B. EXPECTED DELIVERABLES

Background of the Project

The Council of Europe is currently implementing a Project on "Strengthening the human rights protection of asylum seekers, migrants and victims of human trafficking in Turkey" (the Project) which aims at enhancing the protection of human rights in the context of migration and strengthening the application of European standards in this field. The Project is implemented in the framework of the co-operation initiative of the Council of Europe and the European Union under *Horizontal Facility for the Western Balkans and Turkey Programme (Horizontal Facility II) 2019-2022*.

The Project is divided in two components: the **first component** focuses on the prevention of trafficking in human beings and is based on the first evaluation report on Turkey by the Group of Experts on Action against Trafficking in Human Beings (GRETA) in July 2019; the **second component** focuses on migration management and human rights and is built on the relevant case-law of the European Court of Human Rights (ECtHR) as well as the recommendations of the Special Representative of the Secretary General on Migration and Refugees (SRSG) following his fact-finding mission to Turkey in 2016 and the findings of other Council of Europe bodies.

In this framework under the **second component** of the project, the Council of Europe is looking for a maximum of fifteen (15) Providers (provided enough tenders meet the criteria indicated below) for the provision of national consultancy services for **development of guidelines for Directorate General of Migration Management and Ministry of Justice on identification of and addressing special needs of vulnerable migrants, preparing training materials on respected guidelines and providing online or face to face trainings.**

This Contract is currently estimated to cover up to 50 activities, to be held by 23/05/2022. This estimate is for information only and shall not constitute any sort of contractual commitment on the part of the Council of Europe. The Contract may potentially represent a higher or lower number of activities, depending on the evolving needs of the Organisation.

For information purposes only, the total budget of the project amounts to 2.500.000 Euros and the total amount of the object of present tender **shall not exceed 55,000 Euros tax exclusive** for the whole duration of the Framework Contract. This information does not constitute any sort of contractual commitment or obligation on the part of the Council of Europe.
