On the basis of [Resolution 1635 \(2008\)](#) and [Recommendation 1847 \(2008\)](#) on “Combating violence against women”, the Committee on Equality and Non-Discrimination runs the Parliamentary Network Women Free from Violence.

This Network is a *sui generis* structure, composed of contact parliamentarians from national, observer and partner for democracy delegations to the Assembly. In 2011, following the opening for signature of the [Council of Europe Convention on preventing and combating violence against women and domestic violence \(Istanbul Convention, CETS No. 210\)](#), the Network decided that its main objective would be encouraging further signatures and ratifications of this instrument, so that it could enter into force as soon as possible. The Network is chaired by the General Rapporteur on violence against women, who acts as its political co-ordinator.
