WORKSHOP I:

**FORENSIC AFTERCARE: MENTAL ILL OFFENDERS AFTER
CONDITIONAL RELEASE AND SUPERVISION AS A SECURITY
MEASURE ("FÜHRUNGSAUFSICHT")"**

06TH JUNE 2023, 13:30AM

**BREMEN
MOIN ZUKUNFT!**

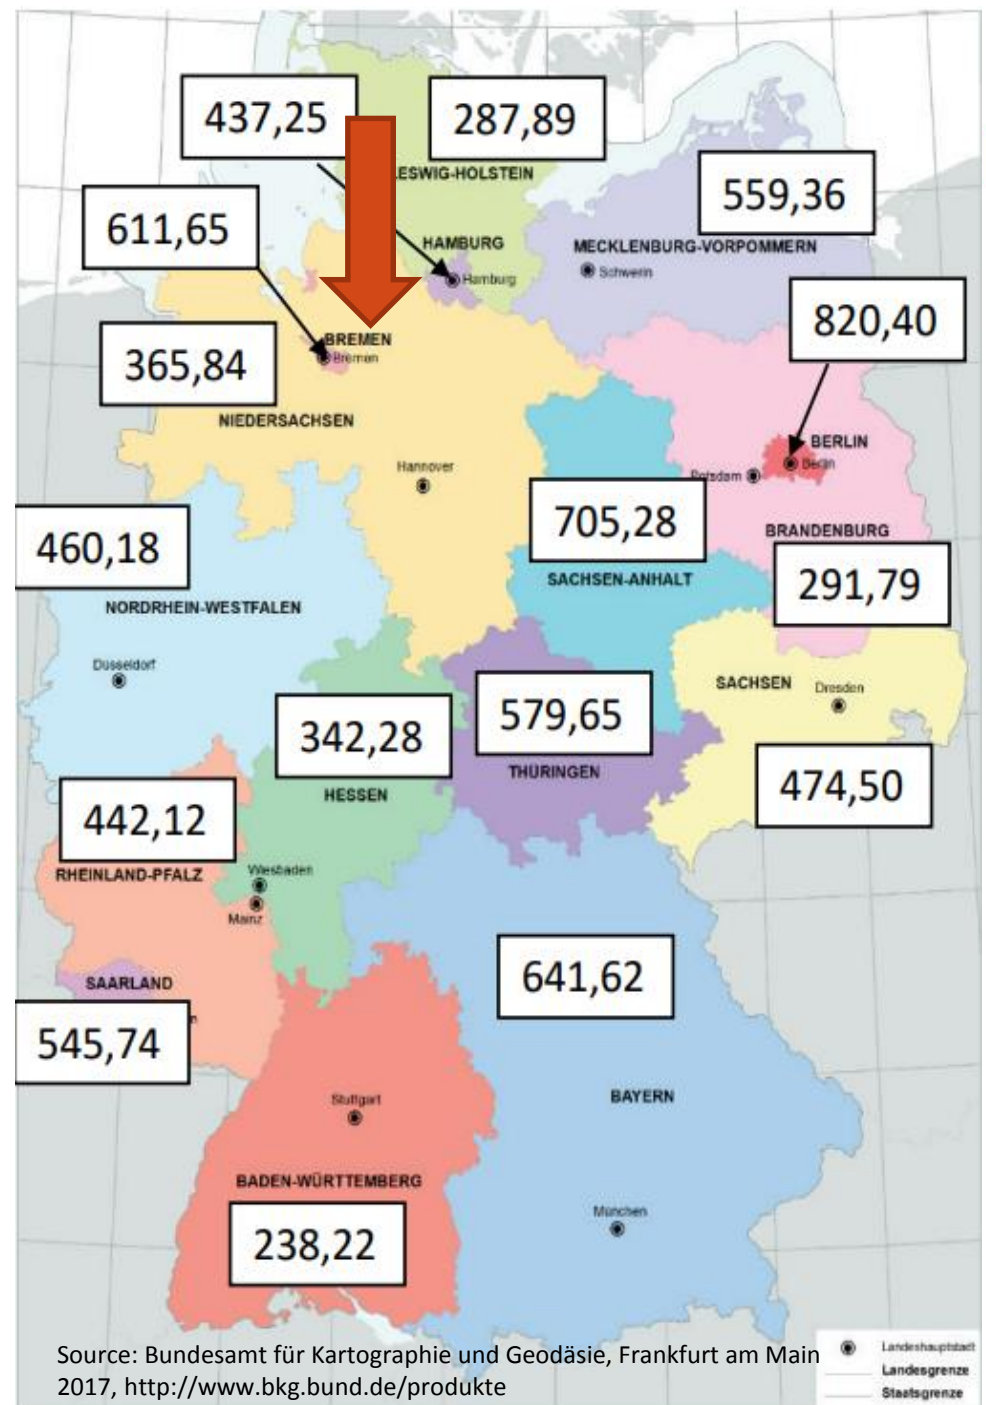

Starting Point:

- Mentally Disordered Individual (MDI): A health problem affecting 30 % of individuals in prison
- Release as a vulnerable time for probationers with MDI
- Is there a lack of care for MDI?
- Nothing works? What works?

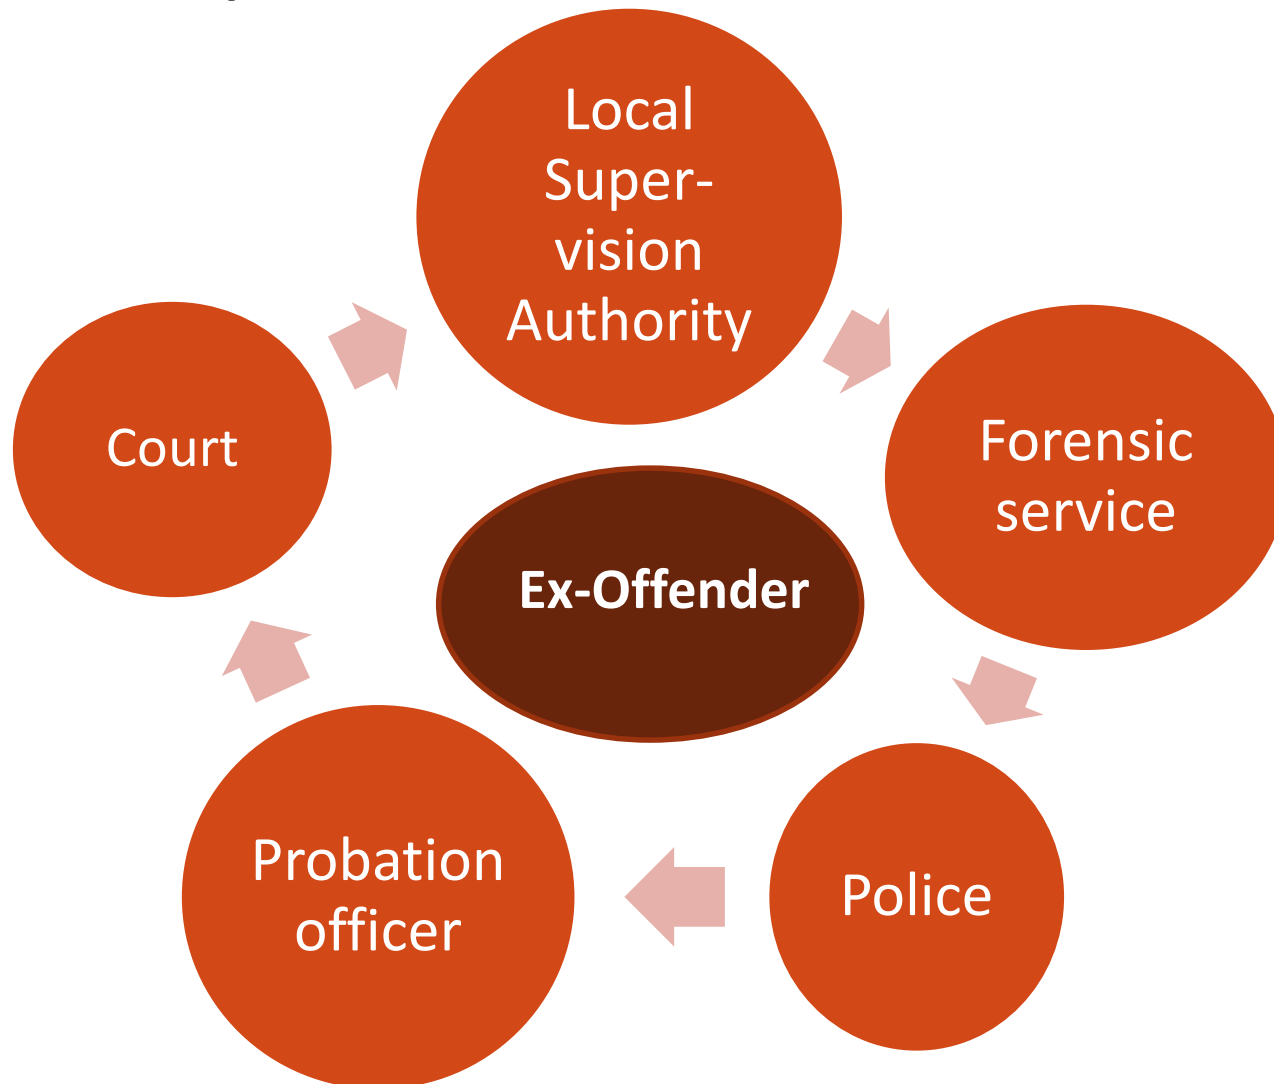

STATISTICS:

Number of persons under Supervision per 1 million inhabitants by 31.12.2020

Multi Agency approach of intensive supervision

List of requirements of the Penal code (section 68b(1) StGB):

[...]

10. Not to consume alcohol or other drugs, if based on certain information there is reason to believe that their consumption will contribute to the commission of future offences, and to undergo alcohol and drug tests of non-invasive nature; or

11. to present himself at certain times or certain intervals to a doctor, a psychotherapists or the forensic ambulance service, or

12. to carry the equipment for the electronic monitoring of his whereabouts in working order with him at all time and not to tamper with it
