B. EXPECTED DELIVERABLES

Background of the Project

The Council of Europe is currently implementing a Project on Ensuring child-friendly justice through the effective operation of the Barnahus-Units in Finland. It is co-financed by the EU Structural Reform Support Programme and implemented in close cooperation with the EU DG Reform and the Finnish National Institute of Health and Welfare (THL) for the period 1/9/2021 to 29/2/2024.

Barnahus is a leading European model for a child-friendly multidisciplinary and interagency response to child sexual exploitation and abuse. In 2019, Finland initiated its own nationwide Barnahus project to be implemented around the core of five university hospital expert units specialising on forensic psychology/psychiatry (Barnahus-units). The EU-CoE Joint Project Barnahus in Finland sets to support the Finnish authorities in addressing the needs and challenges identified since the launch of their project so as to reduce significant existing delays in the pre-trial and judicial processes involving children.

The Council of Europe is looking for a maximum of 5 (five) Provider(s) (provided enough tenders meet the criteria indicated below) in order to support the implementation of the project with a particular expertise on publications, layout² and printing services.

This Contract is currently estimated to cover up to 10 publications, to be held by 29/02/2024. This estimate is for information only and shall not constitute any sort of contractual commitment on the part of the Council of Europe. For information purposes only, the total budget of the project amounts to 660,000 Euros and the total amount of the object of present tender **shall not exceed 55,000 Euros tax exclusive** for the whole duration of the Framework Contract. This information does not constitute any sort of contractual commitment or obligation on the part of the Council of Europe.
