

Application Vice-President of the Chamber of Local Authorities in the Congress:

Dear Members,

Since 2022, I have the privilege of being a member of the Council of Europe's Governance Committee.

I firmly believe the Council of Europe's role to develop democratic values in all our member countries, especially through the European Charter of Local Self-government.

I regard the Council of Europe and its different committees as a preeminent forum to build a better life for all our countries' communities.

I've been a member of the Amadora's governance team since 2001 and it's been my honour to be the Mayor since 2013.

Amadora is a 170 000 people municipality where over 100 nationalities share around 24 square kilometres.

This has given me a special insight to hear, understand and recognize different points of view and try to find the best viable result.

Working together will always allow us to achieve bigger and better goals.

This is my motive to apply for the position of Vice-President of the Chamber of Local Authorities in the Congress.

I hope for your support and thank you, in advance, for your trust,
