Purchase of consultancy services within the framework of the EU/CoE Partnership for Good Governance II, Project "Strengthening measures to counter money laundering and financing of terrorism in Ukraine" [Contract N° PGGII-UA-2020-ANB-01]

The Council of Europe is currently implementing a project on "Strengthening measures to counter money laundering and financing of terrorism in Ukraine" as part of the joint EU/CoE Partnership for Good Governance II programme (2019-2021). In that context, it is looking for a Provider for the provision of training services contributing to the project actions related to increasing capacities of the State Financial Monitoring Service of Ukraine in using IBM i2 Analyst's Notebook (See Section A of the Act of Engagement).

The project on "Strengthening measures to counter money laundering and financing of terrorism in Ukraine" is one of the six projects which constitute the second phase of the EU/CoE Partnership for Good Governance (PGG) programme interventions to support Eastern Partnership countries¹ to counter economic crime. Compared to previous phase (2015-2018) where technical assistance was provided to prevent and repress corruption in Ukraine, current project aims at strengthening institutional capacities and legislative frameworks by addressing issues raised by MONEYVAL, the Council of Europe monitoring body in the fight against money laundering and financing of terrorism.

More information about the project is available at:
