3. Transportation

National delegations and members must arrange their own transport to and from Budapest airport.

Budapest Liszt Ferenc International Airport (formerly known as Ferihegy Airport) is Hungary's main international gateway, located 21 km from the city center.

Public transportation is possibly by bus [100E](#). Buses run around the clock, every 5-10 minutes during the day, every 10-15 minutes in the morning and evening, and every 20-40 minutes on average at night.

It is possible to use the option [pay and go](#). Please browse the links for more information about the [timetable](#) or on [how to get the tickets](#).

Information on other buses is [here](#).

The official airport taxi company is www.fotaxi.hu.

Passengers arriving at the airport can book a taxi at the stands at the entrances of Terminal 2A and 2B. Taxis are lining up for passengers at the taxi ranks in front of the stands, and they can be taken after booking.

In Hungary, taxi journeys to and from the airport are capped by official regulations, which, as of 1 August 2020 set the price as the sum of a base fee of 1,300 HUF (~€3.50), a distance rate of 521 HUF/km (~€1.4 /km), and a waiting/traffic fee of 130 HUF/minute (~€0.6/minute if circulating under 15 km/hr).

In practice, this means that a taxi ride to or from the city centre costs between 12,900 HUF and 15,800 HUF (~€33 to €41), depending on traffic conditions.
