

Language Support for Migrants *A Council of Europe Toolkit*

Tool 45 – Making notes on migrants’ background

Aim: To suggest headings for notes about each migrant’s background.

The form below will help you to take notes on the information gathered about each migrant, e.g. their educational background, work experience, learning strategies, etc.

The information gathered should be shared with other people who are in contact with the learners concerned.

Name and Surname	
Age	
Country of origin	
Educational background	
Occupation / Job experiences	
Where they live (town, countryside etc.) and who with	
Spare time interests	
Their future plans in the new country	
Main learning needs in target language
