Commentary (click to collaps)

Integrated Approach

National Academy of leading personnel of Culture and Arts

Today the National Academy is one of the leading art institutions that are involved in the national and cultural revival of Ukraine.

The department of Landscape design prepares specialists in such spheres as: landscape, town buildings, architecture, reconstruction, restoration, etc.

Students can achieve bachelor degree (4 years), specialist degree (5 years) and master degree (6, 5 years).

For more information visit the site.

- Kyiv National University of Culture and Art

There is a special Museology Department (established in 1992, but in 2004 it was renamed at Culture Heritage Protection and Museology Department)

The main aim of the department is to train specialists in the field of museum and monument protection cases which have theoretical and practical knowledge, abilities and skills, high professional qualifications.

four-year degree programs - one for sculpture restorers and the other for painting restorers.

Students can achieve bachelor degree (4 years), specialist degree (5 years) and master degree (6, 5 years).

For more information visit the site.
