

Ukraine's position on the message: «Investigation program «Schemes» targeted with car burning»

According to the information provided by the National Police of Ukraine, on the fact of intentional damage to Boris Mazur car by arson on August 17, 2020 in the town of Brovary, Kyiv Region, the Brovary Police Department of the Directorate General of the National Police in Kyiv Region launched a pre-trial investigation into criminal proceedings on the grounds of criminal offense under Part 2 of Article 194 (Deliberate destruction or damage to property) and Part 3 of Article 171 (Obstruction of the lawful professional activity of journalists) of the Criminal Code of Ukraine.

In committing a criminal offense under Part 2 of Article 194 of the Criminal Code of Ukraine, three persons in accordance with Article 276 (Cases of notification of suspicion) of the Criminal Procedure Code of Ukraine were notified of the suspicion.

The pre-trial investigation is ongoing. The prosecutor of the Brovary local prosecutor's office of Kyiv Region supervises the observance of laws during the pre-trial investigation in the specified criminal proceedings in the form of procedural guidance of the pre-trial investigation.
