

## “Family reunification for refugee and migrant children: standards and promising practices”

Webinar

Thursday, 2 July 2020, 9.30 – 12.00

### Invitation

Council of Europe Special Representative of the Secretary General on Migration and Refugees, Ambassador Drahošlav Štefánek, is glad to invite you to the online Webinar aimed at launching the publication “Family reunification for refugee and migrant children: standards and promising practices”.

The handbook, developed under the auspices of the Office of the Secretary General’s Special Representative on Migration and Refugees, is a practical guide both to key legal standards and to promising practices in the field of family reunification and restoring family links.

This will be an occasion to discuss ongoing challenges for family reunion throughout Europe, for frontline countries and countries of destination, to present examples of promising practices coming from member states and to reflect together on what we can collectively improve to ensure that the principle of the best interests of the child and family unity is implemented and sought through family reunification.
