Background of the Project

The Youth for Democracy Programme aims to find adequate responses to challenges related to human rights, personal development, meaningful participation and inclusion in society and to fears about climate change and the sustainability of democratic societies. By the inclusion of young people in the search for responses the Council of Europe wishes to benefit from their unique perspective, experiences, creativity and dynamism.

Publications play an important role in achieving the above goals and it is important that they are understandable, impeccable, coherent and respect the provisions of the style guide of the Council of Europe.

This Contract is currently estimated to cover the proofreading of up to 8 publications, to be implemented by 31 December 2021. This estimate is for information only and shall not constitute any sort of contractual commitment on the part of the Council of Europe. The Contract may potentially represent a higher or lower number of publications, depending on the evolving needs of the Organisation.

For information purposes only, the total budget of proofreading amounts to approximately EUR 5,000 per year and the total amount of the object of the present tender 20,000 Euros tax exclusive for the whole duration of the Framework Contract.
