B. EXPECTED DELIVERABLES

Background of the Project

The Law of Georgia on Legal Assistance adopted in 2007 provides the legislative framework guaranteeing right to a legal counsel, which is provided by the Legal Aid Service of Georgia (LAS). Following the recent amendment to the Law juveniles and people with disabilities are entitled to legal assistance in the field of civil law. An ongoing large-scale reform of the LAS requires more focused and comprehensive intervention from the Council of Europe in order to increase the efficiency of the institution and awareness of the wider public on available free legal assistance, especially problematic in regions and minority populated areas. Due to the above mentioned the project is providing support to the LAS to strengthen its community outreach and deliver information about its services and eligibility of citizens to free legal assistance to a wider population.

The Council of Europe is looking for a maximum of three Provider(s) (provided enough tenders meet the criteria indicated below) in order to support the implementation of the project with a particular expertise on development of communication materials, specifically video and animated communication materials.

This Contract is currently estimated to cover up to 15 activities, to be held by 14 December 2023. This estimate is for information only and shall not constitute any sort of contractual commitment on the part of the Council of Europe. The Contract may potentially represent a higher or lower number of activities, depending on the evolving needs of the Organisation.

For information purposes only, the total budget of the project amounts to 580,000 Euros and the total amount of the object of present tender **shall not exceed 55,000 Euros tax exclusive** for the whole duration of the Framework Contract. Codec H264. Any speech in the videos should be done with excellent sound and construction quality, HDX compander for crystal-clear sound. Films may be in English or Georgian (with the corresponding other language subtitles). Films may also require subtitles in minority languages – the translations will be provided by the Council secretariat.
