

TV Channel '112 Ukraine' Kyiv Office Targeted by a Grenade

On the night of 13 July 2019, two unidentified persons fired a grenade launcher at the Kyiv office of the '112 Ukraine' TV channel. No person was injured in the result of the incident.

The National Police of Ukraine has classified this case as a terrorist act.

The investigation is conducted by the Chief Investigating Department of the Security Service of Ukraine. Necessary investigative measures are being taken to identify all circumstances of the crime and to bring perpetrators to responsibility. A pre-trial investigation is underway.
