
For the purposes of restricting availability of doping substances are there other lists than those defined in question 4?
() Yes, please specify:
(X) No. Your comment (optional)
5. Anti-doping laws
Are there any anti-doping laws in your country?
[X] Anti-doping law. Your comment (optional)
[] Other formal regulations, please specify:
[] No. Your comment (optional)
6. National anti-doping organisation (NADO)
What is the legal status of your national anti-doping organisation? Please upload the statutes, if possible
(X) Public authority. Your comment (optional)
() Non-governmental organisation. Your comment (optional)
() Private company. Your comment (optional)
() National Olympic Committee. Your comment (optional)
() Other, please specify:
7. NADO activities

Which of the activities below are conducted by your national anti-doping organisation? Please upload the organisational

chart, if possible

	Yes. Your comment (optional)	No, please specify which organisation is in charge:
Co-ordination of action by public authorities	(X)	()
Coordination of the fight against trafficking	()	(X) Health Product Regulatory Authority, Police
Testing (doping control)	(X)	()
Results management	(X)	()
Disciplinary procedures	(X)	()
Education and/or information	(X)	()
Research	(X)	()
8. Funding of anti-doping program What was your annual anti-doping budget for the 2018 Min numeric value allowed: 0 [1985762] amounteuroCurrency [] Data not available	3 calendar year?	
9. Funding sources How is the anti-doping program funded? Please select	all that apply and indicate an esti	mate in percentages:
[] Government100%	an that apply and moreate an esti	mate in percentages.
[] National Lottery program	%	
[] National Olympic Committee (NOC)	%	
[] Other Sports Organization(s)	%	
[] Fee for service	. %	
[] Private%		
[] Other%		
10. Distribution of funding		
What percentage of your annual anti-doping budget is	put towards the following core p	rograms?
[33] Testing (including equipment, transportation, Sam	ple Collection Personnel (SCP) fees)	
[16] Sample analysis		
[0] Investigations		
[3.5] Education		

[13.5] Results Management/Legal	
[1] Therapeutic Use Exemptions (TUEs)	
[33] Other (e.g. remuneration, administration)	
[] Data not available	
11. Sport Budget	
What amount has been allocated to the sport budget from the state budget for the year 2018?	
[75000000] amounteurocurrency	
[] Data not available	
12. Limiting public funding to organisations	
s public funding withheld from organisations that do not comply with anti-doping regulations and related legal instruments	?
(X) Yes, all funding is withheld; your comment (optional)	
() A limited amount of funding is withheld; your comment (optional)	
() No financial implications; your comment (optional)	
() Information not available; your comment (optional)	
13. Limitation of public funding of persons	
s sport-related financial assistance provided by public authorities withheld from banned athletes or athlete support personnel turing the period of their suspension?	el
(X) Yes, all funding is withheld; your comment (optional)	
() A limited amount of funding is withheld; your comment (optional)	
() No; your comment (optional)	
() Not applicable (no sport-related financial assistance is provided by public authorities to athletes or support personnel); your	
mment (optional)	
() Information not available; your comment (optional)	
14. Testing programme	
Ooes your country have a national testing programme?	
(X) Yes	
() No, please explain	
15. Elements of the Testing Program	
What elements of the testing program are implemented by the national anti-doping organisation?	
[X] Risk Assessment and Test Distribution Planning (TDP)	
[X] Registered Testing Pool	

[X] Random selection of athletes

[X] Targeted selection of athletes
[X] In-competition testing
[X] Out-of-competition testing
[X] No-advance notice testing
[X] Blood testing
[X] Athlete Biological Passport (ABP) modules
[] Other elements, please specify
[] If some elements are implemented by another body, please specify which body
16. Quality certificate
Is your NADO or part of its procedures certified according to a quality standard (such as ISO, iNADO or any other quality assurance system)?
(X) Yes, please specify which standard, its scope and validity: IS EN ISO 9001:2015
() In progress, please specify
() No; your comment (optional)
17. NADO staff
Please outline below how many staff are involved in the coordination and management of your anti-doping programs. Min numeric value allowed : 0
[6] Staff full time
[1] Staff part time
[0] Volunteers
[37] Committee members
[] Data not available
18. Sample Collection Personnel
Do you have Sample Collection Personnel (SCP) ?
(X) Yes
() No, please explain
19. Number of DCOs and BCOs
How many Doping Control Officers (DCOs), Blood Control Officers (BCOs) and chaperones are in your sample collection personnel program? Min numeric value allowed: 0
[16] DCOs; your comment (optional)
[30] BCOs; your comment (optional)

[5] Chaperones; your comment (o	ptional)			
20. Laboratory				•
s there a doping control laboratory	in your country?			
[] Yes, accredited by WADA				
[] Yes, but accreditation by WAD	OA is pending			
[] Accredited by WADA for athle	ete biological passpor	rt		
[X] No, we send samples to the W	ADA accredited labor	oratories in:Cologne(city)		
[] Not available				
21. Testing statistics				•
How many samples were collected	under your nationa	al testing program in th	e year 2018?	
		Urine	Blood (in	ncluding ABP)
In-competition testing Min numeric value allowed: 0		213	0	
Out-of-competition testing Min numeric value allowed: 0		562	337	
[] Data not available		·		
22. Testing abroad Did you test athletes under your au	thority who reside	or train abroad (direct)	y or by subcontracting an	other ADO)?
(X) Yes; your comment (optional)				
() Not in 2018, but we have author	orisation to do so; you	ur comment (optional)		
() No, we do not have authorisation	on to do so; your con	nment (optional)		
23. Disciplinary system				•
What are the disciplinary bodies for	or doping offences,	i.e. the main body imp	osing sanctions on athlete	es and other persons?
	_		_	
State authority	No		No	
NADO	No		No	
NOC	No		No	
National sport federations	No		No

CONSEIL DE L'EUROPE

Anti-Doping Questionnaire

Implementation of anti-doping policies in 2018 - Italy

Implementation of anti-doping policies in 2018 0.2

Objective:

In order to implement the requirements of the Article 9 of the Anti-Doping Convention, the online annual questionnaire is ready for collection of data regarding anti-doping policies in 2018.

In case you face any problems which would prevent you from filling in the questionnaire, please report it to us by e-mail sport.t-do@coe.int

You are kindly requested to fill in, save and post your country's data for 2018 before 31 May 2019.

Instruction:

For detailed instructions please select the links to documentation at the top of the page

Questions:

1. Number of Athletes

Please estimate the number of athletes in the following categories within your country:

international-level athletes (as defined by the World Anti-Doping Code)

Min numeric value allowed: 0

[700] your comment (optional) total amount of the athletes included in the RTP during 2018

Page: 254

[] Data not available
national-level athletes (as defined by the World Anti-Doping Code) Min numeric value allowed: 0
[5299] your comment (optional)
other athletes (including recreational athletes) Min numeric value allowed: 0
[4500000] your comment (optional)
number of athletes in your national Registered Testing Pool (as defined by the World Anti-Doping Code) Min numeric value allowed: 0
[527] your comment (optional) December 2018 [] Data not available
number of athletes at the last Summer Olympic games Min numeric value allowed: 0
[314] your comment (optional) Rio de Janeiro 2016 [] Data not available
number of athletes at the last Winter Olympic games Min numeric value allowed: 0
[121] your comment (optional) PyeongChang 2018 [] Data not available
number of athletes at the last Summer Paralympic games Min numeric value allowed: 0
[102] your comment (optional) Rio de Janeiro 2016 [] Data not available
number of athletes at the last Winter Paralympic games Min numeric value allowed: 0
[25] your comment (optional) PyeongChang 2018 [] Data not available
2. Doping definition
What is the definition of "Doping in Sport" used in your country?
[] Council of Europe Anti-Doping Convention. Your comment (optional)
[] UNESCO International Convention against doping in sport. Your comment (optional)
[X] World Anti-Doping Code. Your comment (optional)
[X] Other, please specify (e.g. national law): national law Attachments Law_376-2000_English).pdf
3. Doping List

Page : 255

Which list of banned pharmacological classes of doping agents and doping methods (i.e. Prohibited List) is implemented in

your country?	
[X] Prohibited list, as adopted by the Executive Committee of WADA. Your comment (optional)	
[] List of banned pharmacological classes of doping agents and doping methods, as adopted by the Monitoring Grocomment (optional)	oup (TDO). Your
[] Prohibited list, as adopted by the Conference of Parties of the International Convention against Doping in Sport comment (optional)	(UNESCO) Your
[X] Other, please specify: In Italy two lists exist: a) the list issued by WADA, adopted by NADO Italia; b) the list is Ministry of Health, adopted by the Commission for the monitoring and control of doping and the protection of health in saccording to the Law 376/2000.	•
4. Additional doping lists	•
For the purposes of restricting availability of doping substances are there other lists than those defined in que	estion 4?
(X) Yes, please specify: In Italy two lists exist: a) the list issued by WADA, adopted by NADO Italia; b) the list issued Health, adopted by the Commission for the monitoring and control of doping and the protection of health in sporting at to the Law 376/2000.	
() No. Your comment (optional)	
5. Anti-doping laws	•
Are there any anti-doping laws in your country?	
[X] Anti-doping law. Your comment (optional)	
[] Other formal regulations, please specify:	
[] No. Your comment (optional)	
6. National anti-doping organisation (NADO)	•
What is the legal status of your national anti-doping organisation? Please upload the statutes, if possible	
() Public authority. Your comment (optional)	
() Non-governmental organisation. Your comment (optional)	
() Private company. Your comment (optional)	
() National Olympic Committee. Your comment (optional)	
(X) Other, please specify: NADO Italia is the national antidoping organization estabilished under Law n° 230 dated 2007 ratifiyng the International Convention against doping in sport adopted by UNESCO and in accordance with the Wo Code of wich NADO Italia is a signatory	
7. NADO activities	•
Which of the activities below are conducted by your national anti-doping organisation? Please upload the organisation	ganisational

Page: 256

chart, if possible

	Yes. Your comment (optional)	No, please specify which organisation is in charge:
Co-ordination of action by public authorities	()	(X) According to law, the Presidency of the Council of the Ministers – Office for sport - is responsible for general coordination of policies within the scopes of various government departments and other public agencies. In the framework of the anti doping jurisdition, relevant responsibilities are assigned to NADO Italia
Coordination of the fight against trafficking	()	(X) NAS Carabinieri
Testing (doping control)	(X)	()
Results management	(X)	()
Disciplinary procedures	(X)	()
Education and/or information	(X)	()
Research	()	(X) Ministry of Health
[] Data not available		
9. Funding sources		
How is the anti-doping program funded? Please select	all that apply and indicate an esti	mate in percentages:
[X] Government100% [] National Lottery program	9/4	
[] National Olympic Committee (NOC)		
[] Other Sports Organization(s)		
[] Fee for service		
[] Private%		
[] Other %		
10. Distribution of funding		
What percentage of your annual anti-doping budget is	put towards the following core pa	rograms?
[10] Testing (including equipment, transportation, Sam	ple Collection Personnel (SCP) fees)	
[58] Sample analysis		

[5] Investigations
[5] Education
[4] Results Management/Legal
[5] Therapeutic Use Exemptions (TUEs)
[13] Other (e.g. remuneration, administration)
11. Sport Budget
What amount has been allocated to the sport budget from the state budget for the year 2018?
[408000000] amounteurocurrency [] Data not available
12. Limiting public funding to organisations
Is public funding withheld from organisations that do not comply with anti-doping regulations and related legal instruments
(X) Yes, all funding is withheld; your comment (optional)
() A limited amount of funding is withheld; your comment (optional)
() No financial implications; your comment (optional)
() Information not available; your comment (optional)
13. Limitation of public funding of persons
Is sport-related financial assistance provided by public authorities withheld from banned athletes or athlete support personned during the period of their suspension?
(X) Yes, all funding is withheld; your comment (optional)
() A limited amount of funding is withheld; your comment (optional)
() No; your comment (optional)
() Not applicable (no sport-related financial assistance is provided by public authorities to athletes or support personnel); your comment (optional)
() Information not available; your comment (optional)
14. Testing programme
Does your country have a national testing programme?
(X) Yes
() No, please explain
15. Elements of the Testing Program

What elements of the testing program are implemented by the national anti-doping organisation?

[X] Risk Assessment and Test Distribution Planning (TDP)
[X] Registered Testing Pool
[X] Random selection of athletes
[X] Targeted selection of athletes
[X] In-competition testing
[X] Out-of-competition testing
[X] No-advance notice testing
[X] Blood testing
[X] Athlete Biological Passport (ABP) modules
[] Other elements, please specify
[] If some elements are implemented by another body, please specify which body
16. Quality certificate
Is your NADO or part of its procedures certified according to a quality standard (such as ISO, iNADO or any other quality assurance system)?
() Yes, please specify which standard, its scope and validity:
() In progress, please specify
(X) No; your comment (optional)
17. NADO staff
Please outline below how many staff are involved in the coordination and management of your anti-doping programs. Min numeric value allowed: 0
[18] Staff full time
[2] Staff part time
[1] Volunteers
[38] Committee members
[] Data not available
18. Sample Collection Personnel
Do you have Sample Collection Personnel (SCP) ?
() Yes
(X) No, please explainNADO Italia outsources to Federazione Medico Sportiva Italiana the following activities: 1. Sample collection and transportation of samples to laboratory; 2. Sample collection personnel training, acrreditation and re-accreditation.
19. Number of DCOs and BCOs

How many Doping Control Officers (DCOs), Blood Control Officers (BCOs) and chaperones are in your sample collection personnel program?

Urine Blood (including ABP) In-competition testing Min numeric value allowed : 0 Out-of-competition testing Min numeric value allowed : 0 1 Data not available Attachments NADO Italia Report 2018.pdf 22. CONSEIL DE L'EUROPE

Anti-Doping Questionnaire

Implementation of anti-doping policies in 2018 - Latvia

Implementation of anti-doping policies in 2018 0.2

Objective:

In order to implement the requirements of the Article 9 of the Anti-Doping Convention, the online annual questionnaire is ready for collection of data regarding anti-doping policies in 2018.

In case you face any problems which would prevent you from filling in the questionnaire, please report it to us by e-mail sport.t-do@coe.int

You are kindly requested to fill in, save and post your country's data for 2018 before 31 May 2019.

Instruction:

For detailed instructions please select the links to documentation at the top of the page

() A limited amount of funding is withheld; your comment (optional)
() No; your comment (optional)
() Not applicable (no sport-related financial assistance is provided by public authorities to athletes or support personnel); your comment (optional)
() Information not available; your comment (optional)
14. Testing programme
Does your country have a national testing programme?
(X)Yes
() No, please explain
15. Elements of the Testing Program
What elements of the testing program are implemented by the national anti-doping organisation?
[X] Risk Assessment and Test Distribution Planning (TDP)
[X] Registered Testing Pool
[X] Random selection of athletes
[X] Targeted selection of athletes
[X] In-competition testing
[X] Out-of-competition testing
[X] No-advance notice testing
[X] Blood testing
[X] Athlete Biological Passport (ABP) modules
[] Other elements, please specify
[] If some elements are implemented by another body, please specify which body
16. Quality certificate
Is your NADO or part of its procedures certified according to a quality standard (such as ISO, iNADO or any other quality assurance system)?
(X) Yes, please specify which standard, its scope and validity: http://www.antidopingas.lt/wp-content/uploads/2012/04/LTU-AD. Γaisykl_s-3.0-puslapiui.pdf
() In progress, please specify
() No; your comment (optional)
17. NADO staff

Page : 292

Please outline below how many staff are involved in the coordination and management of your anti-doping programs.

Min numeric value allowed: 0		
[1] Staff full time		
[2] Staff part time		
[1] Volunteers		
[0] Committee members [] Data not available		
18. Sample Collection Personnel		
Do you have Sample Collection Personnel (SCP) ?		
(X) Yes		
() No, please explain		
19. Number of DCOs and BCOs		
How many Doping Control Officers (DCOs), Blood Control personnel program? Min numeric value allowed: 0		l chaperones are in your sample collection
[6] DCOs; your comment (optional)		
[2] BCOs; your comment (optional)		
[0] Chaperones; your comment (optional)		
20. Laboratory		
Is there a doping control laboratory in your country?		
[] Yes, accredited by WADA		
[] Yes, but accreditation by WADA is pending		
[] Accredited by WADA for athlete biological passport		
[X] No, we send samples to the WADA accredited laboratoric	es in:Warsaw(city)	
[] Not available		
21. Testing statistics		
How many samples were collected under your national test	ting program in the yea	ur 2018?
	Urine	Blood (including ABP)
In-competition testing	128	0

Min numeric value allowed: 0

Out-of-competition testing Min numeric value allowed: 0		67	11	11	
[] Data not available			,		
22. Testing abroad				(
oid you test athletes under your auth	nority who reside or train	abroad (directly or by s	ubcontracting another ADO)?	?	
() Yes; your comment (optional)					
(X) Not in 2018, but we have author	isation to do so; your comm	nent (optional)			
() No, we do not have authorisation	to do so; your comment (o	ptional)			
23. Disciplinary system					
What are the disciplinary bodies for	doping offences, i.e. the	main body imposing sar	actions on athletes and other p	oersons'	
	_	_

Tampering or attempted tampering with any part of doping control Min numeric value allowed: 0	0	0	0
Possession of prohibited substances and prohibited methods Min numeric value allowed: 0	1	0	0
Trafficking or attempted trafficking in any prohibited substance or prohibited method Min numeric value allowed: 0	1	0	0
Administration or attempted administration to any athlete of any Prohibited method or prohibited substance Min numeric value allowed: 0	0	0	0
Complicity Min numeric value allowed: 0	0	0	0
Prohibited Association Min numeric value allowed: 0	0	0	0

^[] Data not available

26. Whereabouts failures

How many of the following whereabouts failures have you registered?

- [0] One missed test or filing failure
- [0] Any combination of two missed tests and/or filing failures
- [] Data not available

27. Sanctions for doping trafficking

Are there specific penalties or sanctions for illegal circulation of doping substances, in addition to those regulating the movement of medicines and narcotics?

[X] Criminal penalties, please specify

[X] Financial penalties, please specify
[X] Administrative or civil sanctions, please specify
[] Professional disciplinary actions, please specify
[] None of above, please explain
[] Not available; your comment (optional)
28. Co-operation with law enforcement agencies
What measures have been taken to improve co-operation with law enforcement agencies in limiting illegal availability of doping substances?
[X] Law, please specify http://www.infolex.lt/ta/103787:str44-9
[] Agreement, please specify
[] Ad hoc activities, please specify
[] Other, please specify
[] None; your comment (optional)
29. Statistics on doping trafficking
Do law enforcement agencies share data on the seizure of doping substances with the national anti-doping organisation:
(X) Yes, please specify how many seizures have been reported: 6
() No; your comment (optional)
() Other, please specify:
30. Organisation of anti-doping education
Which organisations are involved in coordinating and/or implementing anti-doping education programs?
[X] National anti-doping organisation
[] Ministry responsible for sport
[] Ministry responsible for education
[] Ministry responsible for health
[] Other governmental body
[X] National sport federations
[] Regional/municipal sport organisations
[X] Universities
[X] Schools
[] Sport clubs
[] Other bodies

Anti-Doping Questionnaire

Implementation of anti-doping policies in 2018 - Luxembourg

Implementation of anti-doping policies in 2018 0.2

Objective:

In order to implement the requirements of the Article 9 of the Anti-Doping Convention, the online annual questionnaire is ready for collection of data regarding anti-doping policies in 2018.

In case you face any problems which would prevent you from filling in the questionnaire, please report it to us by e-mail sport.t-do@coe.int

You are kindly requested to fill in, save and post your country's data for 2018 before 31 May 2019.

Instruction:

For detailed instructions please select the links to documentation at the top of the page

Questions:

[] Data not available

1. Number of Athletes

Please estimate the number of athletes in the following categories within your country:

international-level athletes (as defined by the World Anti-Doping Code) Min numeric value allowed: 0
[5] your comment (optional)
national-level athletes (as defined by the World Anti-Doping Code) Min numeric value allowed: 0
[930] your comment (optional)
other athletes (including recreational athletes) Min numeric value allowed: 0
[125663] your comment (optional)
number of athletes in your national Registered Testing Pool (as defined by the World Anti-Doping Code) Min numeric value allowed : 0
[47] your comment (optional)
number of athletes at the last Summer Olympic games Min numeric value allowed: 0
[10] your comment (optional)

number of athletes at the last Winter Olympic games Min numeric value allowed: 0
[1] your comment (optional)
number of athletes at the last Summer Paralympic games Min numeric value allowed: 0
[3] your comment (optional)
number of athletes at the last Winter Paralympic games Min numeric value allowed: 0
[0] your comment (optional)
2. Doping definition
What is the definition of "Doping in Sport" used in your country?
[] Council of Europe Anti-Doping Convention. Your comment (optional)
[X] UNESCO International Convention against doping in sport. Your comment (optional)
[X] World Anti-Doping Code. Your comment (optional)
[] Other, please specify (e.g. national law):
3. Doping List
Which list of banned pharmacological classes of doping agents and doping methods (i.e. Prohibited List) is implemented in your country?
[X] Prohibited list, as adopted by the Executive Committee of WADA. Your comment (optional)
[] List of banned pharmacological classes of doping agents and doping methods, as adopted by the Monitoring Group (TDO). Your comment (optional)
[X] Prohibited list, as adopted by the Conference of Parties of the International Convention against Doping in Sport (UNESCO) You comment (optional)
[] Other, please specify:
4. Additional doping lists
For the purposes of restricting availability of doping substances are there other lists than those defined in question 4?
() Yes, please specify:
(X) No. Your comment (optional)
5. Anti-doping laws
Are there any anti-doping laws in your country?
[] Anti-doping law. Your comment (optional)

Page: 300

[X] Other formal regulations, please specify: Loi sporti	ve	
[] No. Your comment (optional)		
6. National anti-doping organisation (NADO)		
What is the legal status of your national anti-doping or	rganisation? Please upload the sta	atutes, if possible
() Public authority. Your comment (optional)		
() Non-governmental organisation. Your comment (op	tional)	
() Private company. Your comment (optional)		
() National Olympic Committee. Your comment (option	onal)	
(X) Other, please specify: Fondation		
7. NADO activities		
Which of the activities below are conducted by your n chart, if possible	ational anti-doping organisation?	Please upload the organisational
	Yes. Your comment (optional)	No, please specify which organisation is in charge:
Co-ordination of action by public authorities	(X)	()
Coordination of the fight against trafficking	()	(X) Douane et police
Testing (doping control)	(X)	()
Results management	(X)	()
Disciplinary procedures	()	(X) Conseil de discipline et Conseil supérieur de disciplune
Education and/or information	(X)	()
Research	()	(X) N/A
8. Funding of anti-doping program	2 - 1 - 1 0	
What was your annual anti-doping budget for the 2018 Min numeric value allowed: 0	8 calendar year?	
[202500] amounteurosCurrency [] Data not available		
9. Funding sources		
How is the anti-doping program funded? Please select	all that apply and indicate an esti	imate in percentages:
[X] Government93,9%		
[] National Lottery program	%	

[X] National Olympic Committee (NOC)6,1%
[] Other Sports Organization(s) %
[] Fee for service
[] Private %
[] Other %
10. Distribution of funding
What percentage of your annual anti-doping budget is put towards the following core programs?
[11] Testing (including equipment, transportation, Sample Collection Personnel (SCP) fees)
[37] Sample analysis
[0] Investigations
[10] Education
[0] Results Management/Legal
[0] Therapeutic Use Exemptions (TUEs)
[42] Other (e.g. remuneration, administration)
11. Sport Budget
What amount has been allocated to the sport budget from the state budget for the year 2018?
[57980119] amounteuroscurrency
[] Data not available
12. Limiting public funding to organisations
Is public funding withheld from organisations that do not comply with anti-doping regulations and related legal instrument
(X) Yes, all funding is withheld; your comment (optional)
() A limited amount of funding is withheld; your comment (optional)
() No financial implications; your comment (optional)
() Information not available; your comment (optional)
13. Limitation of public funding of persons
Is sport-related financial assistance provided by public authorities withheld from banned athletes or athlete support person during the period of their suspension?
(X) Yes, all funding is withheld; your comment (optional)
() A limited amount of funding is withheld; your comment (optional)
() No; your comment (optional)

() Not applicable (no sport-related financial assistance is provided by public authorities to athletes or support personnel); your comment (optional)
() Information not available; your comment (optional)
14. Testing programme
Does your country have a national testing programme?
(X) Yes
() No, please explain
15. Elements of the Testing Program
What elements of the testing program are implemented by the national anti-doping organisation?
[X] Risk Assessment and Test Distribution Planning (TDP)
[X] Registered Testing Pool
[X] Random selection of athletes
[X] Targeted selection of athletes
[X] In-competition testing
[X] Out-of-competition testing
[X] No-advance notice testing
[X] Blood testing
[X] Athlete Biological Passport (ABP) modules
[] Other elements, please specify
[] If some elements are implemented by another body, please specify which body
16. Quality certificate
Is your NADO or part of its procedures certified according to a quality standard (such as ISO, iNADO or any other quali assurance system)?
(X) Yes, please specify which standard, its scope and validity: ISO 9001-2015 24.5.2021 planification et réalisation des contrôles gestion des résultats, mesures de prévention et d'éducation
() In progress, please specify
() No; your comment (optional)
17. NADO staff
Please outline below how many staff are involved in the coordination and management of your anti-doping programs. Min numeric value allowed: 0
[0] Staff full time
[2] Staff part time
[29] Volunteers

[29] Committee members [] Data not available		
18. Sample Collection Personnel		
Oo you have Sample Collection Personnel (SC	P) ?	
(X) Yes		
() No, please explain		
19. Number of DCOs and BCOs		
How many Doping Control Officers (DCOs), E	Blood Control Officers (BCOs) an	nd chaperones are in your sample collec
ersonnel program?		
Min numeric value allowed : 0

6. National anti-doping organisation (NADO)

What is the legal status of your national anti-doping organisation? Please upload the statutes, if possible

(X) Public authority. Your comment (optional)		
() Non-governmental organisation. Your comment (or	otional)	
() Private company. Your comment (optional)		
() National Olympic Committee. Your comment (option	onal)	
() Other, please specify:		
7. NADO activities		
Which of the activities below are conducted by your rehart, if possible	national anti-doping organisation?	Please upload the organisational
	Yes. Your comment (optional)	No, please specify which organisation is in charge:
Co-ordination of action by public authorities	(X)	()
Coordination of the fight against trafficking	(X)	()
Testing (doping control)	(X)	()
Results management	(X)	()
Disciplinary procedures	(X)	()
Education and/or information	(X)	()
Research	()	(X) we don't have budget for research
8. Funding of anti-doping program What was your annual anti-doping budget for the 201 Min numeric value allowed: 0 [15000] amountEuroCurrency [] Data not available 9. Funding sources	8 calendar year?	
-		`
How is the anti-doping program funded? Please select [] Government50% [] National Lottery program50%	t all that apply and indicate an esti	mate in percentages:
[] National Olympic Committee (NOC)	%	
[] Other Sports Organization(s)	%	
[] Fee for service	%	
[] Private%		
[] Other %		

10. Distribution of funding
What percentage of your annual anti-doping budget is put towards the following core programs?
[30] Testing (including equipment, transportation, Sample Collection Personnel (SCP) fees)
[55] Sample analysis
[2] Investigations
[10] Education
[3] Results Management/Legal
[0] Therapeutic Use Exemptions (TUEs)
[0] Other (e.g. remuneration, administration)
11. Sport Budget
What amount has been allocated to the sport budget from the state budget for the year 2018?
[1500000] amountEurocurrency [] Data not available
12. Limiting public funding to organisations
Is public funding withheld from organisations that do not comply with anti-doping regulations and related legal instruments
() Yes, all funding is withheld; your comment (optional)
(X) A limited amount of funding is withheld; your comment (optional)
() No financial implications; your comment (optional)
() Information not available; your comment (optional)
13. Limitation of public funding of persons
Is sport-related financial assistance provided by public authorities withheld from banned athletes or athlete support personned during the period of their suspension?
(X) Yes, all funding is withheld; your comment (optional)
() A limited amount of funding is withheld; your comment (optional)
() No; your comment (optional)
() Not applicable (no sport-related financial assistance is provided by public authorities to athletes or support personnel); your comment (optional)
() Information not available; your comment (optional)
14. Testing programme

Does your country have a national testing programme?

(X) Yes
() No, please explain
15. Elements of the Testing Program
What elements of the testing program are implemented by the national anti-doping organisation?
[X] Risk Assessment and Test Distribution Planning (TDP)
[] Registered Testing Pool
[X] Random selection of athletes
[X] Targeted selection of athletes
[X] In-competition testing
[X] Out-of-competition testing
[X] No-advance notice testing
[] Blood testing
[] Athlete Biological Passport (ABP) modules
[] Other elements, please specify
[] If some elements are implemented by another body, please specify which body
16. Quality certificate
Is your NADO or part of its procedures certified according to a quality standard (such as ISO, iNADO or any other quality assurance system)?
() Yes, please specify which standard, its scope and validity:
() In progress, please specify
(X) No; your comment (optional)
17. NADO staff
Please outline below how many staff are involved in the coordination and management of your anti-doping programs. Min numeric value allowed: 0
[0] Staff full time
[0] Staff part time
[3] Volunteers
[5] Committee members
[] Data not available
18. Sample Collection Personnel
Do you have Sample Collection Personnel (SCP) ?
(X)Yes

Page: 314

() No, please explain

19. Number of DCOs and BCOs		
How many Doping Control Officers (DCOs), personnel program? Min numeric value allowed: 0	Blood Control Officers (BCOs) and	d chaperones are in your sample collection
[6] DCOs; your comment (optional)		
[3] BCOs; your comment (optional)		
[6] Chaperones; your comment (optional)		
20. Laboratory		
Is there a doping control laboratory in your co	untry?	
[] Yes, accredited by WADA		
[] Yes, but accreditation by WADA is pending	J	
[] Accredited by WADA for athlete biological	passport	
[X] No, we send samples to the WADA accred	ited laboratories in:Seibersdorf(city)	
[] Not available		
How many samples were collected under your In-competition testing	Urine 20	Blood (including ABP) 0
Min numeric value allowed: 0	15	0
Out-of-competition testing Min numeric value allowed: 0		
[] Data not available		
22. Testing abroad		
Did you test athletes under your authority who	reside or train abroad (directly or	by subcontracting another ADO)?
() Yes; your comment (optional)		
(X) Not in 2018, but we have authorisation to d	lo so; your comment (optional)	
() No, we do not have authorisation to do so; y	your comment (optional)	
23. Disciplinary system		
What are the disciplinary bodies for doping of	fences, i.e. the main body imposing	g sanctions on athletes and other persons?

Page : 315

State authority	NO	NO
NADO	Yes	YES
NOC	NO	NO
National sport federations	YES	YES
international sport federations	YES	YES
Independent disciplinary body	NO	NO
Professional associations	NO	NO
Other, please specify	NO	NO

24. Appeals system

What is the body handling appeals against disciplinary measures?

- () State authority; your comment (optional)
- () National sports federations; your comment (optional)
-) International sports federations; your comment (optional)
- () Independent court of arbitration; your comment (optional)
- (X) Court of Arbitration in Sport (CAS); your comment (optional)
- () Other, please specify:

25. Anti-doping rule violations (ADRV)

How many anti-doping rule violations cases were initiated during the reporting period and how many of these initiated cases resulted in the imposition of a sanction?

	Initiated cases	Cases that resulted in a sanction	Cases that resulted in no sanction

number of athletes at the last Winter Paralympic games Min numeric value allowed: 0
[0] your comment (optional)

2. Doping definition

What is the definition of "Doping in Sport" used in your country?
[X] Council of Europe Anti-Doping Convention. Your comment (optional)
[X] UNESCO International Convention against doping in sport. Your comment (optional)
[X] World Anti-Doping Code. Your comment (optional)
[] Other, please specify (e.g. national law):
3. Doping List
Which list of banned pharmacological classes of doping agents and doping methods (i.e. Prohibited List) is implemented in your country?
[X] Prohibited list, as adopted by the Executive Committee of WADA. Your comment (optional)
[] List of banned pharmacological classes of doping agents and doping methods, as adopted by the Monitoring Group (TDO). Your comment (optional)
[] Prohibited list, as adopted by the Conference of Parties of the International Convention against Doping in Sport (UNESCO) You comment (optional)
[] Other, please specify:
4. Additional doping lists
For the purposes of restricting availability of doping substances are there other lists than those defined in question 4?
() Yes, please specify:
(X) No. Your comment (optional)
5. Anti-doping laws
Are there any anti-doping laws in your country?
[X] Anti-doping law. Your comment (optional)Legal Notice 17 of 2015 of the Laws of Malta
[] Other formal regulations, please specify:
[] No. Your comment (optional)
Attachments NADOMALTA - Website LN download link : http://http://nadomalta.org/wp-content/uploads/2016/05/LN-17-of-2015-of-the-Laws-of-Malta.pdf
6. National anti-doping organisation (NADO)
What is the legal status of your national anti-doping organisation? Please upload the statutes, if possible
(X) Public authority. Your comment (optional)
() Non-governmental organisation. Your comment (optional)
() Private company. Your comment (optional)
() National Olympic Committee. Your comment (optional)
() Other, please specify:

7. NADO activities

Which of the activities below are conducted by your national anti-doping organisation? Please upload the organisational chart, if possible

	Yes. Your comment (optional)	No, please specify which organisation is in charge:
Co-ordination of action by public authorities	(X)	() Nil
Coordination of the fight against trafficking	()	(X) Malta Police Force
Testing (doping control)	(X)	()
Results management	(X)	()
Disciplinary procedures	(X)	()
Education and/or information	(X)	()
Research	(X)	() University of Malta

() Private company. Your comment (optional)					
() National Olympic Committee. Your comment (optional)					

(X) Other, please specify : public institution as legal entity, subordinated to the Government

7. NADO a	activities
-----------	------------

Which of the activities below are conducted by your national anti-doping organisation? Please upload the organisational chart, if possible

	Yes. Your comment (optional)	No, please specify which organisation is in charge:
Co-ordination of action by public authorities	(X)	()
Coordination of the fight against trafficking	()	(X) Ministry of Internal Affairs and Customs Service of the Republic of Moldova
Testing (doping control)	(X)	()
Results management	(X)	()
Disciplinary procedures	()	(X) E-EUR-RADO
Education and/or information	(X)	()
Research	(X)	()

8. Funding of anti-doping program

What was your annual anti-doping budget for the 2018 calendar year?

Min numeric value allowed: 0

[1309859] amountMDLCurrency

[] Data not available

9. Funding sources

How is the anti-doping program funded? Please select all that apply and indicate an estimate in percentages:

[X] Government100%

[] National Lottery program %

] National Olympic Committee (NOC) %

] Other Sports Organization(s) %

] Fee for service %

] Private %

] Other %

10. Distribution of funding

What percentage of your annual anti-doping budget is put towards the following core programs?

[6] Testing (including equipment, transportation, Sample Collection Personnel (SCP) fees)

[18] Sample analysis
[0] Investigations
[4] Education
[0] Results Management/Legal
[0] Therapeutic Use Exemptions (TUEs)
[72] Other (e.g. remuneration, administration) including Contribution of the Republic of Moldova to WADA 12% [] Data not available
11. Sport Budget
What amount has been allocated to the sport budget from the state budget for the year 2018?
[107924000] amountMDLcurrency [] Data not available
12. Limiting public funding to organisations
Is public funding withheld from organisations that do not comply with anti-doping regulations and related legal instruments?
() Yes, all funding is withheld; your comment (optional)
(X) A limited amount of funding is withheld; your comment (optional)According to National Law (art. 28 p. 2), financial supportfrostate budget is withholden from national federations in case of non-fulfillment of anti-doping obligations
() No financial implications; your comment (optional)
() Information not available; your comment (optional)
13. Limitation of public funding of persons
Is sport-related financial assistance provided by public authorities withheld from banned athletes or athlete support personne during the period of their suspension?
() Yes, all funding is withheld; your comment (optional)
(X) A limited amount of funding is withheld; your comment (optional)
() No; your comment (optional)
() Not applicable (no sport-related financial assistance is provided by public authorities to athletes or support personnel); your
comment (optional)
() Information not available; your comment (optional)
14. Testing programme
Does your country have a national testing programme?
(X) Yes
() No, please explain
15. Elements of the Testing Program

What elements of the testing program are implemented by the national anti-doping organisation?
[X] Risk Assessment and Test Distribution Planning (TDP)
[X] Registered Testing Pool
[X] Random selection of athletes
[X] Targeted selection of athletes
[X] In-competition testing
[X] Out-of-competition testing
[X] No-advance notice testing
[X] Blood testing
[X] Athlete Biological Passport (ABP) modules
[X] Other elements, please specifyRTP in accordance with WADA TDSSA
[] If some elements are implemented by another body, please specify which body
16. Quality certificate
Is your NADO or part of its procedures certified according to a quality standard (such as ISO, iNADO or any other quality assurance system)?
() Yes, please specify which standard, its scope and validity:
() In progress, please specify
(X) No; your comment (optional)
17. NADO staff
Please outline below how many staff are involved in the coordination and management of your anti-doping programs. Min numeric value allowed: 0
[6] Staff full time
[0] Staff part time
[2] Volunteers
[2] Committee members
[] Data not available
18. Sample Collection Personnel
Do you have Sample Collection Personnel (SCP) ?
(X) Yes
() No, please explain
19. Number of DCOs and BCOs

How many Doping Control Officers (DCOs), Blood Control Officers (BCOs) and chaperones are in your sample collection personnel program?

Min numeric value allowed : 0			
[3] DCOs; your comment (option	onal)		
[1] BCOs; your comment (option	onal)		
[5] Chaperones; your comment	(optional)		
[] Data not available			
20. Laboratory			
s there a doping control laborate	ory in your country?		
[] Yes, accredited by WADA			
[] Yes, but accreditation by Wa	ADA is pending		
[] Accredited by WADA for at	hlete biological passport	t	
[X] No, we send samples to the	WADA accredited labor	ratories in:Seibersdorf(city)	ı

Implementation of anti-doping policies in 2018 - Monaco

Implementation of anti-doping policies in 2018 0.2

Objective:

In order to implement the requirements of the Article 9 of the Anti-Doping Convention, the online annual questionnaire is ready for collection of data regarding anti-doping policies in 2018.

In case you face any problems which would prevent you from filling in the questionnaire, please report it to us by e-mail sport.t-do@coe.int

You are kindly requested to fill in, save and post your country's data for 2018 before 31 May 2019.

Instruction:

For detailed instructions please select the links to documentation at the top of the page

Questions:

1.	Number	of	Athletes

Please estimate the number of athletes in the following categories within your country:
international-level athletes (as defined by the World Anti-Doping Code) Min numeric value allowed: 0
[X] Data not available
national-level athletes (as defined by the World Anti-Doping Code) Min numeric value allowed: 0
[X] Data not available
other athletes (including recreational athletes) Min numeric value allowed: 0

Il est à noter que le personnel administratif est rémunéré par l'Etat [] Data not available
11. Sport Budget
What amount has been allocated to the sport budget from the state budget for the year 2018?
[59300000] amounteurocurrency
[] Data not available
12. Limiting public funding to organisations
Is public funding withheld from organisations that do not comply with anti-doping regulations and related legal instruments?
(X) Yes, all funding is withheld; your comment (optional)
() A limited amount of funding is withheld; your comment (optional)
() No financial implications; your comment (optional)
() Information not available; your comment (optional)
13. Limitation of public funding of persons

Is sport-related financial assistance provided by public authorities withheld from banned athletes or athlete support personnel

during the period of their suspension?
(X) Yes, all funding is withheld; your comment (optional)
() A limited amount of funding is withheld; your comment (optional)
() No; your comment (optional)
() Not applicable (no sport-related financial assistance is provided by public authorities to athletes or support personnel); your comment (optional)
() Information not available; your comment (optional)
14. Testing programme
Does your country have a national testing programme?
(X)Yes
() No, please explain
15. Elements of the Testing Program
What elements of the testing program are implemented by the national anti-doping organisation?
[X] Risk Assessment and Test Distribution Planning (TDP)
[X] Registered Testing Pool
[X] Random selection of athletes
[X] Targeted selection of athletes
[X] In-competition testing
[X] Out-of-competition testing
[X] No-advance notice testing
[X] Blood testing
[X] Athlete Biological Passport (ABP) modules
[] Other elements, please specify
[] If some elements are implemented by another body, please specify which body
16. Quality certificate
Is your NADO or part of its procedures certified according to a quality standard (such as ISO, iNADO or any other quality assurance system)?
() Yes, please specify which standard, its scope and validity:
() In progress, please specify
(X) No; your comment (optional)

Please outline below how many staff are involved in the coordination and management of your anti-doping programs.

Min numeric value allowed: 0

17. NADO staff

[1] Staff full time
[1] Staff part time
[2] Volunteers
[0] Committee members [] Data not available
18. Sample Collection Personnel
Do you have Sample Collection Personnel (SCP) ?
(X) Yes
() No, please explain
19. Number of DCOs and BCOs
How many Doping Control Officers (DCOs), Blood Control Officers (BCOs) and chaperones are in your sample collection personnel program? Min numeric value allowed: 0
[8] DCOs; your comment (optional)
[2] BCOs; your comment (optional)
[20] Chaperones; your comment (optional)
20. Laboratory
Is there a doping control laboratory in your country?
[] Yes, accredited by WADA
[] Yes, but accreditation by WADA is pending
[] Accredited by WADA for athlete biological passport
[X] No, we send samples to the WADA accredited laboratories in:France (Châtenay-Malabry)(city) [] Not available
21. Testing statistics
How many samples were collected under your national testing program in the year 2018?

	Urine	Blood (including ABP)
In-competition testing	39	9

CONSEIL DE L'EUROPE

Anti-Doping Questionnaire

Implementation of anti-doping policies in 2018 - Netherlands

Implementation of anti-doping policies in 2018 0.2

Objective:

In order to implement the requirements of the Article 9 of the Anti-Doping Convention, the online annual questionnaire is ready for collection of data regarding anti-doping policies in 2018.

In case you face any problems which would prevent you from filling in the questionnaire, please report it to us by e-mail sport.t-do@coe.int

You are kindly requested to fill in, save and post your country's data for 2018 before 31 May 2019.

Instruction:

For detailed instructions please select the links to documentation at the top of the page

Questions:

1. Number of Athletes

Please estimate the number of athletes in the following categories within your country:

international-level athletes (as defined by the World Anti-Doping Code)

Min numeric value allowed: 0

[759] your comment (optional)

[] Data not available

national-level athletes (as defined by the World Anti-Doping Code)

Min numeric value allowed: 0

[20000] your comment (optional)

[] Data not available

other athletes (including recreational athletes)

Min numeric value allowed: 0

[4500000] your comment (optional)

[] Data not available	
number of athletes in your national Registered Testing Pool (as defined by the World Anti-Doping Code) Min numeric value allowed: 0	
[455] your comment (optional)	
[] Data not available	
number of athletes at the last Summer Olympic games Min numeric value allowed: 0	
[242] your comment (optional)	
number of athletes at the last Winter Olympic games Min numeric value allowed: 0	
[31] your comment (optional)	
[] Data not available	
number of athletes at the last Summer Paralympic games Min numeric value allowed: 0	
[126] your comment (optional)	
[] Data not available	
number of athletes at the last Winter Paralympic games Min numeric value allowed: 0	
[9] your comment (optional)	
2. Doping definition	<u> </u>
What is the definition of "Doping in Sport" used in your country?	
[] Council of Europe Anti-Doping Convention. Your comment (optional)	
[] UNESCO International Convention against doping in sport. Your comment (optional)	•
[X] World Anti-Doping Code. Your comment (optional)	
[] Other, please specify (e.g. national law):	
3. Doping List	0
Which list of banned pharmacological classes of doping agents and doping methods (i.e. Prohibited List) is implemented your country?	d in
[X] Prohibited list, as adopted by the Executive Committee of WADA. Your comment (optional)	
[] List of banned pharmacological classes of doping agents and doping methods, as adopted by the Monitoring Group (TDO). Comment (optional)	You
[] Prohibited list, as adopted by the Conference of Parties of the International Convention against Doping in Sport (UNESCO) comment (optional)	You
[] Other, please specify:	

4. Additional doping lists		
For the purposes of restricting availability of doping su	bstances are there other lists than	those defined in question 4?
(X) Yes, please specify: Medicines Act (all medicines no oft drugs on Lists II and II belonging to Opium Act)	t registered are restricted) and Opiu	m Act (restriction for hard druugs and
() No. Your comment (optional)		
5. Anti-doping laws		
Are there any anti-doping laws in your country?		
[] Anti-doping law. Your comment (optional)		
[X] Other formal regulations, please specify: Medicines	Act, Opium Act	
[] No. Your comment (optional)		
6. National anti-doping organisation (NADO)		
What is the legal status of your national anti-doping org	ganisation? Please upload the sta	tutes, if possible
() Public authority. Your comment (optional)		
(X) Non-governmental organisation. Your comment (opt	ional)	
() Private company. Your comment (optional)		
() National Olympic Committee. Your comment (option	al)	
() Other, please specify:		
7. NADO activities		
Which of the activities below are conducted by your na chart, if possible	tional anti-doping organisation?	Please upload the organisational
	Yes. Your comment (optional)	No, please specify which organisation is in charge:
Co-ordination of action by public authorities	()	(X) Ministry of Health
Coordination of the fight against trafficking	()	(X) Public prosecutor's Service
Testing (doping control)	(X)	()

8. Funding of anti-doping program

14. Testing programme
Does your country have a national testing programme?
(X) Yes
() No, please explain
15. Elements of the Testing Program
What elements of the testing program are implemented by the national anti-doping organisation?
[X] Risk Assessment and Test Distribution Planning (TDP)
[X] Registered Testing Pool
[X] Random selection of athletes
[X] Targeted selection of athletes
[X] In-competition testing
[X] Out-of-competition testing
[X] No-advance notice testing
[X] Blood testing
[X] Athlete Biological Passport (ABP) modules
[X] Other elements, please specifyIntelligence
[] If some elements are implemented by another body, please specify which body
16. Quality certificate
Is your NADO or part of its procedures certified according to a quality standard (such as ISO, iNADO or any other quality assurance system)?
(X) Yes, please specify which standard, its scope and validity: ISO 9001, for the whole organisation and all activities. Valid until 22.4.2020.
() In progress, please specify
() No; your comment (optional)
17. NADO staff

Please outline below how many staff are involved in the coordination and management of your anti-doping programs.

Min numeric value allowed: 0

[26] Staff full time

[76] Staff part time		
[0] Volunteers		
[25] Committee members		
[] Data not available		
18. Sample Collection Personnel		•
Do you have Sample Collection Personnel (SC	CP) ?	
(X) Yes		
() No, please explain		
19. Number of DCOs and BCOs		
How many Doping Control Officers (DCOs), personnel program? Min numeric value allowed: 0	Blood Control Officers (BCOs) ar	nd chaperones are in your sample collection
[45] DCOs; your comment (optional)18 KA+E	3, 5 KA hest og 22 KA	
[26] BCOs; your comment (optional)18 KA+B	3 og 8 A+B (dobeltrolle)	
[16] Chaperones; your comment (optional)8 A [] Data not available	og 8 A+B (dobbeltrolle)	
20. Laboratory		
Is there a doping control laboratory in your co	untry?	
[X] Yes, accredited by WADA		
[] Yes, but accreditation by WADA is pending		
[] Accredited by WADA for athlete biological	passport	
[] No, we send samples to the WADA accredi	ted laboratories in:	(city)
[] Not available		
21. Testing statistics		
How many samples were collected under your	national testing program in the ye	ear 2018?
	Urine	Blood (including ABP)
In-competition testing Min numeric value allowed: 0	937	17
Out-of-competition testing Min numeric value allowed: 0	1238	880
[] Data not available

26. Whereabouts failures

How many of the following whereabouts failures have you registered?

- [16] One missed test or filing failure
- [2] Any combination of two missed tests and/or filing failures
- [] Data not available

27. Sanctions for doping trafficking

Are there specific penalties or sanctions for illegal circulation of doping substances, in addition to those regulating the movement of medicines and narcotics?

- [X] Criminal penalties, please specify Trafficking
- [] Financial penalties, please specify
- [] Administrative or civil sanctions, please specify

[] Professional disciplinary actions, please specify					
[] None of above, please explain					
[] Not available; your comment (optional)					
28. Co-operation with law enforcement agencies					
What measures have been taken to improve co-operation with law enforcement agencies in limiting illegal availability of doping substances?					
[X] Law, please specify Offical meetings with both customs and the police, and regular contact with both police and customs during e year					
[X] Agreement, please specify Signed agreement with both customs and the police from 2014 still ongoing.					
[] Ad hoc activities, please specify					
[] Other, please specify					
[] None; your comment (optional)					
29. Statistics on doping trafficking					
Do law enforcement agencies share data on the seizure of doping substances with the national anti-doping organisation:					
() Yes, please specify how many seizures have been reported:					
() No; your comment (optional)					
(X) Other, please specify: National Criminal Investigations Service (NCIS) publishes reports about seizure of narcotics and doping, vailable for the public. In 2018, the customs and the police had a totalt of 1202 seizures of anabolic steroids in 2018.					
30. Organisation of anti-doping education					
Which organisations are involved in coordinating and/or implementing anti-doping education programs?					
[X] National anti-doping organisation					
[] Ministry responsible for sport					
[] Ministry responsible for education					
[] Ministry responsible for health					
[X] Other governmental bodyCounties and municipalities

CONSEIL DE L'EUROPE

ADQ Anti-Doping Questionnaire

Implementation of anti-doping policies in 2018 - Poland

Implementation of anti-doping policies in 2018 0.2

Objective:

In order to implement the requirements of the Article 9 of the Anti-Doping Convention, the online annual questionnaire is ready for collection of data regarding anti-doping policies in 2018.

In case you face any problems which would prevent you from filling in the questionnaire, please report it to us by e-mail sport.t-do@coe.int

You are kindly requested to fill in, save and post your country's data for 2018 before 31 May 2019.

Instruction:

For detailed instructions please select the links to documentation at the top of the page

Questions:

1. Number of Athletes

[] Data not available

Please estimate the number of athletes in the following categories within your country:

11 1 111	/ 1 (* 11	41 XX7 11 A	'' D ' C 1 \
international_level athlet	e lac detined h	vithe World An	11_1 Joning (Ode)
international-level athlet	os vas acimica o	v inc vvonu An	u-Doding Couci

Min numeric value allowed: 0
[
national-level athletes (as defined by the World Anti-Doping Code) Min numeric value allowed: 0
[X] Data not available
other athletes (including recreational athletes) Min numeric value allowed: 0
[X] Data not available
number of athletes in your national Registered Testing Pool (as defined by the World Anti-Doping Code) Min numeric value allowed: 0
[80] your comment (optional)

number of athletes at the last Summer Olympic games

4. Additional doping lists
Other, please specify:
[X] Prohibited list, as adopted by the Conference of Parties of the International Convention against Doping in Sport (UNESCO) You comment (optional)
[] List of banned pharmacological classes of doping agents and doping methods, as adopted by the Monitoring Group (TDO). You comment (optional)
[] Prohibited list, as adopted by the Executive Committee of WADA. Your comment (optional)
Which list of banned pharmacological classes of doping agents and doping methods (i.e. Prohibited List) is implemented in your country?
3. Doping List
[X] Other, please specify (e.g. national law): Act on the fight against doping in sportAttachmentsAct on the fight against doping in sport.pdf
[X] World Anti-Doping Code. Your comment (optional)
[] UNESCO International Convention against doping in sport. Your comment (optional)
[] Council of Europe Anti-Doping Convention. Your comment (optional)
What is the definition of "Doping in Sport" used in your country?
2. Doping definition
[8] your comment (optional)
number of athletes at the last Winter Paralympic games Min numeric value allowed: 0
[90] your comment (optional)
number of athletes at the last Summer Paralympic games Min numeric value allowed: 0
[62] your comment (optional)
number of athletes at the last Winter Olympic games Min numeric value allowed: 0
[240] your comment (optional)
Min numeric value allowed : 0

For the purposes of restricting availability of doping substances are there other lists than those defined in question 4?

() Yes, please specify:
(X) No. Your comment (optional) There are some criminal provisions under the Act on the fight against doping in sport (Articles 48 and 49). For the purposes of the criminalisation of doping (trafficking and administration) only a short Prohibited List is used (S1, S2 and 4 groups)
5. Anti-doping laws
Are there any anti-doping laws in your country?
[X] Anti-doping law. Your comment (optional)
[] Other formal regulations, please specify:
[] No. Your comment (optional)
6. National anti-doping organisation (NADO)
What is the legal status of your national anti-doping organisation? Please upload the statutes, if possible
(X) Public authority. Your comment (optional)
() Non-governmental organisation. Your comment (optional)
() Private company. Your comment (optional)
() National Olympic Committee. Your comment (optional)
() Other, please specify:
7. NADO activities

Which of the activities below are conducted by your national anti-doping organisation? Please upload the organisational chart, if possible

	Yes. Your comment (optional)	No, please specify which organisation is in charge:
Co-ordination of action by public authorities	(X)	()
Coordination of the fight against trafficking	()	(X) This task falls within the competence of the Police, the Customs Service and the Border Guards. However, all of them are obligated to share information with the Polish Anti-Doping Agency (POLADA)
Testing (doping control)	(X)	()
Results management	(X)	()
Disciplinary procedures	(X) There is the Anti- Doping Disciplinary Panel functioning under POLADA	()
Education and/or information	(X)	()

Research	(X)	()
8. Funding of anti-doping program		•
What was your annual anti-doping budget for the 2018 cale Min numeric value allowed: 0	ndar year?	
[2910000] amountEuroCurrency [] Data not available		
9. Funding sources		•
How is the anti-doping program funded? Please select all the	at apply and indicat	e an estimate in percentages:
[X] Government99%		
[] National Lottery program	%	
[] National Olympic Committee (NOC)	%	
[] Other Sports Organization(s)	%	
[X] Fee for service1%		
[] Private %		
[] Other %		
10. Distribution of funding		•
What percentage of your annual anti-doping budget is put to	owards the followin	g core programs?
[20] Testing (including equipment, transportation, Sample Co	ollection Personnel (S	CP) fees)
[52] Sample analysis		
[1] Investigations		
[4] Education		
[2] Results Management/Legal		
[1] Therapeutic Use Exemptions (TUEs)		
[20] Other (e.g. remuneration, administration)		
11. Sport Budget		•
What amount has been allocated to the sport budget from the	ne state budget for th	ne year 2018?
[292066905] amountEurocurrency		
[] Data not available		
12. Limiting public funding to organisations		•

Is public funding withheld from organisations that do not comply with anti-doping regulations and related legal instruments
() Yes, all funding is withheld; your comment (optional)
(X) A limited amount of funding is withheld; your comment (optional)The minister responsible for sport may decide to limit funding or organization or az withdraw state support completely.
() No financial implications; your comment (optional)
() Information not available; your comment (optional)
13. Limitation of public funding of persons
Is sport-related financial assistance provided by public authorities withheld from banned athletes or athlete support personned during the period of their suspension?
(X) Yes, all funding is withheld; your comment (optional)
() A limited amount of funding is withheld; your comment (optional)
() No; your comment (optional)
() Not applicable (no sport-related financial assistance is provided by public authorities to athletes or support personnel); your comment (optional)
() Information not available; your comment (optional)
14. Testing programme
Does your country have a national testing programme?
(X)Yes
() No, please explain
15. Elements of the Testing Program
What elements of the testing program are implemented by the national anti-doping organisation?
[X] Risk Assessment and Test Distribution Planning (TDP)
[X] Registered Testing Pool
[X] Random selection of athletes
[X] Targeted selection of athletes
[X] In-competition testing
[X] Out-of-competition testing
[X] No-advance notice testing
[X] Blood testing
[X] Athlete Biological Passport (ABP) modules
[] Other elements, please specify
[] If some elements are implemented by another body, please specify which body
16. Quality certificate

Is your NADO or part of its procedures certified according to a quality standard (such as ISO, iNADO or any other quality assurance system)?
(X) Yes, please specify which standard, its scope and validity: ISO 9001 2015
() In progress, please specify
() No; your comment (optional)
17. NADO staff
Please outline below how many staff are involved in the coordination and management of your anti-doping programs. Min numeric value allowed : 0
[12] Staff full time
[2] Staff part time
[0] Volunteers
[21] Committee members [] Data not available
18. Sample Collection Personnel
Do you have Sample Collection Personnel (SCP) ?
(X) Yes
() No, please explain
19. Number of DCOs and BCOs
How many Doping Control Officers (DCOs), Blood Control Officers (BCOs) and chaperones are in your sample collection personnel program? Min numeric value allowed: 0
[44] DCOs; your comment (optional)
[4] BCOs; your comment (optional)
[0] Chaperones; your comment (optional)
20. Laboratory
Is there a doping control laboratory in your country?
[X] Yes, accredited by WADA
[] Yes, but accreditation by WADA is pending
[] Accredited by WADA for athlete biological passport
[] No, we send samples to the WADA accredited laboratories in: (city)
[] Not available Attachments

	wada2018.jpg

Anti-Doping Questionnaire

Implementation of anti-doping policies in 2018 - Portugal

Implementation of anti-doping policies in 2018 0.2

Objective:

In order to implement the requirements of the Article 9 of the Anti-Doping Convention, the online annual questionnaire is ready for collection of data regarding anti-doping policies in 2018.

In case you face any problems which would prevent you from filling in the questionnaire, please report it to us by e-mail sport.t-do@coe.int

You are kindly requested to fill in, save and post your country's data for 2018 before 31 May 2019.

Instruction:

For detailed instructions please select the links to documentation at the top of the page

Questions:

1. Number of Athletes

Please estimate the number of athletes in the following categories within your country:

international-level athletes (as defined by the World Anti-Doping Code)

Min numeric value allowed: 0

Page: 387

[X] Data not available
national-level athletes (as defined by the World Anti-Doping Code) Min numeric value allowed: 0
[X] Data not available
other athletes (including recreational athletes) Min numeric value allowed: 0
[] your comment (optional)
number of athletes in your national Registered Testing Pool (as defined by the World Anti-Doping Code) Min numeric value allowed: 0
[193] your comment (optional)
number of athletes at the last Summer Olympic games Min numeric value allowed: 0
[92] your comment (optional)
[] Data not available
number of athletes at the last Winter Olympic games Min numeric value allowed: 0
[2] your comment (optional)
number of athletes at the last Summer Paralympic games Min numeric value allowed: 0

What percentage of your annual anti-doping budget is p [328658] Testing (including equipment, transportation, S [85000200] Sample analysis [39360] Investigations [13070] Education		
[0] Results Management/Legal		
[0] Therapeutic Use Exemptions (TUEs)		
[0] Other (e.g. remuneration, administration)		

11. Sport Budget
What amount has been allocated to the sport budget from the state budget for the year 2018?
[77640428] amounteuroscurrency [] Data not available
12. Limiting public funding to organisations
Is public funding withheld from organisations that do not comply with anti-doping regulations and related legal instruments
(X) Yes, all funding is withheld; your comment (optional)
() A limited amount of funding is withheld; your comment (optional)
() No financial implications; your comment (optional)
() Information not available; your comment (optional)
13. Limitation of public funding of persons
Is sport-related financial assistance provided by public authorities withheld from banned athletes or athlete support personne during the period of their suspension?
(X) Yes, all funding is withheld; your comment (optional)
() A limited amount of funding is withheld; your comment (optional)
() No; your comment (optional)
() Not applicable (no sport-related financial assistance is provided by public authorities to athletes or support personnel); your comment (optional)
() Information not available; your comment (optional)
14. Testing programme
Does your country have a national testing programme?
(X) Yes
() No, please explain
15. Elements of the Testing Program
What elements of the testing program are implemented by the national anti-doping organisation?
[X] Risk Assessment and Test Distribution Planning (TDP)
[X] Registered Testing Pool
[X] Random selection of athletes
[X] Targeted selection of athletes
[X] In-competition testing
[X] Out-of-competition testing
[X] No-advance notice testing

[X] Blood testing
[X] Athlete Biological Passport (ABP) modules
[] Other elements, please specify
[] If some elements are implemented by another body, please specify which body
16. Quality certificate
Is your NADO or part of its procedures certified according to a quality standard (such as ISO, iNADO or any other quality assurance system)?
(X) Yes, please specify which standard, its scope and validity: Norma NP ISO 9001: 2015
() In progress, please specify
() No; your comment (optional)
17. NADO staff
Please outline below how many staff are involved in the coordination and management of your anti-doping programs. Min numeric value allowed : 0
[12] Staff full time
[64] Staff part time
[0] Volunteers
[0] Committee members
[] Data not available
18. Sample Collection Personnel
Do you have Sample Collection Personnel (SCP) ?
(X) Yes
() No, please explain
19. Number of DCOs and BCOs
How many Doping Control Officers (DCOs), Blood Control Officers (BCOs) and chaperones are in your sample collection
personnel program? Min numeric value allowed: 0
[64] DCOs; your comment (optional)
[64] BCOs; your comment (optional)
[0] Chaperones; your comment (optional)
20. Laboratory

Is there a doping control laboratory in your country?

[] Yes, accredited by WADA					
[] Yes, but accreditation by WADA	is pending				
[] Accredited by WADA for athlete	biological passport				
[X] No, we send samples to the WA	DA accredited laborated	atories in:Ghent, Madr	rid and Barcelona	(city)	
[] Not available					
21. Testing statistics					(
How many samples were collected u	nder your national	testing program in t	the year 2018?		
		Urine		Blood (includi	ng ABP)
In-competition testing Min numeric value allowed: 0		2625		527	
Out-of-competition testing Min numeric value allowed: 0		210		2	
[] Data not available					
22. Testing abroad					•
-			.1 1 1		A DO\\0
Did you test athletes under your auth	•		tly or by subcor	itracting another	ADO)?
() Yes; your comment (optional)					
(X) Not in 2018, but we have author	isation to do so; you	r comment (optional).			
() No, we do not have authorisation	to do so; your com	ment (optional)			
23. Disciplinary system					(
What are the disciplinary bodies for	doping offences, i.	e. the main body imp	posing sanction	s on athletes and	other persons
	_		_		
State authority	No		No		
NADO	Yes		Yes		
NOC	No		No		
National sport federations	Yes		Yes		
international sport federations	Yes		Yes		
Independent disciplinary body	No		No		
Professional associations	No		No		
Other, please specify	No		No		

24. Appeals system

What is the body handling appeals against disciplinary measures?	
() State authority; your comment (optional)	
() National sports federations; your comment (optional)	
() International sports federations; your comment (optional)	
() Independent court of arbitration; your comment (optional)	
(X) Court of Arbitration in Sport (CAS); your comment (optional)	
() Other, please specify:	

25. Anti-doping rule violations (ADRV)

How many anti-doping rule violations cases were initiated during the reporting period and how many of these initiated cases resulted in the imposition of a sanction?

	Initiated cases	Cases that resulted in a sanction	Cases that resulted in no sanction
Presence of a prohibited substance or its Metabolites or markers in an athlete's sample Min numeric value allowed: 0	44	0	0
Use or attempted use by an athlete of a Prohibited substance or a prohibited method Min numeric value allowed: 0	0	0	0
Evading, Refusing or Failing to Submit to Sample Collection Min numeric value allowed: 0	0	0	0
Whereabouts Failures Min numeric value allowed: 0	37	0	0
Tampering or attempted tampering with any part of doping control Min numeric value allowed: 0	0	0	0
Possession of prohibited substances and prohibited methods Min numeric value allowed: 0	0	0	0
Trafficking or attempted trafficking in any prohibited substance or prohibited method Min numeric value allowed: 0	0	0	0
Administration or attempted administration to any athlete of any Prohibited method or prohibited substance Min numeric value allowed: 0	0	0	0
Complicity Min numeric value allowed: 0	0	0	0
Prohibited Association Min numeric value allowed: 0	0	0	0

26. Whereabouts failures
How many of the following whereabouts failures have you registered?
[29] One missed test or filing failure
[8] Any combination of two missed tests and/or filing failures [] Data not available
27. Sanctions for doping trafficking
Are there specific penalties or sanctions for illegal circulation of doping substances, in addition to those regulating the movement of medicines and narcotics?
[X] Criminal penalties, please specify
[X] Financial penalties, please specify
[X] Administrative or civil sanctions, please specify
[X] Professional disciplinary actions, please specify
[] None of above, please explain
[] Not available; your comment (optional)
28. Co-operation with law enforcement agencies
What measures have been taken to improve co-operation with law enforcement agencies in limiting illegal availability of doping substances?
[X] Law, please specify Article 20 of Law no. 38/2012, of August 28, republished with the amendments introduced to it by Law no. 93/2015, of August 13. Establishes the legal framework for the fight against doping in sport, ensuring compliance with the new version of the World Anti-Doping Code
[] Agreement, please specify
[] Ad hoc activities, please specify
[] Other, please specify
[] None; your comment (optional)
29. Statistics on doping trafficking
Do law enforcement agencies share data on the seizure of doping substances with the national anti-doping organisation:
() Yes, please specify how many seizures have been reported:
(X) No; your comment (optional)
() Other, please specify:
30. Organisation of anti-doping education
Which organisations are involved in coordinating and/or implementing anti-doping education programs?

Page: 395

32. Nutritional supplements

What measures have been taken to address the problems related to nutritional supplements in sport?

[X] Restrict availability	
[] Control of production	
[] Provide quality assurance	
[] Comprehensive labelling	
[] Limit advertising and promotion	
[] Educational and informational measures	
[] Other, please specify:	
33. Anti-doping research	
Has any anti-doping research been undertaken or supported?	
() Yes; your comment (optional)	
() Yes, to a limited extent; your comment (optional)	
(X) No; your comment (optional)	
34. Areas of anti-doping research	•
What are the areas of anti-doping research?	
[] Doping prevention	
[] Detection methods	
[] Behavioural and social aspects of doping	
[] Health consequences of doping	
[] Physiological and psychological training programmes	
[] Emerging substances or methods	
[] Alternative testing methods	
[X] None	
[] Other; your comment (optional)	
35. Publication of anti-doping research	
How many articles with the results of this research have been pub.	lished in peer-reviewed scientific journals?
[0] in 2018; your comment (optional)	
36. International agreements	C
Has your country signed any agreements with other Anti-Doping any other organisation or State concerning the following:	Organizations (ADOs) or agreements on anti-doping with
	Yes or No; if applicable please explain or upload the document (below)

Anti-Doping Questionnaire

Implementation of anti-doping policies in 2018 - Russian Federation

Implementation of anti-doping policies in 2018 0.2

Objective:

In order to implement the requirements of the Article 9 of the Anti-Doping Convention, the online annual questionnaire is ready for collection of data regarding anti-doping policies in 2018.

In case you face any problems which would prevent you from filling in the questionnaire, please report it to us by e-mail sport.t-do@coe.int

You are kindly requested to fill in, save and post your country's data for 2018 before 31 May 2019.

Instruction:

For detailed instructions please select the links to documentation at the top of the page

Questions:

1. Number of Athletes

Please estimate the number of athletes in the following categories within your country:

international-level athletes (as defined by the World Anti-Doping Code)

Min numeric value allowed : 0

[2084] your comment (optional)

[] Data not available

national-level athletes (as defined by the World Anti-Doping Code)

Min numeric value allowed: 0

[12895] your comment (optional)

[] Data not available

other athletes (including recreational athletes)

Min numeric value allowed: 0

[] your comment (optional)

[X] Data not available

number of athletes in your national Registered Testing Pool (as defined by the World Anti-Doping Code) Min numeric value allowed: 0
[764] your comment (optional)
[] Data not available
number of athletes at the last Summer Olympic games Min numeric value allowed: 0
[286] your comment (optional)
number of athletes at the last Winter Olympic games Min numeric value allowed: 0
[168] your comment (optional)
number of athletes at the last Summer Paralympic games Min numeric value allowed: 0
[189] your comment (optional)
number of athletes at the last Winter Paralympic games Min numeric value allowed: 0
[36] your comment (optional)
2. Doping definition
What is the definition of "Doping in Sport" used in your country?
[X] Council of Europe Anti-Doping Convention. Your comment (optional)
[X] UNESCO International Convention against doping in sport. Your comment (optional)
[X] World Anti-Doping Code. Your comment (optional)
[X] Other, please specify (e.g. national law): the Federal Law of the Russian Federation of December 4, 2007 329 "About physical culture and sport in the Russian Federation"
3. Doping List
Which list of banned pharmacological classes of doping agents and doping methods (i.e. Prohibited List) is implemented in your country?
[X] Prohibited list, as adopted by the Executive Committee of WADA. Your comment (optional)
[] List of banned pharmacological classes of doping agents and doping methods, as adopted by the Monitoring Group (TDO). Your comment (optional)
[X] Prohibited list, as adopted by the Conference of Parties of the International Convention against Doping in Sport (UNESCO) You comment (optional)
[] Other, please specify:

4. Additional doping lists

For the 1	purposes	of restricting	availability	of doping	substances are	there other li	sts than those	defined in q	uestion 4?

(X) Yes, please specify: List of Substances and/or Methods Prohibited in Sports approved by the order 976 dated December 3, 2018						
ne Ministry of sport of the Russian Federation; List of Substances and/or Methods Prohibited in Sports for the cases previewed by the						
articles 230.1 and 230.2 of the Criminal Code of the Russian Federation;						
() No. Your comment (optional)						
5. Anti-doping laws						
Are there any anti-doping laws in your country?						
[] Anti-doping law. Your comment (optional)						
[X] Other formal regulations, please specify: the Federal Law of the Russian Federation of December 4, 2007 329 "About physical						
culture and sport in the Russian Federation"; The Labour Code of the Russian Federation; the Code of Administrative Offences of the						
Russian Federation; the Criminal Code of the Russian Federation; all-Russian anti-doping rules						
[] No. Your comment (optional)						
6. National anti-doping organisation (NADO)						
What is the legal status of your national anti-doping organisation? Please upload the statutes, if possible						
() Public authority. Your comment (optional)						
(X) Non-governmental organisation. Your comment (optional)						
() Private company. Your comment (optional)						
() National Olympic Committee. Your comment (optional)						
() Other, please specify:						

7. NADO activities

Which of the activities below are conducted by your national anti-doping organisation? Please upload the organisational chart, if possible

	Yes. Your comment (optional)	No, please specify which organisation is in charge:
Co-ordination of action by public authorities	()	(X) Sports Ministry
Coordination of the fight against trafficking	()	(X) Law Enforcement
Testing (doping control)	(X)	()
Results management	(X)	()
Disciplinary procedures	(X)	()
Education and/or information	(X)	()
Research	(X)	()

8. Funding of anti-doping program	•
What was your annual anti-doping budget for the 2018 calendar year? Min numeric value allowed: 0	
[545551800] amount rubles Currency [] Data not available	
9. Funding sources	
How is the anti-doping program funded? Please select all that apply and indicate an estimate in percentages:	
[X] Government100%	
[] National Lottery program %	
[] National Olympic Committee (NOC) %	
[] Other Sports Organization(s) %	
[] Fee for service%	
[] Private%	
[] Other %	
10. Distribution of funding	0
What percentage of your annual anti-doping budget is put towards the following core programs?	
[35] Testing (including equipment, transportation, Sample Collection Personnel (SCP) fees)	
[26] Sample analysis	
[0.6] Investigations	
[3.5] Education	
[1.6] Results Management/Legal	
[0.3] Therapeutic Use Exemptions (TUEs)	
[33] Other (e.g. remuneration, administration) international cooperation, administration, HR, legal and etc [] Data not available	
11. Sport Budget	•
What amount has been allocated to the sport budget from the state budget for the year 2018?	
[253000000] amount euro (Financial support for national teams of the Russian Federation and the preparation of a sports	
reserve)currency	
[] Data not available	
12. Limiting public funding to organisations	0

Is public funding withheld from organisations that do not comply with anti-doping regulations and related legal instruments?

(X) Yes, all funding is withheld; your comment (optional)
() A limited amount of funding is withheld; your comment (optional)
() No financial implications; your comment (optional)
() Information not available; your comment (optional)
13. Limitation of public funding of persons
Is sport-related financial assistance provided by public authorities withheld from banned athletes or athlete support personn during the period of their suspension?
(X) Yes, all funding is withheld; your comment (optional)
() A limited amount of funding is withheld; your comment (optional)
() No; your comment (optional)
() Not applicable (no sport-related financial assistance is provided by public authorities to athletes or support personnel); your comment (optional)
() Information not available; your comment (optional)
14. Testing programme
Does your country have a national testing programme?
(X) Yes
() No, please explain
15. Elements of the Testing Program
What elements of the testing program are implemented by the national anti-doping organisation?
[X] Risk Assessment and Test Distribution Planning (TDP)
[X] Registered Testing Pool
[X] Random selection of athletes
[X] Targeted selection of athletes
[X] In-competition testing
[X] Out-of-competition testing
[X] No-advance notice testing
[X] Blood testing
[X] Athlete Biological Passport (ABP) modules
[X] Other elements, please specifyEducation, Investigation, TUE information
[] If some elements are implemented by another body, please specify which body
16. Quality certificate

Is your NADO or part of its procedures certified according to a quality standard (such as ISO, iNADO or any other quality assurance system)?

(X) Yes, please specify which standard, its scope and validity: ISO 9001-2015, Planning and testing, processing of testing results, education programs in Antidoping, till 31.12.2020
() In progress, please specify
() No; your comment (optional)
17. NADO staff
Please outline below how many staff are involved in the coordination and management of your anti-doping programs. Min numeric value allowed: 0
[60] Staff full time
[1] Staff part time
[0] Volunteers
[11] Committee members
[] Data not available
18. Sample Collection Personnel
Do you have Sample Collection Personnel (SCP) ?
(X)Yes
() No, please explain
19. Number of DCOs and BCOs
How many Doping Control Officers (DCOs), Blood Control Officers (BCOs) and chaperones are in your sample collection
personnel program? Min numeric value allowed: 0
[86] DCOs; your comment (optional)
[0] BCOs; your comment (optional) staff of medical companies
[14] Chaperones; your comment (optional)
20. Laboratory
Is there a doping control laboratory in your country?
[] Yes, accredited by WADA
[] Yes, but accreditation by WADA is pending
[X] Accredited by WADA for athlete biological passport
[] No, we send samples to the WADA accredited laboratories in: (city)
[] Not available

0.1	-	
21.	Testing	statistics

How many samples were collected under your national testing program in the year 2018?

	Urine	Blood (including ABP)
In-competition testing Min numeric value allowed: 0	2947	298
Out-of-competition testing Min numeric value allowed: 0	5333	924

22. Testing abroad

Did you test athletes under your authority who reside or train abroad (directly or by subcontracting another ADO)?

(X) Yes; your comment (optional)both

)

() No, we do not have authorisation to do so; your comment (optional)

23. Disciplinary system

What are the disciplinary bodies for doping offences, i.e. the main body imposing sanctions on athletes and other persons?

	_	_
State authority	no	no
NADO	yes	yes
NOC	no	no
National sport federations	yes	yes
international sport federations	yes	yes
Independent disciplinary body	yes	yes
Professional associations	no	no
Other, please specify	no	no

24. Appeals system

What is the body handling appeals against disciplinary measures?

- () State authority; your comment (optional)
- () National sports federations; your comment (optional)

() Other, please specify:	
(X) Court of Arbitration in Sport (CAS); your comment (optional)	
() Independent court of arbitration; your comment (optional)	
() International sports federations; your comment (optional)	

How many anti-doping rule violations cases were initiated during the reporting period and how many of these initiated cases resulted in the imposition of a sanction?

	Initiated cases	Cases that resulted in a sanction	Cases that resulted in no sanction
Presence of a prohibited substance or its Metabolites or markers in an athlete's sample Min numeric value allowed: 0	113	92	12
Use or attempted use by an athlete of a Prohibited substance or a prohibited method Min numeric value allowed: 0	2	1	0
Evading, Refusing or Failing to Submit to Sample Collection Min numeric value allowed: 0	12	11	1
Whereabouts Failures Min numeric value allowed: 0	10	10	0
Tampering or attempted tampering with any part of doping control Min numeric value allowed: 0	4	3	0
Possession of prohibited substances and prohibited methods Min numeric value allowed: 0	1	1	0
Trafficking or attempted trafficking in any prohibited substance or prohibited method Min numeric value allowed: 0	0	0	0
Administration or attempted administration to any athlete of any Prohibited method or prohibited substance Min numeric value allowed: 0	1	1	0
Complicity Min numeric value allowed: 0	3	1	2
Prohibited Association Min numeric value allowed: 0	0	0	0

[] Data not available

26. Whereabouts failures

How many of the following whereabouts failures have you registered?

[212] One missed test or filing failure

[34] Any combination [] Data not availab	ation of two missed tests and/or filing failures
27. Sanctions for o	loping trafficking
Are there specific p	enalties or sanctions for illegal circulation of doping substances, in addition to those regulating the
movement of medic	ines and narcotics?
	lties, please specify
[X] Financial pena	alties, please specify
[X] Administrativ	e or civil sanctions, please specify
[X] Professional d	lisciplinary actions, please specify
[] None of above	, please explain
[] Not available;	your comment (optional)
28. Co-operation v	with law enforcement agencies
What measures have doping substances?	e been taken to improve co-operation with law enforcement agencies in limiting illegal availability of
[] Law, please sp	pecify
	blease specify Interaction agreement dated December 12, 2016 between the Ministry of Internal Affairs of the I the Ministry of Sport of the Russian Federation in the prevention of the use of Substances and (or) Methods
This working group inc	ties, please specify In accordance with the order 533 dated June 13, 2018 the special working group was created. cludes representatives from the Ministry of Sport of the Russian Federation, the Ministry of Internal Affairs of the Federal Customs Service of the Russian Federation and RUSADA
[] Other, please	specify
[] None; your co	mment (optional)
29. Statistics on do	oping trafficking
Do law enforcemen	t agencies share data on the seizure of doping substances with the national anti-doping organisation:
(X) Yes, please sp	ecify how many seizures have been reported:
() No; your com	ment (optional)
() Other, please s	specify:
30. Organisation of	of anti-doping education
Which organisation	s are involved in coordinating and/or implementing anti-doping education programs?
[X] National anti-	doping organisation
[X] Ministry respo	onsible for sport
[X] Ministry respo	onsible for education
[X] Ministry respo	onsible for health

[X] Other governmental body	
[X] National sport federations	
[X] Regional/municipal sport organisations	
[X] Universities	
[X] Schools	
[X] Sport clubs	
[] Other bodies

52. Nutritional supplements
What measures have been taken to address the problems related to nutritional supplements in sport?
[] Restrict availability
[X] Control of production
[X] Provide quality assurance
[X] Comprehensive labelling
[] Limit advertising and promotion
[X] Educational and informational measures
[] Other, please specify: In 2018, in the framework of the research work, the following proposals were prepared: - introduction of estrictions on the distribution of advertising of food supplements and dietary supplements among minors, - establishing requirements for the advertising of food additives and dietary supplements, - establishment of special requirements for advertising of specialized food products intended for athletes' nutrition. Elaborating of drafts of the relevant federal laws is also included into the plan on implementation of the measures necessary for improvement of regulation of public relations in the field of counteraction to doping for the period of 2019-2020.
33. Anti-doping research
Has any anti-doping research been undertaken or supported?
(X) Yes; your comment (optional)
() Yes, to a limited extent; your comment (optional)
() No; your comment (optional)
34. Areas of anti-doping research
What are the areas of anti-doping research?
[X] Doping prevention
[] Detection methods
[X] Behavioural and social aspects of doping
[X] Health consequences of doping
[X] Physiological and psychological training programmes
[] Emerging substances or methods
[] Alternative testing methods
[] None
[] Other; your comment (optional)
35. Publication of anti-doping research

How many articles with the results of this research have been published in peer-reviewed scientific journals?

[130] in 2018; your comment (optional)Articles dedicated to the Anti-Doping issues were elaborated and wrote at the following universities: 1. Volgograd State Medical University; 2. North-West Institute of management (The Russian Presidential Academy of National Economy and Public Administration); 3. Lesgaft National State University of Physical Education, Sport and Health; 4. Saratov

State Vavilov Agrarian University; 5. Krasnodar University of the Russian Ministry of Internal Affairs; 6. Moscow State Institute of International Relations; 7. Page: 424

Does your country have a national testing programme?

Page: 425

() No, please explain

19. Number of DCOs and BCOs		•
How many Doping Control Officers (DCOs), Bit personnel program? Min numeric value allowed: 0	lood Control Officers (BCOs) an	d chaperones are in your sample collection
[3] DCOs; your comment (optional)		
[0] BCOs; your comment (optional)		
[16] Chaperones; your comment (optional)		
20. Laboratory		•
Is there a doping control laboratory in your cour	ntry?	
[] Yes, accredited by WADA		
[] Yes, but accreditation by WADA is pending		
[] Accredited by WADA for athlete biological p	passport	
[X] No, we send samples to the WADA accredite	ed laboratories in:Roma(city)	
[] Not available Attachments Accordo FIMS e NADO.pdf		
21. Testing statistics		•
How many samples were collected under your n	national testing program in the ye	ar 2018?
	Urine	Blood (including ABP)
In-competition testing Min numeric value allowed: 0	18	0
Out-of-competition testing Min numeric value allowed: 0	6	0
[] Data not available		
22. Testing abroad		•
Did you test athletes under your authority who r	eside or train abroad (directly or	by subcontracting another ADO)?
() Yes; your comment (optional)		
(X) Not in 2018, but we have authorisation to do	so; your comment (optional)	
() No, we do not have authorisation to do so; yo	ur comment (optional)	
23. Disciplinary system		•

What are the disciplinary bodies for doping offences, i.e. the main body imposing sanctions on athletes and other persons?

		_
State authority	no	no
NADO	yes	yes
NOC	yes	yes
National sport federations	no	no
international sport federations	no	no
Independent disciplinary body	no	no
Professional associations	no	no
Other, please specify	no	no

24. Appeals system

What is the body handling appeals against disciplinary measures?

1) State authority: your comment (optional)	,
•	State authority, your comment toblionar	1

-) National sports federations; your comment (optional)
- () International sports federations; your comment (optional)
- () Independent court of arbitration; your comment (optional)
- (X) Court of Arbitration in Sport (CAS); your comment (optional)
- () Other, please specify:

25. Anti-doping rule violations (ADRV)

How many anti-doping rule violations cases were initiated during the reporting period and how many of these initiated cases resulted in the imposition of a sanction?

	Initiated cases	Cases that resulted in a sanction	Cases that resulted in no sanction
Presence of a prohibited substance or its	0	0	0
Metabolites or markers in an athlete's sample Min numeric value allowed: 0			
Use or attempted use by an athlete of a	0	0	0

Anti-Doping Questionnaire

Implementation of anti-doping policies in 2018 - Serbia

Implementation of anti-doping policies in 2018 0.2

Objective:

In order to implement the requirements of the Article 9 of the Anti-Doping Convention, the online annual questionnaire is ready for collection of data regarding anti-doping policies in 2018.

In case you face any problems which would prevent you from filling in the questionnaire, please report it to us by e-mail sport.t-do@coe.int

You are kindly requested to fill in, save and post your country's data for 2018 before 31 May 2019. Instruction: For detailed instructions please select the links to documentation at the top of the page Questions: 1. Number of Athletes Please estimate the number of athletes in the following categories within your country: international-level athletes (as defined by the World Anti-Doping Code) Min numeric value allowed: 0 [4600] your comment (optional) estimated number [] Data not available national-level athletes (as defined by the World Anti-Doping Code) Min numeric value allowed: 0 [450000] your comment (optional) estimated number [] Data not available other athletes (including recreational athletes) Min numeric value allowed: 0 [770000] your comment (optional) estimated number [] Data not available number of athletes in your national Registered Testing Pool (as defined by the World Anti-Doping Code) Min numeric value allowed: 0 [41] your comment (optional) [] Data not available number of athletes at the last Summer Olympic games Min numeric value allowed: 0 [103] your comment (optional) in 14 sports [] Data not available number of athletes at the last Winter Olympic games Min numeric value allowed: 0 [4] your comment (optional) in 2 sports [] Data not available number of athletes at the last Summer Paralympic games Min numeric value allowed: 0 [14] your comment (optional) in 4 sport [] Data not available number of athletes at the last Winter Paralympic games Min numeric value allowed: 0 [1] your comment (optional) in 1 sport [] Data not available

2. Doping definition
What is the definition of "Doping in Sport" used in your country?
[X] Council of Europe Anti-Doping Convention. Your comment (optional)
[X] UNESCO International Convention against doping in sport. Your comment (optional)
[X] World Anti-Doping Code. Your comment (optional)
[] Other, please specify (e.g. national law):
3. Doping List
Which list of banned pharmacological classes of doping agents and doping methods (i.e. Prohibited List) is implemented in your country?
[X] Prohibited list, as adopted by the Executive Committee of WADA. Your comment (optional)
[] List of banned pharmacological classes of doping agents and doping methods, as adopted by the Monitoring Group (TDO). Yo
[] Prohibited list, as adopted by the Conference of Parties of the International Convention against Doping in Sport (UNESCO) You comment (optional)
[] Other, please specify:
4. Additional doping lists
For the purposes of restricting availability of doping substances are there other lists than those defined in question 4?
() Yes, please specify:
(X) No. Your comment (optional)
5. Anti-doping laws
Are there any anti-doping laws in your country?
[X] Anti-doping law. Your comment (optional)
[] Other formal regulations, please specify:
[] No. Your comment (optional)
6. National anti-doping organisation (NADO)
What is the legal status of your national anti-doping organisation? Please upload the statutes, if possible
(X) Public authority. Your comment (optional)
() Non-governmental organisation. Your comment (optional)
() Private company. Your comment (optional)
() National Olympic Committee. Your comment (optional)
() Other, please specify:

_	* T		_	$\overline{}$			•	•		
٠,	N	Λ	1 1/	١,	0	at.	1 1	711	Η.	00
,	1.74	$\overline{}$. ,	- 41		ıν			

Which of the activities below are conducted by your national anti-doping organisation? Please upload the organisational chart, if possible

	Yes. Your comment (optional)	No, please specify which organisation is in charge:
Co-ordination of action by public authorities	(X)	()
Coordination of the fight against trafficking	(X)	()
Testing (doping control)	(X)	()
Results management	(X)	()
Disciplinary procedures	(X)	()
Education and/or information	(X)	()
Research	(X)	()

8	Funding	of an	ti-do	nino	nrogram
ο.	1 unumg	or an	u-uo	pmg	program

What was your annual anti-doping budget for the 2018 calendar year?

Min numeric value allowed: 0

[50500000] amountrsdCurrency

[] Data not available

9. Funding sources

How is the anti-doping program funded? Please select all that apply and indicate an estimate in percentages:

[X] Government60%

[] National Lottery program %

[X] Other Sports Organization(s)20%

[X] Fee for service 20%

] Private %

[] Other %

10. Distribution of funding

What percentage of your annual anti-doping budget is put towards the following core programs?

[16] Testing (including equipment, transportation, Sample Collection Personnel (SCP) fees)

[42] Sample analysis

[2] Investigations
[9] Education
[2] Results Management/Legal
[1] Therapeutic Use Exemptions (TUEs)
[28] Other (e.g. remuneration, administration)
11. Sport Budget
What amount has been allocated to the sport budget from the state budget for the year 2018?
[333200] amounteurcurrency
[] Data not available
12. Limiting public funding to organisations
Is public funding withheld from organisations that do not comply with anti-doping regulations and related legal instruments?
(X) Yes, all funding is withheld; your comment (optional)
() A limited amount of funding is withheld; your comment (optional)
() No financial implications; your comment (optional)
() Information not available; your comment (optional)
13. Limitation of public funding of persons
Is sport-related financial assistance provided by public authorities withheld from banned athletes or athlete support personne during the period of their suspension?
(X) Yes, all funding is withheld; your comment (optional)
() A limited amount of funding is withheld; your comment (optional)
() No; your comment (optional)
() Not applicable (no sport-related financial assistance is provided by public authorities to athletes or support personnel); your comment (optional)
() Information not available; your comment (optional)
14. Testing programme
Does your country have a national testing programme?
(X)Yes
() No, please explain
15. Elements of the Testing Program

What elements of the testing program are implemented by the national anti-doping organisation?

[X] Risk Assessment and Test Distribution Planning (TDP)
[X] Registered Testing Pool
[X] Random selection of athletes
[X] Targeted selection of athletes
[X] In-competition testing
[X] Out-of-competition testing
[X] No-advance notice testing
[X] Blood testing
[X] Athlete Biological Passport (ABP) modules
[] Other elements, please specify
[] If some elements are implemented by another body, please specify which body
16. Quality certificate
Is your NADO or part of its procedures certified according to a quality standard (such as ISO, iNADO or any other quality assurance system)?
() Yes, please specify which standard, its scope and validity:
() In progress, please specify
(X) No; your comment (optional)
17. NADO staff
Please outline below how many staff are involved in the coordination and management of your anti-doping programs. Min numeric value allowed : 0
[7] Staff full time
[0] Staff part time
[0] Volunteers
[27] Committee members
[] Data not available
18. Sample Collection Personnel
Do you have Sample Collection Personnel (SCP) ?
(X) Yes
() No, please explain
19. Number of DCOs and BCOs

How many Doping Control Officers (DCOs), Blood Control Officers (BCOs) and chaperones are in your sample collection personnel program?

Min numeric value allowed: 0

[58] DCOs; your comment (option	nal)			
[24] BCOs; your comment (optio	nal)			
[0] Chaperones; your comment (o	optional)			
20. Laboratory				
Is there a doping control laborator	y in your country?			
[] Yes, accredited by WADA				
[] Yes, but accreditation by WAI	OA is pending			
[] Accredited by WADA for athl	ete biological passpo	rt		
[X] No, we send samples to the W	ADA accredited lab	oratories in:Seibersdorf, Au	ustria(city)	
[] Not available				
21. Testing statistics				
How many samples were collected	l under your nation	al testing program in the	e year 2018?	
		Urine		Blood (including ABP)
In-competition testing Min numeric value allowed: 0		486		12
Out-of-competition testing Min numeric value allowed: 0		177		46
[] Data not available				
22. Testing abroad				
Did you test athletes under your at	uthority who reside	or train abroad (directly	or by subcont	racting another ADO)?
(X) Yes; your comment (optional))			
() Not in 2018, but we have authorized	orisation to do so; yo	ur comment (optional)		
() No, we do not have authorisati	on to do so; your cor	mment (optional)		
23. Disciplinary system				
What are the disciplinary bodies for	or doping offences,	i.e. the main body impo	sing sanctions	on athletes and other persons?
	_		_	
State authority	no		no	
NADO	no		no	
NOC	no		no	

National sport federations	yes	yes
international sport federations	no	no
Independent disciplinary body	yes	yes
Professional associations	no	no
Other, please specify	/	/

~ 4		- 1		
24.	Ap	peals	systen	n

What is the	body	handling	appeals	against	disciplinary	measures?
			- I I		- I	

- 1) State authority: your comment (optional)	\

8. Funding of anti-doping program

What was your annual anti-doping budget for the 2018 calendar year?

Min numeric value allowed: 0

[496337] amountEURCurrency

[] Data not available

9. Funding sources

How is the anti-doping program funded? Please select all that apply and indicate an estimate in percentages:

[2	X J Government95%		
[] National Lottery program	%	
[] National Olympic Committee (NOC)		. %
[] Other Sports Organization(s)	%	
[]	X] Fee for service5%		
[] Private %		
Г	l Other %		

10. Distribution of funding

What percentage of your annual anti-doping budget is put towards the following core programs?
[16] Testing (including equipment, transportation, Sample Collection Personnel (SCP) fees)
[18] Sample analysis
[0] Investigations
[11] Education
[3] Results Management/Legal
[0] Therapeutic Use Exemptions (TUEs)
[52] Other (e.g. remuneration, administration)
11. Sport Budget
What amount has been allocated to the sport budget from the state budget for the year 2018?
[68615950] amountEURcurrency
[] Data not available
12. Limiting public funding to organisations
Is public funding withheld from organisations that do not comply with anti-doping regulations and related legal instruments?
() Yes, all funding is withheld; your comment (optional)
(X) A limited amount of funding is withheld; your comment (optional)by the Sport Law 440/2015
() No financial implications; your comment (optional)
() Information not available; your comment (optional)
13. Limitation of public funding of persons
Is sport-related financial assistance provided by public authorities withheld from banned athletes or athlete support personne during the period of their suspension?
(X) Yes, all funding is withheld; your comment (optional)
() A limited amount of funding is withheld; your comment (optional)
() No; your comment (optional)
() Not applicable (no sport-related financial assistance is provided by public authorities to athletes or support personnel); your comment (optional)
() Information not available; your comment (optional)
14. Testing programme
Does your country have a national testing programme?
(X) Yes
() No, please explain

15. Elements of the Testing Program
What elements of the testing program are implemented by the national anti-doping organisation?
[X] Risk Assessment and Test Distribution Planning (TDP)
[X] Registered Testing Pool
[X] Random selection of athletes
[X] Targeted selection of athletes
[X] In-competition testing
[X] Out-of-competition testing
[X] No-advance notice testing
[X] Blood testing
[X] Athlete Biological Passport (ABP) modules
[] Other elements, please specify
[] If some elements are implemented by another body, please specify which body
16. Quality certificate
Is your NADO or part of its procedures certified according to a quality standard (such as ISO, iNADO or any other quality assurance system)? (X) Yes, please specify which standard, its scope and validity: ISO () In progress, please specify
17. NADO staff
Please outline below how many staff are involved in the coordination and management of your anti-doping programs. Min numeric value allowed: 0
[8] Staff full time
[27] Staff part time
[0] Volunteers
[5] Committee members
[] Data not available
18. Sample Collection Personnel
Do you have Sample Collection Personnel (SCP) ?
(X)Yes
() No, please explain

19. Number of DCOs and BCOs		
How many Doping Control Officers (DCOs), I personnel program? Min numeric value allowed: 0	Blood Control Officers (BCOs) an	d chaperones are in your sample collection
[18] DCOs; your comment (optional)		
[8] BCOs; your comment (optional)		
[0] Chaperones; your comment (optional)it is p	povided by organizers of competitions	
20. Laboratory		
Is there a doping control laboratory in your con	untry?	
[] Yes, accredited by WADA		
[] Yes, but accreditation by WADA is pending	3	
[] Accredited by WADA for athlete biological	l passport	
[X] No, we send samples to the WADA accredi	ited laboratories in:Seibersdorf(city)	
[] Not available		
21. Testing statistics How many samples were collected under your	national testing program in the ye	ar 2018?
	Urine	Blood (including ABP)
In-competition testing Min numeric value allowed: 0	154	30
Out-of-competition testing Min numeric value allowed: 0	164	84
[] Data not available Attachments SADA statistics: http://www.antidoping.s		
22. Testing abroad		
Did you test athletes under your authority who	reside or train abroad (directly or	by subcontracting another ADO)?
(X) Yes; your comment (optional)about 9 athle	tes	
() Not in 2018, but we have authorisation to do	o so; your comment (optional)	
() No, we do not have authorisation to do so; y	your comment (optional)	

23. Disciplinary system

What are the disciplinary bodies for doping offences, i.e. the main body imposing sanctions on athletes and other persons?

	_	_
State authority	no	no
NADO	no	no
NOC	no	no
National sport federations	yes	yes
international sport federations	yes	yes
Independent disciplinary body	no	no
Professional associations	no	no
Other, please specify	no	no

Anti-Doping Questionnaire

Implementation of anti-doping policies in 2018 - Slovenia

Implementation of anti-doping policies in 2018 0.2

Objective:

In order to implement the requirements of the Article 9 of the Anti-Doping Convention, the online annual questionnaire is ready for collection of data regarding anti-doping policies in 2018.

In case you face any problems which would prevent you from filling in the questionnaire, please report it to us by e-mail sport.t-do@coe.int

You are kindly requested to fill in, save and post your country's data for 2018 before 31 May 2019.

Instruction:

For detailed instructions please select the links to documentation at the top of the page

Questions:

1. Number of Athletes

Please estimate the number	of athletes in the	following categories	within your country:

international-level athletes (as defined by the World Anti-Doping Code) Min numeric value allowed: 0
[1184] your comment (optional) following AD Rules [] Data not available
national-level athletes (as defined by the World Anti-Doping Code) Min numeric value allowed: 0
[5490] your comment (optional)

other athletes (including recreational athletes)

Min numeric value allowed: 0

[44794] your comment (optional) recreational athletes are not registered athletes. Don't mix them with amatuer athletes.

[] Data not available

number of athletes in your national Registered Testing Pool (as defined by the World Anti-Doping Code)

Min numeric value allowed: 0

[51] your comment (optional) different number by Q	S

9. Funding sources
How is the anti-doping program funded? Please select all that apply and indicate an estimate in percentages:
[] Government51%
[] National Lottery program12%
[] National Olympic Committee (NOC)6%
[] Other Sports Organization(s)9,6%
[] Fee for service14,4%
[] Private%
[] Other %
10. Distribution of funding
What percentage of your annual anti-doping budget is put towards the following core programs?
[26] Testing (including equipment, transportation, Sample Collection Personnel (SCP) fees)
[25] Sample analysis
[1] Investigations
[16] Education
[1] Results Management/Legal
[3] Therapeutic Use Exemptions (TUEs)
[23] Other (e.g. remuneration, administration)
11. Sport Budget
What amount has been allocated to the sport budget from the state budget for the year 2018?
[23720482] amount€currency
[] Data not available
12. Limiting public funding to organisations
Is public funding withheld from organisations that do not comply with anti-doping regulations and related legal instrument
() Yes, all funding is withheld; your comment (optional)
() A limited amount of funding is withheld; your comment (optional)
(X) No financial implications; your comment (optional)some athletes were not financed by the NSF
() Information not available; your comment (optional)
13. Limitation of public funding of persons

Page: 457

Is sport-related financial assistance provided by public authorities withheld from banned athletes or athlete support personnel

during the period of their suspension?
() Yes, all funding is withheld; your comment (optional)
() A limited amount of funding is withheld; your comment (optional)
(X) No; your comment (optional)
() Not applicable (no sport-related financial assistance is provided by public authorities to athletes or support personnel); your comment (optional)
() Information not available; your comment (optional)
14. Testing programme
Does your country have a national testing programme?
(X) Yes
() No, please explain
15. Elements of the Testing Program
What elements of the testing program are implemented by the national anti-doping organisation?
[X] Risk Assessment and Test Distribution Planning (TDP)
[X] Registered Testing Pool
[X] Random selection of athletes
[X] Targeted selection of athletes
[X] In-competition testing
[X] Out-of-competition testing
[X] No-advance notice testing
[X] Blood testing
[X] Athlete Biological Passport (ABP) modules
[X] Other elements, please specifyinteligence based elements
[] If some elements are implemented by another body, please specify which body
16. Quality certificate
Is your NADO or part of its procedures certified according to a quality standard (such as ISO, iNADO or any other quality assurance system)?
() Yes, please specify which standard, its scope and validity:
() In progress, please specify
(X) No; your comment (optional)not yet
17. NADO staff

Please outline below how many staff are involved in the coordination and management of your anti-doping programs.

[1] Staff full time
[2] Staff part time
[30] Volunteers
[5] Committee members [] Data not available
18. Sample Collection Personnel
Do you have Sample Collection Personnel (SCP) ?
(X) Yes
() No, please explain
19. Number of DCOs and BCOs
How many Doping Control Officers (DCOs), Blood Control Officers (BCOs) and chaperones are in your sample collection personnel program? Min numeric value allowed: 0
[27] DCOs; your comment (optional)3 of them are BCOs as well
[8] BCOs; your comment (optional)
[0] Chaperones; your comment (optional)
20. Laboratory
Is there a doping control laboratory in your country?
[] Yes, accredited by WADA
[] Yes, but accreditation by WADA is pending
[] Accredited by WADA for athlete biological passport
[X] No, we send samples to the WADA accredited laboratories in:Seibersdorg, AUT(city)
[] Not available
21. Testing statistics
How many samples were collected under your national testing program in the year 2018?

	Urine	Blood (including ABP)
In-competition testing Min numeric value allowed: 0	238	0
Out-of-competition testing Min numeric value allowed: 0	153	35

[] Data not available

ADQ Anti-Doping Questionnaire

Implementation of anti-doping policies in 2018 - Spain

Implementation of anti-doping policies in 2018 0.2

Objective:

In order to implement the requirements of the Article 9 of the Anti-Doping Convention, the online annual questionnaire is ready for collection of data regarding anti-doping policies in 2018.

In case you face any problems which would prevent you from filling in the questionnaire, please report it to us by e-mail sport.t-do@coe.int

You are kindly requested to fill in, save and post your country's data for 2018 before 31 May 2019.

Instruction:

For detailed instructions please select the links to documentation at the top of the page

Please estimate the number of athletes in the following categories within your country:

[306] your comment (optional)

Questions:

1. Number of Athletes

[] Data not available

international-level athletes (as defined by the World Anti-Doping Code) Min numeric value allowed: 0
[] your comment (optional)
[X] Data not available
national-level athletes (as defined by the World Anti-Doping Code) Min numeric value allowed: 0
[] your comment (optional)

8. Funding of anti-doping program
What was your annual anti-doping budget for the 2018 calendar year? Min numeric value allowed: 0
[9382666.21] amount€Currency [] Data not available
9. Funding sources
How is the anti-doping program funded? Please select all that apply and indicate an estimate in percentages:
[X] Government90.17 %
[] National Lottery program %
[] National Olympic Committee (NOC) %
[] Other Sports Organization(s) %
[X] Fee for service9.83%
[] Private %
[] Other%
10. Distribution of funding
What percentage of your annual anti-doping budget is put towards the following core programs?
[25.19] Testing (including equipment, transportation, Sample Collection Personnel (SCP) fees)
[28.97] Sample analysis
[3.15] Investigations
[3.52] Education
[6.39] Results Management/Legal
[3.15] Therapeutic Use Exemptions (TUEs)
[29.63] Other (e.g. remuneration, administration)
11. Sport Budget
What amount has been allocated to the sport budget from the state budget for the year 2018?
[193797260] amount€currency
[] Data not available
12. Limiting public funding to organisations

$Is \ public \ funding \ withheld \ from \ organisations \ that \ do \ not \ comply \ with \ anti-doping \ regulations \ and \ related \ legal \ instruments?$
() Yes, all funding is withheld; your comment (optional)
() A limited amount of funding is withheld; your comment (optional)
(X) No financial implications; your comment (optional)
() Information not available; your comment (optional)
13. Limitation of public funding of persons
Is sport-related financial assistance provided by public authorities withheld from banned athletes or athlete support personnel during the period of their suspension?
(X) Yes, all funding is withheld; your comment (optional)
() A limited amount of funding is withheld; your comment (optional)
() No; your comment (optional)
() Not applicable (no sport-related financial assistance is provided by public authorities to athletes or support personnel); your comment (optional)
() Information not available; your comment (optional)
14. Testing programme
Does your country have a national testing programme?
(X) Yes
() No, please explain
15. Elements of the Testing Program
What elements of the testing program are implemented by the national anti-doping organisation?
[X] Risk Assessment and Test Distribution Planning (TDP)
[X] Registered Testing Pool
[X] Random selection of athletes
[X] Targeted selection of athletes
[X] In-competition testing
[X] Out-of-competition testing
[X] No-advance notice testing
[X] Blood testing
[X] Athlete Biological Passport (ABP) modules
[] Other elements, please specify
[] If some elements are implemented by another body, please specify which body
16. Quality certificate

Is your NADO or part of its procedures certified according to a quality standard (such as ISO, iNADO or any other quality

assurance system)?
(X) Yes, please specify which standard, its scope and validity: ISO 9001:2015 Doping Control Department
() In progress, please specify
() No; your comment (optional)
17. NADO staff
Please outline below how many staff are involved in the coordination and management of your anti-doping programs. Min numeric value allowed: 0
[20] Staff full time
[0] Staff part time
[1] Volunteers
[9] Committee members
[] Data not available
18. Sample Collection Personnel
Do you have Sample Collection Personnel (SCP) ?
(X) Yes
() No, please explain
19. Number of DCOs and BCOs
How many Doping Control Officers (DCOs), Blood Control Officers (BCOs) and chaperones are in your sample collect
personnel program? Min numeric value allowed: 0
Mill humeric value anowed: 0
[160] DCOs; your comment (optional)
[110] BCOs; your comment (optional)
[185] Chaperones; your comment (optional)
[] Data not available
20. Laboratory
Is there a doping control laboratory in your country?
[X] Yes, accredited by WADA
[] Yes, but accreditation by WADA is pending
[] Accredited by WADA for athlete biological passport
[] No, we send samples to the WADA accredited laboratories in:
[] Not available
21. Testing statistics

		Urine		Blood (including ABP)
In-competition testing Min numeric value allowed: 0		2719		390
Out-of-competition testing Min numeric value allowed: 0		1465		1217

Trafficking or attempted trafficking in any prohibited substance or prohibited method Min numeric value allowed: 0	1	1	0
Administration or attempted administration to any athlete of any Prohibited method or prohibited substance Min numeric value allowed: 0	0	0	0
Complicity Min numeric value allowed: 0	0	0	0
Prohibited Association Min numeric value allowed: 0	0	0	0

[] Data not available

26. Whereabouts failures

How many of the following whereabouts failures have you registered?

- [67] One missed test or filing failure
- [0] Any combination of two missed tests and/or filing failures
- [] Data not available

Are there specific penalties or sanctions for illegal circulation of doping substances, in addition to those regulating the

27. Sanctions for doping trafficking

movement of medicines and narcotics?
[X] Criminal penalties, please specify Penal Code
[] Financial penalties, please specify
[] Administrative or civil sanctions, please specify
[] Professional disciplinary actions, please specify
[] None of above, please explain
[] Not available; your comment (optional)
Esta Ley Orgánica 10/1995, de 23 de noviembre, del Código Penal. (Consolidated Penal Code): http://https://www.boe.es/eli/es/lo/1995/11/23/10/con
28. Co-operation with law enforcement agencies
What measures have been taken to improve co-operation with law enforcement agencies in limiting illegal availability of doping substances?
[] Law, please specify
[X] Agreement, please specify with National Police and Civil Guard
[] Ad hoc activities, please specify
[] Other, please specify
[] None; your comment (optional)
29. Statistics on doping trafficking
Do law enforcement agencies share data on the seizure of doping substances with the national anti-doping organisation:
(X) Yes, please specify how many seizures have been reported:
() No; your comment (optional)
() Other, please specify:
30. Organisation of anti-doping education
Which organisations are involved in coordinating and/or implementing anti-doping education programs?
[X] National anti-doping organisation
[X] Ministry responsible for sport
[] Ministry responsible for education
[] Ministry responsible for health
[X] Other governmental bodyRegional Sport and Education Authorities
[X] National sport federations
[X] Regional/municipal sport organisations

CONSEIL DE L'EUROPE

Anti-Doping Questionnaire

Implementation of anti-doping policies in 2018 - Sweden

Implementation of anti-doping policies in 2018 0.2

Objective:

In order to implement the requirements of the Article 9 of the Anti-Doping Convention, the online annual questionnaire is ready for collection of data regarding anti-doping policies in 2018.

In case you face any problems which would prevent you from filling in the questionnaire, please report it to us by e-mail sport.t-do@coe.int

You are kindly requested to fill in, save and post your country's data for 2018 before 31 May 2019.

Instruction:

For detailed instructions please select the links to documentation at the top of the page

Questions:

1. Number of Athletes

Please estimate the number of athletes in the following categories within your country:

international-level athletes	(as defined by	the World	Anti-Doping (Code)
Min numeric value allowed: 0				

[56] your comment (optional)

[] Data not available

national-level athletes (as defined by the World Anti-Doping Code)

Min numeric value allowed: 0

[1400] your comment (optional)

[] Data not available

other athletes (including recreational athletes)

Min numeric value allowed: 0

[3000000] your comment (optional) members inside the SSC

[] Data not available

number of athletes in your national Registered Testing Pool (as defined by the World Anti-Doping Code)

Min numeric value allowed: 0

[226] your comment (optional)

[] Data not available
number of athletes at the last Summer Olympic games Min numeric value allowed: 0
[154] your comment (optional)
number of athletes at the last Winter Olympic games Min numeric value allowed: 0
[110] your comment (optional)
number of athletes at the last Summer Paralympic games Min numeric value allowed: 0
[58] your comment (optional)
number of athletes at the last Winter Paralympic games Min numeric value allowed: 0
[40] your comment (optional) estimated [] Data not available
2. Doping definition
What is the definition of "Doping in Sport" used in your country?
[] Council of Europe Anti-Doping Convention. Your comment (optional)
[] UNESCO International Convention against doping in sport. Your comment (optional)
[X] World Anti-Doping Code. Your comment (optional)
[] Other, please specify (e.g. national law):
3. Doping List
Which list of banned pharmacological classes of doping agents and doping methods (i.e. Prohibited List) is implemented in your country?
[X] Prohibited list, as adopted by the Executive Committee of WADA. Your comment (optional)
[] List of banned pharmacological classes of doping agents and doping methods, as adopted by the Monitoring Group (TDO). You comment (optional)
[] Prohibited list, as adopted by the Conference of Parties of the International Convention against Doping in Sport (UNESCO) You comment (optional)
[] Other, please specify:
4. Additional doping lists

Page: 477

For the purposes of restricting availability of doping substances are there other lists than those defined in question 4?

(X) Yes, please specify: Swedish law against doping

5. Anti-doping laws		
Are there any anti-doping laws in your country?		
[X] Anti-doping law. Your comment (optional)limited	to hormones	
[] Other formal regulations, please specify:		
[] No. Your comment (optional)		
6. National anti-doping organisation (NADO)		
What is the legal status of your national anti-doping of	organisation? Please upload the sta	tutes, if possible
() Public authority. Your comment (optional)		
(X) Non-governmental organisation. Your comment (o	ptional)	
() Private company. Your comment (optional)		
() National Olympic Committee. Your comment (opti	onal)	
() Other, please specify:		
7. NADO activities Which of the activities below are conducted by your rehart, if possible	national anti-doping organisation?	Please upload the organisation

9. Funding sources
How is the anti-doping program funded? Please select all that apply and indicate an estimate in percentages:
[X] Government100%
[] National Lottery program %
[] National Olympic Committee (NOC) %
[] Other Sports Organization(s) %
[] Fee for service%
[] Private%
[] Other %
10. Distribution of funding
What percentage of your annual anti-doping budget is put towards the following core programs?
[19] Testing (including equipment, transportation, Sample Collection Personnel (SCP) fees)
[22] Sample analysis
[2] Investigations
[7] Education
[1] Results Management/Legal
[0] Therapeutic Use Exemptions (TUEs)
[49] Other (e.g. remuneration, administration)
[] Data not available
11. Sport Budget
What amount has been allocated to the sport budget from the state budget for the year 2018?
[1955000] amountSEKcurrency
[] Data not available
12. Limiting public funding to organisations
Is public funding withheld from organisations that do not comply with anti-doping regulations and related legal instrumen
() Yes, all funding is withheld; your comment (optional)
(X) A limited amount of funding is withheld; your comment (optional)Possible, but not used
() No financial implications; your comment (optional)
() Information not available; your comment (optional)
13. Limitation of public funding of persons

Is sport-related financial assistance provided by public authorities withheld from banned athletes or athlete support personnel

during the period of their suspension?
() Yes, all funding is withheld; your comment (optional)
(X) A limited amount of funding is withheld; your comment (optional)Possible. NFs responsibility
() No; your comment (optional)
() Not applicable (no sport-related financial assistance is provided by public authorities to athletes or support personnel); your comment (optional)
() Information not available; your comment (optional)
14. Testing programme
Does your country have a national testing programme?
(X) Yes
() No, please explain
15. Elements of the Testing Program
What elements of the testing program are implemented by the national anti-doping organisation?
[X] Risk Assessment and Test Distribution Planning (TDP)
[X] Registered Testing Pool
[X] Random selection of athletes
[X] Targeted selection of athletes
[X] In-competition testing
[X] Out-of-competition testing
[X] No-advance notice testing
[X] Blood testing
[X] Athlete Biological Passport (ABP) modules
[] Other elements, please specify
[] If some elements are implemented by another body, please specify which body
16. Quality certificate
Is your NADO or part of its procedures certified according to a quality standard (such as ISO, iNADO or any other quality assurance system)?
(X) Yes, please specify which standard, its scope and validity: ISO 9001:2015. The scope is all mandatory activities stated in the WADC. Validity to 2021
() In progress, please specify
() No; your comment (optional)
17. NADO staff

Please outline below how many staff are involved in the coordination and management of your anti-doping programs.

Min numeric value allowed: 0

[16] Staff full time
[3] Staff part time
[150] Volunteers
[6] Committee members [] Data not available
18. Sample Collection Personnel
Do you have Sample Collection Personnel (SCP) ?
(X) Yes
() No, please explain
19. Number of DCOs and BCOs
How many Doping Control Officers (DCOs), Blood Control Officers (BCOs) and chaperones are in your sample collection personnel program? Min numeric value allowed: 0
[72] DCOs; your comment (optional)
[51] BCOs; your comment (optional)
[75] Chaperones; your comment (optional)Authorized more like an 2nd DCO [] Data not available
20. Laboratory
Is there a doping control laboratory in your country?
[X] Yes, accredited by WADA
[] Yes, but accreditation by WADA is pending
[] Accredited by WADA for athlete biological passport
[] No, we send samples to the WADA accredited laboratories in:
[] Not available
21. Testing statistics
How many samples were collected under your national testing program in the year 2018?

	Urine	Blood (including ABP)
In-competition testing Min numeric value allowed: 0	1386	0
Out-of-competition testing Min numeric value allowed: 0	1723	743

[] Data not available

ADQ Anti-Doping Questionnaire

Implementation of anti-doping policies in 2018 - Switzerland

Implementation of anti-doping policies in 2018 0.2

Objective:

In order to implement the requirements of the Article 9 of the Anti-Doping Convention, the online annual questionnaire is ready for collection of data regarding anti-doping policies in 2018.

In case you face any problems which would prevent you from filling in the questionnaire, please report it to us by e-mail sport.t-do@coe.int

You are kindly requested to fill in, save and post your country's data for 2018 before 31 May 2019.

Instruction:

For detailed instructions please select the links to documentation at the top of the page

Questions:

1. Number of Athletes

Min numeric value allowed: 0

[109] your comment (optional)

Please estimate t	the number of	of athletes	in the	following	categories	within	vour country:

international-level athletes (as defined by the World Anti-Doping Code) Min numeric value allowed: 0
[70] your comment (optional)
[] Data not available
national-level athletes (as defined by the World Anti-Doping Code) Min numeric value allowed: 0
[2200] your comment (optional)
[] Data not available
other athletes (including recreational athletes) Min numeric value allowed: 0
[1400000] your comment (optional) active members of all sports clubs in Switzerland that do at least occasionally compet in
different sports
[] Data not available
number of athletes in your national Registered Testing Pool (as defined by the World Anti-Doping Code) Min numeric value allowed : 0
[257] your comment (optional)
number of athletes at the last Summer Olympic games

[] Data not available
number of athletes at the last Winter Olympic games Min numeric value allowed: 0
[163] your comment (optional)
number of athletes at the last Summer Paralympic games Min numeric value allowed: 0
[24] your comment (optional)
number of athletes at the last Winter Paralympic games Min numeric value allowed: 0
[8] your comment (optional)
2. Doping definition
What is the definition of "Doping in Sport" used in your country?
[] Council of Europe Anti-Doping Convention. Your comment (optional)
[] UNESCO International Convention against doping in sport. Your comment (optional)
[X] World Anti-Doping Code. Your comment (optional)
[] Other, please specify (e.g. national law):
3. Doping List
Which list of banned pharmacological classes of doping agents and doping methods (i.e. Prohibited List) is implemented in your country?
[X] Prohibited list, as adopted by the Executive Committee of WADA. Your comment (optional)
[] List of banned pharmacological classes of doping agents and doping methods, as adopted by the Monitoring Group (TDO). You comment (optional)
[] Prohibited list, as adopted by the Conference of Parties of the International Convention against Doping in Sport (UNESCO) You comment (optional)
[] Other, please specify:
4. Additional doping lists
For the purposes of restricting availability of doping substances are there other lists than those defined in question 4?
(X) Yes, please specify: The prohibited substances and methods concerning trafficking are defined in an annex of the federal law or
the promotion of sports
() No. Your comment (optional)

8. Funding of anti-doping program

What was your annual anti-doping budget for the 2018 calendar year? Min numeric value allowed: 0
[4942205] amountCHFCurrency
[] Data not available
9. Funding sources
How is the anti-doping program funded? Please select all that apply and indicate an estimate in percentages:
[X] Government55.3%
[] National Lottery program %
[X] National Olympic Committee (NOC)38.6%
[] Other Sports Organization(s) %
[X] Fee for service6.1%
[] Private %
[] Other %
10. Distribution of funding
What percentage of your annual anti-doping budget is put towards the following core programs?
[50] Testing (including equipment, transportation, Sample Collection Personnel (SCP) fees)
[17] Sample analysis
[13] Investigations
[10] Education
[7] Results Management/Legal
[4] Therapeutic Use Exemptions (TUEs)
[0] Other (e.g. remuneration, administration)
11. Sport Budget
What amount has been allocated to the sport budget from the state budget for the year 2018?
[146000000] amountEUROcurrency
[] Data not available
12. Limiting public funding to organisations
Is public funding withheld from organisations that do not comply with anti-doping regulations and related legal instrumen
() Yes, all funding is withheld; your comment (optional)
(X) A limited amount of funding is withheld; your comment (optional)

Page: 490

() No financial implications; your comment (optional)

() Information not available; your comment (optional)
13. Limitation of public funding of persons
Is sport-related financial assistance provided by public authorities withheld from banned athletes or athlete support person during the period of their suspension?
(X) Yes, all funding is withheld; your comment (optional)
() A limited amount of funding is withheld; your comment (optional)
() No; your comment (optional)
() Not applicable (no sport-related financial assistance is provided by public authorities to athletes or support personnel); your comment (optional)
() Information not available; your comment (optional)
14. Testing programme
Does your country have a national testing programme?
(X) Yes
() No, please explain
15. Elements of the Testing Program
What elements of the testing program are implemented by the national anti-doping organisation?
[X] Risk Assessment and Test Distribution Planning (TDP)
[X] Registered Testing Pool
[X] Random selection of athletes
[X] Targeted selection of athletes
[X] In-competition testing
[X] Out-of-competition testing
[X] No-advance notice testing
[X] Blood testing
[X] Athlete Biological Passport (ABP) modules
[] Other elements, please specify
[] If some elements are implemented by another body, please specify which body
16. Quality certificate
Is your NADO or part of its procedures certified according to a quality standard (such as ISO, iNADO or any other quality assurance system)?
(X) Yes, please specify which standard, its scope and validity: ISO 9001:2015
() In progress, please specify
() No; your comment (optional)

17. NADO staff

and your national tool	Urine Urine	Blood (including ABP)
21. Testing statistics How many samples were collected under your national testi	ing program in the ve	ar 2018?
[] Not available		
[] No, we send samples to the WADA accredited laboratorie	s in:	(city)
[X] Accredited by WADA for athlete biological passport		
[] Yes, but accreditation by WADA is pending		
[X] Yes, accredited by WADA		
Is there a doping control laboratory in your country?		
20. Laboratory		
[0] Chaperones; your comment (optional)		
[11] BCOs; your comment (optional)		
[21] DCOs; your comment (optional)

[7] Education
[0] Results Management/Legal
[0] Therapeutic Use Exemptions (TUEs)
[51.8] Other (e.g. remuneration, administration)
11. Sport Budget
What amount has been allocated to the sport budget from the state budget for the year 2018?
[53684000] amountDinars Tunisiencurrency [] Data not available
12. Limiting public funding to organisations
Is public funding withheld from organisations that do not comply with anti-doping regulations and related legal instruments
() Yes, all funding is withheld; your comment (optional)
(X) A limited amount of funding is withheld; your comment (optional)Bien qu'aucune organisation sportive n'ait été dans ce genre d cas de figure pour le moment
() No financial implications; your comment (optional)
() Information not available; your comment (optional)
13. Limitation of public funding of persons
Is sport-related financial assistance provided by public authorities withheld from banned athletes or athlete support personned during the period of their suspension?
(X) Yes, all funding is withheld; your comment (optional)L'ANAD s'assure que les autorités sportives lui retirent tout soutien financier

() A limited amount of funding is withheld; your comment (optional)

() No; your comment (optional)
() Not applicable (no sport-related financial assistance is provided by public authorities to athletes or support personnel); your comment (optional)
() Information not available; your comment (optional)
14. Testing programme
Does your country have a national testing programme?
(X) Yes
() No, please explain
15. Elements of the Testing Program
What elements of the testing program are implemented by the national anti-doping organisation?
[X] Risk Assessment and Test Distribution Planning (TDP)
[X] Registered Testing Pool
[X] Random selection of athletes
[X] Targeted selection of athletes
[X] In-competition testing
[X] Out-of-competition testing
[X] No-advance notice testing
[] Blood testing
[] Athlete Biological Passport (ABP) modules
[X] Other elements, please specifyLe contrôle sanguin a débuté en 2019 et effectué par l'Agence Nationale Anti Dopage
[] If some elements are implemented by another body, please specify which body
16. Quality certificate
Is your NADO or part of its procedures certified according to a quality standard (such as ISO, iNADO or any other quality assurance system)?
() Yes, please specify which standard, its scope and validity:
() In progress, please specify
(X) No; your comment (optional)Nous sommes membres de l'iNADO mais pas de notion de certification pour le moment
17. NADO staff
Please outline below how many staff are involved in the coordination and management of your anti-doping programs. Min numeric value allowed: 0
[22] Staff full time
[33] Staff part time
[0] Volunteers

[22] Committee members [] Data not available		
18. Sample Collection Personnel		
Do you have Sample Collection Personnel (SCP) ?		
(X)Yes		
() No, please explain		
19. Number of DCOs and BCOs		
How many Doping Control Officers (DCOs), Bloopersonnel program? Min numeric value allowed: 0	d Control Officers (BCOs) ar	nd chaperones are in your sample collection
[8] DCOs; your comment (optional)seulement 8 ope	érationnels sur les 17 contractuel	ls
[4] BCOs; your comment (optional)seulement 4 ope	érationnels sur les 6 contractuels	
[4] Chaperones; your comment (optional)seulement	4 opérationnels sur les 10 contr	actuels
20. Laboratory		
Is there a doping control laboratory in your country	7?	
[] Yes, accredited by WADA		
[] Yes, but accreditation by WADA is pending		
[] Accredited by WADA for athlete biological pass	port	
[X] No, we send samples to the WADA accredited l	aboratories in:Athène(city)	
[] Not available		
21. Testing statistics		
How many samples were collected under your nati	onal testing program in the ye	ear 2018?
	Urine	Blood (including ABP)
In-competition testing Min numeric value allowed: 0	6	0
Out-of-competition testing Min numeric value allowed: 0	80	0
[] Data not available		
22. Testing abroad		
Did you test athletes under your authority who resi	de or train abroad (directly or	by subcontracting another ADO)?

Page : 503

() Yes; your comment (optional)

(X) Not in 2018, but we have authorisati	on to do s	o; your comment (option	onal)		
() No, we do not have authorisation to o	do so; you	r comment (optional)			
23. Disciplinary system

ADQ Anti-Doping Questionnaire

Implementation of anti-doping policies in 2018 - Turkey

Implementation of anti-doping policies in 2018 0.2

Objective:

In order to implement the requirements of the Article 9 of the Anti-Doping Convention, the online annual questionnaire is ready for collection of data regarding anti-doping policies in 2018.

In case you face any problems which would prevent you from filling in the questionnaire, please report it to us by e-mail sport.t-do@coe.int

You are kindly requested to fill in, save and post your country's data for 2018 before 31 May 2019.

Instruction:

For detailed instructions please select the links to documentation at the top of the page

Questions:

1. Number of Athletes	

Please estimate the number of athletes in the following categories within your country:

international-level athletes (as defined by the World Anti-Doping Code) Min numeric value allowed : 0
[600] your comment (optional)
[] Data not available
national-level athletes (as defined by the World Anti-Doping Code) Min numeric value allowed : 0
[15000] your comment (optional)
[] Data not available
other athletes (including recreational athletes)
Min numeric value allowed: 0
[695698] your comment (optional)
[] Data not available
number of athletes in your national Registered Testing Pool (as defined by the World Anti-Doping Code) Min numeric value allowed: 0
[177] your comment (optional)
[] Data not available
number of athletes at the last Summer Olympic games
Min numeric value allowed: 0
[103] your comment (optional)
Data not available

number of athletes at the last Winter Olympic games Min numeric value allowed: 0
[8] your comment (optional)
number of athletes at the last Summer Paralympic games Min numeric value allowed: 0
[78] your comment (optional)
number of athletes at the last Winter Paralympic games Min numeric value allowed: 0
[2] your comment (optional)
2. Doping definition
What is the definition of "Doping in Sport" used in your country?
[] Council of Europe Anti-Doping Convention. Your comment (optional)
[] UNESCO International Convention against doping in sport. Your comment (optional)
[X] World Anti-Doping Code. Your comment (optional)
[] Other, please specify (e.g. national law):
3. Doping List
Which list of banned pharmacological classes of doping agents and doping methods (i.e. Prohibited List) is implemented your country?
[X] Prohibited list, as adopted by the Executive Committee of WADA. Your comment (optional)
[] List of banned pharmacological classes of doping agents and doping methods, as adopted by the Monitoring Group (TDO). Y comment (optional)
[] Prohibited list, as adopted by the Conference of Parties of the International Convention against Doping in Sport (UNESCO) Comment (optional)
[] Other, please specify:
4. Additional doping lists
For the purposes of restricting availability of doping substances are there other lists than those defined in question 4?
() Yes, please specify:
(X) No. Your comment (optional)
5. Anti-doping laws
Are there any anti-doping laws in your country?
[] Anti-doping law. Your comment (optional)

Page: 510

[] Other formal regulations, please specify:		
[X] No. Your comment (optional)		
6. National anti-doping organisation (NADO)		
What is the legal status of your national anti-doping or	rganisation? Please upload the sta	ututes, if possible
() Public authority. Your comment (optional)		
() Non-governmental organisation. Your comment (opt	tional)	
() Private company. Your comment (optional)		
(X) National Olympic Committee. Your comment (option	onal)	
() Other, please specify:		
7. NADO activities		
Which of the activities below are conducted by your n chart, if possible	ational anti-doping organisation?	Please upload the organisational
	Yes. Your comment (optional)	No, please specify which organisation is in charge:
Co-ordination of action by public authorities	(X)	()
Coordination of the fight against trafficking	()	(X) Ministry of Interior & Ministry of Customs
Testing (doping control)	(X)	()
Results management	(X)	()
Disciplinary procedures	()	(X) National Sports Federations
Education and/or information	(X)	()
Research	()	(X) Ankara University Anti-Doping Research Center
8. Funding of anti-doping program		
What was your annual anti-doping budget for the 2018 Min numeric value allowed: 0	8 calendar year?	
[12000000] amountTLCurrency [] Data not available		
9. Funding sources		
How is the anti-doping program funded? Please select	all that apply and indicate an esti	imate in percentages:
[X] Government100%		
[] National Lottery program	%	

[] National Olympic Committee (NOC)	
[] Other Sports Organization(s) %	
[] Fee for service	
[] Private %	
[] Other %	
10. Distribution of funding	•
What percentage of your annual anti-doping budget is put towards the following	g core programs?
[35] Testing (including equipment, transportation, Sample Collection Personnel (S	CP) fees)
[32] Sample analysis	
[0] Investigations	
[3.5] Education	
[1] Results Management/Legal	
[0] Therapeutic Use Exemptions (TUEs)	
[28.5] Other (e.g. remuneration, administration) Athlete Passport Management Uni	t (APMU)
11. Sport Budget	•
What amount has been allocated to the sport budget from the state budget for the	ne year 2018?
[1476200000] amountTLcurrency	
[] Data not available	
12. Limiting public funding to organisations	•
Is public funding withheld from organisations that do not comply with anti-dop	ing regulations and related legal instruments?
() Yes, all funding is withheld; your comment (optional)	
() A limited amount of funding is withheld; your comment (optional)	
(X) No financial implications; your comment (optional)	
() Information not available; your comment (optional)	
13. Limitation of public funding of persons	•
Is sport-related financial assistance provided by public authorities withheld from during the period of their suspension?	n banned athletes or athlete support personnel
(X) Yes, all funding is withheld; your comment (optional)	
() A limited amount of funding is withheld; your comment (optional)	
() No; your comment (optional)	

() Not applicable (no sport-related financial assistance is provided by public authorities to athletes or support personnel); your comment (optional)
() Information not available; your comment (optional)
14. Testing programme
Does your country have a national testing programme?
(X) Yes
() No, please explain
15. Elements of the Testing Program
What elements of the testing program are implemented by the national anti-doping organisation?
[X] Risk Assessment and Test Distribution Planning (TDP)
[X] Registered Testing Pool
[X] Random selection of athletes
[X] Targeted selection of athletes
[X] In-competition testing
[X] Out-of-competition testing
[X] No-advance notice testing
[X] Blood testing
[X] Athlete Biological Passport (ABP) modules
[] Other elements, please specify
[] If some elements are implemented by another body, please specify which body
16. Quality certificate
Is your NADO or part of its procedures certified according to a quality standard (such as ISO, iNADO or any other quali assurance system)?
() Yes, please specify which standard, its scope and validity:
(X) In progress, please specifywork on ISO9001 certification is in progress
() No; your comment (optional)
17. NADO staff
Please outline below how many staff are involved in the coordination and management of your anti-doping programs. Min numeric value allowed: 0
[21] Staff full time
[2] Staff part time
[0] Volunteers
[7] Committee members

[] Data not available		
18. Sample Collection Personnel		
Do you have Sample Collection Personnel (SC	CP) ?	
(X) Yes		
() No, please explain		
19. Number of DCOs and BCOs		
How many Doping Control Officers (DCOs),	Blood Control Officers (BCOs) and	d chaperones are in your sample collection
personnel program?		
Min numeric value allowed : 0		
[99] DCOs; your comment (optional)		
[27] BCOs; your comment (optional)		
[310] Chaperones; your comment (optional)		
[] Data not available		
20. Laboratory		
Is there a doping control laboratory in your co	untry?	
[X] Yes, accredited by WADA		
[] Yes, but accreditation by WADA is pending	7	
[] Accredited by WADA for athlete biological	passport	
[] No, we send samples to the WADA accredi	ted laboratories in:	(city)
[] Not available		
21. Testing statistics		
How many samples were collected under your	national testing program in the ye	ar 2018?
	Urine	Blood (including ABP)
In competition testing	2431	290
In-competition testing Min numeric value allowed: 0		
Out-of-competition testing	1055	449
Min numeric value allowed : 0		
[] Data not available		
22. Testing abroad		
Did you test athletes under your authority who	reside or train abroad (directly or	by subcontracting another ADO)?
(X) Yes; your comment (optional)		
() Not in 2018, but we have authorisation to do	o so; your comment (optional)

10. Distribution of funding		

Page : 522

What percentage of your annual anti-doping budget is put towards the following core programs?
[22] Testing (including equipment, transportation, Sample Collection Personnel (SCP) fees)
[38] Sample analysis
[0.5] Investigations
[2] Education
[0.4] Results Management/Legal
[0.1] Therapeutic Use Exemptions (TUEs)
[37] Other (e.g. remuneration, administration)
11. Sport Budget
What amount has been allocated to the sport budget from the state budget for the year 2018?
[63000000] amounteurocurrency [] Data not available
12. Limiting public funding to organisations
Is public funding withheld from organisations that do not comply with anti-doping regulations and related legal instruments
(X) Yes, all funding is withheld; your comment (optional)
() A limited amount of funding is withheld; your comment (optional)
() No financial implications; your comment (optional)
() Information not available; your comment (optional)
13. Limitation of public funding of persons
Is sport-related financial assistance provided by public authorities withheld from banned athletes or athlete support personneduring the period of their suspension?
(X) Yes, all funding is withheld; your comment (optional)
() A limited amount of funding is withheld; your comment (optional)
() No; your comment (optional)
() Not applicable (no sport-related financial assistance is provided by public authorities to athletes or support personnel); your comment (optional)
() Information not available; your comment (optional)
14. Testing programme
Does your country have a national testing programme?
(X) Yes
() No, please explain

15. Elements of the Testing Program
What elements of the testing program are implemented by the national anti-doping organisation?
[X] Risk Assessment and Test Distribution Planning (TDP)
[X] Registered Testing Pool
[X] Random selection of athletes
[X] Targeted selection of athletes
[X] In-competition testing
[X] Out-of-competition testing
[X] No-advance notice testing
[X] Blood testing
[X] Athlete Biological Passport (ABP) modules
[] Other elements, please specify
[] If some elements are implemented by another body, please specify which body
16. Quality certificate
Is your NADO or part of its procedures certified according to a quality standard (such as ISO, iNADO or any other quality assurance system)?
() Yes, please specify which standard, its scope and validity:
() In progress, please specify
(X) No; your comment (optional)
17. NADO staff
Please outline below how many staff are involved in the coordination and management of your anti-doping programs. Min numeric value allowed: 0
[9] Staff full time
[3] Staff part time
[0] Volunteers
[15] Committee members
[] Data not available
18. Sample Collection Personnel
Do you have Sample Collection Personnel (SCP) ?
(X) Yes
() No, please explain

19. Number of DCOs and BCOs		
How many Doping Control Officers (DCOs), B personnel program? Min numeric value allowed: 0	lood Control Officers (BCOs) an	d chaperones are in your sample collectio
[20] DCOs; your comment (optional)		
[4] BCOs; your comment (optional)		
[4] Chaperones; your comment (optional)		
20. Laboratory		
Is there a doping control laboratory in your cou	ntry?	
[] Yes, accredited by WADA		
[] Yes, but accreditation by WADA is pending		
[] Accredited by WADA for athlete biological	passport	
[X] No, we send samples to the WADA accredit	ed laboratories in:Warsaw, Cologne	and Seibersdorf(city)

CONSEIL DE L'EUROPE

Anti-Doping Questionnaire

Implementation of anti-doping policies in 2018 - United Kingdom of Great Britain and

Northern Ireland

Implementation of anti-doping policies in 2018 0.2

Objective:

In order to implement the requirements of the Article 9 of the Anti-Doping Convention, the online annual questionnaire is ready for collection of data regarding anti-doping policies in 2018.

In case you face any problems which would prevent you from filling in the questionnaire, please report it to us by e-mail sport.t-do@coe.int

You are kindly requested to fill in, save and post your country's data for 2018 before 31 May 2019. Instruction: For detailed instructions please select the links to documentation at the top of the page Questions: 1. Number of Athletes Please estimate the number of athletes in the following categories within your country: international-level athletes (as defined by the World Anti-Doping Code) Min numeric value allowed: 0] your comment (optional) [X] Data not available national-level athletes (as defined by the World Anti-Doping Code) Min numeric value allowed: 0 your comment (optional) [X] Data not available other athletes (including recreational athletes) Min numeric value allowed: 0] your comment (optional) [X] Data not available number of athletes in your national Registered Testing Pool (as defined by the World Anti-Doping Code) Min numeric value allowed: 0 [253] your comment (optional) [] Data not available number of athletes at the last Summer Olympic games Min numeric value allowed: 0 [366] your comment (optional) [] Data not available number of athletes at the last Winter Olympic games Min numeric value allowed: 0 [56] your comment (optional) [] Data not available number of athletes at the last Summer Paralympic games Min numeric value allowed: 0 [265] your comment (optional) [] Data not available number of athletes at the last Winter Paralympic games Min numeric value allowed: 0 [12] your comment (optional)

[] Data not available

2. Doping definition
What is the definition of "Doping in Sport" used in your country?
[] Council of Europe Anti-Doping Convention. Your comment (optional)
[] UNESCO International Convention against doping in sport. Your comment (optional)
[X] World Anti-Doping Code. Your comment (optional)
[] Other, please specify (e.g. national law):
3. Doping List
Which list of banned pharmacological classes of doping agents and doping methods (i.e. Prohibited List) is implemented in your country?
[X] Prohibited list, as adopted by the Executive Committee of WADA. Your comment (optional)
[] List of banned pharmacological classes of doping agents and doping methods, as adopted by the Monitoring Group (TDO). Your comment (optional)
[] Prohibited list, as adopted by the Conference of Parties of the International Convention against Doping in Sport (UNESCO) You comment (optional)
[] Other, please specify:
4. Additional doping lists
For the purposes of restricting availability of doping substances are there other lists than those defined in question 4?
() Yes, please specify:
(X) No. Your comment (optional)
5. Anti-doping laws
Are there any anti-doping laws in your country?
[] Anti-doping law. Your comment (optional)
[] Other formal regulations, please specify:
[X] No. Your comment (optional)In UK Anti-Doping matters are governed by the National Anti-Doping Policy, which is not legally binding
6. National anti-doping organisation (NADO)
What is the legal status of your national anti-doping organisation? Please upload the statutes, if possible
() Public authority. Your comment (optional)
