DRAFT RESOLUTION²

1. All delegations were renewed in October 2016 for a four year mandate. In compliance with Article 2.1 of the Congress Charter, only those members who have lost their mandate or wish to resign may be withdrawn from the delegation before the end of this term of office, even if local or regional elections take place during those four years.
2. On the basis of the criteria of Article 2.1 of the Congress Charter, some delegations have, since October 2016, appointed delegates to fill the seats left vacant upon renewal.
3. There are 17 vacant seats out of a total of 648 seats in Congress delegations. The delegations concerned are invited to appoint delegates so that their delegation may participate fully in the work of the Congress.
4. The rapporteurs on the verification of credentials propose that the Congress approve:
 - a. the new official appointment procedure for the national delegation of the United Kingdom appended to this resolution;
 - b. the credentials of the members of the national delegations also appended to this resolution.

2 Preliminary draft resolution approved by the Bureau on 27 March 2017.
